approved the performance objective for use with grants of Restricted Stock Awards (RSAs) to the Executive Officers in FY2015.

Executive Base Salaries

The annual base salaries for the Executive Officers are set forth on Exhibit 99.1 to this Current Report on Form 8-K (this Form 8-K).

FY2015 Target Award Amounts under the EVCP

The target award amounts under the EVCP for FY2015 for the Executive Officers are set forth on Exhibit 99.1 to this Form 8-K. For a discussion of the EVCP, see the Company's Current Report on Form 8-K filed with the Securities and Exchange Commission (the SEC) on May 16, 2007 (the May 2007 Form 8-K).

FY2015 Performance Objectives under the EVCP

The financial performance objectives for FY2015 under the EVCP are (a) a specified dollar amount of total revenues, (b) a specified dollar amount of cash flow from operations plus excess tax benefits from share-based payment

arrangements and (c) a specified percentage of operating margin, excluding the impact of expense related to share-based payment arrangements and the amortization of intangible assets. The cash flow from operations and operating margin performance objectives are considered non-GAAP financial measures.

The revenue and operating margin performance objectives are based on a Euro/U.S. dollar exchange rate of 1.00 Euro:U.S.\$1.37 and a yen/ U.S. dollar exchange rate of 102 yen:U.S.\$1.00, and these objectives are subject to adjustment if actual exchange rates for these currencies differ from these assumed rates by 2% or more. Additionally, the following items shall be excluded in determining whether any financial performance objective has been satisfied for FY2015: the impact of acquisitions and divestitures approved by the Board of Directors, goodwill write-offs, restructuring charges, litigation and insurance settlement charges, the impact of discontinued operations and the cumulative effect of changes in tax laws or accounting procedures. The Committee has reserved the right to exercise negative discretion to limit or forego any of these exclusions and may adjust any financial performance objective for FY2015 in its discretion as permitted by Section VIII of the EVCP. For a discussion of the EVCP, see the May 2007 Form 8-K.

The Committee determined that 75% of a participant's target award amount will be based upon the financial performance objectives discussed above, and 25% of a participant's target award amount will be based on individual performance objectives or the achievement of individual goals, which may be objectively or subjectively determined (the Individual Objectives). Individual Objectives relate to strategy development, planning and/or implementation, corporate initiatives, retention of key employees, executive development and operational improvements. The Committee determined that each of the financial performance objectives discussed above will be weighted equally in calculating the financial component of the award, and, with respect to each financial metric and the Individual Objectives metric, payments range from 0 to 50% per metric. The target award amounts approved by the Committee for the Executive Officers are set forth on Exhibit 99.1 of this Form 8-K.

Operating PSUs

The Committee approved the performance objectives to be used with, and authorized the grant to each Executive Officer of, an Operating PSU award. Each Operating PSU represents the right to receive in the future one share of the Company's common stock, or at the Company's election, the value of such share, according to a formula specified in, and subject to the terms and conditions of, the form of Operating PSU agreement (the "Operating PSU Agreement") filed as Exhibit 99.2 to the Company's Current Report on Form 8-K filed with the SEC on May 29, 2013 (the "May 2013 Form 8-K"). The summary of the terms of the Operating PSU Agreement in the May 2013 Form 8-K is incorporated by reference herein.

TSR PSUs

The Committee approved the performance objective to be used with, and authorized the grant to each Executive Officer of, a TSR PSU award. Each TSR PSU represents the right to receive in the future one share of the Company's common stock, or at the Company's election, the value of such share, according to a formula specified in, and subject to the terms and conditions of, the form of TSR PSU agreement (the "TSR PSU Agreement") filed as Exhibit 99.3 to the May 2013 Form 8-K. The summary of the terms of the TSR PSU Agreement in the May 2013 Form 8-K is incorporated by reference herein.

Peer Group

The Peer Group approved by the Committee to be used to measure performance in the award agreements for each of the Operating PSU and the TSR PSU awards in FY2015 is set forth on Exhibit 99.2 to this Form 8-K.

RSAs

The Committee authorized the grant to each Executive Officer of a RSA award, subject to the terms and conditions of, the form of RSA Agreement (the "RSA Agreement") filed as Exhibit 99.5 to the May 2013 Form 8-K. An executive's right to receive the shares subject to a RSA award is subject to achievement of a specified dollar amount of revenues established by the Committee as the performance objective for FY2015 under the Company's 2011 Performance Compensation Plan (the "RSA Performance Goal").

If the Company fails to achieve the RSA Performance Goal for FY2015, then all shares of restricted stock subject to the award are forfeited. If the Company achieves the Performance Goal for FY2015, 25% of the restricted stock vests on July 16, 2015, and the remainder vests ratably on a quarterly basis over the course of the subsequent three-year period, provided that the executive's Business Relationship with Red Hat has not ceased.

Capitalized terms not defined in this summary are defined in the form of RSA award agreement filed as Exhibit 99.5 to the May 2013 Form 8-K. The summary of the terms of the RSA Agreement in the May 2013 Form 8-K is incorporated by reference herein.
