Item 1.02. Termination of a Material Definitive Agreement.

Pursuant to the Indenture, dated as of December 18, 2013 (as amended, modified or supplemented from time to time, the Indenture), among Memorial Resource Development Corp., as successor under the Indenture to Memorial Resource Development LLC (the Company), Memorial Resource Finance Corp. (together with the Company, the Issuers), each of the guarantors party thereto and U.S. Bank National Association, as trustee (the Trustee), the Issuers provided notice to the Trustee that they had elected to redeem all of the outstanding 10.00%/10.75% Senior PIK Toggle Notes due 2018 issued under the Indenture (the Notes), at a redemption price of 102% of the principal amount of the Notes plus accrued and unpaid interest thereon, on July 16, 2014 (the Redemption). On June 27, 2014, the Company irrevocably deposited with the Trustee approximately \$360 million, which is the amount sufficient to fund the Redemption and to satisfy and discharge (the Discharge) the Issuers obligations under the Notes and the Indenture. The Discharge became effective upon the irrevocable deposit of the funds with the Trustee.

Item 2.01. Completion of Acquisition or Disposition of Assets.

On July 1, 2014, Memorial Production Partners LP (the Partnership), a consolidating subsidiary of the Company, announced that the Partnership closed its previously announced acquisition of oil and natural gas liquids properties in Wyoming from Merit Energy Company, LLC and certain of its affiliates (the Acquisition). The Partnership acquired the properties for an adjusted purchase price of approximately \$915.1 million, subject to customary post-closing adjustments. The Acquisition was funded with borrowings under the Partnership s revolving credit facility.

The definitive purchase and sale agreement relating to the Acquisition, dated as of May 2, 2014, among Memorial Production Operating LLC, the Partnership s wholly-owned subsidiary, and Merit Energy Company, LLC and certain of its affiliates (the Purchase Agreement), contains representations and warranties, covenants and indemnification provisions that are typical for transactions of this nature and that were made or agreed to, among other things, to provide the parties thereto with specified rights and obligations and to allocate risk among such parties. Accordingly, the Purchase Agreement should not be relied upon as constituting a description of the state of affairs of any of the parties thereto or their affiliates at the time it was entered into or otherwise.

The foregoing description of the Acquisition does not purport to be complete and is qualified in its entirety by reference to the Purchase Agreement, which was previously filed as Exhibit 2.1 to the Partnership s Current Report on Form 8-K filed with the Securities and Exchange Commission on May 5, 2014 and is incorporated by reference in this Item 2.01.

The Company controls the Partnership through its ownership of the general partner the Partnership. The Partnership is a publicly traded limited partnership engaged in the acquisition, production and development of oil and natural gas properties in the United States. Due to the Company s control of the Partnership through the ownership of its general partner, the Company is required to consolidate the Partnership for accounting and financial reporting purposes.
