CAUTIONARY STATEMENT CONCERNING FORWARD-LOOKING STATEMENTS

This prospectus includes or incorporates by reference forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995, Section 27A of the Securities Act and Section 21E of the Securities and Exchange Act of 1934, as amended (the Exchange Act). Forward-looking statements can be identified by words such as anticipates, intends, plans, seeks, believes, estimates, expects and similar references to future periods. E forward-looking statements include, but are not limited to, statements we make regarding our ability to generate significant cash flow; amounts we will spend in capital expenditures and investments; amounts we will pay under the CityCenter completion guarantee; the opening of strategic resort developments, the estimated costs associated with those developments and the expected components of such developments; and dividends we will receive from MGM China. The foregoing is not a complete list of all forward-looking statements we make.

Forward-looking statements are based on our current expectations and assumptions regarding our business, the economy and other future conditions. Because forward-looking statements relate to the future, they are subject to inherent uncertainties, risks, and changes in circumstances that are difficult to predict. Our actual results may differ materially from those contemplated by the forward-looking statements. They are neither statements of historical fact nor guarantees or assurances of future performance. Therefore, we caution you against relying on any of these forward-looking statements. Important factors that could cause actual results to differ materially from those in the forward-looking statements include, but are not limited to, regional, national or global political, economic, business, competitive, market, and regulatory conditions and the following:

our substantial indebtedness and significant financial commitments could adversely affect our operations and financial results and impact our ability to satisfy our obligations;

current and future economic and credit market conditions could adversely affect our ability to service or refinance our indebtedness and to make planned expenditures and investments;

restrictions and limitations in the agreements governing our senior credit facility and other senior indebtedness could significantly affect our ability to operate our business, as well as significantly affect our liquidity;

significant competition we face with respect to destination travel locations generally and with respect to our peers in the industries in which we compete;

the fact that our businesses are subject to extensive regulation and the cost of compliance or failure to comply with such regulations may adversely affect our business;

the impact on our business of economic and market conditions in the markets in which we operate and in the locations in which our customers reside;

restrictions on our ability to have any interest or involvement in gaming businesses in China, Macau, Hong Kong and Taiwan, other than through MGM China;

the ability of the Macau government to terminate MGM Grand Paradise's subconcession under certain circumstances without compensating MGM Grand Paradise or to refuse to grant MGM Grand Paradise an extension of the subconcession, which is scheduled to expire on March 31, 2020;

our ability to build and open our development in Cotai by January 2018;

Table of Contents

the dependence of MGM Macau upon gaming promoters for a significant portion of gaming revenues in Macau;

our ability to recognize our foreign tax credit deferred asset and the variability of the valuation allowance we may apply against such deferred tax asset;

extreme weather conditions or climate change may cause property damage or interrupt business;

the concentration of a majority of our major gaming resorts on the Las Vegas Strip;

the fact that we extend credit to a large portion of our customers and we may not be able to collect gaming receivables;

the potential occurrence of impairments to goodwill, indefinite-lived intangible assets, or long-lived assets which could negatively affect our future profits;

the susceptibility of leisure and business travel, especially travel by air, to global geopolitical events, such as terrorist attacks or acts of war or hostility;

the fact that co-investing in our properties, including our investment in CityCenter, decreases our ability to manage risk;

the fact that future construction or development projects will be susceptible to substantial development and construction risks;

the fact that our insurance coverage may not be adequate to cover all possible losses that our properties could suffer, our insurance costs may increase and we may not be able to obtain similar insurance coverage in the future;

the fact that CityCenter has decided to abate the potential for structural collapse of the Harmon Hotel & Spa (the Harmon) in the event of a code-level earthquake by demolishing the building, which exposes us to risks in connection with the demolition process;

the fact that a failure to protect our trademarks could have a negative impact on the value of our brand names and adversely affect our business;

the risks associated with doing business outside of the United States and the impact of any potential violations of the Foreign Corrupt Practices Act or other similar anti-corruption laws;

risks related to pending claims that have been, or future claims that may be brought against us;

the fact that a significant portion of our labor force is covered by collective bargaining agreements;

the sensitivity of our business to energy prices and a rise in energy prices could harm our operating results;

the potential that failure to maintain the integrity of our computer systems and internal customer information could result in damage of reputation and/or subject us to fines, payment of damages, lawsuits or restrictions on our use or transfer of data;

increases in gaming taxes and fees in the jurisdictions in which we operate; and

the potential for conflicts of interest to arise because certain of our directors and officers are also directors of MGM China, which is now a publicly traded company listed on the Hong Kong Stock Exchange.

Table of Contents

The forward-looking statements included or incorporated herein are made only as of the date of this prospectus, any prospectus supplement or as of the date of the documents incorporated by reference. Other factors or events not identified above could also cause our actual results to differ materially from those projected. Most of those factors and events are difficult to predict accurately and are generally beyond our control. A detailed discussion of these and other risks and uncertainties that could cause actual results and events to differ materially from such forward-looking statements is included in Part I, Item 1A of our Annual Report on Form 10-K for the fiscal year ended December 31, 2014 in the section entitled "Risk Factors" and as may be included from time to time in our reports filed with the SEC. We undertake no obligation to update any forward-looking statement, whether as a result of new information, future developments or otherwise, except as may be required by law.

Item 15. Indemnification of Directors and Officers.

Section 145 of the Delaware General Corporation Law (the DGCL) provides that a corporation may indemnify directors and officers, as well as other employees and individuals, against expenses, including attorneys' fees, judgments, fines and amounts paid in settlement actually and reasonably incurred by such person in connection with any threatened, pending or completed actions, suits or proceedings in which such person is made a party by reason of such person being or having been a director, officer, employee or agent of such corporation. The DGCL provides that Section 145 is not exclusive of other rights to which those seeking indemnification may be entitled under any certificate of incorporation, bylaws, agreement, vote of stockholders or disinterested directors or otherwise.

Section 102(b)(7) of the DGCL permits a corporation to provide in its certificate of incorporation that a director of the corporation shall not be personally liable to the corporation or its stockholders for monetary damages for breach of fiduciary duty as a director, except for liability: (i) for any breach of the director's duty of loyalty to the corporation or its stockholders, (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) for payments of unlawful dividends or unlawful stock repurchases, redemptions or other distributions or (iv) for any transactions from which the director derived an improper personal benefit.

The amended and restated certificate of incorporation of MGM Resorts International provides that MGM Resorts International will indemnify its directors and officers to the fullest extent permitted by law and that no director shall be liable for monetary damages to MGM Resorts International or its stockholders for any breach of fiduciary duty, except to the extent provided by applicable law. Article II, Section 12 of the Bylaws of MGM Resorts International provides for indemnification of persons to the extent permitted by the Delaware General Corporation Law.

Subject to certain limited exceptions, under these agreements MGM Resorts International will be obligated, to the fullest extent not prohibited by the DGCL, to indemnify such directors and officers against all expenses, judgments, fines and penalties incurred in connection with the defense or settlement of any actions brought against them by reason of the fact they were directors and officers of MGM Resorts International.

Item 17. Undertakings.

1. The undersigned Registrant hereby undertakes:

(a) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in the volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the SEC pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20 percent change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

provided, however, that paragraphs (a)(i), (a)(ii) and (a)(iii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the SEC by the Registrant pursuant to Section 13 or 15(d) of the Securities Exchange Act of 1934, that are incorporated by reference in the registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement.

(b) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof; and

(c) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

2. That, for the purpose of determining liability under the Securities Act to any purchaser:

(a) Each prospectus filed by the registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and

(b) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5) or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii) or (x) for the purpose of providing the information required by Section 10(a) of the Securities Act shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which the prospectus relates, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof. *Provided, however*, that no statement made in a registration statement or prospectus that is part of the

Edgar Filing: Vintage Land Holdings II, LLC - Form S-3ASR

registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date; and

3. The undersigned Registrant hereby undertakes that, for the purpose of determining liability of the Registrant under the Securities Act of 1933 to any purchaser in the initial distribution of the securities, the undersigned Registrant undertakes that in a primary offering of securities of the Registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the Registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

(a) Any preliminary prospectus or prospectus of the undersigned Registrant relating to the offering required to be filed pursuant to Rule 424;

(b) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned Registrant or used or referred to by the undersigned Registrant;

(c) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned Registrant or its securities provided by or on behalf of the Registrant; and

(d) Any other communication that is an offer in the offering made by the Registrant to the purchaser.

4. The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the Registrant's annual report pursuant to Section 13(a) or 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

5. Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act of 1933 and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.

6. To supplement the prospectus, after the expiration of any warrant or right subscription period, to set forth the results of any warrant or right subscription offer, the transactions by the underwriters during the subscription period, the amount of unsubscribed securities to be purchased by the underwriters, and the terms of any subsequent reoffering thereof. If any public offering by the underwriters is to be made on terms differing from those set forth on the cover page of the prospectus, a post-effective amendment will be filed to set forth the terms of such offering.

7. The undersigned Registrant hereby undertakes to file an application for the purpose of determining the eligibility of the trustee to act under subsection (a) of section 310 of the Trust Indenture Act (Act) in accordance with the rules and regulations prescribed by the SEC under section 305(b)2 of the Act.
