THE TAIWAN FUND, INC.

INTRODUCTION

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of The Taiwan Fund, Inc. (the Fund or Corporation) for use at the Annual Meeting of Stockholders (the Meeting), to be held at the offices of Clifford Chance US LLP, 31 West 52 Street, New York, New York 10019, on Tuesday, April 21, 2015 at 9:00 a.m., local time, and at any adjournments thereof.

This Proxy Statement and the form of proxy card are being mailed to stockholders on or about March 6, 2015. Any stockholder giving a proxy has the power to revoke it by executing a superseding proxy by phone, Internet or mail following the process described on the proxy card or by submitting a notice of revocation to the Fund prior to the date of the Meeting or in person at the Meeting. All properly executed proxies received in time for the Meeting will be voted as specified in the proxy or, if no specification is made, for the election of the directors, as described in this Proxy Statement.

The presence in person or by proxy of stockholders entitled to cast one third of the votes entitled to be cast thereat constitutes a quorum at all meetings of the stockholders. For purposes of determining the presence of a quorum for transacting business at the Meeting, executed proxies returned without marking a vote on Proposal 1 and Proposal 2 will be treated as shares that are present for quorum purposes. Abstentions are included in the determination of the number of shares present at the Meeting for purposes of determining the presence of a quorum. **If a stockholder is present in person or by proxy at the Meeting but does not cast a vote, the stockholder's shares will count towards a quorum but will have no effect on Proposal 1 and will have the effect of a vote to disapprove Proposal 2.** In the event a quorum is not present at the Meeting, or in the event that a quorum is present at the Meeting but sufficient votes to approve any of the proposed items are not received, holders of a majority of the stock present in person or by proxy have power to adjourn the meeting. If a quorum is present, a shareholder vote may be taken on one or more of the Proposals in this Proxy Statement prior to such adjournment if sufficient votes have been received for approval and it is otherwise appropriate. The chairman of the Meeting may adjourn any meeting of stockholders from time to time to a date not more than 120 days after the original record date without notice other than announcement at the meeting. At such adjourned meeting at which a quorum is present, any business may be transacted which might have been transacted at the Meeting as originally notified. The Fund may set a subsequent record date and give notice of it to stockholders, in which case the meeting may be held not more than 120 days beyond the subsequent record date.

The Board of Directors has fixed the close of business on February 27, 2015 as the record date for the determination of stockholders entitled to notice of and to vote at the Meeting and at any adjournments thereof. Stockholders on the record date will be entitled to one vote for each share held, with no shares having cumulative voting rights. As of the record date, the Fund had outstanding 8,224,331 shares of common stock.

Management of the Fund knows of no item of business other than those mentioned in Proposal 1 and Proposal 2 of the Notice of Meeting that will be presented for consideration at the Meeting. If any other matter is properly presented, it is the intention of the persons named in the enclosed proxy to vote in accordance with their best judgment.

The Fund will furnish, without charge, a copy of its annual report for its fiscal year ended August 31, 2014 to any stockholder requesting such report. Persons named in the accompanying form of proxy intend in the absence of contrary instruction to vote all proxies for the election of the seven nominees listed below as directors of the Fund to serve for the next year, or until their successors are elected and qualified. Each of the nominees for director has consented to be named in this Proxy Statement and to serve as a director of the Fund if elected. The Board of Directors of the Fund has no reason to believe that any of the nominees named below will become unavailable for election as a director, but if that should occur before the Annual Meeting for the Fund, the persons named as proxies in the proxy cards will vote for such persons as the Board of Directors of the Fund may recommend. None of the Directors is an interested person of the Fund (as defined in Section 2(a)(19) of the Investment Company Act of 1940, as amended (the 1940 Act)) (each an Independent Director)).

Leadership Structure and Board of Directors

The Board has general oversight responsibility with respect to the business and affairs of the Fund. The Board is responsible for overseeing the operations of the Fund in accordance with the provisions of the 1940 Act, other applicable laws and the Fund's Articles of Incorporation. The Board is composed of five Independent Directors and one of the Independent Directors serves as Chairman of the Board. If all nominees for Director are approved by stockholders, the Board will be composed of seven Independent Directors.

The Board believes that increasing the size of the Board to include Messrs. Cheung and Kudlow will benefit stockholders. In 2014, a director with extensive business experience in Taiwan did not stand for re-election. The Board feels it is important to add a director with significant experience with the economy and business climate in Taiwan. As described below, Mr. Cheung has such experience. Also, the Board is anticipating that over the next few years one or more of the Directors will retire from the Board and desires to add a director now to provide a period of transition before any such retirement occurs. As described below, Mr. Kudlow will bring a wealth of market and economic expertise to the Board.

Mr. Cheung has a distinguished record of success in Taiwan, Mainland China and cross-Strait business. With the perspective of operating and investment experience in both Taiwan and Mainland China, he will bring to stockholders significant expertise in the realities of the economic and business environments in the region. Mr. Kudlow brings to stockholders not only a wealth of market and economic

expertise but an opportunity to bring the Fund to the attention of a far wider cross-section of investors. His deep understanding of international trade and monetary policy will be invaluable as cross-Strait investment and trade expands and China's financial liberalization opens new markets.

Generally, the Board acts by majority vote of all of the Directors, including a majority vote of the Independent Directors if required by applicable law. The Fund's day-to-day operations are currently managed by JF International Management Inc. (the Adviser) and other service providers who have been approved by the Board. The Board meets periodically throughout the year to oversee the Fund's activities, review contractual arrangements with service providers, oversee compliance with regulatory requirements and review performance. The Board has determined that its leadership structure is appropriate given the size of the Board, the fact that all of the Directors are not interested persons, and the nature of the Fund.

The existing Directors were selected to serve and continue, and Messrs. Cheung and Ludlow were nominated to serve on the Board, based upon their skills, experience, judgment, analytical ability, diligence, ability to work effectively with other Directors and a commitment to the interests of stockholders and a demonstrated willingness to take an independent and questioning view of management. Each existing Director also has considerable familiarity with the Fund and State Street Bank and Trust Company (the Administrator), and its operations, as well as the special regulatory requirements governing registered investment companies and the special responsibilities of investment company directors, all as a result of his substantial prior service as a Director of the Fund and, in several cases, as a director of other investment companies. In addition to those qualifications, the following is a brief summary of the specific experience, qualifications or skills that led to the conclusion that as of the date of this proxy statement, each person identified below should serve as a Director for the Fund. References to the qualifications, attributes and skills of the Directors are pursuant to requirements of the Securities and Exchange Commission (SEC), and do not constitute a holding out by the Board or any Director as having any special expertise and should not be considered to impose any greater responsibility or liability on any such person or on the Board by reason thereof than the normal responsibility and liability of an investment company board member or board. As required by rules the SEC has adopted under the 1940 Act, the Fund's Independent Directors select and nominate all candidates for Independent Director positions.

Joe O. Rogers. Mr. Rogers has served as a Director of the Fund since the Fund's inception in 1986. He has provided business and investment consulting services for over 30 years. Mr. Rogers' experience includes service as the president, vice president or partner in business and investment consulting firms including Rogers International LLC, PHH Asia Corporation and PHH Fantus Consulting. He served as the U.S. Ambassador to the Asian Development Bank under President Ronald Reagan. Mr. Rogers also served the U.S. House of Representatives in various capacities including Executive Director and International Relations Counselor of the Republican Conference and served as the chief economist and budget advisor to Senator William Armstrong. He has lectured on economics and finance at various U.S. based and internationally based universities and served as a Visiting Professor of Finance at Fudan University in Shanghai from 2010 to 2012. Mr. Rogers also serves on the board of another listed company.

M. Christopher Canavan, Jr. Mr. Canavan is currently the Chairman of the Audit Committee and has served as a Director of the Fund since 2003. He has provided financial accounting, auditing and consulting services for over 40 years. Mr. Canavan's experience includes over 27 years of service as a partner in PricewaterhouseCoopers, LLP and its predecessor firms, and over 10 years of service as an independent consultant providing financial consulting services.

Chih T. Cheung. Mr. Cheung is a nominee for Director of the Fund. He is the Managing Partner of C2 Capital Limited, an investment firm dedicated to investing in local Chinese emerging growth companies and to partnering with leading global companies to establish their presence in China. He is also

a board member of Reliable Source Industrial Company Limited, a leading apparel manufacturing company with the head office in Taipei and factories in China, Cambodia, Bangladesh, Indonesia and Vietnam and is on the advisory board of the Harvard China Fund. Previously, Mr. Cheung was the Managing Partner of Staples Asia Investment Limited, a subsidiary of Staples, Inc. He was also a senior advisor in the Office of the Chairman of Chinatrust Commercial Bank and based in Taipei.

Michael F. Holland. Mr. Holland has served as a Director of the Fund since 2007. He has worked in the investment management industry for over 40 years. Mr. Holland's experience includes service as the Chairman of Holland & Company LLC, which he founded in 1995, and as the chief executive officer, chairman or vice chairman of major U.S. asset management firms including Salomon Brothers Asset Management, First Boston Asset Management and Oppenheimer & Co., Inc. He is a regular guest on several financial television programs and is regularly quoted in leading financial publications. Mr. Holland also serves on the boards of other charitable and listed companies.

William C. Kirby. Mr. Kirby has served as a Director of the Fund since 2013. He is T. M. Chang Professor of China Studies at Harvard University and Spangler Family Professor of Business Administration at Harvard Business School. Mr. Kirby is a historian of modern China, whose work examines China's business, economic and political development in an international context. He has served the academic community for over 30 years. Mr. Kirby joined Harvard University in 1992, where he currently serves various positions including Chairman of the Harvard China Fund. He has also served as the Director of the John K. Fairbank Center for Chinese Studies, Dean of the Faculty of Arts and Sciences, Chair of the Council on East Asian Studies and the Director of the National Resource Center for East Asia for Harvard University. Prior to joining Harvard University, Mr. Kirby served as the Dean of the Faculty of Arts and Sciences, Director of Asian Studies and Director of International Affairs at Washington University. Mr. Kirby has published numerous books and articles related to Chinese business and history.

Lawrence A. Kudlow. Mr. Kudlow is a nominee for Director of the Fund. He is CEO of Kudlow & Co., LLC, an economic research firm and a nationally syndicated columnist. Mr. Kudlow is a CNBC Senior Contributor and a contributing editor of National Review magazine. During President Reagan's first term, Mr. Kudlow was the associate director for economics and planning, Office of Management and Budget, Executive Office of the President, where he was engaged in the development of the administration's economic and budget policy. He was formerly chief economist and senior managing director of Bear Stearns & Company. Mr. Kudlow started his professional career at the Federal Reserve Bank of New York where he worked in open market operations and bank supervision.

Anthony Kai Yiu Lo. Mr. Lo has served as a Director of the Fund since 2003. He has worked in the investment management and investment banking industry for over 30 years. Mr. Lo's experience includes service as the founding Chairman and Co-CEO of Shanghai Century Acquisition Corporation, which was listed on the American Stock Exchange. His experience also includes his role as founder of Advantage Limited and Suez Asia Capital Management Co. Ltd. and his service as a managing director of ABN Amro Asia Ltd., HG Asia Ltd. and Schroders Asia Ltd. Mr. Lo also serves on the boards and audit committees of other companies publicly listed in Hong Kong and on the NASDAQ.

The Fund does not have a policy regarding Board member's attendance at the Annual Meeting of Stockholders. However, one of the five then Directors attended the 2014 Annual Meeting of Stockholders.

The Board of Directors of the Fund held four regular meetings and seven special meetings during the fiscal year ended August 31, 2014. For the fiscal year ended August 31, 2014, each Director attended at least seventy-five percent of the aggregate number of meetings held during the fiscal year of the Board and of any committee on which he served.

Audit Committee. The Fund's Board of Directors has a separately designated Audit Committee established in accordance with Section 3(a)(58)(A) of the Securities Exchange Act of 1934, as amended (the Exchange Act), which is responsible for reviewing financial and accounting matters. The Fund's Audit Committee is composed of directors who are independent (as defined in the New York Stock Exchange, Inc. (NYSE) listing standards, as may be modified or supplemented) and not interested persons of the Fund (as defined in Section 2(a)(19) of the 1940 Act) and its actions are governed by the Fund's Audit Committee Charter, which is posted on the Fund's website (www.thetaiwanfund.com). The current members of the Audit Committee are Messrs. Canavan, Holland, Lo and Rogers. The Audit Committee convened four times during the fiscal year ended August 31, 2014. The Fund's Board of Directors has designated Mr. Canavan, an independent director, as an audit committee financial expert.

Nominating Committee. The Fund's Board of Directors has a Nominating Committee, which is responsible for recommending individuals to the Board for nomination as members of the Board and its Committees. The Fund's Nominating Committee is composed of directors who are independent as independence is defined in the NYSE's listing standards, as may be modified or supplemented, and are not interested persons of the Fund (as defined in Section 2(a)(19) of the 1940 Act) and its actions are governed by the Fund's Nominating Committee Charter, which is posted on the Fund's website (www.thetaiwanfund.com). Currently, the Nominating Committee does not consider nominees recommended by the stockholders. The Nominating Committee believes that it is not necessary to have such a policy because the Board has had no difficulty identifying qualified candidates to serve as directors. The Nominating Committee evaluates a candidate's qualifications for Board membership and the candidate's independence from the Fund's advisers and other principal service providers. The Nominating Committee does not have specific minimum qualifications that must be met by candidates recommended by the Nominating Committee and there is not a specific process for identifying such candidates. In nominating candidates, the Nominating Committee takes into consideration such factors as it deems appropriate. These factors may include judgment, skill, diversity, experience with businesses or other organizations of comparable size, the interplay of the candidate's experience with the experience of other Board members, requirements of the NYSE and the SEC to maintain a minimum number of independent or non-interested directors, requirements of the SEC as to disclosure regarding persons designated as having financial expertise on the Fund's audit committee and the extent to which the candidate generally would be a desirable addition to the Board and any committees of the Board. The Committee believes the Board generally benefits from diversity of background, experience and views among its members, and considers this a factor in evaluating the composition of the Board, but has not adopted any specific policy in this regard. The current members of the Nominating Committee are Messrs. Canavan, Kirby and Lo. The Nominating Committee convened two times during the fiscal year ended August 31, 2014.

Valuation Committee. The Fund's Board of Directors has a Valuation Committee which is responsible for establishing and monitoring policies and procedures reasonably designed to ensure that the Fund's assets are valued appropriately, objectively and timely, reflecting current market conditions. The current Directors who are members of the Valuation Committee are Messrs. Holland and Kirby. The Valuation Committee met once during the fiscal year ended August 31, 2014.

Share Repurchase Program Committee. The Fund's Board of Directors has a Share Repurchase Program Committee which is responsible for overseeing and evaluating the Fund's program to repurchase its shares on the market. The current members of the Share Repurchase Program Committee are Messrs. Rogers and Kirby. The Share Repurchase Program Committee did not meet during the fiscal year ended August 31, 2014.

Risk Oversight

The day-to-day operations of the Fund, including the management of risk, is performed by third party service providers, such as the Fund's Adviser and Administrator. The Directors are responsible for overseeing the Fund's service providers and thus have oversight responsibilities with respect to risk management performed by those service providers. Risk management seeks to identify and address risks, i.e., events or circumstances that could have material adverse effects on the business, operations, stockholder services, investment performance or reputation of the Fund. The Fund and its service providers employ a variety of processes, procedures and controls to identify certain of those possible events or circumstances, to lessen the probability of their occurrence and/or to mitigate the effects of such events or circumstances if they do occur.

Not all risks that may affect the Fund can be identified nor can controls be developed to eliminate or mitigate their occurrence or effects. It may not be practical or cost effective to eliminate or mitigate certain risks, the processes and controls employed to address certain risks may be limited in their effectiveness, and some risks are simply beyond the reasonable control of the Fund or the Adviser or other service providers. Moreover, it is necessary to bear certain risks (such as investment-related risks) to achieve the Fund's goals. As a result of the foregoing and other factors, the Fund's ability to manage risk is subject to substantial limitations.

Risk oversight forms part of the Board's general oversight of the Fund and is addressed as part of various Board and Committee activities. As part of its regular oversight of the Fund, the Board, directly or through a Committee, interacts with and reviews reports from, among others the Fund's Adviser, the Fund's Administrator, the Fund's chief compliance officer and its independent registered public accounting firm, as appropriate, regarding risks faced by the Fund. The Board is responsible for overseeing the nature, extent and quality of the services provided to the Fund by the Adviser and receives information about those services at its regular meetings. In addition, on an annual basis, in connection with its consideration of whether to renew the Advisory Agreement, the Board meets with the Adviser to review the services provided. Among other things, the Board regularly considers the Adviser's adherence to the Fund's investment restrictions and compliance with various Fund policies and procedures and with applicable securities regulations. The Board has appointed a chief compliance officer who oversees the implementation and testing of the Fund's compliance program and reports to the Board regarding compliance matters for the Fund and its service providers. The Board, with the assistance of the Adviser, reviews investment policies and risks in connection with its review of the Fund's performance. In addition, as part of the Board's oversight of the Fund's advisory and other service provider agreements, the Board may periodically consider risk management aspects of their operations and the functions for which they are responsible.

Stockholder Communications

Stockholders may send communications to the Fund's Board of Directors by addressing the communication directly to the Board (or individual Board members) and/or clearly indicating that the communication is for the Board (or individual Board members). The communication may be sent to either the Fund's office or directly to such Board member(s) at the address specified for each Director above. Other stockholder communications received by the Fund not directly addressed and sent to the Board will be reviewed and generally responded to by management, and will be forwarded to the Board only at management's discretion based on the matters contained therein.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the 1934 Act requires the Fund's officers and Directors, and beneficial owners of more than ten percent of a registered class of the Fund's equity securities, to file reports of ownership and changes in ownership with the SEC and the New York Stock Exchange, Inc. The Fund believes that its officers and Directors have complied with all applicable filing requirements for the fiscal year ended August 31, 2014. Section 30(h) of the 1940 Act extends the reporting requirements under Section 16(a) of the 1934 Act to the Fund's Adviser and the officers and directors of such Adviser.

Pursuant to the Fund's By-Laws, any Director who is nominated for re-election at the Meeting and is not re-elected at the Meeting will be deemed to have tendered to the Board of Directors his resignation as a Director, with such resignation to take effect 30 days after the date of the Meeting unless the Board of Directors unanimously decides to reject that Director's tender of resignation, in which case the Director will continue in office until his death, resignation or removal or until his successor shall have been elected and shall have been qualified.

THE BOARD OF DIRECTORS OF THE FUND RECOMMENDS THAT YOU VOTE FOR THE ELECTION OF THE SEVEN NOMINEES FOR DIRECTORS.

PROPOSAL 2 TO REMOVE THE FUND'S INVESTMENT LIMITATION THAT RESTRICTS THE FUND'S EQUITY INVESTMENTS TO TAIWAN TRADED SECURITIES

At a meeting of the Fund's Board of Directors held on January 20, 2015, the existing Directors unanimously voted to approve, and to recommend that stockholders of the Fund approve the removal of the Fund's investment limitation that restricts the Fund's equity investments to Taiwan Traded Securities. The Fund's investment limitations are fundamental policies of the Fund and may not be changed without stockholder approval. In addition, the Fund's investment limitations are set forth in the By-Laws of the Fund (the "By-Laws"). Accordingly, an amendment to the Fund's investment limitations necessitates an amendment to the By-Laws as well and, therefore, if adopted, Proposal 2 will authorize an identical amendment to the Fund's investment limitations set forth in the By-Laws. It is not anticipated that the approval of the removal of the investment limitation will result in a material modification of the Fund's investment strategies other than permitting the Fund to purchase equity securities that are not Taiwan Traded Securities.

The text of the Fund's investment limitation, as stated in the Fund's By-Laws set forth below, limits equity investments of the Fund to securities traded in the Taiwan markets only. It is proposed that such text of the Fund's By-Laws be removed to permit the Fund to invest in equity investments traded outside of the Taiwan markets.

Current Policy

The Corporation will not purchase any equity securities which, at the date purchase is made, are not traded in the over-the-counter market in Taiwan or listed and traded on the Taiwan Stock Exchange, except that the Corporation may purchase equity securities in initial public offerings and secondary public offerings if such securities will be listed on the Taiwan Stock Exchange immediately following such offering.

Proposed Policy

N/A

Rationale for Removal of Investment Limitation

The Adviser believes that restricting the Fund's equity investments to Taiwan Traded Securities may reduce the optimal investment universe available to the Fund. In particular, the Adviser believes that certain Taiwan enterprises, apart from Taiwan Traded Securities, may be appropriate investment options for the Fund. These Taiwan enterprises include: (i) companies that were founded by Taiwan families or groups but listed elsewhere, especially in Hong Kong or China, due to certain previous restrictions for Taiwan listed companies investing in China directly; (ii) companies that were founded by Taiwan listed companies but listed elsewhere with a subsequent spin-off and (iii) companies that benefit from the business developments or close working relationship with Taiwan listed companies.

The Fund does not intend to lessen its investment in companies with economic exposure to Taiwan. The Fund will continue to have a non-fundamental investment policy that the Fund will invest at least 80% of its assets in Taiwan companies. The Fund defines Taiwan companies as (i) companies for which the principal securities trading market is Taiwan; (ii) companies for which the principal trading market is outside of Taiwan, or in companies organized outside of Taiwan that in both cases derive at least 50% of their revenues from goods or services sold or produced, or have at least 50% of their assets, in Taiwan; or (iii) companies organized in Taiwan. This non-fundamental investment policy, however, is currently subsumed by the investment limitation that restricts the Fund's equity investments to Taiwan Traded Securities. The Adviser believes that removal of the investment limitation will give the Fund additional investment opportunities without changing the risk profile of the Fund while continuing to invest at least 80% of the fund's assets in Taiwan companies. This 80% policy is considered non-fundamental because it can be changed by the Fund's Board of Directors without stockholder approval; however, no change in the policy may take effect until 60 days after written notice of the change is provided to the Fund's stockholders.

Required Vote

Approval of an amendment to the Fund's investment limitations to remove the restriction that the Fund only purchase equity investments to Taiwan Traded Securities will require the affirmative vote of a majority of the Fund's outstanding shares of common stock. As defined in the 1940 Act, a majority of outstanding shares means the lesser of 67% of the voting securities present at the Meeting if a quorum is present, or 50% of the outstanding securities. For this purpose, both abstentions and broken non-votes will have the effect of a vote to disapprove the proposed amendment. The Fund will continue under its current investment limitations if this Proposal is not approved by the stockholders.

THE BOARD RECOMMENDS THAT THE STOCKHOLDERS VOTE FOR THE PROPOSAL TO REMOVE THE FUND'S INVESTMENT LIMITATION THAT RESTRICTS THE FUND'S EQUITY INVESTMENTS TO TAIWAN TRADED SECURITIES

Tait Weller did not bill any non-audit fees for services rendered to the Fund's then investment adviser, or any entity controlling, controlled by, or under the common control with the Adviser that provides ongoing services to the Fund, for the fiscal years ended August 31, 2014 and August 31, 2013.
