Item 1.01. Entry into a Material Definitive Agreement

On May 13, 2015, Teradyne, Inc. (the Company) entered into a Share Sale and Purchase Agreement (the Purchase Agreement) with the holders of all the issued and outstanding shares of Universal Robots A/S, a Danish limited liability company (Universal Robots), Teradyne Holdings Denmark ApS, a Danish limited liability company and wholly owned indirect subsidiary of the Company (the Buyer), and Vaekstfonden and ANBE af 2006 ApS, as the Sellers Representatives. The Purchase Agreement has been approved by the boards of directors of the Company and Universal Robots.

Upon the terms and subject to the conditions set forth in the Purchase Agreement, the Buyer will acquire all the issued and outstanding shares of Universal Robots (the Acquisition), with Universal Robots continuing after the Acquisition as a wholly owned subsidiary of the Buyer. The aggregate value of the cash consideration to be paid at the closing of the Acquisition for all issued and outstanding shares of Universal Robots is expected to be approximately \$285 million net of Universal Robots cash and debt. In addition, up to \$15 million would be payable upon the achievement of certain EBITDA-based performance targets through 2015 and up to \$50 million would be payable upon the achievement of certain revenue-based performance targets through 2018.

The Purchase Agreement includes customary warranties and covenants by the parties. Consummation of the Acquisition is subject to (i) the approval of, or the expiration of the relevant waiting period required by, the German Federal Cartel Office and (ii) the absence of a material adverse effect with respect to Universal Robots.

Subject to certain exceptions and limitations, the shareholders of Universal Robots that will receive cash consideration in the Acquisition have agreed to indemnify Buyer for breaches of warranties, covenants and other specified matters contained in the Purchase Agreement. An amount equal to \$28.5 million of the cash consideration payable at the closing of the Acquisition will be held in escrow for a period of 18 months to satisfy indemnification obligations of Universal Robots shareholders to the Buyer.

The foregoing is a summary of the terms of the Purchase Agreement, and does not purport to summarize or include all terms relating to the transactions contemplated by the Purchase Agreement. The foregoing summary is qualified in its entirety by reference to the Purchase Agreement, which will be filed as an exhibit to the Company s Quarterly Report on Form 10-Q for the quarter ended July 5, 2015. The representations, warranties and covenants contained in the Purchase Agreement were made only for the purposes of such agreement and as of specified dates, were solely for the benefit of the parties to such agreement, and may be subject to limitations agreed upon by the contracting parties. Certain of the representations and warranties have been made for the purposes of allocating contractual risk between the parties to the agreement instead of establishing these matters as facts. Investors are not third-party beneficiaries under the Purchase Agreement. In addition, the representations and warranties contained in the Purchase Agreement (i) are qualified by information disclosed to the Company and the Buyer in a virtual data room, (ii) were made only as of the date of such agreement or a prior, specified date, and (iii) in some cases are subject to qualifications with respect to materiality, knowledge and/or other matters, including standards of materiality applicable to the contracting parties that differ from those applicable to investors. Moreover, information concerning the subject matter of the representations and warranties may change after the date of the Purchase Agreement or the date of the acquisition, which subsequent information may or may not be fully reflected in the Company s or Universal Robots public disclosures. Accordingly, investors should not rely on the representations and warranties as characterizations of the actual state of facts or condition of the Company or Universal Robots or any of their respective subsidiaries or affiliates.

Item 8.01. Other Items

On May 13, 2015, the Company issued a press release announcing that it had entered into the Purchase Agreement. A copy of the press release is filed as Exhibit 99.1 attached hereto and incorporated herein by reference.
