SCRIPT OF VIDEO PRESENTATION POSTED ON AMERICAN WATER INTRANET ON MAY 18, 2015

Last Friday, we made the decision to adjourn our Annual Meeting. This means that we deferred voting on the proposals described in our Annual Meeting proxy statement until June 1, 2015.

The legal term for this is adjournment and it allows the company s stockholders extra time to vote their shares on the six proposals that are before stockholders.

When the meeting reconvenes on June 1, it will be a simple procedural meeting where stockholders will vote on all six proposals and we will tally the votes for each proposal and relay the voting results of each proposal in a filing we will make with the SEC later that day or soon thereafter.

We made the decision to adjourn the Annual Meeting based on feedback we heard from stockholders. Several of our institutional investors indicated they needed more time to consider the company s proposals.

Since these proposals are important to our business, we wanted to ensure our stockholders had enough time to fully consider each proposal and make informed voting decisions.

If you are a stockholder, and have not voted or wish to change your vote, we encourage you to do so. The more shares you own, the more impact your vote has. For more information on each proposal, please go to the Annual Reports and Proxy Statements section of our website at ir.amwater.com.

If you are a stockholder, you own part of this company. Make sure your voice is heard and vote.

If you need assistance, please contact Investor Relations at 856-566-4005. Please vote at www.proxyvote.com.

Thanks again. We want to make sure all votes are counted.
