Dear Shareholder:

A joint annual meeting of the BlackRock Closed-End Funds listed in *Appendix A* to the enclosed joint proxy statement (each, a Fund) will be held at the offices of BlackRock Advisors, LLC, Park Avenue Plaza, 55 East 58th Street, 11th Floor, New York, NY 10055, on Wednesday, July 29, 2015, at 10:30 a.m. (Eastern time), to consider and vote on the proposal discussed in the enclosed joint proxy statement.

The purpose of the meeting is to seek shareholder approval of the eleven nominees named in the enclosed joint proxy statement to the Boards of Directors or Trustees (each, a Board, the members of which are referred to as Board Members) of each Fund. Each Board has unanimously approved the eleven nominees named in the enclosed joint proxy statement on behalf of its Fund (the Board Nominees), subject to approval by the Fund's shareholders. The Boards have reviewed the qualifications and backgrounds of the Board Nominees and believe that they possess the requisite experience in overseeing investment companies, are familiar with the Funds and their investment advisers and that their election is in your best interest.

The Board Members responsible for your Fund recommend that you vote FOR the Board Nominees for your Fund. In connection with your vote, we urge you to read the full text of the enclosed joint proxy statement.

Your vote is important. Attendance at the annual meeting will be limited to each Fund's shareholders as of the record date, June 1, 2015 (the Record Date). To gain admission, you must present valid photographic identification, such as a driver's license or passport. If you hold your shares of a Fund through a bank, broker or other nominee, you will also be required to show satisfactory proof of ownership of shares in a Fund, such as your voting instruction form (or a copy thereof) or a letter from your bank, broker or other nominee or broker's statement indicating share ownership as of the Record Date.

If you are a registered shareholder, you may vote your shares in person by ballot at the annual meeting. If you hold your shares of a Fund in a brokerage account or through a bank or other nominee, you will not be able to vote in person at the annual meeting unless you have previously requested and obtained a legal proxy from your broker, bank or other nominee and present it at the annual meeting.

Even if you plan to attend the meeting, please promptly follow the enclosed instructions to submit voting instructions by telephone or via the Internet. Alternatively, you may submit voting instructions by signing and dating each proxy card you receive, and if received by mail, returning it in the accompanying postage-paid return envelope.

You have received this joint proxy statement because you were a shareholder of record of at least one of the Funds listed in *Appendix A* on June 1, 2015. Certain other BlackRock Closed-End Funds not listed in *Appendix A* will also hold their annual meetings at the place and on the date stated above, but at a different time. Please be certain to vote by telephone or via the Internet with respect to each Fund in which you are a shareholder of record or sign, date and return each proxy card you receive from us.

ANNUAL MEETING OF SHAREHOLDERS

July 29, 2015

JOINT PROXY STATEMENT

This joint proxy statement (this Proxy Statement) is furnished in connection with the solicitation of proxies by the Boards of Directors or Trustees (each, a Board, the members of which are referred to as Board Members) of each BlackRock Closed-End Fund listed in *Appendix A* of this Proxy Statement (each, a Fund). The proxies will be voted at the joint annual meeting of shareholders of the Funds and at any and all adjournments, postponements or delays thereof. The meeting will be held at the offices of BlackRock Advisors, LLC (the Advisor), Park Avenue Plaza, 55 East 52nd Street, 11th Floor, New York, NY 10055, on Wednesday, July 29, 2015, at 10:30 a.m. (Eastern time). The meeting will be held for the purposes set forth in the accompanying Notice of Annual Meeting of Shareholders to be held on July 29, 2015.

The Boards of the Funds have determined that the use of this Proxy Statement for the meeting is in the best interests of the Funds and their shareholders in light of the similar matters being considered and voted on by the shareholders of each Fund. Distribution to shareholders of this Proxy Statement and the accompanying materials, or a Notice of Internet Availability of Proxy Materials, will commence on or about June 12, 2015.

Each Fund listed in *Appendix A* to this Proxy Statement is organized as a Massachusetts business trust (each, a Massachusetts Trust) or a Maryland corporation (each, a Maryland Corporation). The Massachusetts Trusts and Maryland Corporations are closed-end investment companies registered under the Investment Company Act of 1940 (the 1940 Act). A list identifying each Fund as a Massachusetts Trust or a Maryland Corporation is set forth in *Appendix A*.

During the 2014 calendar year, the fiscal year end for BlackRock Enhanced Capital and Income Fund, Inc. (CII) was changed from October 31 to December 31. Unless otherwise noted, references to current fiscal year, recently completed fiscal year, recently concluded fiscal year or any other similar references in this Proxy Statement refers to both the October 31, 2014 and December 31, 2014 fiscal year ends for CII. Each Fund's fiscal year end can be found on Appendices B, D, E and G.

Shareholders of record of a Fund as of the close of business on June 1, 2015 (the Record Date) are entitled to notice of and to vote at that Fund's joint meeting of shareholders. Shareholders of the Funds are entitled to one vote for each share held, with no shares having cumulative voting rights. Holders of Preferred Shares (as defined below) will have equal voting rights with the shares of common stock or common shares of beneficial interest (collectively, the Common Shares) of the Preferred Funds (as defined below). Holders of Preferred Shares will vote together with the holders of Common Shares as a single class on each nominee to the Board of the Preferred Fund in which they own Preferred Shares,

except that holders of Preferred Shares are entitled to vote separately as a class to elect two Board Members for each Preferred Fund in which they own Preferred Shares. The quorum and voting requirements for each Fund are described in the section herein entitled "Vote Required and Manner of Voting Proxies."

The Preferred Shares consist of the variable rate muni term preferred shares (collectively, the VMTP Shares) of each of the Funds identified in *Appendix A* as having VMTP Shares outstanding (collectively, the VMTP Funds), and the variable rate demand preferred shares

Table of Contents

(collectively, VRDP Shares and collectively with the VMTP Shares, the Preferred Shares) of each of the Funds identified in *Appendix A* as having VRDP Shares outstanding (collectively, the VRDP Funds). The Preferred Funds are collectively defined as the VMTP Funds and the VRDP Funds.

The number of shares outstanding of each Fund as of the close of business on the Record Date and the managed assets of each Fund on the Record Date are shown in *Appendix A*. Except as set forth in *Appendix H*, to the knowledge of each Fund, as of April 30, 2015, no person was the beneficial owner of more than five percent of a class of a Fund's outstanding shares.

The Fund(s) in which you owned shares on the Record Date is named on the proxy card or Notice of Internet Availability of Proxy Materials. If you owned shares in more than one Fund on the Record Date, you may receive more than one proxy card. Even if you plan to attend the meeting, please sign, date and return EACH proxy card you receive or, if you provide voting instructions by telephone or via the Internet, please vote on the proposal affecting EACH Fund you own. If you vote by telephone or via the Internet, you will be asked to enter a unique code that has been assigned to you, which is printed on your proxy card(s) or Notice of Internet Availability of Proxy Materials, as applicable. This code is designed to confirm your identity, provide access into the voting website and confirm that your voting instructions are properly recorded.

All properly executed proxies received prior to the meeting will be voted at the meeting. On any matter coming before the meeting as to which a shareholder has specified a choice on that shareholder's proxy, the shares will be voted accordingly. If a proxy card is properly executed and returned and no choice is specified with respect to the proposal, the shares will be voted **FOR** the proposal. Shareholders who execute proxies or provide voting instructions by telephone or via the Internet may revoke them with respect to the proposal at any time before a vote is taken on the proposal by filing with the applicable Fund a written notice of revocation (addressed to the Secretary of the Fund at the principal executive offices of the Fund at the New York address provided herein), by delivering a duly executed proxy bearing a later date, or by attending the meeting and voting in person by ballot, in all cases prior to the exercise of the authority granted in the proxy card. Merely attending the meeting, however, will not revoke any previously executed proxy. If you hold shares through a bank or other intermediary, please consult your bank or intermediary regarding your ability to revoke voting instructions after such instructions have been provided.

Certain other BlackRock Closed-End Funds not listed in *Appendix A* will also hold their annual meetings at the place and date stated above, but not at the same time. If you were also a shareholder of record on the Record Date of one or more of those other funds, you will receive a separate proxy statement and proxy card(s) relating to those funds.

If you are a record holder of a Fund's shares and plan to attend the meeting in person, in order to gain admission you must show valid photographic identification, such as your driver's license or passport. If you hold your shares of a Fund through a bank, broker or other nominee, and plan to attend the meeting in person, in order to gain admission you must show valid photographic identification, such as your driver's license or passport, and satisfactory proof of ownership of shares in a Fund, such as your voting instruction form (or a copy thereof) or a letter from your bank, broker or other nominee or broker's statement indicating ownership as of the Record Date. If you hold your shares of a Fund in a brokerage account or through a bank or other nominee, you will not be able to vote in person at the annual meeting unless you have previously requested and obtained a legal proxy from your broker, bank or other nominee and present it at the annual meeting. Even if you plan to attend the meeting, please promptly follow the enclosed instructions to submit voting instructions by telephone or via the Internet. Alternatively, you may submit voting instructions by signing and dating each proxy card you receive, and if received by mail, returning it in the accompanying postage-paid return envelope.

Investors and others are advised to check the website for updated performance information and the release of other material information about the Funds. This reference to BlackRock's website is intended to allow investors public access to information regarding the Funds and does not, and is not intended to, incorporate BlackRock's website in this Proxy Statement.

Please note that only one annual or semi-annual report or Proxy Statement or Notice of Internet Availability of Proxy Materials may be delivered to two or more shareholders of a Fund who share an address, unless the Fund has received instructions to the contrary. To request a separate copy of an annual report or semi-annual report or this Proxy Statement or Notice of Internet Availability of Proxy Materials, or for instructions on how to request a separate copy of these documents or as to how to request a single copy if multiple copies of these documents are received, shareholders should contact the applicable Fund at the Delaware address and phone number provided on the prior page.

Please vote now. Your vote is important.

To avoid the wasteful and unnecessary expense of further solicitation and no matter how large or small your holdings may be, we urge you to indicate your voting instructions on the enclosed proxy card(s), and if received by mail, date and sign it (them) and return it (them) promptly in the postage-paid envelope provided, or record your voting instructions by telephone or via the Internet. If you submit a properly executed proxy card but do not indicate how you wish your shares to be voted, your shares will be voted FOR the election of the Board Nominees. If your shares of a Fund are held through a broker, you must provide voting instructions to your broker about how to vote your shares in order for your broker to vote your shares as you instruct at the meeting.

PROPOSAL 1 ELECTION OF BOARD NOMINEES

The purpose of Proposal 1 is to elect Board Members for each Fund.

Nominees for each Fund. The Board of each Fund consists of eleven Board Members, nine of whom are not interested persons of the Funds (as defined in the 1940 Act) (the Independent Board Members). Shareholders of each Fund will consider electing all eleven Board Nominees at the meeting. Each Board Member elected at the meeting will serve until the later of the date of the 2016 annual meeting or until his or her successor is elected and qualifies, or until his or her earlier death, resignation, retirement or removal.

With respect to the Preferred Funds, the owners of Preferred Shares are entitled to vote as a separate class to elect two of the Board Members (the Preferred Shares Nominees) for the Preferred Fund in which they own Preferred Shares. This means that owners of Common Shares are not entitled to vote in connection with the election of the Preferred Shares Nominees. However, the owners of Common Shares and the owners of Preferred Shares, voting together as a single class, are entitled to elect the remainder of the Board Nominees. Frank J. Fabozzi and W. The Independent Board Members have adopted a statement of policy that describes the experiences, qualifications, skills and attributes that are necessary and desirable for potential Independent Board Member candidates (the Statement of Policy). The Boards believe that each Independent Board Member satisfied, at the time he or she was initially elected or appointed a Board Member, and continues to satisfy, the standards contemplated by the Statement of Policy as well as the standards set forth in each Fund s By-laws. Furthermore, in determining that a particular Board Member was and continues to be qualified to serve as a Board Member, the Boards have considered a variety of criteria, none of which, in isolation, was controlling. The Boards believe that, collectively, the Board Members/Nominees have balanced and diverse experiences, skills, attributes and qualifications, which allow the Boards to operate effectively in governing the Funds and protecting the interests of shareholders. Among the attributes common to all Board Members/Nominees is their ability to review critically, evaluate, question and discuss information provided to them, to interact effectively with the Funds investment adviser, sub-advisers, other service providers, counsel and independent auditors, and to exercise effective business judgment in the performance of their duties as Board Members. Each Board Member s/Nominee s ability to perform his or her duties effectively is evidenced by his or her educational background or professional training; business, consulting, public service or academic positions; experience from service as a board member of the Funds or the other funds in the BlackRock fund complexes (and any predecessor funds), other investment funds, public companies, or not-for-profit entities or other organizations; ongoing commitment and participation in Board and committee meetings, as well as their leadership of standing and other committees throughout the years; or other relevant life experiences.

The Boards benefit from Ms. Novick’s wealth of experience and long history with BlackRock and BlackRock’s management practices, investment strategies and products, which stretches back to BlackRock’s founding in 1988.

Board Leadership Structure and Oversight

The Boards consist of eleven Board Members, nine of whom are Independent Board Members. The investment companies registered under the 1940 Act that are advised by the Advisor are composed of the BlackRock Closed-End Complex, two complexes of open-end funds and one complex of exchange-traded funds. The Funds are included in the BlackRock Closed-End Complex. The Board Members also oversee the operations of other closed-end investment companies registered under the 1940 Act that are included in the BlackRock Closed-End Complex as directors or trustees.

The Boards have overall responsibility for the oversight of the Funds. The Chair of the Boards and the Chief Executive Officer are two different people. Not only is the Chair of the Boards an Independent Board Member, but the Chair of each Board committee (each, a Committee) is also an Independent Board Member. The Boards have six standing Committees: an Audit Committee, a Governance Committee, a Compliance Committee, a Performance Oversight Committee, an Executive Committee and a Leverage Committee. The Funds do not have a compensation committee because their executive officers, other than the Funds’ Chief Compliance Officer (CCO), do not receive any direct compensation from the Funds and the CCO’s compensation is comprehensively reviewed by the Boards. The role of the Chair of the Boards is to preside over all meetings of the Boards and to act as a liaison with service providers, officers, attorneys, and other Board Members between meetings. The Chair of each Committee performs a similar role with respect to such Committee. The Chair of the Boards or Committees may also perform such other functions as may be delegated by the Boards or the Committees from time to time. The Independent Board Members meet regularly outside the presence of the Funds’ management, in executive sessions or with other service providers to the Funds. The Boards have regular in-person meetings five times a year, including a meeting to consider the approval of the Funds’ investment management agreements, and if necessary, may hold special meetings before their next regular meeting. Each Committee meets regularly to conduct the oversight functions delegated to that Committee by the Boards and reports its findings to the Boards. The Boards and each standing Committee conduct annual assessments of their oversight function and structure. The Boards have determined that the Boards’ leadership structure is appropriate because it allows the Boards to exercise independent judgment over management and to allocate areas of responsibility among Committees and the Boards to enhance oversight.

Table of Contents

The Boards decided to separate the roles of Chair and Chief Executive Officer because they believe that an independent Chair:

increases the independent oversight of the Funds and enhances the Boards' objective evaluation of the Chief Executive Officer;

allows the Chief Executive Officer to focus on the Funds' operations instead of Board administration;

provides greater opportunities for direct and independent communication between shareholders and the Boards; and

provides an independent spokesperson for the Funds.

The Boards have engaged the Advisor to manage the Funds on a day-to-day basis. Each Board is responsible for overseeing the Advisor, other service providers, the operations of each Fund and associated risks in accordance with the provisions of the 1940 Act, state law, other applicable laws, each Fund's charter, and each Fund's investment objective(s) and strategies. The Boards review, on an ongoing basis, the Funds' performance, operations, and investment strategies and techniques. The Boards also conduct reviews of the Advisor and its role in running the operations of the Funds.

Day-to-day risk management with respect to the Funds is the responsibility of the Advisor or other service providers (depending on the nature of the risk), subject to the supervision of the Advisor. The Funds are subject to a number of risks, including investment, compliance, operational and valuation risks, among others. While there are a number of risk management functions performed by the Advisor or other service providers, as applicable, it is not possible to eliminate all of the risks applicable to the Funds. Risk oversight is part of the Boards' general oversight of the Funds and is addressed as part of various Board and Committee activities. The Boards, directly or through Committees, also review reports from, among others, management, the independent registered public accounting firm for the Funds, the Advisor, and internal auditors for the Advisor or its affiliates, as appropriate, regarding risks faced by the Funds and management's or the service provider's risk functions. The Committee system facilitates the timely and efficient consideration of matters by the Board Members and facilitates effective oversight of compliance with legal and regulatory requirements and of the Funds' activities and associated risks. The Boards have appointed a Chief Compliance Officer, who oversees the implementation and testing of the Funds' compliance program and reports regularly to the Boards regarding compliance matters for the Funds and their service providers. The Independent Board Members have engaged independent legal counsel to assist them in performing their oversight responsibilities.

Compensation. Information relating to compensation paid to the Board Members for each Fund's most recent fiscal year is set forth in *Appendix B*.

Equity Securities Owned by Board Members and Board Nominees. Information relating to the amount of equity securities owned by Board Members/Nominees in the Funds that they are nominated to oversee, as well as certain other funds in the Closed-End Complex, as of April 30, 2015 is set forth in *Appendix C*.

Attendance of Board Members at Annual Shareholders' Meetings. It is the policy of all the Funds to encourage Board Members to attend the annual shareholders' meeting. All of the Board Members of each Fund, except for Dr. R. Glenn Hubbard, attended last year's annual shareholders' meeting.

Table of Contents

Board Meetings. During the calendar year 2014, the Board of each Fund met 8 times. Information relating to the number of times that the Boards met during each Fund's most recent fiscal year is set forth in *Appendix D*. No incumbent Board Member attended less than 75% of the aggregate number of meetings of each Board and of each Committee on which the Board Member served during each Fund's most recently completed fiscal year.

Standing Committees of the Boards. Information relating to the various standing committees of the Boards is set forth in *Appendix E*.

Section 16(a) Beneficial Ownership Reporting Compliance. Section 16(a) of the Securities Exchange Act of 1934 (the Exchange Act) requires the Funds' Board Members, executive officers, persons who own more than ten percent of a registered class of a Fund's equity securities, the Advisor and certain officers of the Advisor (the Section 16 insiders), including in some cases former board members for a period of up to 6 months, to file reports on holdings of, and transactions in, Fund shares with the Securities and Exchange Commission (SEC) and to furnish the Funds with copies of all such reports. Based solely on a review of copies of such reports furnished to the relevant Funds during the relevant Funds' most recent fiscal year and representations from these reporting persons with respect to the relevant Funds' most recent fiscal year, each Fund believes that its Section 16 insiders met all such applicable SEC filing requirements for the Funds' most recently concluded fiscal year, except for any late filings disclosed in previous proxy statements.

Executive Officers of the Funds. Information about the executive officers of each Fund, including their year of birth and their principal occupations during the past five years, is set forth in *Appendix F*.

Your Board recommends that you vote FOR the election of each Board Nominee to the Board of your Fund(s).

VOTE REQUIRED AND MANNER OF VOTING PROXIES

A quorum of shareholders is required to take action at each meeting. For MFL, MFT, MPA and MYF, the holders of a majority of the shares entitled to vote on any matter at a shareholder meeting, either present in person or by proxy, shall constitute a quorum for purposes of conducting business on such matter. For MHE, the holders of a majority of the shares entitled to vote on any matter at a shareholder meeting present in person or by proxy shall constitute a quorum for purposes of conducting business on such matter except when the owners of Preferred Shares voting as a separate class are entitled to elect any Board Member, in which case the holders of one-third of the Preferred Shares entitled to vote at a meeting shall constitute a quorum for purposes of such an election. For the remainder of the Funds, the holders of one-third of the shares entitled to vote on any matter at a meeting present in person or by proxy shall constitute a quorum for purposes of conducting business on such matter.

Except for the Funds listed in the next sentence, the affirmative vote of a plurality of the votes cast with respect to a Board Nominee at a meeting at which a quorum is present is necessary to elect each of the respective Board Nominees under Proposal 1 for each respective Fund. For MFL, MFT, MHE, MPA and MYF, the affirmative vote of a majority of the shares represented at a meeting at which a quorum is present is necessary to elect each of the respective Board Nominees under Proposal 1 for each respective Fund. For the Funds that require the affirmative vote of a plurality of votes to elect each of the Board Nominees, withheld votes and broker non-votes, if any, will not have an effect on the outcome of Proposal 1. For the Funds that require a majority of votes present

Table of Contents

to elect each of the Board Nominees, withheld votes and broker non-votes, if any, will be counted as represented at the meeting and will have the same effect as a vote against Proposal 1.

Votes cast by proxy or in person at each meeting will be tabulated by the inspectors of election appointed for that meeting. The inspectors of election will determine whether or not a quorum is present at the meeting. The inspectors of election will treat withheld votes and broker non-votes, if any, as present for purposes of determining a quorum. Broker non-votes occur when shares are held by brokers or nominees, typically in street name, as to which proxies have been returned but (a) voting instructions have not been received from the beneficial owners or persons entitled to vote, (b) the broker or nominee does not have discretionary voting power or elects not to exercise discretion on a particular matter and (c) the shares are present at the meeting. Preferred Shares of any Fund held in street name may be counted for purposes of establishing a quorum of shareholders of that Fund if no instructions are received one business day before the applicable meeting or, if adjourned, postponed, or delayed, one business day before the day to which the meeting is adjourned, postponed, or delayed.

If you hold your shares directly (not through a broker-dealer, bank or other financial institution) and if you return a signed and dated proxy card that does not specify how you wish to vote on a proposal, your shares will be voted **FOR** the Board Nominees in Proposal 1.

Broker-dealer firms holding shares of a Fund in street name for the benefit of their customers and clients will request the instructions of such customers and clients on how to vote their shares on Proposal 1 before the meeting. The Funds understand that, under the rules of the New York Stock Exchange and NYSE MKT, such broker-dealer firms may for certain routine matters, without instructions from their customers and clients, grant discretionary authority to the proxies designated by the Board to vote if no instructions have been received prior to the date specified in the broker-dealer firm's request for voting instructions. Proposal 1 is a routine matter and beneficial owners who do not provide proxy instructions or who do not return a proxy card may have their shares voted by broker-dealer firms in favor of Proposal 1. A properly executed proxy card or other authorization by a beneficial owner of Fund shares that does not specify how the beneficial owner's shares should be voted on Proposal 1 may be deemed an instruction to vote such shares in favor of Proposal 1.

If you hold shares of a Fund through a bank or other financial institution or intermediary (called a service agent), the service agent may be the record holder of your shares. At the shareholder meeting, a service agent will vote shares for which it receives instructions from its customers in accordance with those instructions. A properly executed proxy card or other authorization by a shareholder that does not specify how the shareholder's shares should be voted on a proposal may be deemed to authorize a service provider to vote such shares in favor of the proposal. Depending on its policies, applicable law or contractual or other restrictions, a service agent may be permitted to vote shares with respect to which it has not received specific voting instructions from its customers. In those cases, the service agent may, but is not required to, vote such shares in the same proportion as those shares for which the service agent has received voting instructions. This practice is commonly referred to as echo voting.

If you beneficially own shares that are held in street name through a broker-dealer or that are held of record by a service agent, and if you do not give specific voting instructions for your shares, they may not be voted at all or, as described above, they may be voted in a manner that you may not intend. Therefore, you are strongly encouraged to give your broker-dealer or service agent specific instructions as to how you want your shares to be voted.

INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Board Members, including a majority of the Independent Board Members, of each Fund have selected Deloitte & Touche LLP (D&T) as the independent registered public accounting firm for the Funds.

A representative of D&T is expected to be present at the meeting. The representative of D&T will have the opportunity to make a statement at the meeting if he desires to do so and is expected to be available to respond to appropriate questions.

Each Fund s Audit Committee has discussed the matters required by the Statement on Auditing Standards No. 16, as amended (AICPA, Professional Standards, AU-C section 260), as adopted by the Public Company Accounting Oversight Board (PCAOB).

Each Fund s Audit Committee has received from D&T the written disclosures and the letter required by PCAOB Ethics and Independence Rule 3526, Communication with Audit Committees Concerning Independence, and has discussed D&T s independence with D&T, and has considered the compatibility of non-audit services with the independence of the independent registered public accounting firm.

Each Fund s Audit Committee also reviews and discusses the Fund s financial statements with Fund management and the independent registered public accounting firm. If any material concerns arise during the course of the audit and the preparation of the audited financial statements mailed to shareholders and included in the Fund s Annual Report to Shareholders, the Audit Committee would be notified by Fund management or the independent registered public accounting firm. The Audit Committees received no such notifications for any Fund during its most recently completed fiscal year. Following each Fund s Audit Committee s review and discussion of the Fund s independent registered public accounting firm, pursuant to authority delegated by its respective Board, each Fund s Audit Committee approved the respective Fund s audited financial statements for the Fund s most recently completed fiscal year (each Fund s fiscal year end is set forth in *Appendix G*) for inclusion in the Fund s Annual Report to Shareholders.

Appendix G sets forth for each Fund the fees billed by that Fund s independent registered public accounting firm for the two most recent fiscal years for all audit, non-audit, tax and all other services provided directly to the Fund. The fee information in *Appendix G* is presented under the following captions:

(a) Audit Fees fees related to the audit and review of the financial statements included in annual reports and registration statements, and other services that are normally provided in connection with statutory and regulatory filings or engagements, including out-of-pocket expenses.

(b) Audit-Related Fees fees related to assurance and related services that are reasonably related to the performance of the audit or review of financial statements, but not reported under Audit Fees, including accounting consultations, agreed-upon procedure reports, attestation reports, comfort letters, out-of-pocket expenses and internal control reviews not required by regulators.

(c) Tax Fees fees associated with tax compliance, tax advice and tax planning, including services relating to the filing or amendment of federal, state or local income tax returns, regulated investment company qualification reviews, tax distribution and analysis reviews and miscellaneous

Table of Contents

(d) All Other Fees fees for products and services provided to the Fund other than those reported under Audit Fees, Audit-Related Fees and Tax Fees.

Each Fund's Audit Committee is required to approve all audit engagement fees and terms for the Fund. Each Fund's Audit Committee also is required to consider and act upon (i) the provision by the Fund's independent registered public accounting firm of any non-audit services to the Fund, and (ii) the provision by the Fund's independent registered public accounting firm of non-audit services to BlackRock and any entity controlling, controlled by or under common control with BlackRock that provides ongoing services to the Fund (Affiliated Service Providers) to the extent that such approval (in the case of this clause (ii)) is required under applicable regulations of the SEC. See *Appendix G* to this Proxy Statement for information about the fees paid by the Funds, their investment advisers, and Affiliated Service Providers to each Fund's independent registered public accounting firm.

The Audit Committee of each Fund complies with applicable laws and regulations with regard to the pre-approval of services. Audit, audit-related and tax compliance services provided to a Fund on an annual basis require specific pre-approval by the Fund's Audit Committee. As noted above, each Fund's Audit Committee must also approve other non-audit services provided by the Fund's independent registered public accounting firm to the Fund and to the Fund's Affiliated Service Providers that relate directly to the operations and financial reporting of the Fund. Each Fund's Audit Committee has implemented policies and procedures by which such services may be approved other than by the full Audit Committee. Subject to such policies and procedures, including applicable dollar limitations, each Fund's Audit Committee may pre-approve, without consideration on a specific case-by-case basis (general pre-approval), certain permissible non-audit services that the Audit Committee believes are (a) consistent with the SEC's auditor independence rules and (b) routine and recurring services that will not impair the independence of the independent registered public accounting firm. Each service approved subject to general pre-approval is presented to each Fund's Audit Committee for ratification at the next regularly scheduled in-person board meeting.

For each Fund's two most recently completed fiscal years, there were no services rendered by D&T to the Funds for which the general pre-approval requirement was waived.

Each Fund's Audit Committee has considered the provision of non-audit services that were rendered by D&T to the Fund's Affiliated Service Providers that were not pre-approved (and did not require pre-approval) in connection with determining such auditor's independence. All services provided by D&T to each Fund and each Fund's Affiliated Service Provider that required pre-approval were pre-approved during the Fund's most recently completed fiscal year.

The Audit Committee of each Fund consists of the following Board Members:

Karen P. Robards (Chair);

Michael J. Castellano;

Frank J. Fabozzi;

James T. Flynn; and

W. Carl Kester.

Submission of Shareholder Proposals

A shareholder proposal intended to be presented at a future meeting of shareholders of a Fund must be received at the offices of the Fund, 40 East 52nd Street, New York, NY 10055, in accordance with the timing requirements set forth below. Timely submission of a proposal does not guarantee that such proposal will be included in a proxy statement.

If a Fund shareholder intends to present a proposal at the 2016 annual meeting of the Fund's shareholders and desires to have the proposal included in such Fund's proxy statement and form of proxy for that meeting pursuant to Rule 14a-8 under the Exchange Act, the shareholder must deliver the proposal to the offices of the Fund by Saturday, February 13, 2016. In the event a Fund moves the date of its 2016 annual shareholder meeting by more than 30 days from the anniversary of its 2015 annual shareholder meeting, under current rules, shareholder submissions of proposals for inclusion in such Fund's proxy statement and proxy card for the 2016 annual shareholder meeting pursuant to Rule 14a-8 under the Exchange Act must be delivered to the Fund at a reasonable time before the Fund begins to print and send its proxy materials in connection with the 2016 annual shareholder meeting.

Shareholders who do not wish to submit a proposal for inclusion in a Fund's proxy statement and form of proxy for the 2016 annual shareholder meeting in accordance with Rule 14a-8 under the Exchange Act may submit a proposal for consideration at the 2016 annual shareholder meeting in accordance with the By-laws of the Fund. The By-laws for all of the Funds require that advance notice be given to the Fund in the event a shareholder desires to transact any business, including business from the floor, at an annual meeting of shareholders, including the nomination of Board Members. Notice of any such business or nomination for consideration at the 2016 annual shareholder meeting must be in writing, comply with the requirements of the Fund's By-laws and be received by the Fund between Tuesday, March 1, 2016 and Thursday, March 31, 2016.

Table of Contents

In order for a shareholder proposal made outside of Rule 14a-8 under the Exchange Act to be considered timely within the meaning of Rule 14a-4(c) under the Exchange Act, such proposal must be received at the Fund's principal executive offices by Thursday, March 31, 2016. In the event a Fund moves the date of its 2016 annual shareholder meeting by more than 25 days from the anniversary of its 2015 annual shareholder meeting, shareholders who wish to submit a proposal or nomination for consideration at the 2016 annual shareholder meeting in accordance with the advance notice provisions of the By-laws of a Fund must deliver such proposal or nomination not later than the close of business on the tenth day following the day on which the notice of the date of the meeting was mailed or such public disclosure of the meeting date was made, whichever comes first. If such proposals are not timely within the meaning of Rule 14a-4(c), then proxies solicited by the Board for the 2016 annual shareholder meeting may confer discretionary authority to the Board to vote on such proposals.

Copies of the By-laws of each Fund are available on the EDGAR Database on the SEC's website at www.sec.gov. Each Fund will also furnish, without charge, a copy of its By-laws to a shareholder upon request. Such requests should be directed to the appropriate Fund at 100 Bellevue Parkway, Wilmington, DE 19809, or by calling toll free at 1-800-882-0052. For further information, please see *Appendix E* Standing Committees of the Boards Governance Committee.

For all Funds, written proposals (including nominations of Board Members) and notices should be sent to the Secretary of the Fund, 40 East 52nd Street, New York, NY 10022.

Shareholder Communications

Shareholders who want to communicate with the Board or any individual Board Member should write their Fund to the attention of the Secretary of the Fund, 40 East 52nd Street, New York, NY 10022. Shareholders may communicate with the Boards electronically by sending an e-mail to closedendfundsbod@blackrock.com. The communication should indicate that you are a Fund shareholder. If the communication is intended for a specific Board Member and so indicates, it will be sent only to that Board Member. If a communication does not indicate a specific Board Member, it will be sent to the Chair of the Governance Committee and the outside counsel to the Independent Board Members for further distribution as deemed appropriate by such persons.

Additionally, shareholders with complaints or concerns regarding accounting matters may address letters to the CCO, 40 East 52nd Street, New York, NY 10022. Shareholders who are uncomfortable submitting complaints to the CCO may address letters directly to the Chair of the Audit Committee of the Board that oversees the Fund. Such letters may be submitted on an anonymous basis.

Expense of Proxy Solicitation

The cost of preparing, printing and mailing the enclosed proxy, accompanying notice and this Proxy Statement, and costs in connection with the solicitation of proxies will be borne by the Funds. Additional out-of-pocket costs, such as legal expenses and auditor fees, incurred in connection with the preparation of this Proxy Statement, also will be borne by the Funds. Costs that are borne by the Funds collectively will be allocated among the Funds on the basis of a combination of their respective net assets and number of shareholder accounts, except when direct costs can be reasonably attributed to one or more specific Fund(s).

Solicitation may be made by mail, telephone, fax, e-mail or the Internet by officers or employees of the Advisor, or by dealers and their representatives. Brokerage houses, banks and other fiduciaries may be requested to forward proxy solicitation material to their principals to

obtain authorization for the execution of proxies. The Funds will reimburse brokerage firms, custodians, banks and fiduciaries for their expenses in forwarding this Proxy Statement and proxy materials to the beneficial owners of each Fund's shares. The Funds and BlackRock have retained Georgeson Inc. (Georgeson), 480 Washington Boulevard, 26th floor, Jersey City, NJ 07310, a proxy solicitation firm, to assist in the distribution of proxy materials and the solicitation and tabulation of proxies. It is anticipated that Georgeson will be paid approximately \$82,000 for such services (including reimbursements of out-of-pocket expenses). Georgeson may solicit proxies personally and by mail, telephone, fax, e-mail or the Internet. Each Fund's portion of the foregoing expenses is not subject to any cap or voluntary agreement to waive fees and/or reimburse expenses that may otherwise apply to that Fund.

If You Plan to Attend the Annual Meeting

Attendance at the annual meeting will be limited to each Fund's shareholders as of the Record Date. ***Each shareholder will be asked to present valid photographic identification, such as a valid driver's license or passport.*** Shareholders holding shares in brokerage accounts or by a bank or other nominee will also be required to show satisfactory proof of ownership of shares in a Fund, such as a voting instruction form (or a copy thereof) or a letter from the shareholder's bank, broker or other nominee or a brokerage statement or account statement reflecting share ownership as of the Record Date. Cameras, recording devices and other electronic devices will not be permitted at the annual meeting.

If you are a registered shareholder, you may vote your shares in person by ballot at the annual meeting. If you hold your shares in a brokerage account or through a broker, bank or other nominee, you will not be able to vote in person at the annual meeting unless you have previously requested and obtained a legal proxy from your broker, bank or other nominee and present it at the annual meeting.

Privacy Principles of the Funds

The Funds are committed to maintaining the privacy of their current and former shareholders and to safeguarding their non-public personal information. The following information is provided to help you understand what personal information the Funds collect, how the Funds protect that information and why, in certain cases, the Funds may share such information with select parties.

The Funds obtain or verify personal non-public information from and about you from different sources, including the following: (i) information the Funds receive from you or, if applicable, your financial intermediary, on applications, forms or other documents; (ii) information about your transactions with the Funds, their affiliates or others; (iii) information the Funds receive from a consumer reporting agency; and (iv) information the Funds receive from visits to the Funds or their affiliates' websites.

These non-affiliated third parties are required to protect the confidentiality and security of this information and to use it only for its intended purpose.

The Funds may share information with their affiliates to service your account or to provide you with information about other BlackRock products or services that may be of interest to you. In addition, the Funds restrict access to non-public personal information about their current and former shareholders to those BlackRock employees with a legitimate business need for the

information. The Funds maintain physical, electronic and procedural safeguards that are designed to protect the non-public personal information of their current and former shareholders, including procedures relating to the proper storage and disposal of such information.

If you are located in a jurisdiction where specific laws, rules or regulations require a Fund to provide you with additional or different privacy-related rights beyond what is set forth above, then the Fund will comply with those specific laws, rules or regulations.

General

Management does not intend to present and does not have reason to believe that any other items of business will be presented at the 2015 annual shareholder meeting. However, if other matters are properly presented to the meeting for a vote, the proxies will be voted by the persons named in the enclosed proxy upon such matters in accordance with their judgment of what is in the best interests of the Fund.

A list of each Fund's shareholders of record as of the Record Date will be available for inspection at the shareholder meeting.

Failure of a quorum to be present at any meeting may necessitate adjournment. The Board of each Fund, prior to any meeting being convened, may postpone such meeting from time to time to a date not more than 120 days after the original record date. The chair of the meeting may also adjourn such meeting from time to time to reconvene at the same or some other place, and notice of any such adjourned meeting need not be given if the time and place by which shareholders may be deemed to be present in person and vote at such adjourned meeting are announced at the meeting at which the adjournment is taken. The chair of any meeting may adjourn such meeting to permit further solicitation of proxies with respect to a proposal if they determine that adjournment and further solicitation is reasonable and in the best interests of shareholders. At the adjourned meeting, the Fund may transact any business which might have been transacted at the original meeting. Any adjourned meeting may be held as adjourned one or more times without further notice not later than one hundred and twenty (120) days after the original record date.

Please vote promptly by signing and dating each enclosed proxy card, and if received by mail, returning it (them) in the accompanying postage-paid return envelope OR by following the enclosed instructions to provide voting instructions by telephone or via the Internet.

By Order of the Boards,

Janey Ahn

Table of Contents**Appendix B Compensation of the Board Members**

Each Board Member who is an Independent Board Member is paid an annual retainer of \$250,000 per year for his or her services as a Board Member of all funds in the BlackRock Closed-End Complex that are overseen by the respective director/trustee, and each Board Member may also receive a \$10,000 board meeting fee for special unscheduled meetings or meetings in excess of six Board meetings held in a calendar year, together with out-of-pocket expenses in accordance with a Board policy on travel and other business expenses relating to attendance at meetings. In addition, the Chair and Vice Chair of the Board are paid an additional annual retainer of \$120,000 and \$40,000, respectively. The Chairs of the Audit Committee, Compliance Committee, Governance Committee, and Performance Oversight Committee are paid an additional annual retainer of \$35,000, \$20,000, \$10,000 and \$20,000, respectively. Each Audit Committee and Leverage Committee member is paid an additional annual retainer of \$25,000 for his or her service on such committee. For the year ended December 31, 2014, the Closed-End Complex reimbursed Independent Board Member expenses in an aggregate amount of approximately \$50,338. Each Fund shall pay a *pro rata* portion quarterly (based on relative net assets) of the foregoing Board Member fees paid by the funds in the Closed-End Complex.

Dr. Fabozzi was appointed to serve as a member of the boards of the Equity-Liquidity Complex effective April 1, 2014. Dr. Fabozzi is paid an annual retainer of \$275,000 for his services as a board member of all funds in the BlackRock Equity-Liquidity Complex. Dr. Fabozzi may also receive a \$10,000 board meeting fee to be paid for each in-person board meeting attended (a \$5,000 board meeting fee for telephonic attendance at regular board meetings), for up to five board meetings held in a calendar year (compensation for meetings in excess of this number to be determined on a case-by-case basis), together with out of pocket expenses in accordance with a board policy on travel and other business expenses relating to attendance at meetings. Dr. Fabozzi is currently a member of the Audit Committee and Performance Oversight Committee of the BlackRock-advised funds in the Equity-Liquidity Complex. Dr. Fabozzi receives \$10,000 for each standing committee on which he serves for up to two standing Committee assignments but is not paid this amount for serving on a committee which he chairs. The boards of the Funds or of any other BlackRock-advised fund in a BlackRock Fund Complex may modify the board members' compensation from time to time depending on market conditions and accordingly Dr. Fabozzi's compensation would be impacted by those modifications.

The Independent Board Members have agreed that a maximum of 50% of each Independent Board Member's total compensation paid by funds in the Closed-End Complex may be deferred pursuant to the Closed-End Complex's deferred compensation plan. Under the deferred compensation plan, deferred amounts earn a return for the Independent Board Members as though equivalent dollar amounts had been invested in common shares of certain funds in the Closed-End Complex selected by the Independent Board Members. This has approximately the same economic effect for the Independent Board Members as if they had invested the deferred amounts in such other funds in the Closed-End Complex. The deferred compensation plan is not funded and obligations thereunder represent general unsecured claims against the general assets of a fund and are recorded as a liability for accounting purposes.

The following table sets forth the aggregate compensation, including deferred compensation amounts, paid to each Independent Board Member by each Fund during its most recently completed fiscal year and by the Closed-End Complex for the most recently completed calendar year. Mr. Perlowski and Ms. Novick serve without compensation from the Funds because of their affiliation with BlackRock, Inc. and the Advisor.

Appendix E Standing Committees of the Boards

The business and affairs of each Fund are managed by or under the direction of its Board.

Standing Committees. The Board of each Fund has established the following standing committees:

Audit Committee. Each Board has a standing Audit Committee composed of Karen P. Robards (Chair), Michael J. Castellano, Frank J. Fabozzi, James T. Flynn and W. Carl Kester, all of whom are Independent Board Members. The principal responsibilities of the Audit Committee are to assist the Board in fulfilling its oversight responsibilities relating to the accounting and financial reporting policies and practices of the Fund. The Audit Committee's responsibilities include, without limitation: (i) approving and recommending to the full Board for approval the selection, retention, termination and compensation of the Fund's independent registered public accounting firm (the Independent Registered Public Accounting Firm) and evaluating the independence and objectivity of the Independent Registered Public Accounting Firm; (ii) approving all audit engagement terms and fees for the Fund; (iii) reviewing the conduct and results of each audit; (iv) reviewing any issues raised by the Fund's Independent Registered Public Accounting Firm or management regarding the accounting or financial reporting policies and practices of the Fund, its internal controls, and, as appropriate, the internal controls of certain service providers and management's response to any such issues; (v) reviewing and discussing the Fund's audited and unaudited financial statements and disclosure in the Fund's shareholder reports relating to the Fund's performance; (vi) assisting the Board's responsibilities with respect to the internal controls of the Fund and its service providers with respect to accounting and financial matters; and (vii) resolving any disagreements between the Fund's management and the Fund's Independent Registered Public Accounting Firm regarding financial reporting.

A copy of the Audit Committee Charter for each Fund can be found in the Corporate Governance section of the BlackRock Closed-End Fund website at www.blackrock.com.

Governance Committee. Each Board has a standing Governance Committee composed of R. Glenn Hubbard (Chair), Richard E. Cavanagh, Michael J. Castellano, Frank J. Fabozzi, Kathleen F. Feldstein, James T. Flynn, Jerrold B. Harris, W. Carl Kester and Karen P. Robards, all of whom are Independent Board Members.

The principal responsibilities of the Governance Committee are: (i) identifying individuals qualified to serve as Independent Board Members and recommending Board Nominees that are not interested persons of the Funds (as defined in the 1940 Act) for election by shareholders or appointment by the Board; (ii) advising the Board with respect to Board composition, procedures and committees of the Board (other than the Audit Committee); (iii) overseeing periodic self-assessments of the Board and committees of the Board (other than the Audit Committee); (iv) reviewing and making recommendations in respect to Independent Board Member compensation; (v) monitoring corporate governance matters and making recommendations in respect thereof to the Board; (vi) acting as the administrative committee with respect to Board policies and procedures, committee policies and procedures (other than the Audit Committee) and codes of ethics as they relate to the Independent Board Members; and (vii) review and make recommendations to the Board in respect of Fund share ownership by the Independent Board Members.

The Governance Committee of each Board seeks to identify individuals to serve on the Board who have a diverse range of viewpoints, qualifications, experiences, backgrounds and skill sets so that the Board will be better suited to fulfill its responsibility of overseeing the Fund's activities. In so doing, the Governance Committee reviews the size of the Board, the ages of the current Board

Table of Contents

Members and their tenure on the Board, and the skills, background and experiences of the Board Members in light of the issues facing the Fund in determining whether one or more new Board Members should be added to the Board. The Board as a group strives to achieve diversity in terms of gender, race and geographic location. The Governance Committee believes that the Board Members as a group possess the array of skills, experiences and backgrounds necessary to guide the Fund. The Board Members' biographies included in the Proxy Statement highlight the diversity and breadth of skills, qualifications and expertise that the Board Members bring to the Fund.

Each Governance Committee may consider nominations for Board Members made by the Fund's shareholders as it deems appropriate. Under each Fund's By-laws, shareholders must follow certain procedures to nominate a person for election as a Board Member at an annual or special meeting, or to introduce an item of business at an annual meeting. Under these advance notice procedures, shareholders must submit the proposed nominee or item of business by delivering a notice to the Secretary of the Funds at their principal executive offices. Each Fund must receive notice of a shareholder's intention to introduce a nomination or proposed item of business for an annual shareholder meeting not less than 120 days nor more than 150 days before the anniversary of the prior year's annual shareholder meeting. Assuming that the 2016 annual shareholder meeting of a Fund is held within 25 days of July 29, 2016, the Fund must receive notice pertaining to the 2016 annual meeting of shareholders no earlier than Tuesday, March 1, 2016 and no later than Thursday, March 31, 2016. However, if a Fund holds its 2016 annual shareholder meeting on a date that is not within 25 days before or after July 29, 2016, such Fund must receive the notice of a shareholder's intention to introduce a nomination or proposed item of business not later than the close of business on the tenth day following the day on which the notice of the date of the shareholder meeting was mailed or the public disclosure of the date of the shareholder meeting was made, whichever comes first.

Each Fund's By-laws provide that notice of a proposed nomination must include certain information about the shareholder and the nominee, as well as a written consent of the proposed nominee to serve if elected. A notice of a proposed item of business must include a description of and the reasons for bringing the proposed business to the meeting, any material interest of the shareholder in the business, and certain other information about the shareholder.

Further, each Fund has adopted Board Member qualification requirements which can be found in each Fund's By-laws and are applicable to all Board Members that may be nominated, elected, appointed, qualified or seated to serve as Board Members. The qualification requirements include: (i) age limits; (ii) limits on service on other boards; (iii) restrictions on relationships with investment advisers other than BlackRock; and (iv) character and fitness requirements. In addition to not being an interested person of the Fund as defined under Section 2(a)(19) of the 1940 Act, each Independent Board Member may not be or have certain relationships with a shareholder owning five percent or more of the Fund's voting securities or owning other percentage ownership interests in investment companies registered under the 1940 Act. Reference is made to each Fund's By-laws for more details.

A copy of the Governance Committee Charter for each Fund can be found in the Corporate Governance section of the BlackRock Closed-End Fund website at www.blackrock.com.

Compliance Committee. Each Fund has a Compliance Committee composed of Jerrold B. Harris (Chair), Richard E. Cavanagh, Kathleen F. Feldstein and R. Glenn Hubbard, all of whom are Independent Board Members. The Compliance Committee's purpose is to assist the Board in fulfilling its responsibility with respect to the oversight of regulatory and fiduciary compliance matters involving the Fund, the fund-related activities of BlackRock, and any subadvisor and the Fund's other third party service providers. The Compliance Committee's responsibilities include,

Table of Contents

without limitation: (i) overseeing the compliance policies and procedures of the Fund and its service providers and recommending changes or additions to such policies and procedures; (ii) reviewing information on and, where appropriate, recommending policies concerning the Fund's compliance with applicable law; (iii) reviewing information on any significant correspondence with or other actions by regulators or governmental agencies with respect to the Fund and any employee complaints or published reports that raise concerns regarding compliance matters; and (iv) reviewing reports from, overseeing the annual performance review of, and making certain recommendations in respect of the CCO, including, without limitation, determining the amount and structure of the CCO's compensation. Each Board has adopted a written charter for the Board's Compliance Committee.

Performance Oversight Committee. Each Fund has a Performance Oversight Committee composed of Frank J. Fabozzi (Chair), Michael J. Castellano, Richard E. Cavanagh, Kathleen F. Feldstein, James T. Flynn, Jerrold B. Harris, R. Glenn Hubbard, W. Carl Kester and Karen P. Robards, all of whom are Independent Board Members. The Performance Oversight Committee's purpose is to assist the Board in fulfilling its responsibility to oversee the Fund's investment performance relative to the Fund's investment objective(s), policies and practices. The Performance Oversight Committee's responsibilities include, without limitation: (i) reviewing the Fund's investment objective(s), policies and practices; (ii) recommending to the Board any required action in respect of changes in fundamental and non-fundamental investment restrictions; (iii) reviewing information on appropriate benchmarks and competitive universes; (iv) reviewing the Fund's investment performance relative to such benchmarks; (v) reviewing information on unusual or exceptional investment matters; (vi) reviewing whether the Fund has complied with its investment policies and restrictions; and (vii) overseeing policies, procedures and controls regarding valuation of the Fund's investments. Each Board has adopted a written charter for the Board's Performance Oversight Committee.

Executive Committee. Each Fund has an Executive Committee composed of Richard E. Cavanagh (Chair) and Karen P. Robards, both of whom are Independent Board Members, and John M. Perlowski, who serves as an interested Board Member. The principal responsibilities of the Executive Committee include, without limitation: (i) acting on routine matters between meetings of the Board; (ii) acting on such matters as may require urgent action between meetings of the Board; and (iii) exercising such other authority as may from time to time be delegated to the Executive Committee by the Board. Each Board has adopted a written charter for the Board's Executive Committee.

Leverage Committee. Each Board has a Leverage Committee composed of Richard E. Cavanagh (Chair), Karen P. Robards, Frank J. Fabozzi, W. Carl Kester, all of whom are Independent Board Members, and John M. Perlowski who serves as an interested Board Member. The Leverage Committee was originally formed in March 2008 as an ad hoc committee for the purpose of monitoring issues arising from credit market turmoil and overseeing efforts to address the effects of reduced auction market preferred shares or auction preferred shares (AMPS) liquidity on each fund in the Closed-End Complex using AMPS for leverage at the time, to evaluate the liquidity considerations of the AMPS holders and to oversee other financial leverage-related issues as delegated by the Board, each in a manner consistent with the Fund's and its shareholders' best interests and the Fund's investment strategies. This committee was converted to a standing committee in 2011, and was renamed the Leverage Committee and expanded to include all funds in the Closed-End Complex in April 2012. The Leverage Committee's responsibilities include, without limitation: (i) to support the Independent Directors in pursuing the best interests of each Fund and its shareholders; (ii) to oversee each Fund's usage of leverage, including the Fund's incurrence, refinancing and maintenance of leverage and, to the extent necessary or appropriate, authorize or approve the execution of documentation in respect thereto, (iii) to oversee and

Table of Contents

authorize actions in respect of refinancing and redeeming forms of leverage; and (iv) to receive reports with respect to the foregoing matters. Each Board has adopted a written Charter for the Board's Leverage Committee.

As of April 30, 2015, the Leverage Committee has met 6 times in the last calendar year and 81 times since its formation. As of April 30, 2015, the total amount of announced redemptions of AMPS across the Closed-End Complex equaled \$9.8 billion, which represents approximately 99.5% of all AMPS outstanding for the Closed-End Complex as of February 2008. Thus far, 62 BlackRock Closed-End Funds have redeemed all of their AMPS.

Each Audit Committee, Governance Committee, Compliance Committee, Performance Oversight Committee, Executive Committee and Leverage Committee met the following number of times for each Fund's most recent fiscal year:
