- .. Pre-commencement communications pursuant to Rule 13e-4(c) under the Exchange Act (17 CFR 240.13e-4(c))

SECTION 1. REGISTRANT'S BUSINESS AND OPERATIONS.

Item 1.01. Entry into a Material Definitive Agreement.

On July 21, 2015, FedEx Corporation's wholly owned subsidiary Federal Express Corporation (FedEx Express) and The Boeing Company (Boeing) entered into Supplemental Agreement No. 6 (and related side letters) (the Supplemental Agreement) to Purchase Agreement Number 3712 dated as of December 14, 2011, between Boeing and FedEx Express related to Boeing 767-300 Freighter (B767F) aircraft.

In the Supplemental Agreement, FedEx Express agreed to purchase 50 additional B767F aircraft from Boeing. Four of the 50 additional firm-order B767F aircraft purchases are conditioned upon there being no event that causes FedEx Express or its employees not to be covered by the Railway Labor Act of 1926, as amended. The 50 additional firm-order B767F aircraft are expected to be delivered from fiscal 2018 through fiscal 2023 and will enable FedEx Express to continue to improve the efficiency and reliability of its aircraft fleet.

FedEx Express now has a total of 106 firm orders for B767F aircraft from Boeing through fiscal 2023 (as of July 21, 2015, 19 aircraft have been delivered and 87 aircraft are pending delivery).

In the Supplemental Agreement, FedEx Express also acquired options to purchase an additional 15 B767F aircraft. As a result, FedEx Express now has options to purchase a total of 50 B767F aircraft from Boeing.

Expected capital spending for FedEx Corporation for fiscal 2016 remains at approximately \$4.6 billion. The impact to FedEx Corporation's capital spending in fiscal 2017 from this new B767F aircraft order is expected to be immaterial.

Certain statements in this report are forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995 with respect to future events and financial performance. These forward-looking statements involve risks and uncertainties. Actual results may differ materially from those contemplated (expressed or implied) by such forward-looking statements, because of, among other things, the risks and uncertainties you can find in our press releases and other SEC filings, including the risk factors identified under the heading Risk Factors in Management's Discussion and Analysis of Results of Operations and Financial Condition in our most recent annual report on Form 10-K, as updated by our quarterly reports on Form 10-Q.
