FINANCIAL RESULTS

During fiscal year 2015, Visa delivered strong financial performance across our global businesses, a reflection of solid revenue and transaction growth. This financial growth and stock price appreciation drives our performance-based compensation, as net revenue and net income are the metrics used in our annual cash incentive plan, while EPS, stock price appreciation and Total Shareholder Return affect the value of our Performance Shares.

CORPORATE GOVERNANCE

Our board of directors oversees the business of the Company to serve the long-term interests of our stockholders. Members of our board are informed of our business through discussions with our Chief Executive Officer, President, Chief Financial Officer, General Counsel, Chief Risk Officer and other officers and employees, and by reviewing materials provided to them and participating in regular meetings of the board and its committees.

The board of directors regularly monitors our corporate governance policies and profile to ensure we meet or exceed the requirements of applicable laws, regulations and rules, and the NYSE's listing standards. We have instituted a variety of practices to foster and maintain responsible corporate governance, which are described in this section. To learn more about Visa's corporate governance and to view our Corporate Governance Guidelines, Code of Business Conduct and Ethics, Code of Ethics for Senior Financial Officers, and the charters of each of the board's committees, please visit the Investor Relations page of our website at <http://investor.visa.com> under Corporate Governance. Copies of these documents also are available in print free of charge by writing to our Corporate Secretary at Visa Inc., P.O. Box 8999, San Francisco, CA 94128-8999.

Board Leadership Structure

The Nominating and Corporate Governance Committee and the board believe having the Chair and Chief Executive Officer in separate roles is the most appropriate leadership structure for the Company at this time, by allowing our Chief Executive Officer, Charles W. Scharf, to focus on the day-to-day management of the business and on executing our strategic priorities, while allowing our independent Chair, Robert W. Matschullat, to focus on

11

Table of Contents

leading the board, providing advice and counsel to Mr. Scharf and facilitating the board's independent oversight of management. The Nominating and Corporate Governance Committee will continue to periodically review the board's leadership structure and to exercise its discretion in recommending an appropriate and effective framework on a case-by-case basis, taking into consideration the needs of the board and the Company at such time.

As our independent Chair, Mr. Matschullat's duties and responsibilities include: presiding at meetings of the board and calling, setting the agenda for and chairing periodic executive sessions of the independent directors; providing feedback to the Chief Executive Officer on corporate policies and strategies; acting as a liaison between the board and the Chief Executive Officer; and facilitating one-on-one communication between directors, committee chairs, the Chief Executive Officer and other senior managers to keep abreast of their perspectives.

In addition to our independent Chair, the board has three standing committees: the Audit and Risk Committee, chaired by Mary B. Cranston; the Compensation Committee, chaired by Suzanne Nora Johnson; and the Nominating and Corporate Governance Committee, chaired by Alfred F. Kelly. In their capacities as independent committee chairs, Ms. Cranston, Ms. Nora Johnson and Mr. Kelly each have responsibilities that contribute to the board's oversight of management and facilitate communication among the board and the Chief Executive Officer.

Independence of Directors

The NYSE's listing standards and our Corporate Governance Guidelines provide that a majority of our board of directors and every member of the Audit and Risk, Compensation and Nominating and Corporate Governance committees must be independent. Our Certificate of Incorporation further requires that at least fifty-eight percent (58%) of our board be independent. Under the NYSE's listing standards, our Corporate Governance Guidelines and our Certificate of Incorporation, no director will be considered to be independent unless our board affirmatively determines that such director has no direct or indirect material relationship with Visa or our management. Our board reviews the independence of its members annually and has adopted guidelines to assist it in making its independence determinations.

In October 2015, with the assistance of legal counsel, our board conducted its annual review of director independence and affirmatively determined that each of our non-employee directors (Lloyd A. Carney, Mary B. Cranston, Francisco Javier Fernández-Carbajal, Alfred F. Kelly, Jr., Suzanne Nora Johnson, Robert W. Matschullat, Cathy E. Minehan, David J. Pang, William S. Shanahan, John A. C. Swainson and Maynard G. Webb, Jr.) is independent as that term is defined in the NYSE's listing standards, our independence guidelines and our Certificate of Incorporation.

In making the determination that the directors listed above are independent, the board considered relevant transactions, relationships and arrangements, including those specified in the NYSE listing standards and our independence guidelines, and determined that these relationships were not material relationships that would impair the director's independence. In this regard, the board considered that certain directors serve as directors of other companies with which the Company engages in ordinary-course-of-business transactions, and that, in accordance with our director independence guidelines, none of these relationships constitute material relationships that would impair the independence of these individuals. Discretionary contributions to certain charitable organizations with which some of our directors are affiliated also were considered, and the board determined that the amounts contributed to each of these charitable organizations in any fiscal year were less than the greater of one million dollars or two percent of the organization's consolidated gross revenues.

The board also considered, for Ms. Cranston (i) her daughter's relationship with one of our former employees, Russell Hamilton (who was not an executive officer), as discussed under the heading *Certain Relationships and Related Person Transactions*, and (ii) services provided to the Company by a law firm of which she is a retired senior partner,

including that, pursuant to her retirement (which predated our engagement of the law firm), she receives no compensation from the firm, has no capital in the firm, and is no longer a signatory to the firm's

Table of Contents

partnership agreement. For Messrs. Carney, Fernández-Carbajal, Kelly, Swainson, Webb, and Ms. Minehan, the board considered the amounts paid or received by the Company pursuant to ordinary-course-of-business transactions with other entities (which, in any single fiscal year, did not equal or exceed the greater of one million dollars or two percent of the annual consolidated revenues of the other entity), where the director or the director's immediate family member is or was an employee or officer of such entity, or had a direct or indirect ownership interest in such entity.

Majority Vote Standard for Directors

Our Corporate Governance Guidelines require each incumbent director nominee to submit an irrevocable contingent resignation letter prior to the mailing of the proxy statement for an annual meeting at which the nominee's candidacy will be considered. If the nominee does not receive a majority of the votes cast for his or her re-election, meaning that he or she does not have more votes cast FOR than AGAINST his or her re-election, the Nominating and Corporate Governance Committee will recommend to the board of directors that it accept the nominee's contingent resignation, unless the Nominating and Corporate Governance Committee determines that acceptance of the resignation would not be in the best interest of the Company and its stockholders. The board will decide whether to accept or reject the contingent resignation at its next regularly scheduled meeting, but in no event later than 120 days following certification of the election results. The board's decision and its reasons will be promptly disclosed in a periodic or current report filed with the SEC.

The Board of Directors' Role in Risk Oversight

Our board of directors recognizes the importance of effective risk oversight in running a successful business and in fulfilling its fiduciary responsibilities to Visa and its stockholders. While the Chief Executive Officer, Chief Risk Officer and other members of our senior leadership team are responsible for the day-to-day management of risk, our board of directors is responsible for ensuring that an appropriate culture of risk management exists within the Company and for setting the right tone at the top, overseeing our aggregate risk profile and monitoring how the Company addresses specific risks, such as strategic and competitive risks, financial risks, brand and reputation risks, legal risks, regulatory risks and operational risks.

The board believes that its current leadership structure facilitates its oversight of risk by combining independent leadership, through the independent Chair of the board, independent board committees and majority independent board composition, with an experienced Chief Executive Officer who is a member of the board. Mr. Scharf's industry experience and day-to-day management of the Company as our Chief Executive Officer enable him to identify and raise key business risks to the board and focus the board's attention on areas of concern. The independent Chair, independent committee chairs and the other directors also are experienced professionals or executives, who are very knowledgeable about the Company and who can and do raise issues for board consideration and review. The board believes there is a well-functioning and effective balance between the independent Chair, non-employee board members, the Chief Executive Officer and other members of management, which enhances the board's risk oversight.

The board of directors exercises its oversight responsibility for risk both directly and through its three standing committees. Throughout the year, the board and each committee spend a portion of their time reviewing and discussing specific risk topics. The full board is kept informed of each committee's risk oversight and related activities through regular oral reports from the committee chairs, and committee meeting minutes are available for review by all directors. On an annual basis, the Chief Risk Officer and other members of senior management report on our top risks and the steps management has taken or will take to mitigate these risks and the board is provided with and discusses a written Enterprise Risk Management, or ERM, update and information security update annually. In addition, the General Counsel updates the board regularly on material legal and regulatory matters. Written reports also are provided to and discussed by the board regularly regarding recent business, legal, regulatory, competitive and other

developments impacting the Company.

Table of Contents

The Audit and Risk Committee is responsible for reviewing our ERM framework and programs, as well as the framework by which management discusses our risk profile and risk exposures with the full board and its committees. The Audit and Risk Committee meets regularly with our Chief Financial Officer, General Counsel, Chief Risk Officer, Chief Auditor, Chief Compliance Officer, independent auditor and other members of senior management to discuss our major financial risk exposures, financial reporting, internal controls, credit and liquidity risks, legal and compliance risks, key operational risks, cybersecurity and information security risks and controls and the ERM framework and programs. Other responsibilities include reviewing at least annually the overall implementation and effectiveness of our compliance and ethics program and our business continuity plan and test results. The Audit and Risk Committee also meets regularly in separate executive session with the Chief Financial Officer, General Counsel, Chief Risk Officer, Chief Auditor and independent auditor, as well as with committee members only, to facilitate a full and candid discussion of risk and other issues.

The Compensation Committee is responsible for overseeing human capital and compensation risks, including evaluating and assessing risks arising from our compensation policies and practices for all employees and ensuring executive compensation is aligned with performance. The Compensation Committee is also charged with monitoring our incentive and equity-based compensation plans, including employee pension and benefit plans. For additional information regarding the Compensation Committee's review of compensation-related risk, please see the section entitled *Risk Assessment of Compensation Programs*.

The Nominating and Corporate Governance Committee oversees risks related to our overall corporate governance, including board and committee composition, board size and structure, director independence, our corporate governance profile and ratings, and our political participation and contributions. The Nominating and Corporate Governance Committee is also actively engaged in overseeing risks associated with succession planning for the board and management.

Executive Sessions of the Board of Directors

The non-employee, independent members of our board of directors and all committees of the board generally meet in executive session without management present during their regularly scheduled in-person board and committee meetings, and on an as-needed basis during telephonic and special meetings. Robert W. Matschullat, our independent Chair, presides over executive sessions of the board of directors and the committee chairs, each of whom is independent, preside over executive sessions of the committees.

Codes of Conduct and Ethics

Our board of directors has adopted a Code of Business Conduct and Ethics, which applies to all directors, officers, employees and contingent staff of the Company. Additionally, the board of directors has adopted a supplemental Code of Ethics for Senior Financial Officers, which applies to our Chief Executive Officer, Chief Financial Officer, Controller, General Counsel and other senior financial officers, whom we refer to collectively as senior officers. These Codes require the senior officers to engage in honest and ethical conduct in performing their duties, provide guidelines for the ethical handling of actual or apparent conflicts of interest between personal and professional relationships, and provide mechanisms to report unethical conduct. Our senior officers are held accountable for their adherence to the Codes. If we amend or grant any waiver from a provision of our Codes, we will publicly disclose such amendment or waiver in accordance with and if required by applicable law, including by posting such amendment or waiver on our website at the address above or by filing a current report on Form 8-K with the SEC.

Stockholder Engagement

Our board of directors and management team value the opinions and feedback of our stockholders, and we engage with stockholders throughout the year. Some of the major themes discussed in fiscal year 2015 included board composition and diversity, executive compensation philosophy and performance metrics, our multiclass

Our board of directors and its committees meet throughout the year on a set schedule, hold special meetings as needed, and act by written consent from time to time. The board of directors met 12 times during fiscal year 2015. Each director attended at least 75% or more of the aggregate of: (i) the total number of meetings of the board and independent directors held during the period in fiscal year 2015 for which he or she served as a director, and (ii) the total number of meetings held by all committees of the board on which such director served during the period in fiscal year 2015 for which he or she served as a committee member. Certain Relationships and Related Person Transactions

The Audit and Risk Committee has adopted a written Statement of Policy with Respect to Related Party Transactions, governing any transaction, arrangement or relationship between the Company and any related party where the aggregate amount involved will or may be expected to exceed \$120,000 and any related party had, has or will have a direct or indirect material interest. Under the Policy, the Audit and Risk Committee or its management delegate shall review related party transactions and may approve or ratify them only if it is

Table of Contents

determined that they are in, or not inconsistent with, the best interests of the Company and its stockholders. When reviewing a related party transaction, the Audit and Risk Committee or management delegate may take into consideration all of the relevant facts and circumstances available to it, including: (i) the material terms and conditions of the transaction or transactions; (ii) the related party's relationship to Visa; (iii) the related party's interest in the transaction, including their position or relationship with, or ownership of, any entity that is a party to or has an interest in the transaction; (iv) the approximate dollar value of the transaction; (v) the availability from other sources of comparable products or services; and (vi) an assessment of whether the transaction is on terms that are comparable to the terms available to us from an unrelated third party. Related party transactions that are approved or ratified by the management delegate must be reported to the Audit and Risk Committee at its next regularly scheduled meeting.

In the event we become aware of a related party transaction that was not previously approved or ratified under the Policy, the Audit and Risk Committee or management delegate shall evaluate all options available, including ratification, revision or termination of the related party transaction. The Policy is intended to augment and work in conjunction with our other policies that include code of conduct or conflict of interest provisions, including our Code of Business Conduct and Ethics and Code of Ethics for Senior Financial Officers.

We engage in transactions, arrangements and relationships with many other entities, including financial institutions and professional organizations, in the ordinary course of our business. Some of our directors, executive officers, greater than five percent stockholders and their immediate family members, each a related party under the Policy, may be directors, officers, partners, employees or stockholders of these entities. We carry out transactions with these entities on customary terms, and, in many instances, our directors and executive officers may not be aware of them. To our knowledge, since the beginning of fiscal year 2015, no Related Party has had a material interest in any of our business transactions or relationships other than as described below:

Mary B. Cranston, an independent member of our board of directors, is related to a former employee of our subsidiary, Visa U.S.A. Inc. Ms. Cranston's daughter married the employee, Russell Hamilton, in September 2008, after Ms. Cranston joined our board. While Mr. Hamilton was not an executive officer of the Company, his compensation was approximately \$300,000 per year. Accordingly, Mr. Hamilton is both a related party and his employment is a related party transaction for purposes of the Company's Policy. Both the Audit and Risk Committee, with Ms. Cranston abstaining, and the Nominating and Corporate Governance Committee previously reviewed the circumstances surrounding Mr. Hamilton's employment and his relationship to Ms. Cranston and concluded that they are not material. Accordingly, the Audit and Risk Committee, with Ms. Cranston abstaining, approved Mr. Hamilton's continued employment and compensation, and the Nominating and Corporate Governance Committee and the board determined that the relationship would not impede the exercise of independent judgment by Ms. Cranston. Mr. Hamilton departed the Company in March 2015.

Report of the Audit and Risk Committee

The Committee is responsible for monitoring and overseeing Visa's financial reporting process on behalf of the board of directors. Visa's management has the primary responsibility for establishing and maintaining adequate internal financial controls, for preparing the financial statements, and for the public reporting process. KPMG LLP, Visa's independent registered public accounting firm, is responsible for expressing opinions on the conformity of the

Company's audited financial statements with accounting principles generally accepted in the United States of America, and on the Company's internal control over financial reporting.

In this context, the Committee has reviewed and discussed with management the Company's audited consolidated financial statements for the fiscal year ended September 30, 2015. In addition, the Committee has discussed with KPMG the matters required to be discussed by Auditing Standard No. 16, as adopted by the Public Company Accounting Oversight Board (PCAOB).

Table of Contents

The Committee also has received the written disclosures and the letter from KPMG required by the applicable requirements of the PCAOB regarding the independent registered public accounting firm's communications with the audit committee concerning independence, and the Committee has discussed the independence of KPMG with that firm. The Committee also has considered whether KPMG's provision of non-audit services to the Company impairs the auditor's independence, and concluded that KPMG is independent from the Committee and the Company's management.

Based on the Committee's review and discussions noted above, the Committee recommended to the board of directors that the Company's audited consolidated financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended September 30, 2015, for filing with the Securities and Exchange Commission.

Compensation Committee Interlocks and Insider Participation

None of the members of the Compensation Committee (Suzanne Nora Johnson, Alfred F. Kelly, Jr., David J. Pang and John A. C. Swainson) is or has ever been one of our officers or employees. In addition, during the last fiscal year, none of our executive officers served as a member of the board of directors or the compensation committee of any other entity that has one or more executive officers serving on our board of directors or Compensation Committee.

Risk Assessment of Compensation Programs

The Compensation Committee annually considers potential risks when reviewing and approving our compensation programs. We have designed our compensation programs, including our incentive compensation plans, with specific features to address potential risks while rewarding employees for achieving long-term financial and strategic objectives through prudent business judgment and appropriate risk taking. The following elements have been incorporated in our compensation programs for executive officers:

A Balanced Mix of Compensation Components The target compensation mix for our executive officers is composed of salary, annual cash incentives and long-term equity incentives, representing a mix that is not overly weighted toward short-term cash incentives.

Multiple Performance Factors Our incentive compensation plans use both Company-wide metrics and individual performance goals, which encourage focus on the achievement of objectives for the overall benefit of the Company. The annual cash incentive is dependent on multiple performance metrics including Net Income and Net Revenue Growth, both as adjusted for unusual or non-recurring items, as well as individual goals related to specific strategic or operational objectives.

Long-term Incentives Our long-term incentives are equity-based and generally have a three-year vesting schedule to complement our annual cash based incentives.

Capped Incentive Awards Annual incentive awards and performance share awards are capped at 200% of target.

Stock Ownership Guidelines Our guidelines call for significant share ownership, which aligns the interests of our executive officers with the long-term interests of our stockholders.

Clawback Policy Our Clawback Policy authorizes the board of directors to recoup past incentive compensation in the event of a material restatement of the Company's financial results due to fraud, intentional misconduct or gross negligence of the executive officer.

Additionally, the Compensation Committee annually considers an assessment of compensation-related risks for all of our employees. Based on this assessment, the Compensation Committee concluded that our compensation programs do not create risks that are reasonably likely to have a material adverse effect on Visa. In making this determination, the Compensation Committee reviewed the key design elements of our compensation programs in relation to industry

best practices as presented by Frederic W. Cook & Co. (Cook & Co.), the Compensation Committee's independent compensation consultant, as well as the means by which any potential risks may be mitigated, such as through our internal controls and oversight by management and the board of directors. In addition, management completed an inventory of incentive programs below the executive level and reviewed the design of these incentives both internally and with Cook & Co. to conclude that such programs do not encourage excessive risk taking.

Succession Planning

Our board of directors believes that one of its primary responsibilities is to oversee the development and retention of executive talent and to ensure that an appropriate succession plan is in place for our Chief Executive Officer and other members of management. Each quarter, the Compensation Committee meets with our Executive Vice President, Human Resources and other executives to discuss management succession planning and to address potential vacancies in senior leadership. The Compensation Committee also annually reviews with the board succession planning for our Chief Executive Officer.

In addition to executive and management succession, the Compensation Committee regularly oversees and plans for director succession. In doing so, the Compensation Committee takes into consideration the overall needs, composition and size of the board, as well as the criteria adopted by the board regarding director candidate qualifications, which are described in the section entitled *Corporate Governance – Nomination of Directors*. Individuals identified by the Compensation Committee as qualified to become directors are then recommended to the full board for nomination or election.

Adoption of Proxy Access

Following the receipt of a stockholder proposal, the Nominating and Corporate Governance Committee, after considering the input received during our stockholder engagement meetings, advised the board of directors to amend the Company's bylaws to adopt proxy access. The board adopted proxy access bylaws that permit stockholders owning 3% or more of our Class A Common Stock for a period of at least 3 years to nominate up to 20% of the board and include these nominees in our proxy materials. The number of stockholders who may aggregate their shares to meet the 3% ownership threshold is limited to 20. The board amended the bylaws to adopt proxy access in October 2015. Stockholders will be able to propose proxy access nominees beginning with the 2017 Annual Meeting of Stockholders.

Nomination Process and Stockholder Proposed Candidates

The Nominating and Corporate Governance Committee considers and recommends candidates to the board in accordance with its charter, our Certificate of Incorporation and Bylaws, our Corporate Governance Guidelines and the criteria adopted by the board regarding director candidate qualifications. Candidates may come to the attention of the Nominating and Corporate Governance Committee from current directors, members of management, a professional search firm or a stockholder.

Stockholders may propose a director candidate to be considered for nomination by the Nominating and Corporate Governance Committee by providing the information specified in our Corporate Governance Guidelines to our Corporate Secretary within the timeframe specified for stockholder nominations of directors in our Bylaws. For additional information regarding the process for proposing director candidates to the Nominating and Corporate Governance Committee, please see our Corporate Governance Guidelines. Stockholders who wish to nominate a person for election as a director at an annual meeting of stockholders must follow the procedure described under the heading *Other Information – Stockholder Nomination of Director Candidates and Other Stockholder Proposals for 2017 Annual Meeting*. For additional information regarding this process, please see our Bylaws.

Criteria for Nomination to the Board of Directors and Diversity

The Nominating and Corporate Governance Committee applies the same standards in considering director candidates submitted by stockholders as it does in evaluating other candidates, including incumbent directors. The identification

and selection of qualified directors is a complex and subjective process that requires consideration of many intangible factors, and will be significantly influenced by the particular needs of the board from time to time. As a result, there is no specific set of minimum qualifications, qualities or skills that are

Table of Contents

necessary for a nominee to possess, other than those that are necessary to meet U.S. legal, regulatory and NYSE listing requirements and the provisions of our Certificate of Incorporation, Bylaws, Corporate Governance Guidelines and charters of the board's committees. When considering nominees, the Nominating and Corporate Governance Committee may take into consideration many factors, including a candidate's:

record of accomplishment in his or her chosen field;

depth and breadth of experience at an executive, policy-making level in business, payment systems, financial services, academia, law, government, information technology, emerging technology or other areas relevant to the Company's activities;

depth and breadth of experience at an executive, policy-making level at a publicly-listed company or other organization based in a strategic non-U.S. jurisdiction in which the Company operates or seeks to operate;

depth and breadth of experience at an executive, policy-making level at a multinational company or other organization, with significant managerial and operational responsibilities outside of the United States;

experience working as the chief executive officer of a publicly-listed company;

experience serving as a director of a publicly-listed company based in the United States;

experience serving as an executive officer or director of Visa Inc. or any pre-merger Visa entity;

personal and professional ethics, integrity and values;

commitment to enhancing stockholder value;

commitment to engaging with all of the Company's constituencies, including merchants, clients, consumers, stockholders, employees, policy-makers and the communities in which the Company operates;

ability to exercise good judgment and provide practical insights and diverse perspectives;

absence of real and perceived conflicts of interest;

ability and willingness to devote sufficient time to become knowledgeable about the Company and to effectively carry out the duties and responsibilities of service;

ability to attend all or almost all board of directors meetings in person;

ability to develop a good working relationship with other members of the board of directors; and

ability to contribute to the board of directors working relationship with senior management.

Table of Contents

In addition to the above factors, the qualification criteria adopted by the board specify that the Nominating and Corporate Governance Committee should consider the value of diversity on the board when identifying and recommending director nominees. Accordingly, the Nominating and Corporate Governance Committee's evaluation of director nominees includes consideration of their ability to contribute to a diverse portfolio of personal and professional experiences, opinions, perspectives and backgrounds, as well as the benefits of ethnic, gender and national diversity. The current composition of our board reflects the importance of diversity to the board:

Director Nominees**Ethnic, gender and national diversity****Board of Directors and Committee Evaluations**

Our board of directors and each of our committees conduct an annual evaluation, which includes a qualitative assessment by each director of the performance of the board and the committee or committees on which the director sits. The board also conducts an annual peer review, which is designed to assess individual director performance. The evaluations and peer review are conducted via oral interviews by a third party legal advisor selected by the board, using as the basis for discussion a list of questions that are provided to each director in advance. The results of the evaluation and any recommendations for improvement are compiled in a confidential written report, which is circulated to all directors and which is discussed with the Nominating and Corporate Governance Committee and the board. The Nominating and Corporate Governance Committee oversees the evaluation process.

Limitation on Other Board and Audit Committee Service

Set forth below are limitations on board and audit committee service provided for by our Corporate Governance Guidelines. Exceptions to the limits below may be granted by the Nominating and Corporate Governance Committee on a case-by-case basis after taking into consideration the facts and circumstances of the exception request.

Director Category	Limit on publicly-traded board and committee service, including Visa
All directors	5 boards
Directors who are CEOs	3 boards
Directors who serve on Audit and Risk Committee	3 audit committees

Table of Contents

The Guidelines provide that prior to accepting an invitation to serve on the board or audit committee of another publicly-traded company, a director should advise the Chair of the board and the Nominating and Corporate Governance Committee of the invitation so that the board, through the Nominating and Corporate Governance Committee, has the opportunity to review the director's ability to continue to fulfill his or her responsibilities as a member of the Company's board or Audit and Risk Committee. When reviewing such a request, the Nominating and Corporate Governance Committee may consider a number of factors, including the director's other time commitments, record of attendance at board and committee meetings, potential conflicts of interest and other legal considerations, and the impact of the proposed directorship or audit committee service on the director's availability.

Political Participation, Lobbying and Contributions Policy

In order to provide greater transparency to our stockholders regarding our political giving and to facilitate board-level oversight of our political participation, lobbying and contributions, the Nominating and Corporate Governance Committee of our board of directors has adopted and publicly disclosed a Political Participation, Lobbying and Contributions Policy. The Policy prohibits our directors, officers and employees from using Company resources to promote their personal political views, causes or candidates, and specifies that the Company will not directly or indirectly reimburse any personal political contributions or expenses. Directors, officers and employees also may not lobby government officials on the Company's behalf absent the pre-approval of the Company's Government Relations department. As such, our lobbying and political spending seek to promote the interests of the Company and its stockholders, and not the personal political preferences of our directors or executives.

Under the Policy, the Nominating and Corporate Governance Committee must pre-approve the use of corporate funds for political contributions, including contributions made to trade associations to support targeted political campaigns and contributions to organizations registered under Section 527 of the U.S. Internal Revenue Code to support political activities. The Policy also requires us to prepare and present to the Nominating and Corporate Governance Committee an annual report itemizing our political contributions and to disclose this report to the public. A copy of the report is available on our website at <http://usa.visa.com/corporate-responsibility> under Operating Responsibly.

The Policy further requires the Company to make reasonable efforts to obtain from U.S. trade associations whose annual membership dues exceed \$25,000 the portion of such dues that are used for political contributions. This information must then be included in the annual contributions report prior to posting on our website. In addition, the Nominating and Corporate Governance Committee approved amendments to the Policy requiring us to prepare and present to the Nominating and Corporate Governance Committee an annual report itemizing our lobbying expenditures, which must include information regarding any memberships in and payments to tax exempt organizations that write and endorse model legislation.

The Nominating and Corporate Governance Committee will continue to review the Policy each year to determine if further amendments are needed. To obtain a copy of the Policy, and for additional information regarding our political activities, please visit our website at <http://usa.visa.com/corporate-responsibility> under Operating Responsibility.

Table of Contents**COMPENSATION OF NON-EMPLOYEE DIRECTORS**

We compensate non-employee directors for their service on the board in a combination of cash and equity awards, the amounts of which are commensurate with their role and involvement, and consistent with peer company practices. In setting director compensation, we consider the significant amount of time our directors will expend in fulfilling their duties as well as the skill level required of members of our board. Mr. Scharf, who is our Chief Executive Officer, did not receive additional compensation for his service as a director.

The Compensation Committee, which is comprised solely of independent directors, has the primary responsibility for reviewing and considering any revisions to our director compensation program. In fiscal year 2015, the Compensation Committee undertook its annual review of the type and form of compensation paid to our non-employee directors in connection with their service on the board of directors and its committees. The Compensation Committee considered the results of an independent analysis completed by Cook & Co. As part of this analysis, Cook & Co. reviewed non-employee director compensation trends and data from companies comprising our executive compensation peer group. After consultation with Cook & Co. based on this review process, the Compensation Committee made certain modest increases to the non-employee director compensation for fiscal year 2015. This was the first increase in non-employee director compensation since 2011. In addition, effective for calendar year 2015, directors may defer the payment of all or a portion of the cash retainer payments as well as defer settlement of all or a portion of their equity grants awarded in and after November 2014. There have been no other changes to our non-employee director compensation program for fiscal year 2015.

Annual Retainers Paid in Cash

Each non-employee director receives an annual cash retainer for his or her service on the board of directors, as well as additional cash retainers if he or she serves as the independent Chair, on a committee or as the chair of a committee. The following table lists the cash retainer amounts in effect during fiscal year 2015, and those in effect prior to the increase.

	Amount of Retainer	Amount of Retainer
Type of Retainer	(FY 2015)	(FY 2014)
Annual Board Membership	\$105,000	\$100,000
Independent Chair	\$165,000	\$150,000
Audit and Risk Committee Membership	\$20,000	\$10,000
Compensation Committee Membership	\$10,000	\$10,000
Nominating and Corporate Governance Committee Membership	\$10,000	\$5,000
Audit and Risk Committee Chair	\$25,000	\$25,000
	(in addition to member retainer)	(in addition to member retainer)
	\$20,000	\$20,000

	\$15,000	\$15,000
Nominating and Corporate Governance Committee Chair		
	(in addition to member retainer)	(in addition to member retainer)

All cash retainers are paid in quarterly installments throughout the year unless a director elected to defer the payment. Directors are also reimbursed for customary expenses incurred while attending meetings of the board of directors and its committees.

Table of Contents**Equity Compensation**

Each non-employee director also receives an annual equity grant. In fiscal year 2015, a grant with a value of \$180,000 was awarded to each non-employee director on November 19, 2014, an increase from \$175,000 for fiscal year 2014. Grants to all non-employee directors were made in the form of restricted stock units, which vest on the first anniversary of the grant dates but may be accelerated upon completion of service on the board of directors or in other limited circumstances. Directors may elect to defer settlement of all or a portion of their equity grants.

Stock Ownership Guidelines

The stock ownership guidelines for our non-employee directors specify that each director should own shares of our common stock equal to five times the annual board membership retainer. Equity interests that count toward the satisfaction of the ownership guidelines include shares owned outright by the director, shares jointly owned and restricted shares and restricted stock units payable in shares. Directors have five years from the date they become a member of the board to attain these ownership levels. Each non-employee director with at least five years of service currently meets or exceeds the ownership guidelines. We also have an insider trading policy which, among other things, prohibits directors from hedging the economic risk of their stock ownership or pledging their shares.

Charitable Matching Gift Program

Our non-employee directors may participate in our Board Charitable Matching Gift Program. Under this program, Visa will match contributions to eligible non-profit organizations, up to a maximum of \$15,000 per director per calendar year.

(3) Amounts include the matching contributions we made on behalf of our directors for fiscal year 2015 pursuant to our Board Charitable Matching Gift Program. (4) Mr. Carney was appointed to the board effective June 11, 2015. Accordingly, he received prorated compensation under the director compensation policies described above.

PROPOSAL 1 ELECTION OF DIRECTORS

At the Annual Meeting, our Class A stockholders will be asked to consider eleven nominees for election to our board of directors. Each nominee elected as a director will serve for a one-year term until the 2017 annual meeting of stockholders, his or her successor has been duly elected and qualified, or his or her resignation, retirement, disqualification or removal.

The names of the eleven nominees for director, their current positions and offices, ages, and board committee memberships are set forth under the heading *Director Nominee Biographies*. All of the nominees, with the exception of Mr. Carney, are current Visa directors who were elected by our stockholders at the 2015 Annual Meeting of Stockholders. Mr. Carney was elected by the board of directors to serve as a director effective June 11, 2015, until the 2016 Annual Meeting of Stockholders. Mr. Carney was recommended to the Nominating and Corporate Governance Committee after an extensive and careful search was conducted by an executive search firm, and numerous candidates were considered. The Nominating and Corporate Governance Committee retained this executive search firm to assist the board with identifying and evaluating director candidates. The primary functions served by the executive search firm included identifying potential candidates who meet the key attributes, experience and skills described under

Criteria for Nomination to the Board of Directors and Diversity above, as well as compiling information regarding each candidate's attributes, experience, skills and independence and conveying the information to the Nominating and Corporate Governance Committee. William S. Shanahan, who currently serves on the board of directors, is not being nominated for election at the 2016 Annual Meeting of Stockholders as Mr. Shanahan has met the retirement age specified in our Corporate Governance Guidelines. With the exception of Mr. Scharf, all of the nominees have been determined by our board to be independent.

Our Nominating and Corporate Governance Committee reviewed the qualifications of each of the nominees and recommended to our board of directors that each nominee be submitted to a vote of our stockholders at the Annual Meeting. The board unanimously approved the Nominating and Corporate Governance Committee's recommendation.

The board of directors expects each nominee to be able to serve if elected. If any director nominee is unable or unwilling to serve as a nominee at the time of the Annual Meeting, the persons named as proxies may vote for a substitute nominee chosen by the present board of directors to fill the vacancy. In the alternative, the proxies may vote just for the remaining nominees, leaving a vacancy that may be filled at a later date by the board of directors, or the board of directors may reduce the size of the board.

**THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE FOR ALL
NOMINEES TO SERVE AS DIRECTORS.**

Principles of our Compensation Programs	
Pay for Performance	The key principle of our compensation philosophy is pay for performance.
Alignment with Stockholders Interests	We reward performance that meets or exceeds the performance goals that the Compensation Committee establishes with the objective of increasing stockholder value.

**Variation Based on
Performance**

We favor variable pay opportunities that are based on performance over fixed pay. The total compensation received by our named executive officers varies based on corporate and individual performance measured against annual and long-term goals.

[Table of Contents](#)

Highlights of our Compensation Programs

WHAT WE DO

Pay for Performance: A significant portion of each named executive officer's target annual compensation is tied to corporate and individual performance.

Annual Say-on-Pay Vote: We conduct an annual Say-on-Pay advisory vote. At our 2015 Annual Meeting of Stockholders, more than 96% of the votes cast on the Say-on-Pay proposal were in favor of the fiscal year 2014 compensation of our named executive officers. Similarly, at our 2014 Annual Meeting of Stockholders, more than 97% of the votes cast on the Say-on-Pay proposal were in favor of the fiscal year 2013 compensation of our named executive officers.

Clawback Policy: Our Clawback Policy allows the board of directors to recoup any excess incentive compensation paid to our executive officers if the financial results on which the awards were based are materially restated due to fraud, intentional misconduct or gross negligence of the executive officer.

Short-Term and Long-Term Incentives/Measures: Our annual and long-term plans provide a balance of incentives and include different measures of performance.

Independent Compensation Consultant: The Compensation Committee engages an independent compensation consultant, who does not provide services to management.

Stock Ownership Guidelines: To further align the interests of management and our directors with our stockholders, we have significant stock ownership guidelines, which require our executive officers and directors to hold a multiple of their annual compensation in equity.

Limited Perquisites and Related Tax Gross-Ups: We provide limited perquisites and no tax gross-ups except on business-related relocation expenses and tax equalization for employees on expatriate assignments, as provided in our relocation and tax equalization policies or in the offer letters for our Chief Executive Officer, President and Chief Financial Officer.

Double-Trigger Severance Arrangements: Our Executive Severance Plan and equity award agreements generally require a qualifying termination of employment in addition to a change of control before change of control benefits or accelerated equity vesting are triggered.

Mitigate Inappropriate Risk Taking: In addition to our clawback policy, stock ownership guidelines and prohibition of hedging and pledging, we structure our compensation programs so that they minimize inappropriate risk taking by our executive officers and other employees, including using multiple performance metrics and multi-year performance periods and capping our annual incentive plan and performance share awards.

WHAT WE DON'T DO

Gross-ups for Excise Taxes: Our Executive Severance Plan does not contain a gross-up for excise taxes that may be imposed as a result of severance or other payments deemed made in connection with a change of control.

Reprice Stock Options: Our equity incentive plan prohibits the repricing of stock options and stock appreciation rights without prior stockholder approval.

Fixed Term Employment Agreements: Employment of our executive officers is at will and may be terminated by either the Company or the employee at any time.

Hedging and Pledging: Our insider trading policy prohibits all employees and directors from hedging their economic interest in the Visa shares they hold.

Table of Contents**Fiscal Year 2015 Financial Highlights**

Visa delivered another year of strong financial results in fiscal year 2015. The following table summarizes our key financial results for fiscal years 2015 and 2014. Please see the section entitled *Management's Discussion and Analysis of Financial Condition and Results of Operations* in our Annual Report on Form 10-K for a more detailed discussion of our fiscal year 2015 financial results. In addition, Visa's total shareholder return for fiscal year 2015 reflected a 31.5% increase in shareholder value.

	Fiscal Year 2015	Fiscal Year 2014	Change (%)
Net Revenue Growth, as reported	9% ⁽²⁾	8% ⁽²⁾	n/a
Net Income, as adjusted ⁽¹⁾ (in millions, except percentage)	\$6,438	\$5,721	13% ⁽²⁾
Earnings Per Share, as adjusted ⁽¹⁾	\$2.62	\$2.27	16% ⁽²⁾

(1) Fiscal year 2015 adjusted net income and earnings per share reflect as reported results in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP), adjusted to exclude the impact of the revaluation of the Visa Europe put option. Fiscal year 2014 adjusted net income and earnings per share reflect U.S. GAAP as reported results, adjusted to exclude the impact of the interchange multidistrict litigation provision and related tax benefit. For supplemental financial data and corresponding reconciliation to U.S. GAAP see *Item 7 Management's Discussion and Analysis of Financial Condition and Results of Operations* in our Annual Report on Form 10-K for the fiscal year ended September 30, 2015 filed with the SEC on November 19, 2015. Non-GAAP adjusted measures should be viewed in addition to, and not as an alternative for, financial results prepared in accordance with U.S. GAAP. When making its determination of the net revenue, net income, and earnings per share metrics, which were used as goals for the annual incentive plan and for performance share awards, the Compensation Committee adjusted as reported results for the aforementioned Visa Europe put option revaluation, and net income earned by an entity acquired during fiscal year 2015, as described under the heading *Compensation Discussion and Analysis – Corporate Performance Measures and Results for Fiscal Year 2015 and Compensation Discussion and Analysis – Long-Term Incentive Awards Granted in Fiscal Year 2015*.

Note on Stock Split

On January 28, 2015, the Company's stockholders approved a four-for-one split of Visa's stock. All equity values and stock prices reflected have been adjusted to reflect the post-split values.

How Fiscal Year 2015 Named Executive Officer Compensation Is Tied to Company Performance

Our corporate performance was a key factor in our fiscal year 2015 named executive officer compensation program:

[Link to Company Performance](#)

For fiscal year 2015, 92% of our Chief Executive Officer's target compensation was performance-based and 87% of the average of our other named executive officers' target compensation was performance-based.

Utilize Long and Short Term Awards

Each named executive officer's performance-based compensation is comprised of an annual cash incentive award and long-term equity-based incentives consisting of performance shares, restricted stock awards/units, and stock options. For the annual cash incentive, the target award is established at the beginning of the fiscal year and the actual award is adjusted based on performance against pre-established goals. Performance shares provide the opportunity for shares to be earned at the end of the three-year performance period if pre-established financial goals are met. Time-based stock options and restricted stock awards/units will provide value based on the Company's stock price performance.

Table of Contents

Focus on Corporate Performance Metrics

For fiscal year 2015, Net Income and Net Revenue Growth were the key metrics for our annual cash incentive awards. These metrics were adjusted when determining the annual cash incentive awards as described under the heading *Compensation Discussion and Analysis – Corporate Performance Measures and Results for Fiscal Year 2015*. In this proxy statement, we refer to these metrics as Net Income – VIP adjusted and Net Revenue Growth – VIP adjusted. Actual performance for Net Income – VIP adjusted and Net Revenue Growth – VIP adjusted, were above target which resulted in the corporate performance portion of the annual incentive award paying out at 132.4% of target.

EPS and relative Total Shareholder Return (TSR), were established as performance metrics for our performance share awards. The final number of shares earned pursuant to a performance share award is dependent on the average EPS result over the three separate years applicable to the particular performance share award and the relative TSR for the three-year period. As described under the heading *Compensation Discussion and Analysis – Long-Term Incentive Awards Granted in Fiscal Year 2015*, the Compensation Committee adjusted the fiscal year 2015 EPS when determining applicable performance share results. In this proxy statement, we refer to this metric as EPS – PS adjusted. Our fiscal year 2015 EPS – PS adjusted, was above target, resulting in a performance factor of 121.0% for the relevant portion of the award.

The performance shares previously awarded on November 19, 2012 completed their three-year performance period following the 2015 fiscal year-end. Performance shares earned pursuant to this award were based on EPS – PS adjusted, for fiscal years 2013, 2014 and 2015 and three-year relative TSR (measured against the S&P 500). As described under the heading *Compensation Discussion and Analysis – Determination of Shares Earned for Performance Shares Previously Awarded on November 19, 2012* both metrics were above target and the performance shares earned equated to 167.9% of the target share award.

Say-on-Pay

At the 2015 Annual Meeting of Stockholders, more than 96% of the votes cast on the Company’s annual Say-on-Pay proposal supported our named executive officer compensation program. We believe these results represent strong investor support of our overall compensation philosophy and decisions for fiscal year 2014. Accordingly, the Compensation Committee did not make any material changes to the underlying structure of our executive compensation program for fiscal year 2015. Nevertheless, the Compensation Committee regularly reviews and adjusts the program to ensure it remains competitive and aligned with our stockholders’ interests.

Table of Contents

Setting Executive Compensation

Compensation Committee and Management

Our Compensation Committee, which is composed of four independent directors, is responsible for establishing and reviewing the overall compensation philosophy and program for our named executive officers.

Setting Performance Goals

Before the end of each fiscal year, the Compensation Committee begins its review of our compensation program, including determining if our compensation levels are competitive with our peer companies and if any changes should be made to the program for the next fiscal year.

At the beginning of each fiscal year, the Compensation Committee determines the principal components of compensation for the named executive officers for that fiscal year and sets the performance goals for each corporate performance-based compensation component.

The Chief Executive Officer sets individual performance goals, designed to drive our corporate goals, for each of the other named executive officers, which are reviewed by the Compensation Committee. The Compensation Committee then meets regularly throughout the year, with management and in executive session, and reviews the Company's performance to date against the corporate performance goals.

As discussed in detail under the heading *Risk Assessment of Compensation Programs*, when establishing the annual compensation program for our named executive officers, the Compensation Committee takes into consideration the potential risks associated with the program and structures it to provide appropriate incentives without encouraging excessive risk taking.

Making Compensation Determinations

After the end of the fiscal year, the Compensation Committee conducts a multi-part review of each named executive officer and the Company performance for the preceding fiscal year measured against the

pre-established performance goals and makes annual compensation determinations. The Compensation Committee's objective is to ensure that the level of compensation is consistent with the level of corporate and individual performance delivered.

As part of the annual compensation review process, our Chief Executive Officer reviews the performance of each named executive officer (other than his own performance, which is reviewed by the Compensation Committee) relative to the individual annual performance goals established for the fiscal year. Our Chief Executive Officer then presents his compensation recommendations to the Compensation Committee based on his review.

The Compensation Committee exercises discretion in modifying any compensation recommendations relating to named executive officers that were made by our Chief Executive Officer and approves all compensation decisions for our named executive officers.

In connection with his own performance review, the Chief Executive Officer prepares a self-assessment, which with assistance from a third-party is presented to and discussed by the Compensation Committee and the independent directors. When making compensation decisions for our Chief Executive Officer and other named executive officers, the Compensation Committee considers the views of the independent directors.

Table of Contents

Role of Independent Consultant

Our Compensation Committee has the sole authority to retain and replace, as necessary, compensation consultants to provide it with independent advice. The Compensation Committee has engaged Cook & Co. as its independent consultant to advise it on executive and non-employee director compensation matters. This selection was made without the input or influence of management. Under the terms of its agreement with the Compensation Committee, Cook & Co. will not provide any other services to the Company, unless directed to do so by the Compensation Committee. During fiscal year 2015, Cook & Co. provided no services to the Company other than to advise the Compensation Committee on executive and non-employee director compensation issues. In addition, at the start of fiscal year 2016, the Compensation Committee conducted a formal evaluation of the independence of Cook & Co. and, based on this review, did not identify any conflict of interest raised by the work Cook & Co. performed in fiscal year 2015. When conducting this evaluation, the Compensation Committee took into consideration the factors set forth in Exchange Act Rule 10C-1 and the NYSE's listing standards.

Compensation Philosophy and Objectives

Our Philosophy

We maintain compensation plans that tie a substantial portion of our named executive officers' overall target annual compensation to the achievement of our corporate performance goals. The Compensation Committee employs multiple performance measures and strives to award an appropriate mix of annual and long-term equity incentives to avoid overweighting short-term objectives.

CEO Compensation Mix

Other NEO Compensation Mix

Peer Group

As part of its annual compensation review process, the Compensation Committee reviewed with Cook & Co. an analysis of our fiscal year 2015 executive compensation program, including the aggregate level of total compensation and the combination of elements used to compensate our named executive officers. It then compared the compensation of our named executive officers to the compensation of similarly situated named executive officers of other companies. In particular, the Compensation Committee reviewed compensation levels of our compensation peer group as a reference point of competitive compensation levels. The review was based on public information and data from Towers Watson's 2015 Executive Compensation Survey regarding compensation paid by publicly-traded peer companies of similar size and focus, including financial services, processing/data services and technology companies, which we refer to, collectively, as our compensation peer group.

Table of Contents

Our Compensation Committee used the criteria set forth in the following table to objectively identify companies for inclusion in our compensation peer group for fiscal year 2015:

Criteria	Rationale
Industry	We compete for talent with companies in: the Financial Services industry; the Processing/Data Services industry; and the Technology industry
Geography	We have extensive global operations so we identify companies as peers that have a broad international presence
Financial Scope	Our named executive officer team should be similar to senior managers at companies that have comparable financial characteristics, including revenues, market capitalization and total assets

Based on these criteria, the Compensation Committee selected the companies listed in the following table as the compensation peer group for fiscal year 2015:

	Financial Services	Processing/Data Services	Technology
Peers	American Express Company	Automatic Data Processing, Inc.	EMC Corporation
	Bank of New York Mellon Corporation	Discover Financial Services	Google Inc.
	Capital One Financial Corporation	eBay Inc.	Oracle Corporation
	The Charles Schwab Corporation	MasterCard Incorporated	Yahoo! Inc.
	Franklin Resources, Inc.		
	PNC Financial Services Group		
	State Street Corporation		
	U.S. Bancorp		

Prior to April 2015, our compensation peer group was selected from companies with between \$24 billion and \$600 billion in market capitalization and revenues of up to \$60 billion. This peer group was used as a reference when the Compensation Committee reviewed compensation at the beginning of fiscal year 2015. In April 2015, the Compensation Committee reviewed the companies comprising our compensation peer group and changed this criteria to companies with between \$28 billion and \$700 billion in market capitalization and revenues of up to \$65 billion. The change is due to our growth and not to any change in the objective criteria we use to select our peer group. As a result of this change, Intuit Inc., BB&T Corporation and CME Group were removed from, and EMC Corporation was added to, our peer group. Accordingly, only peers listed in the table above were considered by the Compensation Committee when it made its compensation decisions at the end of fiscal year 2015.

Competitive Positioning

In order to attract and retain key executives, we target total compensation for our named executive officers by reference to the range of compensation paid to similarly situated executive officers of our compensation peer group. This includes salary, annual incentive targets and long-term incentive targets. The actual level of our named executive officers' total direct compensation is determined based on both individual and corporate performance and can vary based on such factors as expertise, performance or advancement potential.

Internal Equity and Tally Sheets

As part of its annual compensation review process, the Compensation Committee compares our named executive officers' target annual compensation levels to ensure they are internally equitable. The Compensation Committee also regularly reviews tally sheets for each named executive officer to ensure that it is considering a complete assessment of all compensation and benefits. The tally sheets include each named executive officer's wealth accumulation, which is comprised of the aggregate amount of equity awards and other compensation values accumulated by each named executive officer, and potential payments upon termination or a change of control.

Components of Executive Compensation

The table below summarizes the core components of our named executive officers' compensation, the type of pay and key characteristics of each component, and the intended purpose of paying each compensation element.

The table below reflects the above components for each named executive officer for fiscal year 2015. As the long-term incentive awards for fiscal year 2015 set forth in the following table were awarded after the end of the fiscal year, they are discussed under the heading *Fiscal Year 2016 Compensation – Long-Term Incentive Compensation*. The equity awards discussed under the heading *Fiscal Year 2015 Compensation – Long-Term Incentive Compensation* refer to the equity awards made on November 19, 2014, during fiscal year 2015.

Fiscal Year 2015 Compensation

Base Salary

When setting our named executive officers' base salaries, the Compensation Committee generally targets the range of compensation paid to similarly situated executive officers of our compensation peer group. The Compensation Committee may set salaries above or below the median amount based on considerations including the expertise, performance or advancement potential of each named executive officer. The base salary levels of our named executive officers typically are considered annually as part of our performance review process, and upon a named executive officer's promotion or other change in job responsibilities.

During its annual review of the base salaries of our named executive officers for fiscal year 2015, the Compensation Committee considered:

market data of our compensation peer group;

an internal review of each named executive officer's compensation, both individually and relative to other named executive officers; and

the individual performance of each named executive officer.

Based on this review, the Compensation Committee decided that it was appropriate to increase Mr. Scharf's base salary from \$950,000 to \$1,000,000 and Ms. Richey's base salary from \$575,000 to \$600,000. No other changes were made to base salaries for fiscal year 2015.

Annual Incentive Plan

Incentive Plan Target Percentage. During fiscal year 2015, each of our named executive officers was eligible to earn an annual cash incentive award under the Visa Inc. Incentive Plan, or VIP, which is referred to as the annual incentive plan. Each named executive officer's potential award was expressed as a percentage of his or her base salary, including

threshold, target and maximum percentages. After the end of the fiscal year, the Compensation Committee determined the amount of each named executive officer's actual annual incentive award based upon the achievement of a combination of pre-determined corporate and individual goals.

Corporate Goals and Individual Goals. In November 2014, the Compensation Committee established for fiscal year 2015 threshold corporate performance targets under the VIP based on Net Income and Net Revenue Growth, each as adjusted by the Compensation Committee. Either of these metrics had to be met or exceeded before annual incentive awards would be made to our named executive officers for fiscal year 2015. This further aligns our annual incentive plan program with stockholders' interests by ensuring that no incentive payment is made unless a certain level of corporate performance is achieved. Once either of the threshold corporate performance targets is met or exceeded, each named executive officer becomes eligible to receive up to his or her maximum potential annual incentive award. When making final payout determinations the Compensation

Committee may exercise negative discretion to award less than the maximum potential award based on the attainment of the pre-determined corporate performance measures and individual performance goals to determine each named executive officer's actual annual incentive award amount. This process is intended to permit the entire amount of the annual incentive award to be considered performance-based and tax deductible under Section 162(m) of the Internal Revenue Code.

For the fiscal year 2015 annual incentive award to our Chief Executive Officer, the Compensation Committee established that, assuming the achievement of at least one of the threshold corporate performance targets, 80% of the award was dependent on the achievement of corporate performance measures and 20% was dependent on the achievement of individual performance goals. For our other named executive officers, 70% of their annual incentive awards were based on the achievement of corporate performance measures and the remaining 30% was based on achievement of individual performance goals. These weightings reflect that each of the named executive officers shares the primary goals and objectives of the overall Company, while recognizing the importance of motivating the named executive officers to achieve goals that increase the value of the Company but relate solely to the individual's specific area of responsibility. These weightings also allow the Compensation Committee to further differentiate compensation between the named executive officers based on their individual performance.

The threshold corporate performance targets for fiscal year 2015 were Net Income – VIP adjusted, of \$3,168 million and Net Revenue Growth – VIP adjusted, of 4.25%. As the threshold corporate performance levels for both metrics were achieved, fiscal year 2015 annual incentive payments were then based on a combination of corporate and individual performance as described below.

Corporate Performance Measures and Results for Fiscal Year 2015

The Compensation Committee approved the corporate performance weightings, targets and metrics for fiscal year 2015 displayed in the table below. The Compensation Committee selected the Net Income and Net Revenue Growth performance measures because they are important indicators of increased stockholder value. The Compensation Committee also approved 50%, 100% and 200% payouts as a percentage of each named executive officer's target annual bonus at the threshold, target, and maximum levels of performance, respectively.

The specific performance goals for each of threshold, target, and maximum level achievement, as well as the actual level of performance achieved for fiscal year 2015, are displayed in the following table (in millions, except percentages):

						Payout as %
Metric	Weighting	Threshold	Target	Maximum	Result	of Target
Net Income – VIP adjusted						
	70%	\$5,892	\$6,336	\$6,780	\$6,445	124.7%
Net Revenue Growth – VIP adjusted						
	30%	6.3%	8.5%	10.0%	9.3%	<u>150.3%</u>
Weighted Result						132.4%

For purposes of the annual incentive plan payout percentage in fiscal year 2015, our Net Income – VIP adjusted, of \$6,445 million was determined by excluding the aforementioned revaluation of the Visa Europe put option as described in footnote 1 to the table under the heading *Fiscal Year 2015 Financial Highlights* from our reported U.S. GAAP Net Income, as well as net income earned by an entity acquired during fiscal year 2015. Interpolating this result between the target (100% payout) and maximum (200% payout) levels resulted in a payout percentage of 124.7% for this measure.

Our actual Net Revenue Growth – VIP adjusted, of 9.3% for fiscal year 2015 was determined as year-over-year growth in gross operating revenues net of incentives, excluding net revenues earned by an entity the Company acquired during fiscal year 2015. Interpolating this result between the minimum (50% payout) and target (100% payout) levels resulted in a payout percentage of 150.3% for this measure.

Table of Contents***Individual Performance Goals and Results for Fiscal Year 2015***

The fiscal year 2015 individual goals for each of our named executive officers, other than Mr. Prabhu and Mr. Pollitt, were set in January 2015. The Compensation Committee believes that our named executive officers' performance goals should support and help achieve the Company's strategic objectives and be tied to their areas of responsibility, as appropriate. Individual performance goals for the Chief Executive Officer were established with the oversight of the Compensation Committee. Individual performance goals for the other named executive officers were determined by the Chief Executive Officer and reviewed by the Compensation Committee.

After the end of the fiscal year, the Compensation Committee, based on each named executive officer's self-assessment and Mr. Scharf's input, reviewed each named executive officer's progress against his individual performance goals. Based on this assessment, a named executive officer could receive an award from 0% to 200% of the individual portion of his annual incentive award. When making its award determinations, the Compensation Committee did not assign a specific weighting to any of the individual goals, but instead reviewed each named executive officer's progress against his individual goals in the aggregate. The following is a summary description of the performance goal results for each of the named executive officers for fiscal year 2015.

The Compensation Committee did not set individual goals for fiscal year 2015 for either Mr. Pollitt or Mr. Prabhu. Mr. Pollitt was replaced by Mr. Prabhu as Executive Vice President and Chief Financial Officer on February 9, 2015, and retired from the Company on May 29, 2015. Because Mr. Prabhu joined the Company after the completion of the Compensation Committee's goal-setting process, his performance was based on his achievement of the following:

- Exceeded revenue growth and EPS growth, and improved effective tax rate efficiency
- Communicated Visa's strategies and outlook to key investors and followed up to evaluate success; and
- Evaluated and improved reporting of financial results and drivers to management and strengthened controllership function globally

Based on each named executive officer's performance in managing their function and the progress they made towards their individual goals as discussed above, or in Mr. Prabhu's case based on the achievements described above, the Compensation Committee, in its discretion, determined that each named executive officer made substantial progress and awarded the individual portion of each officer's annual incentive at the percentage of target displayed in the table below.

Name	Percentage of Target for individual portion
Charles W. Scharf	132%
Vasant Prabhu	132%

Table of Contents***Actual Annual Incentive Plan Awards for Fiscal Year 2015***

The actual payouts under our annual incentive plan are computed based on the actual individual and corporate performance, as outlined above, under our annual incentive plan for fiscal year 2015. The fiscal year 2015 annual cash incentive award payments are included in the Non-Equity Incentive Plan Compensation column of the *Summary Compensation Table for Fiscal Year 2015*, and are set forth below:

Long-Term Incentive Compensation

The Visa Inc. 2007 Equity Incentive Compensation Plan, which we refer to as the equity incentive plan, is intended to promote our long-term success and increase stockholder value by attracting, motivating and retaining our non-employee directors, officers, and employees. Additionally, to better tie our executive officers' long-term interests with those of our stockholders, the equity incentive plan does not allow the repricing of stock grants once they are awarded, without prior stockholder approval.

The Compensation Committee administers the equity incentive plan with respect to our named executive officers and determines, in its discretion and in accordance with the terms of the equity incentive plan, the recipients who may be

granted awards, the form and amount of awards, the terms and conditions of awards (including vesting and forfeiture conditions), the timing of awards, and the form and content of award agreements.

Table of Contents

Long-Term Incentive Awards Granted in Fiscal Year 2015

In determining the types and amounts of equity awards to be granted to our named executive officers in fiscal year 2015, the Compensation Committee considered the practices of companies in our compensation peer group, the actual compensation levels of similarly situated executive officers of companies in our compensation peer group, corporate and individual performance during fiscal year 2014, recommendations from our Chief Executive Officer (for awards to the named executive officers other than himself) and each named executive officer's total compensation. The Compensation Committee also considered the incentives provided by different award types, including increasing stockholder value; avoiding excessive risk taking; and encouraging employee retention.

Based on the above considerations, as illustrated below, the Compensation Committee awarded equity to our named executive officers during the first quarter of fiscal year 2015 composed of approximately 25% stock options, 25% restricted stock or restricted stock units (for those that would meet the definition of retirement in the equity grant agreements during the vesting period), and 50% performance shares. The Compensation Committee concluded that this mix represented an appropriate balance between the incentives provided by each of these award types.

Table of Contents

The following table displays the total combined value of equity awards approved by the Compensation Committee for our named executive officers in fiscal year 2015, and the award value broken down by component. The equity award made to Mr. Prabhu is discussed under the heading *Employment Arrangements and Potential Payments upon Termination or Change of Control* Offer Letters with Charles W. Scharf, Vasant M. Prabhu, Ryan McInerney and Rajat Taneja.

Components of Total Combined Equity Awards During FY 2015				
Total	Value of Performance Shares at Target	Combined Value of Equity Awards	Value of Stock Options	Value of Restricted Stock/Units
		(\$)	(\$)	(\$) ⁽¹⁾
				(\$) ⁽²⁾
Charles W. Scharf		9,000,000	2,250,000	2,250,000
Ryan McInerney		3,713,000	928,250	928,250
Rajat Taneja ⁽³⁾		3,488,000	872,000	872,000
Ellen Richey		1,795,000	448,750	448,750
Byron Pollitt		2,835,000	708,750	708,750

(1) Because they would meet the definition of retirement in the equity grant agreements during the vesting period, Mr. Pollitt and Ms. Richey received restricted stock units and each of the other named executive officers received restricted stock.

(2) As the aggregate grant date fair values of the performance shares displayed in the *Summary Compensation Table for Fiscal Year 2015* and the *Grants of Plan-Based Awards in Fiscal Year 2015 Table* later in this proxy statement are computed in accordance with stock-based accounting rules and will be displayed in multiple years, the values in those tables differ from the value displayed in the table above.

(3) Mr. Taneja's equity award was prorated to reflect his partial year of service during fiscal year 2014.

The dollar value of the equity awards in the table above were converted to a specific number of options, restricted stock, or restricted stock units on the November 19, 2014 grant date, based on the fair market value of our Class A common stock on that date and the Black-Scholes value of stock options. The value displayed for performance shares reflects the target value of the award. The stock options and restricted stock/units vest in three substantially equal annual installments beginning on the first anniversary of the date of grant.

For the portion of the award granted as performance shares, the target number of shares is determined at the beginning of a three-year performance period and the number of shares earned at the end of the three-year period will range from zero to 200% of the target number of shares depending on our corporate performance, as measured by: (i) the annual EPS goal established for each fiscal year; and (ii) an overall modifier based on Visa's TSR ranked among S&P 500 companies, or TSR Rank, over the three-year performance period. The TSR Rank modifier will lower compensation to our named executive officers for periods when our stockholders' value increase is below the median of the companies comprising the S&P 500 and will enhance our named executive officers' compensation for periods when our stockholders' value increase exceeds the median of the companies comprising the S&P 500. The total number of shares that may be earned at the end of the three-year period is capped at 200% of the target number of shares.

One-third of the target performance shares awarded on November 19, 2014 were tied to the fiscal year 2015 EPS goal that the Compensation Committee established within the first ninety days of fiscal year 2015. The remaining two-thirds of the target shares awarded are tied to the EPS goals for each of fiscal years 2016 and 2017, which will be set by the Compensation Committee within the first ninety days of the respective fiscal year. The actual EPS result will be used to determine the percentage of target shares credited from each of the three award segments. At the end of fiscal year 2015, the Compensation Committee reviewed our EPS — PS adjusted, of \$2.63 which was determined by excluding: (i) the revaluation of the Visa Europe put option as described in footnote 1 to the table under the heading *Fiscal Year 2015 Financial Highlights* from our reported U.S. GAAP Net

Table of Contents

Income, (ii) net income earned by an entity the Company acquired during fiscal year 2015; and (iii) the impact of lower share repurchases made during the period than the minimum level planned. The Compensation Committee determined that the final EPS result PS adjusted, of \$2.63 exceeded the target EPS goal of \$2.59 for fiscal year 2015. Using the unrounded result to interpolate between target (100%) and maximum (200%) yielded a result of 121.0% for fiscal year 2015.

At the completion of the entire three-year performance period in November 2017, the shares credited from the above EPS calculations for the three fiscal years will be totaled and the overall number of shares will be modified based on Visa's TSR Rank for the full three-year period. This TSR Rank modification may increase or decrease the final number of shares earned by a maximum of 25% (see chart below); however, the final number of shares earned at the end of the three year period, after the modification is applied, is capped at 200% of the initial target number.

	Threshold	Target	Maximum
	Performance	Performance	Performance
Modifying Metric	75%	100%	125%
3 Year TSR Rank vs. S&P 500	25 th Percentile or below	50 th Percentile ⁽¹⁾	75 th Percentile or Above

- (1) Results between the 25th percentile and the 50th percentile and between the 50th percentile and the 75th percentile are interpolated between 75% and 100% or 100% and 125%, respectively.

The EPS goal for fiscal year 2015 and actual EPS results discussed above also apply to the third portion of the performance shares previously awarded to our named executive officers on November 19, 2012 and the second portion of the performance shares previously awarded to our named executive officers on November 19, 2013 (see illustration below).

Consistent with Financial Standards Accounting Board ASC Topic 718, the value of the performance share awards for fiscal year 2015 included in the Stock Awards column of the *Summary Compensation Table for Fiscal Year 2015* later in this proxy statement represents the third segment of the award made on November 19, 2012, the second segment of the award made on November 19, 2013 and the first segment of the award made on November 19, 2014.

Table of Contents***Determination of Shares Earned for Performance Shares Previously Awarded on November 19, 2012***

The performance shares previously awarded to certain of the named executive officers on November 19, 2012 completed their three year performance period following fiscal year 2015. As a result, the final number of shares earned pursuant to those awards based on the Company's actual results over the three year period was determined and certified by the Compensation Committee in November 2015. As illustrated below, based on the annual EPS results for fiscal years 2013, 2014 and 2015, and our TSR Rank over the three-year period, the performance shares earned equated to 167.9% of the target award established on November 19, 2012.

	Threshold	Target	Maximum	Result	EPS Result as %
Primary Metric	(\$)	(\$)	(\$)	(\$)	of Target ⁽¹⁾
Fiscal Year 2013 EPS	1.70	1.83	1.96	1.90	152.9% of Target

				Final Payout Result
				as a % of Target
Primary Metric Result	Times	Modifying Metric	Equals	(capped at 200%)
134.3%	x	125%	=	167.9%

Based on this Final Payout Result of 167.9%, on November 30, 2015 Ms. Richey and Mr. Pollitt earned shares equal to 167.9% of the target number of shares granted to each of them on November 12, 2012. As a result, Ms. Richey earned 38,039 shares versus her target of 22,656 shares and Mr. Pollitt earned 87,610 shares versus his target of 52,180 shares. Mr. Scharf, Mr. Prabhu, Mr. McInerney and Mr. Taneja did not receive performance share awards on November 19, 2012.

Other Equity Awards in Fiscal Year 2015

The Compensation Committee may award equity during the fiscal year to attract new executive officers and incent them to join Visa, or to retain or motivate our current executive officers. During fiscal year 2015, the Compensation Committee made special equity awards to Mr. Prabhu for this purpose.

In February 2015, Vasant M. Prabhu joined Visa as its Executive Vice President, Chief Financial Officer. Pursuant to the terms of his offer letter, which is described in the section entitled *Employment Arrangements and Potential*

Payments upon Termination or Change of Control Offer Letters with Charles W. Scharf, Vasant M. Prabhu, Ryan McInerney and Rajat Taneja, on February 9, 2015, Mr. Prabhu received a one-time make-whole equity award structured in value and vesting to replicate compensation that he forfeited by leaving his former employer to join Visa. The make-whole equity award had a value of approximately \$7,500,000 comprised of restricted shares with a grant date value of \$66.365, which converted into 113,012 shares. The shares subject to the make-whole award will vest in three substantially equal annual installments beginning on the first anniversary of the date of grant. Because the grant of the make-whole equity award is a one-time event, it is not considered to be a part of Mr. Prabhu's ongoing target annual compensation.

Table of Contents

The aggregate grant date fair value of the awards to Mr. Prabhu computed in accordance with stock-based accounting rules is included in the *Summary Compensation Table for Fiscal Year 2015*.

Retirement and Other Benefits

Our benefit program is designed to be competitive and cost-effective. It is our objective to provide core benefits, including medical, retirement, life insurance, paid time off and leaves of absence, to all employees and to allow for supplementary non-core benefits to accommodate regulatory, cultural and practical differences in the various geographies in which we have operations.

We sponsor a tax-qualified defined benefit pension plan, which we refer to as the retirement plan, and a tax-qualified defined contribution 401(k) plan, which we refer to as the 401k plan, to provide market driven retirement benefits to all eligible employees in the United States. In addition to the tax-qualified retirement plan and the 401k plan, we maintained a non-qualified excess retirement benefit plan and a non-qualified excess 401k plan to make up for the limitations imposed on our tax-qualified plans by the Internal Revenue Code. New contributions to these non-qualified plans ceased effective February 1, 2014. We also sponsor an unfunded non-qualified deferred compensation plan, which we refer to as the deferred compensation plan, which allows executive officers and certain other highly compensated employees to defer a portion of their annual incentive awards and sign-on bonuses to help them with tax planning and to provide competitive benefits. For additional information on these plans, see the sections entitled *Executive Compensation – Pension Benefits Table for Fiscal Year 2015* and *Executive Compensation Non-qualified Deferred Compensation for Fiscal Year 2015*.

Perquisites and Other Personal Benefits

We provide limited perquisites and other personal benefits to facilitate the performance of our named executive officers' management responsibilities. For instance, we maintain a company car and driver which allows for additional security that are used primarily by the Chief Executive Officer for both business and personal use, as well as some business and limited personal use by other executive officers. From time to time, our named executive officers also may use the Company's tickets for sporting, cultural or other events for personal use rather than business purposes. If an incremental cost is incurred for such use, it is included in the *All Other Compensation* column of the *Summary Compensation Table for Fiscal Year 2015*.

In addition, we have a policy that allows for companion travel on business related flights on our corporate aircraft by the Chief Executive Officer, the President and other key employees, as approved by the Chief Executive Officer. It is our policy that named executive officers are responsible for all income taxes related to their personal usage of the corporate car or aircraft, as well as travel by their companions. Additionally, no named executive officer may use the corporate aircraft for exclusive personal use (not related to business) except under the terms and conditions outlined in the Company's aircraft time sharing agreement with the Chief Executive Officer, or under extraordinary circumstances with the advance approval of the Chief Executive Officer. Any personal use of the aircraft by our Chief Executive Officer pursuant to the aircraft time sharing agreement requires him to reimburse Visa an amount (as determined by the Company) equal to the lesser of: (i) the amount that would, absent reimbursement, be reportable with respect to the Chief Executive Officer in the *Summary Compensation Table* (which we refer to as the SEC Cost), or (ii) the expenses of operating such flight that may be charged pursuant to Federal Aviation Regulation Section 91.501(d) as in effect from time to time (which we refer to as the FAR Expenses). The Chief Executive Officer's personal use of the corporate aircraft is subject to an annual cap of \$500,000, as determined by the Company using the lesser of the SEC Cost and the FAR Expenses. As a result of this arrangement, in fiscal year 2015, the Chief Executive Officer's personal use of the aircraft resulted in minimal incremental cost to the Company. Please refer to the *All Other Compensation Table* for additional information about the other limited perquisites and personal benefits provided to

our named executive officers during fiscal year 2015.

Table of Contents**Severance**

We believe that it is appropriate to provide severance to an executive officer in certain circumstances. We do not provide for gross-ups for excise taxes that may be imposed for severance payments and, for payments payable upon a change of control, we generally require a qualifying termination of employment in addition to the change of control. Please see the section entitled *Employment Arrangements and Potential Payments upon Termination or Change of Control – Executive Severance Plan* for additional information.

Offer Letters with Charles W. Scharf, Vasant M. Prabhu, Ryan McInerney and Rajat Taneja

We executed offer letters with each of Mr. Scharf, Mr. Prabhu, Mr. McInerney and Mr. Taneja in connection with their employment by Visa. Please see the description of the offer letters in the section entitled *Employment Arrangements and Potential Payments upon Termination or Change of Control – Offer Letters with Charles W. Scharf, Vasant M. Prabhu, Ryan McInerney and Rajat Taneja*.

Fiscal Year 2016 Compensation**Long-Term Incentive Compensation**

On November 6, 2015, the Compensation Committee approved the annual equity awards for our named executive officers to be granted on November 19, 2015, using a combination of 25% stock options, 25% restricted stock or restricted stock units, and 50% performance shares. These are the same three equity vehicles and percentages used in prior years. For the performance shares awarded on November 19, 2015, the actual number of shares earned will be determined based on:

the annual EPS goal established for each of the three fiscal years in the performance period; and

an overall modifier based on our TSR Rank over the three-year performance period.

Consistent with prior fiscal years, the total combined value of each equity award was approved by the Compensation Committee after considering the practices of companies in our compensation peer group, the actual compensation levels of similarly situated executive officers of companies in our compensation peer group, corporate and individual performance during fiscal year 2015, recommendations from our Chief Executive Officer (for awards to the named executive officers other than himself) and each named executive officer's total compensation. The table below displays the total dollar value of the grants approved in November 2015 as well as the dollar value of each component.

	Total Value of Equity Awards (\$)	Value of Stock Options (\$)	Components Value of Restricted Stock Units (\$)	Value of Performance Shares (\$)

Ellen Richey	2,310,000	577,500	577,500	1,155,000

(1) Mr. Prabhu's equity award was prorated to reflect his partial year of service during fiscal year 2015.

Table of Contents**Visa Retirement Plan**

The employer provided credits under the cash balance plan formula described under *Visa Retirement Plan* later in this proxy statement will cease after December 31, 2015 and there will be no new participants after that date. Interest credits will continue to be provided on existing balances at the time of this freeze.

Other Equity Grant Practices and Policies**Stock Grant Practices**

The Compensation Committee has adopted an equity grant policy, which contains procedures to prevent stock option backdating or other grant timing issues. Under the equity grant policy, the Compensation Committee approves annual grants to executive officers and other members of the executive committee at a meeting to occur during the quarter following each fiscal year end. The board of directors delegated the authority to Mr. Scharf as the sole member of the stock committee to make annual awards to employees who are not members of the executive committee. The grant date for annual awards to all employees and non-employee directors has been established as November 19 of each year.

In addition to the annual grants, stock awards may be granted at other times during the year to new hires, employees receiving promotions, and in other special circumstances. The equity grant policy provides that only the Compensation Committee may make such off-cycle grants to named executive officers and other members of management's executive committee. The Compensation Committee has delegated the authority to the stock committee to make off-cycle grants to other employees, subject to guidelines established by the Compensation Committee. Any off-cycle awards approved by the stock committee or the Compensation Committee must be granted on the fourth business day after we publicly announce our earnings or on such other date determined by the stock committee, Compensation Committee or the board of directors.

For all newly issued stock option awards, the exercise price of the stock option award will be the closing price of our Class A common stock on the NYSE on the date of the grant. If the grant date for the annual awards falls on a weekend, the exercise price of stock option awards will be the closing price of our Class A common stock on the NYSE on the last trading day preceding the date of grant.

Stock Ownership Guidelines

The Compensation Committee maintains stock ownership guidelines for our executive officers as follows:

Officer	Stock Ownership Guidelines
Charles W. Scharf	6 x base salary

Equity interests that count toward the satisfaction of the ownership guidelines include shares owned outright by the named executive officer, shares jointly owned, restricted stock and restricted stock units payable in shares. Newly hired or promoted executives have five years from the date of the commencement of their appointment to attain these ownership levels. Each named executive officer currently meets or exceeds the applicable guideline set forth in the

table above. If an executive officer does not meet the applicable guideline by the end of the five-year period, the executive officer is required to hold a minimum of 50% of the net shares resulting from any future

vesting of restricted stock, restricted stock units, performance shares or exercise of stock options until the guideline is met. These guidelines reinforce the importance of aligning the interests of our executive officers with the interests of our stockholders and encourage our executive officers to consider the long-term perspective when managing the Company.

Hedging and Pledging Prohibition

As part of our insider trading policy, all employees, including our named executive officers, and non-employee directors are prohibited from engaging in short sales of our securities, establishing margin accounts or otherwise pledging or engaging in hedging transactions involving our securities.

Policy Regarding Clawback of Incentive Compensation

We have a Clawback Policy pursuant to which named executive officers and other key executive officers may be required to return incentive compensation paid to them if the financial results upon which the awards were based are materially restated due to fraud, intentional misconduct or gross negligence of the executive officer.

The Clawback Policy permits the board of directors to determine in its discretion if it will seek to recover applicable compensation, taking into account the following considerations as it deems appropriate:

- Whether the amount of any bonus or equity compensation paid or awarded during the covered time period, based on the achievement of specific performance targets, would have been reduced based on the restated financial results;

- The likelihood of success of recouping the compensation under governing law relative to the effort involved;

- Whether the recoupment may prejudice Visa's interest in any related proceeding or investigation;

- Whether the expense required to recoup the compensation is likely to exceed the amount to be recovered;

- The passage of time since the occurrence of the misconduct;

- Any pending legal action related to the misconduct;

- The tax consequences to the affected individual; and

- Any other factors the board of directors may deem appropriate under the circumstances.

Under the Clawback Policy, we can require reimbursement of all or a portion of any bonus, incentive payment, equity based award (including performance shares, restricted stock or restricted stock units and outstanding stock options), or other compensation to the fullest extent permitted by law. Recoupment or reimbursement may include compensation paid or awarded during the period covered by the restatement and applies to compensation awarded in periods occurring subsequent to the adoption of the Clawback Policy.

We believe our Clawback Policy is sufficiently broad to reduce the potential risk that an executive officer would intentionally misstate results in order to benefit under an incentive program and provides a right of recovery in the event that an executive officer took actions that, in hindsight, should not have been rewarded. In addition, appropriate language regarding the policy has been included in applicable documents and award agreements and our executive officers are required to acknowledge in writing that compensation we have awarded to them may be subject to reimbursement, clawback or forfeiture pursuant to the terms of the policy and/or applicable law.

Tax Implications Deductibility of Executive Compensation

Section 162(m) of the Internal Revenue Code limits our ability to deduct for tax purposes compensation in excess of \$1,000,000 that is paid to our principal executive officer or any one of our three highest paid executive officers, other than our principal executive officer or principal financial officer, who are employed by us on the last day of

Table of Contents

our taxable year unless, in general, the compensation is paid pursuant to a plan that has been approved by our stockholders and is performance-related and non-discretionary. The Compensation Committee will review and consider the deductibility of executive compensation under Section 162(m) and may authorize certain payments in excess of the \$1,000,000 limitation. The Compensation Committee believes that it needs to balance the benefits of designing awards that are tax-deductible with the need to design awards that attract, retain and reward executives responsible for our success.

In addition, Section 274(e) of the Internal Revenue Code limits the amount that companies can deduct for the personal use of corporate aircraft to the amount recognized as income by the executives that used the aircraft. For fiscal year 2015, the total amount of our disallowed tax deduction resulting from the personal use of the corporate aircraft by our named executive officers and any guests was approximately \$971,000.

For information regarding the Compensation Committee's review of compensation-related risk, please see the section entitled *Risk Assessment of Compensation Programs*.

(1) Represents restricted stock awards or restricted stock units awarded and performance shares granted in each of fiscal years 2015, 2014 and 2013. The amounts represent the aggregate grant date fair value of the awards granted to each named executive officer computed in accordance with stock-based accounting rules (Financial Standards Accounting Board (FASB) ASC Topic 718). Assumptions used in the calculation of these amounts are included in *Note 16 Share-based Compensation* to our fiscal year 2015 consolidated financial statements, which is included in our Annual Report on Form 10-K filed with the SEC on November 19, 2015 (the Form 10-K). The table below sets forth the details of the components that make up the fiscal year 2015 stock award for our named executive officers other than Vasant M. Prabhu. Annual restricted stock awards and restricted stock units vest in three substantially equal annual installments beginning on the first anniversary of the date of grant. Consistent with the requirements of ASC Topic 718, the value of the performance shares displayed in the table below, at their expected and maximum levels, is based on the one-third of the full number of shares for which an EPS goal was established in fiscal year 2015 under the awards made on: (i) November 19, 2012, which vested on November 30, 2015, (ii) November 19, 2013, which are scheduled to vest on November 30, 2016 and (iii) November 19, 2014, which are scheduled to vest on November 30, 2017. The remaining portions of the awards granted in November 2013 and November 2014 will be linked to EPS goals for subsequent fiscal years and will be reported in the Summary Compensation Table for those fiscal years.

The amounts shown in column (f) are 200% of such target amount, which is the maximum possible award. The

annual incentive plan targets for Mr. Prabhu were prorated based on his partial year of service in fiscal year 2015. The actual amounts awarded to our named executive officers under the annual incentive plan for fiscal year 2015 are included in the Non-Equity Incentive Plan Compensation column of the *Summary Compensation Table for Fiscal Year 2015*.

- (3) Represents the range of possible awards of performance shares granted in fiscal year 2015. Awards are capped at the maximum of 200% and can be as low as zero.

- (4) Equity awards made pursuant to the Visa Inc. 2007 Equity Incentive Compensation Plan will vest according to their terms, but may be subject to earlier vesting in full or continued vesting in the event of a termination of a grantee's employment due to death, disability or retirement or a termination following a change of control of grantee's employment by us without cause or by the grantee for good reason. The terms disability, retirement, change of control, cause, and good reason are all defined in the applicable award agreement or the Equity Incentive Compensation Plan.

- (5) The stock options approved by the Compensation Committee on November 10, 2014 and November 13, 2014 were granted on November 19, 2014. The exercise price of these stock options was the fair market value of our Class A common stock on the applicable date of grant. The stock options generally vest in three substantially equal installments beginning on the first anniversary of the date of grant and expire ten years from the date of grant.

- (6) Amounts are not an actual dollar amount received by our named executive officers in fiscal year 2015, but instead represent the aggregate grant date fair value of the equity awards calculated in accordance with ASC Topic 718. The aggregate grant date fair value calculation for the performance shares is discussed more detail in footnote 10 below.

- (7) Consistent with the requirements of ASC Topic 718, the amount represents the third of three portions of the performance share award made on November 19, 2012 for which the grant date fair value was established on November 19, 2014. The shares earned from this award vested on November 30, 2015.

- (8) Consistent with the requirements of ASC Topic 718, the amount represents the second third of the performance share award made on November 19, 2013 for which the grant date fair value was established on November 19, 2014. The shares earned from this award will vest on November 30, 2016.

- (9) Consistent with the requirements of ASC Topic 718, the amount represents the first third of the performance share award made on November 19, 2014 for which the grant date fair value was established on November 19, 2014. The shares earned from this award will vest on November 30, 2017.

- (10) Represents the value of performance shares based on the expected outcome as of the date of grant. In accordance with FASB ASC Topic 718, this result is based on (i) achieving the target level of EPS; and (ii) a relative TSR result modeled using a Monte-Carlo simulation.

(5) Represents unearned shares under the performance share awards made in November 2012, November 2013 and November 2014. Based on guidance provided by the SEC, the maximum potential number of shares for such grants has been assumed. The amounts shown for the performance shares awarded on November 19, 2012 include the full award for which the performance period ended on September 30, 2015. Following the fiscal year-end, the actual shares earned from this award were determined to be 167.9% of target which is less than the 200% of target number included in this table. The amounts shown for the performance shares awarded on November 19, 2013 include only shares equal to the two-thirds of the award for which an EPS target has been established. The amounts shown for the performance shares awarded on November 19, 2014 include only shares equal to the one-third of the award for which an EPS target has been established. The table below provides additional detail.

Visa Retirement Plan

Under the Visa Retirement Plan, our U.S.-based employees, including our named executive officers, generally earn the right to receive certain benefits:

upon retirement at the normal retirement age of 65;

upon early retirement at or after age 55 (or at or after age 50 if hired prior to October 1, 2002) and having completed at least ten years of service with us; or

upon an earlier termination of employment, but solely if the employee is vested at that time.

Benefits under the Visa Retirement Plan are based on a cash balance benefit accrual formula. Under the formula, 6% of an employee's eligible monthly pay will be credited each month to the employee's notional cash balance account, along with interest each month on the account balance at an annualized rate equal to the 30-year U.S. Treasury Bond

average annual interest rate for November of the previous calendar year. Accrued benefits under the Visa Retirement Plan become fully vested and nonforfeitable after three years of service.

Table of Contents

Prior to January 1, 2011, retirement benefits were calculated as the product of 1.25% times the employee's years of service multiplied by the employee's monthly final average earnings for the last 60 consecutive months before retirement (or, for employees hired prior to October 1, 2002, the product of 46.25% times the employee's years of service divided by 25 years, multiplied by the employee's monthly final average earnings for the 36 highest consecutive months in the last 60 months before retirement). Eligible earnings include salary, overtime, shift differentials, special and merit awards and short-term cash incentive awards. The formula below provides an illustration of how the retirement benefits are calculated.

If an employee retires early, that is, between the ages of 55 and 64 (or between the ages of 50 and 61 if hired prior to October 1, 2002), and has completed at least ten years of service with the Company, the amount of that employee's benefits is reduced for each complete year that the employee begins receiving early retirement benefits before the age of 65 (or before the age of 62 if hired prior to October 1, 2002). If an employee retires prior to becoming eligible for early or normal retirement, the amount of his or her benefits is actuarially reduced and is generally not as large as if the employee had continued employment until his or her early or normal retirement date.

The Visa Retirement Plan began transitioning to cash balance benefits effective January 1, 2008 and completed the transition effective January 1, 2011. The change to a cash balance benefit formula took effect immediately for employees hired or rehired after December 31, 2007. However, for employees hired before January 1, 2008 (and not rehired thereafter), the applicable Visa Retirement Plan benefit formula described above was grandfathered for a three-year period and grandfathered employees continued to accrue benefits under that benefit formula. Their accrued benefits at December 31, 2010 (the last day of the grandfathered period) or the date they terminated employment, if earlier, were preserved. Because we completed the conversion to a cash balance plan formula beginning on January 1, 2011, all future benefit accruals will be under the cash balance benefit formula.

Visa Excess Retirement Benefit Plan

Prior to February 1, 2014, we also provided for benefit accruals under an excess retirement benefit plan. To the extent that an employee's annual retirement income benefit under the Visa Retirement Plan exceeds the limitations imposed by the Internal Revenue Code, such excess benefit is paid from our non-qualified, unfunded, noncontributory Visa Excess Retirement Benefit Plan. The vesting provisions of, and formula used to calculate the benefit payable pursuant to, the Visa Excess Retirement Benefit Plan are generally the same as those of the Visa Retirement Plan described above, except that benefits are calculated without regard to the Internal Revenue Code tax-qualified plan limits and then offset for benefits paid under the qualified plan. Effective February 1, 2014, we discontinued benefit accruals under the Visa Excess Retirement Benefit Plan.

Table of Contents**Non-qualified Deferred Compensation for Fiscal Year 2015****Visa Deferred Compensation Plan**

Under the terms of the Visa Deferred Compensation Plan, eligible participants are able to defer up to 100% of their cash incentive awards or sign-on bonuses, if they submit a qualified deferral election. Benefits under the Visa Deferred Compensation Plan will be paid based on one of the following three distribution dates or events previously elected by the participant: (i) immediately upon, or up to five years following, retirement; (ii) immediately upon, or in the January following, termination; or (iii) if specifically elected by the participant, in January in a specified year while actively employed. However, upon a showing of financial hardship and receipt of approval from the plan administrator, a plan participant may be allowed to access funds in his or her deferred compensation account earlier than his or her existing distribution election(s). Benefits can be received either as a lump sum payment or in annual installments, except in the case of pre-retirement termination, in which case the participant must receive the benefit in a lump sum. Participants are always fully vested in their deferrals under the Visa Deferred Compensation Plan. Upon termination of the Visa Deferred Compensation Plan within 12 months of a change of control, participants' benefits under the Visa Deferred Compensation Plan will be paid immediately in a lump sum.

Visa 401k Plan and Visa Excess 401k Plan

The Visa 401k Plan is a tax-qualified 401(k) retirement savings plan pursuant to which all of our U.S.-based employees, including our named executive officers, are able to contribute up to 50%, or 13% for highly compensated employees, of their salary up to the limit prescribed by the Internal Revenue Code to the Visa 401k Plan on a pre-tax basis. Employees also have the option of contributing on an after-tax basis from 1% up to 50%, or 13% for highly compensated employees, of salary or a combination of pre-tax and after tax contributions that do not exceed 50%, or 13% for highly compensated employees, of salary. All contributions are subject to the Internal Revenue Code limits. If an employee reaches the statutory pre-tax contribution limit during the calendar year, an employee may continue to make contributions to the Visa 401k Plan on an after-tax basis, subject to any applicable statutory limits.

During fiscal year 2015, we contributed a matching amount equal to 200% of the first 3% of pay that was contributed by employees to the Visa 401k Plan. All employee and matching contributions to the Visa 401k Plan are fully vested upon contribution.

Prior to February 1, 2014, we also provided for a contribution in an excess 401k plan. Because the Internal Revenue Code limits the maximum amount a company and an employee can contribute to an employee's 401(k) plan account each year, we continued to provide the matching contribution, after the applicable Internal Revenue Code limits are reached, to the Visa Excess 401k Plan, which is a non-qualified noncontributory retirement savings plan. Employees are eligible to participate in the Visa Excess 401k Plan if their salaries are greater than the Internal Revenue Code pay cap or if the total of their contributions and our matching contributions to the Visa 401k Plan exceed the Internal Revenue Code benefit limit. The features of the Visa Excess 401k Plan are generally the same as under the Visa 401k Plan, except that benefits cannot be rolled over to an IRA or another employer's qualified plan. Effective February 1, 2014, we discontinued any future contributions to the Visa Excess 401k Plan.

Employment Arrangements and Potential Payments upon Termination or Change of Control

The following discussion relates only to the offer letters with our named executive officers that were in effect during fiscal year 2015. We do not have employment agreements with our named executive officers.

Table of Contents**Offer Letters with Charles W. Scharf, Vasant M. Prabhu, Ryan McInerney and Rajat Taneja**

We executed offer letters with each of Mr. Scharf, Mr. Prabhu, Mr. McInerney and Mr. Taneja in connection with their employment by Visa. Each of these offer letters was the result of negotiations with the Company, during which the Compensation Committee consulted with Cook & Co., its independent compensation consultant, and legal counsel with expertise in executive compensation matters. In connection with the negotiation of the offer letters the Compensation Committee also reviewed relevant market data, the compensation levels of our other executive officers, and the terms of each executive's compensation arrangements with his previous employer, including the value each would forfeit with such employer by agreeing to join Visa.

Charles W. Scharf

On October 23, 2012, we executed an offer letter with Charles W. Scharf under which he became our Chief Executive Officer on November 1, 2012. In connection with his appointment and under the terms of his offer letter, Mr. Scharf received a one-time make-whole equity award consisting of restricted stock and stock options that were structured in value, form and timing to replicate compensation that he forfeited by leaving his former employer to join Visa. A portion of Mr. Scharf's make-whole equity award vested immediately on the date of grant. The unvested remainder of the make-whole award vests in three substantially equal annual installments beginning on the first anniversary of the date of grant, assuming Mr. Scharf's continued employment by the Company through each such date.

In November 2012, we also entered into an aircraft time-sharing agreement with Mr. Scharf, which governs Mr. Scharf's personal use of the Company's aircraft during his employment and requires his reimbursement to the Company for the incremental operating costs of any such use. Please see the section entitled *Compensation Discussion and Analysis – Perquisites and Other Personal Benefits* for additional information regarding this agreement.

Vasant M. Prabhu

On January 27, 2015, we executed an offer letter with Vasant M. Prabhu under which he became our Executive Vice President and Chief Financial Officer on February 9, 2015. Pursuant to the terms of his offer letter, Mr. Prabhu receives an annual base salary of \$850,000 and was eligible to participate in our annual incentive plan for fiscal year 2015, with a target bonus of 150% of his base salary and a maximum bonus opportunity of 300% of his base salary. Mr. Prabhu also was eligible to receive a long-term incentive award with an annual target value equal to \$4,875,000.

As negotiated as part of the offer letter, in order to compensate him for forfeited incentives from his prior employer, Mr. Prabhu was entitled to receive a one-time cash sign-on bonus of \$2,500,000. Also to compensate him for other forfeited payments from his prior employer, Mr. Prabhu is entitled to receive \$7,500,000 in January 2017, which will be reduced if he voluntarily terminates employment with us other than for good reason within the first year of his start date of employment. The reduced payment will equal his full months of completed employment within that one-year divided by 12, multiplied by \$7,500,000. Mr. Prabhu also received a one-time make-whole equity award structured in value and vesting to replicate compensation that he forfeited by leaving his former employer to join Visa. The make-whole award is comprised of restricted stock with a grant date value of approximately \$7,500,000, which converted into 113,012 shares. The shares subject to the make-whole award will vest in three substantially equal annual installments beginning on the first anniversary of the date of grant. Because the grant of the make-whole equity award and the sign-on bonus are one-time events, they are not considered to be a part of Mr. Prabhu's ongoing target annual compensation.

Table of Contents***Ryan McInerney***

On May 20, 2013, we executed an offer letter with Ryan McInerney under which he became our President on June 3, 2013. In connection with his appointment and under the terms of his offer letter, Mr. McInerney received a one-time make-whole equity award consisting of restricted stock and stock options that were structured in value, form and timing to replicate compensation that he forfeited by leaving his former employer to join Visa. The shares subject to the make-whole award vest in three substantially equal installments on each of the three anniversaries of the date of grant. Mr. McInerney also received a one-time sign-on bonus that was payable 50% in cash shortly after his commencement of employment with the Company, and 50% in restricted stock that vests in full on the third anniversary of the date of grant, assuming Mr. McInerney's continued employment by the Company through such date.

Rajat Taneja

On November 6, 2013, we executed an offer letter with Rajat Taneja under which he became our Executive Vice President, Technology on November 25, 2013.

As negotiated as part of the offer letter, in order to compensate him for forfeited incentives from his prior employer, Mr. Taneja was entitled to receive a one-time cash sign-on bonus of \$2,000,000. Mr. Taneja also received a one-time make-whole equity award structured in value and vesting to replicate compensation that he forfeited by leaving his former employer to join Visa. The make-whole award was comprised of restricted stock with a grant date value of approximately \$8,250,000, which converted into 153,816 shares, and stock options with a grant date value of approximately \$2,750,000, which converted into options to purchase 227,224 shares. The shares subject to the make-whole award will vest in three substantially equal annual installments beginning on the first anniversary of the date of grant. Because the grant of the make-whole equity award and the sign-on bonus are one-time events, they are not considered to be a part of Mr. Taneja's ongoing target annual compensation.

Pursuant to the terms of their offer letters, each of Mr. Scharf, Mr. Prabhu, Mr. McInerney and Mr. Taneja are also eligible to participate in the Visa Inc. Executive Severance Plan, the terms of which are discussed below.

Executive Severance Plan

We believe that it is appropriate to provide severance pay to an executive officer whose employment is involuntarily terminated by us without cause, and, in some cases, voluntarily terminated by the executive for good reason (each as defined in the Executive Severance Plan), to provide transition income replacement that will allow the executive to focus on our business priorities. Our Executive Severance Plan provides for severance pay to our executive officers under certain circumstances. We believe the level of severance provided by this Plan is consistent with the practices of our compensation peer group and is necessary to attract and retain key employees.

Our named executive officers are participants in the Executive Severance Plan, which provides for lump sum severance of two times base salary plus target annual incentive awards, and a prorated bonus for any partial performance period under the annual incentive plan. The Executive Severance Plan does not provide for any gross-ups for excise taxes imposed as a result of severance or other payments deemed made in connection with a change of control.

Equity Incentive Awards

Pursuant to the terms of certain award agreements under the Visa Inc. 2007 Equity Incentive Compensation Plan, if the employment of a named executive officer is involuntarily terminated by us without cause at any time or

voluntarily terminated by the named executive officer for good reason within two years following a change of control (as such terms are defined in the plan or applicable award agreement), then the unvested portion of any equity incentive award will become fully vested (and at target levels, with respect to performance shares). There are generally no single-trigger payments available to named executive officers upon a change of control.

Table of Contents**Quantification of Termination Payments and Benefits**

The following tables reflect the amount of compensation that would be paid to each of our named executive officers in the event of a termination of the executive officer's employment under various scenarios. The amounts shown assume that such termination was effective as of September 30, 2015 and include estimates of the amounts that would be paid to each executive officer upon such executive officer's termination. The tables only include additional benefits that result from the termination and do not include any amounts or benefits earned, vested, accrued or owing under any plan for any other reason. Please see the *Grants of Plan-Based Awards in Fiscal Year 2015 Table*, the *Pension Benefits Table for Fiscal Year 2015* and the section entitled *Non-qualified Deferred Compensation for Fiscal Year 2015* for additional information. Payments that would be made over a period of time have been estimated as the lump sum present value using 120% of the applicable federal rate. The actual amounts to be paid can only be determined at the time of such executive officer's separation from Visa.

Upon Mr. Pollitt's retirement on May 29, 2015, certain of his outstanding stock option grants and restricted stock unit awards 1) vested in full and all applicable restrictions lapsed, 2) will continue to vest over the original vesting period or 3) were forfeited upon his date of termination. Based on the fair market value of our Class A common stock on May 29, 2015 of \$68.68, the value of restricted stock units vested was \$597,516, the value of restricted stock units that will continue to vest was \$1,692,825, the value of options that vested and became exercisable was \$1,054,244, the value of options that continue to vest was \$1,537,301. Mr. Pollitt's unearned outstanding performance share awards are still subject to corporate performance metrics and to the extent they are deemed earned, will not vest until the conclusion of the applicable performance period. Mr. Pollitt did not receive cash severance payments in connection with his retirement. Because Mr. Pollitt was not employed as of the last day of fiscal year 2015, no table of potential payments that would have been made based on a termination of employment on the last day of fiscal year 2015 is provided.

**PROPOSAL 2 APPROVAL, ON AN ADVISORY BASIS, OF THE COMPENSATION PAID TO OUR
NAMED EXECUTIVE OFFICERS**

We are asking our Class A stockholders to approve, on an advisory basis, the compensation of our named executive officers as described in this proxy statement, including the section entitled *Compensation Discussion and Analysis*, the compensation tables and the related narrative discussion. This proposal, commonly known as a "Say-on-Pay" proposal, gives our Class A stockholders the opportunity to express their views on our named executive officers' compensation.

As described in detail under the heading *Compensation Discussion and Analysis* above, our executive compensation programs are designed to attract, motivate and retain our named executive officers, who are critical to our success. Under these programs, our named executive officers are rewarded for the achievement of specific annual, long-term, and strategic goals, corporate goals and the realization of increased stockholder value. Please read the *Compensation Discussion and Analysis* section of this proxy statement for additional details about our executive compensation programs, including information about the fiscal year 2015 compensation of our named executive officers.

The Say-on-Pay vote is advisory, and therefore not binding on the Company, the Compensation Committee or our board of directors. Our board of directors and the Compensation Committee value the views of our Class A stockholders, and will carefully review and consider the voting results for this proposal when evaluating our executive compensation programs.

The board of directors has adopted a policy providing for an annual Say-on-Pay vote. Unless the board of directors modifies this policy, the next Say-on-Pay vote will be held at our 2017 annual meeting of stockholders.

**THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE FOR THE APPROVAL, ON
AN ADVISORY BASIS, OF THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS AS
DISCLOSED IN THIS PROXY STATEMENT.**

**PROPOSAL 3 APPROVAL OF THE VISA INC. 2007 EQUITY
INCENTIVE COMPENSATION PLAN, AS AMENDED AND RESTATED**

Background

We are asking stockholders to reapprove the Visa Inc. 2007 Equity Incentive Compensation Plan, as amended and restated, or the EIP. Except for the amendments described below under Proposed Amendments, the terms of the EIP are identical to the terms of the plan that stockholders approved on January 31, 2012. We are asking stockholders to re-approve the EIP, as amended, in order to permit certain awards that may be granted in the future under the EIP to continue to qualify as performance-based compensation that is exempt from the \$1 million deduction limit under Section 162(m) of the Internal Revenue Code of 1986, or the Code, and to make the other changes described below. We are not asking for the approval of additional shares under the EIP at this time.

The board unanimously reapproved the EIP, with the amendments described below on October 21, 2015 and directed that the EIP be submitted to our stockholders for approval at the Annual Meeting.

Purpose and Key Features of the EIP

As described in detail in the section entitled *Compensation Discussion and Analysis* of this proxy statement, the EIP is an equity incentive plan that is designed to align management interests with those of stockholders, provide opportunities for wealth creation and ownership, and encourage a long-term focus, all of which we believe promotes director and employee retention. The EIP is designed to promote our long-term success and increase stockholder value by attracting, motivating and retaining our non-employee directors, officers, employees and consultants.

It contains features that are consistent with good governance as well as the interests of stockholders, including the following:

Performance Based Compensation. The EIP provides for performance-based awards under Section 162(m) of the Internal Revenue Code to enhance the deductibility of compensation.

Fair Market Value Grants. The exercise price of each option or stock appreciation right may not be less than the fair market value of our Class A common stock on the date of grant.

No Repricing. To better align our executive officers' long-term interests with those of our stockholders, the EIP does not allow the repricing of stock grants once they are awarded, without prior stockholder approval.

Flexibility. The EIP was designed with the flexibility to award stock options, stock appreciation rights, restricted stock awards, restricted stock units, performance unit awards, performance share awards, cash-based awards and other equity-based awards to eligible persons.

Committee Administration. The EIP is administered by a compensation committee composed solely of independent directors.

Specific Limits. The EIP provides specific limits on the number of awards that may be made.

Proposed Amendments

The only amendments to the plan since the last stockholder approval in 2012 are as follows:

limit the value of annual equity grants that may be made to non-employee directors to \$500,000 a year; and

provide that these plan amendments are effective date as of the date when they are approved by stockholders.

Table of Contents

As required under Section 4.2 of the plan, the plan has also been updated to adjust the shares available for issuance to reflect the stock-split approved by stockholders on January 28, 2015. On October 22, 2014, the board amended the EIP to specify that equity agreements will be governed by the law of the state chosen in the award agreement.

Consequence of Failure to Approve the Proposal

Generally, Code Section 162(m) does not permit publicly traded companies like Visa to take a tax deduction for compensation in excess of \$1 million that is paid to the chief executive officer or any of the three other most highly compensated executive officers (other than the principal financial officer) in any calendar year unless that compensation is paid under a performance based plan that has been approved by the stockholders and satisfies certain other criteria. If our stockholders do not approve the EIP at the Annual Meeting, we may continue to grant awards under the EIP. However, future grants under the EIP may not qualify as performance-based compensation under Code Section 162(m) and the deductibility of awards made to covered employees may be limited.

Description of the EIP

The following is a summary of the material features of the EIP, as amended and restated, but does not describe all of its terms. Therefore, you are encouraged to read the complete text of the EIP included as Annex A to this proxy statement. Capitalized terms used in this Proposal 3 are defined in the EIP. In the event of any inconsistency between the EIP and this summary, the EIP will control.

Administration of the EIP

Our Compensation Committee has the exclusive authority to operate, manage and administer the EIP in accordance with its terms and conditions. As administrator of the EIP, the Compensation Committee has the authority to grant awards to those individuals who are eligible to receive awards under the EIP. Among other things, the Compensation Committee has the power to determine the non-employee directors, employees and consultants who will be granted awards, the size and types of awards, the terms and conditions of awards, and the form and content of the award agreements. The Compensation Committee is also authorized to establish, administer and waive terms, conditions and performance goals of outstanding awards and to accelerate the vesting or exercisability of awards, in each case, subject to limitations contained in the EIP. The Compensation Committee also has the authority to interpret the EIP and award agreements and has the authority to correct any defects, supply any omissions and reconcile any inconsistencies in the EIP and/or any award agreements. The Compensation Committee's decisions and actions concerning the EIP are final and conclusive. Within the limitations of the EIP and applicable law, the Compensation Committee may delegate its responsibilities under the EIP to persons selected by it. Our board is permitted, under certain circumstances, to exercise all of the Compensation Committee's powers under the EIP.

Eligible Participants

Our employees and consultants and those of our eligible subsidiaries and affiliates, as well as our non-employee directors, are eligible to receive awards under the EIP.

Shares Subject to the EIP

Up to 154,144,637 shares, subject to adjustment in the event of certain corporate events, stock splits, and similar transactions, may be issued pursuant to awards granted under the EIP. This amount has been adjusted to reflect the approval of the stock split by our stockholders on January 28, 2015. **We are not requesting the approval of additional shares under the EIP at this time.**

As of September 30, 2015, of the 236,000,000 shares reserved for issuance under the EIP, 104,161,840 shares had been issued, 16,452,224 shares were subject to outstanding awards and 154,144,637 shares remained available for grant. As of September 30, 2015, approximately 10,950 employees, directors and consultants were

Table of Contents

eligible for awards under the EIP. As of September 30, 2015, the closing price of a share of our class A common stock was \$69.66 per share. The shares subject to awards under the EIP may be authorized and unissued shares or previously issued shares we re-acquired.

The aggregate number of shares subject to awards granted under the EIP will not be reduced by shares of our class A common stock subject to awards that have been canceled, expired, forfeited or settled in cash. In addition, any shares subject to an award or portion of an award that is forfeited, terminated or settled for cash or otherwise expires will be available for future awards under the EIP. If we or one of our subsidiaries acquires or combines with another company, any awards that may be granted under the EIP in substitution or exchange for outstanding stock options or other awards of the other company will not reduce the shares available for issuance under the EIP.

Types of Awards

Under the EIP, the Compensation Committee is authorized to grant stock options, stock appreciation rights, restricted stock and restricted stock unit awards, performance units, performance shares, cash-based awards, and other stock-based awards.

Stock Options. A stock option is the right to purchase a specified number of shares of Class A common stock in the future at a specified exercise price and subject to the other terms and conditions specified in the award agreement and EIP. Stock options may either be granted in the form of incentive stock options, which may be eligible for special tax treatment under the Code, or nonqualified stock options. The Compensation Committee sets the exercise price of each stock option, which cannot be less than 100% of the fair market value of our Class A common stock at the time of grant. The terms of any incentive stock option granted under the EIP must comply with the provisions of Section 422 of the Code. Stock options granted in substitution or exchange for stock options or awards of another company involved in a corporate transaction with us or a subsidiary will have an exercise price that is intended to preserve the economic value of the award that is replaced. The exercise price of any stock options may be paid in cash, shares of Class A common stock already owned by the option holder, or any other method the Compensation Committee approves, such as a cashless broker-assisted exercise, that complies with applicable law, or any combination of these methods.

Stock options are evidenced by an award agreement specifying the exercise price, the vesting schedule, the number of shares granted, and the other terms of the stock option. Stock options expire at the time set forth in the agreement, however no stock option shall be exercisable later than ten years from the date of grant. Unless the award agreement provides otherwise, the EIP provides that stock options terminate immediately upon the termination of a participant, although the Compensation Committee may determine in its discretion that an option awards may be exercised following a termination.

Stock Appreciation Rights. A stock appreciation right, or SAR, is the right to receive the appreciation in the fair market value of our class A common stock between the date of grant and the exercise date for the number of shares of our Class A common stock that are exercised. A SAR may be granted as a stand-alone award, or in tandem with the grant of a stock option. When a SAR is exercised, the holder is entitled to an amount equal to the difference between (a) the exercise price of the SAR and (b) the fair market value of a share of our Class A common stock on the date the SAR is exercised. SARs granted with a stock option will be exercisable or terminate only when the related stock option is exercisable or terminates. A stock option will no longer be exercisable to the extent that the holder exercises the related SAR. Likewise, a SAR will not be exercisable to the extent that a related stock option is exercised. SARs may be settled in cash, shares or a combination of cash and shares.

Each SAR is evidenced by an award agreement specifying the exercise price, the vesting schedule, the number of shares granted, and the other terms of the SAR. SARs expire at the time set forth in the award agreement, and any SAR granted in tandem with a stock option will have the same term as the related stock option. No SAR shall

Table of Contents

be exercisable more than 10 years after it is granted. When a participant's service terminates, the unvested portion of the SAR will be forfeited unless otherwise provided in the award agreement. Unless the applicable award agreement or certificate provides otherwise, the EIP provides that SARs cease to be exercisable upon the termination of a participant, though the Compensation Committee may determine in its discretion that an option award may be exercised following a termination.

Restricted Stock and Restricted Stock Unit Awards. Restricted stock is an award of shares of our Class A common stock that vests in accordance with the terms and conditions set forth in the award agreement. Until the applicable restrictions lapse, the shares are subject to forfeiture and may not be sold or otherwise disposed of by the participant who holds them. After all conditions and restrictions applicable to such shares of restricted stock have been satisfied or lapse, such shares shall become freely transferable by such participant.

Restricted stock units confer the right to receive shares at a future date and are denominated in units of shares of our Class A common stock. No shares of stock actually are issued to the recipient of a restricted stock unit on the grant date. Instead, when a restricted stock unit award vests, it is settled by a delivery of shares, a cash payment determined by the then-current fair market value of the shares, or a combination of shares and cash.

Each restricted stock award or restricted stock unit is evidenced by an award agreement specifying the number of shares, the vesting schedule, the vesting conditions, and the other terms of the restricted stock award or restricted stock unit. Vesting of restricted stock awards and restricted stock units may be based on continued employment or service and/or satisfaction of performance goals or other conditions established by the Compensation Committee. Unless set forth in the award agreement, a recipient of restricted stock will have the rights of a stockholder during the restriction period, including the right to receive any dividends, which may be subject to the same restrictions as the restricted stock. A recipient of restricted stock units will have none of the rights of a stockholder unless and until shares are actually delivered to the participant. Upon termination of employment or a period of service, or failure to satisfy other vesting conditions, a participant's unvested shares of restricted stock and unvested restricted stock units are forfeited, unless the participant's award agreement, or the Compensation Committee, provides otherwise.

Performance Units, Performance Shares and Cash-Based Awards. Performance units, performance shares and/or cash-based awards granted to a participant are amounts credited to a bookkeeping account established for the participant. Each performance unit shall have an initial value that is established by the Compensation Committee at the time of grant. Each performance share shall have an initial value equal to the fair market value of a share on the date of grant. Each cash-based award shall have a value that is determined by the Compensation Committee. After a performance unit, performance share or cash-based award has vested, the participant will be entitled to receive a payout of cash, shares of Class A common stock or a combination thereof depending upon the extent to which performance goals or other conditions the Compensation Committee established at the time of grant are satisfied. The number of performance units, performance shares and cash-based awards granted to a participant is determined by the Compensation Committee. A participant's award agreement describes the effect of a termination of employment on the participant's performance units, performance shares or cash-based award. The Compensation Committee shall determine the extent to which any pre-established performance goals or other terms and conditions of the awards have been attained (or not attained) at the completion of the performance period. The Compensation Committee may, in its discretion, waive any such performance goals and/or other terms and conditions relating to any such award.

The performance goals applicable to payment of performance units, performance shares and/or cash-based awards may provide for a targeted level or levels of achievement using one or more of the measures set forth below.

Performance measures may be determined either individually, alternatively, or in any combination, applied to either Visa as a whole or to a business unit, division, department or function of Visa or any of our subsidiaries, and measured over a period of time as specified by the Compensation Committee. Each award agreement shall set forth the extent to which the participant shall have the right to retain performance units, performance shares and cash-based awards following the participant's termination.

Other Stock-Based Awards. The Compensation Committee may grant to participants other awards (which may include rights to dividends and dividend equivalents) that are denominated or payable in, valued in whole or in part by reference to, or otherwise based on or related to shares of our Class A common stock. Other stock-based awards may be granted either alone or in addition to other stock awards granted under the EIP. Each other stock-based award will be evidenced by an agreement specifying the date of grant, the number of shares or cash equivalent subject to the award, and other terms of the award. The Compensation Committee will determine the effect of a termination of employment or service on a participant's other stock-based awards.

Fair Market Value

Fair market value is generally defined by the EIP as the last sale price reported for our Class A common stock on the New York Stock Exchange on the date for which fair market value is being determined. In the event no sale is reported on that date, the fair market value is the last sale price on the last preceding day on which a sale was reported.

Vesting Periods

Awards under the EIP, other than a stock option, SAR, or cash-based award are known as full value awards and, will vest over not less than three years following the date the award is made, or in the case of vesting based upon the attainment of performance goals or other performance-based objectives, over a period of not less than one year measured from the commencement of the performance period. The Compensation Committee may provide that such vesting restrictions lapse or are waived upon the participant's death, disability, retirement or other specified termination or upon a change of control. The Compensation Committee may grant full value awards that will result in the issuance of up to 5% of the shares reserved for issuance under the EIP without regard to the minimum vesting provisions.

Limitations on the Number of Shares that may be Awarded to a Participant under the EIP

No participant may receive stock options and SARs for more than 8,000,000 shares in any fiscal year. In connection with a participant's commencement of service for Visa or a subsidiary or affiliate, a participant may be granted stock options and SARs for up to an additional 8,000,000 shares. No participant shall receive restricted stock awards, restricted stock units and performance shares intended to qualify as performance based compensation under Code Section 162(m) for more than 8,000,000 shares in any fiscal year. The maximum amount that may be paid to a participant with respect to performance units or cash-based awards intended to qualify as performance based compensation under Code Section 162(m) for an annual performance period is \$30 million. For performance periods of different duration, the limit is \$30 million multiplied by a fraction, the numerator of which is the number of months in the performance period and the denominator of which is 12. The foregoing limits are subject to adjustment in the event of certain corporate events, stock splits, and similar transactions. In addition, under the newly amended plan subject to stockholder approval, no director may receive an award with a maximum grant date value of more than \$500,000 in any fiscal year.

Adjustments to the Shares Available for Issuance under the EIP

In the event of any corporate event or transaction, such as a reclassification, recapitalization, merger, consolidation, reorganization, issuance of warrants or rights, dividend or other distribution, stock split or reverse stock split, spin-off, split-up, combination or exchange of shares, repurchase of shares, or other similar change in corporate structure, partial or complete liquidation of Visa or distribution (other than normal cash dividends) to our

Table of Contents

stockholders, or any similar corporate event or transaction, the Compensation Committee shall substitute or adjust, as applicable, the number, class and kind of securities which may be delivered, the size of the plan reserve, and the individual participant limits, in order to prevent dilution or enlargement of participants' rights under the EIP. The Compensation Committee shall also make appropriate adjustments and modifications in the terms of any outstanding awards to reflect any such events, adjustments, substitutions or changes.

The Compensation Committee's adjustment shall be effective and binding for all purposes of the EIP, subject to the restrictions specified in the EIP.

Repricing of Stock Options or SARs

Except for adjustments to reflect the effects of certain corporate transactions, the exercise price of stock options and the grant price of SARs may not be lowered, stock options and SARs may not be cancelled or exchanged for stock options or SARs with a lower exercise price or grant price, and stock options and SARs with an exercise price or grant price, as the case may be, that is higher than the current fair market value may not be cancelled in exchange for cash or any other type of award, in each case without prior stockholder approval.

Transferability of Awards

Except as otherwise determined by the Compensation Committee, no award and no right under any award may be assigned, sold or transferred by a participant other than by will or by the laws of descent and distribution. The Compensation Committee may permit transferability for certain awards, on a general or specific basis, and may impose conditions and limitations on any permitted transferability, provided that no award may be transferred for value or other consideration without first obtaining approval by our stockholders.

Clawback Policy

Awards made under the EIP will be subject to recoupment, clawback or similar policy as in effect from time to time, as well as similar provisions of applicable law. These policies may require repayment or forfeiture of awards and payouts under certain circumstances. Our current Clawback Policy is discussed in more detail under the heading *Compensation Discussion and Analysis – Policy Regarding Clawback of Incentive Compensation* in this proxy statement.

Change of Control

In the event of a change of control, as defined in the EIP, the Compensation Committee, in its discretion and on such terms and conditions as it deems appropriate, may take any of the following actions:

provide that any outstanding awards become vested, non-forfeitable and/or exercisable;

cancel or terminate restrictions or other conditions applicable to awards or deem any performance goals achieved;

remove from awards any restrictions on transfer, sale assignment, pledge or other disposition;

treat target payment opportunities attainable under any performance-based awards as fully or partially earned immediately prior to the effective date of the change of control;

substitute for each share subject to an award the consideration received by stockholders in the transaction;

convert awards into a right to receive cash equal to the spread between the exercise price, grant price or outstanding unpaid purchase price, as applicable, and the highest price per share paid in the transaction or, if higher, the highest fair market value of a share during the 30 consecutive business days immediately prior to the closing date of the transaction, multiplied by the number of shares subject to such award; and

Table of Contents

provide that an award can or cannot be exercised after, or will otherwise terminate or not terminate as of, a change of control; or provide that awards be assumed or replaced. In the event that an award is not assumed or replaced, then such award will (a) become fully vested, non-forfeitable and/or exercisable, (b) have its restrictions, performance goals or other conditions cancelled, terminated or deemed achieved, (c) have any restrictions on transfer, sale assignment, pledge or other disposition with respect to such award lapse, and (d) have any target payment opportunities under such outstanding performance-based award deemed to have been fully earned for the entire performance period immediately prior to the change of control. Unless otherwise provided in an award agreement, if a participant with respect to whom an award has been assumed or replaced is terminated without cause or for good reason by us, an affiliate or a subsidiary after the change of control, all outstanding awards held by such terminated employee will (x) become fully vested, non-forfeitable and/or exercisable, (y) have their restrictions, performance goals or other conditions cancelled, terminated or deemed achieved, or (z) have any restrictions on transfer, sale assignment, pledge or other disposition lapse. However, with respect to outstanding performance-based awards not assumed or replaced, such awards will be deemed achieved for the entire performance period(s) immediately prior to the change of control and (i) any awards denominated in shares will be paid a *pro rata* number of shares (or, in the discretion of the Compensation Committee, the equivalent fair market value in cash of such shares) based on the target or, if greater, actual performance and (ii) any such awards denominated in cash will be paid a *pro rata* amount of cash, in either case for the length of the performance period prior to either the change of control or an individual's termination of service, as applicable.

Term of the EIP

The EIP, as amended and restated, will become effective upon approval by our stockholders and will remain in effect until all shares subject to the EIP have been delivered and any restrictions on such shares have lapsed, unless the EIP is terminated earlier by our board. No awards may be granted under the EIP on or after ten years from the date it was approved by our board.

Amendments, Modification or Termination of the EIP

The board may amend, alter, suspend, discontinue or terminate the EIP or any portion of it at any time. However, changes that would increase the maximum number of shares which may be sold or awarded under the EIP, decrease the minimum stock option price or grant price, change the class of persons eligible to receive awards under the EIP, extend the duration of the EIP or the period during which stock options or SARs may be exercised, or that otherwise require stockholder approval to comply with any applicable law, regulation or rule may not be made without stockholder approval.

The Compensation Committee may waive any conditions or rights under, amend any terms of, or alter, suspend, discontinue, cancel or terminate, any awards granted under the EIP. Any such action that would adversely affect the right of any participant shall not be made without the consent of the affected participant.

Notwithstanding the foregoing, the Compensation Committee is authorized to make adjustments in the terms and conditions of, and the criteria included in, awards in recognition of unusual or nonrecurring events affecting Visa, any affiliate, or financial statements of Visa or any affiliate, or of changes in applicable laws, regulations, or accounting principles, whenever the Compensation Committee determines that such adjustments are appropriate in order to prevent dilution or enlargement of the benefits or potential benefits intended to be made available under the EIP.

Certain Federal Income Tax Consequences under the EIP

The following discussion of certain of the U.S. federal income tax consequences of awards under the EIP is based on current U.S. federal tax laws and regulations and does not purport to be a complete discussion. This description may differ from the actual tax consequences incurred by any individual recipient of an award. Moreover, existing law is subject to change by new legislation, by new regulations, by administrative pronouncements and by court decisions or by new or clarified interpretations or applications of existing laws, regulations, administrative pronouncements and court decisions. Any such change may affect the federal income tax consequences described below. The following summary of the federal income tax consequences in respect of the EIP is for general information only. Interested parties should consult their own tax advisors as to specific tax consequences, including the application and effect of foreign, state and local laws.

Non-Qualified Stock Options. The grant of a non-qualified stock option does not result in taxable income to the optionee or a deduction for us at the time it is granted. Instead, an optionee exercising a stock option will generally realize taxable compensation at that time in the amount of the difference between the stock option price and the then market value of the shares, and income tax withholding requirements apply upon exercise. Generally, we will be allowed a deduction for federal income tax purposes in an amount equal to the taxable compensation realized by the optionee in the year of exercise. The optionee's tax basis in the option shares is equal to the stock option price paid for the shares plus the amount includable in income upon exercise. At sale, appreciation (or depreciation) after the date of exercise is treated as either short-term or long-term capital gain (or loss) depending upon how long the shares have been held.

Incentive Stock Options. An optionee is not taxed at the time an incentive stock option is granted. The tax consequences upon exercise and later disposition of the underlying shares generally depend upon whether the optionee was an employee of Visa or a subsidiary at all times from the date of grant until three months preceding exercise (one year in the case of disability) and on whether the optionee holds the shares for more than one year after exercise and two years after the date of grant of the stock option.

If the optionee satisfies both the employment rule and the holding rule for income tax purposes, the optionee will not recognize income upon exercise of the stock option and we will not be allowed an income tax deduction at any time. The difference between the stock option exercise price and the amount realized upon disposition of the shares by the optionee will constitute either a long-term capital gain or a long-term capital loss.

If the optionee meets the employment rule, but fails to observe the holding rule (a disqualifying disposition), the optionee generally recognizes the excess of the fair market value of the shares at the date of exercise over the

Table of Contents

option exercise price as ordinary income in the year of the disqualifying disposition. Any excess of the sales price over the fair market value at the date of exercise will be recognized by the optionee as capital gain (long-term or short-term depending on the length of time the shares were held after the stock option was exercised). If the sale price is less than the fair market value on the date of exercise, then the ordinary income recognized by the optionee is generally limited to the excess of the sales price over the stock option exercise price. In both situations, the tax deduction we are allowed will be limited to the ordinary income recognized by the optionee. Under current Internal Revenue Service guidelines, we are not required to withhold any federal income tax in the event of a disqualifying disposition. Different consequences may apply for an optionee subject to the alternative minimum tax.

Restricted Stock. Upon the grant of restricted stock, a participant will not recognize taxable income and we will not be allowed a tax deduction. Rather, on the date when the restrictions lapse, the participant will recognize ordinary income equal to the fair market value of the shares on that date (less the price paid, if any, for such shares). Alternatively, a participant may file with the IRS a section 83(b) election no later than 30 days after the date of grant of restricted stock, as a result of which he will recognize taxable ordinary income at the time of the grant, generally in an amount equal to the fair market value of the shares on the date of grant, less any amount paid for the grant. The amount recognized by the participant is subject to income tax withholding requirements. At the time the participant recognizes income with respect to the restricted stock, we are generally entitled to a deduction in an equal amount. Upon the sale of any shares that are delivered to the participant pursuant to an award, the participant will realize capital gain (or loss) measured by the difference between the amount realized and the fair market value of the shares on the date the shares were vested/delivered to the participant pursuant to the award.

Restricted Stock Unit Awards, Performance Share Awards, Performance Unit Awards, and Other Stock Based Awards. A participant who receives a restricted stock unit award, performance share award, performance unit award or other stock-based award which includes a performance and/or vesting requirement or other restriction that must be satisfied prior to payment will not recognize any income for federal income tax purposes at the time of the grant of such award and we are not entitled to a deduction at that time.

When any part of a performance share award or award of restricted stock units is paid (in the case of cash) or delivered (in the case of shares) to the participant, the participant will realize compensation taxable as ordinary income in an amount equal to the cash paid or the fair market value of shares delivered.

Income tax withholding requirements generally apply to amounts that are recognized as ordinary income and we generally will be entitled to a deduction in the same amount and at the same time that the participant recognizes ordinary income. Upon the sale of any shares that are delivered to the participant pursuant to an award, the participant will realize either long-term or short-term capital gain (or loss), depending on how long the shares were held, equal to the difference between the amount realized and the fair market value of the shares on the date the shares were vested or delivered to the participant pursuant to the award.

Cash-Based Awards. A participant who receives a cash-based award will realize compensation taxable as ordinary income in an amount equal to the cash paid at the time of such payment. Income tax withholding requirements generally apply to amounts that are recognized as ordinary income and we generally will be entitled to a deduction in the same amount and at the same time that the participant recognizes ordinary income.

Impact of Section 409A. Section 409A of the Code applies to deferred compensation, unless the compensation was both deferred and vested prior to January 1, 2005. Generally speaking, deferred compensation is compensation earned currently, the payment of which is deferred to a later taxable year, and an amount is vested on the date that the participant's right to receive the amount is no longer conditioned on the participant's performance of services or upon the occurrence of an event (such as a change in control) or the achievement of performance goals that are substantially

related to the purpose of the compensation.

Table of Contents

Stock options, restricted stock awards, restricted stock unit awards, performance share awards, and other stock-based awards available under the EIP are designed either to be exempt from the requirements of Code Section 409A or to satisfy its requirements. Awards subject to Code Section 409A and that fails to satisfy its requirements will subject the award holder to immediate taxation, an interest penalty, and an additional 20% tax on the amount underlying the award.

Limitations on Our Section 162(m) Deduction

With certain exceptions, Section 162(m) of the Code limits our deduction for compensation in excess of \$1,000,000 paid to our Chief Executive Officer and our three other highest-paid executive officers (other than the principal financial officer), who are collectively the Covered Employees. Compensation paid to the Covered Employees is not subject to the deduction limitation if it is considered qualified performance-based compensation within the meaning of Section 162(m) of the Code. Once approved by our stockholders, the EIP will permit us to grant awards intended to qualify as performance-based compensation under Code Section 162(m).

PROPOSAL 4 APPROVAL OF THE VISA INC. INCENTIVE PLAN, AS AMENDED AND RESTATED

Background

The Visa Inc. Incentive Plan, or the VIP, was originally adopted by our Compensation Committee in 2007 and was last approved by our stockholders on January 27, 2011. In October 2015, our Compensation Committee unanimously approved amendments to the VIP. The board then directed that the VIP be submitted to our stockholders for approval at the Annual Meeting.

As described in detail in our *Compensation Discussion and Analysis* section of this proxy statement, the VIP is a cash-based annual incentive plan that is designed to reward annual performance and achievement of strategic goals, align employee interests with those of our stockholders, and provide market-competitive compensation to eligible employees on an individual basis.

The VIP is designed to preserve the deductibility of payments that constitute performance-based compensation under Section 162(m) of Internal Revenue Code, or Section 162(m), as well as payments not intended to constitute performance-based compensation under Section 162(m). Under Section 162(m), certain executive compensation in excess of \$1 million per year paid to some of our executive officers is generally not deductible for federal income tax purposes unless that compensation is paid under a performance based plan that is approved by our stockholders and satisfies certain other criteria.

We are asking our stockholders to reapprove the VIP so that we may continue to take the federal tax deduction under Section 162(m) for performance-based compensation payable to certain of our executives.

Proposed Amendments

The only amendments to the plan since the last stockholder approval in 2011 are as follows:

Amend the plan to allow for flexibility by permitting the EVP, Human Resources to designate a date other than July 1 as the cutoff date for plan participation. If no date is designated, July 1 remains the default cutoff date.

Amend the plan's eligibility requirements to state that an individual deferring all or a portion of the VIP award will be eligible to receive the deferred portion if they continue employment through the end of the fiscal year.

Clarify the plan's provisions regarding service to provide that only active service is recognized (unless as required by local law or policy).

Update the titles of Global Head of Human Resources to EVP, Human Resources and Head of Total Rewards to SVP, Total Rewards.

Description of the VIP

The following is a summary of the material features of the VIP, and does not describe all of the VIP's terms. We urge you to read the complete text of the VIP included as Annex B to this proxy statement. Capitalized terms used in this Proposal are defined in the VIP. In the event of any inconsistency between the VIP and this summary, the VIP will control.

Purpose. The purpose of the VIP is to provide a cash incentive opportunity to our employees whose performance contributes to our ability to achieve our business results. The VIP focuses our employees' efforts on the achievement of specific goals in support of our business strategy and provides for an opportunity to receive annual payouts based on individual and/or corporate performance, depending on the employee's level at Visa.

Table of Contents

Eligibility and Participation. Unless otherwise determined by the Compensation Committee, all of our regular full-time and part-time active employees who are employed no later than July 1, and for a minimum of three months, of a plan year, or performance period, which corresponds with our fiscal year, are eligible to participate in the VIP unless they participate in another annual incentive plan. In addition, subject to certain exceptions, employees must be employed on the date the Compensation Committee or our Chief Executive Officer, as applicable, determines the amount of the individual awards under the VIP. Temporary employees, leased employees, consultants and independent contractors are not eligible to participate in the VIP.

Incentive Awards Performance Goals.

Threshold Corporate Goals. The Compensation Committee may establish a pool for an applicable performance period, pursuant to which incentive awards are granted to participants, subject to the achievement of one or more threshold corporate goals and subject to a maximum award amount of \$10 million for any participant who is subject to Section 162(m).

Additional Performance Goals. Incentive awards may also be subject to additional corporate and individual performance goals, the targeted achievement of which may be expressed as a percentage of an employee's pay.

Corporate goals, including any applicable threshold corporate goals, with respect to awards that are intended to constitute performance-based compensation under Section 162(m) must be based on one or more of the following criteria:

Revenue;

Earnings Per Share;

Net Income;

Cash Flow;

Operating Margins, Gross Margin, Cash Margin or Profit Margin;

Operating Income or Operating Profit;

Assets or Return on Assets;

Stockholder Equity or Return on Equity;

Return on Capital;

Economic Value Added; or

Stock Price or Total Stockholder Return.

Corporate goals, including any applicable threshold corporate goals, may be based on absolute target numbers or relative results in one or more such categories compared to a prior period. At the Compensation Committee's discretion, the measures associated with the corporate goals may be based on pro forma numbers and may either include or exclude the effect of payment of the bonuses under the VIP and any of our other bonus plans. The Compensation Committee also may provide for the adjustment of a performance goal to exclude (i) certain extraordinary non-recurring items or (ii) the effect of any changes in accounting principles affecting our overall or a business unit's reported results. For our Chief Executive Officer and other participants who are covered by Section 162(m), corporate goals, including threshold corporate goals that apply to compensation intended to constitute performance-based compensation under Section 162(m) must be approved by the Compensation Committee within the time period required under the regulations applicable under Section 162(m).

Individual goals, if applicable, are determined and documented at the beginning of the plan year, or shortly after hire for new hires. Depending on the participant's level, his or her goals will be established by either the Compensation Committee, our management, or jointly by the participant and management with the final determination to be made by management. Individual goals can be revised after the beginning of the plan year to reflect changing business priorities or changes in a participant's job or role.

Table of Contents

If a participant's target award percentage, if applicable, is changed during the plan year, his or her final target award percentage will be prorated for the portion of time spent at each target award percentage or as otherwise determined by the Company to the extent permitted by applicable law or policy. However, to the extent necessary to comply with Section 162(m), the target award percentage, if applicable, may be reduced but not increased for the chief executive officer and any other participants who are covered by Section 162(m) after the percentage has been established for the plan year.

Incentive Award Payment.

Determination of Award Amounts. After the plan year ends, our management (subject to final approval of the chief executive officer) or, for any participant covered by Section 162(m), the Compensation Committee, will determine the payment amount of individual awards based on the achievement of (i) threshold corporate performance goals and/or (ii) corporate and individual performance goals, provided that no payment based on the achievement of these goals may be greater than \$10 million in any plan year for each of the chief executive officer and other participants covered by Section 162(m).

With respect to any individual performance goals other than those for the chief executive officer and other participants covered by Section 162(m), management will recommend a payout level of the individual component for the participant based on the participant's performance and certain payout guidelines determined by the chief executive officer with respect to the plan year. The Compensation Committee determines the payout level relating to any individual goals for the chief executive officer and any other participants who are covered by Section 162(m).

Payment Eligibility. Participants generally must be actively employed on the date final awards are approved by the chief executive officer or the Compensation Committee, as applicable. However, participants who defer their awards are eligible to receive the deferred portion if they are employed at the end of the fiscal year and with respect to employees who are on a leave of absence as of such approval date or whose employment terminates prior to such approval date by reason of death, Disability or Normal Retirement or pursuant to severance benefit plan or agreement, the Executive Vice President, Human Resources or, with respect to the CEO and other participants covered by Section 162(m), the Compensation Committee, may provide for a pro rata award payment based on the portion of the plan year that the participant was eligible to participate in the VIP, provided that any applicable threshold corporate goals and/or corporate goals with respect to any participant covered by Section 162(m) shall have been attained in order for such pro rata payment to be made.

Form of Payment. Awards are paid to participants in cash, provided that the Compensation Committee, in its discretion, may determine for any performance period that all or a portion of awards to one or more participants will instead be paid in shares of our common stock to the extent permitted under the applicable equity plan.

Timing of Payment. Awards are paid to participants as soon as practical after the end of each plan year, but no later than December 15 of the subsequent plan year.

VIP Administration.

The VIP is interpreted and administered by our Executive Vice President, Human Resources, in consultation with our Senior Vice President, Total Rewards, and determinations by the Executive Vice President, Human Resources as to plan interpretation and administration are final and binding on all parties. With respect to compensation intended to constitute performance-based compensation under Code Section 162(m), the Compensation Committee plays this role to the extent required under Code Section 162(m). The VIP shall be interpreted and construed in a manner as to cause payments intended to constitute performance-based compensation under Section 162(m) to qualify as

performance-based compensation under Section 162(m). The VIP may be amended or terminated at any time for any reason by the Compensation Committee. Stockholder approval shall be obtained in connection with any amendment for which stockholder approval is necessary.

Table of Contents

Unfunded Plan; Participants are General Creditors.

Award amounts are paid from our general funds and participants are considered unsecured general creditors with no special or prior right to any of our assets for payments under the VIP. Nothing in the VIP is intended to create a trust for the benefit of any participant or to create a fiduciary relationship between us and any participant with respect to any of our assets.

Tax Withholding.

Awards paid under the VIP are subject to all applicable withholding taxes.

Clawback Policy.

Awards granted and amounts payable or paid under the Plan are subject to the applicable provisions of our clawback policy, as it may be amended from time to time. Accordingly, such awards and amounts may be subject to cancellation, rescission, payback or other action in accordance with the policy.

New Plan Benefits

The amount of awards payable under the VIP, if any, to any participant is not determinable as awards have not yet been determined under the VIP. Participation in VIP does not guarantee the payment of an award, and all awards under the VIP are discretionary and subject to approval by our Chief Executive Officer or the Compensation Committee, as described above. In addition, following the transition period described above, no amounts will be paid to any participant under the VIP if stockholder approval of the VIP is not obtained. In that event, we would likely consider other forms of incentive compensation as necessary or appropriate to attract or retain key employees.

PROPOSAL 5 RATIFICATION OF THE APPOINTMENT OF KPMG LLP

The Audit and Risk Committee has appointed KPMG LLP as our independent registered public accounting firm to audit the financial statements of Visa Inc. and its subsidiaries for the fiscal year ending September 30, 2016. KPMG has been our independent auditor since our initial public offering in 2008, and KPMG audited our financial statements for fiscal year 2015. The Audit and Risk Committee also periodically considers whether there should be a rotation of independent registered public accounting firms because the Audit and Risk Committee believes that it is important for the registered public accounting firm to maintain independence and objectivity. In determining whether to reappoint KPMG, the Audit and Risk Committee considered several factors including:

the length of time KPMG has been engaged;

KPMG's independence and objectivity;

KPMG's capability and expertise in handling the complexity of Visa's global operations in our industry;

historical and recent performance, including the extent and quality of KPMG's communications with the Audit and Risk Committee, and feedback from management regarding KPMG's overall performance;

recent Public Company Accounting Oversight Board inspection reports on the firm; and

the appropriateness of KPMG's fees, both on an absolute basis and as compared with its peers.

The Audit and Risk Committee believes that the continued retention of KPMG as our independent registered public accounting firm is in the best interest of the Company and our stockholders, and we are asking our stockholders to ratify the selection of KPMG as our independent registered public accounting firm for fiscal year 2016. Although ratification is not required, the board is submitting a proposal to ratify KPMG's appointment to our stockholders because we value our stockholders' views and as a matter of good corporate practice. In the event that our stockholders fail to ratify KPMG as the Company's independent registered public accounting firm, it will be considered a recommendation to the Audit and Risk Committee to consider the selection of a different firm. Even if the appointment is ratified, the Audit and Risk Committee may in its discretion select a different independent registered public accounting firm at any time during the fiscal year if it determines that such a change would be in the best interests of the Company and our stockholders.

A representative of KPMG will be present at the Annual Meeting and will have the opportunity to make a statement if he or she desires to do so and will be available to respond to appropriate questions.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE FOR

THE RATIFICATION OF THE APPOINTMENT OF KPMG LLP AS OUR

In accordance with its charter and the Audit and Risk Committee's Pre-Approval Policy (Pre-Approval Policy), the Audit and Risk Committee is required to pre-approve all audit and internal control-related services and permitted non-audit services, including the terms thereof, to be performed for us by our independent registered public accounting firm, subject to the de minimis exceptions for non-audit services described in Section 10A(i)(1)(B) of the Exchange Act that are approved by the Audit and Risk Committee prior to the completion of the audit. In addition, the Audit and Risk Committee's charter requires the Committee to review and discuss with the independent registered public accounting firm any documentation supplied by it as to the nature and scope of any tax services to be approved, as well as the potential effects of the provision of such services on the firm's independence. During fiscal year 2015, all services KPMG provided to the Company were pre-approved by the Audit and Risk Committee in accordance with applicable SEC regulations and the Pre-Approval Policy, and the Audit and Risk Committee reviewed and discussed the documentation KPMG supplied to it as to tax services and the potential effect of the provision thereof on KPMG's independence.

To further help ensure the independence of our independent registered public accounting firm, we have adopted policies and procedures relating to the engagement of our independent registered public accounting firm and the hiring of employees or former employees of the independent registered public accounting firm.

Stockholder of Record: Shares Registered in Your Name

If on December 7, 2015, your shares were registered directly in your name with our transfer agent, Wells Fargo Shareowner Services, then you are considered the stockholder of record with respect to those shares. As a stockholder of record, you may vote at the Annual Meeting or vote by proxy. Whether or not you plan to attend the Annual Meeting, we urge you to vote over the Internet or by telephone, or if you received paper proxy materials by mail, by filling out and returning the proxy card.

For questions regarding your stock ownership, you may contact our transfer agent, Wells Fargo Shareowner Services, by telephone at (866) 456-9417 (within the U.S.) or +1 (651) 306-4433 (outside the U.S.).

Beneficial Owner: Shares Registered in the Name of a Broker or Nominee

If on December 7, 2015, your Class A shares were held in an account with a brokerage firm, bank or other nominee, then you are the beneficial owner of the shares held in street name. As a beneficial owner, you have the right to direct your nominee on how to vote the shares held in your account, and it has enclosed or provided voting instructions for you to use in directing it on how to vote your shares. However, the organization that holds your shares is considered the stockholder of record for purposes of voting at the Annual Meeting. Because you are not the stockholder of record, you may not vote your shares at the Annual Meeting unless you request and obtain a valid proxy from the organization that holds your shares giving you the right to vote the shares at the Annual Meeting.

How to Vote

If you are a stockholder of record there are several ways for you to vote your shares:

By mail. If you received printed proxy materials, you may submit your vote by completing, signing and dating each proxy card received and returning it in the prepaid envelope. Sign your name exactly as it appears on the proxy card. Proxy cards submitted by mail must be received no later than February 2, 2016 to be voted at the Annual Meeting.

By telephone or via the Internet. Instructions are shown on your Notice of Internet Availability or proxy card.

In person at the Annual Meeting. You may vote your shares in person at the Annual Meeting. Even if you plan to attend the Annual Meeting in person, we recommend that you also submit your proxy card or vote by telephone or via the Internet by the applicable deadline so that your vote will be counted if you later decide not to attend the meeting.

If you are a beneficial owner of Class A shares, you should receive a Notice of Internet Availability of Proxy Materials or voting instructions from the broker or other nominee holding your shares. You should follow the instructions in the Notice or the voting instructions provided by your broker or nominee in order to instruct your broker or nominee on how to vote your shares. The availability of telephone and Internet voting will depend on the voting process of the broker or nominee. Shares held beneficially may be voted in person at the Annual Meeting only if you obtain a legal proxy from the broker or nominee giving you the right to vote the shares.

If the Annual Meeting is adjourned or postponed, your proxy will still be effective and will be voted at the rescheduled or adjourned Annual Meeting. You will still be able to change or revoke your proxy until the rescheduled or adjourned Annual Meeting.

Change or Revoke a Proxy or Vote

If you are a stockholder of record, you may change or revoke your vote before the completion of voting at the Annual Meeting by:

signing and returning a new proxy card with a later date;

submitting a later-dated vote by telephone or via the Internet, since only your latest telephone or Internet vote received by 11:59 p.m. Eastern Time on February 2, 2016 will be counted;

attending the Annual Meeting in person and voting again (your attendance at the Annual Meeting without further action will not revoke your vote); or

Table of Contents

delivering a written revocation to our Corporate Secretary at Visa Inc., P.O. Box 8999, San Francisco, CA 94128-8999, before the Annual Meeting.

If you are a beneficial owner of Class A shares, you must follow the instructions provided by the broker or other nominee holding your shares for changing your vote.

How Proxies are Voted

If you are a Class A stockholder of record and you submit a proxy card, but you do not provide voting instructions on the card, your shares will be voted:

FOR the election of the eleven directors nominated by our board and named in this proxy statement;

FOR the approval, on an advisory basis, of the compensation paid to our named executive officers;

FOR the approval of the Visa Inc. 2007 Equity Incentive Compensation Plan, as amended and restated;

FOR the approval of the Visa Inc. Incentive Plan, as amended and restated; and

FOR the ratification of the appointment of KPMG LLP as our independent registered public accounting firm for fiscal year 2016.

If you are a beneficial owner of Class A shares and you do not provide the broker or other nominee that holds your shares with voting instructions, the broker or nominee will determine if it has the discretionary authority to vote on your behalf. Under the NYSE's rules, brokers and nominees have the discretion to vote on routine matters such as proposal 5, but do not have discretion to vote on non-routine matters such as proposals 1-4. Therefore, if you do not provide voting instructions to your broker or nominee, your broker or nominee may only vote your shares on proposal 5 and any other routine matters properly presented for a vote at the Annual Meeting.

Brokers or other nominees who hold shares of our Class A common stock for a beneficial owner have the discretion to vote on routine proposals when they have not received voting instructions from the beneficial owner at least ten days prior to the Annual Meeting. A broker non-vote occurs when a broker or other nominee does not receive voting instructions from the beneficial owner and does not have the discretion to direct the voting of the shares.

Broker non-votes will be counted for purposes of calculating whether a quorum is present at the Annual Meeting with respect to all of the proposals to be considered at the Annual Meeting. However, broker non-votes will not be counted for purposes of determining the number of votes present in person or represented by proxy and entitled to vote with respect to any of the proposals.

We need a quorum with respect to each proposal being submitted for stockholder vote. A quorum exists when holders of at least a majority of the outstanding shares of Class A common stock are represented at the Annual Meeting either in person or by proxy. As of the close of business on the Record Date, we had 1,935,671,482 shares of Class A common stock outstanding, meaning that holders of at least 967,835,742 shares of Class A common stock must be represented at the Annual Meeting in person or by proxy to have a quorum.

Your shares will be counted towards the quorum if you submit your vote by mail, by telephone, or via the Internet or if you vote in person at the Annual Meeting. Abstentions and broker non-votes also will count towards the quorum requirement. If a quorum is not met, holders of a majority of the shares of Class A common stock present at the Annual Meeting may adjourn the meeting to a later date.

Stockholder Nomination of Director Candidates and Other Stockholder Proposals for 2017 Annual Meeting

The submission deadline for stockholder proposals to be included in our proxy materials for the 2017 annual meeting of stockholders pursuant to Rule 14a-8 of the Exchange Act is August 13, 2016. All such proposals must be in writing and received by our Corporate Secretary at Visa Inc., P.O. Box 8999, San Francisco, CA 94128-8999 by the close of business on the required deadline in order to be considered for inclusion in our proxy materials for the 2017 annual meeting of stockholders. Submission of a proposal before the deadline does not guarantee its inclusion in our proxy materials.

Under our Bylaws, director nominations and other business may be brought before an annual meeting of stockholders only by or at the direction of the board or by a stockholder entitled to vote who has submitted a proposal in accordance with the requirements of our Bylaws as in effect from time to time. To propose a candidate to be considered for nomination at our 2017 annual meeting or for a proposal to be timely under the Bylaws as now in effect, stockholders must deliver or mail their nomination submission or other stockholder notice of a proposal so that it is received by our Corporate Secretary no earlier than 120 days and no later than 90 days prior to the date of the annual meeting. However, if we provide stockholders less than 100 days' notice or other prior public disclosure of the date of our 2017 annual meeting, we must receive stockholder nomination submissions no later than the close of business on the 10th day following the earlier of the day on which we mailed or otherwise publicly disclosed notice of the meeting date. The nomination submission or notice of a proposal must include all of the information specified in our Bylaws. For a nomination submission, the required information includes identifying and stockholding information about the nominee, information about the stockholder making the nomination, and the stockholder's ownership of and agreements related to our stock. It also must include the nominee's consent to serve if elected. Please refer to the advance notice provisions of our Bylaws for additional information and requirements regarding stockholder nominations or other stockholder proposals. A copy of our Bylaws may be obtained by visiting the Investor Relations page of our website at <http://investor.visa.com> under "Corporate Governance" or by writing to our Corporate Secretary at Visa Inc., P.O. Box 8999, San Francisco, CA 94128-8999.

Stockholders Sharing the Same Address

The SEC has adopted rules that allow a company to deliver a single proxy statement or annual report to an address shared by two or more of its stockholders. This method of delivery, known as "householding," permits us to realize significant cost savings, reduces the amount of duplicate information stockholders receive, and reduces the environmental impact of printing and mailing documents to our stockholders. Under this process, certain stockholders will receive only one copy of our proxy materials and any additional proxy materials that are delivered until such time as one or more of these stockholders notifies us that they want to receive separate copies. Any stockholders who object to or wish to begin householding may contact our Investor Relations Department at (650) 432-7644 or Investor Relations, Visa Inc., P.O. Box 8999, San Francisco, CA 94128-8999. We will send an individual copy of the proxy statement to any stockholder who revokes their consent to householding within 30 days of our receipt of such revocation.

Fiscal Year 2015 Annual Report and SEC Filings

Our financial statements for the fiscal year ended September 30, 2015 are included in our Annual Report on Form 10-K, which we will make available to stockholders at the same time as this proxy statement. Our Annual Report and this proxy statement are posted on our website at <http://investor.visa.com> and are available from the SEC at its website at www.sec.gov. If you do not have access to the Internet or have not received a copy of our Annual Report, you may

request a copy of it or any exhibits thereto without charge by writing to our Corporate Secretary at Visa Inc., P.O. Box 8999, San Francisco, CA 94128-8999.

DEFINITIONS

Whenever used in the Plan, the following terms shall have the meanings set forth below, and when the meaning is intended, the initial letter of the word shall be capitalized:

2.1 **Affiliate** means any entity (other than the Company and any Subsidiary) (a) in which the Company owns or controls, directly or indirectly fifty percent (50%) or more of the voting power or economic interests of such entity, or (b) that is affiliated with the Company through stock or equity ownership or otherwise and is designated as an Affiliate for purposes of the Plan by the Committee.

The Committee may provide for the use of electronic, internet or other non-paper Award Agreements, and the use of electronic, internet or other non-paper means for the acceptance thereof and actions thereunder by a Participant.

(a) an acquisition in one transaction or a series of related transactions (other than directly from the Company or pursuant to Awards granted under the Plan or compensatory options or other similar awards granted by the Company) by any Person of any Voting Securities of the Company, immediately after which such Person has Beneficial Ownership of more than fifty percent (50%) of the combined voting power of the Company's then outstanding Voting Securities; provided, however, that in determining whether a Change of Control has occurred pursuant to this Section 2.9(a), Voting Securities of the Company which are acquired in a Non-Control Acquisition shall not constitute an acquisition that would cause a Change of Control; or

(b) any Person acquires (or has acquired during the twelve (12)-month period ending on the date of the most recent acquisition by such Person), other than directly from the Company or pursuant to Awards granted under the Plan or compensatory options or other similar awards granted by the Company, Beneficial Ownership of Voting Securities of the Company possessing thirty-five percent (35%) or more of the combined voting power of the Company's then outstanding Voting Securities; provided, however, that in determining whether a Change of Control has occurred pursuant to this Section 2.9(b), Voting Securities of the Company which are acquired in a Non-Control Acquisition shall not constitute an acquisition that would cause a Change of Control; or

however, that if the election, or nomination for election of any new director was approved by a vote of at least a majority of the Company Incumbent Board, such new

director shall, for purposes of the Plan, be considered as a member of the Company Incumbent Board; provided further, however, that no individual shall be considered a member of the Company Incumbent Board if such individual initially assumed office as a result of either an actual or threatened Election Contest (as described in Rule 14a-12(c) promulgated under the Exchange Act) or other actual or threatened solicitation of proxies or consents by or on behalf of a Person other than the Board (a Company Proxy Contest) including by reason of any agreement intended to avoid or settle any Election Contest or Company Proxy Contest; or

(d) the consummation of any merger, consolidation, recapitalization or reorganization involving the Company unless:

(i) the stockholders of the Company, immediately before such merger, consolidation, recapitalization or reorganization, own, directly or indirectly, immediately following such merger, consolidation, recapitalization or reorganization, more than fifty percent (50%) of the combined voting power of the outstanding Voting Securities of the corporation resulting from such merger or consolidation or reorganization (the Company Surviving Corporation) in substantially the same proportion as their ownership of the Voting Securities of the Company immediately before such merger, consolidation, recapitalization or reorganization; and

(ii) the individuals who were members of the Company Incumbent Board immediately prior to the execution of the agreement providing for such merger, consolidation, recapitalization or reorganization constitute at least a majority of the members of the board of directors of the Company Surviving Corporation, or a corporation Beneficially Owning, directly or indirectly, a majority of the voting securities of the Company Surviving Corporation, and

Notwithstanding the foregoing, a Change of Control shall not be deemed to occur solely because any Person (the Subject Person) acquired Beneficial Ownership of more than fifty percent (50%) of the combined voting power of the then outstanding Voting Securities of the Company as a result of the acquisition of Voting Securities of the Company by the Company which, by reducing the number of Voting Securities of the Company then outstanding, increases the proportional number of shares Beneficially Owned by the Subject Persons, provided that if a Change of Control would occur (but for the operation of this sentence) as a result of the acquisition of Voting Securities by the Company and (1) before such share acquisition by the Company the Subject Person becomes the Beneficial Owner of any new or additional Voting Securities of the Company in a related transaction or (2) after such share acquisition by the Company the Subject Person becomes the Beneficial

2.59 Voting Securities shall mean, with respect to any Person that is a corporation, all outstanding voting securities of such Person entitled to vote generally in the election of the board of directors of such Person.

ARTICLE III

ADMINISTRATION

3.1 General. The Committee shall have exclusive authority to operate, manage and administer the Plan in accordance with its terms and conditions. Notwithstanding the foregoing, in its absolute discretion, the Board may at any time and from time to time exercise any and all rights, duties and responsibilities of the Committee under the Plan, including establishing procedures to be followed by the Committee, but excluding matters which under any applicable law, regulation or rule, including any exemptive rule under Section 16 of the Exchange Act (including Rule 16b-3), are required to be determined in the sole discretion of the Committee. If and to the extent that the Committee does not exist or cannot function, the Board may take any action under the Plan that would otherwise be the responsibility of the Committee, subject to the limitations set forth in the immediately preceding sentence.

3.2 Committee. The members of the Committee shall be appointed from time to time by, and shall serve at the discretion of, the Board of Directors. Appointment of Committee members shall be effective upon their acceptance of such appointment. Committee members may be removed by the Board at any time either with or without cause, and such members may resign at any time by delivering notice thereof to the Board. Any vacancy on the Committee, whether due to action of the Board or any other reason, shall be filled by the Board. A majority of the Committee shall constitute a quorum and a majority of a quorum may authorize any action. Any decision reduced to writing and signed by a majority of the members of the Committee shall be fully effective as if it has been made at a meeting duly held.

3.3 Authority of the Committee. The Committee shall have full discretionary authority to grant, pursuant to the terms of the Plan, Awards to those individuals who are eligible to receive Awards under the Plan. Except as limited by law or by the Certificate of Incorporation or By-Laws of the Company, and subject to the provisions herein, the Committee shall have full power, in accordance with the other terms and provisions of the Plan, to:

- (a) select Employees, Non-Employee Directors and Consultants who may receive Awards under the Plan and become Participants;
- (b) determine eligibility for participation in the Plan and decide all questions concerning eligibility for, and the amount of, Awards under the Plan;

- (h) construe and interpret the Plan and any agreement or instrument entered into under the Plan, including any Award Agreement;
- (i) establish and administer any terms, conditions, restrictions, limitations, forfeiture, vesting or exercise schedule, and other provisions of or relating to any Award;

- (k) construe any ambiguous provisions, correct any defects, supply any omissions and reconcile any inconsistencies in the Plan and/or any Award Agreement or any other instrument relating to any Awards;

- (p) at any time and from time to time after the granting of an Award, specify such additional terms, conditions and restrictions with respect to such Award as may be deemed necessary or appropriate to ensure compliance with any and all applicable laws or rules, including terms, restrictions and conditions for compliance with applicable securities laws or listing rules, methods of withholding or providing for the payment of required taxes and restrictions regarding a Participant's ability to exercise Options through a cashless (broker-assisted) exercise;
- (q) subject to the provisions of Section 15.1, offer to buy out an Award previously granted, based on such terms and conditions as the Committee shall establish with and communicate to the Participant at the time such offer is made;

- (s) exercise all such other authorities, take all such other actions and make all such other determinations as it deems necessary or advisable for the proper operation and/or administration of the Plan.

3.4 **Award Agreements.** The Committee shall, subject to applicable laws and rules, determine the date an Award is granted. Each Award shall be evidenced by an Award Agreement; however, two or more

Table of Contents

Awards granted to a single Participant may be combined in a single Award Agreement. An Award Agreement shall not be a precondition to the granting of an Award; provided, however, that (a) the Committee may, but need not, require as a condition to any Award Agreement's effectiveness, that such Award Agreement be executed on behalf of the Company and/or by the Participant to whom the Award evidenced thereby shall have been granted (including by electronic signature or other electronic indication of acceptance), and such executed Award Agreement be delivered to the Company, and (b) no person shall have any rights under any Award unless and until the Participant to whom such Award shall have been granted has complied with the applicable terms and conditions of the Award. The Committee shall prescribe the form of all Award Agreements, and, subject to the terms and conditions of the Plan, shall determine the content of all Award Agreements. In the event of any dispute or discrepancy concerning the terms of an Award, the records of the Committee or its designee shall be determinative.

3.5 Discretionary Authority; Decisions Binding. The Committee shall have full discretionary authority in all matters related to the discharge of its responsibilities and the exercise of its authority under the Plan. All determinations, decisions, actions and interpretations by the Committee with respect to the Plan and any Award Agreement, and all related orders and resolutions of the Committee shall be final, conclusive and binding on all Participants, the Company and its stockholders, any Subsidiary or Affiliate and all persons having or claiming to have any right or interest in or under the Plan and/or any Award Agreement. The Committee shall consider such factors as it deems relevant to making or taking such decisions, determinations, actions and interpretations, including the recommendations or advice of any Director or officer or employee of the Company, any director, officer or employee of a Subsidiary or Affiliate and such attorneys, consultants and accountants as the Committee may select. A Participant or other holder of an Award may contest a decision or action by the Committee with respect to such person or Award only on the grounds that such decision or action was arbitrary or capricious or was unlawful, and any review of such decision or action shall be limited to determining whether the Committee's decision or action was arbitrary or capricious or was unlawful.

3.6 Delegation of Administration. Except to the extent prohibited by applicable law, including any applicable exemptive rule under Section 16 of the Exchange Act (including Rule 16b-3), or the applicable rules of a stock exchange, the Committee may, in its discretion, allocate all or any portion of its responsibilities and powers under this Article III to any one or more of its members and/or delegate all or any part of its responsibilities and powers under this Article III to any person or persons selected by it; provided, however, that the Committee may not (a) delegate to any executive officer of the Company or an Affiliate, or a committee that includes any such executive officer, the Committee's authority to grant Awards, or the Committee's authority otherwise concerning Awards, awarded to executive officers of the Company or an Affiliate; (b) delegate the Committee's authority to grant Awards to consultants unless any such Award is subject to approval by the Committee; (c) delegate its authority to correct defects, omissions or inconsistencies in the Plan; or (d) delegate its authority with respect to Awards that are intended to qualify as performance-based compensation under Section 162(m) of the Code if such delegation would cause the Awards to fail to so qualify. Any such authority delegated or allocated by the Committee under this Section 3.6 shall be exercised in accordance with the terms and conditions of the Plan and any rules, regulations or administrative guidelines that may from time to time be established by the Committee, and any such allocation or delegation may be revoked by the Committee at any time.

ARTICLE IV**SHARES SUBJECT TO THE PLAN**

4.1 Number of Shares Available for Grants. The shares of stock subject to Awards granted under the Plan shall be Shares. Such Shares subject to the Plan may be either authorized and unissued shares or previously issued shares acquired by the Company or any Subsidiary. Of the 236,000,000 Shares originally reserved under the Plan, as of

September 30, 2015, 154,144,637 Shares remained available for issuance of new Awards and 16,452,224 Shares were subject to outstanding Awards, such Share amounts subject to adjustment

as provided in Section 4.2. Subject to, in the case of ISOs, any limitations applicable thereto under the Code, if (a) any Shares are subject to an Option, SAR, or other Award which for any reason expires or is terminated or canceled without having been fully exercised or satisfied, or are subject to any Restricted Stock Award (including any Shares subject to a Participant's Restricted Stock Award that are repurchased by the Company at the Participant's cost), Restricted Stock Unit Award or other Award granted under the Plan which are forfeited, or (b) any Award based on Shares is settled for cash, expires or otherwise terminates without the issuance of such Shares, the Shares subject to such Award shall, to the extent of any such expiration, termination, cancellation, forfeiture or cash settlement, be available for delivery in connection with future Awards under the Plan. Any Shares delivered under the Plan upon exercise or satisfaction of Substitute Awards shall not reduce the Shares available for delivery under the Plan; provided, however, that the total number of Shares that may be delivered pursuant to Incentive Stock Options granted under the Plan shall be the number of Shares set forth in the third sentence of this Section 4.1, as adjusted pursuant to this Section 4.1, but without application of the foregoing provisions of this sentence.

4.2 Adjustments in Authorized Shares. In the event of any corporate event or transaction (including a change in the Shares or the capitalization of the Company), such as a reclassification, recapitalization, merger, consolidation, reorganization (whether or not such reorganization comes within the definition of such term in Section 368 of the Code), issuance of warrants or rights, dividend or other distribution (whether in the form of cash, stock or other property), stock split or reverse stock split, spin-off, split-up, combination or exchange of shares, repurchase of shares, or other like change in corporate structure, partial or complete liquidation of the Company or distribution (other than normal cash dividends) to stockholders of the Company, or any similar corporate event or transaction, the Committee shall substitute or adjust, as applicable, the number, class and kind of securities which may be delivered under Section 4.1; the number, class and kind, and/or price (such as the Option Price of Options or the Grant Price of SARs) of securities subject to outstanding Awards; the numerical limits set forth in Section 5.3; and other value determinations applicable to outstanding Awards, in order to prevent dilution or enlargement of Participants' rights under the Plan; provided, however, that the number of Shares subject to any Award shall always be a whole number. The Committee shall also make appropriate adjustments and modifications in the terms of any outstanding Awards to reflect or related to any such events, adjustments, substitutions or changes. Any adjustment, substitution or change pursuant to this Section 4.2 made with respect to an Award intended to be an Incentive Stock Option shall be made only to the extent consistent with such intent, unless the Committee determines otherwise. The Committee shall not make any adjustment pursuant to this Section 4.2 that would cause an Award that is otherwise exempt from Code Section 409A to become subject to Code Section 409A, or that would cause an Award that is subject to Code Section 409A to fail to satisfy the requirements of Code Section 409A. All determinations of the Committee as to adjustments or changes, if any, under this Section 4.2 shall be conclusive and binding on the Participants.

4.3 No Limitation on Corporate Actions. The existence of the Plan and any Awards granted hereunder shall not affect in any way the right or power of the Company, any Subsidiary or any Affiliate to make or authorize any adjustment, recapitalization, reorganization or other change in its capital structure or business structure, any merger or consolidation, any issuance of debt, preferred or prior preference stock ahead of or affecting the Shares, additional shares of capital stock or other securities or subscription rights thereto, any dissolution or liquidation, any sale or transfer of all or part of its assets or business or any other corporate act or proceeding.

ARTICLE V**ELIGIBILITY, PARTICIPATION AND INDIVIDUAL LIMITATIONS ON AWARDS**

5.1 Eligibility. Employees, Non-Employee Directors and Consultants shall be eligible to become Participants and receive Awards in accordance with the terms and conditions of the Plan, subject to the limitations on the granting of ISOs set forth in Section 6.8(a).

Table of Contents

5.2 **Actual Participation.** Subject to the provisions of the Plan, the Committee may, from time to time, select Participants from all eligible Employees, Non-Employee Directors and Consultants and shall determine the nature and amount of each Award.

5.3 **Individual Limitations on Awards.**

(a) **Individual Limit for Options and SARs.** The maximum number of Shares with respect to which Options and SARs may be granted to any Participant in any Fiscal Year shall be 8,000,000. In connection with a Participant's commencement of service for the Company, any Affiliate or Subsidiary, as applicable, a Participant may be granted Options and SARs for up to an additional 8,000,000 Shares which shall not count against the limit set forth in the previous sentence. The foregoing limitation(s) shall be adjusted proportionately in connection with any change in the Company's capitalization pursuant to Section 4.2. To the extent required by Section 162(m) of the Code or the regulations thereunder, in applying the foregoing limitation(s) with respect to a Participant, if any Option or SAR is canceled, the canceled Option or SAR shall continue to count against the maximum number of Shares with respect to which Options and SARs may be granted to the Participant.

(b) **Individual Limit for Restricted Stock, Restricted Stock Units, and Performance Shares.** For awards of Restricted Stock, Restricted Stock Units, and Performance Shares that are intended to qualify as performance-based compensation under Code Section 162(m), the maximum number of Awards that may be granted to any Participant in any Fiscal Year shall be 8,000,000 Shares. The foregoing limitation shall be adjusted proportionately in connection with any change in the Company's capitalization pursuant to Section 4.2.

(c) **Performance Units and Cash-Based Awards.** For awards of Performance Units and Cash-Based Awards that are intended to qualify as performance-based compensation under Code Section 162(m), the maximum amount that may be paid to a Participant pursuant to such Awards for an annual Performance Period shall be \$30,000,000 and for any other Performance Period, such amount multiplied by a fraction, the numerator of which is the number of months in the Performance Period and the denominator of which is twelve (12). The foregoing limitation shall be adjusted proportionately in connection with any change in the Company's capitalization pursuant to Section 4.2.

(d) **Individual Limit for Awards to Non-Employee Directors.** The maximum grant date fair value, determined in accordance with the Company's standard accounting principles, of Awards that may be granted to any Non-Employee Director in any Fiscal Year shall be \$500,000.

ARTICLE VI

STOCK OPTIONS

6.1 **Grant of Options.** Subject to the terms and provisions of the Plan, Options may be granted to Participants in such number, and upon such terms, and at any time and from time to time as shall be determined by the Committee.

6.2 **Award Agreement.** Each Option grant shall be evidenced by an Award Agreement that shall specify the Option Price, the maximum duration of the Option, the number of Shares to which the Option pertains, the conditions upon which the Option shall become exercisable and such other provisions as the Committee shall determine, which are not inconsistent with the terms of the Plan. The Award Agreement also shall specify whether the Option is intended to be an ISO or an NQSO. To the extent that any Option does not qualify as an ISO (whether because of its provisions or the time or manner of its exercise or otherwise), such Option, or the portion thereof which does not so qualify, shall constitute a separate NQSO.

A-12

Table of Contents

6.3 Option Price. The Option Price for each Option shall be determined by the Committee and set forth in the Award Agreement; provided that, subject to Section 6.8(c), the Option Price of an Option shall be not less than one hundred percent (100%) of the Fair Market Value of a Share on the date the Option is granted; provided further, that Substitute Awards or Awards granted in connection with an adjustment provided for in Section 4.2, in the form of stock options, shall have an Option Price per Share that is intended to maintain the economic value of the Award that was replaced or adjusted, as determined by the Committee.

6.4 Duration of Options. Each Option granted to a Participant shall expire at such time as the Committee shall determine at the time of grant and set forth in the Award Agreement; provided, however, that no Option shall be exercisable later than the tenth (10th) anniversary of its date of grant, subject to the respective last sentences of Sections 6.5 and 6.8(c).

6.5 Exercise of Options. Options shall be exercisable at such times and be subject to such restrictions and conditions as the Committee shall in each instance determine and set forth in the Award Agreement, which need not be the same for each grant or for each Option or Participant. An Award Agreement may provide that the period of time over which an Option other than an ISO may be exercised shall be automatically extended if on the scheduled expiration date of such Option the Participant's exercise of such Option would violate applicable securities laws; provided, however, that during such extended exercise period the Option may only be exercised to the extent the Option was exercisable in accordance with its terms immediately prior to such scheduled expiration date; provided further, however, that such extended exercise period shall end not later than thirty (30) days after the exercise of such Option first would no longer violate such laws.

6.6 Payment. Options shall be exercised by the delivery of a written notice of exercise to the Company, in a form specified or accepted by the Committee, or by complying with any alternative exercise procedures that may be authorized by the Committee, setting forth the number of Shares with respect to which the Option is to be exercised, accompanied by full payment for such Shares, which shall include applicable taxes, if any, in accordance with Article XVII. The Option Price upon exercise of any Option shall be payable to the Company in full either: (a) in cash or its equivalent; (b) subject to such terms, conditions and limitations as the Committee may prescribe, by tendering (either by actual delivery or attestation) unencumbered Shares previously acquired by the Participant exercising such Option having an aggregate Fair Market Value at the time of exercise equal to the total Option Price, (c) by a combination of (a) and (b); or (d) by any other method approved or accepted by the Committee in its sole discretion, including, if the Committee so determines, (x) a cashless (broker-assisted) exercise that complies with all applicable laws or (y) withholding of Shares otherwise deliverable to the Participant pursuant to the Option having an aggregate Fair Market Value at the time of exercise equal to the total Option Price. Subject to any governing rules or regulations, as soon as practicable after receipt of a written notification of exercise and full payment in accordance with the preceding provisions of this Section 6.6, the Company shall deliver to the Participant exercising an Option, in the Participant's name, evidence of book entry Shares, or, upon the Participant's request, Share certificates, in an appropriate amount based upon the number of Shares purchased under the Option, subject to Section 20.10. Unless otherwise determined by the Committee, all payments under all of the methods described above shall be paid in United States dollars.

6.7 Termination of Employment or Service. Except as otherwise provided in the Award Agreement, an Option may be exercised only to the extent that it is then exercisable, and if at all times during the period beginning with the date of granting of such Option and ending on the date of exercise of such Option the Participant is an Employee, Non-Employee Director or Consultant, and shall terminate immediately upon a Termination of the Participant. An Option shall cease to become exercisable upon a Termination of the holder thereof. Notwithstanding the foregoing provisions of this Section 6.7 to the contrary, the Committee may determine in its discretion that an Option may be exercised following any such Termination, whether or not exercisable at the time of such Termination; provided, however, that in no event may an Option be exercised after the expiration date of such Option specified in the

applicable Award Agreement, except as provided in the last sentence of Section 6.5.

6.8 Limitations on Incentive Stock Options.

(a) **General.** No ISO shall be granted to any individual otherwise eligible to participate in the Plan who is not an Employee of the Company or a Subsidiary on the date of granting of such Option. Any ISO granted under the Plan shall contain such terms and conditions, consistent with the Plan, as the Committee may determine to be necessary to qualify such Option as an incentive stock option under Section 422 of the Code. Any ISO granted under the Plan may be modified by the Committee to disqualify such Option from treatment as an incentive stock option under Section 422 of the Code.

(b) **\$100,000 Per Year Limitation.** Notwithstanding any intent to grant ISOs, an Option granted under the Plan will not be considered an ISO to the extent that it, together with any other incentive stock options (within the meaning of Section 422 of the Code, but without regard to subsection (d) of such Section) under the Plan and any other incentive stock option plans of the Company, any Subsidiary and any parent corporation of the Company within the meaning of Section 424(e) of the Code, are exercisable for the first time by any Participant during any calendar year with respect to Shares having an aggregate Fair Market Value in excess of \$100,000 (or such other limit as may be required by the Code) as of the time the Option with respect to such Shares is granted. The rule set forth in the preceding sentence shall be applied by taking Options into account in the order in which they were granted.

(c) **Options Granted to Certain Stockholders.** No ISO shall be granted to an individual otherwise eligible to participate in the Plan who owns (within the meaning of Section 424(d) of the Code), at the time the Option is granted, more than ten percent (10%) of the total combined voting power of all classes of stock of the Company or a Subsidiary or any parent corporation of the Company within the meaning of Section 424(e) of the Code. This restriction does not apply if at the time such ISO is granted the Option Price of the ISO is at least one hundred ten percent (110%) of the Fair Market Value of a Share on the date such ISO is granted, and the ISO by its terms is not exercisable after the expiration of five (5) years from such date of grant.

ARTICLE VII

STOCK APPRECIATION RIGHTS

7.1 **Grant of SARs.** Subject to the terms and conditions of the Plan, SARs may be granted to Participants at any time and from time to time as shall be determined by the Committee. The Committee may grant an SAR (a) in connection and simultaneously with the grant of an Option (a Tandem SAR) or (b) independent of, and unrelated to, an Option (a Freestanding SAR).

7.2 **Grant Price.** The Grant Price for each SAR shall be determined by the Committee and set forth in the Award Agreement, subject to the limitations of this Section 7.2. The Grant Price for each Freestanding SAR shall be not less than one hundred percent (100%) of the Fair Market Value of a Share on the date such Freestanding SAR is granted, except in the case of Substitute Awards or Awards granted in connection with an adjustment provided for in Section 4.2. The Grant Price of a Tandem SAR shall be equal to the Option Price of the related Option.

7.3 **Exercise of Tandem SARs.** Tandem SARs may be exercised for all or part of the Shares subject to the related Option upon the surrender of the right to exercise the equivalent portion of the related Option. A Tandem SAR shall be exercisable only when and to the extent the related Option is exercisable and may be exercised only with respect to the Shares for which the related Option is then exercisable. A Tandem SAR shall entitle a Participant to elect, in the manner set forth in the Plan and the applicable Award Agreement, in lieu of exercising his or her unexercised related Option for all or a portion of the Shares for which such Option is then exercisable pursuant to its terms, to surrender such Option to the Company with respect to any or all of such Shares and to receive from the Company in exchange

therefor a payment described in Section 7.7. An Option with respect to which a Participant has elected to exercise a Tandem SAR shall, to the extent of the Shares

A-14

covered by such exercise, be canceled automatically and surrendered to the Company. Such Option shall thereafter remain exercisable according to its terms only with respect to the number of Shares as to which it would otherwise be exercisable, less the number of Shares with respect to which such Tandem SAR has been so exercised.

Notwithstanding any other provision of the Plan to the contrary, with respect to a Tandem SAR granted in connection with an ISO: (a) the Tandem SAR will expire no later than the expiration of the related ISO; (b) the value of the payment with respect to the Tandem SAR may not exceed the difference between the Fair Market Value of the Shares subject to the related ISO at the time the Tandem SAR is exercised and the Option Price of the related ISO; and (c) the Tandem SAR may be exercised only when the Fair Market Value of the Shares subject to the ISO exceeds the Option Price of the ISO.

7.4 **Exercise of Freestanding SARs.** Freestanding SARs may be exercised upon whatever terms and conditions the Committee, in its sole discretion, in accordance with the Plan, determines and sets forth in the Award Agreement. An Award Agreement may provide that the period of time over which a Freestanding SAR may be exercised shall be automatically extended if on the scheduled expiration date of such SAR the Participant's exercise of such SAR would violate applicable securities laws; provided, however, that during such extended exercise period the SAR may only be exercised to the extent the SAR was exercisable in accordance with its terms immediately prior to such scheduled expiration date; provided further, however, that such extended exercise period shall end not later than thirty (30) days after the exercise of such SAR first would no longer violate such laws.

7.5 **Award Agreement.** Each SAR grant shall be evidenced by an Award Agreement that shall specify the number of Shares to which the SAR pertains, the Grant Price, the term of the SAR, and such other terms and conditions as the Committee shall determine in accordance with the Plan.

7.6 **Term of SARs.** The term of a SAR granted under the Plan shall be determined by the Committee, in its sole discretion; provided, however, that the term of any Tandem SAR shall be the same as the related Option and no SAR shall be exercisable more than ten (10) years after it is granted, subject to the last sentence of Section 6.5 in the case of a Tandem SAR.

7.7 **Payment of SAR Amount.** An election to exercise SARs shall be deemed to have been made on the date of Notice of such election to the Company. As soon as practicable following such Notice, the Participant shall be entitled to receive payment from the Company in an amount determined by multiplying:

- (a) The excess of the Fair Market Value of a Share on the date of exercise over the Grant Price of the SAR; by
- (b) The number of Shares with respect to which the SAR is exercised.

Notwithstanding the foregoing provisions of this Section 7.7 to the contrary, the Committee may establish and set forth in the applicable Award Agreement a maximum amount per Share that will be payable upon the exercise of a SAR. At the discretion of the Committee, such payment upon exercise of a SAR shall be in cash, in Shares of equivalent Fair Market Value, or in some combination thereof.

7.8 **Termination of Employment or Service.** Except as otherwise provided in the Award Agreement, a SAR may be exercised only to the extent that it is then exercisable, and if at all times during the period beginning with the date of granting of such SAR and ending on the date of exercise of such SAR the Participant is an Employee, Non-Employee Director or Consultant, and shall terminate immediately upon a Termination of the Participant. A SAR shall cease to become exercisable upon a Termination of the holder thereof. Notwithstanding the foregoing provisions of this Section 7.8 to the contrary, the Committee may determine in its discretion that a SAR may be exercised following any such Termination, whether or not exercisable at the time of such Termination; provided, however, that

in no event may a SAR be exercised after the expiration date of such SAR specified in the applicable Award Agreement, except as provided in the last

A-15

sentence of Section 6.5 (in the case of Tandem SARs) or in the last sentence of Section 7.4 (in the case of Freestanding SARs). To the extent applicable to any Tandem SAR, the foregoing provisions of this Section 7.8 are subject to the provisions of Section 6.8, pursuant to the provisions Section 7.3.

ARTICLE VIII

RESTRICTED STOCK AND RESTRICTED STOCK UNITS

8.1 **Awards of Restricted Stock and Restricted Stock Units.** Subject to the terms and provisions of the Plan, the Committee, at any time and from time to time, may grant Shares of Restricted Stock and/or Restricted Stock Units to Participants in such amounts as the Committee shall determine.

8.2 **Award Agreement.** Each Restricted Stock and/or Restricted Stock Unit Award shall be evidenced by an Award Agreement that shall specify the Period of Restriction, the number of Shares of Restricted Stock or the number of Restricted Stock Units granted, and such other provisions as the Committee shall determine in accordance with the Plan.

8.3 **Non-Transferability of Restricted Stock.** Except as provided in this Article VIII, Shares of Restricted Stock may not be sold, transferred, pledged, assigned, encumbered, alienated, hypothecated or otherwise disposed of until the end of the applicable Period of Restriction established by the Committee and specified in the Restricted Stock Award Agreement.

8.4 **Period of Restriction and Other Restrictions.** The Period of Restriction shall lapse based on continuing service as a Non-Employee Director or Consultant or continuing employment with the Company, a Subsidiary or an Affiliate, the achievement of performance goals, the satisfaction of other conditions or restrictions or upon the occurrence of other events, in each case, as determined by the Committee, at its discretion, and stated in the Award Agreement. If the grants of Restricted Stock or Restricted Stock Units are intended to qualify as performance-based compensation under Code Section 162(m), the Committee will set restrictions based upon the achievement of the performance goals set forth in Section 9.3 and will determine achievement of such goals in accordance with Section 9.3.

8.5 **Delivery of Shares, Payment of Restricted Stock Units.** Subject to Section 20.10, after the last day of the Period of Restriction applicable to a Participant's Shares of Restricted Stock, and after all conditions and restrictions applicable to such Shares of Restricted Stock have been satisfied or lapse (including satisfaction of any applicable withholding tax obligations), pursuant to the applicable Award Agreement, such Shares of Restricted Stock shall become freely transferable by such Participant. After the last day of the Period of Restriction applicable to a Participant's Restricted Stock Units, and after all conditions and restrictions applicable to Restricted Stock Units have been satisfied or lapse (including satisfaction of any applicable withholding tax obligations), pursuant to the applicable Award Agreement, such Restricted Stock Units shall be settled by delivery of Shares, a cash payment determined by reference to the then-current Fair Market Value of Shares or a combination of Shares and such cash payment as the Committee, in its sole discretion, shall determine, either by the terms of the Award Agreement or otherwise.

8.6 **Forms of Restricted Stock Awards.** Each Participant who receives an Award of Shares of Restricted Stock shall be issued a stock certificate or certificates evidencing the Shares covered by such Award registered in the name of such Participant, which certificate or certificates may contain an appropriate legend. The Committee may require a Participant who receives a certificate or certificates evidencing a Restricted Stock Award to immediately deposit such certificate or certificates, together with a stock power or other appropriate instrument of transfer, endorsed in blank by

the Participant, with signatures guaranteed in accordance with the Exchange Act if required by the Committee, with the Secretary of the Company or an escrow holder as provided in the immediately following sentence. The Secretary of the Company or such escrow holder as the Committee may appoint shall retain physical custody of each certificate representing a Restricted Stock Award until the Period of Restriction and any

other restrictions imposed by the Committee or under the Award Agreement with respect to the Shares evidenced by such certificate expire or shall have been removed. The foregoing to the contrary notwithstanding, the Committee may, in its discretion, provide that a Participant's ownership of Shares of Restricted Stock prior to the lapse of the Period of Restriction or any other applicable restrictions shall, in lieu of such certificates, be evidenced by a book entry (i.e., a computerized or manual entry) in the records of the Company or its designated agent in the name of the Participant who has received such Award. Such records of the Company or such agent shall, absent manifest error, be binding on all Participants who receive Restricted Stock Awards evidenced in such manner. The holding of Shares of Restricted Stock by the Company or such an escrow holder, or the use of book entries to evidence the ownership of Shares of Restricted Stock, in accordance with this Section 8.6, shall not affect the rights of Participants as owners of the Shares of Restricted Stock awarded to them, nor affect the restrictions applicable to such shares under the Award Agreement or the Plan, including the Period of Restriction.

8.7 **Voting Rights.** Unless otherwise determined by the Committee and set forth in a Participant's Award Agreement, to the extent permitted or required by law, as determined by the Committee, Participants holding Shares of Restricted Stock shall be granted the right to exercise full voting rights with respect to those Shares during the Period of Restriction. A Participant shall have no voting rights with respect to any Restricted Stock Units.

8.8 **Dividends and Other Distributions.** During the Period of Restriction, Participants holding Shares of Restricted Stock shall be credited with any cash dividends paid with respect to such Shares while they are so held, unless determined otherwise by the Committee and set forth in the Award Agreement. The Committee may apply any restrictions to such dividends that the Committee deems appropriate. Except as set forth in the Award Agreement, in the event of (a) any adjustment as provided in Section 4.2, or (b) any shares or securities are received as a dividend, or an extraordinary dividend is paid in cash, on Shares of Restricted Stock, any new or additional Shares or securities or any extraordinary dividends paid in cash received by a recipient of Restricted Stock shall be subject to the same terms and conditions, including the Period of Restriction, as it relates to the original Shares of Restricted Stock.

8.9 **Termination of Employment or Service.** Except as otherwise provided in this Section 8.9, during the Period of Restriction, any Restricted Stock Units and/or Shares of Restricted Stock held by a Participant shall be forfeited and revert to the Company (or, if Shares of Restricted Stock were sold to the Participant, the Participant shall be required to resell such Shares to the Company at cost) upon the Participant's Termination or the failure to meet or satisfy any applicable performance goals or other terms, conditions and restrictions to the extent set forth in the applicable Award Agreement. Each applicable Award Agreement shall set forth the extent to which, if any, the Participant shall have the right to retain Restricted Stock Units and/or Shares of Restricted Stock, then subject to the Period of Restriction, following such Participant's Termination. Such provisions shall be determined in the sole discretion of the Committee, shall be included in the applicable Award Agreement, need not be uniform among all such Awards issued pursuant to the Plan, and may reflect distinctions based on the reasons for, or circumstances of, such Termination.

PERFORMANCE UNITS, PERFORMANCE SHARES,

AND CASH-BASED AWARDS

9.1 **Grant of Performance Units, Performance Shares and Cash-Based Awards.** Subject to the terms of the Plan, Performance Units, Performance Shares, and/or Cash-Based Awards may be granted to Participants in such amounts and upon such terms, and at any time and from time to time, as shall be determined by the Committee, in accordance with the Plan. A Performance Unit, Performance Share or Cash-Based Award entitles the Participant who receives such Award to receive Shares or cash upon the attainment of performance goals and/or satisfaction of other terms and

conditions determined by the Committee when the Award is granted

and set forth in the Award Agreement. Such entitlements of a Participant with respect to his or her outstanding Performance Unit, Performance Share or Cash-Based Award shall be reflected by a bookkeeping entry in the records of the Company, unless otherwise provided by the Award Agreement.

9.2 Value of Performance Units, Performance Shares and Cash-Based Awards. Each Performance Unit shall have an initial value that is established by the Committee at the time of grant. Each Performance Share shall have an initial value equal to the Fair Market Value of a Share on the date of grant. Each Cash-Based Award shall have a value as shall be determined by the Committee. The Committee shall set performance goals in its discretion which, depending on the extent to which they are met, will determine the number and/or value of Performance Units and Performance Shares and Cash-Based Awards that will be paid out to the Participant.

9.3 Earning of Performance Units, Performance Shares and Cash-Based Awards. Subject to the terms of the Plan, after the applicable Performance Period has ended, the holder of Performance Units, Performance Shares or Cash-Based Awards shall be entitled to receive payment on the number and value of Performance Units, Performance Shares or Cash-Based Awards earned by the Participant over the Performance Period, to be determined as a function of the extent to which the corresponding performance goals and/or other terms and conditions have been achieved or satisfied. The Committee shall determine the extent to which any such pre-established performance goals and/or other terms and conditions of a Performance Unit, Performance Share or Cash-Based Award are attained or not attained following conclusion of the applicable Performance Period. The Committee may, in its discretion, waive any such performance goals and/or other terms and conditions relating to any such Award. The performance goals applicable to a payment hereunder may provide for a targeted level or levels of achievement using one or more of the following measures:

net sales	appreciation in and/or maintenance of the price of the Shares or any other publicly-traded securities of the Company	expense levels	sales or licenses of the Company's assets, including its intellectual property, whether in a particular jurisdiction or territory or globally; or through partnering transactions

9.4 Such performance goals also may be based solely by reference to the Company's performance or the performance of a Subsidiary, division, business segment or business unit of the Company, or based upon the relative performance of other companies or upon comparisons of any of the indicators of performance relative to other companies. The Committee may also exclude charges related to an event or

A-19

occurrence which the Committee determines should appropriately be excluded, including (a) restructurings, discontinued operations, extraordinary items, and other unusual or non-recurring charges, (b) an event either not directly related to the operations of the Company or not within the reasonable control of the Company's management, or (c) the cumulative effects of tax or accounting changes in accordance with U.S. generally accepted accounting principles. The measures which constitute the performance goals may, at the discretion of the Committee, be based on pro forma numbers and may, as the Committee specifies, either include or exclude the effect of payment of the bonuses under the Plan or any other bonus plans of the Company. The performance goals may differ from Participant to Participant. Such performance goals shall be set by the Committee within the time period prescribed by, and shall otherwise comply with the requirements of, Section 162(m) of the Code, and the regulations thereunder. In establishing a performance goal, the Committee may, to the extent doing so does not cause any amount payable hereunder that is intended to be performance-based compensation under Code Section 162(m) to cease to so qualify, provide that the attainment of the performance goal shall be measured by appropriately adjusting the evaluation of the performance goal performance to exclude (i) any extraordinary non-recurring items as described in Accounting Principles Board Opinion No. 30 and/or in management's discussion and analysis of financial condition and results of operations appearing in the Company's annual report to stockholders for the applicable year, or (ii) the effect of any changes in accounting principles affecting the Company's or a business unit's reported results.

9.5 **Form and Timing of Payment of Performance Units, Performance Shares and Cash-Based Awards.** Payment of earned Performance Units, Performance Shares and Cash-Based Awards shall be as determined by the Committee and as set forth in the Award Agreement. Subject to the terms of the Plan, the Committee, in its sole discretion, may pay earned Performance Units, Performance Shares and Cash-Based Awards in the form of cash or in Shares (or in a combination thereof) which have an aggregate Fair Market Value equal to the value of the earned Performance Units, Performance Shares or Cash-Based Awards as soon as practicable after the end of the Performance Period and following the Committee's determination of actual performance against the performance goals and/or other terms and conditions established by the Committee. Such Shares may be granted subject to any restrictions imposed by the Committee, including pursuant to Section 20.10. The determination of the Committee with respect to the form of payment of such Awards shall be set forth in the Award Agreement pertaining to the grant of the Award.

9.6 **Rights as a Stockholder.** A Participant receiving a Performance Unit, Performance Share or Cash-Based Award shall have the rights of a stockholder only as to Shares, if any, actually received by the Participant upon satisfaction or achievement of the terms and conditions of such Award and not with respect to Shares subject to the Award but not actually issued to such Participant.

9.7 **Termination of Employment or Service.** Each Award Agreement shall set forth the extent to which the Participant shall have the right to retain Performance Units, Performance Shares and/or Cash-Based Award following such Participant's Termination. Such provisions shall be determined in the sole discretion of the Committee, shall be included in the applicable Award Agreement, need not be uniform among all such Awards issued pursuant to the Plan, and may reflect distinctions based on the reasons for Termination.

ARTICLE X

OTHER STOCK-BASED AWARDS

10.1 **Other Stock-Based Awards.** The Committee may grant types of equity-based or equity-related Awards not otherwise described by the terms of the Plan (including the grant or offer for sale of unrestricted Shares), in such amounts (subject to Article IV) and subject to such terms and conditions, as the Committee shall determine. Such Other Stock-Based Awards may involve the transfer of actual Shares to Participants, or payment in cash or otherwise of amounts based on the value of Shares and may include Awards designed to comply with or take advantage of the

applicable local laws of jurisdictions other than the United States.

A-20

Table of Contents

10.2 **Value of Other Stock-Based Awards.** Each Other Stock-Based Award shall be expressed in terms of Shares or units based on Shares, as determined by the Committee. The Committee may establish performance goals in its discretion, and any such performance goals shall be set forth in the applicable Award Agreement. If the Committee exercises its discretion to establish performance goals, the number and/or value of Other Stock-Based Awards that will be paid out to the Participant will depend on the extent to which such performance goals are met.

10.3 **Payment of Other Stock-Based Awards.** Payment, if any, with respect to an Other Stock-Based Award shall be made in accordance with the terms of the Award, as set forth in the Award Agreement, in cash or Shares as the Committee determines.

10.4 **Termination of Employment or Service.** The Committee shall determine the extent to which the Participant shall have the right to receive Other Stock-Based Awards following the Participant's Termination. Such provisions shall be determined in the sole discretion of the Committee, such provisions may be included in the applicable Award Agreement, but need not be uniform among all Other Stock-Based Awards issued pursuant to the Plan, and may reflect distinctions based on the reasons for Termination.

ARTICLE XI

DIVIDEND EQUIVALENTS

11.1 **Dividend Equivalents.** Unless otherwise provided by the Committee, no adjustment shall be made in the Shares issuable or taken into account under Awards on account of cash dividends that may be paid or other rights that may be issued to the holders of Shares prior to issuance of such Shares under such Award. The Committee may grant Dividend Equivalents based on the dividends declared on Shares that are subject to any Award, including any Award the payment or settlement of which is deferred pursuant to Section 20.6. Dividend Equivalents may be credited as of the dividend payment dates, during the period between the date the Award is granted and the date the Award becomes payable or terminates or expires. Dividend Equivalents may be subject to any limitations and/or restrictions determined by the Committee. Dividend Equivalents granted with respect to Performance Units and/or Performance Shares shall only be paid when and to the extent such Award(s) are otherwise earned in accordance with their terms. Dividend Equivalents shall be converted to cash or additional Shares by such formula and at such time, and shall be paid at such times, as may be determined by the Committee.

ARTICLE XII

VESTING LIMITATIONS

12.1 **Full Value Award Vesting Limitations.** Notwithstanding any other provision of this Plan to the contrary, Full Value Awards made to Employees, Directors or Consultants shall become vested over a period of not less than three (3) years (or, in the case of vesting based upon the attainment of performance goals or other performance-based objectives, over a period of not less than one (1) year measured from the commencement of the period over which performance is evaluated) following the date the Award is made; provided, however, that, notwithstanding the foregoing, (a) the Committee may provide that such vesting restrictions may lapse or be waived upon the Participant's death, disability, retirement, any other specified Termination or the consummation of a Change of Control and (b) Full Value Awards that result in the issuance of an aggregate of up to 5% of the Shares available pursuant to Section 4.1(a) may be granted to any one or more Participants without respect to such minimum vesting provisions.

ARTICLE XIII

TRANSFERABILITY OF AWARDS; BENEFICIARY DESIGNATION

13.1 **Transferability of Incentive Stock Options.** No ISO or Tandem SAR granted in connection with an ISO may be sold, transferred, pledged, assigned, or otherwise alienated or hypothecated, other than by will or by the laws of descent and distribution or in accordance with Section 13.3. Further, all ISOs and Tandem SARs granted in connection with ISOs granted to a Participant shall be exercisable during his or her lifetime only by such Participant.

13.2 **All Other Awards.** Except as otherwise provided in Section 8.5 or Section 13.3 or a Participant's Award Agreement or otherwise determined at any time by the Committee, no Award granted under the Plan may be sold, transferred, pledged, assigned, or otherwise alienated or hypothecated, other than by will or by the laws of descent and distribution; provided that the Committee may permit further transferability, on a general or a specific basis, and may impose conditions and limitations on any permitted transferability, subject to Section 13.1 and any applicable Period of Restriction; provided further, however, that no Award may be transferred for value or other consideration without first obtaining approval thereof by the stockholders of the Company. Further, except as otherwise provided in a Participant's Award Agreement or otherwise determined at any time by the Committee, or unless the Committee decides to permit further transferability, subject to Section 13.1 and any applicable Period of Restriction, all Awards granted to a Participant under the Plan, and all rights with respect to such Awards, shall be exercisable or available during his or her lifetime only by or to such Participant. With respect to those Awards, if any, that are permitted to be transferred to another individual, references in the Plan to exercise or payment related to such Awards by or to the Participant shall be deemed to include, as determined by the Committee, the Participant's permitted transferee. In the event any Award is exercised by or otherwise paid to the executors, administrators, heirs or distributees of the estate of a deceased Participant, or such a Participant's beneficiary, or the transferee of an Award, in any such case, pursuant to the terms and conditions of the Plan and the applicable Agreement and in accordance with such terms and conditions as may be specified from time to time by the Committee, the Company shall be under no obligation to issue Shares thereunder unless and until the Company is satisfied, as determined in the discretion of the Committee, that the person or persons exercising such Award, or to receive such payment, are the duly appointed legal representative of the deceased Participant's estate or the proper legatees or distributees thereof or the named beneficiary of such Participant, or the valid transferee of such Award, as applicable. Any purported assignment, transfer or encumbrance of an Award that does not comply with this Section 13.2 shall be void and unenforceable against the Company.

13.3 **Beneficiary Designation.** Each Participant may, from time to time, name any beneficiary or beneficiaries who shall be permitted to exercise his or her Option or SAR or to whom any benefit under the Plan is to be paid in case of the Participant's death before he or she fully exercises his or her Option or SAR or receives any or all of such benefit. Each such designation shall revoke all prior designations by the same Participant, shall be in a form prescribed by the Company, and will be effective only when filed by the Participant in writing with the Company during the Participant's lifetime. In the absence of any such beneficiary designation, a Participant's unexercised Option or SAR, or amounts due but remaining unpaid to such Participant, at the Participant's death, shall be exercised or paid as designated by the Participant by will or by the laws of descent and distribution.

ARTICLE XIV

RIGHTS OF PARTICIPANTS

14.1 **Rights or Claims.** No person shall have any rights or claims under the Plan except in accordance with the provisions of the Plan and any applicable Award Agreement. Unless the Committee determines otherwise, a Participant shall not have any rights as a shareholder with respect to shares of stock covered by an Award until the

date the Participant becomes the holder of record with respect to such shares. The

A-22

liability of the Company and any Subsidiary or Affiliate under the Plan is limited to the obligations expressly set forth in the Plan, and no term or provision of the Plan may be construed to impose any further or additional duties, obligations, or costs on the Company, any Subsidiary or any Affiliate thereof or the Board or the Committee not expressly set forth in the Plan. The grant of an Award under the Plan shall not confer any rights upon the Participant holding such Award other than such terms, and subject to such conditions, as are specified in the Plan as being applicable to such type of Award, or to all Awards, or as are expressly set forth in the Award Agreement evidencing such Award. Without limiting the generality of the foregoing, neither the existence of the Plan nor anything contained in the Plan or in any Award Agreement shall be deemed to:

- (a) Give any Employee or Non-Employee Director the right to be retained in the service of the Company, an Affiliate and/or a Subsidiary, whether in any particular position, at any particular rate of compensation, for any particular period of time or otherwise;
- (b) Restrict in any way the right of the Company, an Affiliate and/or a Subsidiary to terminate, change or modify any Employee's employment or any Non-Employee Director's service as a Director at any time with or without Cause;
- (c) Confer on any Consultant any right of continued relationship with the Company, an Affiliate and/or a Subsidiary, or alter any relationship between them, including any right of the Company or an Affiliate or Subsidiary to terminate, change or modify its relationship with a Consultant;
- (d) Constitute a contract of employment or service between the Company or any Affiliate or Subsidiary and any Employee, Non-Employee Director or Consultant, nor shall it constitute a right to remain in the employ or service of the Company or any Affiliate or Subsidiary;
- (e) Give any Employee, Non-Employee Director or Consultant the right to receive any bonus, whether payable in cash or in Shares, or in any combination thereof, from the Company, an Affiliate and/or a Subsidiary, nor be construed as limiting in any way the right of the Company, an Affiliate and/or a Subsidiary to determine, in its sole discretion, whether or not it shall pay any Employee, Non-Employee Director or Consultant bonuses, and, if so paid, the amount thereof and the manner of such payment; or
- (f) Give any Participant any rights whatsoever with respect to an Award except as specifically provided in the Plan and the Award Agreement.

14.2 **No Effects on Benefits.** Payments and other compensation received by a Participant under an Award are not part of such Participant's normal or expected compensation or salary for any purpose, including calculating termination, indemnity, severance, resignation, redundancy, end of service payments, bonuses, long-service awards, pension or retirement benefits or similar payments under any laws, plans, contracts, policies, programs, arrangements or otherwise. No claim or entitlement to compensation or damages arises from the termination of the Plan or diminution in value of any Award or Shares purchased or otherwise received under the Plan.

ARTICLE XV

CHANGE OF CONTROL

15.1 **Treatment of Outstanding Awards.** In the event of a Change of Control, unless otherwise specifically prohibited by any applicable laws, rules or regulations or otherwise provided in any applicable Award Agreement, as in effect prior to the occurrence of the Change of Control, specifically with respect to a Change of Control:

- (a) In its discretion, and on such terms and conditions as it deems appropriate, the Committee may provide, either by the terms of the Award Agreement or by resolution adopted prior to the

A-23

Table of Contents

occurrence of such Change of Control, that any Awards which are outstanding shall, as applicable and in whole or in part, become vested, non-forfeitable and/or exercisable; have the restrictions, performance goals, Period of Restriction or other conditions applicable to such Awards be canceled, terminated or deemed achieved or have any restrictions on transfer, sale assignment, pledge or other disposition (including with respect to Shares issuable under such Award) lapse and/or that any Award the payment or settlement of which was deferred under Section 20.6 or otherwise may be paid or distributed immediately prior to the Change of Control, subject to Section 17.6. Without limiting the foregoing, in its discretion, and on such terms and conditions as it deems appropriate, the Committee may provide, either by the terms of the Award Agreement or by resolution adopted prior to the occurrence of such Change of Control, that the target payment opportunities attainable under any outstanding Awards of Performance Units, Performance Shares, Cash-Based Awards and other Awards shall be deemed to have been fully or partially earned for any Performance Period(s), immediately prior to the effective date of the Change of Control.

(b) In its discretion and in accordance with the terms of the Plan, provide that all or certain Awards be Assumed or Replaced. In the event that an Award is not Assumed or Replaced, or in the event of a liquidation of the Company, then such Award shall, as applicable, become fully vested, non-forfeitable and/or exercisable; have the restrictions, performance goals, Period of Restriction or other conditions applicable to such Award canceled, terminated or deemed achieved or have any restrictions on transfer, sale assignment, pledge or other disposition (including with respect to Shares issuable under such Award) lapse immediately prior to the Change of Control and the target payment opportunities under such outstanding Award of Performance Units, Performance Shares, Cash-Based Awards or other Award shall be deemed to have been fully earned for the entire Performance Period(s) immediately prior to the Change of Control. Further, unless otherwise provided in any applicable Award Agreement, as in effect prior to the occurrence of the Change of Control, if a Participant with respect to whom an Award has been Assumed or Replaced incurs a Termination, either by the Company, an Affiliate or a Subsidiary without Cause or by the Participant for Good Reason (a Terminated Participant), after the Change of Control, then subject to Section 15.1(b)(i) all outstanding Awards that are held by such Terminated Participant, as the case may be, shall become fully vested, non-forfeitable and/or exercisable; have the restrictions, performance goals, Period of Restriction or other conditions applicable to such Award canceled, terminated or deemed achieved or have any restrictions on transfer, sale assignment, pledge or other disposition (including with respect to Shares issuable under such Award) lapse immediately prior to the Change of Control.

(i) Notwithstanding Section 15.1(b), with respect to outstanding Awards of Performance Units, Performance Shares, Cash-Based Awards or other Awards, the target payment opportunities under such outstanding Awards of Performance Units, Performance Shares, Cash-Based Awards or other Award shall be deemed to have been fully earned for the entire Performance Period(s) immediately prior to the Change of Control, in each case immediately preceding, or upon the occurrence of the failure to assume or replace such Awards or upon a Termination described in Section 15.1(b) and (I) there shall be paid out to each Participant holding such an Award denominated in Shares, not later than five (5) days prior to the effective date of the Change of Control, in the case of such Awards that are not Assumed or Replaced, or upon the occurrence of such Termination, in the case of a Termination described in Section 15.1(b), a *pro rata* number of Shares (or the equivalent Fair Market Value thereof, as determined by the Committee, in cash) based upon an assumed achievement of all relevant targeted performance goals, unless actual performance exceeds the target, in which case actual performance shall be used, and upon the length of time within the Performance Period which has elapsed prior to the Change of Control or such Termination, as the case may be, and (II) Awards denominated in cash shall be paid *pro rata* to the applicable Participant or Participants in cash within thirty (30) days following the effective date of the Change of Control, in the case of such Awards that are not Assumed or Replaced, or within thirty (30) days following the occurrence of such Termination, in the case of a Termination described in Section 15.1(b), with the pro-ration determined as a function of the length of time within the

Table of Contents

Performance Period which has elapsed prior to the Change of Control or Termination, as the case may be, and based on an assumed achievement of all relevant targeted performance goals, unless actual performance exceeds the target, in which case actual performance shall be used.

(c) In its discretion, and on such terms and conditions as it deems appropriate, the Committee may provide, either by the terms of the Award Agreement applicable to any Award or by resolution adopted prior to the occurrence of the Change of Control, that any outstanding Award shall be adjusted by substituting for each Share subject to such Award immediately prior to the transaction resulting in the Change of Control the consideration (whether stock or other securities of the surviving corporation or any successor corporation to the Company, or a parent or subsidiary thereof, or that may be issuable by another corporation that is a party to the transaction resulting in the Change of Control) received in such transaction by holders of Shares for each Share held on the closing or effective date of such transaction, in which event the aggregate Option Price or Grant Price, as applicable, of the Award shall remain the same; provided, however, that if such consideration received in such transaction is not solely stock of a successor, surviving or other corporation, the Committee may provide for the consideration to be received upon exercise or payment of an Award, for each Share subject to such Award, to be solely stock or other securities of the successor, surviving or other corporation, as applicable, equal in fair market value, as determined by the Committee, to the per-Share consideration received by holders of Shares in such transaction.

(d) In its discretion, and on such terms and conditions as it deems appropriate, the Committee may provide, either by the terms of the Award Agreement applicable to any Award or by resolution adopted prior to the occurrence of the Change of Control, that any outstanding Award (or portion thereof) shall be converted into a right to receive cash, on or as soon as practicable following the closing date or expiration date of the transaction resulting in the Change of Control in an amount equal to the highest value of the consideration to be received in connection with such transaction for one Share, or, if higher, the highest Fair Market Value of a Share during the thirty (30) consecutive business days immediately prior to the closing date or expiration date of such transaction, less the per-Share Option Price, Grant Price or outstanding unpaid purchase price, as applicable to the Award, multiplied by the number of Shares subject to such Award, or the applicable portion thereof.

(e) The Committee may, in its discretion, provide that an Award can or cannot be exercised after, or will otherwise terminate or not terminate as of, a Change of Control.

15.2 No Implied Rights; Other Limitations. No Participant shall have any right to prevent the consummation of any of the acts described in Section 4.2 or 15.1 affecting the number of Shares available to, or other entitlement of, such Participant under the Plan or such Participant's Award. Any actions or determinations of the Committee under this Article XV need not be uniform as to all outstanding Awards, nor treat all Participants identically. Notwithstanding the adjustments described in Section 15.1, in no event may any Option or SAR be exercised after ten (10) years from the date it was originally granted, and any changes to ISOs pursuant to this Article XV shall, unless the Committee determines otherwise, only be effective to the extent such adjustments or changes do not cause a modification (within the meaning of Section 424(h)(3) of the Code) of such ISOs or adversely affect the tax status of such ISOs.

15.3 Termination, Amendment, and Modifications of Change of Control Provisions. Notwithstanding any other provision of the Plan (but subject to the provisions of Section 15.1(h), the last sentence of Section 16.1 and Section 16.2) or any Award Agreement provision, the provisions of this Article XV may not be terminated, amended, or modified on or after the date of a Change of Control to materially impair any Participant's Award theretofore granted and then outstanding under the Plan without the prior written consent of such Participant.

ARTICLE XVI

AMENDMENT, MODIFICATION, AND TERMINATION

16.1 Amendment, Modification, and Termination. The Board may, at any time and with or without prior notice, amend, alter, suspend, or terminate the Plan, and the Committee may, to the extent permitted by the Plan, amend the terms of any Award theretofore granted, including any Award Agreement, in each case, retroactively or prospectively; provided, however, that no such amendment, alteration, suspension, or termination of the Plan shall be made which, without first obtaining approval of the stockholders of the Company (where such approval is necessary to satisfy (i) the then-applicable requirements of Rule 16b-3, (ii) any requirements under the Code relating to ISOs, or (iii) any applicable law, regulation or rule (including the applicable regulations and rules of the SEC and any national securities exchange)), would:

- (a) except as is provided in Section 4.2, increase the maximum number of Shares which may be sold or awarded under the Plan;
- (b) except as is provided in Section 4.2, decrease the minimum Option Price or Grant Price requirements of Sections 6.3 and 7.2, respectively;
- (c) change the class of persons eligible to receive Awards under the Plan;
- (d) extend the duration of the Plan or the period during which Options or SARs may be exercised under Section 6.4 or 7.6, as applicable; or
- (e) otherwise require stockholder approval to comply with any applicable law, regulation or rule (including the applicable regulations and rules of the SEC and any national securities exchange).

In addition, (A) no such amendment, alteration, suspension or termination of the Plan or any Award theretofore granted, including any Award Agreement, shall be made which would materially impair the previously accrued rights of a Participant under any outstanding Award without the written consent of such Participant, provided, however, that the Board may amend or alter the Plan and the Committee may amend or alter any Award, including any Agreement, either retroactively or prospectively, without the consent of the applicable Participant, (x) so as to preserve or come within any exemptions from liability under Section 16(b) of the Exchange Act, pursuant to the rules and releases promulgated by the SEC (including Rule 16b-3), (y) if the Board or the Committee determines in its discretion that such amendment or alteration either (I) is required or advisable for the Company, the Plan or the Award to satisfy, comply with or meet the requirements of any law, regulation, rule or accounting standard or (II) is not reasonably likely to significantly diminish the benefits provided under such Award, or that such diminishment has been or will be adequately compensated, or (z) with respect to any Award that is granted to a Participant and is intended to constitute qualified performance-based compensation under Section 162(m) of the Code, if the Board or the Committee determines in its discretion that such amendment or alteration is necessary under Section 162(m) (including any amendment to Section 162(m)) or any regulations and ruling issued thereunder to ensure that the Awards satisfy the requirements for qualification under Code Section 162(m) and (B) except as is provided in Section 4.2, but notwithstanding any other provisions of the Plan, neither the Board nor the Committee may take any action: (1) to amend the terms of an outstanding Option or SAR to reduce the Option Price or Grant Price thereof, cancel an Option or SAR and replace it with a new Option or SAR with a lower Option Price or Grant Price, or that has an economic effect that is the same as any such reduction or cancellation; or (2) to cancel an outstanding Option or SAR having an Option Price or Grant Price above the then-current Fair Market Value of the Shares in exchange for cash or for the grant of another type of Award, without, in each such case, first obtaining approval of the stockholders of the

Company of such action.

For the avoidance of doubt, the amendment and restatement of the Plan effective as of February 3, 2016 shall not materially impair the previously accrued rights of a Participant under any Award outstanding as February 3, 2016

A-26

without the written consent of such Participant. To the extent the Committee determines any provision of the Plan as amended and restated effective as of February 3, 2016 materially impairs the previously accrued rights of a Participant under any Award outstanding as of February 3, 2016 without such Participant's consent, the relevant provision of the Plan as in effect immediately prior to February 3, 2016 shall apply with respect to such Participant and/or Award.

16.2 **Adjustment of Awards Upon the Occurrence of Certain Unusual or Nonrecurring Events.** The Board or the Committee shall make adjustments in the terms and conditions of, and the criteria included in, Awards in recognition of unusual or non-recurring events (including the events described in Section 4.2) affecting the Company or the financial statements of the Company or of changes in applicable laws, regulations, or accounting principles, whenever the Board or the Committee determines that such adjustments are necessary to prevent dilution or enlargement of the benefits or potential benefits intended to be made available under the Plan. Any such adjustment with respect to an Award intended to be an ISO shall be made only to the extent consistent with such intent, unless the Board or the Committee determines otherwise. The determination of the Committee as to the foregoing adjustments, if any, shall be conclusive and binding on Participants under the Plan.

ARTICLE XVII

TAX WITHHOLDING AND OTHER TAX MATTERS

17.1 **Tax Withholding.** The Company and/or any Subsidiary or Affiliate are authorized to withhold from any Award granted or payment due under the Plan the amount of all Federal, state, local and non-United States taxes due in respect of such Award or payment and take any such other action as may be necessary or appropriate, as determined by the Committee, to satisfy all obligations for the payment of such taxes. The recipient of any payment or distribution under the Plan shall make arrangements satisfactory to the Company, as determined in the Committee's discretion, for the satisfaction of any tax obligations that arise by reason of any such payment or distribution. The Company shall not be required to make any payment or distribution under or relating to the Plan or any Award until such obligations are satisfied or such arrangements are made, as determined by the Committee in its discretion.

17.2 **Withholding or Tendering Shares.** Without limiting the generality of Section 16.1, the Committee may in its discretion permit a Participant to satisfy or arrange to satisfy, in whole or in part, the tax obligations incident to an Award by: (a) electing to have the Company withhold Shares or other property otherwise deliverable to such Participant pursuant to his or her Award (provided, however, that the amount of any Shares so withheld shall not exceed the amount necessary to satisfy required Federal, state, local and non-United States withholding obligations using the minimum statutory withholding rates for Federal, state, local and/or non-U.S. tax purposes, including payroll taxes, that are applicable to supplemental taxable income) and/or (b) tendering to the Company Shares owned by such Participant (or by such Participant and his or her spouse jointly) and purchased or held for the requisite period of time as may be required to avoid the Company's or the Affiliates' or Subsidiaries' incurring an adverse accounting charge, based, in each case, on the Fair Market Value of the Shares on the payment date as determined by the Committee. All such elections shall be irrevocable, made in writing, signed by the Participant, and shall be subject to any restrictions or limitations that the Committee, in its sole discretion, deems appropriate.

17.3 **Special ISO Obligations.** The Committee may require a Participant to give prompt written notice to the Company concerning any disposition of Shares received upon the exercise of an ISO within: (i) two (2) years from the date of granting such ISO to such Participant or (ii) one (1) year from the transfer of such Shares to such Participant or (iii) such other period as the Committee may from time to time determine. The Committee may direct that a Participant with respect to an ISO undertake in the applicable Award Agreement to give such written notice described in the preceding sentence, at such time and containing such information as the Committee may prescribe, and/or that the certificates evidencing Shares acquired by exercise of an ISO refer to such requirement to give such notice.

Table of Contents

17.4 **Section 83(b) Election.** If a Participant makes an election under Section 83(b) of the Code to be taxed with respect to an Award as of the date of transfer of Shares rather than as of the date or dates upon which the Participant would otherwise be taxable under Section 83(a) of the Code, such Participant shall deliver a copy of such election to the Company immediately after filing such election with the Internal Revenue Service. Neither the Company nor any Subsidiary or Affiliate shall have any liability or responsibility relating to or arising out of the filing or not filing of any such election or any defects in its construction.

17.5 **No Guarantee of Favorable Tax Treatment.** Although the Company intends to administer the Plan so that Awards will be exempt from, or will comply with, the requirements of Code Section 409A, the Company does not warrant that any Award under the Plan will qualify for favorable tax treatment under Code Section 409A or any other provision of federal, state, local, or non-United States law. The Company shall not be liable to any Participant for any tax, interest, or penalties the Participant might owe as a result of the grant, holding, vesting, exercise, or payment of any Award under the Plan.

17.6 **Non-Qualified Deferred Compensation.**

(a) If any Award would be considered deferred compensation as defined under Code Section 409A and would fail to meet the requirements of Code Section 409A, then such Award shall be null and void; provided, however, that the Committee may permit deferrals of compensation pursuant to the terms of a Participant's Award Agreement, a separate plan, or a subplan which (in each case) meets the requirements of Code Section 409A. Additionally, to the extent any Award is subject to Code Section 409A, notwithstanding any provision herein to the contrary, the Plan shall not permit the acceleration of the time or schedule of any distribution related to such Award, except as permitted by Code Section 409A.

(b) Notwithstanding any provisions of the Plan to the contrary, in no event shall any deferral under Section 20.6 be permitted if the Committee determines that such deferral would result in the imposition of additional tax under Code Section 409A.

(c) The Committee shall not extend the period to exercise an Option or Stock Appreciation Right to the extent that such extension would cause the Option or Stock Appreciation Right to become subject to Code Section 409A. An Award Agreement may provide that the period of time over which an NQSO may be exercised shall be automatically extended if on the scheduled expiration date of such Option the Participant's exercise of such Option would violate applicable securities laws; provided, however, that during such extended exercise period the Option may only be exercised to the extent the Option was exercisable in accordance with its terms immediately prior to such scheduled expiration date; provided further, however, that such extended exercise period shall end not later than thirty (30) days after the exercise of such Option first would no longer violate such laws.

(d) Unless the Committee provides otherwise in an Award Agreement, each Restricted Stock Unit, Performance Unit, Performance Share, Cash-Based Award and/or Other Stock-Based Award shall be paid in full to the Participant no later than the fifteenth (15th) day of the third (3rd) month after the end of the first (1st) calendar year in which such Award is no longer subject to a substantial risk of forfeiture within the meaning of Code Section 409A. If the Committee provides in an Award Agreement that a Restricted Stock Unit, Performance Unit, Performance Share, Cash-Based Award or Other Stock-Based Award is intended to be subject to Code Section 409A, the Award Agreement shall include terms that are intended to satisfy the requirements of Code Section 409A.

(e) No Dividend Equivalents shall relate to Shares underlying an Option or SAR unless such Dividend Equivalent rights are explicitly set forth as a separate arrangement and do not cause any such Option or SAR to be subject to Code Section 409A.

(f) Notwithstanding any other provisions of the Plan or any Award Agreement to the contrary, if a Termination that is not a Separation from Service occurs, and payment or distribution of an Award constituting deferred compensation subject to Code Section 409A would otherwise be made or commence on the date of such Termination (pursuant to the Plan, the Award Agreement or otherwise), (i) the vesting of such Award shall accelerate in accordance with the Plan and the Award Agreement, (ii) such payment or distribution shall not be made or commence prior to the earliest date on which Code Section 409A permits such payment or distribution to be made or commence without additional taxes or penalties under Code Section 409A, and (iii) in the event any such payment or distribution is deferred in accordance with the immediately preceding clause (ii), such payment or distribution that would have been made prior to the deferred payment or commencement date, but for Code Section 409A, shall be paid or distributed on such earliest payment or commencement date, together, if determined by the Committee, with interest at the rate established by the Committee.

(g) Notwithstanding any other provisions of the Plan or any Award Agreement to the contrary, if a Change of Control that is not a Qualified Change of Control occurs, and payment or distribution of an Award constituting deferred compensation subject to Section 409A of the Code would otherwise be made or commence on the date of such Change of Control (pursuant to the Plan, the Award Agreement or otherwise), (i) the vesting of such Award shall accelerate in accordance with the Plan and the Award Agreement, (ii) such payment or distribution shall not be made or commence prior to the earliest date on which Code Section 409A permits such payment or distribution to be made or commence without additional taxes or penalties under Code Section 409A, and (iii) in the event any such payment or distribution is deferred in accordance with the immediately preceding clause (ii), such payment or distribution that would have been made prior to the deferred payment or commencement date, but for Code Section 409A, shall be paid or distributed on such earliest payment or commencement date, together, if determined by the Committee, with interest at the rate established by the Committee.

(h) Although the Company intends to administer the Plan so that Awards will be exempt from, or will comply with, the requirements of Code Section 409A, the Company does not warrant that any Award under the Plan will qualify for favorable tax treatment under Code Section 409A or any other provision of federal, state, local, or non-United States law. The Company shall not be liable to any Participant for any tax, interest, or penalties the Participant might owe as a result of the grant, holding, vesting, exercise, or payment of any Award under the Plan.

ARTICLE XVIII

LIMITS OF LIABILITY; INDEMNIFICATION

18.1 Limits of Liability.

(a) Any liability of the Company or a Subsidiary or Affiliate to any Participant with respect to any Award shall be based solely upon contractual obligations created by the Plan and the Award Agreement.

(b) None of the Company, any Subsidiary, any Affiliate, any member of the Board or the Committee or any other person participating in any determination of any question under the Plan, or in the interpretation, administration or application of the Plan, shall have any liability, in the absence of bad faith, to any party for any action taken or not taken in connection with the Plan, except as may expressly be provided by statute.

(c) Each member of the Committee, while serving as such, shall be considered to be acting in his or her capacity as a director of the Company. Members of the Board of Directors and members of the Committee acting under the Plan shall be fully protected in relying in good faith upon the

advice of counsel and shall incur no liability except for gross negligence or willful misconduct in the performance of their duties.

(d) The Committee may, with the approval of the Board, employ such attorneys and/or consultants, accountants, appraisers, brokers, agents and other persons, any of whom may be an Employee, as the Committee deems necessary or appropriate. The Committee, the Company and its officers and Directors shall be entitled to rely upon the advice, opinions or valuations of any such persons. The Committee shall not incur any liability for any action taken in good faith in reliance upon the advice of such counsel or other persons.

(e) The Company shall not be liable to a Participant or any other person as to: (i) the non-issuance of Shares as to which the Company has been unable to obtain from any regulatory body having relevant jurisdiction the authority deemed by the Committee or the Company's counsel to be necessary to the lawful issuance and sale of any Shares hereunder, and (ii) any tax consequence expected, but not realized, by any Participant or other person due to the receipt, exercise or settlement of any Option or other Award.

18.2 **Indemnification.** Subject to the requirements of Delaware law, each individual who is or shall have been a member of the Committee or of the Board, or an officer of the Company to whom authority was delegated in accordance with Article III, shall be indemnified and held harmless by the Company against and from any loss, cost, liability, or expense that may be imposed upon or reasonably incurred by him or her in connection with or resulting from any claim, action, suit, or proceeding to which he or she may be a party or in which he or she may be involved by reason of any action taken or failure to act under the Plan and against and from any and all amounts paid by him or her in settlement thereof, with the Company's approval, or paid by him or her in satisfaction of any judgment in any such action, suit, or proceeding against him or her, provided he or she shall give the Company an opportunity, at its own expense, to handle and defend the same before he or she undertakes to handle and defend it on his or her own behalf, unless such loss, cost, liability, or expense is a result of the individual's own willful misconduct or except as provided by statute. The foregoing right of indemnification shall not be exclusive of any other rights of indemnification to which such individual may be entitled under the Company's Certificate of Incorporation or By-Laws, as a matter of law, or otherwise, or any power that the Company may have to indemnify or hold harmless such individual.

ARTICLE XIX

SUCCESSORS

19.1 **General.** All obligations of the Company under the Plan with respect to Awards granted hereunder shall be binding on any successor to the Company, whether the existence of such successor is the result of a direct or indirect purchase, merger, consolidation, or otherwise, of all or substantially all of the business and/or assets of the Company.

Table of Contents**20.2 Forfeiture Events.**

(a) Notwithstanding any provision of the Plan to the contrary, the Committee shall have the authority to determine (and may so provide in any Agreement) that a Participant's (including his or her estate's, beneficiary's or transferee's) rights (including the right to exercise any Option or SAR), payments and benefits with respect to any Award shall be subject to reduction, cancellation, forfeiture or recoupment (to the extent permitted by applicable law) in the event of the Participant's Termination for Cause or due to voluntary resignation; serious misconduct; violation of the Company's or a Subsidiary's or Affiliate's policies; breach of fiduciary duty; unauthorized disclosure of any trade secret or confidential information of the Company or a Subsidiary or Affiliate; breach of applicable non-competition, non-solicitation, confidentiality or other restrictive covenants; or other conduct or activity that is in competition with the business of the Company or any Subsidiary or Affiliate, or otherwise detrimental to the business, reputation or interests of the Company and/or any Subsidiary or Affiliate; or upon the occurrence of certain events specified in the applicable Award Agreement (in any such case, whether or not the Participant is then an Employee, Non-Employee Director or Consultant). The determination of whether a Participant's conduct, activities or circumstances are described in the immediately preceding sentence shall be made by the Committee in its good faith discretion, and pending any such determination, the Committee shall have the authority to suspend the exercise, payment, delivery or settlement of all or any portion of such Participant's outstanding Awards pending an investigation of the matter.

(b) If the Company is required to prepare an accounting restatement (x) due to the material non-compliance of the Company, as a result of misconduct, with any financial reporting requirement under the securities laws, if a Participant knowingly or grossly negligently engaged in such misconduct, or knowingly or grossly negligently failed to prevent such misconduct, or if a Participant is one of the individuals subject to automatic forfeiture under Section 304 of the Sarbanes-Oxley Act of 2002, the Participant shall reimburse the Company the amount of any payment in settlement of an Award earned or accrued during the twelve (12)-month period following the first public issuance or filing with the SEC (whichever just occurred) of the financial document embodying such financial reporting requirement, and (y) the Committee may in its discretion provide that if the amount earned under any Participant's Award is reduced by such restatement, such Participant shall reimburse the Company the amount of any such reduction previously paid in settlement of such Award.

20.3 Severability. In the event any provision of the Plan shall be held illegal or invalid for any reason, the illegality or invalidity shall not affect the remaining parts of the Plan, and the Plan shall be construed and enforced as if the illegal or invalid provision had not been included.

20.4 Transfer, Leave of Absence. For purposes of the Plan, a transfer of an Employee from the Company to an Affiliate or Subsidiary (or, for purposes of any ISO granted under the Plan, only a Subsidiary), or vice versa, or from one Affiliate or Subsidiary to another (or in the case of an ISO, only from one Subsidiary to another), and a leave of absence, duly authorized in writing by the Company or a Subsidiary or Affiliate, shall not be deemed a Termination of the Employee for purposes of the Plan or with respect to any Award (in the case of ISOs, to the extent permitted by the Code). The Committee shall have the discretion to determine the effects upon any Award, upon an individual's status as an Employee, Non-Employee Director or Consultant for purposes of the Plan (including whether a Participant shall be deemed to have experienced a Termination or other change in status) and upon the exercisability, vesting, termination or expiration of any Award in the case of: (a) any Participant who is employed by an entity that ceases to be an Affiliate or Subsidiary (whether due to a spin-off or otherwise), (b) any transfer of a Participant between locations of employment with the Company, an Affiliate, and/or Subsidiary or between the Company, an Affiliate or Subsidiary or between Affiliates or Subsidiaries, (c) any leave of absence of a Participant, (d) any change in a Participant's status from an Employee to a Consultant or a Non-Employee Director, or vice versa; and (e) upon approval by the Committee, any Employee who experiences a Termination but becomes employed by a partnership, joint venture, corporation or other entity not meeting the requirements of an Affiliate or Subsidiary, subject, in each

case, to the requirements of Code Section 422 applicable to any ISOs and Code Section 409A applicable to any Options and SARs.

20.5 Exercise and Payment of Awards. An Award shall be deemed exercised or claimed when the Secretary of the Company or any other Company official or other person designated by the Committee for such purpose receives appropriate written notice from a Participant, in form acceptable to the Committee, together with payment of the applicable Option Price, Grant Price or other purchase price, if any, and compliance with Article XVI, in accordance with the Plan and such Participant's Award Agreement.

20.6 Deferrals. To the extent provided in the Award Agreement, the Committee may permit or require a Participant to defer such Participant's receipt of the payment of cash or the delivery of Shares that would otherwise be due to such Participant by virtue of the lapse or waiver of the Period of Restriction or other restrictions with respect to Restricted Stock or the payment or satisfaction of Restricted Stock Units, Performance Units, Performance Shares, Cash-Based Awards or Other Stock-Based Awards. If any such deferral election is required or permitted, (a) such deferral shall represent an unfunded and unsecured obligation of the Company and shall not confer the rights of a stockholder unless and until Shares are issued thereunder; (b) the number of Shares subject to such deferral shall, until settlement thereof, be subject to adjustment pursuant to Section 4.2; and (c) the Committee shall establish rules and procedures for such deferrals and payment or settlement thereof, which may be in cash, Shares or any combination thereof, and such deferrals may be governed by the terms and conditions of any deferred compensation plan of the Company or Affiliate specified by the Committee for such purpose.

20.7 Loans. The Company may, in the discretion of the Committee, extend one or more loans to Participants in connection with the exercise or receipt of an Award granted to any such Participant; provided, however, that the Company shall not extend loans to any Participant if prohibited by law or the rules of any stock exchange or quotation system on which the Company's securities are listed. The terms and conditions of any such loan shall be established by the Committee.

20.8 No Effect on Other Plans. Neither the adoption of the Plan nor anything contained herein shall affect any other compensation or incentive plans or arrangements of the Company or any Subsidiary or Affiliate, or prevent or limit the right of the Company or any Subsidiary or Affiliate to establish any other forms of incentives or compensation for their directors, officers, eligible employees or consultants or grant or assume options or other rights otherwise than under the Plan.

20.9 Section 16 of Exchange Act. Unless otherwise stated in the Award Agreement, notwithstanding any other provision of the Plan, any Award granted to an Insider shall be subject to any additional limitations set forth in any applicable exemptive rule under Section 16 of the Exchange Act (including Rule 16b-3) that are requirements for the application of such exemptive rule, and the Plan and the Award Agreement shall be deemed amended to the extent necessary to conform to such limitations.

20.10 Requirements of Law; Limitations on Awards.

(a) The granting of Awards and the issuance of Shares under the Plan shall be subject to all applicable laws, rules, and regulations, and to such approvals by any governmental agencies or national securities exchanges as may be required.

(b) If at any time the Committee shall determine, in its discretion, that the listing, registration and/or qualification of Shares upon any securities exchange or under any state, Federal or non-United States law, or the consent or approval of any governmental regulatory body, is necessary or desirable as a condition of, or in connection with, the sale or purchase of Shares hereunder, the Company shall have no obligation to allow the grant, exercise or payment of any Award, or to issue or deliver evidence of title for Shares issued under the Plan, in whole or in part, unless and until such listing, registration, qualification, consent and/or approval shall have been effected or obtained, or otherwise

provided for, free of any conditions not acceptable to the Committee.

(c) If at any time counsel to the Company shall be of the opinion that any sale or delivery of Shares pursuant to an Award is or may be in the circumstances unlawful or result in the imposition of excise taxes on the Company or any Subsidiary or Affiliate under the statutes, rules or regulations of any applicable jurisdiction, the Company shall have no obligation to make such sale or delivery, or to make any application or to effect or to maintain any qualification or registration under the Securities Act, or otherwise with respect to Shares or Awards and the right to exercise or payment of any Option or Award shall be suspended until, in the opinion of such counsel, such sale or delivery shall be lawful or will not result in the imposition of excise taxes on the Company or any Subsidiary or Affiliate.

(d) Upon termination of any period of suspension under this Section 20.10(d), any Award affected by such suspension which shall not then have expired or terminated shall be reinstated as to all Shares available before such suspension and as to the Shares which would otherwise have become available during the period of such suspension, but no suspension shall extend the term of any Award.

(e) The Committee may require each person receiving Shares in connection with any Award under the Plan to represent and agree with the Company in writing that such person is acquiring such Shares for investment without a view to the distribution thereof, and/or provide such other representations and agreements as the Committee may prescribe. The Committee, in its absolute discretion, may impose such restrictions on the ownership and transferability of the Shares purchasable or otherwise receivable by any person under any Award as it deems appropriate. Any such restrictions shall be set forth in the applicable Award Agreement, and the certificates evidencing such shares may include any legend that the Committee deems appropriate to reflect any such restrictions.

(f) An Award and any Shares received upon the exercise or payment of an Award shall be subject to such other transfer and/or ownership restrictions and/or legending requirements as the Committee may establish in its discretion and may be referred to on the certificates evidencing such Shares, including restrictions under applicable Federal securities laws, under the requirements of any stock exchange or market upon which such Shares are then listed and/or traded, and under any blue sky or state securities laws applicable to such Shares.

20.11 **Participants Deemed to Accept Plan.** By accepting any benefit under the Plan, each Participant and each person claiming under or through any such Participant shall be conclusively deemed to have indicated their acceptance and ratification of, and consent to, all of the terms and conditions of the Plan and any action taken under the Plan by the Board, the Committee or the Company, in any case in accordance with the terms and conditions of the Plan.

20.12 **Governing Law.** Except as to matters concerning the issuance of Shares or other matters of corporate governance, which shall be determined, and related Plan and Award provisions, which shall be construed, under the laws of Delaware, the Plan and each Award Agreement shall be governed by the laws of the state set forth in the Award Agreement, or if no such governing law is set forth in an Award Agreement then the laws of the State of California, excluding any conflicts or choice of law rule or principle that might otherwise refer construction or interpretation of the Plan to the substantive law of another jurisdiction. Unless otherwise provided in the Award Agreement, Participants are deemed to submit to the exclusive jurisdiction and venue of the federal or state courts of the State of California, to resolve any and all issues that may arise out of or relate to the Plan or any related Award Agreement.

20.13 **Plan Unfunded.** The Plan shall be unfunded. The Company shall not be required to establish any special or separate fund or to make any other segregation of assets to assure the issuance of Shares or the payment of cash upon exercise or payment of any Award. Proceeds from the sale of Shares pursuant to Options or other Awards granted under the Plan shall constitute general funds of the Company.

20.14 Uncertificated Shares. To the extent that the Plan provides for issuance of certificates to reflect the transfer of Shares, the transfer of such Shares may nevertheless be effected on a non-certificated basis, to the extent not prohibited by applicable law or the rules of any stock exchange.

20.15 No Fractional Shares. An Option or other Award shall not be exercisable with respect to a fractional Share or the lesser of fifty (50) shares or the full number of Shares then subject to the Option or other Award. No fractional Shares shall be issued upon the exercise or payment of an Option or other Award.

20.16 Participants Based Outside of the United States. Notwithstanding any provision of the Plan to the contrary, in order to comply with the laws or practices of countries other than the United States in which the Company, any Affiliate, and/or any Subsidiary operates or has Employees, Non-Employee Directors or Consultants, the Committee, in its sole discretion, shall have the power and authority to:

- (a) Determine which Affiliates and Subsidiaries shall be covered by the Plan;
- (b) Determine which Employees, Non-Employee Directors and/or Consultants outside the United States are eligible to participate in the Plan;
- (c) Grant Awards (including substitutes for Awards), and modify the terms and conditions of any Awards, on such terms and conditions as the Committee determines necessary or appropriate to permit participation in the Plan by individuals otherwise eligible to so participate who are non-United States nationals or employed outside the United States, or otherwise to comply with applicable non-United States laws or conform to applicable requirements or practices of jurisdictions outside the United States;
- (d) Establish subplans and adopt or modify exercise procedures and other terms and procedures, to the extent such actions may be necessary or advisable. Any subplans and modifications to Plan terms and procedures established under this Section 20.16(d) by the Committee shall be attached to the Plan as appendices; and
- (e) Take any action, before or after an Award is made, that the Committee, in its discretion, deems advisable to obtain approval or comply with any necessary local government regulatory exemptions or approvals.

Notwithstanding the above, the Committee may not take any actions hereunder, and no Awards shall be granted, that would violate any applicable law.

Section 3: ELIGIBILITY

- 3.1** Unless otherwise determined by the Compensation Committee, eligibility to participate in the Plan for each Plan Year shall be automatic for all Employees (who do not participate in any other Company annual incentive plan) hired or rehired by July 1 of the Plan Year ending September 30, or such other date as the Executive Vice President, Human Resources shall determine.
- 3.2** To be eligible for consideration for an award, a Participant must be employed by the Company and actively performing his or her job for a minimum of three months (or such other time period

as the Executive Vice President, Human Resources shall determine) during the Plan Year with continued employment through the date of CEO or Compensation Committee approval as required in Section 5, except as provided below in the event of death, Disability, Normal Retirement or with respect to individual incentive award amounts subject to a Participant's timely deferral election under the 2005 Deferred Compensation Plan in the case of the Participant's termination of employment after the end of a Plan Year but prior to the date of CEO or Compensation Committee approval.

- 3.3** If a Participant dies or terminates employment due to Normal Retirement or Disability during the Plan Year, the Employee may be eligible for a prorated payout for the portion of the year the Participant was employed by the Company subject to and in accordance with Section 6.9. A Participant not actively at work during a Severance Notice Period will be treated as actively at work for purposes of this Section 3.3 to the extent required by applicable policy or law.

Section 4: INCENTIVE AWARDS

4.1 Performance Period Award Pool; Threshold Corporate Goals.

The Compensation Committee may establish with respect to each Performance Period a Performance Period Pool from which incentive awards may be granted to Participants, subject to the achievement of one or more Threshold Corporate Goals, as determined by the Compensation Committee in its discretion, provided that notwithstanding any other provision in the Plan, the incentive award amount to be paid out to any 162(m) Covered Employee with respect to any Performance Period shall not exceed the Maximum Award. Awards granted to Participants also may be subject to other corporate and/or individual performance goals, subject to the terms and conditions described below.

4.2 Additional Performance Goals.

Individual incentive awards also may be subject to additional corporate goals or individual performance goals, the targeted achievement of which may be expressed as a percentage of a Participant's pay. The percentages attributed to each of the corporate and individual performance goals, if applicable, will be based upon the global level of the Participant's job. Such corporate and individual performance goals, including any applicable targeted achievement levels, will be determined by the Company's management and if required to comply with Code Section 162(m) with respect to any 162(m) Covered Employee, approved by the Compensation Committee. Participants whose targeted award percentage is changed during the Plan Year will have their final target incentive award percent prorated for the portion of time spent at each target award percentage; provided that with respect to a Participant whose award hereunder is intended to constitute performance-based compensation under Code Section 162(m), solely to the extent required to comply with Code Section 162(m), such target award percentage may be reduced but not increased following the date it is initially established for the applicable Plan Year.

4.2(i) Corporate Goals

Specific additional corporate goals may be established for an applicable Plan Year. Depending on the Participant's level in the Company, such goals will be established by either the Compensation Committee or the Company's management. To the extent required to comply with Code Section 162(m), corporate goals with respect to payments intended to constitute performance-based compensation under Code Section 162(m) shall be based on one or more of the Corporate Goals set forth in Section 1.7 as of the date this Plan is approved by the

B-4

Company's shareholders and shall be approved by the Compensation Committee in writing prior to the latest date on which Corporate Goals may be established in accordance with Treasury Regulation Section 1.162-27(e)(2)(i).

4.2(ii) Individual Goals

Individual goals and success criteria for each Plan Year may be established for Participants. Depending on the Participant's level in the Company, such goals will be established by either the Compensation Committee, the Company's management, or jointly by the Participant and Company management with the final determination made by Company management. Such individual goals can be revised after the beginning of the Plan Year to reflect changing business priorities or changes in job or role.

- 4.3** Any awards for Participants who began participating in the Plan after the beginning of the Plan Year (October 1) or were in a leave of absence status for a portion of the Plan Year, and who met the eligibility requirements above, will be prorated to reflect the portion of the Plan Year during which the Participant was eligible to participate in the Plan or as otherwise determined by the Company and to the extent permitted under applicable local policy or law; provided, that, solely to the extent required for payments to qualify as performance-based compensation under Code Section 162(m), payments to Participants who begin participating in the Plan following the latest date on which Threshold Corporate Goals or Corporate Goals, as applicable, may be established in accordance with Treasury Regulation Section 1.162-27(e)(2)(i) shall not constitute performance-based compensation under Code Section 162(m).

Section 5: VIP PAYOUT DETERMINATION

Following the Performance Period, the Company's management, or the Compensation Committee with respect to awards intended to constitute performance-based compensation under Code Section 162(m), in their discretion, as applicable, will determine the amount of individual awards based on the achievement of the applicable previously designated Threshold Corporate Goals or Corporate Goals, as applicable, provided that the incentive award amount to be paid out to any 162(m) Covered Employee with respect to any Performance Period shall not exceed the Maximum Award.

To the extent additional corporate goals are applicable to all or certain Participants for an applicable Performance Period, the payout amount of any incentive award payment to any such Participant related to such corporate goals will be calculated based on actual performance against the specific goals selected for such Participants.

With respect to any individual performance goals, other than for 162(m) Covered Employees, Company management may make recommendations for the payment amount associated with such individual component based upon the Participant's performance during the Plan Year and payout guidelines determined at the discretion of the CEO based on the amount of the total Performance Period Pool. The Compensation Committee will make such determination with respect to any individual performance goals applicable to 162(m) Covered Employees.

Final incentive award payouts are approved by the CEO except those requiring approval of the Compensation Committee. Awards for the CEO and other 162(m) Covered Employees require approval of the Compensation Committee. Awards intended to constitute performance-based compensation under Code Section 162(m) shall be based on the extent to which the Threshold Corporate Goals or Corporate Goals, as applicable, have been attained (subject to Section 6.6) and shall be paid only upon certification by the Compensation Committee of the extent to which

the Threshold Corporate Goals or Corporate Goals, as applicable, and any other material terms for the applicable Plan Year have been satisfied, in accordance with Treasury Regulation Section 1.162-27(e)(5).

Section 6: AWARD ADMINISTRATION

- 6.1** The Plan Year is the fiscal year beginning October 1 and ending September 30.

- 6.2** Final incentive award payouts are approved by the CEO except that awards for the CEO and 162(m) Covered Employees require approval of the Compensation Committee (and certification in accordance with Section 5, above).

- 6.3** Awards are paid as soon as practical after the end of the Plan Year, but no later than December 15 of the subsequent Plan Year.

- 6.4** Award payments shall be made to Participants in cash, provided that the Compensation Committee may, in its discretion, with respect to any Performance Period and with respect to one or more Participants, provide that all or any portion awards to such Participants shall be paid in Company common stock or awards in respect of Company common stock pursuant to an equity plan maintained by the Company to the extent permitted by the terms of such plan.

- 6.5** Participants generally must be actively working at the close of the Plan Year with continued employment through the date of CEO or Compensation Committee approval as required in Section 5, to be eligible for the payment of an award; provided, however, that for Participants who have made a timely deferral election under the 2005 Deferred Compensation Plan with respect to incentive award amounts that may be awarded under this Plan, in the event such a Participant's employment terminates after the end of a Plan Year but prior to the date of CEO or Compensation Committee approval of awards for such Plan Year, the Participant will receive payment of the deferred portion of the award for the Plan Year, which shall be subject to terms of the Participant's deferral election, provided that incentive awards applicable to any 162(m) Covered Employees shall become payable and deferred only upon attainment of the Threshold Corporate Goals or Corporate Goals and shall be payable and deferred at the time awards are otherwise payable, if at all, for such Plan Year. In addition, Participants on leaves of absence are eligible to receive an award prorated (unless otherwise required by applicable local policy or law) for the period of time they were on paid status and actively performing their jobs, and with respect to amounts intended to constitute performance-based compensation under Code Section 162(m), solely on attainment of the Threshold Corporate Goals or Corporate Goals, as applicable, for the applicable Plan Year. Payouts to those Participants on such leaves of absence at the time of payout are at the discretion of the Executive Vice President, Human Resources (or the Compensation Committee with respect to Section 162(m) Covered Employees); provided that to the extent required to qualify payments as performance-based compensation under Code Section 162(m), such discretion with respect to amounts intended to constitute performance-based compensation under Code Section 162(m) shall only be exercised in a manner which reduces the amount otherwise payable as a result of the attainment of the Threshold Corporate Goals or

Corporate Goals, as applicable.

- 6.6** Participation in the Plan does not guarantee the Participant the payment of an award. All awards under the Plan are discretionary and subject to approval by the CEO, or the Compensation Committee, as applicable; provided that any discretion with respect to amounts intended to constitute performance-based compensation under Code Section 162(m) shall be exercised only in a manner which reduces the amount otherwise payable as a result of the attainment of the Threshold Corporate Goals or Corporate Goals, as applicable, and, solely to the extent

necessary to ensure that any award intended to qualify as performance-based compensation under Code Section 162(m) so qualifies, and such exercise of discretion to reduce an amount otherwise payable may not increase the award amount of any 162(m) Covered Employee.

- 6.7** Except as would result in amounts intended to constitute performance-based compensation under Code Section 162(m) ceasing to be performance-based compensation under Code Section 162(m) and subject to the limitation on discretion set forth in Section 6.6, extraordinary occurrences may be considered by the Compensation Committee when assessing performance results, and adjustments may be made to the performance measures at the discretion of the Compensation Committee to ensure that the objectives of the Plan are served.
- 6.8** Awards payable under the Plan may not be assigned, transferred or subjected to liens except as otherwise provided by law.
- 6.9** Except as provided in Section 6.10, if a Participant's employment is terminated before the CEO or Compensation Committee approves the awards for the Plan Year for reasons other than Disability, death or Normal Retirement, the Participant shall not be paid any award for the Plan Year in which employment terminates. If such employment is terminated as a result of Disability or death, a prorated payout for the portion of the Plan Year the Participant was employed by the Company may, at the sole discretion of the Executive Vice President, Human Resources (or the Compensation Committee, with respect to 162(m) Covered Employees), be made to the Participant or, in the event of death, to the Participant's estate. If a Participant's employment is terminated as a result of a Normal Retirement, the Participant may, at the sole discretion of the Executive Vice President, Human Resources (or the Compensation Committee, with respect to 162(m) Covered Employees) be paid a pro-rata award for the Plan Year, subject to the provisions of this Plan; provided that the incentive awards applicable to any 162(m) Covered Employees shall be payable only upon attainment of the Threshold Corporate Goals or Corporate Goals, as applicable, for the relevant Plan Year and shall be payable at the time awards are otherwise payable, if at all, for such Plan Year. In addition, if the employment of a Participant who has made a timely deferral election under the 2005 Deferred Compensation Plan with respect to incentive award amounts that may be earned under this Plan terminates after the end of a Plan Year but prior to the date of CEO or Compensation Committee approval of awards for such Plan Year, the Participant will receive payment of the deferred portion of the award for the Plan Year, which shall be subject to terms of the Participant's deferral election, provided that incentive awards applicable to any 162(m) Covered Employees shall become payable and deferred only upon attainment of the Threshold Corporate Goals or Corporate Goals and shall be payable and deferred at the time awards are otherwise payable, if at all, for such Plan Year.
- 6.10** Except as would result in amounts intended to constitute performance-based compensation under Code Section 162(m) ceasing to be performance-based compensation, upon termination of a Participant's employment under a severance benefits plan or agreement, a prorated payment may be made at the sole discretion of the Executive Vice President, Human Resources (or the Compensation Committee, with respect to 162(m) Covered Employees); provided that the incentive awards applicable to any 162(m) Covered Employees shall be payable only upon attainment of the Threshold Corporate Goals or Corporate

Goals, as applicable, for the relevant Plan Year and shall be payable at the time awards are otherwise payable, if at all, for such Plan Year. Any payment under this Section 6.10 shall be conditioned upon the Participant's prior execution and non-revocation of a severance agreement and release in the form provided by the Company within the time specified by such severance agreement and release form.

- 6.11** Participation in the Plan does not confer any right to employment nor create an employment contract or agreement of any sort with any Participant.

Section 7: **MAXIMUM PERFORMANCE PERIOD PAYMENTS; FUNDING; NO CREATION OF TRUST**

Plan payments are paid by the Company and may not exceed the Performance Period Pool, if any, approved in advance by the Compensation Committee with respect to any Performance Period.

Amounts paid under the Plan shall be paid from the general funds of the Company, and each Participant shall be no more than an unsecured general creditor of the Company with no special or prior right to any assets of the Company for payment of any obligations hereunder. Nothing contained in the Plan shall be deemed to create a trust of any kind for the benefit of any Participant, or create any fiduciary relationship between the Company and any Participant with respect to any assets of the Company.

Section 8: **GENERAL**

- 8.1** Notwithstanding any other provision of this Plan to the contrary, any award granted, and/or amount payable or paid hereunder shall be subject to potential cancellation, rescission, recoupment payback or other action in accordance with the terms of the Company's Clawback Policy, as it may be amended from time to time (the Policy), to the extent the Policy applies to such award or amount. By accepting an award or the payment of any amount under the Plan, each Participant agrees and consents to the Company's application, implementation and enforcement of (i) the Policy and any future amendment of the Policy or similar policies that may apply to the Participant and (ii) any provision of applicable law relating to cancellation, rescission, payback or recoupment of compensation and expressly agrees that the Company may take such actions as are permitted under the Policy any similar policy (as applicable to any Participant) or applicable law without further consent or action being required by such Participant. To the extent that the terms of this Plan and the Policy conflict, then the terms of such Policy shall prevail.
- 8.2** The Executive Vice President, Human Resources, in consultation with the Senior Vice President, Total Rewards, has the sole responsibility for interpreting and administering the Plan as necessary. The decisions of the Executive Vice President, Human Resources regarding the interpretation and administration of the Plan are final and binding on all parties. Notwithstanding the foregoing, to the extent required by Code Section 162(m), the Compensation Committee shall be responsible for interpreting and administering the Plan with respect to awards intended to constitute performance-based compensation under Code Section 162(m).
- 8.3** All awards to be paid under the Plan shall be subject to all applicable withholding taxes, including federal and state income and employment taxes. The Participant's employer shall withhold such taxes in accordance with applicable tax law.
- 8.4**

The Plan shall be interpreted and construed in a manner as to cause payments intended to constitute performance-based compensation under Code Section 162(m) to qualify as performance-based compensation under Code Section 162(m). The Plan may be amended or terminated at any time for any reason by the Compensation Committee. In particular and without limitation, the Compensation Committee may at any time amend or add to the provisions of the Plan and the terms of participation in the Plan as it considers necessary or desirable to take account of or to comply with relevant overseas law or regulation or for any

other reason. Notwithstanding the foregoing, shareholder approval shall be obtained in connection with an amendment for which shareholder approval is necessary to ensure that payments hereunder may constitute performance-based compensation under Code Section 162(m).

- 8.5** The effective date of the Plan as amended and restated is January [], 2016, subject to approval of the Company's stockholders at the 2016 Annual Meeting of Stockholders, in accordance with Section 162(m) of the Code. No amount shall be paid to any Participant under this Plan unless such stockholder approval has been obtained.
- 8.6** The laws of the State of California shall control all matters relating to the Plan.
