Accelerate Diagnostics, Inc., a Delaware corporation (the Company, we, us or our), is sending you this Information Statement solely for the purpose of informing you, as one of our stockholders, in the manner required under Regulation 14C promulgated under the Securities Exchange Act of 1934, as amended (the Exchange Act), that our Board of Directors (the Board) has unanimously approved, and the holders of a majority of the outstanding shares of our common stock, par value \$0.001 per share (the Common Stock), have executed an Action by Written Consent of Stockholders approving, an amendment (the Amendment) to our Certificate of Incorporation (the Certificate of Incorporation) to (i) increase the total number of authorized shares of the Company s capital stock to 80,000,000 shares and (ii) increase the number of authorized shares of Common Stock to 75,000,000 shares. QUESTIONS AND ANSWERS REGARDING THE AMENDMENT TO OUR CERTIFICATE OF INCORPORATION

Q1: What corporate actions were approved by the Action by Written Consent of the Stockholders?

A1: Pursuant to the Action by Written Consent of Stockholders, holders of a majority of the outstanding shares of our Common Stock approved the Amendment described above, which will (i) increase the total number of authorized shares of the Company's capital stock to 80,000,000 shares and (ii) increase the number of authorized shares of Common Stock to 75,000,000 shares. Previously, the Certificate of Incorporation authorized the Company to issue 60,000,000 shares of capital stock, including 55,000,000 shares of Common Stock. A copy of the Action by Written Consent of Stockholders is attached as Annex A to this Information Statement and incorporated herein by reference.

Q2: Why is the Company increasing the number of shares of Common Stock that it is authorized to issue?

A2: The Board believes that the increase in the number of authorized shares of Common Stock is in the best interests of the Company and will provide the Company with available shares that may be issued for various corporate purposes, including equity financings, acquisitions, stock dividends, stock options and warrants. The Board also believes that the increase in the number of authorized shares of Common Stock will enable the Company to benefit from market conditions and any favorable financing opportunities in the future without further delay and expense to the Company. The issuance of additional shares of Common Stock in the future may have the effect of diluting earnings or loss per share, as well as the ownership and voting rights of the holders of our then-outstanding Common Stock. In addition, while the increase in the authorized number of shares of Common Stock is not designed to deter or prevent a change of control, under some circumstances we could use the additional authorized shares to create voting impediments or to frustrate persons seeking to effect a takeover or otherwise gain control of the Company by, for example, issuing those shares in private placements to purchasers who might side with our Board in opposing a hostile takeover bid.

Q3: How many shares of Common Stock were voted in favor of the Amendment?

A3: The approval of the Amendment required the written consent of the holders of at least a majority of the outstanding shares of our Common Stock. Each share of our Common Stock is entitled to one vote in connection with the Amendment. The Action by Written Consent of Stockholders referenced above, which was executed and delivered to the Company on December 28, 2015 by holders of 29,052,635 shares of our Common Stock (representing approximately 56.8% of the 51,173,423 shares of Common Stock outstanding as of such date), was sufficient to approve the proposed Amendment. Consequently, no additional votes are required to approve the Amendment. The following stockholders executed the Action by Written Consent:

The John Patience Trust Dated 7/23/1993 (4,069,311 shares)

Patience Enterprises LP (2,071,162 shares)

All such stockholders (or the beneficial owners of the shares held by such stockholders) are listed below in the Security Ownership of Certain Beneficial Owners and Management section of this Information Statement.

Q4: Why is the Company amending its Certificate of Incorporation through stockholder action by written consent in lieu of holding a meeting of our stockholders?

A4: Under the Delaware General Corporation Law, the Company's stockholders may take action by written consent in lieu of holding a meeting. To avoid the significant time and expense associated with calling and holding a special meeting of the Company's stockholders, the stockholders listed above (which held a sufficient number of shares of outstanding Common Stock to approve the Amendment without requiring the Company to solicit its proxy, or the proxy of any other stockholder) determined to take action by written consent. Therefore, the Company is not required to solicit the vote or consent of any stockholders to effect the Amendment. However, the Company is obligated by the Delaware General Corporation Law and federal securities laws to provide this Information Statement to you in connection with the Amendment.

Q5: Has the Board approved the Amendment?

A5: Yes. On December 11, 2015, the Board unanimously approved the Amendment, declared its advisability, and recommended that our stockholders approve the Amendment.

Q6: When will the Amendment be effective?

A6: The Amendment will become effective filing with the Secretary of State of the State of Delaware. Pursuant to Rule 14c-2(b) promulgated under the Exchange Act, such filing will not occur until at least 20 calendar days following the mailing of this Information Statement to our stockholders. The Company currently anticipates that the Amendment will be filed and take effect on or about February 1, 2016.

Q7: Can I dissent or exercise appraisal rights in connection with the Amendment?

A7: Pursuant to the Delaware General Corporation Law, our stockholders are not entitled to exercise appraisal or other dissenters' rights in connection with the Amendment or the other matters described in this Information Statement.
