Power Solutions International, Inc. (the Company) is delaying the filing of its Quarterly Report on Form 10-Q for the period ended June 30, 2016 (the Form 10-Q) because the Company needs additional time to complete its financial statements for such period. The Company has not concluded its review and analysis of transactions necessary for the closing of its books for the quarter. Because the review and analysis is ongoing, the Company can provide no assurances that it will be able to file the Form 10-Q by August 15, 2016, the expiration of the 5-day extension period provided in Rule 12b-25(b).

If so, attach an explanation of the anticipated change, both narratively and quantitatively, and, if appropriate, state the reasons why a reasonable estimate of the results cannot be made.

The Company expects that the results of operations for the fiscal quarter ended June 30, 2016 will reflect lower revenues and income compared to the corresponding period for the last fiscal year resulting from reduced demand in the oil and gas sector. The Company is working diligently to conclude the review and analysis of transactions necessary to close its books and complete its financial statements for the period ended June 30, 2016. At such time, the Company will be in a position to provide a reasonable estimate of its financial results for the fiscal quarter ended June 30, 2016.
