Welcome to GigPeak People February, 2017 Welcome to GigPeak People February, 2017 Exhibit 99.1

Cautionary Note Regarding Forward Looking Statements This presentation contains forward-looking statements, including, but not limited to, statements related to the anticipated consummation of the acquisition of GigPeak, Inc. ("GigPeak") and the timing, benefits and financing thereof, Integrated Device Technology, Inc.'s ("IDT") strategy, plans, objectives, expectations (financial or otherwise) and intentions, future financial results and growth potential, anticipated product portfolio, development programs, patent terms and other statements that are not historical facts. These forward-looking statements are based on IDT's current expectations and inherently involve significant risks and uncertainties. Actual results and the timing of events could differ materially from those anticipated in such forward-looking statements as a result of these risks and uncertainties, which include, without limitation, risks related to IDT's ability to complete the transaction on the proposed terms and schedule; whether IDT or GigPeak will be able to satisfy their respective closing conditions related to the transaction; whether sufficient stockholders of GigPeak tender their shares of GigPeak common stock in the transaction; whether IDT will obtain financing for the transaction on the expected timeline and terms; the outcome of legal proceedings that may be instituted against GigPeak and/or others relating to the transaction; the possibility that competing offers will be made; risks associated with acquisitions, such as the risk that the businesses will not be integrated successfully, that such integration may be more difficult, time-consuming or costly than expected or that the expected benefits of the transaction will not occur; risks related to future opportunities and plans for the acquired company and its products, including uncertainty of the expected financial performance of the acquired company and its products; disruption from the proposed transaction, making it more difficult to conduct business as usual or maintain relationships with customers, employees or suppliers; the calculations of, and factors that may impact the calculations of, the acquisition price in connection with the proposed merger and the allocation of such acquisition price to the net assets acquired in accordance with applicable accounting rules and methodologies; and the possibility that if the acquired company does not achieve the perceived benefits of the proposed transaction as rapidly or to the extent anticipated by financial analysts or investors, the market price of IDT's shares could decline, as well as other risks related to IDT's and GigPeak's businesses detailed from time-to-time under the caption "Risk Factors" and elsewhere in IDT's and the GigPeak's respective SEC filings and reports, including the Annual Report of GigPeak on Form 10-K for the year ended December 31, 2015 and the Annual Report of IDT on Form 10-K for the year ended April 3, 2016. IDT undertakes no duty or obligation to update any forward-looking statements contained in this presentation as a result of new information, future events or changes in its expectations.

What We Just Announced Integrated Device Technology to acquire GigPeak Approved by both Management teams and Board of Directors Process started for government approvals and acquiring shares (tender offer) Expected to close during the 2nd calendar quarter of 2017 We intend to grow GigPeak's business, and are interested in all of it From an IDT perspective, GigPeak isn't a new strategy It accelerates our current strategy We can now provide ultra-high speed interconnect using electrons, radio, and photons – a unique and valuable position!

Questions You May Have Will there be job loss? We're very impressed with GigPeak people Yes, there will be some but very little, and mainly in G&A. IDT will actively help everyone in this process No R&D change. Marketing / bus-dev and sales is also complimentary to our own Will IDT invest to grow our business? Yes. We expect commitment to grow along with new investment. We wouldn't be doing this if we didn't think we could grow faster together Who will my boss(es) be? Pretty much the same ones you know already This will be run as a standalone business, led by Raluca Dinu who will report to Sean Fan, head of IDT Computing & Communications Division There's a lot of opportunity to leverage GigPeak IP and knowledge into other IDT businesses too – we'll figure those out together
