Transaction Valuation*

\$1,876,789,915

Amount of Filing Fee**

\$217,519.95

* Estimated solely for purposes of calculating the filing fee. The transaction value calculation does not take into account the effect of any cash received or deemed received by The Spectranetics Corporation (the Company) in connection with the exercise of any outstanding equity awards. The transaction value was determined by multiplying (a) \$38.50, the tender offer price, by (b) the sum of (i) 43,848,089, the number of issued and outstanding shares of Company common stock (including 82,103 shares of Company common stock subject to issuance pursuant to Company restricted stock awards), (ii) 2,885,555, the number of shares of Company common stock subject to issuance pursuant to options to purchase shares of Company common stock, (iii) 788,241, the number of shares of Company common stock subject to outstanding purchase rights under the Spectranetics employee stock purchase plan, (iv) 617,527, the number of shares of Company common stock subject to issuance pursuant to Company restricted stock units and (v) 526,275, the number of shares of Company common stock subject to issuance pursuant to Company performance stock units (assuming settlement of outstanding Company performance stock units based on achievement of applicable performance goals at 150% of the target performance level for Company performance stock units granted in 2016 and the target performance level for Company performance stock units granted in 2017). The foregoing share figures have been provided by the issuer to the offerors and are as of June 27, 2017, the most recent practicable date.

** The filing fee was calculated in accordance with Rule 0-11 under the Securities Exchange Act of 1934, as amended, and Fee Rate Advisory No. 1 for Fiscal Year 2017, issued August 31, 2016, by multiplying the transaction value by 0.0001159.

This Amendment No. 4 (this Amendment) to the Tender Offer Statement on Schedule TO amends and supplements the Tender Offer Statement on Schedule TO filed with the Securities Exchange Commission on July 12, 2017 (together with any amendments and supplements thereto, the Schedule TO) by HealthTech Merger Sub, Inc., a Delaware corporation (Purchaser) and a wholly owned subsidiary of Philips Holding USA Inc., a Delaware corporation (Parent) and a wholly owned subsidiary of Koninklijke Philips N.V., a corporation organized under the laws of The Netherlands (Royal Philips). The Schedule TO relates to the offer by Purchaser to purchase all of the outstanding shares of common stock, par value \$0.001 per share (the Shares), of The Spectranetics Corporation, a Delaware corporation (the Company), at a price per Share of \$38.50 net to the seller in cash, without interest and less any applicable withholding taxes, upon the terms and subject to the conditions set forth in the offer to purchase, dated July 12, 2017 (the Offer to Purchase), and in the related Letter of Transmittal (which, together with any amendments or supplements thereto, collectively constitute the Offer).

Item 7. Source and Amount of Funds or Other Consideration.

Item 7 of the Schedule TO is hereby amended and supplemented as follows:

The information set forth in Section 9 Source and Amount of Funds of the Offer to Purchase is hereby amended and supplemented by inserting the following paragraph after the first paragraph thereof:

On July 28, 2017, Royal Philips entered into a facility agreement (the Facility Agreement) related to a 1 billion unsecured term loan facility with ING Bank N.V. as Facility Agent and Bank of America Merrill Lynch International Limited, BNP Paribas Fortis SA/NV, Deutsche Bank Luxembourg S.A., HSBC Bank PLC, Industrial and Commercial Bank of China (Europe) S.A. Amsterdam Branch, ING Bank N.V., Mizuho Bank Europe N.V., MUFG Bank (Europe) N.V. and Societe Generale, London Branch, as the lenders thereunder (the Facility). Subject to the satisfaction of the conditions precedent under the Facility Agreement, the Facility is available to be drawn until September 30, 2017. The Facility matures two months following the first utilization thereunder with an option for Royal Philips to extend the maturity date for a further two months, provided that the maturity date will not be later than December 31, 2017. Royal Philips intends to refinance amounts drawn under the Facility from cash on hand, cash-flow generated by Royal Philips prior to the maturity date of the Facility and/or the net proceeds from the issuance of one or more series of notes.

Provided the Facility is drawn or the Offer and Merger are consummated, Royal Philips will pay: (i) a commitment fee equal to 15% of the Applicable Margin (as defined below) on each lender's undrawn, uncanceled commitment for the period from (and including) August 28, 2017 to (and including) the earlier of (a) utilization of all commitments and (b) cancellation of all commitments; and (ii) an upfront fee equal to 0.05% of each lender's commitment as of July 28, 2017 (or, if different (by reason other than cancellation of commitments by Royal Philips on or prior to the date of first utilization), on the date of first utilization).

The Facility will bear interest at a rate of EURIBOR (one-week, two-week, one-month or two-month at Royal Philips election) plus the Applicable Margin, provided that EURIBOR shall never be less than zero. The Applicable Margin is 15 bps.

The Facility Agreement includes representations, warranties, mandatory prepayment provisions, affirmative and negative covenants and events of default that are consistent with the terms of Royal Philips' existing revolving credit facility. The conditions precedent to drawing the Facility are limited to customary certain funds conditions in the European term loan market, including that no major default (limited to non-payment default, breach of a material representation, breach of certain material covenants, cessation of business, repudiation and certain insolvency events and creditors' processes) is continuing or would result from the proposed utilization, and that all the major representations (customarily defined) are true in all material respects and will be true in all material respects

immediately after the relevant utilization is made.

Royal Philips has satisfied all conditions precedent to drawing the Facility other than those conditions required to be satisfied at the consummation of the Offer and, consequently, it will have sufficient funds to purchase all outstanding Shares pursuant to the Offer and to pay related fees and expenses.

The foregoing summary of the Facility Agreement is qualified in its entirety by reference to the complete text of the Facility Agreement filed as an exhibit to this Amendment, which is incorporated herein by reference.
