**ITEM 1.01. Entry into a Material Definitive Agreement.**

On August 2, 2017, Ciena Corporation (the Company) entered into an Indenture (the Indenture) with the Bank of New York Mellon, N.A., as Trustee, relating to a new series of 3.75% Convertible Senior Notes due 2018 (the New Notes) issued in connection with its recently completed exchange offer (the Exchange Offer) of the New Notes, together with an exchange fee of \$2.50 per \$1,000 aggregate principal amount at maturity, for the Company's outstanding 3.75% Convertible Senior Notes due 2018 (the Old Notes). The Exchange Offer expired at 12:00 midnight, New York City time, at the end of the day on Friday, July 28, 2017. Following settlement of the Exchange offer on August 2, 2017, \$61,270,000 in aggregate principal amount at maturity of Old Notes and \$288,730,000 in aggregate principal amount at maturity of New Notes are outstanding.

The Exchange Offer was made pursuant to the terms of the Company's Registration Statement on Form S-4 (SEC File No. 333-219060) and a related prospectus filed by the Company on July 28, 2017 pursuant to Rule 424(b)(3) under the Securities Exchange Act of 1934, as amended (the Prospectus). The terms of the Indenture and the New Notes are described in the section of the Prospectus entitled Description of the New Notes, which is incorporated in this Form 8-K by reference. A copy of the Indenture is filed with this Form 8-K as Exhibit 4.1 and is incorporated in this Item 1.01 by reference.

**ITEM 8.01. Other Events.**

The New Notes issued under the indenture on August 2, 2017 give the Company the option, at its election, to settle conversions of such notes for cash, shares of its common stock, or a combination of cash and shares. Diluted earning per share calculation for convertible debt instruments (such as the New Notes) that may be settled entirely or partly in cash may, in certain circumstances where the borrower has the ability and intent to settle in cash, be accounted for utilizing the treasury stock method. Under this method, the shares issuable upon conversion of the New Notes would not be included in the calculation of diluted earnings per share, except to the extent that the conversion value of the New Notes exceeds their principal amount. It is the Company's current intent that upon conversion of the New Notes it will settle the principal amount thereof in cash. Accordingly, the Company intends to use the treasury stock method for the New Notes in its diluted earnings per share calculation.
