CALCULATION OF REGISTRATION FEE

Title of securities to be registered	Amount to be registered (1)	Proposed maximum offering price per share (2)	Proposed maximum aggregate offering price (2)	Amount of registration fee (3)
Common stock, par value \$0.01 per share	60,000,000 shares	\$10.77	\$646,200,000	\$48,012.05

- (1) Represents the number of shares of common stock reserved for issuance under the Amended and Restated Tellurian Inc. 2016 Omnibus Incentive Compensation Plan (the Restated 2016 Plan) in addition to the 40,000,000 shares of common stock previously registered for issuance pursuant to the registration statement on Form S-8 regarding the Tellurian Inc. 2016 Omnibus Incentive Compensation Plan filed with the Securities and Exchange Commission on February 10, 2017 (File No. 333-216010). Pursuant to Rule 416 under the Securities Act of 1933, as amended (the Securities Act), this registration statement shall be deemed to cover any additional securities that may be offered or issued pursuant to any adjustment provisions of the Restated 2016 Plan or the forms of awards granted thereunder.
- (2) Estimated solely for the purpose of computing the registration fee in accordance with Rule 457(h) under the Securities Act, and based upon the average of the high and low sales prices for the registrant's common stock as reported on the Nasdaq Capital Market on September 20, 2017.
- (3) Pursuant to Rule 457(p) under the Securities Act, the registrant is carrying forward to this registration statement on Form S-8 \$231,687,036 in aggregate offering price of securities and \$26,882.53 in registration fees that were previously paid in connection with a registration statement on Form S-3 (Registration No. 333-214068) filed with the SEC on October 12, 2016 (the Prior Form S-3), which Prior Form S-3 was withdrawn. No securities were sold under the Prior Form S-3. As a result, the \$74,894.58 registration fee for the 60,000,000 shares of common stock to be registered hereunder has been offset against the registration fees that were previously paid in connection with the Prior Form S-3, leaving \$48,012.05 in registration fees due under this registration statement.

Explanatory Note

On February 10, 2017, Tellurian Inc. (Tellurian or the Company) filed with the Securities and Exchange Commission (the SEC) a registration statement on Form S-8 (File No. 333-216010) (the Prior Registration Statement) registering 40,000,000 shares of Tellurian common stock that may be issued under the Tellurian Inc. 2016 Omnibus Incentive Compensation Plan (2016 Plan). On September 20, 2017, the Company s stockholders approved an amended and restated version of the 2016 plan (the Restated 2016 Plan). This registration statement is being filed to register additional shares of Tellurian common stock that may be issued pursuant to awards granted under the Restated 2016 Plan.

Under each of the 2016 Plan and the Restated 2016 Plan, the maximum number of shares issuable is 40,000,000 plus any remaining shares of authorized common stock available under a prior equity compensation plan. The Restated 2016 Plan provides that shares subject to awards of options or stock appreciation rights will be counted as 0.4 shares for every share granted, while shares subject to other types of awards will be counted as one share for every share granted. As a result of this provision, the Company could ultimately issue more than 40,000,000 shares of Tellurian common stock pursuant to awards granted under the Restated 2016 Plan, depending on the mix of common stock, options, stock appreciation rights, and other awards ultimately issued to participants.

In accordance with Instruction E to the General Instructions to Form S-8, the Company is registering on this registration statement an additional 60,000,000 shares of Tellurian common stock that may be issued pursuant to awards granted under the Restated 2016 Plan, representing the maximum possible number of shares that may be issued pursuant to such awards (i.e., 100,000,000 shares assuming that all awards under the Restated 2016 Plan are made in the form of options or stock appreciation rights). The contents of the Prior Registration Statement are incorporated by reference herein, except to the extent supplemented, amended or superseded by the information set forth herein.

Pursuant to Rule 416(a) under the Securities Act of 1933, as amended (the Securities Act), this registration statement also covers any additional shares of Tellurian common stock that become issuable pursuant to awards granted under the Restated 2016 Plan by reason of any stock dividend, stock split, recapitalization or other similar transaction effected without receipt of consideration that increases the number of outstanding shares of Tellurian common stock.

Item 5. Interests of Named Experts and Counsel.

Item 6. Indemnification of Directors and Officers.

The Company is a Delaware corporation. Section 145 of the Delaware General Corporation Law (the DGCL) contains provisions for the indemnification and insurance of directors, officers, employees, and agents of a Delaware corporation against liabilities which they may incur in their capacities as such. Those provisions have the following general effects:

a. A Delaware corporation may indemnify a person who is or was a director, officer, employee, or agent of the corporation against expenses (including attorneys' fees), judgments, fines, and amounts paid in settlement actually and reasonably incurred by such person in connection with any action, suit, or proceeding (other than an action by or in the right of the corporation) if the person acted in good faith and in a manner such person reasonably believed to be in or not opposed to the best interests of the corporation and, with respect to any criminal action or proceeding, had no reasonable cause to believe the person's conduct was unlawful.

b. A Delaware corporation may indemnify a person who is or was a director, officer, employee, or agent of the corporation in an action or suit by or in the right of the corporation against expenses (including attorneys' fees) actually and reasonably incurred by such person in connection with the defense or settlement of such action or suit if the person acted in good faith and in a manner the person reasonably believed to be in or not opposed to the best interests of the corporation, except that no indemnification shall be made in respect of any claim, issue, or matter as to which such person shall have been adjudged liable to the corporation (except under certain circumstances).

c. A Delaware corporation must indemnify a present or former director or officer against expenses (including attorneys' fees) actually and reasonably incurred by such person in connection with any action, suit, or proceeding to the extent that such person has been successful on the merits or otherwise in defense of the action, suit, or proceeding.

d. A Delaware corporation may purchase and maintain insurance on behalf of any person who is or was a director, officer, employee, or agent of the corporation against liability asserted against such person and incurred by such person in any such capacity or arising from such person's status as such, whether or not the corporation would have the power to indemnify such person against such liability under Section 145 of the DGCL.

The Company's amended and restated bylaws generally provide that the Company shall indemnify its directors and officers and advance funds for litigation expenses to the fullest extent permitted by Delaware law, as may be amended from time to time. In addition, the Company has entered or plans to enter into written agreements with each of its directors and certain of its officers to generally indemnify and advance expenses to those individuals to the fullest extent permitted by Delaware law.

In addition, pursuant to Section 102(b)(7) of the DGCL, the Company's amended and restated certificate of incorporation provides that a director of Tellurian shall not be personally liable to Tellurian or its stockholders for monetary damages for breach of fiduciary duty as a director, except for liability:

a. for any breach of the director's duty of loyalty to the Company or its stockholders;

- b. for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law;
- c. under Section 174 of the DGCL (relating to unlawful payment of dividends or stock repurchases); or
- d. for any transaction from which the director derived an improper personal benefit.

The Company maintains directors and officers insurance covering certain liabilities that may be incurred by directors and officers in the performance of their duties.

Item 9. Undertakings.

a. The undersigned registrant hereby undertakes:

1. To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:
 - i. To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

- ii. To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Securities and Exchange Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement; and

- iii. To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

Provided, however, that:

Paragraphs (1)(i) and (ii) above do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Securities and Exchange Commission by the registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement.

2. That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
 3. To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.
- b. The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
- c. Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers, and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act of 1933 and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer, or controlling person of the registrant in the successful defense of any action, suit, or proceeding) is asserted by such director, officer, or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question of whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.

SIGNATURES

Pursuant to the requirements of the Securities Act of 1933, the registrant certifies that it has reasonable grounds to believe that it meets all of the requirements for filing on Form S-8 and has duly caused this registration statement to be signed on its behalf by the undersigned, thereunto duly authorized, in the City of Houston, State of Texas, on September 26, 2017.
