## PART III NARRATIVE

State below in reasonable detail why Forms 10-K, 20-F, 11-K, 10-Q, 10-D, N-SAR, N-CSR, or the transition report or portion thereof, could not be filed within the prescribed time period.

American Midstream Partners, LP (the Partnership) is notifying the Securities and Exchange Commission (the Commission) that the Partnership is utilizing Rule 12b-25, which allows for a filing of its Annual Report on Form 10-K for the year ended December 31, 2017 (the Form 10-K) to be deemed timely if filed within the 15-day extension period. As disclosed in the Partnership's Current Report on Form 8-K filed with the Commission on November 1, 2017, the Partnership announced the acquisition of Southcross Energy Partners, L.P., Southcross Holdings LP and their respective affiliate entities (the Acquisition) as set forth in the Agreement and Plan of Merger, dated October 31, 2017, between the Partnership, American Midstream GP, LLC and Cherokee Merger Sub LLC and Southcross Energy Partners, L.P. and Southcross Energy Partners GP, LLC. The Partnership needs additional time necessary to finalize the Form 10-K due to significant demands on the Partnership related to completing and preparing for the integration of the Acquisition, which diverted time and resources from the Partnership's normal process of preparing and reviewing the Form 10-K, as well as the complex process required to adequately prepare the Partnership's consolidated financial statements without incurring unreasonable effort or expense.

If answer is no, identify report(s). Yes No

(3) Is it anticipated that any significant change in results of operations from the corresponding period for the last fiscal year will be reflected by the earnings statements to be included in the subject report or portion thereof? Yes No

If so, attach an explanation of the anticipated change, both narratively and quantitatively, and, if appropriate, state the reasons why a reasonable estimate of the results cannot be made.

The Partnership intends to report net loss attributable to the Partnership of \$131.3 million for the year ended December 31, 2017, as compared to net loss of \$51.3 million for the year ended December 31, 2016. The foregoing difference is primarily due to a non-cash impairment charge of \$99.3 million relating to certain non-core assets, \$45.0 million due to higher average debt balances from our growth initiatives as well as higher average interest costs and an increase in net operating costs of \$39.4 million offset by a net gain on disposition of the Partnership's Propane Marketing Services business of \$47.4 million, the gain of \$32.3 million related to the acquisition of Main Pass Oil Gathering and an increase from Earnings in unconsolidated affiliates of \$22.8 million. The press release announcing the Partnership's financial results for the three and twelve months ended December 31, 2017 was issued on March 12, 2018.

The financial information set forth herein consists of preliminary unaudited results, which will not be final until the Partnership files its audited financial statements in the Form 10-K.

The statements included in this Form 12b-25 regarding the Partnership's financial performance and results of operations, in each case as expected to be reported, the expected filing date of the Form 10-K and other statements that are not historical facts are forward-looking statements within the meaning of Section 27A of the Securities and Exchange Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended. Although management believes the expectations reflected in those forward-looking statements are reasonable, no assurance can be given that they will prove to have been correct. They can be affected by inaccurate assumptions or by known or unknown risks and uncertainties. Should one or more of these risks or uncertainties materialize, or should underlying assumptions prove incorrect, actual results may vary materially from those indicated. Factors that could cause actual results to differ materially from expected results include the finalization of the Partnership's consolidated financial statements, the audit of those financial statements as well as other factors described under Risk Factors in our most recent Form 10-K and other filings with the U.S. Securities and Exchange Commission.
