GENERAL INFORMATION REGARDING THE 2018 ANNUAL MEETING OF STOCKHOLDERS

Our fiscal year ends on January 31. References to a fiscal year throughout this proxy statement refer to the calendar year in which the fiscal year ends.

What constitutes a quorum? What is the Record Date? How many shares are outstanding?

The holders of a majority of the outstanding shares of our common stock (the Common Stock) entitled to vote at the 2018 annual meeting of stockholders (the 2018 annual meeting or the meeting), represented in person or by proxy, will constitute a quorum at the meeting. However, if a quorum is not present or represented at the meeting, the stockholders entitled to vote at the meeting, present in person or represented by proxy, have the power to adjourn the meeting, without notice, other than by announcement at the meeting, until a quorum is present or represented. At any such adjourned meeting at which a quorum is present or represented, any business may be transacted that might have been transacted at the original meeting.

On April 4, 2018, the Record Date, there were 31,564,721 shares of our Common Stock issued and outstanding and entitled to vote, meaning that 15,782,361 shares of our Common Stock must be present in person or by proxy to have a quorum.

What matters will be voted on at the 2018 annual meeting?

The following matters will be voted on at the 2018 annual meeting:

1. the election of eight directors nominated to the Board of Directors;
2. a proposal to ratify the Audit Committee's appointment of Ernst & Young LLP as our independent registered public accounting firm for fiscal year 2019;
3. a non-binding advisory resolution to approve the compensation of our named executive officers; and
4. such other business as may properly come before the meeting.

How does the Board of Directors recommend that I vote?

The Board of Directors recommends that you vote:

1. FOR the election of the eight directors nominated by the Board of Directors and named in this proxy statement.
2. FOR the ratification of the appointment by the Audit Committee of Ernst & Young LLP as our independent registered public accounting firm for fiscal year 2019.

3. FOR the approval, on a non-binding advisory basis, of the compensation of our named executive officers, as disclosed in this proxy statement.

What is the effect of a broker non-vote?

Brokers or other nominees who hold shares of our Common Stock for a beneficial owner only have the discretion to vote on routine proposals when they have not received voting directions from the beneficial owner at least ten days prior to the 2018 annual meeting. Rule 452 of the New York Stock Exchange, which governs all brokers (including those holding NASDAQ-listed securities), provides that a broker or other nominee holding shares for a beneficial owner may generally vote on routine matters, but not non-routine matters, without receiving voting instructions. Other than with respect to the proposal to ratify the appointment of Ernst & Young as our independent registered public accounting firm (Proposal Two), which is considered routine, all of the other proposals are considered non-routine matters. Please provide instructions to your broker or nominee on how to vote your shares. If you do not provide such voting instructions to your broker, they will not be able to vote for Proposals One or Three for you and a broker non-vote will result. Shares that constitute broker non-votes will be counted as present at the meeting for the purpose of determining a quorum, but will only be considered entitled to vote on the proposal to ratify the appointment by the audit committee of our Board of Directors (the Audit Committee) of our independent registered public accounting firm and any other routine matters that may properly come before the meeting. To minimize the number of broker non-votes and to ensure that your voice is heard in the election of directors and the other matters to be voted on at the 2018 annual meeting, we encourage you to provide voting instructions to the broker or other organization that holds your shares by carefully following the instructions in the Notice.

Table of Contents

What vote is required to approve the proposals?

Provided a quorum exists, the following votes are required for each proposal:

Proposal One: Election of Directors To be elected, each director must receive a *majority* of the votes cast with respect to the director. For purposes of this vote, a majority of the votes cast means that the number of shares voted for a director's election exceeds the number of shares voted against that director's election. Abstentions and broker non-votes will have no effect on this proposal.

Proposal Two: Ratify the Appointment of Ernst & Young LLP as our Independent Registered Public Accounting Firm

An affirmative vote of a *majority* of shares present in person or represented by proxy and entitled to vote on the subject matter at the meeting is required to ratify the Audit Committee's appointment of Ernst & Young LLP as our independent registered public accounting firm for fiscal year 2019. Abstentions and broker non-votes will have the same effect as votes against this proposal.

Proposal Three: Advisory Vote on Executive Compensation An affirmative vote of a *majority* of the shares present in person or represented by proxy and entitled to vote on the subject matter at the meeting is required to give advisory (non-binding) approval of the compensation of our named executive officers as disclosed in this proxy statement. Because your vote is advisory, it will not be binding on the Board of Directors or on us; however, the Board of Directors and we will review the voting results and take them into consideration when making future decisions regarding executive compensation. Abstentions will have the same effect as a vote against this proposal and broker non-votes will have no effect on this proposal.

Who is entitled to vote at the Annual Meeting?

Only stockholders of record as of the close of business on April 4, 2018, the Record Date, are entitled to notice of and to vote at the meeting or any adjournments of the meeting. Each share of Common Stock entitles the holder thereof to one vote per share.

What will happen if I do not specify how my shares are to be voted, but do submit a proxy?

Stockholders of Record. If you are a stockholder of record and you submit a proxy, but you do not provide voting instructions, your shares will be voted:

FOR the election of the eight directors nominated by our Board of Directors and named in this proxy statement;

FOR the ratification of the Audit Committee's appointment of Ernst & Young LLP, as our independent registered public accounting firm for fiscal year 2018;

FOR the approval, on a non-binding advisory basis, of the compensation of our named executive officers, as disclosed in this proxy statement;

Beneficial Owners. If you are a beneficial owner and you do not provide voting instructions to the broker or other nominee that holds your shares, the broker or other nominee will determine if it has the discretionary authority to vote

on a particular proposal, and may not be able to vote on all proposals presented for a vote at the annual meeting.

What will happen if I do not vote my shares?

Stockholders of Record. If you are the stockholder of record and you do not vote by proxy card, by telephone, by the Internet or in person at the 2018 annual meeting, your shares will not be voted at the 2018 annual meeting. For each of the proposals, if you are not present at the meeting in person or by proxy, the failure to vote will not affect the outcome of the proposal.

Beneficial Owners. If you are the beneficial owner of shares, your broker or nominee may vote your shares only on those proposals on which it has discretion to vote. See [What is the effect of a broker non-vote?](#) for more information.

Table of Contents

How do I vote and what are the voting deadlines?

Stockholders of Record. If you are a stockholder of record, you may vote by any of the following methods:

By Mail. You may submit your vote by completing, signing and dating your proxy card and returning it in the prepaid envelope so that it is received no later than May 29, 2018.

By Internet or Telephone. You may vote your shares by Internet or telephone, by following the instructions in your Notice. If you vote by Internet or telephone, you should not return your proxy card. These votes must be received by 11:59 P.M., Eastern Time, on May 29, 2018.

In Person at the Annual Meeting. You may vote your shares in person at the 2018 annual meeting. Proxy cards will be available for you at the meeting, or you may bring the one provided to you, and deliver the completed and executed card to the inspector of election at the 2018 annual meeting.

Beneficial Owners. If you are a beneficial owner of your shares, you should receive a Notice or voting instructions from the broker or nominee holding your shares. You should follow the instructions provided to you by your broker in order to properly advise them of your voting instructions. Shares held beneficially may be voted at the 2018 annual meeting only if you obtain a legal proxy from your broker or nominee giving you the right to vote, and presenting that legal proxy together with your vote to the inspector of election at the 2018 annual meeting.

Can I revoke or change my proxy?

Stockholders of Record. If you are a stockholder of record, you may revoke your proxy at any time before the final vote at the 2018 annual meeting by:

signing and returning a new proxy card at a later date;

submitting a vote by telephone or the Internet at a later date;

attending the 2018 annual meeting and voting in person; or

delivering a written revocation to our Corporate Secretary at the address of our principal executive offices provided to you in this proxy statement or to **Broadridge Financial Services, 51 Mercedes Way, Edgewood, NY 11717, Attn: Vote Processing.**

Beneficial Owners. If you are the beneficial owner of your shares, you must contact your broker or nominee holding your shares, and follow their instructions for revocation or changing your proxy.

Your attendance at the 2018 annual meeting will not automatically revoke your proxy unless you vote again at the 2018 annual meeting.

Who will count the votes?

Broadridge Financial Solutions, Inc. has been engaged as our independent agent to receive and tabulate our stockholder votes, and will act as our independent inspector of election who will certify the election results and perform any other acts required by the Delaware General Corporation Law.

How are stockholder proposals included in the proposals submitted to stockholders for voting? How is any other business voted on by stockholders?

Stockholders have the right to present proposals for inclusion in our proxy statement for consideration at our 2019 annual meeting of stockholders. To be considered at our next annual meeting, you must submit your proposals, in addition to meeting other legal requirements, within the appropriate time periods, as set forth below. If you want to make a proposal for consideration at our 2019 annual meeting and have it included in the Company's proxy materials relating to our 2019 annual meeting, we must receive your proposal at our principal executive office by no later than December 12, 2018, and such proposal must otherwise comply with Rule 14a-8

Table of Contents

(Rule 14a-8) of the Securities Exchange Act of 1934 (the Exchange Act) and other applicable SEC rules. If you want to make a proposal or nominate a director for consideration at our 2019 annual meeting without having the proposal included in the Company's proxy materials, you must comply with the then-current advanced notice provisions and other requirements set forth in our Amended and Restated Bylaws (Bylaws). Under our current Bylaws, our Corporate Secretary must receive such proposals for possible consideration at our 2019 annual meeting at our principal executive offices no earlier than December 12, 2018 and no later than January 11, 2019. However, if the date of the 2019 annual meeting changes by more than 30 days from the first anniversary date of this year's meeting, we will then provide notice of the new date of the 2019 annual meeting in our earliest possible quarterly report on Form 10-Q. If we do not receive your proposal or nomination by the appropriate deadline, then it may not be brought before the 2019 annual meeting even if it meets the other proposal or nomination requirements.

We do not intend to bring any business before the 2018 annual meeting other than the matters described in this proxy statement and have not been informed of any matters or proposals that may be presented at the meeting by stockholders. If, however, any other business should properly arise and be properly submitted for a vote at the 2018 annual meeting, the persons appointed in the proxy have discretionary authority to vote in accordance with their best judgment.

Who is paying the cost of solicitation of proxies?

We will bear the cost of soliciting proxies. In addition to the solicitation of proxies by mail, solicitation may be made by our directors, officers and employees by other means, including telephone, e-mail or in person. No special compensation will be paid to directors, officers or employees for the solicitation of proxies. To solicit proxies, we may also request the assistance of banks, brokerage houses and other custodians, nominees or fiduciaries, and, upon request, will reimburse such organizations or individuals for their reasonable expenses in forwarding the Notice and other soliciting materials to beneficial owners and in obtaining authorization for the execution of proxies.

Do we provide for Electronic Delivery of Proxy Materials?

Pursuant to rules adopted by the SEC, we provide access to the proxy materials over the Internet. Accordingly, we are sending a **Notice of Internet Availability of Proxy Materials** (Notice) to our stockholders owning shares of our Common Stock on or about April 16, 2018. All stockholders will have the ability to access the proxy materials on the website referred to in the Notice or request to receive a printed set of the proxy materials. Instructions on how to access the proxy materials over the Internet or to request a printed copy may be found in the Notice. The Notice also contains instructions on how to request a paper copy of our proxy materials, including this proxy statement, our Annual Report on Form 10-K for the fiscal year ended January 31, 2018 (fiscal year 2018), and a form of proxy card or voting instruction card. In addition, the Notice will provide stockholders with instructions on how to request to receive proxy materials in printed form by mail or by e-mail on an ongoing basis. A stockholder's election to receive proxy materials by mail or by e-mail will remain in effect until the stockholder terminates such election. We encourage stockholders to take advantage of the availability of the proxy materials on the Internet to help reduce the environmental impact of the 2018 annual meeting and lower the costs of printing and distributing our proxy materials. If you choose to receive future proxy materials by e-mail, you will receive an e-mail message each successive year with instructions containing a link to those materials and a link to the proxy voting website.

Our proxy materials are also available free of charge on our website at www.conns.com, at www.proxyvote.com, and at the SEC's website at www.sec.gov.

How can I find the result of the voting at the 2018 annual meeting?

Edgar Filing: CONNS INC - Form DEF 14A

Preliminary voting results will be announced at the 2018 annual meeting. Final results will be published in a current report on Form 8-K or in our Form 10-Q for the quarter ending April 30, 2018, which will be posted on our website at www.conns.com, under Investor Relations.

PROPOSALS FOR STOCKHOLDER ACTION

PROPOSAL ONE:

ELECTION OF DIRECTORS

Number of Directors to be Elected

Our Board currently consists of ten director positions and we currently have eight members on our Board. We intend for the two vacancies to remain until our Board of Directors desires to fill such vacancies or reduce the size of the Board. At this time the Board of Directors believes that eight is the appropriate number of directors and does not intend to fill the two director vacancies. The eight directors to be elected at the 2018 annual meeting will hold office until the 2019 annual meeting of stockholders, or until their respective successors have been elected and qualified or earlier upon their death, resignation or removal. You may not vote for a greater number of directors than those nominated.

Criteria for Nomination to the Board of Directors. Those persons nominated to our Board of Directors are selected by the nominating and corporate governance committee of our Board (the Nominating and Corporate Governance Committee) in accordance with the committee's charter, our certificate of incorporation (Certificate of Incorporation) and Bylaws, our Corporate Governance Guidelines, and the criteria determined by the Board for our director candidates. In considering the nomination of the directors identified below to serve until the 2019 annual meeting, the Nominating and Corporate Governance Committee sought and considered individuals with strong personal reputations and experience in business and other areas that are relevant and important to the financing, strategy and operations of the Company, as well as financial expertise to qualify as a financial expert for our Audit Committee. Each nominee for election as a director at the 2018 annual meeting holds or has held senior executive positions in organizations providing such background and expertise, and each has the necessary business and financial experience sought by the Company in those areas, including strategic and financial planning, public company financing and reporting, compliance, risk management and leadership. Each of the director nominees also has experience of serving on boards or in senior executive management of publicly held companies or governmental services requiring strong business and leadership acumen and implementation.

The Nominating and Corporate Governance Committee also considered and believes that each of the director nominees has valuable personal and business attributes that have and will continue to be valuable to the Company in their advice and guidance to executive management of the Company. The Nominating and Corporate Governance Committee takes into account in its consideration diversity in range of backgrounds, perspectives and experience of the individuals it recommends for nomination to our Board of Directors. Information on the specific experience of each nominee can be found under the caption Board of Directors Board of Director Nominees for 2018 2019.

Board Nominees

Our Board of Directors met in March 2018 and considered the candidates for nomination for election to the Board at the 2018 annual meeting. The Nominating and Corporate Governance Committee, consisting of three independent members of the current Board of Directors, recommended that the full Board nominate the following individuals for re-election to the Board of Directors at the 2018 annual meeting.

In making these recommendations, the Nominating and Corporate Governance Committee considered the experience, qualifications, attributes and skills of each of the nominees as described above and the requirements and qualifications discussed under Board of Directors - Nomination Policies and Procedures. Based on this recommendation, our Board

of Directors has nominated the following individuals to be elected by the stockholders at the 2018 annual meeting.

Ms. Malson currently serves as the Chair of the Audit Committee until the 2018 annual meeting and Mr. Shein has been nominated to serve as Chair of the Audit Committee following the 2018 annual meeting.

Each director nominee currently serves as a member of the Board, having been elected at our 2018 annual meeting and served on the Board of Directors throughout fiscal year 2018.

Those nominees identified in the table above as independent director have been determined by our Board to be independent under NASDAQ rules. All nominees have consented to serve as directors. The Board has no reason to believe that any of the nominees will be unable or unwilling to act as a director. In the event any nominated director is unable to stand for election, the Board of Directors may either reduce the size of the Board or designate a substitute.

Table of Contents

For biographical information and the experience, qualifications, attributes and skills of each director nominee that the Nominating and Corporate Governance Committee and our Board of Directors considered to determine that such nominee should serve as one of our directors, please refer to the section captioned Board of Directors Board of Director Nominees for 2018 2019, below.

Each director nominee will be elected by the vote of a majority of the votes cast with respect to such director nominee. This means the number of votes cast for a director nominee must exceed 50% of the votes cast with respect to that director nominee (excluding abstentions and broker non-votes). Each director nominee has tendered his or her resignation from the Board, which shall be effective only in the event that (i) the votes cast for such director nominee are equal to or less than 50% of the votes cast with respect to that director nominee, and (ii) the Board of Directors accepts such resignation. The Nominating and Corporate Governance Committee will make a recommendation to the Board of Directors whether to accept any resignation in the event any director nominee fails to receive over 50% of the votes cast for such director nominee. The Board of Directors will then consider the recommendation and publicly disclose its decision within 90 days after the certification of the election results.

The Board of Directors Recommends That You Vote FOR the Election of Each of the Eight Board Nominees.

PROPOSAL TWO:

RATIFICATION OF THE SELECTION OF INDEPENDENT

REGISTERED PUBLIC ACCOUNTING FIRM

Ernst & Young LLP served as our independent registered public accounting firm for fiscal year 2018. The Audit Committee has appointed Ernst & Young LLP as our independent registered public accounting firm for fiscal year 2019. Our Board of Directors has further directed that we submit the selection of our independent registered public accounting firm for ratification by the stockholders at the 2018 annual meeting. Stockholder ratification of the selection of Ernst & Young LLP as our independent registered public accounting firm is not required by our Bylaws or otherwise. However, the Board is submitting the selection of Ernst & Young LLP to the stockholders for ratification as a matter of good corporate practice. The Audit Committee believes it to be in the best interests of our stockholders to retain Ernst & Young LLP as our independent registered public accounting firm for fiscal year 2019. If the stockholders fail to ratify the selection, the Audit Committee will reconsider whether or not to retain Ernst & Young LLP. Even if the selection is ratified, the Audit Committee, in its discretion, may direct the appointment of a different independent public accounting firm at any time during the year if it determines that such a change would be in our best interests and those of our stockholders. The Audit Committee annually reviews the performance of our independent public accountants and the fees charged for their services. The Audit Committee anticipates, from time to time, obtaining competitive proposals from other independent public accounting firms for our annual audit. Based upon the Audit Committee's analysis of this information, we will determine which independent public accounting firm to engage to perform our annual audit each year. Representatives of Ernst & Young LLP will attend the 2018 annual meeting and will be available to respond to appropriate questions that may be asked by stockholders. These representatives will also have an opportunity to make a statement at the meeting if they desire to do so.

The Board of Directors and the Audit Committee Recommend That You Vote FOR the Ratification of Ernst & Young LLP as Our Independent Registered Public Accounting Firm.

AUDIT COMMITTEE REPORT

The Committee

Our Board of Directors established the Audit Committee to be responsible for the appointment, compensation, retention and oversight of the work of our independent auditors and to oversee our (i) financial reporting process; (ii) internal audits, internal control policies and procedures; (iii) implementation and compliance with Sarbanes-Oxley Section 404 requirements and authorities; and (iv) financial, tax, and risk management policies. The Audit Committee is composed of three independent, non-employee directors and operates under a written charter, a copy of which is published on our website at www.conns.com under Investor Relations Corporate Governance. The Audit Committee has prepared the following report on its activities with respect to our financial statements for fiscal year 2018.

Review and Discussion

Management is responsible for our financial reporting process (including our system of internal controls) and for the preparation of Conn's, Inc.'s consolidated financial statements in accordance with generally accepted accounting principles. Ernst & Young LLP, our independent registered public accounting firm, is responsible for auditing those financial statements and for attesting to the effectiveness of our internal control over financial reporting. It is the Audit Committee's responsibility to monitor and review these processes. The members of the Audit Committee are not employees of the Company and do not represent themselves to be, or to serve as, accountants or auditors by profession or experts in the field of accounting or auditing.

In connection with the preparation of our audited financial statements for fiscal year 2018, the Audit Committee:

reviewed and discussed our Annual Report on Form 10-K, including our audited consolidated financial statements and Management's Report on Internal Control over Financial Reporting for fiscal year 2018, with management;

discussed with Ernst & Young LLP the matters required to be discussed by auditing standards, including Auditing Standard No. 16, as adopted by the Public Company Accounting Oversight Board (PCAOB); and

received the written disclosures and the letter from Ernst & Young LLP required by applicable requirements of the PCAOB concerning independence, and discussed with Ernst & Young LLP its independence, including whether Ernst & Young LLP's provision of non-audit services to the Company is compatible with the auditors' independence.

The Audit Committee meets separately with our independent auditors to discuss the results of their examinations, their evaluations of our internal controls and the overall quality of our financial reporting.

Recommendation

Based on the review and discussion referred to above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in our Annual Report on Form 10-K for fiscal year 2018, for filing with the SEC.

**PROPOSAL THREE:
ADVISORY VOTE FOR APPROVAL OF THE COMPENSATION
OF OUR NAMED EXECUTIVE OFFICERS**

The Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 enables our stockholders to vote to approve or disapprove, in a non-binding advisory vote, the compensation of our named executive officers and this vote is provided as required pursuant to Section 14A of the Exchange Act. At our annual meeting held on May 31, 2017, our stockholders again recommended that we hold the advisory vote for approval of the compensation of our named executive officers annually. Our Board of Directors has agreed with this advisory vote, and has determined to hold this vote annually. At our 2017 annual meeting, 92% of the votes cast were in favor of the advisory resolution on our executive compensation.

As described in the Compensation Discussion and Analysis section of this proxy statement, our compensation program for our named executive officers is designed to (i) motivate and reward performance that increases our stockholder value, including individual measured goals and objectives, (ii) attract and retain executive talent by offering competitive compensation opportunities, and (iii) build and encourage ownership of shares of our Common Stock. Toward these goals, our executive compensation program has been designed and administered to reward our named executive officers based on our financial and operating performance, their individual performance, and to align their interests with those of our stockholders. In addition, our executive compensation program is designed to encourage the long-term commitment of our named executive officers to the Company. We believe that our executive compensation program, which primarily consists of a base salary, an annual performance-based cash bonus opportunity, and time and performance-based equity awards, promotes these objectives. Please read the section captioned Compensation Discussion and Analysis for a discussion of these objectives, the determination of and the elements of compensation and awards for our executive officers, as well as the elements paid and awarded during our fiscal year 2018.

In applying these objectives, the compensation committee of our Board of Directors (Compensation Committee) relied upon:

input and recommendations received from our Chairman and Chief Executive Officer regarding the performance of each executive officer (other than the Chief Executive Officer), each of whose performance is analyzed by the Compensation Committee, the documentation provided to support the attainment by individual executive officers of their respective goals and objectives, and areas of responsibilities and expectations for future performance and goal attainment;

publicly available information with respect to the executive compensation practices of certain public companies in our industry and peer groups;

the analysis and recommendations regarding our compensation programs for our executive officers composed by Frederic W. Cook & Co., the Compensation Committee's independent compensation consultant; and

the knowledge of the individual members of the Compensation Committee of industry compensation practices and programs.

For the reasons discussed above, the Board of Directors unanimously recommends that stockholders vote in favor of the following resolution:

RESOLVED, that the compensation paid to the Company's named executive officers, as disclosed pursuant to Item 402 of Regulation S-K, including the Compensation Discussion and Analysis, compensation tables and narrative discussion contained in this proxy statement, is hereby APPROVED on a non-binding, advisory basis.

While the resolution is non-binding, the Board of Directors values the opinions that stockholders express in their votes and in any additional dialogue. It will consider the outcome of the vote and those opinions when making future compensation decisions. To the extent there is any significant vote against the named executive officers' compensation, the Compensation Committee will consider our stockholders' advisory vote, and evaluate whether, and to what extent, any actions are necessary to address our named executive officers' compensation program.

The Board of Directors Recommends That You Vote FOR the Approval, on a Non-Binding Basis, of the Compensation of Our Named Executive Officers.

Nomination Policies and Procedures

The goal of our Board has been, and continues to be, to identify nominees for service on the Board of Directors who will bring diverse and varied perspectives and skills from their professional and business experience, including financial and accounting experience, as appropriate. In carrying out its function to nominate candidates for election to our Board, the Nominating and Corporate Governance Committee considers the mix of skills, experience, character, commitment, and diversity—diversity being broadly construed to mean a variety of opinions, perspectives, experiences and backgrounds, such as gender, race and ethnicity differences, as well as other differentiating characteristics—all in the context of the requirements of our Board at the time of such consideration. The Nominating and Corporate Governance Committee assesses the effectiveness of its charter annually in connection with the nomination of directors for election at the annual meeting of stockholders. In addition, our Corporate Governance Guidelines, which are available on our website at www.conns.com under Investor Relations Corporate Governance, contain provisions regarding the identification and selection of our director nominees.

The Nominating and Corporate Governance Committee assists the Board in fulfilling its responsibilities by (1) identifying individuals believed to be qualified to become members of the Board, consistent with Board approved criteria, (2) recommending candidates to the Board for election or reelection as directors, including director candidates submitted by our stockholders, and (3) overseeing, reviewing and making periodic recommendations to the Board concerning our corporate governance policies. The Nominating and Corporate Governance Committee does not have a specific written policy or process regarding the nominations of directors, nor does it maintain minimum standards for director nominees other than as set forth in its charter and the Company's Corporate Governance Guidelines.

The Nominating and Corporate Governance Committee will consider candidates for nomination proposed by stockholders so long as they are made in accordance with the provisions of Section 2.14 of our Bylaws. Section 2.14 of our Bylaws requires that a stockholder provide written notice to our Secretary no later than the close of business on

the ninetieth (90th) day nor earlier than the close of business on the one hundred twentieth (120th) day prior to the anniversary date of the mailing of the proxy statement for the immediately preceding annual meeting of the stockholders. The notice to our Secretary must set forth (a) as to each person whom the stockholder proposes to nominate for election or re-election as a director, information relating to such person that is required to be disclosed in solicitations of proxies for election of directors, or is otherwise required, in each case pursuant to Regulation 14A under the Exchange Act (including such person's written consent to being named in the proxy statement as a nominee and to serve as a director if elected); (b) as to any other business that the stockholder proposes to bring before the meeting, a brief description of such business, the reasons for conducting such business at the meeting and any material interest in the business by the stockholder and the beneficial owner, if any, on whose behalf the proposal is made; and (c) as to the stockholder giving the notice and the beneficial owner, if any, on whose behalf the nomination or proposal is made (i) the name and address, as they appear on the Company's books, of such stockholder and

Table of Contents

beneficial owner; and (ii) the class and number of shares of the Company that are owned beneficially and held of record by such stockholder and such beneficial owner. Notwithstanding this procedure, the Board may, in its discretion, exclude from any proxy materials sent to stockholders any matters that may properly be excluded under the Exchange Act, SEC rules or other applicable laws. The Nomination and Corporate Governance Committee treats recommendations for directors that are received from the Company's stockholders equally with recommendations received from any other source, so long as the recommendations comply with the procedures for stockholder recommendations set forth in the Company's Bylaws, as outlined above.

The charter of the Nominating and Corporate Governance Committee sets forth the minimum requirements for a person to be qualified to be a member of the Board of Directors, which are that a person must (i) be an individual of the highest character and integrity and have an inquiring mind, a vision and a willingness to ask hard questions, and the ability to work well with others; (ii) be free of any conflict of interest that would violate any applicable law or regulation or interfere with the proper and reasonable performance of the responsibilities of a director; (iii) be willing and able to devote sufficient time to the affairs of the Company and be diligent in fulfilling the responsibilities of a director and Board committee member (including developing and maintaining sufficient knowledge of the Company and its industry; reviewing and analyzing reports and other information important to the Board and committee responsibilities; preparing for, attending and participating in Board and committee meetings; and satisfying appropriate orientation and continuing education guidelines); and (iv) have the capacity and desire to represent the balanced, best interest of the stockholders as a whole and not primarily a special interest group or constituency. The Nominating and Corporate Governance Committee evaluates whether certain individuals possess the foregoing qualities and recommends to the Board for nomination candidates for election or re-election as directors at the annual meeting of stockholders, or if applicable, at a special meeting of stockholders. This process is the same regardless of whether the nominee is recommended by our Board or by one of our stockholders.

Independent Board Composition

NASDAQ requires that a majority of the board of directors of a listed company be independent. NASDAQ's rules provide that an independent director is a person other than an officer or employee of the Company or its subsidiaries or any other individual having a relationship that, in the opinion of the Board of Directors, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. The Board has determined that each of Ms. Malson, Mr. Bob Martin, Mr. Saunders, Mr. Schofman, Mr. Shein and Mr. Haworth is independent as defined under applicable SEC and NASDAQ rules. Mr. Bob Martin was appointed our Lead Independent Director in August 2012 and has since served as our Lead Independent Director.

The independent directors of the Board held executive sessions at each regular meeting of the Board of Directors during fiscal year 2018.

At the meeting of the Nominating and Corporate Governance Committee held in March 2018, the Committee discussed the relationships of Mr. Bob Martin with The Stephens Group, LLC, and whether his relationship or ownership interest impacted his ability to exercise independent judgment in carrying out his responsibility as a director. The Committee discussed the current position of Mr. Bob Martin with The Stephens Group, LLC, and the fact that the position is not substantively different from the consulting work that Mr. Bob Martin has done in previous years for The Stephens Group, LLC, the continuous exercise of independent judgment by Mr. Bob Martin since his election to our Board in 2003, and his lack of control of voting of Common Stock owned by The Stephens Group, LLC or any of its affiliates, including SG-1890 LLC. The Committee has determined that Mr. Martin is properly considered an independent director and recommended to the Board of Directors that it approve Mr. Bob Martin's independence as defined under the SEC and the NASDAQ rules.

At its meeting in March 2018, our Board of Directors approved the independence of Mr. Bob Martin.

Board Meetings

During fiscal year 2018, the Board of Directors held seven meetings. With the exception of one director, each director attended 75% or more of all meetings of the Board and the committees on which such director served during fiscal year 2018. Mr. Schofman was unable to attend Board and Committee meetings at the 75% attendance threshold. Mr. Schofman provided prior notice of his unavailability to attend meetings to the Board.

In addition, each of the members of the Audit Committee is independent as defined by the NASDAQ listing standards and Sarbanes-Oxley, as determined by our Board of Directors.

Compensation Committee

The Compensation Committee establishes, reviews and approves the compensation program for the Chief Executive Officer and other executive officers based upon recommendations by its independent compensation consultant. Our Chief Executive Officer does not play a role, nor does he make any recommendations in respect of, the determination of his own compensation. The Compensation Committee also evaluates the compensation plans, policies and programs of the executive officers of the Company and makes recommendations to the Board of Directors concerning such plans, policies and programs. In addition, it advises the Board regarding compensation plans, policies and programs applicable to non-employee directors for their services as members of our Board, and administers our stock option, stock purchase and other equity plans. The Compensation Committee also evaluates the competitiveness of our compensation and the performance of our Chief Executive Officer and other executive officers. In connection with rules adopted by the SEC and NASDAQ, the Company adopted a written charter for the Compensation Committee, which was amended by our Board in March 2014 to provide that, before engaging a compensation adviser (other than in-house legal counsel), the Compensation Committee shall consider all factors that could affect the independence of such consultant, counsel or advisor as may be identified from time to time in the rules and regulations of the SEC and the listing standards of NASDAQ relevant to that adviser's independence from management. A copy of the Compensation Committee charter, as amended, is posted on our website at www.conns.com under Investor Relations Corporate Governance.

The current members of the Compensation Committee are Mr. Bob Martin (Chair), Mr. Schofman and Mr. Haworth.

The Compensation Committee held five meetings during fiscal year 2018. All members of the Compensation Committee were determined by the Board of Directors to be independent directors, as defined by NASDAQ listing standards. Additional information on the Compensation Committee's processes and procedures for consideration of

executive compensation are addressed in the section of this proxy statement captioned Compensation Discussion and Analysis below.

Compensation Committee Interlocks and Insider Participation

For fiscal year 2018, the Compensation Committee consisted of Mr. Haworth, Mr. Bob Martin and Mr. Schofman, each of whom our Board determined was independent in accordance with NASDAQ listing requirements. No member of the Compensation Committee during fiscal year 2018 is or was formerly an officer or employee of the Company or any of its subsidiaries or was a related person in a related person transaction with the Company required to be disclosed under applicable SEC rules.

Nominating and Corporate Governance Committee

The Nominating and Corporate Governance Committee assists the Board in identifying and recommending individuals for election or reelection as directors, including director candidates submitted by our stockholders, and advises the Board with respect to corporate governance policies and procedures. The Nominating and Corporate Governance Committee will periodically review and make recommendations regarding our corporate governance policies and procedures, which are discussed in part below under the caption *Corporate Governance* and copies of which are posted on our website at www.conns.com under *Investor Relations Corporate Governance*. We adopted a written charter for the Nominating and Corporate Governance Committee, and a summary corporate governance policies and procedures which are posted on our website at www.conns.com under *Investor Relations Corporate Governance*.

The Nominating and Corporate Governance Committee is also responsible for overseeing a formal evaluation process to assess the composition and performance of the Board, each committee, and each individual director on an annual basis. The assessment is conducted to identify opportunities for improvement and skill set needs, as well as to ensure that the Board, committees, and individual members have the appropriate blend of diverse experiences and backgrounds, and are effective and productive. As part of the process, each member of the Board completes a questionnaire that includes Board, committee and individual assessments. While results are aggregated and summarized for discussion purposes, individual responses are not attributed to any member and are kept confidential to ensure honest and candid feedback is received.

Members of the Nominating and Corporate Governance Committee are appointed by the Board. The members of the Nominating and Corporate Governance Committee serve until their successors are duly elected and qualified, and they may be removed by the Board of Directors in its discretion. Each member of the Nominating and Corporate Governance Committee is an independent director (who, for the avoidance of doubt, is not an employee of the Company or any of its subsidiaries).

Our Nominating and Corporate Governance Committee currently consists of Mr. Bob Martin (Chair), Ms. Malson and Mr. Haworth.

All members of the Nominating and Corporate Governance Committee were determined by the Board to be independent as defined by the SEC and NASDAQ listing standards. The Nominating and Governance Committee held two meetings during fiscal year 2018.

Credit Risk and Compliance Committee

In December 2014, the Board established a Credit Risk and Compliance Committee. The Credit Risk and Compliance Committee is responsible for reviewing credit risk, underwriting strategy, compliance activities, the provision methodology, and monitoring trends in the Company's loan portfolio. We adopted a written charter for the Credit Risk and Compliance Committee, which is posted on our website at www.conns.com under *Investor Relations Corporate Governance*. Our Credit Risk and Compliance Committee currently consists of Mr. Saunders (Chair), Mr. Doug Martin and Mr. Shein. The Credit Risk and Compliance Committee held nine meetings during fiscal year 2018. In March 2018, the Board approved the continuation of the Credit Risk Committee and the formation of a separate Compliance Committee.

We adopted a written charter for the Compliance Committee, which is posted on our website at www.conns.com under Investor Relations Corporate Governance. Our Compliance Committee will consist of Mr. Miller (chair), Mr. Saunders and Mr. Shein.

Compensation of Non-Employee Directors

The Compensation Committee periodically reviews director compensation for service on the Board and for service on any Board committees, and recommends director compensation and any changes to such compensation to the Board for approval. The Board annually reviews and approves director compensation for Board and committee service based on the recommendations of the

Compensation Committee. The Compensation Committee engaged Frederic W. Cook & Co. (F.W. Cook) to review the competitiveness of the compensation program for our non-employee directors. Based on a review by F.W. Cook, in May 2014 the Compensation Committee recommended to the Board that the director compensation program be adjusted for fiscal year 2015 for Board and committee retainers and annual equity grants to non-employee directors to align with median peer group compensation. For fiscal years 2016, 2017 and 2018, the Compensation Committee recommended no changes to the compensation program. The following table summarizes the fiscal year 2018 non-employee director compensation plan:

Fee	Fiscal Year 2018
Annual Cash Retainer (1)	\$ 70,000
Additional Annual Retainer for:	
Lead Independent Director	\$ 20,000
Audit Committee Chair	\$ 15,000
Credit Risk and Compliance Committee Chair	\$ 10,000
Compensation Committee Chair	\$ 10,000
Nominating & Corporate Governance Committee Chair	\$ 7,500
Annual Equity Awards (2)	\$ 75,000

- (1) In addition to the following fees, the Company reimburses all directors for reasonable travel and out-of-pocket expenses incurred in connection with their duties as directors, including attendance at meetings.
- (2) Annual equity awards issued under our 2011 Non-Employee Director Restricted Stock Plan are granted on the first day following the date of the annual stockholders meeting, are payable in the form of restricted stock units (RSUs), are valued at the grant date, and fully vest on the one-year anniversary of the date of grant. The number of shares of restricted stock granted pursuant to each such RSU grant to the directors is determined by dividing the total dollar amount awarded by the closing price of the Company's common stock on the date of grant. Directors who are also employees of the Company do not receive any compensation for service as a Board or Committee member. Non-employee directors are eligible to participate in the employee discount program and are subject to the same terms of the program as Company employees. Pursuant to the employee discount program, non-employee directors can purchase Conn's merchandise at product cost plus ten percent.

At our 2011 annual meeting, our stockholders approved the adoption of the Company's 2011 Non-Employee Director Restricted Stock Plan. This Plan is administered by our Compensation Committee and only non-employee directors are eligible recipients of awards under the Plan. The Plan permits the awarding of restricted stock and RSUs to our non-employee directors.

In May 2017, all non-employee directors received 4,425 RSUs with an aggregate fair value of approximately \$75,000. The following table presents the total compensation for each non-employee director for fiscal year 2018:

In November 2017, the Compensation Committee approved, and the Board ratified, the stock ownership guidelines for non-employee directors to attain aggregate equity in Conn's stock valued at four times the value of the annual cash retainer before the first five-year anniversary of their appointment as non-employee directors. As of January 31, 2018, Mr. Bob Martin, Mr. Doug Martin, Ms. Malson, Mr. Saunders, Mr. Schofman and Mr. Shein met these ownership requirements, and Mr. Haworth continues to make progress toward his ownership threshold.

This Compensation Discussion and Analysis focuses on the compensation of our Chief Executive Officer, our Chief Financial Officer, and our three other most highly compensated officers for fiscal year 2018 (the named executive officers).

Continuing Investment in Leadership and Business Highlights and Initiatives***Continuing Investment in Leadership***

Mr. Miller has worked to assemble an executive leadership team focused on setting the Company on a path to profitable growth aligned with shareholder value creation interests. In fiscal year 2018, our executive team, led by Mr. Miller, made significant investments in both personnel and key functional areas including credit analytics, warehouse, delivery and distribution, and our loan management system platform.

Business Highlights and Company Initiatives

We are a leading specialty retailer that offers a broad selection of quality, branded durable consumer goods and related services in addition to a proprietary credit solution for our core credit-constrained consumers. We operate an integrated and scalable business through our retail stores and website. Our complementary product offerings include furniture and mattresses, home appliances, consumer electronics and home office products from leading global brands across a wide range of price points. Our credit offering provides financing solutions to a large, under-served population of credit-constrained consumers who typically have limited financing options. We provide customers the opportunity to comparison shop across brands with confidence in our competitive prices as well as affordable monthly payment options, next-day delivery and installation in the majority of our markets, and product repair service. We believe our large, attractively merchandised stores and credit solutions offer a distinctive shopping experience compared to other retailers that target our core customer demographic.

Fiscal year 2018 was a transformative year for our Company. We maintained our focus on enhancing our credit platform to support the pursuit of our long-term growth objectives. Our credit segment delivered solid results, reflecting the higher yield we earn on our direct loan product, more sophisticated underwriting which has led to lower delinquency rates and losses, and better execution and performance in the capital markets which has led to lower cost of funds. We continue to see the benefit in our credit operations from the structural changes we have made to increase yield, reduce losses and improve overall credit performance. Retail operating margins remained strong, demonstrating our differentiated business model, improved product mix, and emphasis on disciplined cost management. We

demonstrated the resiliency of our business model and the significant value we provide our customers as we endured the challenges caused by Hurricane Harvey.

Table of Contents

We delivered the following financial and operational results in fiscal year 2018:

Returned to full-year profitability, driven by an 80% increase in operating income in fiscal year 2018 compared to fiscal year 2017;

Delivered a record quarterly yield on our customer receivables portfolio of 20.5% in the fourth quarter of fiscal year 2018 as a result of the successful transition to our higher-yielding direct loan program;

For the first time in five years, reduced, year-over-year, the balance of accounts 60 days past due as a percentage of the customer receivables portfolio to 9.9% at January 31, 2018 from 10.7% at January 31, 2017;

Delivered record retail gross margin of 39.6% in fiscal year 2018, an increase of over 220 basis points compared to 37.4% in fiscal year 2017, driven primarily by improved product margins across all product categories, favorable product mix, and continued focus on increasing efficiencies;

Extended our successful asset-backed securitization program, securitizing \$1.2 billion of customer receivables in two transactions in fiscal year 2018. These securitizations led to the early redemption of the Series 2015-A Class B Notes and the Series 2016-A Class B Notes, which contributed to an 18.7% reduction in interest expense in fiscal year 2018 compared to fiscal year 2017;

Increased sales financed with the lease-to-own product offered through Progressive Leasing, which we offer to our customers who do not qualify for our proprietary credit programs, to 6.5% in the fourth quarter of fiscal year 2018 from 3.8% in the second quarter of fiscal year 2018, the quarter in which we transitioned to Progressive Leasing; and

Stock price performance responded positively to the results summarized above such that as of January 31, 2018, our fiscal year end, our annualized total shareholder return was up 215.6% on a one-year basis and 28.4% on a three-year basis compared to 13.2% and 0.0%, respectively, at the median for Conn's executive compensation peers discussed under the section captioned "Industry Peer Group" below.

Outlook

The broad appeal of the Conn's value proposition to our geographically diverse core demographic, unit economics of our business and current retail real estate market conditions provide us ample opportunity for continued expansion. Our brand recognition and long history in our core markets give us the opportunity to further penetrate our existing footprint, particularly as we leverage existing marketing spend, logistics infrastructure, and service footprint. There are also many markets in the United States with demographic characteristics similar to those in our existing footprint, which provides substantial opportunities for future growth. We plan to continue to improve our operating results by leveraging our existing infrastructure and seeking to continually optimize the efficiency of our marketing, merchandising, distribution and credit operations. As we expand in existing markets and penetrate new markets, we

expect to increase our purchase volumes, achieve distribution efficiencies and strengthen our relationships with our key vendors. We also expect our increased store base and higher net sales to further leverage our existing corporate and regional infrastructure.

We believe that we have laid the foundation to execute our long-term growth strategy and prudently manage financial and operational risk while maximizing shareholder value. We have identified the following strategic priorities for fiscal year 2019:

Increase net income by improving performance across our core operational and financial metrics: same store sales, retail margin, portfolio yield, charge-off rate, and interest expense;

Open five to nine new stores in our current geographic footprint to leverage our existing infrastructure;

Increase interest income on our loan portfolio by continuing to originate higher-yielding loans;

Continue to refine and enhance our underwriting platform;

Reduce our interest expense despite a rising rate environment;

Optimize our mix of quality, branded products and reduce warehouse, delivery and transportation costs to increase our retail gross margin;

Continue to grow our lease-to-own sales; and

Maintain disciplined oversight of our selling, general and administrative expenses.

Fiscal Year 2018 Pay for Performance Highlights

Annual Cash Incentive Bonuses. Bonuses under our annual cash incentive Plan are based upon the achievement of adjusted EBITDA performance goals that were established at the start of fiscal year 2018. As determined by the Compensation Committee, the Company exceeded fiscal year 2018 adjusted EBITDA target goals. Accordingly, Annual Cash Incentive Plan bonuses were paid to our named executive officers. The Compensation Committee, in its discretion, also approved increasing the amounts of the cash bonuses paid to our named executive officers as a result of the transformative performance results produced by the Company in fiscal year 2018.

Base Salary Increases. As discussed below in Elements of Compensation Base Salary, adjustments were made to the base salaries for fiscal year 2018 (compared to fiscal year 2017) for certain named executive officers who were employed with the Company as of the start of fiscal year 2018.

Compensation Philosophy and Objectives

We have developed a compensation program for our named executive officers designed to: (i) reward and motivate individual and Company performance; (ii) attract and retain executive talent with competitive compensation opportunities; and (iii) build and encourage ownership of our Common Stock. Toward these goals, our compensation program has been designed and administered to reward our named executive officers based on our financial and operating performance and their individual performance, and to align their interests with those of our stockholders. In addition, these goals are intended to encourage long-term commitment to the Company by our named executive officers. We believe that our executive compensation program, which consists primarily of a base salary, an annual performance-based cash bonus opportunity, and time-based and performance-based equity awards, promotes these objectives.

Compensation Philosophy

The following is the executive compensation philosophy that has been adopted by our Compensation Committee:

Compensation realized by executives should reflect the individual skills and contributions of the executive, as well as the Company's overall performance against its business plan and changes in stockholder value.

The basic objectives of the Company's executive compensation program include:

Attracting, motivating and retaining skilled executives necessary to execute its business strategy;

Motivating executives by linking compensation opportunity to the achievement of the Company's short-term and long-term growth and profitability goals as well as execution of its business strategy;

Aligning interests of management and stockholders by linking realized compensation directly to increases in stockholder value and requiring ownership of Company stock over a sustained period; and

Promoting a pay-for-performance culture on a risk-appropriate basis with a majority of the named executive officer's compensation to be earned, or increase in value, based on Company and stock performance. In addition, the efficiency of the overall program from a tax, accounting, cash flow and stockholder dilution perspective should be balanced against the above objectives. In support of the stated objectives, the Company delivers an executive compensation program that includes the following fundamental elements:

1. Base salary;

2. Short-term cash incentive bonuses; and

3. Long-term equity incentives in the form of stock options, time-based RSUs and performance-based RSUs. Additional benefits and perquisites may be included when appropriate. A named executive officer's total direct compensation opportunity (*i.e.*, base salary, short-term cash incentives and long-term equity incentives) should be competitive with market practice. Market practice generally means the median (*i.e.*, 50th percentile) of the total direct compensation opportunity of peer executives at companies in our peer group (defined below). However, the Compensation Committee may, in its discretion, provide a named executive officer with a total direct compensation opportunity above or below market practice, based on the following factors:

Table of Contents

The named executive officer's individual skills, experience, and performance; and

The difficulty of replacing the named executive officer and importance of the position to the Company. Actual compensation earned by a named executive officer may be above or below market level depending on the named executive officer's individual performance and the Company's absolute or relative performance compared with its peers.

Compensation Objectives

Reward Performance: A significant portion of the total direct compensation of each of our named executive officers is performance-based. One way in which we reward performance is through grants of equity, the value of which is tied to changes in our stock price. While we recognize that stock price performance is one measure of performance, given the volatile nature of business conditions in our industry and the financial markets, we believe that it may not always be the most appropriate performance measure for incentive plan purposes. As a result, in fiscal year 2018, a portion of our named executive officers' total direct compensation is based on the Company's financial results, as measured by adjusted EBITDA in the case of annual cash incentive bonuses and fiscal year 2018 performance-based RSUs and by return on invested capital in the case of performance-based RSUs granted prior to fiscal year 2018. The Compensation Committee may also award discretionary bonuses based on its review of individual performance.

Attract, Retain and Motivate: We structure the compensation of our named executive officers with the goal of attracting and retaining excellent executives in our significant areas of operations—sales, merchandising, financial and liquidity, consumer credit, distribution, product service and training. We promote these objectives by ensuring that our compensation is competitive within our industry and by providing that equity awards vest over a three or four-year period (subject to our Compensation Committee's discretion in determining a different vesting schedule as it deems appropriate under the circumstances) for purposes of retention. In addition, a significant portion of a named executive officer's total direct compensation opportunity is tied to performance-based incentives that motivate our named executive officers to achieve strong financial and operational results.

Encourage Ownership of our Common Stock: We believe that ownership of Common Stock by our named executive officers directly aligns their interests with those of our stockholders. To reinforce this belief, our Compensation Committee adopted stock ownership guidelines for our named executive officers, as further described under the caption "Compensation Discussion and Analysis—Stock Ownership Guidelines."

Determining Compensation

The Compensation Committee is responsible for administering the executive compensation program for each of the named executive officers, including the Chief Executive Officer. The Chief Executive Officer assists the Compensation Committee with administering the executive compensation program for the other named executive officers, except with regard to certain actions and responsibilities that are specifically reserved to the Compensation Committee or Board of Directors. The Chief Executive Officer plays no role in the compensation process, and is not present during voting or deliberations, with respect to his own compensation. The Compensation Committee's responsibilities are identified in its charter posted on our website at www.conns.com under "Investor Relations Corporate Governance."

Our Compensation Committee seeks to structure compensation of our named executive officers in such a manner as to avoid encouraging excessive risk taking. To align shareholder interests and appropriate risk-taking the Compensation Committee: (i) caps the annual incentive target bonus opportunity at 200%; (ii) adopted equity ownership guidelines

for our named executive officers; and (iii) imposes varying time horizons for short and long-term incentive compensation, intending to balance the executive's attention to our short and long-term performance goals and business objectives. The Compensation Committee also periodically reviews and adjusts the cash and equity award amounts tied to our short- and long-term performance goals and objectives to better address changes in the market and Company risks as they arise and adjust our direction and actions to compensate for such risks. We believe that these actions ensure ongoing alignment of our pay-for-performance objectives and our stockholder interests with a view to long-term value creation.

In applying the above-described objectives for our executive compensation program, the Compensation Committee, in making its final determination, primarily relies upon:

Table of Contents

input and recommendations received from the Chief Executive Officer regarding the day-to-day performance, areas of responsibilities and expectations for future performance of executive officers other than the Chief Executive Officer;

publicly available information with respect to the executive compensation practices of our peer group companies;

the analysis and recommendations of its independent compensation consultant regarding our compensation programs for our executive officers; and

its own judgment and knowledge of the industry.

Input Received from our Chief Executive Officer

The Compensation Committee has historically relied in part on the input and recommendations of our Chief Executive Officer in making its determination regarding base salaries of the executive officers (other than the Chief Executive Officer), individual levels for bonus compensation, and whether to grant long-term equity awards to such executive officers and if so, in what forms and amounts. The Compensation Committee believes that our Chief Executive Officer, by virtue of his role in overseeing the day-to-day performance of such individuals and his experience in the industry, is appropriately suited to make informed recommendations to the Compensation Committee with respect to the foregoing elements of our executive compensation program. The Compensation Committee alone, with input and guidance from its independent compensation consultant, F.W. Cook, determines the compensation for our Chief Executive Officer.

Industry Peer Group

While the Compensation Committee does not rely solely on any comparative analyses of the amounts and forms of compensation which are paid to the named executive officers with comparable roles at other public companies, it does review annually and take into consideration such analyses for public companies of comparable size and nature to our businesses (*i.e.*, retail businesses including those that provide in-house financing of their merchandise sales), as well as similarly situated public companies outside the retail business industry. We refer to such companies collectively as our peer group. In fiscal year 2018, the peer group was reviewed and updated by the Compensation Committee based on refined selection criteria that better reflect the Company's size and business. The selection criteria were based on industry classification, revenue, and market capitalization, and developed by the Compensation Committee's independent compensation consultant acting at the Compensation Committee's direction. The companies that comprised our peer group were: Restoration Hardware, Pier 1 Imports, Aaron's, Rent-A-Center, La-Z-Boy, Ethan Allen, EZCORP, Enova International, Encore Capital, Haverty Furniture, Tuesday Morning, Kirkland's, First Cash Financial, PRA Group, Sears Hometown and Outlet, and Select Comfort. This peer group was used for purposes of the executive compensation analysis for Messrs. Miller, Wright, Gaines, Bchara and Prior for fiscal year 2018.

The Compensation Committee considers the amount and structure of peer company compensation when determining the compensation of executive officers, but the Compensation Committee does not target compensating our named executive officers to a specific benchmark level relative to our peer group, since our business model and resulting areas of responsibility are not directly comparable with those of named executives within our peer group. Instead, the Compensation Committee utilizes the competitive peer group compensation data to confirm that our compensation and incentive opportunities are appropriate and competitive relative to the market. The Compensation Committee may

determine to modify the compensation levels of our named executive officers if they are deemed to not be competitive. The Compensation Committee also relies on its knowledge of the industry practices and our peers in determining our named executive officers' base salary, bonus and equity awards, as it deems appropriate and necessary to reward overall performance and achievements and to promote retention and stability within our executive team.

Compensation Consultant

The Compensation Committee has engaged F.W. Cook as its independent compensation consultant. F.W. Cook is responsible for preparing and presenting a comprehensive competitive market study of the compensation levels and practices for a group of industry peers on an annual basis. The fiscal year 2018 Compensation Committee-approved industry peer group is listed and described in more detail in the above section captioned "Compensation Discussion and Analysis - Determining Compensation - Industry Peer Group." F.W. Cook is also responsible for preparing and presenting an outside director compensation study using the same industry peer group. The Compensation Committee relies on F.W. Cook for input on pay philosophy, current market trends, regulatory considerations and prevalence of benefit and perquisite programs.

Table of Contents

The Compensation Committee considered whether F.W. Cook is independent from management, utilizing, among other things, the independence factors required by the SEC and NASDAQ. Based on this review, the Compensation Committee determined that F.W. Cook is independent from Company management and that F.W. Cook has no conflicts of interest in performing its work.

A representative of F.W. Cook attends Compensation Committee meetings as requested by the Compensation Committee. F.W. Cook works with management only under the direction of the Compensation Committee and does not provide any other advice or consulting services to the Company.

Other Factors

The Compensation Committee will also consider our financial performance to the extent that the Compensation Committee believes it may be fairly attributed or related to the performance of a particular named executive officer. The Compensation Committee will also consider the contribution of each named executive officer relative to his individual responsibilities and capabilities. Generally, our stock price performance is not used as an explicit performance measure to determine incentive payouts given the fact that stock price reflects a variety of factors not within the direct control of our named executive officers, including, but not limited to, the business conditions of the industry within which we operate and the broader economy in general. Nonetheless, in evaluating fiscal year 2018 financial performance and the turn-around strategies being executed by our named executive officers, the Compensation Committee recognized that the Company's stock experienced a sustained and material appreciation in share price over the last 12 months.

Elements of Compensation

The compensation of our named executive officers consists of three basic elements: (i) base salary; (ii) annual cash incentive bonus (pre-determined based on Company performance (and, in some cases, individual performance) and with discretionary aspects to reward outstanding performance); and (iii) equity awards. These components work together in determining the overall compensation of our named executive officers.

Base Salary

Each named executive officer receives a base salary determined by the Compensation Committee to be commensurate with the officer's area of responsibility and that officer's area and extent of responsibility in relation to our performance as a whole. Individual salaries take into account our established salary policies, the individual's level of responsibility, contribution and value to the Company, individual performance, and prior relevant experience. No specific formula is applied to determine the weight of each factor, and the factors are considered by our Compensation Committee in its discretion. Salary reviews are conducted annually in which individual performance is evaluated; however, individual salaries are not necessarily adjusted each year. Our Compensation Committee generally establishes base salaries at levels that are competitive with market practice, as further described above under the caption Compensation Discussion and Analysis - Compensation Philosophy and Objectives.

The Compensation Committee increased the base salaries of certain of the following named executive officers during fiscal year 2018 due to: (i) the Company's performance in fiscal year 2018; (ii) overall market conditions; and (iii) the Compensation Committee's belief that these salary increases are competitive when compared to recent market survey data.

Name	FY18 Annual Base Salary	FY17 Annual Base Salary	% Change
Norman L. Miller	\$ 925,000	\$ 875,000	5.8%
Lee A. Wright	\$ 550,000	\$ 480,000	14.5%
Coleman R. Gaines (1)	\$ 475,000	N/A	N/A
George L. Bchara (1)	\$ 310,000	\$ 310,000	0%
Mark L. Prior	\$ 330,000	\$ 300,000	10%

Table of Contents

- (1) Mr. Gaines began his employment with the Company on the commencement of fiscal year 2018; Mr. Bchara began his employment six weeks prior to the commencement of fiscal year 2018; therefore, neither Mr. Gaines nor Mr. Bchara received a base salary increase in fiscal year 2018.

Annual Cash Incentive Plan

The Company uses annual cash incentives to focus attention on current strategic priorities and drive achievement of annual and short-term objectives. The annual cash incentive plan for fiscal year 2018 was designed to focus executive officers towards continuing to improve both corporate and individual performance. The Compensation Committee establishes our bonus program for all named executive officers, as well as certain other executive officers and employees, after receiving recommendations from the Chief Executive Officer. The bonus opportunity is stated as a percentage of base salary consistent with the competitive market for executives in similar positions. The named executive officers receive bonus payments based on the achievement of pre-determined Company performance goals (and in some cases, individual performance goals) approved by the Compensation Committee each fiscal year. Upon completion of each fiscal year, the Compensation Committee determines the annual cash incentive bonuses based on the results of the bonus plan and each named executive officer's bonus target percentage. The Compensation Committee discusses and approves the annual cash incentive bonus payments annually, considering the factors stated above.

Individual named executive officers may also receive bonus payments based on individual performance. These bonus levels, in the case of named executive officers other than the Chief Executive Officer, are recommended by the Chief Executive Officer, and in all cases, are determined by the Compensation Committee, based on the applicable named executive officer's level of responsibility and ability to affect the performance of his area of responsibility and the Company's performance. At the end of each fiscal year, the Compensation Committee may additionally establish individual performance bonus awards for each named executive officer upon recommendation of the Chairman and Chief Executive Officer (for named executive officers other than the Chief Executive Officer), or as separately determined by the Compensation Committee.

The Compensation Committee also believes that it is important to have the flexibility to grant discretionary bonuses if the Company achieves or exceeds one or more specific financial metrics, and if the Compensation Committee determines that management's overall performance during the year merits special financial recognition. Further, the Chief Executive Officer may recommend discretionary bonuses, outside of our annual incentive program, for executive officers (other than himself) to the Compensation Committee when deemed appropriate, and provide the Compensation Committee with his rationale for the recommended bonus amounts. The Compensation Committee makes all final decisions as to the compensation of the named executive officers including the award of any discretionary bonuses.

For fiscal year 2018, the Compensation Committee selected adjusted EBITDA as the proper performance benchmark because it believes adjusted EBITDA serves as an appropriate measure of the Company's operating cash flow and overall financial performance prior to the effects of capital structure, taxes and depreciation policies. The calculation of adjusted EBITDA was based on net income plus interest expense, plus provision for income taxes, plus depreciation, plus amortization, plus loss from early extinguishment of debt, plus non-cash stock compensation expense and plus charges and credits. For fiscal year 2018, the Compensation Committee pre-determined adjusted EBITDA based company performance targets to determine Threshold (\$140 million), Target (\$165 million) and Maximum (\$190 million) for the Company's annual incentive cash award opportunities (as a percentage of base salary) for our named executive officers set forth below.

Name	Threshold \$140 million	Target \$165 million	Maximum \$190 million
Norman L. Miller (1)	50%	100%	200%
Lee A. Wright (1)	30%	60%	120%
Coleman R. Gaines (1)	30%	60%	120%
George L. Bchara (1)	25%	50%	100%
Mark L. Prior (1)	22.5%	45%	90%

- (1) Percentages represent the incentive cash award opportunity as a percentage of executive officer's base salary at the end of fiscal year 2018.

Table of Contents

Target bonus opportunities summarized in the table above for Messrs. Gaines, Behara, and Prior are inclusive of bonus opportunities for individual performance.

Fiscal year 2018 adjusted EBITDA performance was in the range between Target and Maximum, at \$167.3 million, 9.2% above the Target performance goal. Therefore, pursuant to the Annual Cash Incentive Plan program, the Compensation Committee authorized the payment of cash bonuses at 9.2% above Target. These payments are included in the Summary Compensation Table in the column titled Non-Equity Incentive Plan Compensation.

In March 2018, in light of the Company's transformative performance in fiscal year 2018, the Compensation Committee, in its discretion, considered and approved the payment of increased bonuses to the named executive officers. The increased payouts were based on each named executive officer's achievement of individual management objectives for fiscal year 2018 as established at the start of fiscal year 2018. The additional bonus amounts paid for fiscal year 2018 are listed in the Summary Compensation Table in the column titled Bonus. The primary purpose for approving the payment of these increased bonuses to the individual named executive officers was to recognize and reward their contributions for the transformative performance in the Company's fiscal year 2018 results beyond only adjusted EBITDA. Specifically, the turn-around strategies executed by the Company in fiscal year 2018 under the leadership of the named executive officers produced the following results:

Returned to full-year profitability

Increased operating income in fiscal year 2018 by 80% compared to fiscal year 2017

Delivered a record quarterly yield on the receivables portfolio of 20.5% in the fourth quarter of fiscal year 2018

Delivered record retail gross margin of 39.6% in fiscal year 2018, an increase of over 220 basis points compared to 37.4% in fiscal year 2017

Extended the asset-backed securitization program, securitizing \$1.2 billion of customer receivables, which contributed to an 18.7% reduction in interest expense in fiscal year 2018 compared to fiscal year 2017

Successfully transitioned and launched our lease-to-own program with a new partner, Progressive Leasing

Achieved a material appreciation in the Company's share price in fiscal year 2018 such that as of January 31, 2018, our fiscal year end, our annualized total shareholder return was up 215.6% on a one-year basis and 28.4% on a three-year basis

The following table details the bonus amounts paid to our named executive officers for Company achievement and individual performance in fiscal year 2018:

Name	Bonus Amount for Achievement of Adjusted EBITDA	Bonus Increase for Individual Executive Performance	Total Bonus Paid
Norman L. Miller	\$ 1,010,100	\$ 608,650	\$ 1,618,750

Coleman R. Gaines	\$ 311,220	\$ 116,280	\$ 427,500

Equity Awards

The purpose of our long-term incentive program is to ensure that our executives focus not only on short-term returns but also on achieving long-term Company goals, growth and creation of stockholder value. We further believe that equity ownership by our executive officers aligns executive interests with those of our stockholders. For fiscal year 2018, the Compensation Committee continued its practice of using time-based RSUs and performance-based RSUs for long-term incentive compensation.

Table of Contents

Fiscal Year 2018 Special Equity Awards

The Compensation Committee may, in its discretion, grant other equity awards to the named executive officers from time-to-time, which may include time-based stock options, restricted stock, time-based RSUs, and performance-based RSUs pursuant to our 2016 Amended Omnibus Incentive Plan. In making any such awards, the Compensation Committee will consider:

the number of equity awards previously granted to the named executive officer; and

the named executive officer's past and expected future contributions to the Company.

Compensation under our equity incentive program is intended to align the long-term interests of our named executive officers with those of our stockholders and to provide long-term performance incentives to our named executive officers to complement the other forms of compensation they receive.

In making long-term incentive compensation decisions, no formal weighting formula is used in deciding award amounts under our equity incentive programs. Our Compensation Committee instead considers each executive's ability and individual responsibility to directly impact our Company's overall performance in the long-term, and makes equity awards based on considerations for each individual executive.

We use equity awards to counterbalance base salary and short-term cash bonus compensation components provided to our named executive officers and to further align executive pay with the long-term financial performance of the Company. We do not target any set mix of compensation components. Our Compensation Committee reviews the goals of our Company and the status of the markets in which we compete to determine the appropriate combination of short-term and long-term incentive compensation should be structured in order to properly incentivize our executives to best implement both the short-term and long-term elements of our Company strategies.

Special Equity Awards

On February 23, 2017, the Board of Directors approved special equity awards for Messrs. Miller, Wright, Bchara and Prior (as well as other executive and non-executive officers) for retention and motivation purposes during our business turnaround. The recipients were selected in part based on the criticality of their respective roles in executing our business turnaround strategies, the leadership characteristic these individuals have displayed and continue to display in recruiting other highly talented managers in their respective disciplines, and their efforts and performance in putting the Company on a path to sustainable profitability.

These special equity awards consisted of both performance and time-based RSUs. The performance-based RSUs (PSUs) are aligned with stockholder value creation interests because the PSUs will vest, if at all, only upon the certification by the Compensation Committee of the satisfaction of the annual and cumulative adjusted EBITDA performance conditions over the three fiscal years commencing with fiscal year 2018 and ending with fiscal year 2020. When establishing these adjusted EBITDA performance conditions the Compensation Committee determined that these conditions were challenging but attainable with superior operational execution and financial performance over the three year period. Further, a Total Shareholder Return modifier comparing the Company's stock price appreciation between February 2017 and February 2020 can be applied to increase the number of potential PSUs granted after fiscal year 2020.

The time-based RSUs granted on February 23, 2017 to Messrs. Wright, Bchara and Prior and to Mr. Miller on May 31, 2017, will vest in three equal installments over a three-year period. The first installment vested on February 23, 2018. The second installment will vest on February 23, 2019; and the third installment will vest on February 23, 2020. At the time of these grants in February and May 2017, these special equity awards were intended at that time to motivate and retain these recipients for three fiscal years and to cover those prospective annual equity grants that Messrs. Miller, Wright, Bchara and Prior, would have received in each of fiscal years 2018, 2019, and 2020. Due to the timing of his hire, equity grants to Mr. Gaines were provided under a different grant schedule than the other named executive officers. As detailed in the table below, Mr. Gaines was granted time based RSUs and PSUs on May 30, 2017. Mr. Gaines RSUs vest ratably over a 4-year period. The first vesting of RSUs will occur in May, 2018. The potential vesting conditions and the required financial performance requirements for vesting for Mr. Gaines PSUs are the same as those terms discussed in the paragraph above with the exception that Mr. Gaines PSUs will vest, if at all, in fiscal year 2021.

Table of Contents

The table below details the special equity awards granted to Messrs. Miller, Wright, Bchara and Prior and the fiscal year 2018 awards granted to Mr. Gaines. The awards were granted to Mr. Wright, Bchara and Prior on February 23, 2017. A portion of Mr. Miller's award was granted on February 23, 2017 (200,000 PSUs) and a portion of the award was granted on May 31, 2017 (258,000 time based RSUs and 58,000 PSUs) as it was contingent upon stockholder approval of the Company's Amended 2016 Omnibus Incentive Plan.

Settlement of Fiscal 2017 Performance-Based Restricted Stock Unit Awards

In May 2016, the Compensation Committee granted 75,107 performance-based RSUs to Mr. Miller. The vesting and payout of this award was based on the Company's return on invested capital (ROIC) over the two-year period ended January 31, 2018. Mr. Miller was eligible to earn between 0% and 150% of the performance based RSUs granted, depending on our ROIC during the measurement period. The ROIC goal for vesting at Threshold level (50% of RSUs granted) was 10%, the ROIC goal for vesting at Target level (100% of RSUs granted) was 15% and the ROIC goal for vesting at Maximum level (150% of RSUs granted) was 18%. If any of the RSUs are earned, 50% of the earned RSUs would vest on May 25, 2018, 25% on May 25, 2019 and 25% on May 25, 2020. In March 2018, the Compensation Committee determined the ROIC for the measurement period fell below the Threshold level. As a result, the Compensation Committee did not approve the vesting or issuance of any of the fiscal year 2017 performance-based RSUs awarded to Mr. Miller and all such fiscal year 2017 performance-based RSUs were forfeited.

Fiscal Year 2019 Salary Increases and Retention Equity Awards to the Chief Executive Officer and Chief Financial Officer

On March 28, 2018, the Compensation Committee approved annual base salary increases for Messrs. Miller and Wright, effective March 28, 2018, and also approved the grant of retention equity awards. The purpose of the salary increases and retention equity awards is to ensure the continuity of the highly successful leadership under our Chief

Executive Officer and our Chief Financial Officer over the next three to five years. Additionally, the purpose of the retention equity grants is to ensure that they continue to focus on achieving the Company's long-term goals in growing a sustainable business model and in creating shareholder value. We further believe that increased potential equity ownership by our Chief Executive Officer and our Chief Financial Officer aligns our executives' interests with those of our shareholders.

The Compensation Committee increased Mr. Miller's base salary from \$925,000 to \$1,000,000 and granted a retention equity award of 500,000 non-qualified stock options (Options), which are scheduled to vest in two equal installments as follows: 250,000 Options will vest on March 28, 2021 (fiscal year 2022), and 250,000 Options will vest on March 28, 2022 (fiscal year 2023).

The Compensation Committee increased Mr. Wright's base salary from \$550,000 to \$600,000 and granted a retention equity award of 77,280 Restricted Stock Units and 120,166 Options. The RSUs and Options are scheduled to vest in two equal installments with 38,640 RSUs and 60,083 Options vesting on March 28, 2021 (fiscal year 2022), and the same number of RSUs and Options vesting on March 28, 2022 (fiscal year 2023). The Options granted to Messrs. Miller and Wright are exercisable at the strike price of \$32.35, the Company's closing stock price on the date of these awards.

Table of Contents

These awards are designed such that there is no overlap in the annual vesting of the equity that was awarded to Messrs. Miller and Wright in February and May 2017 when compared to these equity awards granted in March 2018. The PSUs granted in February and May 2017 will vest, if at all, in or about February 2020, and thereafter, absent the March 2018 equity grants, Messrs. Miller and Wright would have relatively reduced potential for equity-based compensation in 2021 and 2022. In order to ensure their retention and commitment to the Company to March 2022 and beyond, the Compensation Committee approved these retention equity grants that are scheduled to vest in March 2021 and March 2022.

Timing of Equity Grants

Annual equity awards are generally granted to our named executive officers at the Company's regular meeting of the Board of Directors scheduled for the first or fourth quarter of each fiscal year. Off-cycle (non-annual) awards may be made if our Chief Executive Officer and the Compensation Committee deem it appropriate for those not receiving grants on the regular first or fourth quarter schedule, newly-promoted employees, strategic new hires, or in other special or unique circumstances.

Health, Retirement, Perquisites and Other Benefits

Our named executive officers are eligible to participate in the same retirement and other health and welfare benefit plans, including medical, dental, vision, long-term and short-term disability, life insurance, employee discount, and in the Company's employee stock purchase plan, in each case on the same basis as our other eligible employees.

Annual Advisory Vote on Executive Compensation

At our 2017 annual meeting, approximately 92% of the votes cast were in favor of the advisory resolution on our executive compensation. The Compensation Committee believes that the positive outcome of this vote supports the compensation arrangements established by it for our named executive officers, and therefore continued to apply the same pay-for-performance principles and philosophies when making decisions relating to the compensation of our named executive officers for fiscal year 2018.

Stock Ownership Guidelines

In August 2011, our Board of Directors adopted stock ownership guidelines for our named executive officers to align their interests more closely with the interests of our stockholders. During fiscal year 2015, the Compensation Committee increased the stock ownership guidelines for our Chief Executive Officer and other named executive officers. Within five years from the date of hire, the Company's Chief Executive Officer is required to own shares of Common Stock with a value equal to at least five times his or her annual base salary, and each other named executive officer is required to own shares of our Common Stock with a value equal to at least four times his or her annual base salary. All beneficially owned shares of Common Stock, including vested options, options that will vest within 60 days and unvested RSUs are counted towards achievement of the ownership guideline. Individuals are required to achieve the applicable level of ownership within five years after first becoming subject to the guidelines. If an individual becomes subject to the stock ownership guidelines or is subject to a greater ownership amount due to promotion or an increase in base salary, the individual is expected to meet the applicable ownership amount within the later of the original period or 12 months from the effective date of the promotion or salary change. If an individual falls below the applicable guideline due solely to a decline in the value of the Common Stock, the individual will not be required to acquire additional shares to meet the guideline, but he or she will be required to retain all shares then held (except for shares withheld to pay withholding taxes or the exercise price of options) until such time as the individual again attains the stock ownership threshold.

Messrs. Miller, Wright, Bchara and Prior have attained their required level of equity ownership. Mr. Gaines (who joined the Company on February 1, 2017), has not yet attained his required level of ownership, but continues to make progress toward the required ownership threshold.

Prohibition on Hedging and Pledging

The Company's insider trading policy, a copy of which is available on our website at www.conns.com under "Investor Relations" "Corporate Governance", restricts all officers, directors and certain employees from engaging in any of the following activities with respect to the securities of the Company:

Purchases on margin (where money is borrowed to make the purchase);

Short sales;

Buying or selling puts or calls;

Hedging or monetization transactions, such as zero-cost collars and forward sale contracts, that allow an employee to lock in much of the value of his or her stock holdings, often in exchange for all or part of the potential upside appreciation in the stock; or

Holding Company securities in a margin account or pledging Company securities as collateral for a loan without adequate financial resources to prevent a forced sale.

To the Company's knowledge, none of our officers or directors have entered into any hedging transactions with respect to Company stock, nor have they pledged any Company stock to secure any personal indebtedness or deposited Company stock into any margin account. To The Company's knowledge, none of our officers or directors have entered into any of the foregoing restricted transactions.

Other Compensation

We provide our named executive officers with limited perquisites and other benefits, as reflected in the All Other Compensation column in the Summary Compensation Table below, which the Compensation Committee believes are reasonable, competitive and consistent with the objectives of our executive compensation program.

Employment and Related Agreements

Certain of the named executive officers have entered into Executive Severance Agreements with the Company and others are party to the Executive Severance Plan adopted by the Company in December 2015, the material terms of which are explained in more detail under the section "Termination of Employment and Change of Control Arrangements" below.

Tax Implications of Our Compensation Policies

Section 162(m) of the Internal Revenue Code (Code) places a limit of \$1,000,000 on the amount of compensation that we may deduct in any given year with respect to the CEO and certain of our other most highly paid executive officers. There was an exception to the \$1,000,000 limitation prior to calendar year 2018 for performance-based compensation meeting certain requirements. Our stock option awards and performance-based restricted stock unit awards generally

are performance-based compensation meeting those requirements and, as such, were typically fully deductible. Performance-based cash bonus compensation awards under our Management Incentive Compensation Program were also possibly tax deductible. Our annual base salary and time-based restricted stock units are generally subject to the Section 162(m) deduction limitations. Effective with the Tax Cut and Jobs Act, the performance-based exception to Section 162(m) has been eliminated, resulting in pay in excess of \$1,000,000 in calendar year 2018 or later generally not being deductible for the Company, subject to the transition rule for plans and agreements in place on November 2, 2017. To maintain flexibility in compensating executive officers in view of the overall objectives of our compensation program, the Compensation Committee has not adopted a policy requiring that all compensation be tax deductible.

(1) Represents fiscal year 2018 award opportunities under the Company's Annual Cash Incentive Plan. The Company achieved the predetermined adjusted EBITDA based performance goals established by the Compensation Committee for fiscal year 2018 in excess of the target level but less than the maximum level. Actual annual cash incentive awards paid to the named executive officers are reflected in the Non-Equity Incentive Plan Compensation column of the Summary Compensation Table and are discussed on more detail under Compensation Discussion and Analysis.

(2) Represents the threshold (50% of target), target and maximum (150% of target) number of performance-based RSUs granted that may vest, if at all, upon certification, after fiscal year 2020, by the Compensation Committee of the satisfaction of predetermined annual and cumulative EBITDA performance targets over the three fiscal years commencing with fiscal year 2018 and ending with fiscal year 2020. A further Total Shareholder Return modifier may also be applied to the performance based RSUs awarded based upon a comparison of the Company's stock price in February 2017 and February 2020. The maximum number of performance based RSUs that can vest is 150% of the target number of units granted. If the performance targets are achieved, the RSUs

- will vest for Messrs. Miller, Wright, Bchara and Prior on February 23, 2020 and for Mr. Gaines on May 30, 2021.

- (4) The amounts in the Grant Date Fair Value of Stock and Option Awards column were determined in accordance with FASB ASC Topic 718, which may be greater or less than the value than the respective named executive officer realizes upon the vesting of the performance-based RSUs and time-based RSUs. Information regarding the assumptions used in calculating the fair value under FASB ASC Topic 718 can be found in Note 9 to the financial statements contained in the Company's Annual Report on Form 10-K for fiscal year 2018.

Table of Contents**TERMINATION OF EMPLOYMENT AND CHANGE OF CONTROL ARRANGEMENTS****Executive Severance Agreements**

We have entered into executive severance agreements with each of Messrs. Miller, Wright, and Gaines (collectively, the Agreements). The Agreements are designed to (i) provide a level of transition assistance in the event of an involuntary termination of employment with the goal of keeping the subject named executive officers focused on our business rather than their personal circumstances, and (ii) encourage the subject named executive officers to continue to devote their full attention to the business of the Company in the event of a potential change in control to allow for a smooth transition. The Compensation Committee believes the Agreements promote the objectives of the Company and align with the interests of our stockholders by encouraging continuity of leadership in termination or change in control situations.

The term of each Agreement is for one year and automatically renews for successive one-year periods unless terminated by the Company upon prior written notice to the subject named executive officer. If the subject named executive officer is involuntarily terminated without cause (as defined below) or if the subject named executive officer voluntarily terminates his employment for good reason (as defined below), then (i) the executive will receive salary continuation payments (at the rate in effect on the day before his termination) for 18 months following termination (other than with respect to Mr. Miller, who will receive continued payments for 24 months) (the Severance Period), (ii) the executive will receive continuation coverage during the Severance Period under the Company's medical, dental, life, disability and other welfare benefit plans, and (iii) for Mr. Miller, all awards held by the executive under our 2003 Incentive Stock Option Plan, and 2011 Omnibus Incentive Plan, and the 2016 Amended Omnibus Incentive Plan will continue to vest and, if applicable, be exercisable during the Severance Period as if the executive had continued his employment for the duration of the Severance Period; for Mr. Wright, all awards held by the executive under the 2016 Amended Omnibus Incentive Plan will continue to vest, and if applicable, be exercisable during the Severance Period as if the executive had continued his employment for the duration of the Severance Period.

Under each Agreement, cause is defined as (i) behavior of the subject executive which is adverse to the Company's interests, (ii) the subject executive's dishonesty, criminal charge or conviction, grossly negligent misconduct, willful misconduct, acts of bad faith, or neglect of duty or (iii) the subject executive's material breach of the Agreement.

Under each Agreement, good reason means, without the subject executive's express written consent, (i) the material diminution of the subject executive's title, duties, authority or responsibilities relative to the subject executive's duties, authority or responsibilities as in effect immediately prior to such reduction, or the assignment to the subject executive of such reduced duties, authority or responsibilities, (ii) a substantial reduction, without good business reasons, of the facilities and perquisites (including office space and location) available to the subject executive immediately prior to such reduction, (iii) a material reduction of the subject executive's base salary or annual bonus opportunity, each as in effect as of the effective date of the Agreement, (iv) a material reduction in the kind or level of employee benefits, including additional bonus opportunities, to which the subject executive was entitled immediately prior to such reduction with the result that the subject executive's overall benefits package is significantly reduced, (v) upon a change of control (as defined below), the failure of the Company to obtain the assumption of the Agreement by the successor, (vi) upon a change of control, the transfer of the subject executive's principal place of employment to a location that is more than 100 miles from the subject executive's principal place of employment immediately prior to the change of control, or (vii) any act or set of facts or circumstances that would, under case law or statute, constitute a constructive termination of the subject executive, provided, in each case, that the subject executive terminates employment within 60 days of the occurrence of such circumstances.

Each Agreement provides that if, during the period beginning one year prior to a change of control (as defined below) and ending one year following the change in control, the subject executive is terminated without cause (as defined above) or if the subject executive voluntarily terminates his employment for good reason (as defined above), then (i) the subject executive will receive a lump sum payment equal to three times the subject executive's annual base salary (as in effect on the day prior to the date of such termination), and (ii) the subject executive will receive continuation coverage under the Company's medical, dental, life, disability and other welfare

Table of Contents

benefit for 18 months following termination (other than with respect to Mr. Miller, who will receive a lump sum cash payment equal to 24 times the portion of the monthly premium that would have been paid by the Company for the same level of health and dental coverage he had in effect immediately prior to such termination). Mr. Miller's agreement provides that all equity awards granted under our 2003 Incentive Stock Option Plan, 2011 Omnibus Incentive Plan and our 2016 Amended Omnibus Incentive Plan will immediately vest on the later of the date of termination or the date of the change of control, and if applicable, these equity awards will continue to be exercisable for 24 months following his date of termination as if he had remained an employee of the Company. Messrs. Wright and Gaines' agreements provide that all equity awards granted under our and 2016 Amended Omnibus Incentive Plan will immediately vest on the later of the date of termination or the date of the change of control, and if applicable, these equity awards will continue to be exercisable for 18 months following the subject executive's termination as if the executive had remained an employee of the Company.

Each Agreement defines a "change of control" as (i) a person acquiring 35% or more of the voting power of the Company, (ii) a change in the composition of our Board of Directors during any 12-month period as a result of which less than a majority of the directors are "incumbent directors" (as defined in each Agreement), (iii) a merger or consolidation of the Company (unless it still controls a majority of the voting stock), (iv) a complete liquidation or dissolution of the Company, or (v) a sale, disposition, lease, or exchange of all or substantially all of the Company's assets or of one of the significant operating divisions, including the retail and credit segment.

By entering into their respective Agreements, each of the subject executives agreed to be subject to and bound by the confidentiality, non-compete, non-disclosure and non-solicitation provisions therein.

The Agreements also provide that if payments that are triggered by a change of control would be subject to an excise tax under Section 4999 of the Internal Revenue Code, as amended, then the payments either (i) would be reduced by the amount needed to avoid triggering the excise tax or (ii) would not be reduced, depending on which alternative left the subject executive in the best after-tax position.

On December 2, 2015, the Board of Directors, upon the recommendation of the Compensation Committee, adopted an Executive Severance Plan for senior officers (the "Severance Plan"). Participation in the Severance Plan is limited to officers of the Company with a title of Vice President or more senior, and other employees who are designated by the Committee, provided that no person or officer who is otherwise party to an individual agreement with the Company providing for severance benefits may participate in the Severance Plan. Messrs. Bchara and Prior are participants in the Severance Plan and are not otherwise party to any other severance agreement. Messrs. Bchara and Prior are eligible to receive a cash severance benefit equal to 50% of such participant's annual base salary if the individual is terminated for any reason other than (i) resignation from employment, (ii) cause (as defined in the Severance Plan), (iii) death or (iv) disability (as defined in the Severance Plan). Such benefit is to be paid in substantially equal installments on the Company's regularly scheduled payroll dates for the six months following the participant's termination (the "Executive Severance Period"). In addition to the cash severance payment, Messrs. Bchara and Prior (and their eligible dependents) will also be entitled to receive continued coverage under the Company's group health plan during the Executive Severance Period at the same cost paid by active employees. The Severance Plan may be amended or terminated by the Compensation Committee at any time; provided, however, that (i) no amendment materially adverse to any Severance Plan participant will be effective without such participant's written consent until one year after its adoption, and (ii) termination of the Severance Plan will not be effective until one year following Compensation Committee or other corporate action authorizing termination of the Severance Plan.

Indemnification Arrangements

As permitted by the Delaware General Corporation Law, we have adopted provisions in our Certificate of Incorporation and Bylaws that provide for the indemnification of our directors and certain executive officers, to the fullest extent permitted by applicable law. These provisions, among other things, provide for the indemnification of each of our directors and certain officers for certain expenses, including judgments, fines and amounts paid in settling or otherwise disposing of actions or threatened actions, incurred by reason of the fact that such person was a director or officer of the Company or of any other corporation which such person served in any capacity at the request of the Company.

In addition, we have entered into indemnification agreements with each of our directors pursuant to which we will indemnify them against judgments, claims, damages, losses and expenses incurred as a result of the fact that any director, in his capacity as a director, is made or threatened to be made a party to any suit or proceeding. The indemnification agreements also provide for the advancement of certain expenses (such as attorney's fees, witness fees, damages, judgments, fines and settlement costs) to our directors in connection with any such suit or proceeding.

We maintain a directors' and officers' liability insurance policy to insure our directors and officers against certain losses resulting from acts committed by them in their capacities as our directors and officers, including liabilities arising under the Securities Act of 1933, as amended.

Table of Contents**CEO Pay Ratio Disclosure**

We are providing the following disclosure about the relationship of the annual total compensation of our employees to the annual total compensation of Norman Miller, our CEO, for fiscal year 2018.

Our CEO to median employee pay ratio was calculated in accordance with Item 402(u) of Regulation S-K. We identified the median employee by examining 2017 W-2 earnings for all individuals, excluding our CEO, who were employed by us on December 31, 2017, the last day of our payroll year. We had approximately 4,243 employees on that date. We included all employees in the foregoing count, whether employed on a full-time or part-time basis. For those full and part-time associates with less than one year of service and not in temporary or seasonal roles, we annualized W-2 earnings for comparison purposes.

After identifying the median employee based on W-2 earnings, we calculated annual total compensation of the median employee, in accordance with Item 402(c)(2)(x) of Regulation S-K, as required pursuant to the SEC executive compensation disclosure rules. Additionally, we elected to include the company-paid portion of health insurance premiums, which we exclude from the calculation of total compensation for purposes of the Summary Compensation Table, since it is available to all eligible employees on a nondiscriminatory basis. Mr. Miller's compensation for purposes of the pay ratio calculation was also adjusted to include the company-paid portion of health insurance premiums. As a result, Mr. Miller's compensation for purposes of this disclosure differs from his compensation shown in the Summary Compensation Table.

CEO Pay Ratio Calculation: The pay ratio is 291:1 for fiscal year 2018. The median annual total compensation of all employees, other than Mr. Miller, was \$35,353. Mr. Miller's annual total compensation was \$10,278,795.

Additional CEO Pay Ratio Disclosure

A meaningful portion of the reported compensation to our CEO in fiscal year 2018 included a special equity grant in February 2017 that was intended to cover Mr. Miller's long-term incentives for fiscal years 2018, 2019, and 2020. This three-year award was granted for retention and motivation purposes during an important period of time when business turnaround strategies were being executed by Mr. Miller and his executive team. Refer to the discussion of Fiscal 2018 Special Equity Awards in the Compensation Discussion and Analysis section of this proxy statement for additional details.

Our fiscal year 2018 CEO pay ratio includes the entire value of the three-year special equity award (\$7,620,480) in the calculation of Mr. Miller's annual total compensation. Since the special award is intended to cover three fiscal years, we have also calculated an additional CEO pay ratio for fiscal year 2018 with the special equity award annualized to better reflect a regular annual grant by including only one-third of the special equity grant value (\$2,540,160).

The additional CEO pay ratio for fiscal year 2018 based on the annualized equity award to Mr. Miller is 147:1. The median annual total compensation for all employees, other than Mr. Miller, was \$35,353. Mr. Miller's annual total fiscal year 2018 compensation on an annualized basis was \$5,198,475, when including only one-third of the February 2017 special equity grant value.

Lead Independent Director

Our Board of Directors determined at its meeting held in August 2012 that our interests would be better served by the designation and appointment of a lead independent director, and appointed Mr. Bob Martin to serve in that capacity until his successor is appointed. The lead independent director is responsible for coordinating the activities of the independent directors of the Board of Directors, and shall perform such other duties and assume such other responsibilities as the Board may determine. Certain of the specific responsibilities of the lead independent director are to:

Table of Contents

In March 2018, the independent members of the Board re-appointed Mr. Bob Martin as the Lead Independent Director. Mr. Bob Martin has significant Board experience and has served on the Company's Board since 2003 and on other public company boards, as well as serving as the Chair of the Nominating and Corporate Governance Committee and Chair of the Compensation Committee. Mr. Bob Martin serves as a liaison between Mr. Miller and the other independent directors, and his longevity on the Board enhances this leadership role and provides for continuity among the non-employee directors.

Separation of Chairman of the Board and Chief Executive Officer

The Board has determined that the most appropriate form of leadership for the Board of Directors currently is for the CEO, who is responsible for the day-to-day operations of the Company, to serve as Chairman, with strong and independent oversight by the Lead Independent Director and the other non-management directors. The Board of Directors appointed Mr. Miller as Chairman of the Board in May 2016. As discussed above under the section Corporate Governance - Lead Independent Director, the independent directors have re-appointed Mr. Bob Martin as the Lead Independent Director.

The Board believes that the combined role promotes a unified direction and leadership for the Board and gives a single, clear focus for the chain of command for our organization, strategy and business plans. In addition, the Board believes that the combined position enables decisive leadership, ensures clear accountability, and enhances our ability to communicate our message and strategy clearly and consistently to our stockholders, employees and customers. However, the Board does not have a fixed policy regarding the separation of the offices of Chairman of the Board and the Chief Executive Officer and believes that it should maintain the flexibility to select the Chairman of the Board and its Board leadership structure, from time to time, based on the criteria that it deems to be in the best interests of the Company and its stockholders.

Risk Oversight

The Board is actively involved in oversight of risks that could affect the Company. Management is responsible for the day-to-day management of risks we face, while the Board, as a whole and through its committees, including its Audit Committee and its Credit Risk and Compliance Committee, has the responsibility for oversight of risk management. The Audit Committee is charged by its charter with the responsibility to review and discuss the Company's policies and practices with respect to risk assessment and risk management at each of its regularly scheduled meetings, and to report to the Board of Directors various areas of risk, including technology, regulatory, liquidity and operational, that should receive further attention and discussions among the Board of Directors and Company management. The Credit Risk and Compliance Committee provides oversight of the Company's credit risk and underwriting policies and practices. Our management presents specifically to the Audit Committee, the Credit Risk and Compliance Committee, and the Board of Directors, as requested, with respect to various areas of risk concerns and management practices relative thereto, including enterprise risk management, which is the subject of oversight by the Audit Committee. Additionally, at various regularly scheduled Audit Committee meetings, our management presents on and discusses a particular area of risk, either independently as a result of its assessment of materiality or at the request of the Audit Committee, in addition to its standard general discussion of enterprise risk management. The Audit Committee works regularly with management in assessing and addressing Company policies' strengths and weaknesses. The full Board of Directors receives at each regularly scheduled meeting, and more often as necessary, a presentation from management on our operations, including presentations regarding liquidity and credit reports and risks. Upon request by the Board of Directors, representatives of management commit to and do subsequently or simultaneously provide to the Board of Directors additional information, revisions and explanations pertaining to their respective areas of management.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Review and Approval of Related Party Transactions

The Board has adopted a written statement of policy with respect to all relationships and transactions in which our Company and our directors and executive officers or their immediate family members are participants. The Audit Committee reviews all related

party relationships and transactions to determine whether such persons have a direct or indirect material interest, and if so, if the transactions are at arm's length and are acceptable to the Board of Directors. Each related party transaction must be entered into on terms that are comparable to those that could be obtained as a result of arm's length dealings with an unrelated third party to be approved and accepted by the Board of Directors. As required under SEC rules, transactions that are reportable under Item 404(a) of Regulation S-K are disclosed in our proxy statement. The Audit Committee reviews any related person transaction that is required to be disclosed as set forth in the preceding sentence. Since the beginning of fiscal year 2018, there have been no transactions reportable under Item 404(a) of Regulation S-K. In the course of its review of these relationships, the Audit Committee observes how each relates to a potential conflict of interest with the Company:

the nature of the related person's interest in the transaction;

the material terms of the transaction, including, without limitation, the amount and type of transaction, and the timing of the entering of such transaction;

the importance of the transaction to the related person;

the importance of the transaction to the Company;

whether the transaction would impair the judgment of a director or executive officer to act in our best interest; and

any other matters the committee deems appropriate.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires that our directors, executive officers as well as other persons who own more than 10% of our outstanding Common Stock file initial reports of ownership and reports of changes in ownership of our Common Stock with the SEC. Officers, directors and other stockholders who own more than 10% of our outstanding Common Stock are required by the SEC to furnish us with copies of all Section 16(a) reports they file. These reports are required to be submitted by specified deadlines, and the Company is required to report in this proxy statement any failure by directors, officers and beneficial owners of more than ten percent of its Common Stock to file such reports on a timely basis during the Company's most recent fiscal year or, in the case of such a failure that has not previously been so disclosed, prior fiscal years.

To our knowledge, based solely on a review of reports and information furnished to us by those persons who were directors, executive officers and/or the beneficial holders of 10% or more of our Common Stock at any time during fiscal year 2018 and upon representations from such persons, we believe that all stock ownership reports required to be filed under Section 16(a) by such reporting persons during fiscal year 2018 were timely made, except one Form 4 filing for Mr. Schofman relating to shares purchased on December 11, 2017.

STOCKHOLDERS SHARING THE SAME LAST NAME AND ADDRESS

To reduce the expense of delivering duplicate proxy materials to stockholders who may have more than one account holding our Common Stock but who share the same address, we have adopted a procedure approved by the SEC called householding. Under this procedure, certain stockholders of record who have the same address and last name, and who do not participate in electronic delivery of proxy materials, will receive only one copy of our **Notice of Internet Availability of Proxy Materials** and, as applicable, any additional proxy materials that are delivered until such time as one or more of these stockholders notifies us that they want to receive separate copies. This procedure reduces duplicate mailings and saves printing costs and postage fees, as well as natural resources. Stockholders who participate in householding will continue to have access to and utilize separate proxy voting instructions.

If you receive a single set of proxy materials as a result of householding, and you would like to have separate copies of our **Notice of Internet Availability of Proxy Materials**, annual report, or proxy statement mailed to you, please submit a request or notice, as applicable, to our Corporate Secretary at 2445 Technology Forest Blvd., Building 4, Suite 800, The Woodlands, Texas 77381, or call our Investor Relations department at (936) 230-5899, and we will promptly send you what you have requested. However, please note that if you want to receive a paper proxy or voting instruction form or other proxy materials for purposes of this year's annual meeting, follow the instructions included in the **Notice of Internet Availability of Proxy Materials** that was sent to you. You can also contact our Investor Relations department at the phone number or address set forth above if you received multiple copies of the annual meeting materials and would prefer to receive a single copy in the future, or if you would like to opt out of householding for future mailings.
