Item 1.01 Entry into a Material Definitive Agreement.

The Merger Agreement

On April 21, 2018, CenterPoint Energy, Inc. (the Company) entered into an Agreement and Plan of Merger (the Merger Agreement), by and among the Company, Vectren Corporation, an Indiana corporation (Vectren), and Pacer Merger Sub, Inc., an Indiana corporation and wholly owned subsidiary of the Company (Merger Sub). Pursuant to the Merger Agreement, on and subject to the terms and conditions set forth therein, Merger Sub will merge with and into Vectren (the Merger), with Vectren continuing as the surviving corporation in the Merger and becoming a wholly owned subsidiary of the Company.

On and subject to the terms and conditions set forth in the Merger Agreement, at the effective time of the Merger (the Effective Time), each share of common stock, no par value, of Vectren (Vectren common stock) issued and outstanding immediately prior to the Effective Time shall be cancelled and converted into the right to receive \$72.00 in cash, without interest (the Merger Consideration). At the Effective Time, each stock unit payable in Vectren common stock or whose value is determined with reference to the value of Vectren common stock, whether vested or unvested, will be cancelled at the Effective Time with cash consideration paid therefor in accordance with the terms of the Merger Agreement. No dissenters' rights of appraisal in connection with the Merger are available to holders of Vectren common stock pursuant to the Indiana Business Corporation Law.

Vectren, the Company and Merger Sub each have made various representations, warranties and covenants in the Merger Agreement. Among other things, Vectren has agreed, subject to certain exceptions, to conduct its businesses in the ordinary course, consistent with past practice, from the date of the Merger Agreement until the Effective Time, and not to take certain actions prior to the closing of the Merger without the approval of the Company. Vectren has made certain additional customary covenants, including, subject to certain exceptions: (1) to cause a meeting of Vectren's shareholders to be held to consider approval of the Merger Agreement, (2) not to solicit proposals relating to alternative business combination transactions and not to participate in discussions concerning, or furnish information in connection with, alternative business combination transactions and (3) not to withdraw its recommendation to Vectren's shareholders regarding the Merger. In addition, subject to the terms of the Merger Agreement, Vectren, the Company and Merger Sub are required to use reasonable best efforts to obtain all required regulatory approvals, which will include clearance under federal antitrust laws and certain approvals by federal and state regulatory bodies, subject to certain exceptions, including that such efforts not result in a Burdensome Condition (as defined in the Merger Agreement). Furthermore, the Company has agreed to use its reasonable best efforts to obtain the financing contemplated by the Commitment Letter, as described in further detail below.

Consummation of the Merger is subject to various conditions, including: (1) approval of the shareholders of Vectren, (2) expiration or termination of the applicable Hart-Scott-Rodino Act waiting period, (3) receipt of all required regulatory and statutory approvals without the imposition of a Burdensome Condition, (4) absence of any law or order prohibiting the consummation of the Merger and (5) other customary closing conditions, including (a) subject to materiality qualifiers, the accuracy of each party's representations and warranties, (b) each party's compliance in all material respects with its obligations and covenants under the Merger Agreement and (c) the absence of a material adverse effect with respect to Vectren and its subsidiaries.

The Merger Agreement contains certain termination rights for both the Company and Vectren, including if the Merger is not consummated by April 21, 2019 (subject to extension for an additional six months if all of the conditions to closing, other than the conditions related to obtaining regulatory approvals, have been satisfied). The Merger Agreement also provides for certain termination rights for each of the Company and Vectren, and provides that, upon termination of the Merger Agreement under certain specified circumstances, the Company would be required to pay a termination fee of \$210.0 million to Vectren, and under other specified circumstances Vectren would be required to pay the Company a termination fee of \$150.0 million.

The foregoing description of the Merger Agreement and the transactions contemplated thereby does not purport to be complete and is subject to, and qualified in its entirety by, the full text of the Merger Agreement, a copy of which is attached hereto as Exhibit 2.1, and is incorporated herein by reference.

Bridge Facility Commitment Letter

On April 21, 2018, and in connection with the Merger Agreement, the Company entered into a commitment letter (the Commitment Letter) with Goldman Sachs Bank USA (Goldman Sachs) and Morgan Stanley Senior Funding, Inc. (MSSF), and together with Goldman Sachs, the Initial Lenders). The Commitment Letter provides that, subject to the conditions set forth therein, the Initial Lenders commit to provide a 364-day senior unsecured bridge term loan facility in an aggregate principal amount of \$5.0 billion (the Bridge Facility) to fund, in part, amounts payable by the Company in connection with the Merger. The Bridge Facility bears interest at an annual rate equal to LIBOR plus a margin ranging from 1.0% to 2.0%, depending on the Company's credit rating, subject to an increase of 0.25% for each 90 days that elapse after the closing of the Merger. Under the Commitment Letter, Goldman Sachs will act as sole and exclusive administrative agent, and each of the Initial Lenders will act as a joint bookrunner and joint lead arranger for the Bridge Facility, and each will perform the duties customarily associated with such roles. It is anticipated that some or all of the Bridge Facility will be replaced or repaid by the Company through one or a combination of the following: issuance of debt securities, preferred stock, common equity or other securities.

The commitment to provide the Bridge Facility is subject to certain conditions, including (1) the consummation of the Merger pursuant to the Merger Agreement, (2) the absence of a material adverse effect with respect to Vectren and its subsidiaries, taken as a whole, (3) the accuracy of certain representations and warranties, (4) the absence of certain limited defaults, (5) the delivery of certain financial information pertaining to each of the Company and Vectren and (6) the receipt of customary closing documents. The Company will pay certain customary fees and expenses in connection with obtaining the Bridge Facility.

The foregoing description of the Commitment Letter and the transactions contemplated thereby does not purport to be complete and is subject to, and qualified in its entirety by, the full text of the Commitment Letter, a copy of which is attached hereto as Exhibit 10.1, and is incorporated herein by reference.

Item 7.01 Regulation FD Disclosure.

On April 23, 2018, the Company and Vectren issued a joint press release announcing the execution of the Merger Agreement and scheduling an investor presentation and joint conference call regarding the proposed Merger. The joint press release announcing the proposed Merger and the investor presentation are attached to this report as Exhibit 99.1 and Exhibit 99.2, respectively, and are incorporated herein by reference.

The joint press release and investor presentation are being furnished, not filed, pursuant to Regulation FD.
