On May 23, 2018, the Special Committee of the Board of Directors of AmTrust Financial Services, Inc. (the Company) sent the following letter to the Company s stockholders of record for its upcoming special meeting of stockholders to be held on June 4, 2018:

Vote FOR the \$13.50 Cash Merger Proposal

The Merger Delivers Highest Value to AmTrust's Public Stockholders

Vote the Enclosed WHITE Proxy Today

May 23, 2018

Dear Stockholder,

On June 4, 2018, a special meeting of the stockholders of AmTrust Financial Services, Inc. will be held to vote on the Company's previously announced going-private transaction. Under the merger agreement, Evergreen Parent, L.P. will acquire for \$13.50 per share in cash the approximately 45% of the Company's shares of common stock that the Karfunkel-Zyskind Family and certain of its affiliates and related parties do not already own or control, subject to regulatory approval and other closing conditions.

The Special Committee of the AmTrust Board of Directors Unanimously Recommended the Merger

The \$13.50 per share cash offer provides immediate liquidity at a significant, certain premium. In particular, it represents a:

33% premium to AmTrust's unaffected closing common stock price on January 9, 2018 and

10%+ increase over the buyer group's initial \$12.25 per share cash proposal.

This increase in value is the direct result of extensive negotiations that the Special Committee pursued to serve the public stockholders' interests and to maximize value. From the beginning, the initial proposal was conditioned on approval of an independent special committee, majority of the minority stockholder approval and other procedural standards established under Delaware law.

Rigorous Process Led by Experienced, Independent Special Committee

The transaction announced on March 1 is the culmination of a rigorous, independent review process designed to maximize value for public stockholders and serve the best interests of public stockholders.

As part of this process, the Board established a Special Committee to review the proposal and other strategic alternatives available to the Company. The Special Committee is comprised solely of the following independent directors: Donald DeCarlo, Susan Fisch, Abraham Gulkowitz and Raul Rivera. In addition to being independent, the members of the Special Committee have deep experience in the insurance industry as well as expertise in mergers and acquisitions, and finance. The Special Committee also appointed and was assisted by leading independent financial and legal advisors, Deutsche Bank Securities Inc. and Willkie Farr & Gallagher LLP.

The Special Committee held 28 meetings and considered a wide range of alternatives, including continuing to operate as a standalone public company, to determine whether greater value to the merger could be achieved.

The Special Committee Unanimously Determined That the Merger Delivers Highest Value to Public Stockholders

Edgar Filing: Amtrust Financial Services, Inc. - Form DEFA14A

As detailed in the Company's filings with the Securities and Exchange Commission, following this review process and acting with the advice and assistance of its independent legal and financial advisors, having considered the potential benefits and risks associated with alternative options, including continuing as a standalone public company, the Special Committee unanimously determined that the merger provided the highest price available and was in the best interests of public stockholders, and recommended that the Board approve the merger.

¹ The last trading day prior to the public announcement to acquire all common shares outstanding of AmTrust that the Karfunkel-Zyskind Family did not already own or control

The merger agreement permits the Board or the Special Committee to consider and respond to any unsolicited third-party acquisition proposals. Notably, since the public announcement of the proposal in January 2018, *no* other acquisition proposal or indication of interest from any third party has been received.

AmTrust's Historical Stock Price Decline Reflects Business Risks and Uncertainties Facing the Company. The Transaction Provides Public Stockholders with Certain Value and Removes These Risks

Despite numerous actions taken to strengthen its balance sheet, AmTrust continues to face various business risks and uncertainties. Over the past year, the Company's stock price has declined 62.5%

In addition to providing immediate liquidity at a significant premium, the merger provides certain value to the public stockholders and shifts the business risks and uncertainties faced by the Company to the buyer group.

We do not believe that public stockholders could achieve the same value as provided by the merger were the Company to continue as a standalone public company due to the public market's emphasis on short-term performance and the potential risks and uncertainties associated with the Company's business.

Independent industry analysts agree and recognize the certainty of value provided by the merger and the significant downside risks faced by public stockholders should the merger not be approved. For example:

We believe the \$13.50 offer price (116% of 4Q17 BVPS) will be accepted, since we think the shares would struggle to reach that level if AmTrust remains a public company... We believe difficult P&C market conditions and uncertainty about AmTrust's core earnings prospects will limit near-term outperformance.

- Keefe, Bruyette & Woods; March 19, 2018

we think that if the going-private transaction is disrupted, AFSI shares are much more likely to trade down significantly (we note that they closed at \$10.15 on January 9, 2018, before the initial \$12.25 go-private offer was disclosed) rather than up. - Keefe, Bruyette & Woods; May 17, 2018

Vote FOR the Merger Today

The Special Committee has had one goal from the beginning to maximize value and reach the best possible outcome for public stockholders. The Special Committee reviewed all available options carefully and thoroughly, and believes that the going-private transaction serves the best interests of public stockholders.

Stockholders of record as of April 5, 2018 will be entitled to vote at the June 4 special meeting. The record date was set and announced in accordance with applicable NASDAQ rules and Delaware law.

The Board of Directors unanimously recommends stockholders vote FOR the merger on the enclosed proxy card.

Sincerely,

The Special Committee of the AmTrust Board of Directors

² From \$27.06 on January 9, 2017 to an unaffected closing stock price of \$10.15 on January 9, 2018
