### Radio Ad Transcript

Voice Over: South Carolina is a great state and Dominion Energy has already invested \$750 million into our economy.

And we have a plan to help permanently fix the energy crisis in our state by paying off \$1.7 billion of nuclear debt.

Not only that, the average SCE&G electric customer would get an immediate cash payment of \$1,000 and would save more than \$120 a year in lower rates.

Dominion Energy has the right plan for South Carolina.
