**Item 1.01. Entry into a Material Definitive Agreement.
Agreement and Plan of Merger**

On April 26, 2019, Elanco Animal Health Incorporated, an Indiana corporation (Elanco), Elanco Athens Inc., a Delaware corporation and a direct wholly owned subsidiary of Elanco (Acquisition Sub), and Aratana Therapeutics, Inc., a Delaware corporation (Aratana or the Company), entered into an Agreement and Plan of Merger (the Merger Agreement). Upon the terms and subject to the conditions of the Merger Agreement, Elanco and Aratana have agreed that Acquisition Sub will merge with and into Aratana, with Aratana surviving the merger as a wholly owned subsidiary of Elanco (the Merger).

Upon completion of the Merger, each share of Aratana common stock that is outstanding immediately prior to the effective time of the Merger (other than certain excluded shares as described in the Merger Agreement) will automatically be converted into the right to receive (A) 0.1481 validly issued, fully paid and non-assessable share of Elanco common stock, no par value per share (the Stock Consideration), plus (B) one contingent value right (a CVR), and together with the Stock Consideration, the Merger Consideration) representing the right to receive \$0.25 in cash if a specified milestone is achieved, as set forth in the CVR Agreement (as defined and described below).

The completion of the Merger is subject to the satisfaction or waiver of certain conditions, including: (i) requisite approval of the holders of Aratana common stock; (ii) the expiration or earlier termination of any applicable waiting period under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended; (iii) the absence of any law or order prohibiting the Merger; and (iv) effectiveness of the registration statement on Form S-4 used to register the Elanco common stock issued in the Merger. In addition, each of Elanco s and Aratana s obligations to complete the Merger is subject to certain other conditions, such as (a) subject to the standards set forth in the Merger Agreement, the accuracy of the representations and warranties of the other party, (b) compliance of the other party with its covenants in all material respects; (c) the absence of a material adverse effect on Aratana; (d) delivery of customary opinions from counsel to Elanco and counsel to Aratana that the Merger will qualify for federal income tax purposes as a reorganization within the meaning of Section 368(a) of the Internal Revenue Code of 1986, as amended; and (e) approval to list the Stock Consideration on the New York Stock Exchange. The Merger Agreement contains customary representations, warranties and covenants by Aratana, Elanco, and Acquisition Sub. The Merger Agreement may be terminated by mutual written consent of Elanco and Aratana. The Merger Agreement also contains certain termination rights, including, among others, the right of either party to terminate if (i) the Merger is not completed by October 31, 2019, subject to automatic extension to December 31, 2019 in certain circumstances in the event that required antitrust approval is not obtained by such date; (ii) a governmental authority of competent jurisdiction has issued a final non-appealable governmental order prohibiting the Merger; (iii) Aratana stockholders fail to adopt the Merger Agreement; or (iv) the other party breaches its representations, warranties and covenants in the Merger Agreement and such breach would result in the closing conditions not being satisfied. Aratana may terminate the Merger Agreement if it enters into a definitive agreement with respect to a Superior Proposal (as such term is defined in the Merger Agreement), subject to payment of the termination fee to Elanco as described below. Elanco may terminate the Merger Agreement if the board of directors of Aratana makes an adverse change in its recommendation with respect to stockholder adoption of the Merger Agreement. The Merger Agreement further provides that, upon termination of the Merger Agreement under specified circumstances, including termination of the Merger Agreement by Elanco as a result of an adverse change in the recommendation of Aratana s board of directors or by Aratana in order to enter into a definitive agreement with respect to a Superior Proposal, Aratana may be required to pay Elanco a termination fee of \$7.0 million.

It is expected that the Merger will qualify as a reorganization for U.S. federal income tax purposes.

The foregoing summary of the principal terms of the Merger Agreement does not purport to be complete and is qualified in its entirety by reference to the full copy of the Merger Agreement, which is filed as Exhibit 2.1 hereto and incorporated by reference herein.

Form of CVR Agreement

Pursuant to the Merger Agreement, at or prior to the effective time of the Merger, Elanco, a representative for the CVR holders to be selected by the Company, and a rights agent (the Rights Agent) will enter into a Contingent Value Rights Agreement (the CVR Agreement) governing the terms of the CVRs issued as part of the Merger Consideration. The Rights Agent will maintain an up-to-date register of the holders of CVRs (the Holders). Holders shall not be permitted to transfer CVRs unless such transfer is made in accordance with the CVR Agreement.

Each CVR will entitle its Holder to receive \$0.25 in cash if Aratana, Elanco or their respective affiliates achieve cumulative net sales of an animal health product that contains capromorelin as an active pharmaceutical ingredient equal to or exceeding (a) \$25,000,000 during the period beginning on July 1, 2019 and ending on December 31, 2020, or (b) \$50,000,000 during the period beginning on July 1, 2019 and ending on December 31, 2021. Elanco has agreed to use Diligent Efforts (as defined in the CVR Agreement) to achieve the foregoing milestone.

The foregoing summary of the principal terms of the CVR Agreement does not purport to be complete and is qualified in its entirety by reference to the full form of the CVR Agreement, which is filed as Exhibit A to the Merger Agreement, which is filed as Exhibit 2.1 hereto and incorporated by reference herein.

The Merger Agreement has been attached to provide investors with information regarding its terms. It is not intended to provide any other factual information about Elanco, Acquisition Sub or Aratana, their respective businesses, or the actual conduct of their respective businesses during the period prior to the consummation of the Merger. The Merger Agreement contains representations and warranties that are the product of negotiations among the parties thereto and the parties made to, and solely for the benefit of, each other as of specified dates. The assertions embodied in those representations and warranties are subject to qualifications and limitations agreed to by the respective parties and are also qualified in important part by a confidential disclosure letter delivered by Aratana to Elanco in connection with the Merger Agreement. The representations and warranties may have been made for the purpose of allocating contractual risk between the parties to the agreements instead of establishing these matters as facts, and may be subject to standards of materiality applicable to the contracting parties that differ from those applicable to investors.
