The aggregate purchase price of these 500 Shares owned by Suzanna Waite is approximately \$14,410, excluding brokerage commissions.

Item 4. Purpose of Transaction.

Item 4 is hereby amended and restated as follows:

The Reporting Persons continue to hold the Shares that were acquired pursuant to the transfer of beneficial ownership upon the death of Roy Edward Farmer on January 7, 2005. Depending upon overall market conditions, other investment opportunities available to the Reporting Persons, and the availability of Shares at prices that would make the purchase or sale of Shares desirable, the Reporting Persons may endeavor to increase or decrease their position in the Issuer through, among other things, the purchase or sale of Shares on the open market or in private transactions or otherwise, on such terms and at such times as the Reporting Persons may deem advisable.

The Reporting Persons are severely concerned by the manner in which the current Board of Directors and management of the Issuer (the "Board") are overseeing and operating the Issuer. The Reporting Persons note that Carol Lynn Farmer Waite's sister, Jeanne Ann Farmer Grossman, serves on the Board and that the serious concerns of the Reporting Persons expressed herein are in no way related to Jeanne Ann Farmer Grossman. The Reporting Persons are deeply troubled that the Issuer's core principles and culture instilled by Roy Edgar Farmer over a century ago, and which have contributed to the success of the Issuer for so many years, appear to be substantially eroding under the oversight of the current Board and management. The Reporting Persons believe that there is a toxic "tone at the top" that desperately needs to be addressed before more stockholder value is destroyed and employee morale further deteriorates. The Reporting Persons plan to take whatever actions they may deem necessary, including, but not limited to, the nomination of a slate of director candidates for election at the Issuer's 2016 Annual Meeting, in order to ensure that the Issuer is being run in a manner consistent with the best interests of all stockholders and in a way that reflects the original principles and values established by Roy Edgar Farmer, which, until now, had withstood the test of time.

Since August 2015, certain of the Reporting Persons have attempted to initiate a dialogue with the Issuer to address the Reporting Persons' growing concerns. The Reporting Persons are extremely disappointed by the Board's lack of engagement.

On August 29, 2016, the Reporting Persons established the Save Farmer Bros. Group for seeking to effect meaningful change at the Issuer and issued a letter to the Board, a copy of which is attached hereto as Exhibit 99.1 and is incorporated herein by reference.

In the letter, the Reporting Persons expressed a number of significant concerns with management and the current Board, including:

(1) The Board and management's refusal to have a dialogue;

CUSIP NO. 307675108

- (2) Management's poor track record of value creation;
- (3) Management's poor operating performance;
- (4) Management's poor capital allocation decisions; and
- (5) The Board's numerous corporate governance shortfalls.

The Reporting Persons also expressed their belief that the problematic status quo and troubling underperformance at the Issuer is, in their view, largely a result of a failure of the Board and management and that all stakeholders need fresh leadership to realize the Issuer's full potential. To that end, the Reporting Persons stated in the letter that they expect to deliver nomination materials to the Issuer in connection with their efforts to solicit support to elect new, highly-qualified director nominees to the Board at the Issuer's 2016 Annual Meeting. The Reporting Persons concluded the letter by stating that they look forward to helping restore the stockholder-friendly principles and employee-friendly culture that once defined this company that the Reporting Persons continue to care so deeply about.

No Reporting Person has any present plan or proposal which would relate to or result in any of the matters set forth in subparagraphs (a) - (j) of Item 4 of Schedule 13D except as set forth herein or such as would occur upon or in connection with completion of, or following, any of the actions discussed herein. The Reporting Persons intend to review their investment in the Issuer on a continuing basis. Depending on various factors including, without limitation, the Issuer's financial position and investment strategy, the price levels of the Shares, conditions in the securities markets and general economic and industry conditions, the Reporting Persons may in the future take such actions with respect to their investment in the Issuer as they deem appropriate including, without limitation, engaging in additional communications with management and the Board of the Issuer, engaging in discussions with stockholders of the Issuer and others about the Issuer and the Reporting Persons' investment, making proposals to the Issuer concerning changes to the capitalization, ownership structure, board structure (including board composition) or operations of the Issuer, purchasing additional Shares, selling some or all of their Shares, engaging in short selling of or any hedging or similar transaction with respect to the Shares, or changing their intention with respect to any and all matters referred to in Item 4.

Item 5. Interest in Securities of the Issuer.

Item 5 is hereby amended and restated as follows:

The aggregate percentage of Shares reported owned by each person named herein is based upon 16,781,561 Shares outstanding as of August 12, 2016, which is the total number of Shares outstanding as reported in the Issuer's Registration Statement on Form S-3, filed with the Securities and Exchange Commission on August 15, 2016.
