The Depositary shall provide the Company with copies of such proofs and information as the Company may request.

A-8

the Company may request in a disclosure notice (a "Disclosure Notice") given pursuant to statutory provisions of English law or the Articles of Association. Failure of a Holder to provide in a timely fashion the information requested in any Disclosure Notice may, in the Company's sole discretion, result in the withholding of certain rights in respect of such Holder's American Depositary Shares (including voting rights and certain rights as to dividends in respect of the Shares represented by such American Depositary Shares). The Depositary agrees to use its reasonable efforts to comply with any instructions received from the Company requesting that the Depositary take the reasonable actions specified therein to obtain such information.

successive Holder hereof by accepting or holding the same consents and agrees, that title to this Receipt (and to the American Depositary Shares evidenced hereby), when properly endorsed or accompanied by proper instruments of

A-9

(FORM OF REVERSE OF RECEIPT)

SUMMARY OF CERTAIN ADDITIONAL PROVISIONS
OF THE DEPOSIT AGREEMENT

(12) Dividends and Distributions; Rights. Whenever the Depositary or

the Custodian shall receive foreign currency, by way of dividends or other distributions or the net proceeds from the sale of securities, property or rights, which in the judgment of the Depositary can at such time be converted on a reasonable basis into dollars distributable to the Holders entitled thereto and transferable to the United States, the Depositary shall convert or cause to be converted, by sale or in any other manner that it may determine, such foreign currency into dollars, and shall transfer such dollars (net any of its reasonable and customary expenses incurred in such conversion and any expenses incurred on behalf of the Holder in complying with currency exchange control or other governmental regulation) to the Holders entitled thereto or, if the Depositary shall have distributed any warrants or other instruments that entitle the holders thereof to such dollars, then to the holders of such warrants and/or instruments upon surrender thereof for cancellation. Such distribution may be made upon an averaged or other practicable basis without regard to any distinctions among Holders on account of any application of exchange restrictions or otherwise.

The Depositary shall distribute only such amount, however, as can bound by and subject to the attributing to any Holder a fraction of one cent.

A-11

Any such fractional amount shall be rounded to the nearest whole cent and so distributed to Holders entitled thereto. It in the judgment of the Depositary, amounts received in currency other than United States dollars may not be converted on a reasonable basis into United States dollars transferable to the United States, or may not be so convertible for all of the Holders of Receipts entitled thereto, the Depositary may in its discretion make such conversion, it any, and distribution in United States dollars to the extent permissible to the Holders of Receipts entitled thereto and may distribute the balance of such currency received and not so convertible by the Depositary to, or hold such balance, without liability for interest thereon, for the account of, the Holders of Receipts entitled thereto. If in the opinion of the Depositary any distribution other than cash or Shares upon any Deposited securities cannot be made proportionately among the Holders of Receipts entitled thereto, or if for any other reason the Depositary deems such distribution not to be feasible, the Depositary may adopt such method as it, with the reasonable approval of the Company, may deem equitable and practicable for the purpose of effecting such distribution, including the sale (at public or private sale, at such place or places and upon such terms as it may deem proper) of the securities or property thus received, or any part thereof, and the net proceeds of any such sale (net of taxes and expenses of the Depositary as set forth in Exhibit B to the Deposit Agreement) shall be distributed by the Depositary to the Holders of Receipts entitled thereto as in the case of a distribution received in cash. If any distribution upon any Deposited Securities consists of a dividend in, or free distribution of, Shares, the Depositary may with the Company's approval, and

A-12

shall it the Company shall so request, (i) instruct the Company to deposit or cause such Shares to be deposited with and registered in the name of the Custodian and (ii) distribute to the Holders of outstanding Receipts entitled thereto, in proportion to the number of American Depositary Shares representing such Deposited Securities held by them respectively, additional Receipts for an aggregate number of American Depositary Shares representing the number of Shares received as such dividend or free distribution. In lieu of delivering Receipts for fractional American Depositary Shares in any such case, the Depositary may sell the number of Shares represented by the aggregate of such fractions and distribute the net proceeds, converted into United States dollars if not in such dollars (if such conversion may in the judgment of the Depositary be achieved on a reasonable basis), to the Holders of Receipts entitled thereto. If additional Receipts are not so distributed (except as provided in the preceding sentence), each American Depositary Share shall thenceforth also represent the additional Shares distributed upon the Deposited Securities represented thereby. In the event that the Company shall offer or cause to be offered to the holders of any Deposited Securities any rights to subscribe for additional Shares or any rights of any nature, the Depositary may, after consultation with the Company, and if requested in writing by the Company shall, either (a) make such rights available to all Holders or certain Holders but not others by means of warrants or

Edgar Filing: AMARIN CORP PLC\UK - Form 424B3

otherwise, if lawful and feasible, or (b) if making such rights available is not lawful or not feasible, or if the rights represented by such warrants or other instruments are not exercised or appear to be about to lapse, sell such rights or warrants or other instruments at public or private sale, at such place or places and upon such terms as the Depositary may deem proper, and allocate the

A-13

proceeds of such sales, as in the case of a cash distribution, for account of the Holder otherwise entitled thereto upon an averaged or other practicable basis without regard to any distinctions among such Holders because of exchange restrictions or the date of delivery of any Receipt or Receipts or otherwise. In the event the Depositary does not receive such written notice, the Depositary will have discretion as to whether such rights are to be made available to the Holders of in disposing of such rights on behalf of such Holders or in allowing such rights to lapse. The Depositary shall not be responsible for any failure to make such rights available to Holders in general or any Holder in particular. If a Holder wishes to exercise the rights allocable to the ADSs of such Holder, the Depositary, upon the Holder's written request and subject to the terms and conditions of the Deposit Agreement (including Section 4.04 thereof), will make such rights available to such Holder.

Notwithstanding anything to the contrary in this Receipt, if registration under the Securities Act of 1933 of the securities to which any rights relate is required in order for the Company to offer such rights or such securities to Holders and sell the securities represented by such rights, the Depositary will not offer such rights to the Holders of Receipts (i) unless and until such a registration statement is in effect, or (ii) unless the Company furnishes the Depositary an opinion of counsel for the Company in the United States satisfactory to the Depositary or other evidence satisfactory to the Depositary to the effect that the offering and sale of such securities to the

A-14

Holders of such Receipts are exempt from or do not require registration under the provisions of the Securities Act of 1933.

(13) Record Dates. Whenever the Depositary shall receive notice of the

fixing of a record date by the Company for the determination of holders of Deposited Securities entitled to receive any cash dividend or other cash distribution or any distribution other than cash, or any rights to be issued with respect to the Deposited Securities, or whenever for any reason the Depositary causes a change in the number of Shares that are represented by each American Depositary Share, or whenever the Depositary shall receive notice of any meeting of holders of Shares or other Deposited Securities or whenever the Depositary shall find it necessary or convenient in connection with the giving of any notice, solicitation of any consent or any other matter, the Depositary shall, after consultation with the Company, fix a record date as close as practicable to the date corresponding to the record date fixed by the Company in respect of the Shares for the determination of the Holders of Receipts who shall

Edgar Filing: AMARIN CORP PLC\UK - Form 424B3

be entitled to receive such dividend, distribution or rights, or the net proceeds of the sale thereof, or to give instructions for the exercise of voting rights at any such meeting or to give or withhold such consent, or to receive such notice or solicitation or to otherwise take action, or whose Receipts shall evidence such changed number of Shares.

(14) Voting of Deposited Securities. As soon as practicable after

receipt of notice of any meeting or solicitation of consents or proxies from holders of Shares or other Deposited Securities, the Depositary shall fix a

A-15

record date in respect of such meeting for the giving of instructions for voting such consent or proxy and shall mail to Holders a notice which shall contain (a) such information as is contained in such notice of meeting and (b) a statement (in a form provided by the Company) that the Holders at the close of business on the specified record date will be entitled, subject to any applicable provisions of the laws of England and of the Articles of Association of the Company and the provisions of or governing Deposited Securities (which provisions, if any, shall be summarized in pertinent part), to instruct the Depositary as to the exercise of the voting rights, if any, pertaining to the Shares or other Deposited Securities represented thereby and (c) a brief statement as to the manner in which such instructions may be given including an express indication that instructions may be given to the Depositary to give a discretionary proxy to a person or persons designated by the Company. Upon receipt of the written request of a Holder (an "Instructing Holder") on such record date the Depositary shall endeavor insofar as practicable and permitted under applicable law and the provisions of the Articles of Association of the Company and the provisions of the Deposited Securities to vote or cause the Custodian to vote the Shares and/or other Deposited Securities represented by American Depositary Shares evidenced by such Receipt in accordance with the instructions set forth in such request. In the event a poll is duly demanded and if no instructions are received, the Depositary will deem, unless otherwise requested by the Company and unless otherwise provided for in the Deposit Agreement, such Holders to have instructed the Depositary to give a discretionary proxy to the person designated by the Company; provided, however, that no discretionary' proxy shall be given

A-16

with respect to any proposition as to which the Depositary has actual knowledge which (i) involves any solicitation of opposing proxies or other substantial opposition, or (ii) authorizes a merger, consolidation, or any other matter which say materially affect the rights and privileges of the holders of Shares or the Holders. Unless specifically instructed by at least two (2) Holders or a Holder or Holders representing not less than ten percent (10%) of the total voting rights of all Holders having the right to vote at such meeting, the Depositary shall not join in demanding a poll and, in such case, the Depositary shall follow the instructions of the Instructing Holders holding Receipts evidencing a majority of the American Depositary Shares held by all Instructing Holders.

Edgar Filing: AMARIN CORP PLC\UK - Form 424B3

Subject to the previous paragraph, neither the Depositary nor the Custodian shall vote or attempt to exercise the right to vote the Shares or other Deposited Securities represented by American Depositary Shares evidenced by a Receipt other than in accordance with such written instructions. In accordance with the Articles of Association and the Companies Act, failure by a Holder, or a person holding an interest in Shares through a Holder, to comply with the Company's request for information of the nature referred to in Paragraph 8 may result, inter alia in withdrawal of the voting rights of the

Shares underlying the Receipts held by that Holder and thus of the rights described in this Paragraph 14 to direct the voting of Deposited Securities underlying such Receipts.

(15) Chances Affecting Deposited Securities. Upon any change in

nominal or par value, split-up, cancellation, consolidation or any other reclassification of Deposited Securities, or upon any recapitalization, reorganization, merger or consolidation or sale of assets affecting the Company

A-17

or to which it is a party, any securities which shall be received by the Depositary in exchange for or in conversion of or in respect of Deposited Securities shall be treated as new Deposited Securities under the Deposit Agreement, and the American Depositary Shares shall thenceforth represent the new Deposited Securities so received in exchange or conversion, unless additional or new Receipts are delivered pursuant to the following sentence. In any such case the Depositary may with the Company's approval, and shall, if the Company so requests, execute and deliver additional Receipts as in the case of a stock dividend, or call for the surrender of outstanding Receipts to be exchanged for new Receipts. Notwithstanding the foregoing, in the event that any security so received may not be lawfully distributed to some or all Holders, the Depositary may, with the Company's approval, and shall if the Company requests, sell such securities at public or private sale, at such place or places and upon such terms as it may deem proper, and may allocate the net proceeds of such sales for the account of the Holders otherwise entitled to such securities upon an averaged or other practicable basis without regard to any distinctions among such Holders and distribute the net proceeds so allocated to the extent practicable as in the case of a distribution received in cash.

(16) Reports; Inspection of Transfer Books. The Depositary shall make

available for inspection by the Holders of Receipts at its Principal office any reports and communications received from the Company which are both (a) received by the Depositary as the holder of the Deposited Securities and (b) made

A-18

generally available to the holders of such Deposited Securities by the Company. The Depositary shall also send to Holders copies of such reports furnished by the Company as provided in the Deposit Agreement. The Depositary will keep books for the registration of Receipts and their transfer, which books shall at all reasonable times be open for inspection by the Company and Holders of Receipts,

Edgar Filing: AMARIN CORP PLC\UK - Form 424B3

provided that such inspection shall not be for the purpose of communicating with Holders of Receipts in the interest of a business or object other than the business of the Company or a matter related to the Deposit Agreement or the Receipts.

(17) Taxation. Notwithstanding any other provision of the Deposit

Agreement, in the event that the Depositary determines that any distribution in property (including Shares or rights to subscribe therefor) is subject to any tax or other governmental charge or assessment which the Depositary is obligated to withhold, the Depositary may dispose of all or a portion of such property (including Shares and rights to subscribe therefor) in such amounts and in such manner as the Depositary deems necessary and practicable to pay such taxes, by public or private sale, at such place or places and upon such terms as it may deem proper, and the Depositary shall distribute the net proceeds of any such sale after deduction of such taxes, charges or assessments to the Holders of Receipts entitled thereto (and net of fees of the Depositary) in the manner specified in Paragraph (12) hereof.

(18) Liability of the Company and Depositary. Neither the Depositary

nor the Company nor shall any of their respective directors, employees, agents or affiliates shall incur any liability to any Holder or any other person if, by reason of any provision of any present or future law of the United States or

A-19

England or any other country, or of any other governmental authority, or by reason of any provision, present or future, of the Articles of Association of the Company, or by reason of any act of God or war or other circumstances beyond its control, the Depositary or the Company shall be prevented or forbidden from doing or performing any act or thing which by the terms of the Deposit Agreement it is provided shall be done or performed or shall be obliged to do anything inconsistent with this Deposit Agreement; nor shall the Depositary or the Company incur any liability to any Holder or other person by reason of any nonperformance or delay, caused as aforesaid, in the performance of any act or thing which by the terms of this Deposit Agreement it is provided shall or may be done or performed, or by reason of any exercise of, or failure to exercise, any discretion provided for in this Deposit Agreement or in the Articles of Association. Where, by the terms of a distribution pursuant to Sections 4.01, 4.02 or 4.03 of the Deposit Agreement, or an offering or distribution pursuant to section 4.04 or 4.08 of the Deposit Agreement, or for any other reason, such distribution or offering may not be made available to Holders, or some of them, and the Depositary may not dispose of such distribution or offering on behalf of such Holders and make the net proceeds available to such Holders, then the Depositary shall not make such distribution or offering, and shall allow any such rights, if applicable, to lapse. Neither the Company or its agents nor the Depositary or its agents assumes any obligation or shall be subject to any liability under the Deposit Agreement to Holders or other persons, except that each of them agrees to use its best judgment and good faith in the performance of its obligations set forth in the Deposit Agreement. The Depositary shall not be subject to any liability with respect to the validity or worth of the Deposited Securities. Neither the Company nor the Depositary shall be (a) under

any obligation to appear in, prosecute or defend any action, suit or other proceeding in respect of any Deposited Securities or in respect of the Receipts, which in its opinion may involve it in expense and liability, unless indemnity and security satisfactory to it against all expense (including fees and disbursements of counsel) and liability be furnished as often as may be required, and no Custodian shall be under any obligation whatsoever with respect to such proceedings, the responsibility of a Custodian being solely to the Depository or (b) liable for any action or inaction by it in reliance upon the advice of or information from legal counsel, accountants, any person presenting Shares for deposit, any Holder, or any other person believed in good faith to be competent to give such advice or information. The Depository and its agents shall not be responsible for any failure to carry out any instructions to vote any of the Deposited Securities, or for the manner in which any such vote is cast or effect any such vote, provided that any such action or inaction is in good faith. No disclaimer of liability under the Securities Act of 1933 is intended by any provision of the Deposit Agreement. Subject to the further terms and provisions of this Paragraph (18), Citibank, N.A. and its agents say own and deal in any class of securities of the Company and its affiliates and in Receipts. The Depository may issue Receipts against evidence of rights to receive Shares from the Company, or any custodian, registrar, transfer agent, clearing agency or other entity involved in ownership or transaction records in respect of the Shares. Such evidence of rights shall consist of written blanket or specific guarantees of ownership of Shares furnished on behalf of the holder thereof.

The Depository shall not lend Shares or Receipts; provided, however, that the Depository reserves the right to (i) issue Receipts prior to the receipt of Shares pursuant to Section 2.02 of the Deposit Agreement and (ii) deliver shares prior to the receipt and cancellation of Receipts pursuant to Section 2.05 of the Deposit Agreement, including Receipts which were issued under (i) above but for which Shares may not have been received. The Depository may receive Receipts in lieu of Shares under (i) above and receive Shares in lieu of Receipts under (ii) above. Each such transaction shall be (a) accompanied by (x) a written representation by the person or entity (the "Applicant") to whom Receipts are issued or Shares delivered that at the time the Depository issued such Receipts or delivers such Shares, the Applicant or its customer owns the Shares or Receipts to be delivered to the Depository, or (y) such evidence of ownership of Shares or Receipts as the Depository deems appropriate, (b) subject to a written representation by the Applicant that it will hold such Shares or Receipts in trust for the Depository until their delivery to the Depository or Custodian, reflect on its records the Depository as owner of such Shares or Receipts and deliver such Shares upon the Depository's request, (c) at all times fully collateralized (marked to market daily) with cash, United States government securities, or other collateral of comparable safety and liquidity, (d) terminable by the Depository on, not more than five (5) business days notice, and (e) subject to such further indemnities and credit regulations as the Depository deems appropriate. The Depository intends that the number of Receipts issued by it under (i) above and outstanding at any time, generally will not

exceed thirty percent (30%) of the American Depositary Shares issued by the Depositary with respect to which Shares are on deposit with the Depositary or Custodian; provided, however, that the Depositary reserves the right to change or disregard such limit from time to time as the Depositary deems appropriate. The Depositary will also set limits with respect to the number of Receipts and

Shares involved in transactions to be effected hereunder with any one person on a case by case basis as it deems appropriate.

Collateral provided by an Applicant for Receipts or Shares, but not the earnings thereon, shall be held for the benefit of the Holder. The Depositary may retain for its own account any compensation received by it in connection with the foregoing, including, without limitation, earnings on the collateral.

(19) Resignation and Removal of Depositary; Substitution of the

Custodian. The Depositary may at any time resign as Depositary under the Deposit

Agreement by written notice of its election so to do delivered to the Company, such resignation to take effect upon the appointment of a successor depositary, reasonably satisfactory to the Company, and its acceptance of such appointment as provided in the Deposit Agreement. The Depositary may at any time be removed by the Company without cause by written notice of such removal, effective upon the appointment of a successor Depositary and its acceptance of such appointment as provided in the Deposit Agreement. The term "Depositary" shall also refer to any successor depositary appointed pursuant to this Paragraph (19). The Depositary may at any time appoint a substitute custodian, approved by the Company, and the term "Custodian" shall also refer to such substitute.

(20) Amendment of Deposit Agreement and Receipts. The Receipts and the

Deposit Agreement may at any time and from time to time be amended by agreement between the Company and the Depositary. Any amendment which shall impose or increase any fees or charges (other than the fees of the Depositary for the execution and delivery or the cancellation of Receipts and taxes or other governmental charges), or which shall otherwise prejudice any substantial existing right of Holders of Receipts, shall, however, not become effective as to outstanding Receipts until the expiration of three months after notice of such amendment shall have been given to the Holders of outstanding Receipts. The parties hereto agree that any amendments which (i) are reasonably necessary (as agreed by the Company and the Depositary) in order for (a) the American Depositary Shares to be registered on Form F-6 under the Securities Act of 1933 or (b) the American Depositary Shares or Shares to be traded solely in electronic book-entry form and (ii) do not in either such case impose or increase any fees or charges to be borne by Holders, shall be deemed not to prejudice any substantial rights of Holders. Every Holder of a Receipt at the

time any amendment to the Deposit Agreement so becomes effective shall be deemed, by continuing to hold such Receipt, to consent and agree to such amendment and to be bound by the Deposit Agreement or such Receipt as amended thereby. In no event shall any amendment impair the right of the Holder hereof to surrender this Receipt and receive therefor the Deposited Securities represented hereby, except in order to comply with mandatory provisions of applicable law.

(21) Termination of Deposit Agreement. The Depositary will at any

time at the direction of the Company terminate the Deposit Agreement by mailing notice of such termination to the Holders of all Receipts then outstanding at least 30 days prior to the date fixed in such notice for such

termination. If 60 days shall have expired after (i) the Depositary shall have resigned, or (ii) the Company shall have given notice of the removal of the Depositary under the Deposit Agreement, and, in either case, a successor depositary shall not have been appointed and accepted its appointment, the Deposit Agreement shall automatically terminate on said 60th day after delivery of such notice. If any Receipts shall remain outstanding after the date of termination, the Depositary thereafter shall discontinue the registration of transfers of Receipts, shall suspend the distribution of dividends to the Holders thereof, and shall not give any further notices or perform any further acts under this Deposit Agreement, except that the Depositary shall continue to collect dividends and other distributions pertaining to Deposited Securities, shall sell rights as provided in the Deposit Agreement, and shall continue to deliver Deposited Securities, together with any dividends or other distributions received with respect thereto and the net proceeds of the sale of any rights or other property, in exchange for Receipts surrendered to the Depositary. At any time after the expiration of six months from the date of termination, the Depositary may sell at public or private sale, at such place or places and upon such terms as it may deem proper and in accordance with applicable law, the Deposited Securities then held hereunder, and may thereafter hold uninvested the net proceeds of any such sale, together with any other cash then held by it hereunder, in an unsegregated escrow account, without liability for interest, for the pro rata benefit of the folders of Receipts which have not theretofore been surrendered. Thereafter, the Depositary shall be discharged from all obligations under this Deposit Agreement, except to account for such net proceeds and other cash (after deducting, or charging, as the case may be, in each case the fees of the Depositary for the surrender of a Receipt, any

expenses for the account of the Holder in accordance with the terms and conditions of the Deposit Agreement and any applicable taxes or governmental charges or assessments). Upon the termination of the Deposit Agreement, the Company shall be discharged from all obligations under this Deposit Agreement except for its obligations to the Depositary under Sections 5.08 and 5.09 of the Deposit Agreement.

(22) Compliance with U.S. Securities Laws. Notwithstanding anything in

the Deposit Agreement or Receipt to the contrary, the Company and the Depositary each agree that it will not exercise any rights it has under this Deposit Agreement to prevent the withdrawal or delivery of Deposited Securities in a manner which would violate the United States securities laws, including, but not limited to, General Instructions I A(1) to Form F-6 Registration Statement, as amended from time to time, under the Securities Act of 1933.
