MATERIAL FACT

SADIA S.A. (Sadia or Company), under the terms set out in Paragraph 4 of Article 157 of Law no. 6.404/76 and per Brazilian Securities Commission Instruction no. 358/02, and in response to Official Letter CVM/SEP/No.042/07 and CVM/SEP/No.043/07, would like to inform its shareholders, the market and other interested parties of the following:

The execution was announced, on February 22, 2007, of an agreement between the Securities and Exchange Commission (SEC) and Mr. Luiz Gonzaga Murat Júnior, the Company s ex-Director of Finance and Investor Relations (Agreement), in respect of the accusation of use of privileged information in the trading of securities issued by Perdigão S.A. (Perdigão) within the scope of the Public Offering for the Acquisition of Shares Issued by Perdigão (OPA).

In addition, a Market Announcement was released by the Brazilian Securities Commission (CVM) concerning the conduct of the investigation relating to the use of privileged information, which is the subject of the abovementioned agreement (Market Announcement).

Also published on this date were reports, in the major Brazilian newspapers, about this agreement, as well as references to the use of privileged information in the trading of securities issued by Perdigão.

On the same subject, Sadia is reiterating that its management, for reasons of duty of diligence and fidelity contained in Law no. 6.404/76, has always taken all the necessary steps to inform, in a proactive fashion, the CVM and the SEC of the facts to which it had access, in respect of the use of privileged information in the trading of securities issued by Perdigão.

Accordingly, on August 4, 2006, the Company sent to CVM a fax announcing the receipt of information from the market suggesting a certain irregular trading of securities issued by Perdigão in the three days which preceded and which followed the release of the OPA Notice of July 17, 2006 (OPA Notice).

As determined in a meeting of the Company s Board held on November 24, 2006, Sadia s management sent communications to the SEC and the CVM, on December 4 and December 5, 2006, respectively, in respect of specific facts made known to its Board.

The facts communicated to the SEC and the CVM comprise the following:

Edgar Filing: SADIA S.A. - Form 6-K

- (i) at the Company Board meeting held on September 26, 2006, Mr. Luiz Gonzaga Murat Júnior, then the Company's Director of Finance and Investor Relations, voluntarily declared having undertaken the trade, on the stock exchange of the United States of America (NYSE), of securities issued by Perdigão, or more precisely, American Depositary Receipts (ADRs), on specific days preceding the publication of the OPA Notice, as well as during a period subsequent to the closure of the OPA. The said Director also informed the Board on that occasion, that he was in consultation with the SEC with the aim of proposing the execution of the specific letter of intent ; and
- (ii) at the Sadia Board meeting held on October 31, 2006, Mr. Romano Ancelmo Fontana Filho, then a member of the Company's Board, voluntarily declared having undertaken the trade, on the NYSE, of securities issued by Perdigão, or more precisely, ADRs, on specific days preceding the publication of the OPA Notice, as well as during a period subsequent to the closure of the OPA.

Mr. Luiz Gonzaga Murat Júnior, by means of a letter dated September 27, 2006, handed in his resignation from the position of Company administrator. Mr. Romano Ancelmo Fontana Filho handed in his resignation from the position on the Board of Directors on December 1, 2006.

With the aim of preserving the legitimate interests of the Company, as well as in consideration of the need to maintain the confidential nature of the investigation of the abovementioned facts, Sadia prescribed to the *CVM*, on December 5, 2006, a Request for Exemption from Immediate Disclosure of the abovementioned Information, as permitted by Paragraph 5 of Article 157 of Law no. 6.404/76 and by Articles 6 and 7 of *CVM* Instruction no. 358/02, which was granted by the *CVM* on December 6, 2006.

Bearing in mind the disclosure of the Agreement by the SEC, as well as the disclosure of the Market Announcement by the *CVM*, the *CVM* were given to believe that the abovementioned facts had lost their confidential nature, which is the reason why the Company is now disclosing them in this Material Fact.

The Company condemns and does not condone any violation of the laws of the Brazilian and overseas capital markets. In addition, the Company reiterates its commitment to cooperate with the *CVM* and the SEC in the investigation of the abovementioned facts and will maintain both its shareholders and the market abreast of any further events.
