## Explanation of Responses:

\* If the form is filed by more than one reporting person, see Instruction 4(b)(v).

\*\* Intentional misstatements or omissions of facts constitute Federal Criminal Violations. See 18 U.S.C. 1001 and 15 U.S.C. 78ff(a).

- On February 24, 2010, the Personnel and Compensation Committee of the PNC Board of Directors granted an incentive performance unit opportunity to the reporting person. The grant was expressed as a "target" number of share units with an adjustment for phantom dividends over the April 1, 2010 to December 31, 2012 performance period. Subject to the Committee's discretion, the reporting person is
- eligible to receive shares of PNC common stock (if PNC meets specified performance criteria up to the target level) and/or cash (if the performance criteria exceeds the target level). On January 28, 2013 the Personnel and Compensation Committee approved the performance payout for the performance period from April 1, 2010 to December 31, 2012 which resulted in the vesting of 4,726 shares of PNC common stock.
  - Shares have been withheld to cover the reporting person's tax liability in connection with the incentive performance unit opportunity granted on February 24, 2010 and awarded on January 28, 2013.

## Edgar Filing: Hall Neil F - Form 4

- (3) Includes an aggregate of 59 shares acquired by the reporting person through dividend reinvestment under the Issuer's Dividend Reinvestment and Stock Purchase Plan subsequent to the date of the reporting person's most recent filing on Form 4. Also includes an aggregate of 45 shares acquired by the reporting person through PNC's Employee Stock Purchase Plan subsequent to the date of the reporting person's most recent filing on Form 4.

- (4) The amount of securities beneficially owned represents the number of shares of common stock indirectly held for the account of the reporting person under The PNC Financial Services Group, Inc. ("PNC") Incentive Savings Plan (the "ISP"). Shares of PNC common stock are not directly allocated to ISP participants, but instead are held in a unitized fund, approximately 98% of which consists of PNC common stock, and the remainder of which is invested in a money market fund. The amount of securities beneficially owned reflects 45 shares indirectly acquired for the account of the reporting person under the ISP in transactions exempt from reporting under Rule 16a-3(f)(1)(i)(B) that occurred subsequent to the date of the reporting person's most recent filing on Form 4 providing Table I information. The percentage of assets in the unitized fund investment option that are deemed to be invested in PNC common stock may vary from time to time.

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, *see* Instruction 6 for procedure. Potential persons who are to respond to the collection of information contained in this form are not required to respond unless the form displays a currently valid OMB number.
