RECOMMENDATION OF THE BOARD OF DIRECTORS

The Board of Directors of the Company (the "Board") believes that the stockholders of the Company will benefit if the Company changes its name from "LipidViro Tech, Inc." to "NAC Global Technologies, Inc." (the "Name Change"), as such name change will give the Company the ability to achieve greater brand recognition and more positive reaction to the Company's marketing efforts as the new name, "NAC Global Technologies, Inc." will be similar to the name of the Company's wholly-owned subsidiary "NAC Drive Systems, Inc." (formerly NAC Harmonic Drive, Inc.), which already has obtained brand recognition.

Accordingly, it was the Board's opinion that the corporate action described above would better position the Company to provide the stockholders of the Company with the greatest potential return. The Board and the Majority Stockholders approved the above action on May 23, 2014.

ACTION TO BE TAKEN

This Information Statement contains a brief summary of the material aspects of the action approved by the Board and the Majority Stockholders.

AMENDMENT TO THE COMPANY'S ARTICLES OF INCORPORATION TO CHANGE THE COMPANY'S NAME FROM "LIPIDVIRO TECH, INC." TO "NAC GLOBAL TECHNOLOGIES, INC."

General

The Board of Directors of the Company (the "Board") has approved and recommends to the stockholders a proposal to change its name from "LipidViro Tech, Inc." to "NAC Global Technologies, Inc.". The Board has authorized the filing of a Certificate of Amendment to its Articles of Incorporation with the State of Nevada to affect the Name Change. The Company anticipates the effective date of the Name Change will be July 14, 2014.

Reasons for the Name Change

The Board believes that changing the Company's name will give the Company the ability to achieve greater brand recognition and more positive reaction to the Company's marketing efforts as the new name, "NAC Global Technologies, Inc." will be similar to the name of the Company's wholly-owned subsidiary "NAC Drive Systems, Inc." (formerly NAC Harmonic Drive, Inc.), which already has obtained brand recognition.

Effect of the Name Change

The Name Change will not affect in any way the validity or transferability of stock certificates outstanding or the capital structure of the Company or the trading of the Company's stock on the Over-the-Counter-Bulletin-Board. Upon the effectiveness of the Name Change, it will not be necessary for stockholders to surrender their existing stock certificates. Instead, when certificates are presented for transfer, new certificates bearing the name, NAC Global Technologies, Inc. will be issued.

Dissenter's Rights of Appraisal

The stockholders have no right under the NRS, the Company's Articles of Incorporation or the Company's By-Laws to dissent from any of the provisions adopted as set forth herein.

Summary of the Action to be Taken

The Board recommends changing the Company's name from "LipidViro Tech, Inc." to "NAC Global Technologies, Inc." as the Name Change will give the Company the ability to achieve greater brand recognition and more positive reaction to the Company's marketing efforts as the new name, "NAC Global Technologies, Inc." will be similar to the name of the Company's wholly-owned subsidiary "NAC Drive Systems, Inc." (formerly NAC Harmonic Drive, Inc.), which already has obtained brand recognition.

The entire cost of furnishing this Information Statement will be borne by the Company. The Company will request brokerage houses, nominees, custodians, fiduciaries and other like parties to forward this Information Statement to the beneficial owners of the Common Stock held of record by them and will reimburse such persons for their reasonable charges and expenses in connection therewith. The Board has fixed the close of business on May 23, 2014, as the record date (the "Record Date") for the determination of stockholders who are entitled to receive this Information Statement.

Each share of our common stock entitles its holder to one vote on each matter submitted to the stockholders. However, because the stockholders holding at least a majority of the voting rights of all outstanding shares of capital stock as of the Record Date have voted in favor of the foregoing action by resolution; and having sufficient voting power to approve such proposals through their ownership of the capital stock, no other consents will be solicited in connection with this Information Statement.

You are being provided with this Information Statement pursuant to Section 14C of the Exchange Act and Regulation 14C and Schedule 14C thereunder, and, in accordance therewith, the forgoing action will not become effective until at least twenty (20) calendar days after the mailing of this Information Statement.

INTEREST OF CERTAIN PERSONS IN OR OPPOSITION TO MATTERS TO BE ACTED UPON

Except in their capacity as stockholders (which interest does not differ from that of the other common stockholders), none of our officers, directors, or any of their respective affiliates has any interest in the Name Change.

OUTSTANDING VOTING SECURITIES

Our authorized capital stock consists of 150,000,000 shares of Common Stock at a par value of \$0.001 per share. Each share of outstanding Common Stock is entitled to one vote on matters submitted for Stockholder approval.

On May 23, 2014, the holders of 89.16% of the outstanding shares of our Common Stock executed and delivered to the Company a written consent approving the action set forth herein. Since the action has been approved by the Majority Stockholders, no proxies are being solicited with this Information Statement.

The NRS provides in substance that unless the Company's articles of incorporation provides otherwise, stockholders may take action without a meeting of stockholders and without prior notice if a consent or consents in writing, setting forth the action so taken, is signed by the holders of outstanding stock having not less than the minimum number of votes that would be necessary to take such action at a meeting at which all shares entitled to vote thereon were present.
