PROXY STATEMENT

May __, 2004

Edgar Filing: SOFTECH INC - Form PRE 14C

Proxies in the form enclosed with this Proxy Statement are solicited by the Board of Directors of SofTech, Inc. (the "Company"), a Massachusetts company, for use at the Annual Meeting of Stockholders to be held on June 30, 2004, at 10:00 a.m., local time, at the Company's headquarters located at Two Highwood Drive, Tewksbury, MA 01876.

Only stockholders of record at the close of business on May 10, 2004 (the "Record Date") will be entitled to receive notice of and to vote at the meeting and any adjournments thereof. As of the Record Date, 12,205,236 shares of common stock, \$.10 par value per share (the "Common Stock"), of the Company were issued and outstanding. The holders of Common Stock are entitled to one vote per share on any proposal presented at the meeting. Stockholders may vote in person or by proxy. Execution of a proxy will not in any way affect a stockholder's right to attend the meeting and vote in person. Any stockholder giving a proxy has the right to revoke it (i) by filing a later-dated proxy or a written notice of revocation with the Secretary of the Company at any time before it is exercised or (ii) by voting in person at the Annual Meeting (although attendance at the Annual Meeting will not, in itself, constitute revocation of a proxy). Any written notice of revocation or subsequent proxy should be sent so as to be delivered to SofTech, Inc., Two Highwood Drive, Tewksbury, MA 01876, Attention: Clerk, at or before the taking of the vote at the Annual Meeting.

The representation in person or by proxy of at least a majority of the outstanding Common Stock entitled to vote at the meeting is necessary to constitute a quorum for the transaction of business. Votes withheld from a nominee for election as a director, as well as abstentions and broker "non-votes" with respect to all other matters being submitted to stockholders, are counted as present or represented for purposes of determining the presence or absence of a quorum for the meeting. A "non-vote" occurs when a nominee holding shares for a beneficial owner votes on one proposal, but does not vote on another proposal because, in respect to such other proposal, the nominee does not have discretionary voting power and has not received instructions from the beneficial owner.

Regarding the Amendment described in Proposal 1, an affirmative vote of at least two-thirds of the shares present or represented and voting is required for approval. In the election of the Class II directors, the nominee receiving the highest number of affirmative votes of the shares present or represented and entitled to vote at the meeting shall be elected as a director. On all other matters being submitted to stockholders, an affirmative vote of a majority of the shares present or represented and voting on each such matter is required for approval. An automated system administered by the Company's transfer agent tabulates the votes. The vote on each matter submitted to stockholders is tabulated separately. Abstentions are included in the number of shares present or represented and voting on each matter. Broker "non-votes" are not so included.

The person named as attorney-in-fact in the proxies, Joseph P. Mullaney, is an employee and officer of the Company. All properly executed proxies returned in time to be counted at the meeting will be voted as stated below under "Election of Director." Any stockholder giving a proxy has the right to withhold authority to vote for any individual nominee to the Board of Directors by marking withheld in the space provided on the proxy. Where a choice has been specified on the proxy with respect to the foregoing matter, the shares represented by the proxy will be voted in accordance with the specifications and will be voted FOR if no specification is indicated.

The Board of Directors knows of no other matters to be presented at the meeting. If any other matter should be presented at the meeting upon which a vote properly may be taken and upon which the proxies may exercise discretion under applicable law, shares represented by all proxies received by the Board of

Directors will be voted with respect thereto in accordance with the judgment of the person named as attorney in the proxies.

An Annual Report to Stockholders, containing financial statements for the fiscal year ended May 31, 2003, is being mailed together with this Proxy Statement to all stockholders entitled to vote. This Proxy Statement and the form of proxy were first mailed to stockholders on or about May 15, 2004.
