On May 4, 2008, Whiting Oil and Gas Corporation (“Whiting Oil and Gas”), a wholly-owned subsidiary of Whiting Petroleum Corporation (the “Company”), entered into Purchase and Sale Agreements (the “Agreements”) with Chicago Energy Associates, LLC and its affiliate, Comet Resources LLC (collectively, the “Sellers”), pursuant to which Whiting Oil and Gas has agreed to purchase interests in producing gas wells and development acreage in the Flat Rock Natural Gas Field in Uintah County, Utah, as well as gas gathering facilities. The Agreements provide that Whiting Oil and Gas will pay the Sellers \$365 million in cash at the closing with an effective date of the acquisition of January 1, 2008.

The assertions embodied in these representations and warranties were made solely for purposes of the Agreements and may be subject to important qualifications and limitations agreed to by the parties in connection with negotiating their terms. Moreover, certain representations and warranties may not be accurate or complete as of any specified date because they are subject to a contractual standard of materiality that is different from certain standards generally applicable to stockholders or were used for the purpose of allocating risk between the parties rather than establishing matters as facts. Based upon the foregoing reasons, investors should not rely on the representations and warranties as statements of factual information.
