ITEM 2.02. RESULTS OF OPERATIONS AND FINANCIAL CONDITION

The Registrant hereby incorporates by reference into this Item 2.02 the press release issued by TODCO on May 5, 2005 with respect to its first quarter 2005 earnings. ## Edgar Filing: TODCO - Form 8-K

The registrant has presented EBITDA in the press release incorporated herein, which is a "non-GAAP" financial measure under Regulation G of the rules and regulations of the SEC. The components of EBITDA are computed by using amounts which are determined in accordance with GAAP. As part of the press release information the registrant has provided a reconciliation of EBITDA to net loss from continuing operations which is the nearest comparable GAAP financial measure. However, because EBITDA is not based on any standardized methodology prescribed by GAAP, it is not necessarily comparable to similar measures presented by other companies. The registrant included EBITDA in the press release because it believes EBITDA provides investors additional information to assist them in assessing the registrant's business and performance in comparison to other industry participants.
