- Proposal 2: FOR the ratification of BDO USA, LLP as our independent registered public accounting firm for the year ending December 31, 2013.

How will my shares be voted if I do not specify how they should be voted?

The Board of Directors is asking for your proxy. Giving your proxy means that you authorize us to vote your shares at the meeting in the manner you direct. If you sign and return the enclosed proxy card, but do not specify how to vote, your shares will be voted as follows:

- Proposal 1: FOR the election of the Class I director nominee to serve until the 2016 Annual Meeting of Stockholders and until his successor is duly elected and qualified; and
- Proposal 2: FOR the ratification of BDO USA, LLP as our independent registered public accounting firm for the year ending December 31, 2013.

 - Proposal 4: FOR an advisory vote on executive compensation once every three years.

How do I vote?

You may grant a proxy to vote your shares by any one of the following methods:

- By mail: Mark your votes, sign and return the proxy card or vote instruction form in the postage paid envelope provided.
- By Internet: Log onto the website indicated on your proxy card or vote instruction form and follow the instructions provided.
- By telephone: Call the toll-free number shown on your proxy card or vote instruction form and follow the voice prompts.

Alternatively, you may attend the Annual Meeting in person and use a ballot to cast your vote. If you grant a proxy by the Internet or by telephone to vote your shares, you do not need to send in the proxy card or vote instruction form. The deadline for Internet and telephone proxy authorization will be 6:00 PM, Eastern Time, on June 10, 2013. If your shares are held in the name of a bank, broker or other nominee, and you wish to vote your shares at the Annual Meeting, you will need to contact your bank, broker or other nominee to obtain a legal proxy form that you must bring with you to the meeting to exchange for a ballot.

What vote is needed for the proposals to be adopted?

As of the close of business on the record date, April 24, 2013, there were 10,633,116 shares of the Company's Class A Common Stock and 31,938 shares of the Company's Class B Common Stock issued and outstanding, representing the only classes of voting stock of the Company issued and outstanding as of such date. Each holder of Class A Common Stock and each holder of Class B Common Stock is entitled to cast one vote per share of Class A Common Stock or Class B Common Stock held on each matter that properly comes before the Annual Meeting. Holders of shares of Class A Common Stock and Class B Common Stock vote together as one class in all matters, except that matters that would adversely affect the rights and preferences of only one class must be separately approved by the holders of the adversely affected class.

- **Quorum:** In order to conduct the Annual Meeting, the presence, in person or by proxy, of stockholders entitled to cast a majority of all the votes entitled to be cast at the Annual Meeting is required. This is referred to as a quorum. If you submit a properly executed proxy card or authorize a proxy by telephone or by Internet, you will be treated as present at the Annual Meeting for purposes of determining the presence of a quorum. Proxy cards marked as abstaining and broker non-votes on any proposal to be acted on by stockholders will be treated as present at the Annual Meeting for purposes of determining the presence of a quorum.
- **Proposals:** The vote of a plurality of all of the votes cast at a meeting at which a quorum is present is necessary for the election of directors. For purposes of the election of directors, abstentions will not be counted as votes cast and will have no effect on the result of the vote. The affirmative vote of a majority of all of the votes cast at a meeting at which a quorum is present is required to ratify the appointment of BDO USA, LLP and to approve the Say on Pay Proposal. For purposes of the vote on these proposals, abstentions and broker non-votes will have the same effect as votes against the proposal. The frequency of the advisory vote on executive compensation receiving the greatest number of votes (one, two or three years) will be considered the frequency recommended by stockholders.

Who will count and certify the votes?

Representatives of Broadridge Financial Solutions, Inc. and the inspector of elections will count the votes and certify the election results. The inspector of elections is our Controller and Vice President, Jerry Sintes. The results will be published in a current report on Form 8-K to be filed after the Annual Meeting.

What does it mean if I receive more than one proxy card?

It means you have multiple accounts registered with our transfer agent or with stock brokers or other nominees. Please complete and provide your voting instructions for all proxy cards and vote instruction forms that you receive.

Will my shares be voted if I do not sign and return my proxy card?

Possibly. If your shares are held in street name and you do not instruct your broker or other nominee how to vote your shares, your broker or nominee may either use its discretion to vote your shares on "routine matters" including each of the proposals at this meeting or leave your shares unvoted. For any "non-routine matters" considered at the meeting, your broker or other nominee would not be able to vote on such matters. We encourage you to provide instructions to your nominee by completing the vote instruction form or proxy card that you have received. This will ensure that your shares are voted at the Annual Meeting as you direct.

How can I change my vote?

You have the right to revoke your proxy at any time before the Annual Meeting. If you are a holder of record, you may contact our corporate secretary and request that another proxy card be sent to you. Alternatively, you may use the Internet or the telephone to authorize a new proxy and revoke your old proxy, even if you previously mailed in a proxy card. The latest-dated, properly completed proxy that you submit, whether through the Internet, by telephone or by mail will count as your vote. Please note that if you submit a later proxy authorization by mail, your re-authorization will not be effective unless it is received by our corporate secretary prior to the start of the Annual Meeting. If your shares are held in street name, you must contact your bank, broker or other nominee and follow their procedures for changing your vote instructions.

How can I attend the Annual Meeting?

Admission to the Annual Meeting is limited to stockholders who are entitled to vote or their authorized representatives. If you are a holder of record and wish to attend the Annual Meeting, tear off the Admission Ticket attached to the top half of your proxy card and bring it and a photo ID with you to gain admission to the meeting.

If your shares are held in the name of a bank, broker or other nominee, and you wish to attend the Annual Meeting, you must bring other proof of ownership, such as an account statement, that clearly shows that you held Bimini Capital Management, Inc. common stock on the record date, or a legal proxy obtained from your bank, broker or other nominee. You must also bring a photo ID. Alternatively, you may obtain an admission ticket by sending your request and a copy of your proof of ownership to our corporate secretary at Bimini Capital Management, Inc., 3305 Flamingo Drive, Vero Beach, Florida 32963 provided that your request is received by the Company by June 10, 2013.

No cameras, recording equipment, cell phones, electronic devices, large bags, backpacks, briefcases or packages will be permitted in the meeting room or adjacent areas. All items will be subject to search.

How do I obtain a copy of materials related to corporate governance?

What proxy solicitation expenses will be incurred in connection with this meeting?

Our Board of Directors is asking for your proxy and we will pay all of the costs of asking for stockholder proxies. We can ask for proxies through the mail or personally by telephone or the Internet. Our directors, officers and employees of the Company may solicit proxies. These people do not receive additional compensation for these services. We will reimburse brokerage firms and other custodians, nominees and fiduciaries for their reasonable out-of-pocket expenses for forwarding solicitation material to the beneficial owners of the Company's common stock held of record by them. Broadridge Financial Solutions, Inc. assists us with certain administrative functions related to the distribution of the proxy, but is not acting as a solicitor.

How can I submit a proposal for consideration at the 2014 Annual Meeting?

To be considered for the 2014 Annual Meeting of Stockholders, stockholder proposals must be submitted in writing to our corporate secretary at Bimini Capital Management, Inc., 3305 Flamingo Drive, Vero Beach, Florida 32963. No proposal can be included in our proxy statement for the 2014 Annual Meeting of Stockholders unless it is received by our corporate secretary no later than December 16, 2013 (120 days prior to the anniversary date of our proxy statement for our 2013 annual meeting). The proposal must also meet the other requirements of the rules of the Securities and Exchange Commission relating to stockholder proposals.

Any stockholder whose proposal is not included in our proxy statement relating to the 2014 Annual Meeting of Stockholders and who intends to present a matter for consideration at such meeting must give notice to our corporate secretary in accordance with Section 1.11 of our Amended and Restated Bylaws and such matter must otherwise be a proper matter for stockholder action. For our 2014 Annual Meeting of Stockholders, any such notice must be received by our corporate secretary no later than April 12, 2014, and no earlier than March 13, 2014.

How can I recommend someone as a candidate for director?

To be effective for consideration at the 2014 Annual Meeting of Stockholders, the recommendation must be received by our corporate secretary no later than April 12, 2014, and no earlier than March 13, 2014 and must include information about the nominating stockholder and the nominee that is required to be included in a proxy statement under the rules of the Securities and Exchange Commission.

**PROPOSAL 2: TO RATIFY THE SELECTION OF
INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM.**

Our Audit Committee has selected the accounting firm of BDO USA, LLP to serve as our independent registered public accounting firm for the year ending December 31, 2013, subject to ratification of this appointment by our stockholders. Action by stockholders is not required by law in the appointment of an independent registered public accounting firm, but this appointment is submitted by the Board of Directors in order to give the stockholders a voice in the designation of auditors. If the appointment is not ratified by the stockholders, the Board of Directors will reconsider its choice of BDO USA, LLP as our independent registered public accounting firm. BDO USA, LLP has advised us that neither it nor any member thereof has any financial interest, direct or indirect, in our company or any of our subsidiaries in any capacity. BDO USA, LLP has served as our independent registered public accounting firm since April 17, 2008 and audited our consolidated financial statements for the years ended December 31, 2008 through 2012.

The Company anticipates that a representative of BDO USA, LLP will be present at the annual meeting, will be given the opportunity to make a statement if he or she so desires and will be available to respond to appropriate questions.

**THE BOARD RECOMMENDS A VOTE FOR
THE RATIFICATION OF THE SELECTION OF BDO USA, LLP
AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM.**

**PROPOSAL 3: TO APPROVE, BY A NON-BINDING VOTE,
THE COMPANY'S 2012 EXECUTIVE COMPENSATION**

We are asking our stockholders to provide a non-binding "say-on-pay" advisory approval of the compensation of our Named Executive Officers as we have described it in the "Executive Compensation" section of this Proxy Statement.

Our Board unanimously recommends you vote FOR the following resolution regarding the "say-on-pay" vote approving executive compensation:

RESOLVED, that the Company's stockholders approve, on an advisory basis, the compensation of the named executive officers, as disclosed in the Company's Proxy Statement for the 2013 Annual Meeting of Stockholders pursuant to the compensation disclosure rules of the Securities and Exchange Commission, including the compensation tables and any related material disclosed in this proxy statement.

Our Board believes that that we have an executive compensation program that has allowed the Company to retain top-quality executives who have been appropriately motivated to act in the best interests of our stockholders. We believe we have a program that encourages executives to act in the best interest of the Company and its stockholders as further described herein under the headings "Compensation of Executive Officers" and "Analysis of Executive Compensation."

Accordingly, our Board requests that our stockholders vote to approve our executive compensation program. While this vote is not binding on our Company, it will provide information to our Compensation Committee and our management regarding investor sentiment about our executive compensation philosophy, policies and practices. We will consider this information when determining executive compensation for 2013 and beyond.

PROPOSAL 4: TO APPROVE, BY A NON-BINDING VOTE, THE FREQUENCY OF FUTURE STOCKHOLDER ADVISORY VOTES ABOUT THE COMPANY'S EXECUTIVE COMPENSATION

In addition to the advisory approval of our executive compensation program, we are also seeking a non-binding determination from our stockholders as to the frequency with which stockholders would have an opportunity to provide an advisory approval of our executive compensation program. Stockholders have the option of selecting a frequency of one, two or three years, or abstaining. For the reasons described below, we recommend that our stockholders select a frequency of three years, or a triennial vote.

Our executive compensation program is designed to support long-term value creation, and a triennial vote will allow Stockholders to better judge our executive compensation program in relation to our long-term performance.

Furthermore, the Company makes efforts to reduce the costs related to conducting its annual Stockholder Meeting and preparing the Proxy Statement and other related documentation. A triennial vote would limit the resources expended by the Company with respect to conducting the advisory vote.

A triennial vote will also provide us with the time to thoughtfully respond to stockholders' sentiments and implement any necessary changes. We review changes to our program to maintain the consistency and credibility of the program which is important in motivating and retaining our employees. We therefore believe that a triennial vote is an appropriate frequency to provide compensation committee sufficient time to thoughtfully consider Stockholders' input and to implement any appropriate changes to our executive compensation program.

The Say on Frequency vote is non-binding; however, the Board of Directors and Compensation Committee will take the results of the vote into consideration when determining the appropriate frequency for future Say on Pay votes.

The Board is elected by stockholders to oversee management of the Company in the long-term interests of all stockholders.

Director Independence

Pursuant to Item 407(a)(1)(ii) of Regulation S-K of the Securities and Exchange Commission, the Board is required to affirmatively determine and disclose the independence of each director, and nominee for election as a director, based on the director independence standards of a national securities exchange or an inter-dealer quotation system having certain director independence requirements notwithstanding that the Company is not currently listed on any such exchange and the Company's securities are not currently quoted in any such inter-dealer quotation system. The Board has determined to use the definition of "independent director" as set forth in the Marketplace Rules of The Nasdaq Stock Market, LLC. Based on such definition, the Board has affirmatively determined that the following directors are "independent" within the meaning of Rule 5605(a)(2) of the Marketplace Rules and have no relationship with the Company which, in the opinion of the Board, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director:

Robert J. Dwyer
Frank E. Jaumot

Notwithstanding the determination described above, the Board has determined that Mr. Jaumot is not "independent" under the stricter definition of that term that is contained in Rule 5605(c)(2) of the Marketplace Rules and Rule 10A-3(b)(1) of the Securities Exchange Act of 1934. That stricter definition of "independent" is applied for purposes of service on the Company's Audit Committee. Services provided to the Company by Ahearn, Jasco & Company, P.A., a CPA firm in which Mr. Jaumot is a shareholder, cause Mr. Jaumot to not be "independent" for Audit Committee purposes. In addition, the Board has determined that Robert E. Cauley is not "independent" for purposes of the Marketplace Rules because he is an officer and employee of the Company.

Board Meetings and Committees

The Board currently has three standing committees: the Audit Committee, the Compensation Committee and the Corporate Governance and Nominating Committee. The charter of each Board committee is available on the Corporate Governance section of the Company's website at www.biminicapital.com and will be made available in print to any stockholder upon written request delivered to our corporate secretary at Bimini Capital Management, Inc., 3305 Flamingo Drive, Vero Beach, Florida 32963. The following table reflects the composition of each of the Board's standing committees as of April 24, 2013:

Audit Committee	Compensation Committee	Corporate Governance and Nominating Committee
Robert J. Dwyer*+	Robert J Dwyer*	Robert J. Dwyer*
	Frank E. Jaumot	Frank E. Jaumot

* Current Committee Chair.

+ Audit Committee Financial Expert.

During 2012, the Board held 11 meetings, the Audit Committee held 5 meetings, the Corporate Governance and Nominating Committee held 1 meeting and the Compensation Committee held 2 meetings. During 2012, no incumbent director attended fewer than 75% of the aggregate of the total number of meetings of the Board (held during the period for which such person was a director) and the total number of meetings held by all committees of the Board on which such person served (during the periods that such person served). It is the Company's policy for Board members to attend the Annual Meeting of the Stockholders. In 2012, all three Board members attended the Annual Meeting of the Stockholders.

Board Structure and Role in Risk Oversight

Board Leadership Structure

The Board has not separated the positions of Chairman of the Board and Chief Executive Officer. Robert E. Cauley holds these positions and he leads the Company's Board meetings. The Company's lead independent director is Robert J. Dwyer. Mr. Dwyer is the chair of the Company's existing Board Committees, and in that capacity, he is able to call meetings, set agendas and direct the attention of those Committees on a wide range of corporate matters. Given the nature and scope of the Company's current operations, the Company's small management team and the limited number of Company employees, the Board believes that the Company's current leadership structure is appropriate.

Board Role in Risk Oversight

The Board as a whole has responsibility for risk oversight, with reviews of certain areas being conducted by the relevant Board Committees. The Audit Committee oversees management of financial risks and risks relating to potential conflicts of interest, the Compensation Committee is responsible for overseeing the management of risks relating to compensation arrangements, and the Nominating and Corporate Governance Committee manages risks associated with the size, composition and independence of the Board. These Committees provide reports periodically to the full Board. The oversight responsibility of the Board and its Committees is supported by management reporting processes that are designed to provide visibility to the Board about the identification, assessment, and management of critical risks. These areas of focus include strategic, operational, financial and reporting, compensation, legal and compliance, and other risks. The management reporting process includes regular reports from the Chief Executive Officer, which are provided with input from the senior management team.

Audit Committee

The Audit Committee's charter, which may be accessed on the Corporate Governance section of our website at www.biminicapital.com, describes the composition, purposes and responsibilities of the committee. Among other things, the charter provides that the committee will be comprised of at least one director as appointed by the Board, whom shall meet the independence and audit committee composition requirements under applicable law and stock exchange listing standards as in effect from time to time and shall be free from any relationship that would interfere with the exercise of his or her independent judgment as a member of the Committee.

The functions of the committee are primarily to review with our independent registered public accounting firm their reports concerning audit findings related to the Company's annual and quarterly financial statements, internal controls and procedures and disclosure controls and procedures. The committee also appoints our independent registered public accounting firm and assists the Board in oversight of our compliance with legal and regulatory requirements related to financial reporting matters.

The Board has determined that the Chair of the committee, Mr. Robert J. Dwyer, is an “audit committee financial expert” within the meaning of the applicable rules and regulations of the Securities and Exchange Commission and an Independent Director according to the Marketplace Rules of The Nasdaq Stock Market, LLC. Mr. Dwyer is also independent in accordance with the applicable law and stock exchange listing standards.

Service Fees Paid to the Independent Registered Public Accounting Firm

The Audit Committee has selected BDO USA, LLP as the Company's independent registered public accounting firm for 2013 and such firm has audited the Company's annual consolidated financial statements for 2008 through 2012. The Company anticipates that representatives of BDO USA, LLP will be present at the Annual Meeting and, while they do not plan to make a statement (although they will have the opportunity to do so if they desire), they will be available to respond to appropriate questions from stockholders.

All of the fees reflected above were approved by our Audit Committee.

Transactions with Related Persons

Pursuant to its committee charter, the Audit Committee of the Board of Directors is responsible for reviewing and approving related person transactions. Related person transactions include those transactions required to be disclosed by Item 404 of Regulation S-K under the Securities Exchange Act of 1934, as amended. As the Company is currently a "smaller reporting company" within the meaning of Regulation S-K, Item 404 requires disclosure of any transaction, since the beginning of the Company's fiscal year immediately preceding the Company's last fiscal year, or any currently proposed transaction, in which the Company was or is to be a participant and the amount involved exceeds the lesser of \$120,000 or one percent of the average of the Company's total assets at year end for the last two completed fiscal years, and in which a related person had or will have a direct or indirect material interest. The term "related person" is defined in Item 404 and includes the Company's directors, nominees for director, executive officers and each of their respective immediate family members, as well as any person that beneficially owns more than 5% of

any class of the Company's voting stock and each such person's immediate family members, where applicable.

In fulfilling its responsibility, the Audit Committee will review the relevant facts of each related person transaction or series of related transactions and either approve, ratify or disapprove such transaction or transactions. The Audit Committee will take into account such factors as it deems necessary or appropriate in deciding whether to approve, ratify or disapprove any related person transaction, including any one or more of the following:

- The terms of the transaction;
- The benefits to the Company of the transaction;
- The availability of other sources for comparable products or services;
- The terms available to unrelated third parties or to employees generally; and
- The impact on a director's independence in the event that such director is a party to the transaction or such director, an immediately family member of such director, or an entity in which such director is an executive officer or has a direct or indirect material interest is a party to the transaction.

No director may participate in any consideration or approval of a related person transaction with respect to which such director or any of such director's immediate family members is the related person or has a direct or indirect material interest. Related person transactions will only be approved if they are determined to be in, or not inconsistent with, the best interests of the Company and its stockholders.

On an annual basis, the Company solicits information from each of the Company's directors and executive officers to identify related person transactions. If a related person transaction that has not been previously approved or previously ratified is identified, the Audit Committee will promptly consider all of the relevant facts. If the transaction is ongoing, the Audit Committee may ratify or request the rescission, amendment or termination of the related person transaction. If the transaction has been completed, the Audit Committee may seek to rescind the transaction where appropriate and may recommend that the Board or the Company take appropriate disciplinary action where warranted. In addition, the Audit Committee will generally review any ongoing related person transactions on an annual basis to determine whether to continue, modify or terminate such related person transactions.

Mr. Jaumot is the Director of Accounting and Auditing and a shareholder of the certified public accounting firm Ahearn, Jasco & Company, P.A. Ahearn, Jasco & Company, P.A. has provided tax, accounting, and SEC consulting services to the Company since its founding in 2003 and is expected to continue providing such services in the future. Mr. Jaumot has been directly involved with services provided by Ahearn, Jasco & Company, P.A. to the Company. During fiscal years 2012 and 2011, the Company paid Ahearn, Jasco & Company, P.A. approximately \$114,025 and \$107,830, respectively, and from January 1, 2013 through March 31, 2013, the Company has been billed approximately \$20,850 for services performed in 2013. The Audit Committee has reviewed the engagement of Ahearn, Jasco & Company, P.A. and Mr. Jaumot's position on the Board of Directors, and determined that the engagement of Ahearn, Jasco & Company, P.A. is in the best interests of the Company. The Audit Committee will annually review this engagement.

Compensation Committee

The Compensation Committee's charter, which may be accessed on the Corporate Governance section of our website at www.biminicapital.com, describes the composition, purposes and responsibilities of the committee. Among other things, the charter provides that the committee will be comprised of at least one director as appointed by the Board, each of whom shall meet the independence requirements under applicable law and stock exchange listing standards as in effect from time to time and shall be free from any relationship that would interfere with the exercise of his or her independent judgment as a member of the committee. The Compensation Committee reviews and establishes or recommends to the Board the compensation and benefits of all of the Company's executive officers, administers the Company's incentive compensation plans and establishes and reviews general policies relating to compensation and

benefits of the Company's employees. Recommendations regarding compensation of other non-executive officers are made by our Chief Executive Officer.

The Compensation Committee has the sole authority under its charter to select, retain and terminate a compensation consultant and to approve the consultant's fees and other retention terms. The Compensation Committee did not engage any compensation consultants during 2012. Rather, the Compensation Committee reviewed certain publicly available information concerning executive compensation paid by companies in our peer group, as well as information provided by the Company.

Compensation Committee Interlocks and Insider Participation

No member of the Compensation Committee was at any time during 2012 an officer or employee of the Company or any of the Company's direct or indirect subsidiaries nor is any such person a former officer of the Company or any of the Company's direct or indirect subsidiaries. In addition, no executive officer of the Company currently serves as a director or member of the compensation committee of any entity that has one or more executive officers serving as a director of the Company.

Corporate Governance and Nominating Committee

The Corporate Governance and Nominating Committee's charter, which may be accessed on the Corporate Governance section of our website at www.biminicapital.com, describes the composition, purposes and responsibilities of the committee. Among other things, the charter provides that the committee shall be comprised of at least one director as appointed by the Board, each of whom shall meet the independence requirements under applicable law and stock exchange listing standards as in effect from time to time and shall be free from any relationship that would interfere with the exercise of his or her independent judgment as a member of the committee. The charter also provides that the committee shall be responsible to identify and recommend to the Board of Directors persons to be nominated by the Board to stand for election as directors at each Annual Meeting of Stockholders and persons to be elected by the Board to fill any vacancy or vacancies in its number. The committee also recommends to the Board actions to be taken regarding the structure, organization and functioning of the Board, and the persons to serve as members of the standing committees of, and other committees appointed by, the Board. The charter gives the committee the responsibility to develop and recommend corporate governance guidelines to the Board, and to recommend to the Board the process and criteria to be used in evaluating the performance of the Board and to oversee the evaluation of the Board.

In identifying potential candidates for Board membership, the Corporate Governance and Nominating Committee may consider candidates proposed by management, but is not required to do so. The committee also relies on suggestions and recommendations from current directors and stockholders and does not distinguish nominees recommended by stockholders from other nominees. A stockholder who wishes to recommend a candidate for director of the Company may write to Chair, Corporate Governance and Nominating Committee of the Board of Directors, in care of our corporate secretary at Bimini Capital Management, Inc., 3305 Flamingo Drive, Vero Beach, Florida 32963.

In evaluating candidates for members of the Board, the Corporate Governance and Nominating Committee has not established specific minimum qualification standards, but rather takes into consideration such factors as it deems appropriate. These factors may include judgment, skill, diversity, experience with businesses and other organizations of comparable size, the interplay of the candidate's experience with the experience of other Board members, and the extent to which the candidate would be a desirable addition to the Board and any committees of the Board. The nominee for the board of directors in this proxy was nominated by the Corporate Governance and Nominating Committee.

Corporate Governance Guidelines

The Board has adopted Corporate Governance Guidelines. These guidelines are revised from time to time to better address new or changing needs and regulatory requirements. The Corporate Governance Guidelines may be accessed from the Corporate Governance section of our website at www.biminicapital.com, and will be made available in print to any stockholder upon written request delivered to our corporate secretary at Bimini Capital Management, Inc., 3305 Flamingo Drive, Vero Beach, Florida 32963.

Corporate Conduct and Ethics

The Company has adopted a Code of Business Conduct and Ethics that is applicable to all officers, directors and employees of the Company and its subsidiaries. The Company has also adopted a Code of Ethics for Senior Financial Officers that is applicable to our principal executive officer, principal financial officer, principal accounting officer or controller, or persons performing similar functions. The Company's Code of Business Conduct and Ethics and the Company's Code of Ethics for Senior Financial Officers may be accessed from the Corporate Governance section of our website at www.biminicapital.com, and will be made available in print to any stockholder upon written request delivered to our corporate secretary at Bimini Capital Management, Inc., 3305 Flamingo Drive, Vero Beach, Florida 32963. The Company intends to disclose any waivers from, or amendments to, our Code of Business Conduct and Ethics and our Code of Ethics for Senior Financial Officers required to be disclosed by applicable law or stock exchange listing standards by posting a description of such waiver or amendment on our website at www.biminicapital.com.

Stockholder Communications

Stockholders and other interested parties may communicate with any director, including the Chairman of the Board and the chairman of any committee of the Board or with the non-management directors as a group, by sending a letter to the attention of the appropriate person or persons (which may be marked as confidential) addressed in care of our corporate secretary at Bimini Capital Management, Inc., 3305 Flamingo Drive, Vero Beach, Florida 32963. All communications received by our corporate secretary will be forwarded to the intended recipient(s). Any such communications may be made anonymously.

COMPENSATION OF DIRECTORS

Overview

Directors who are not also employees of the Company are paid compensation in exchange for their service as a director. Director compensation is reviewed periodically by the Board to ensure such compensation is reasonable and appropriate.

Annual Retainer

We pay an annual director's fee equal to \$70,000 to each director who is not an officer or employee. Except for directors who own, through direct ownership or voting control, 5,000 shares or more of the Company's Class A Common Stock, a minimum of one-half of the compensation paid to the Company's non-employee directors is required to be paid in the form of shares of the Company's Class A Common Stock. In addition, each of the Company's non-employee directors may elect to receive all or a portion of the balance of their director compensation in the form of shares of the Company's Class A Common Stock, subject to applicable limitations on ownership as described in the Company's charter. Director's fees are paid in advance on March 15, June 15, September 15 and December 15 of each year. We also reimburse all directors for costs and expenses for attending these meetings. Directors who are also employees of the Company are not separately compensated for their service as directors.

The Company has agreed to compensate Mr. Jaumot on a different basis than the other non-employee director. Mr. Jaumot is compensated for his board service on an hourly basis using the standard hourly rate used in his CPA practice. During 2012, Mr. Jaumot's hourly rate was \$415 per hour. Mr. Jaumot's current hourly rate is \$435.

ANALYSIS OF EXECUTIVE COMPENSATION

As discussed herein under the caption “Compensation Committee,” the Compensation Committee of the Board of Directors is responsible for reviewing and establishing or recommending to the Board of Directors the compensation and benefits of the Company’s executive officers, administering the Company’s incentive compensation plans and establishing and reviewing general policies relating to compensation and benefits. At the beginning of each year, the Compensation Committee sets general performance goals and objectives for the named executive officers. Through-out the year, the Compensation Committee considers the overall performance of the Company and the success of the executive officers in achieving the designated goals and, at the end of the year, the Compensation Committee makes a determination with respect to the executive officer salaries and bonuses.

The goals and objectives used to measure executive officer performance in 2012 included (i) completion of an initial public offering by the Company's wholly-owned subsidiary Orchid Island Capital, Inc. ("Orchid") or some other significant financing by Orchid or the Company, (ii) improvement in net income, (iii) change in book value and (iv) change in market price per share. Based on the Company's inability to complete an initial public offering by Orchid or other significant financing and the Company's performance relative to other goals established for 2012, the Compensation Committee determined not to award any raises or bonuses to the Company's named executive officers. The Compensation Committee does not apply a formula to set specific awards for each goal, but rather makes subjective compensation decisions by evaluating the executive officer's overall performance and the extent to which it contributed to realization of the Company's goals and objectives.

For 2013, the Compensation Committee has set the following general corporate goals to measure executive officer performance: (i) completion of an initial public offering or some other significant financing by Orchid or the Company, (ii) improvement in net income, (iii) improvement in book value, (iv) improvement in market price per share, (v) execution of a financing transaction at MortCo TRS, LLC that allows the Company to utilize available net operating losses, (vi) development of alternate means to increase assets under management and thereby improve profitability of the Company and Bimini Advisors, (vii) execution of strategic alliances that increase the capital base of Orchid, (viii) material reduction in year-over-year expenses, or (ix) execution of other joint ventures or strategic alliances that enhance profitability of the Company.

POTENTIAL PAYMENTS UPON TERMINATION OR A CHANGE OF CONTROL

Mr. Cauley and Mr. Haas entered into severance agreements with the Company on December 18, 2008. Those agreements were replaced by new agreements entered into on June 30, 2009. Mr. Cauley's agreement and Mr. Haas' agreement contain substantially the same terms and conditions. The term of each new agreement expires June 30, 2015, but is automatically extended by additional twelve month periods each July 1 unless the Company provides notice otherwise or in the event of a change of control during the term of the agreement.

The qualitative and quantitative information below reflects the amount of compensation payable to Mr. Cauley and Mr. Haas under their respective agreements with the Company in the event of termination of such executive's employment under several different circumstances. Amounts disclosed assume that such termination is effective as of December 31, 2012, and thus include amounts earned through such time and are estimates of the amounts that would have been payable to the executives had their employment terminated effective December 31, 2012. The actual amounts, if any, to be paid out under the executive's respective agreement can only be determined at the time of such executive's separation from the Company. Upon expiration of these agreements, the termination payment provisions contained in the agreements, as described below, will automatically terminate and will have no further force or effect.

Potential Payments and Benefits upon Termination without Cause or for Good Reason

Under the agreements, an executive shall be entitled to receive termination benefits if during the term of the agreement (i) the Company terminates executive's employment with the Company without Cause, (ii) executive resigns from the employment of the Company and executive has good reason to resign from the Company, (iii) the executive dies or becomes disabled, or (iv) because of a change of control of the Company. No amounts will be payable under this Agreement unless Executive's employment with the Company is terminated as described in the preceding sentence. If executive's employment is terminated in accordance with the above, the executive will be entitled to receive the following payments and benefits from the Company, subject to the terms and conditions of the severance agreements:

- Payment of any accrued but unpaid salary from the Company through the date that employment terminates;

- Payment of any bonus that has been approved by the Compensation Committee of the Board but which remains unpaid as of termination of employment;
- Reimbursement for any expenses that the executive incurred on behalf of the Company prior to termination of employment to the extent that such expenses are reimbursable under the Company's standard reimbursement policies;
- Payment for the cost of continued health plan coverage for the executive and his qualified beneficiaries through the term of the agreement;
- Payment for any benefits or payments that the executive is entitled to receive under any employee benefit plans or other arrangements or agreements that cover executive;
- Nonvested phantom shares or restricted stock, stock options and other stock-based awards will become automatically vested on the date of the executive's termination of employment;
- Indemnification if certain liabilities are incurred by the executive pursuant to Internal Revenue Code Section 4999; and
 - A severance benefit equal to the amount described in either (i) or (ii) below, as applicable:

- (i) If the Company terminates the executive's employment without Cause within six months before or after a change of control or the executive resigns from the Company within six months after a change of control with Good Reason, the executive will receive a severance benefit equal to three times his "current cash compensation," which shall be equal to one year of the executive's annual base salary from the Company as in effect on the date the executive's employment terminates and the average of the annual cash bonuses, excluding extraordinary bonuses, paid to the executive for the Company's two fiscal years ending before the date the executive's employment with the Company terminates; or
- (ii) If the Company terminates the executive's employment without cause or the executive resigns from the Company with Good Reason, in each case not in connection with a change in control, or if the executive dies or becomes disabled, the severance benefit payable is equal to the executive's current cash compensation multiplied by the quotient of (a) the number of days remaining in the term of the agreement and (b) 365.

The following table presents the potential post-employment payments our named executive officers would be entitled under their severance agreements and assumes that the triggering event took place on December 31, 2012.

2012 Annual Report

The Company's 2012 Annual Report is being mailed to stockholders concurrently with this Proxy Statement. The 2012 Annual Report, however, is not part of the proxy solicitation material. A copy of the Company's Annual Report on Form 10-K as filed with the Securities and Exchange Commission, which includes the Company's consolidated financial statements for the year ended December 31, 2012, is contained in the 2012 Annual Report and is available on the Company's website at www.biminicapital.com. Important Notice Regarding Delivery of Stockholder Documents

In accordance with a notice sent to certain street name stockholders of the Company's voting stock who share a single address, only one copy of this Proxy Statement and the Annual Report is being sent to that address unless we received contrary instructions from any stockholder at that address. This practice, known as "householding," is designed to reduce the Company's printing and postage costs. However, if any stockholder residing at such an address wishes to receive a separate copy of this Proxy Statement or the Annual Report, he, she or it may contact the Company at 3305 Flamingo Drive, Vero Beach, Florida 32963, (772) 231-1400, and the Company will deliver those documents to such stockholder promptly upon receiving the request. Any such stockholder may also contact the Company at the contact information provided above if he, she or it would like to receive separate proxy statements and annual reports in the future. If you are receiving multiple copies of the Annual Report and Proxy Statement, you may also request householding in the future by contacting the Company's corporate secretary.

Other Matters; Adjournments

So far as is known, no matters other than those described herein are expected to come before the 2014 Annual Meeting of Stockholders. It is intended, however, that the proxies solicited hereby will be voted on any other matters which may properly come before the meeting, or any adjournment or postponement thereof, in the discretion of the person or persons voting such proxies unless the stockholder has indicated on the Proxy Card that the shares represented thereby are not to be voted on such other matters. Adjournments may be made for the purpose of, among other things, soliciting additional proxies. Any adjournment may be made from time to time by approval of the holders of a majority of the shares present in person or by proxy at the Annual Meeting (whether or not a quorum exists) without further notice other than by an announcement made at the Annual Meeting. If the Annual Meeting is adjourned or postponed for any reason, all proxies will be voted at the reconvened Annual Meeting in the same manner as such proxies would have been voted at the original convening of the Annual Meeting (except for proxies that have, at that time, effectively been revoked or withdrawn). The Company does not currently intend to seek an adjournment of the Annual Meeting.
