SECTION 5 – CORPORATE GOVERNANCE AND MANAGEMENT

Item 5.03 Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.

On December 12, 2006, Washington Mutual, Inc. (“WMI”) filed Articles of Amendment with the Washington Secretary of State for the purpose of amending its Articles of Incorporation to establish the preferences, limitations, voting powers and relative rights of its Series L Perpetual Non-cumulative Fixed-to-Floating Rate Preferred Stock, no par value and with a liquidation preference of \$1,000,000 per share. The Articles of Amendment became effective with the Washington Secretary of State upon close of business on December 12, 2006. A copy of the Articles of Amendment is attached hereto as Exhibit 4.1 and is incorporated herein by reference.

SECTION 8 – OTHER EVENTS

Item 8.01 Other Events

REIT Preferred Offering

On December 13, 2006, Washington Mutual Preferred Funding Trust II, a Delaware statutory trust ("WaMu Delaware II"), closed the sale of \$500,000,000 of its Fixed-to-Floating Rate Perpetual Non-cumulative Preferred Securities, liquidation preference \$100,000 per security (the "Trust Securities").

In addition, on December 13, 2006, Washington Mutual Preferred Funding LLC, a Delaware limited liability company ("WaMu LLC"), closed the sale of \$500,000,000 of WaMu LLC's Fixed-to-Floating Rate Perpetual Non-cumulative Preferred Securities, Series 2006-C, liquidation preference \$1,000 per security (the "Series 2006-C WaMu LLC Preferred Securities") to WaMu LLC.

WaMu Delaware II offered and sold the Trust Securities in reliance on Rule 144A under the U.S. Securities Act of 1933, as amended (the "Securities Act") and only to persons who are "qualified institutional buyers" within the meaning of Rule 144A and "qualified purchasers" within the meaning of Section 2(a)(51) of the U.S. Investment Company Act of 1940, as amended.

WaMu Delaware II used the proceeds of its offering to purchase from Washington Mutual Bank ("WMB") a corresponding amount of the Series 2006-C WaMu LLC Preferred Securities.

University Street, Inc., an indirect subsidiary of WMB, owns 100% of WaMu LLCs common, voting securities. As a result, WaMu LLC is an indirect subsidiary of WMB and will be consolidated in accordance with generally accepted accounting principles applicable in the United States. Management of WMI has concluded that its consolidated ownership of WaMu LLC should be characterized as a minority interest on WMI's and WMB's respective balance sheets. For purposes of Financial Accounting Standards Board Interpretation No. 46R, WMI has concluded that neither WaMu LLC nor WaMu Delaware II should be consolidated entities on WMI's or WMB's respective balance sheets.

WMI intends to use the proceeds it received in connection with the offering for general corporate purposes, which may include repurchases of shares of its publicly traded common stock. Such repurchases would be effected in accordance with WMI's existing common stock repurchase program, and may be made in the open market, through block trades, accelerated share repurchases, private transactions, or otherwise.

WMB has received confirmation from the Office of Thrift Supervision (the "OTS") that the Series 2006-C WaMu LLC Preferred Securities are eligible for treatment as core capital of WMB under the OTS' applicable regulatory capital regulations and intends to treat the Series 2006-C WaMu LLC Preferred Securities accordingly.

If the OTS so directs following the occurrence of an Exchange Event (defined below), each Trust Security will be automatically exchanged for a like amount of fixed-to-floating rate depository shares representing a 1/1000th of a share of specified classes of preferred stock (the "WMI Preferred Stock") of WMI. "Exchange Event" means (a) WMB becoming "undercapitalized" under the OTS' "prompt corrective action" regulations, (b) WMB being placed into conservatorship or receivership or (c) the OTS, in its sole discretion, directing such exchange in anticipation of WMB becoming "undercapitalized" in the near term or taking supervisory action that limits the payment of dividends, as applicable, by WMB, and in connection therewith, directs such exchange.

In connection with the closing of the transactions described above, on December 13, 2006, WMI entered into a Replacement Capital Covenant (the "Covenant") whereby WMI agreed for the benefit of certain debt holders that it would not repurchase or redeem the Series 2006-C WaMu LLC Preferred Securities, the Trust Securities or the WMI Preferred Stock (including any depository shares representing WMI Preferred Stock) unless such repurchase or redemption is made from proceeds of certain qualifying securities issuances and on other terms and conditions described in the Covenant. A copy of the Covenant is attached hereto as Exhibit 99.1 and is incorporated herein by reference.

Series K Preferred Stock Replacement Capital Covenant

Attached hereto as Exhibit 99.2 is the Replacement Capital Covenant entered into by WMI in connection with WMI's issuance on September 18, 2006 of 500 shares of its Series K Perpetual Non-Cumulative Floating Rate Preferred Stock, \$1,000,000 liquidation preference per share.
