**GOL Enters Interline Agreement with Aerolineas Argentinas**

**São Paulo, July 16, 2007** GOL Linhas Aéreas Inteligentes S.A. (NYSE: GOL and Bovespa: GOLL4), the parent company of Brazil's low-cost airlines GOL Transportes Aéreos S.A. (GTA), that operates the GOL brand) and VRG Linhas Aéreas S.A. (VRG), that operates the VARIG brand), has entered into an interline agreement with Aerolineas Argentinas.

Passengers traveling on Aerolineas Argentinas will be able to purchase tickets through the airline or participating travel agencies for all 58 destinations served by GOL in Brazil and South America.

This is the third interline agreement GOL has entered into international carriers in 2007. North American-based Continental and Delta airlines all currently sell GOL tickets through their reservation systems. GOL does not sell tickets for partner airlines' flights. In addition to these interlines, GOL maintains a code-share agreement with Panamanian-based Copa Airlines since August 2005.

The agreement gives Aerolineas Argentinas' passengers access to GOL's integrated route network and low fares, while also increasing the overall market reach for both airlines, says Wilson Maciel Ramos, Vice-President of Planning and Information Technology at GOL.
