## COMPANHIA BRASILEIRA DE DISTRIBUIÇÃO

### MATERIAL FACT

Companhia Brasileira de Distribuição ( CBD ), in order to comply with the terms of article 157, §4º, of Law No. 6.404/76 and with the Brazilian Securities Commission Rule ( Instrução CVM ) No. 358/02, hereby informs that a final Award has been rendered on April 29, 2008 by the Arbitral Tribunal formed under the rules of Fundação Getúlio Vargas in Rio de Janeiro (FGV-RJ), in connection with the arbitration proceeding brought by Sendas S.A. ( Sendas ) against CBD and Sé Supermercados S.A. ( Sé ), with respect to the dispute over the alleged right of Sendas to exercise a put option of its shares in Sendas Distribuidora S.A. based on the agreements entered into between the controlling shareholders of CBD and Sendas and in the alleged change of control of CBD resulting from the association between the controlling shareholders of CBD and the Casino group, which took place in 2005.

The Arbitral Tribunal decided, favorably to CBD, that the association with the Casino group in 2005 did not result in a change of control of CBD. Accordingly, the requests made by Sendas in the arbitration proceeding were denied, in particular the request for recognition of its alleged right to exercise the put option of its shares in Sendas Distribuidora S.A.

São Paulo, May 05, 2008

**FORWARD-LOOKING STATEMENTS**

This press release may contain forward-looking statements. These statements are statements that are not historical facts, and are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.
