FPSO lease for Tupi Nordeste Field

Rio de Janeiro, June 1, 2010 Petróleo Brasileiro S.A. - Petrobras announces that, as operator of the consortium responsible for the development of block BM-S-11, has signed a Letter Of Intent (LOI) with SBM Offshore N.V. (SBM) and Queiroz Galvão Óleo e Gás S.A. (QGOG), for the construction of a FPSO that will operate the second pilot project in Tupi, in the pre-salt region of the Santos Basin.

The FPSO will be installed in Tupi Nordeste area, located at nearly 265 kilometers offshore in 2,130 meters of water and 18 kilometers from the original Tupi discovery. The FPSO will have production capacity of 120,000 bpd of light crude oil and up to 5,000,000 m³/d of natural gas, and will be operated by the companies responsible for its construction and chartered by the consortium for a 20-year period.

Block BM-S-11 is operated by Petrobras (65%), in partnership with BG E&P do Brasil Ltda. (25%), and Petrogal Brasil/Galp Energia (10%).

The project schedule foresees delivery of the FPSO in 34 months from LOI execution date. The contracts will be signed in the next couple of days.

FORWARD-LOOKING STATEMENTS

This press release may contain forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended (Securities Act), and Section 21E of the Securities Exchange Act of 1934, as amended (Exchange Act) that are not based on historical facts and are not assurances of future results. These forward-looking statements are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.

All forward-looking statements are expressly qualified in their entirety by this cautionary statement, and you should not place reliance on any forward-looking statement contained in this press release. We undertake no obligation to publicly update or revise any forward-looking statements, whether as a result of new information or future events or for any other reason.
