Item 7.01 Regulation FD Disclosure.

On August 16, 2005, the Company issued a press release announcing the repurchase of two million shares pursuant to an accelerated share repurchase transaction with Goldman, Sachs & Co. Subject to a price adjustment provision, the initial price paid per share was \$49.10 for an aggregate payment of approximately \$98 million. The repurchased shares are subject to a future contingent-purchase price adjustment expected to be settled during the third quarter of 2005. The purchase price adjustment will be based upon the volume weighted average price during the actual repurchase period and is subject to certain provisions that establish a floor and a cap. The Company does not expect that the purchase price adjustment will be material. The common shares repurchased were placed into treasury to be used for general corporate purposes. The purchase price adjustment will be reflected in the treasury stock line on the Company's balance sheet. A copy of this press release is attached hereto as Exhibit 99.
