Item 2.02 Results of Operations and Financial Condition.

On Friday, May 5, 2006 the Company disseminated a press release, attached as Exhibit A, announcing the Company's operational results for the First Quarter ending March 31, 2006 and the declaration of a quarterly cash dividend of six cents (\$0.06) per share on the Company's common stock, payable on May 26, 2006 to shareholders of record at the close of business on May 12, 2006.

As part of the press release there is a bridge of non-GAAP financial measurement of EBITDA (Earnings Before Interest, Taxes, Depreciation and Amortization) to reported net income. It is shown below the disclosure of the GAAP figures for Operating Income, Net Income and Diluted earnings per share. This reconciliation of EBITDA to Net Income is for the Three Months Ended March 31, 2006 and March 31, 2005.

The Company believes, however, that EBITDA is an important term and concept because of its use by the professional investment community, including the Company's primary lenders. The Company believes the use of this Term is necessary to a proper understanding of the changes in the Company's earnings.
