Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

Under the employment agreements with each of the Company's named executive officers, a portion of the officer's annual bonus opportunity will be determined based on the extent to which the Company meets certain financial performance goals established by the Compensation Committee of the Board of Directors of the Company (the "Committee").

On December 8, 2006, the Committee determined that the financial performance goals that will be used to determine each executive officer's entitlement to the Company performance component of his bonus for 2007 will be target amounts of operating cash flow, defined as cash received from operations, less capital expenditures.
