Item 1.01 Entry into a Material Definitive Agreement.

On September 14, 2007, we and our Operating Partnership, U-Store-It, L.P., entered into a credit agreement with Wachovia Bank, National Association, as agent, for a \$50 million term credit facility (the "Credit Facility"). Borrowings under the Credit Facility will be used to finance a portion of the purchase price for certain of the self-storage facilities we today acquired from Rising Tide Development, LLC, as discussed under Item 8.01 below. Eight of those self-storage facilities were acquired by YSI RT LLC, a wholly-owned subsidiary of our Operating Partnership, and our Operating Partnership has pledged all of its ownership interests in YSI RT LLC as collateral for the Credit Facility.

We, along with U-Store-It Mini Warehouse Co., YSI Management LLC, and YSI RT LLC, each our direct or indirect subsidiary, serve as the guarantors for repayment of the funds borrowed by the Operating Partnership under the Credit Facility.

The description of the material terms and conditions of the Credit Facility set forth in Item 2.03 below is incorporated herein by reference.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

On September 14, 2007, we and our Operating Partnership entered into the Credit Facility with Wachovia Capital Markets, LLC, as lead arranger and book manager, Wachovia Bank, National Association, as administrative agent, and the financial institutions initially signatory thereto and their assignees (the "Credit Agreement"). Pursuant to the Credit Facility, the lenders have agreed to extend to us term loans in the aggregate principal amount of up to \$50 million. Each term loan matures on November 20, 2009, subject to extension in the sole discretion of the lenders. Each term loan bears interest at either an alternative base rate or a Eurodollar rate, at our option, in each case plus an applicable margin based on our leverage ratio or our credit rating. The alternative base interest rate is a fluctuating rate equal to the higher of the prime rate or the sum of the federal funds effective rate plus 50 basis points. The applicable margin for the alternative base rate will vary from 0.00% to 0.50% depending on our leverage ratio prior to achieving an investment grade rating, and will vary from 0.00% to 0.25% depending on our credit rating after achieving an investment grade rating. The Eurodollar rate is a rate of interest that is fixed for interest periods of one, two, three or six months based on the LIBOR rate determined two business days prior to the commencement of the applicable interest period. The applicable margin for the Eurodollar rate will vary from 1.00% to 1.50% depending on our leverage ratio prior to achieving an investment grade rating, and will vary from 0.425% to 1.00% depending on our credit rating after achieving an investment grade rating. After achieving an investment grade rating, we could also secure borrowings under bid rate loans at rates offered by lenders or a Eurodollar rate plus the applicable margin described in the preceding sentence based on our credit rating.

As indicated under Item 1.01 above, the principal purpose of the Credit Facility is to finance a portion of the purchase price for certain of the self-storage facilities we acquired today from Rising Tide Development, LLC. On September 14, 2007, we borrowed \$47.4 million under the Credit Facility on the terms set forth in the Credit Agreement. As indicated under Item 1.01 above, the term loans extended under the Credit Facility are secured by a pledge by our Operating Partnership of all equity interests in YSI RT LLC, the wholly-owned subsidiary of the Operating Partnership that acquired eight of the self-storage facilities purchased from Rising Tide Development, LLC.

The Credit Facility contains customary affirmative, negative and financial covenants, representations, warranties and borrowing conditions, including, without limitation, the following financial covenants, all of which we currently are in full compliance with:

- Maximum total indebtedness to total asset value of 65%;
- Maximum floating rate indebtedness to total indebtedness of 35%;
- Minimum unencumbered interest coverage ratio of 2.0:1.0;
- Minimum unencumbered pool property value of \$400,000,000;
- Minimum fixed charge coverage ratio of 1.6:1.0; and
- Minimum tangible net worth of \$673,234,400, plus 75% of the net proceeds of all equity issuances after September 30, 2006.

In addition, for periods ending on or after December 31, 2008, we are restricted from paying distributions on our common shares that would exceed an amount equal to the greater of (i) 95% of our funds from operations or (ii) such amount as may be necessary to maintain our REIT status.

The foregoing description of the Credit Facility is qualified in its entirety by the full terms and conditions of the Credit Agreement, a copy of which has been filed as Exhibit 10.1 to this Current Report on Form 8-K and is attached herein.

Item 8.01 Other Events.

We announced today the completion of the acquisition of 14 self-storage facilities from Rising Tide Development, LLC for approximately \$121 million and the resolution of the disputes with members of the Amsdell family, including voluntary dismissal, with prejudice, of all litigation with Rising Tide Development, LLC and members of the Amsdell family. A copy of the press release announcing the foregoing is attached to this Current Report on Form 8-K as Exhibit 99.1 and is attached herein.
