On December 11, 2008, Group 1 Automotive, Inc. (the "Company") announced the renewal of its credit arrangement with Ford Motor Credit Company (the "FMCC Facility") providing \$300 million in vehicle inventory financing. The FMCC Facility provides financing for our new vehicle inventory manufactured by Ford Motor Company and its affiliates. The FMCC Facility, the terms of which are subject to review annually, provides for up to \$300 million of financing for inventory at an interest rate equal to Prime plus 150 basis points minus certain incentives.

All of our Ford and Lincoln Mercury dealership subsidiaries are obligors under the FMCC Facility. The Company and each of our Ford and Lincoln Mercury dealership subsidiaries guarantees the obligations of each other subsidiary party thereto. Our obligations under the FMCC Facility are secured by liens on all motor vehicle inventory financed under the FMCC Facility, as well as proceeds from the sale thereof. The FMCC Facility also contains events of default, including non-payment of obligations. The individual loan agreements to which each subsidiary borrower is a party are cross-defaulted to each other and our Revolving Credit Facility. Upon the occurrence of an event of default, we could be required to immediately repay the amount outstanding under the FMCC Facility.
