INFORMATION CONTAINED IN THIS FORM 6-K REPORT

Attached to this Report on Form 6-K as Exhibit 1 is a copy of the press release issued by Euroseas Ltd. (the "Company") on May 27, 2008 that announces to the delivery of its 16th vessel.

EXHIBIT 1

Euroseas Ltd. Takes Delivery of its 16th Vessel

Maroussi, Athens, Greece May 27, 2008 Euroseas Ltd. (NASDAQ: ESEA), an owner and operator of drybulk and container carrier vessels and provider of seaborne transportation for drybulk and containerized cargoes, announced today that it has taken delivery of the M/V Maersk Noumea, an intermediate container ship of 34,677 dwt and 2,556 twenty foot equivalent units (teu) built in 2001 in South Korea. As previously disclosed, the vessel was acquired for \$43.5 million and comes with a period charter attached with a major container liner company at \$16,800 per day until August 2011 with charterer's options to extend the charter for three additional years at \$18,735, \$19,240 and \$19,750 per day, respectively.

Approximately 100% of Euroseas total containership fleet days in 2008 and about 47% for 2009 are fixed under period charters. Overall, including the Company's dry bulk fleet, about 92% of the total fleet days in 2008 and about 34% in 2009 are covered under period charters, already concluded spot charters, or, otherwise protected from market fluctuations.

Forward Looking Statement

This press release contains forward-looking statements (as defined in Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended) concerning future events and the Company's growth strategy and measures to implement such strategy; including expected vessel acquisitions and entering into further time charters. Words such as expects, intends, plans, believes, anticipates, hopes, variations of such words and similar expressions are intended to identify forward-looking statements. Although the Company believes that the expectations reflected in such forward-looking statements are reasonable, no assurance can

be given that such expectations will prove to have been correct. These statements involve known and unknown risks and are based upon a number of assumptions and estimates that are inherently subject to significant uncertainties and contingencies, many of which are beyond the control of the Company. Actual results may differ materially from those expressed or implied by such forward-looking statements. Factors that could cause actual results to differ materially include, but are not limited to changes in the demand for dry bulk vessels and container ships, competitive factors in the market in which the Company operates; risks associated with operations outside the United States; and other factors listed from time to time in the Company's filings with the Securities and Exchange Commission. The Company expressly disclaims any obligations or undertaking to release publicly any updates or revisions to any forward-looking statements contained herein to reflect any change in the Company's expectations with respect thereto or any change in events, conditions or circumstances on which any statement is based.
