IMPORTANT INFORMATION ABOUT THE ANNUAL MEETING AND VOTING

Why is the Company soliciting my proxy?

The Board of Directors of Cleveland BioLabs, Inc. (the “Board”) is soliciting your proxy to vote at the 2016 Annual Meeting of Stockholders to be held at the Company’s headquarters located at 73 High Street, Buffalo, New York 14203, on April 14, 2016, at 10:00 a.m., Eastern Time, and any adjournments or postponements of the meeting, which we refer to as the Annual Meeting. The proxy statement along with the accompanying Notice of Annual Meeting of Stockholders summarizes the purposes of the meeting and the information you need to know to vote at the Annual Meeting.

We have made available to you this proxy statement, the Notice of Annual Meeting of Stockholders, the proxy card, and a copy of our Annual Report on Form 10-K for the fiscal year ended December 31, 2015 because you owned shares of Cleveland BioLabs, Inc. common stock on February 12, 2016, the record date. The Company intends to commence distribution of the proxy materials to stockholders on or about March 4, 2016.

Who can vote?

Only stockholders who owned our common stock at the close of business on February 12, 2016 (the “record date”) are entitled to vote at the Annual Meeting. On the record date, there were 10,987,166 shares of our common stock outstanding and entitled to vote. Our common stock is our only class of voting stock.

You do not need to attend the Annual Meeting to vote your shares. Shares represented by valid proxies, received in time for the Annual Meeting and not revoked prior to the Annual Meeting, will be voted at the Annual Meeting. For instructions on how to change or revoke your proxy, see “May I change or revoke my proxy?” below.

Who can attend the Annual Meeting?

All stockholders as of the record date, or their duly appointed proxies, may attend the Annual Meeting. Seating will be limited.

What do I need to present for admission to the Annual Meeting?

You will need to present proof of your record or beneficial ownership of common stock, such as a bank or brokerage account statement, and a form of personal identification to be admitted to the Annual Meeting.

No cameras, recording equipment, electronic devices, large bags, briefcases or packages will be permitted in the Annual Meeting.

How many votes do I have?

Each share of our common stock that you own entitles you to one vote.

How do I vote?

Whether you plan to attend the Annual Meeting or not, we urge you to vote by proxy. All shares represented by valid proxies that we receive through this solicitation, and that are not revoked, will be voted in accordance with your instructions on the proxy card or as instructed via Internet. You may specify whether your shares should be voted for or against all, some or none of the nominees for director and whether your shares should be voted for, against or abstain with respect to each of the other proposals. If you properly submit a proxy without giving specific voting instructions, your shares will be voted in accordance with the Board’s recommendations as noted below. Voting by proxy will not affect your right to attend the Annual Meeting. If your shares are registered directly in your name through our stock transfer agent, Continental Stock Transfer & Trust Company, or you have stock certificates registered in your name, you may vote:

•

Edgar Filing: CLEVELAND BIOLABS INC - Form DEF 14A

By Internet. Follow the instructions included in the Notice or the proxy card included with a paper copy of the proxy statement to vote by Internet.

By mail (if you received a paper copy of the proxy materials by mail). Please sign, date and promptly mail the enclosed proxy card in the postage-paid envelope that has been provided to you.

2

Table of Contents

In person at the meeting. If you attend the Annual Meeting, you may deliver a completed proxy card in person or you may vote by completing a ballot, which will be available at the meeting.

Internet voting facilities for stockholders of record will be available 24-hours a day and will close at 7:00 p.m. Eastern Time on April 13, 2016.

If your shares are held in “street name” (held in the name of a bank, broker or other holder of record), you will receive instructions from the holder of record. You must follow the instructions of the holder of record in order for your shares to be voted. Internet voting also may be offered to stockholders owning shares through certain banks and brokers. If your shares are not registered in your own name and you plan to vote your shares in person at the Annual Meeting, you should contact your broker or agent to obtain a legal proxy or broker’s proxy card and bring it to the Annual Meeting in order to vote.

What is the difference between holding shares as a stockholder of record and as a beneficial owner?

If your shares are registered directly in your name with our transfer agent, Continental Stock Transfer & Trust Company, you

are considered, with respect to those shares, a “stockholder of record” and the Notice has been sent directly to you by us.

If your shares are held in a stock brokerage account or by a bank or other holder of record, you are considered the “beneficial owner” of shares held in “street name” and the Notice has been forwarded to you by your broker, bank or other holder of record who is considered, with respect to those shares, the stockholder of record. As the beneficial owner, you have the right to direct your broker, bank or other holder of record on how to vote your shares by using the Notice or the voting instruction card included with a paper copy of the proxy statement or by following their instructions for voting on the Internet.

Have other candidates been nominated for election as directors at the Annual Meeting?

No.

How does the Board recommend that I vote on the proposals?

The Board recommends that you vote as follows:

•“FOR” the election of the nominees for director;

•“FOR” the ratification of the selection of Meaden & Moore, Ltd. as our independent registered public accounting firm for our fiscal year ending December 31, 2016;

•“FOR” the compensation of our named executive officers, as disclosed in this proxy statement (advisory vote);

•“FOR” the amendment to the Restated Certificate of Incorporation to (a) allow for the removal of any director by the majority of the shares then entitled to vote, (b) allow for a stockholder owning 10% or more of the Company’s issued and outstanding shares to call a special meeting of the Company’s stockholders, and (c) render inapplicable Section 203 of the Delaware General Corporation Law;

If any other matter is presented at the Annual Meeting, your proxy provides that your shares will be voted by the proxy holder listed in the proxy in accordance with his best judgment. At the time this proxy statement was first made available, we knew of no matters that needed to be acted on at the Annual Meeting, other than those discussed in this proxy statement.

May I change or revoke my proxy?

If you give us your proxy, you may change or revoke it at any time before the Annual Meeting. You may change or revoke your proxy in any one of the following ways:

by signing a new proxy card with a date later than your previously delivered proxy and submitting it as instructed above;

by re-voting by Internet as instructed above;

by notifying the Secretary of the Company in writing before the Annual Meeting that you have revoked your proxy;
or

by attending the Annual Meeting in person and voting in person. Attending the Annual Meeting in person will not in and of itself revoke a previously submitted proxy. You must specifically request at the Annual Meeting that it be revoked.

Your most current vote, whether by Internet or proxy card is the one that will be counted.

Table of Contents

What if I receive more than one proxy card?

You may receive more than one proxy card if you hold shares of our common stock in more than one account, which may be in registered form or held in street name. Please vote in the manner described above under “How do I vote?” for each account to ensure that all of your shares are voted.

Will my shares be voted if I do not vote?

If your shares are registered in your name or if you have stock certificates, they will not be counted if you do not vote as described above under “How do I vote?” If your shares are held in street name and you do not provide voting instructions to the bank, broker or other nominee that holds your shares as described above, the bank, broker or other nominee that holds your shares has the authority to vote your non-voted shares only on the ratification of the appointment of our independent registered public accounting firm (Proposal 2 of this proxy statement) without receiving instructions from you. Therefore, we encourage you to provide voting instructions to your bank, broker or other nominee. This ensures your shares will be voted at the Annual Meeting and in the manner you desire.

A “broker non-vote” will occur if your broker cannot vote your shares on a particular matter because it has not received instructions from you and does not have discretionary voting authority on that matter or because your broker chooses not to vote on a matter for which it does have discretionary voting authority.

Table of Contents

What vote is required to approve each proposal and how are votes counted?

Proposal 1: Elect Directors The nominees for director who receive the most votes (also known as a “plurality” of the votes cast) will be elected. You may vote either FOR all of the nominees, WITHHOLD your vote from all of the nominees or WITHHOLD your vote from any one or more of the nominees. Votes that are withheld will not be included in the vote tally for the election of the directors. Brokerage firms do not have authority to vote customers’ non-voted shares held by the firms in street name for the election of the directors. As a result, any shares not voted by a customer will be treated as a broker non-vote. Such broker non-votes will have no effect on the results of this vote.

Proposal 2: Ratify Selection of Independent Registered Public Accounting Firm The affirmative vote of a majority of the shares cast affirmatively or negatively for this proposal is required to ratify the selection of our independent registered public accounting firm. Abstentions will have no effect on the results of this vote. Brokerage firms have authority to vote customers’ non-voted shares held by the firms in street name on this proposal. If a broker does not exercise this authority, such broker non-votes will have no effect on the results of this vote. We are not required to obtain the approval of our stockholders to select our independent registered public accounting firm. However, if our stockholders do not ratify the selection of Meaden & Moore, Ltd. as our independent registered public accounting firm for 2016, our Audit Committee of our Board will reconsider its selection.

Proposal 3: Approve an Advisory Vote on the Compensation of our Named Executive Officers The affirmative vote of a majority of the shares cast affirmatively or negatively for this proposal is required to approve, on an advisory basis, the compensation of our named executive officers, as described in this proxy statement. Abstentions will have no effect on the results of this vote. Brokerage firms do not have authority to vote customers’ non-voted shares held by the firms in street name on this proposal. As a result, any shares not voted by a customer will be treated as a broker non-vote. Such broker non-votes will have no effect on the results of this vote. Although the advisory vote is non-binding, the Board will review the voting results and take them into consideration when making future decisions regarding executive compensation.

Proposal 4: Approve an amendment to the Restated Certificate of Incorporation to allow for the removal of any director by the majority of the shares then entitled to vote The affirmative vote of a majority of the shares of our common stock outstanding as of the close of business on the record date is required to approve an amendment to the Restated Certificate of Incorporation to allow for the removal of any director by the majority of the shares then entitled to vote. Abstentions will have the same effect as a vote “AGAINST” the proposal. Brokerage firms do not have authority to vote customers’ non-voted shares held by the firms in street name on this proposal. As a result, any shares not voted by a customer will be treated as a broker non-vote. Such broker non-votes will have the same effect as a vote “AGAINST” the proposal.

Proposal 5: Approve an amendment to the Restated Certificate of Incorporation to allow for a stockholder owning 10% or more of the Company’s issued and outstanding shares to call a special The affirmative vote of a majority of the shares of our common stock outstanding as of the close of business on the record date is required to approve an amendment to the Restated Certificate of Incorporation to allow a stockholder owning 10% or more of the Company’s issued and outstanding shares to call a special meeting of the Company’s stockholders. Abstentions will have the same effect as a vote “AGAINST” the proposal. Brokerage firms do not have authority to vote customers’ non-voted shares held by the firms in street name on this proposal. As a result, any shares not voted by a customer will be treated as a broker non-vote. Such broker non-votes will have the same effect as a vote “AGAINST” the

meeting of the Company's proposal.
stockholders

Proposal 6: Approve an amendment to the Restated Certificate of Incorporation to render inapplicable Section 203 of the Delaware General Corporation Law

The affirmative vote of a majority of the shares of our common stock outstanding as of the close of business on the record date is required to approve an amendment to the Restated Certificate of Incorporation to render inapplicable Section 203 of the Delaware General Corporation Law. Abstentions will have the same effect as a vote "AGAINST" the proposal. Brokerage firms do not have authority to vote customers' non-voted shares held by the firms in street name on this proposal. As a result, any shares not voted by a customer will be treated as a broker non-vote. Such broker non-votes will have the same effect as a vote "AGAINST" the proposal.

Attending the Annual Meeting

The Annual Meeting will be held at 10:00 a.m., Eastern Time, on April 14, 2016 at the Company's headquarters located at 73 High Street, Buffalo, New York 14203. When you arrive at the Company's headquarters, signs will direct you to the appropriate meeting rooms. You need not attend the Annual Meeting in order to vote.

Householding of annual disclosure documents

SEC rules concerning the delivery of annual disclosure documents allow us or your broker to send a single set of our proxy materials to any household at which two or more of our stockholders reside, if we or your broker believe that the stockholders are members of the same family. This practice, referred to as "householding," benefits both you and us. It reduces the volume of duplicate information received at your household and helps to reduce our expenses. The rule applies to our annual reports, proxy statements and information statements. Once you receive notice from your broker or from us that communications to your address will be "household," the practice will continue until you are otherwise notified or until you revoke your consent to the practice. Stockholders who participate in householding will continue to have access to and utilize separate proxy voting instructions.

If your household received a single set of proxy materials this year, but you would prefer to receive your own copy, please contact our transfer agent, Continental Stock Transfer & Trust Company, by calling their toll free number, 1-866-894-0537 and we will promptly deliver a separate copy to you.

If you do not wish to participate in "householding" and would like to receive your own set of proxy materials in future years, follow the instructions described below. Conversely, if you share an address with another stockholder of CBLI and together both of you would like to receive only a single set of proxy materials, follow these instructions:

If your shares are registered in your own name, please contact our transfer agent, Continental Stock Transfer & Trust Company, and inform them of your request by calling them at 1-866-894-0537 or writing them at 17 Battery Place, 8th Floor, New York, New York 10004, Attn: Proxy Department.

If a broker or other nominee holds your shares, please contact the broker or other nominee directly and inform them of your request. Be sure to include your name, the name of your brokerage firm and your account number.

Electronic Delivery of Company Stockholder Communications

Most stockholders can elect to view or receive copies of future proxy materials over the Internet instead of receiving paper copies in the mail.

You can choose this option and save the Company the cost of producing and mailing these documents by Continental Stock Transfer & Trust Company:

following the instructions provided on your proxy card;

following the instructions provided when you vote over the Internet; or

going to <http://www.cstproxy.com/cbiolabs/2016> and following the instructions provided.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table sets forth certain information with respect to the beneficial ownership of our common stock as of February 12, 2016 for (a) the executive officers named in the Summary Compensation Table in the section titled “Executive Officer and Director Compensation,” (b) each of our directors and director nominees, and (c) all of our current directors and executive officers as a group and (d) stockholders that beneficially owned more than 5% of our common stock. Beneficial ownership is determined in accordance with the rules of the Securities Exchange Commission and includes voting or investment power with respect to the securities. We deem shares of common stock that may be acquired by an individual or group within 60 days of February 12, 2016 pursuant to the exercise of options or warrants to be outstanding for the purpose of computing the percentage ownership of such individual or group, but are not deemed to be outstanding for the purpose of computing the percentage ownership of any other person shown in the table. Except as indicated in footnotes to this table, we believe that the stockholders named in this table have sole voting and investment power with respect to all shares of common stock shown to be beneficially owned by them based on information provided to us by these stockholders. Percentage of ownership is based on 10,987,166 shares of common stock outstanding on February 12, 2016.

Change of Control of the Company

On July 9, 2015, we closed a private placement transaction with David Davidovich, a venture capital investor, pursuant to which the Company issued and sold to Mr. Davidovich an aggregate of 6,459,948 shares of the Company’s common stock, for an aggregate purchase price of approximately \$25 million, or \$3.87 per share, under the terms of the Securities Purchase Agreement between the Company and Mr. Davidovich, dated June 24, 2015 (the “Davidovich Purchase Agreement”). Under the Davidovich Purchase Agreement, Mr. Davidovich also has the right to nominate for election to the Board a majority of directors until such time when he no longer holds a majority of the issued and outstanding common stock of the Company. As a result of the closing of the issuance and sale of the shares to Mr. Davidovich under the terms of the Davidovich Purchase Agreement, a change of control of the Company occurred, as Mr. Davidovich currently holds approximately 58.8% of our outstanding shares of common stock and has the right to nominate for election to the Board a majority of our directors. Mr. Davidovich funded the purchase of the shares with cash on hand. Mr. Davidovich did not assume control from any one individual stockholder or control group.

Committees of the Board of Directors and Meetings; Independence

The Board has established an Audit Committee. The Audit Committee is comprised entirely of directors who are "independent" as that concept is defined in the corporate governance listing requirements of the NASDAQ Marketplace Rules. The Audit Committee has a written charter that is posted on our website, www.cbiolabs.com, under the link "Investors" and the section therein entitled "Corporate Governance."

Because David Davidovich holds more than 50% of the voting power for the election of our directors, the Company is a "controlled company" within the meaning of the NASDAQ Marketplace Rules, and therefore exempt from a number of corporate governance rules applicable to non-controlled companies. Although we are not required to have a majority of independent directors as a result of our status as a "controlled company," our Board has affirmatively determined that all of our directors are "independent." Mme. Verny and each of Messrs. Antal and McGowan are independent under The NASDAQ Marketplace Rules and the Securities Exchange Act of 1934 (the "Exchange Act") for purposes of serving on the Audit Committee. Each of Mmes. Evdokimova, and Lebedina and Messrs. Persiyarov and Nechaev are independent under such rules for purposes of board service.

Meeting Attendance. The Board has adopted a policy specifying that it is the responsibility of each director to attend all meetings of the Board and all meetings of the committees of the Board on which he or she serves. During the fiscal year ended December 31, 2015, there were sixteen meetings of our Board. No director attended fewer than 75% of the total number of meetings of the Board and of committees of the Board on which he or she served during fiscal year 2015.

The Company does not have a policy regarding director attendance at Annual Meetings of stockholders, however, all directors are encouraged to attend. Two of our directors, Mr. Antal and Mr. McGowan, attended our 2015 Annual Meeting of stockholders.

It is also the policy of the Board to hold executive sessions of non-employee directors at each regularly scheduled Board meeting and, if any of the non-employee directors are not independent, to hold executive sessions of the independent directors at least twice per year. Each of the non-employee directors in fiscal year 2015 was determined by the Board to be independent.

Audit Committee. Our Audit Committee met six times during fiscal year 2015. This committee currently has three members, Messrs. Antal (Chair), Saluck and McGowan. Mr. Saluck's service on the Audit Committee will end on

April 14, 2016, the date of the Annual Meeting of Stockholders, when his current term as a director expires. He is expected to be replaced by Lea Verny.

The Board has determined that Mr. Antal is an “audit committee financial expert,” as the Securities and Exchange Commission has defined that term in Item 407 of Regulation S-K. Please also see the report of the Audit Committee set forth elsewhere in this proxy statement.

The Audit Committee generally has direct responsibility and oversight for our accounting policies and internal controls, financial reporting practices, and legal and regulatory compliance. More specifically, the Audit Committee has responsibility to review and discuss the annual audited financial statements and disclosures with management and our independent registered public accounting firm, or our independent auditor; review the financial statements and disclosures provided in our quarterly and periodic reports with management and the independent auditor; and oversee the external audit coverage, including appointment and replacement of the independent auditor and pre-approval of all audit and non-audit services to be performed by the independent auditor.

Compensation Setting Process. As a “controlled company” under the NASDAQ listing rules, we are not required to, and do not now maintain a compensation committee. Instead, our entire Board is responsible for compensation matters. We believe that this is appropriate because of our “controlled company” status, because a single investor, David Davidovich, holds over 50% of our outstanding shares of common stock, and through his effective voting control of the company and through his ability to designate a majority of the directors nominated to serve on our board, effectively controls the Board.

The full Board determines and approves the compensation level of executive officers based on an evaluation of their performance in light of our goals and objectives. The Board also considers our performance and relative stockholder return, the level and value of similar incentive awards prevalent in the industry, and awards given to executive officers in past years. The Board also has the authority to determine compensation for directors and the form of this compensation. The Board may take action with respect to the adoption, amendment, termination, or replacement of both incentive compensation plans and equity-based plans. The Board has the power to retain professionals to assist in the evaluation of director and executive compensation, and has the sole authority to retain and terminate any such professional and to approve their fees. Neither the Board, nor the Company’s Compensation Committee prior to it being dissolved by the Board to utilize the “controlled company” exemptions, engaged any compensation consultants to determine or recommend the amount or form of any executive or director compensation. The Board may also delegate authority to any committee or subcommittee of directors to evaluate special or unique matters.

Nominating Process. As a “controlled company” under the NASDAQ listing rules, we are not required to, and do not now maintain a nominating and governance committee. Instead, our entire Board is responsible for recommending director candidates for election. We believe that this is appropriate because of our “controlled company” status, because a single investor, David Davidovich, holds over 50% of our outstanding shares of common stock, and through his effective voting control of the Company and through his ability to designate a majority of the directors nominated serve on our Board, effectively controls the election of our directors.

Accordingly, the full Board generally has responsibility for identifying candidates who are eligible under the qualification standards set forth in our Corporate Governance Guidelines and recommending such eligible individuals to serve as members of the Board. In addition, under our current corporate governance policies, the Board may consider candidates recommended by stockholders as well as from other sources such as other directors or officers, third party search firms or other appropriate sources. For all potential candidates, the Board may consider all factors it deems relevant, such as a candidate’s personal integrity and sound judgment, business and professional skills and experience, independence, knowledge of the industry in which we operate, possible conflicts of interest, diversity, the extent to which the candidate would fill a present need on the Board, and concern for the long-term interests of the stockholders. In general, persons recommended by stockholders will be considered on the same basis as candidates from other sources.

If a stockholder wishes to nominate a candidate for director who is not to be included in our proxy statement, it must follow the following procedures, in addition to those described in our Second Amended and Restated By-Laws, and “Proposals of Stockholders” at the end of this proxy statement. The Board considers many factors when considering candidates for the Board and strives for the Board to be comprised of directors with a variety of experiences and backgrounds, who have high-level managerial experience in a complex organization, and who represent the balanced interest of stockholders as a whole rather than those of special interest groups. Other important factors in Board composition include strength of character, mature judgment, specialized expertise, relevant scientific and technical skills, diversity, level of education, broad-based business acumen, experience and understanding of strategy and policy-setting and the extent to which the candidate would fill a present need on the Board. Depending upon the current needs of the Board, we may weigh certain factors more or less heavily than others. The Board believes that it is essential that our Board members represent diverse viewpoints, with a broad array of experiences, skills and backgrounds that, when considered as a group, provide a sufficient mix of perspectives to allow the Board to best

fulfill its responsibilities to the long-term interests of our stockholders.

In considering candidates for the Board, the Board considers the entirety of each candidate's credentials and does not have any specific minimum qualifications that must be met by a Board or stockholder-recommended nominee. However, the Board does believe that all members of the Board should have the highest character and integrity, a reputation for working constructively with others, sufficient time to devote to Board matters, and no conflict of interest that would interfere with their performance as a director. In the case of current directors being considered for renomination, the Board will also take into account the director's history of attendance at meetings of the Board or its committees, the director's tenure as a member of the Board, and the director's preparation for and participation in such meetings.

Table of Contents

The Board considers director candidates from any reasonable source, including stockholder recommendations. The Board does not evaluate candidates differently based on who has made the proposal. The Board has the authority to hire consultants or search firms to assist in the process of identifying and evaluating candidates. Candidates are recommended to the Board after consultation with the Chairman of the Board.

Stockholders who wish to suggest qualified candidates should write to the Office of the Secretary, Cleveland BioLabs, Inc., 73 High Street, Buffalo, New York 14203 specifying the name of the candidates and stating in detail the qualifications of such persons for consideration by the Board. A written statement from the candidate consenting to be named as a candidate and, if nominated and elected, to serve as a director should accompany any such recommendation. Stockholders who wish to nominate a director for election at an annual meeting of stockholders must comply with our Second Amended and Restated By-Laws regarding stockholder proposals and nominations. See “Proposals of Stockholders” contained herein.

Corporate Governance Guidelines

The Board has adopted Corporate Governance Guidelines, which it reviews from time to time, to assist the Board in fulfilling its responsibility to exercise its business judgment in what it believes to be the best interests of our stockholders. The Corporate Governance Guidelines are posted on our website, www.cbiolabs.com, under the link “Investors” and the section therein titled “Corporate Governance.”

Code of Ethics for Senior Executives and Financial Officers, Code of Business Conduct and Ethics for Directors and Code of Conduct

The Board has adopted a Code of Ethics for Senior Executives and Financial Officers that is specifically applicable to executive officers and senior financial officers, including our principal executive officer and principal financial officer. Additionally, the Board has adopted the Code of Business Conduct and Ethics for Directors that is specifically applicable to our directors. Both the Code of Ethics for Senior Executives and Financial Officers and the Code of Business Conduct and Ethics for Directors are posted on our website, www.cbiolabs.com, under the link “Investors” and the section therein titled “Corporate Governance.” We have also adopted a Code of Conduct in order to promote honest and ethical conduct and compliance with the laws and governmental rules and regulations to which we are subject. The Code of Conduct is applicable to all of our employees, officers and directors, and is posted on our website, www.cbiolabs.com, under the link “Investors” and the section therein titled “Corporate Governance.”

Board Leadership Structure

Our Corporate Governance Guidelines describe our policies concerning, among other things, the role of the Board and management, proper Board functions, independence, and committee matters. The positions of Chair of the Board and Chief Executive Officer are currently held by different persons, although we do not have a policy requiring that to be the case. Instead, our Board has the authority to choose its Chair in any way it deems best for us at any given point in time. Accordingly, our Board reserves the right to vest the responsibilities of the Chief Executive Officer and Chair in the same person or in two different individuals depending on what it believes is in our best interest. At this time, our Board has determined that separation of these roles most appropriately suits us. Our current Chair, Mr. McGowan is qualified to serve as our Chair given his expertise with both the pharmaceutical industry and micro-cap companies. Further, our Board believes that this division of roles allows our Chief Executive Officer to focus more of his efforts to achieving the goals and objectives of our strategic plan. Our Board believes that there is no single leadership structure that would be most effective in all circumstances and, therefore, retains the authority to modify our Board’s structure to best address our circumstances as and when appropriate.

Role of Our Board in Risk Oversight

The Board, as a whole and at the committee level, has overall responsibility for overseeing our risks, including general oversight of our executive officers’ management of risks relevant to the Company. A fundamental part of risk oversight is not only understanding the material risks a company faces and the steps management is taking to manage

those risks, but also understanding what level of risk is appropriate for the Company. The involvement of our Board in reviewing our strategic plan is an integral aspect of the Board's assessment of management's tolerance for risk and also its determination of what constitutes an appropriate level of risk for the Company. We believe that having the positions of Chair of the Board and Chief Executive Officer held by different persons currently enhances the Board's ability to effectively manage risk.

The Board also oversees the management of risks relating to our executive compensation and manages risks associated with the independence of the Board and potential conflicts of interest. The Audit Committee oversees our risk policies and processes related to the

quality and integrity of our accounting, auditing and financial reporting practices, including our audited and unaudited financial statements and internal controls. The Audit Committee is also responsible for addressing risks arising from related party transactions.

Transactions and Relationships with Dr. Mikhail Mogutov

During the fiscal year ended December 31, 2015, we entered into an agreement to sell our equity stake in our joint venture Incuron, LLC ("Incuron") to Dr. Mikhail Mogutov, Chairman of Incuron's Board of Directors and founder of BioProcess Capital Ventures ("BCV") and/or his designee. Dr. Mogutov previously held in excess of 5% of the outstanding shares of our common stock. The transaction was split into two tranches, with 75% of the Company's equity stake in Incuron being sold for approximately \$3 million on April 29, 2015, and an option being given to Dr. Mogutov to purchase CBLI's remaining ownership interest in Incuron for approximately \$1 million, which was exercised by his affiliate, BCV, on June 30, 2015. The purchase price was paid in the form of (i) \$2 million in cash received in April 2015, (ii) the transfer of 264,318 shares of CBLI's common stock (the "Mogutov Shares"), to escrow which were to be sold with the net proceeds provided to CBLI, and (iii) \$1 million in cash paid in July 2015. In addition, CBLI assigned its remaining intellectual property relating to Curaxin CBL0137 to Incuron in exchange for a 2% royalty on the future commercialization, licensing or sale of the Curaxin CBL0137 technology. At December 31,

2015, no royalties were due or payable.

We provide services to Incuron in a related party capacity to assist in furthering the development of CBL0137. During the year ended December 31, 2015 Incuron paid CBLI \$881,733 for these services. At December 31, 2015 the Company held \$135,989 in accounts receivable from Incuron.

McGowan, J.D., and Ivan Persiyarov, are currently on our board and are nominees in the current election. Additional nominees that are not currently on our board include: Alexey Nechaev, and Lea Verny. The services of each of Konstantin Gorshkov, Natalia Khudyk, Tatiana Levina, Anthony J. Principi, J.D., Randy S. Saluck, J.D., MBA, and Natalia Saraeva, Yakov Kogan, Ph.D., MBA, and Andrei Gudkov, Ph.D., D. Sci. will end following the expiration of their current terms at the conclusion of our Annual Meeting of Stockholders. We do not plan to fill the vacancies created by the retirement of these directors and the Board of Directors has passed a resolution to decrease the size of the Board of Directors to seven effective immediately following the Annual Meeting.

If elected, the seven nominees for election as directors at our 2016 Annual Meeting of Stockholders will serve for one-year terms expiring at our 2017 Annual Meeting of Stockholders. The Board recommends that the stockholders vote in favor of the election of the nominees named in this proxy statement to serve as our directors. See “Management and Corporate Governance—The Board of Directors” above. Proxies solicited by the Company for the election of directors cannot be voted for a greater number of persons than the number of nominees named in the proxy.

Additionally, James J. Antal, Richard S. McGowan, J.D., and Lea Verny are independent for purposes of serving on the Audit Committee.

Unless authority to vote for any of these nominees is withheld, the shares represented by the enclosed proxy will be voted “FOR” the election as directors of James J. Antal, Anna Evdokimova, Yulia Lebedina, Richard S. McGowan, J.D., Ivan Persiyarov, Alexey Nechaev, and Lea Verny. In the event that any nominee becomes unable or unwilling to serve, the shares represented by the enclosed proxy will be voted for the election of such other person as the Board of Directors may recommend in that nominee’s place. We have no reason to believe that any nominee will be unable or unwilling to serve as a director.

A plurality of the shares voted “FOR” each nominee at the meeting is required to elect each nominee as a director.

THE BOARD OF DIRECTORS RECOMMENDS THE ELECTION OF MR. ANTAL, MS. EVDOKIMOVA, MS. LEBEDINA, MR. MCGOWAN, MR. PERSIYANOV, MR. NECHAEV, AND MS. VERNY, AS DIRECTORS, AND PROXIES SOLICITED BY THE BOARD OF DIRECTORS WILL BE VOTED IN FAVOR OF SUCH APPROVAL UNLESS A STOCKHOLDER INDICATES OTHERWISE ON THE PROXY.

ADVISORY VOTE ON EXECUTIVE COMPENSATION AS DISCLOSED IN THIS PROXY STATEMENT

(Notice Item 3)

We are seeking your advisory vote on the approval of the compensation of our named executive officers as described in the the compensation tables and the narrative discussion contained in this proxy statement. Because your vote is advisory, it will not be binding on our Compensation Committee or our Board. However, the Board will review the voting results and take them into consideration when making future decisions regarding executive compensation. Our current policy is to provide stockholders with an opportunity to approve the compensation of the named executive officers each year at the annual meeting of the stockholders. It is expected that the next such vote will occur at the 2017 annual meeting of the stockholders.

Our compensation philosophy is designed to align each executive's compensation with our short-term and long-term performance and to provide the compensation and incentives needed to attract, motivate and retain key executives who are crucial to our long-term success. Consistent with this philosophy, a significant portion of the total compensation opportunity for each of our executives is directly related to performance factors that measure our progress against the goals of our strategic and operating plans, as well as our performance against that of our peer companies. Furthermore, a significant proportion of our executive compensation is paid in the form of stock options, aligning our executive's interests with those of our stockholders. We believe that our executive compensation is designed to promote the creation of long-term stockholder value and position the Company for long-term success.

In accordance with the rules adopted by the SEC, the following resolution, commonly known as a "say-on-pay" vote, is being submitted for a stockholder vote at the 2016 Annual Meeting:

"RESOLVED, that the compensation paid to the named executive officers of Cleveland BioLabs, Inc., as disclosed pursuant to the compensation disclosure rules of the Securities and Exchange Commission, including the compensation tables and narrative discussion disclosed in the proxy statement, is hereby APPROVED."

The affirmative vote of a majority of the shares cast affirmatively or negatively at the Annual Meeting is required to approve, on an advisory basis, this resolution.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE TO APPROVE THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS, AND PROXIES SOLICITED BY THE BOARD OF DIRECTORS WILL BE VOTED IN FAVOR OF SUCH APPROVAL UNLESS A STOCKHOLDER INDICATES OTHERWISE ON THE PROXY.

APPROVAL OF AMENDMENT TO THE RESTATED CERTIFICATE OF INCORPORATION TO ALLOW FOR THE REMOVAL OF ANY DIRECTOR BY THE MAJORITY OF THE SHARES THEN ENTITLED TO VOTE

(Notice Item 4)

The Proposal

On February 18, 2016, the Board of Directors adopted an amendment to the Company's Restated Certificate of Incorporation, a copy of which is attached as Appendix A hereto. The purpose of the amendment, in part, is to revise ARTICLE SEVENTH of the Restated Certificate of Incorporation to allow for the removal of any director by the majority of the shares then entitled to vote with or without cause. Under the current version of ARTICLE SEVENTH, a director may only be removed by the vote at least two-thirds of the voting power of our common stock, and only for cause. The effect of this amendment will be to make it comparatively easier for our stockholders to remove a director from office because the number of shares that must be voted in favor of such removal will be lower, and good cause for such removal need not be shown.

In addition to the Board's determination that the amendment is in the best interest of the Company and its stockholders, the Company was also contractually obligated under the Davidovich Purchase Agreement to use its best efforts to cause the Restated Certificate to be amended as described in this proposal. However, Mr. Davidovich has no interest in the passage of the amendment other than his interest arising from the ownership of shares of our common stock and, if adopted, Mr. Davidovich will receive no extra or special benefit from the effects of the amendment not shared on a pro rata basis by all other holders of shares of our common stock.

Vote Required for Approval

We are requesting in this Proposal 4 that the stockholders approve this part of the amendment. The affirmative vote of a majority of the shares of our common stock outstanding at the close of business on the record date is required to approve the amendment. Abstaining from voting will have the same effect as a vote "AGAINST" the amendment proposal. Brokerage firms do not have authority to vote customers' non-voted shares held by the firms in street name on this proposal. As a result, any shares not voted by a customer will be treated as a broker non-vote. Such broker non-votes will have the same effect as a vote "AGAINST" the amendment proposal.

APPROVAL OF AMENDMENT TO THE RESTATED CERTIFICATE OF INCORPORATION TO ALLOW FOR A STOCKHOLDER OWNING 10% OR MORE OF THE COMPANY'S ISSUED AND OUTSTANDING SHARES TO CALL A SPECIAL MEETING OF THE COMPANY'S STOCKHOLDERS

(Notice Item 5)

The Proposal

On February 18, 2016, the Board of Directors adopted an amendment to the Restated Certificate of Incorporation, a copy of which is attached as Appendix A hereto. The purpose of the amendment, in part, is to revise ARTICLE NINTH of the Restated Certificate of Incorporation to allow a stockholder owning 10% or more of the Company's issued and outstanding shares to call a special meeting of the Company's stockholders. Under the current version of ARTICLE NINTH, stockholders were specifically prohibited from calling a special meeting of our stockholders, and such power resided only in the Chairman of the Board or the full Board.

In addition to the Board's determination that the amendment is in the best interest of the Company and its stockholders, the Company was also contractually obligated under the Davidovich Purchase Agreement to use its best efforts to cause the Restated Certificate to be amended as described in this proposal. However, Mr. Davidovich has no interest in the passage of the amendment other than his interest arising from the ownership of shares of our common stock and, if adopted, Mr. Davidovich will receive no extra or special benefit from the effects of the amendment not shared on a pro rata basis by all other holders of shares of our common stock.

Vote Required for Approval

We are requesting in this Proposal 5 that the stockholders approve this part of the amendment. The affirmative vote of a majority of the shares of our common stock outstanding at the close of business on the record date is required to approve the amendment. Abstaining from voting will have the same effect as a vote "AGAINST" the amendment proposal. Brokerage firms do not have authority to vote customers' non-voted shares held by the firms in street name on this proposal. As a result, any shares not voted by a customer will be treated as a broker non-vote. Such broker non-votes will have the same effect as a vote "AGAINST" the amendment proposal

APPROVAL OF AMENDMENT TO THE RESTATED CERTIFICATE OF INCORPORATION TO
RENDER INAPPLICABLE SECTION 203 OF THE DELAWARE GENERAL CORPORATION LAW

(Notice Item 6)

The Proposal

On February 18, 2016, the Board of Directors adopted an amendment to the Restated Certificate of Incorporation, a copy of which is attached as Appendix A hereto. The purpose of the amendment, in part, is to render inapplicable Section 203 of the Delaware General Corporation Law. Section 203 provides that an interested stockholder may not engage in specified business combinations with a corporation for a period of three years after the date on which the person became an interested stockholder. An “interested stockholder” is a person who owns 15% or more of the outstanding voting stock of a corporation or a person who is an affiliate or associate of the corporation and, within the preceding three-year period, owned 15% or more of the outstanding voting stock. Delaware law defines the term “business combination” to encompass a wide variety of transactions with, or caused by, an interested stockholder, including mergers, asset sales and transactions in which the interested stockholder receives or could receive a benefit on other than a pro rata basis with other stockholders. This provision of Delaware law has an anti-takeover effect for transactions not approved in advance by the Board, including discouraging takeover attempts that might result in a premium over the market price for shares of our common stock. As a result, under the current version of our Restated Certificate of Incorporation, any person who owns at least 15% of the outstanding shares of our common stock could not pursue a takeover transaction that was not approved by the Board. The amendment, if adopted, will exempt the Company from the applicability of Section 203, although, by the terms of Section 203, the amendment will not be effective until twelve months after the adoption of the amendment.

In addition to the Board’s determination that the amendment is in the best interest of the Company and its stockholders, the Company was also contractually obligated under the Davidovich Purchase Agreement to use its best efforts to cause the Restated Certificate to be amended as described in this proposal. However, Mr. Davidovich has no interest in the passage of the amendment other than his interest arising from the ownership of shares of our common stock and, if adopted, Mr. Davidovich will receive no extra or special benefit from the effects of the amendment not shared on a pro rata basis by all other holders of shares of our common stock. Although Mr. Davidovich meets the definition of an “interested stockholder” under Section 203, because the transaction that resulted in him becoming an “interested stockholder” was approved by the Board, Section 203 would not apply to any subsequent business combinations between the Company and Mr. Davidovich.

Vote Required for Approval

We are requesting in this Proposal 4 that the stockholders approve this part of the Amendment. The affirmative vote of a majority of the shares of our common stock outstanding at the close of business on the record date is required to approve the amendment. Abstaining from voting will have the same effect as a vote “AGAINST” the amendment proposal. Brokerage firms do not have authority to vote customers’ non-voted shares held by the firms in street name on this proposal. As a result, any shares not voted by a customer will be treated as a broker non-vote. Such broker non-votes will have the same effect as a vote “AGAINST” the amendment proposal.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE APPROVAL OF THE AMENDMENT TO
THE RESTATED CERTIFICATE OF INCORPORATION TO RENDER INAPPLICABLE SECTION 203 OF THE
DELAWARE GENERAL CORPORATION LAW.
