### **Continental Airlines to Sell GOL's Tickets for Travel in Brazil and South America**

**Sao Paulo, June 11, 2007** GOL Linhas Aéreas Inteligentes (NYSE: GOL and Bovespa: GOLL4), Brazil's low-cost, low-fare airline, announces an agreement with Continental Airlines whereby passengers flying with Continental will be able to purchase tickets on all routes served by GOL for connections in Brazil and South America.

While the partnership covers all routes served by both airlines, only Continental will be able to sell tickets on GOL flights. This agreement will open a new market for us, especially in the United States. Our partner, Continental, is one of the world's top five airlines and we're proud that this agreement will allow Continental's passengers to also enjoy the benefits of low-cost, low-fare and high quality travel provided by GOL, says Tarcisio Gargioni, GOL's Vice-President of Marketing and Services.

In allowing customers to purchase one ticket for their entire trip, this partnership will save passengers time and money and make traveling easier. Tickets to the 57 destinations served by GOL throughout Brazil and South America, with connections in Sao Paulo (Guarulhos airport) and Rio de Janeiro (Galeão airport), will be available for purchase through Continental and travel agents. GOL will benefit from increased load factors and related revenue.

GOL will honor Continental's baggage allowance of up to two pieces and 32 kilos on connecting flights.
