Mr. Elliott will have the opportunity to earn a discretionary cash bonus and a discretionary bonus in the form of an equity award, each between fifty percent (50%) and one hundred percent (100%) of his base salary in respect of each calendar year in which Mr. Elliott is employed by the Company. The equity bonuses will be in the form of an indexed deferred shares award. Effective as of the date he commences employment with the Company, the employment agreement also provides Mr. Elliott with a one-time initial award of 200,000 restricted shares of common stock of Global Signal Inc.
