Proxy Solicitation

This proxy statement is furnished to stockholders of Seven Arts Entertainment Inc., a Nevada corporation (the “Company”), in connection with our solicitation of proxies for use in voting at our special meeting of stockholders (the “Special Meeting”) to be held on November __, 2012 at 9:00 a.m., local time, at 8439 Sunset Blvd., Suite 402, West Hollywood, CA 90069 or at any adjournment thereof. The purposes of the Special Meeting and the matters to be acted upon are set forth in the accompanying Notice relating to the Special Meeting. Our board of directors (the “Board”) is not currently aware of any other matters that will come before the Special Meeting.

Pursuant to the rules adopted by the Securities and Exchange Commission (the “SEC”), we have elected to provide access to our proxy materials over the Internet. Accordingly, we are sending a Notice of Internet Availability of Proxy Materials (the “Notice”) to our stockholders. All stockholders will have the ability to access the proxy materials on a website referenced in the Notice or request to receive a printed set of the proxy materials. Instructions regarding how to access the proxy materials over the Internet or to request a printed copy may be found on the Notice. In addition, stockholders may request to receive proxy materials in printed form by mail or electronically by email on an ongoing basis.

The Notice was mailed to stockholders, and the proxy materials were first given to stockholders via Internet access, on or about November __, 2012. On or before the time that the Notice was sent to stockholders, all materials identified in the Notice were publicly accessible, free of charge, at the website address specified in the Notice (<http://www.Shareholdermaterial.com/SAPX>) Such materials will remain available on that website for twelve months subsequent to the conclusion of the Special Meeting.

Our officers, agents, and employees may communicate with stockholders, banks, brokerage houses and others by telephone, facsimile or in person to request that proxies be furnished. All expenses incurred in connection with this solicitation will be borne by us.

Voting and Proxy Revocability

If you are a record stockholder, but you do not wish to vote in person or if you will not be attending the Special Meeting, you may vote by proxy. You can vote by proxy over the Internet by following the instructions provided in the Notice. If you are a beneficial owner of shares held in street name, follow the voting instructions provided in the Notice and in any correspondence from the record stockholder.

You may revoke the authority granted by your execution and delivery of a proxy at any time before its effective exercise by delivering to the Company a written notice of revocation or a duly executed proxy bearing a later date, or by voting in person at the Special Meeting. If you deliver an executed proxy, and it is not subsequently revoked, your shares will be voted in the manner you direct on your proxy card. Record Date and Voting Rights

Only stockholders of record at the close of business on October 15, 2012 are entitled to notice of and to vote at the Special Meeting or any adjournment thereof. On October 15, 2012, there were 12,481,654 shares of our common stock outstanding, each of which is entitled to one vote on each of the matters to be presented at the Special Meeting. On October 15, 2012, there were outstanding 125,125 shares of our Series A Preferred Stock and 181,850 shares of our Series B Preferred Stock outstanding, which represent in total 1 6,650,986 (i.e., 119,168 + 16,531,818) votes on each of the matters to be presented at the Special Meeting.

A third of the outstanding shares entitled to vote must be present in person or represented by proxy at the Special Meeting in order to have a quorum for transaction of business. Abstentions and broker non-votes will be counted for purposes of determining the presence or absence of a quorum. "Broker non-votes" are shares held by brokers or nominees which are not voted on a particular matter because instructions have not been received from the beneficial owner. If there is a quorum:

Upon the approval of a majority of the votes cast, the amendment to our Amended Articles of Incorporation to (i) designate 1,000,000 shares of the Company's capital stock as one or more series of preferred shares and 249,000,000 shares of the Company's capital stock as common shares, and (ii) authorize the Board of Directors to increase or decrease the number of shares of common stock of the Company and to reclassify unissued shares of common stock as other forms of capital stock, without stockholder approval will be approved.

Upon the approval of a majority of the votes cast, the Board will be authorized to amend the Company's Revised 2012 Stock Incentive Plan to increase the number of common shares issuable from 71,429 to 15,000,000 shares.

If you are a beneficial holder and do not provide specific voting instructions to your broker, the organization that holds your shares will not be authorized to vote on the proposed reverse split of our common stock. Accordingly, we encourage you to vote promptly, even if you plan to attend the Special Meeting.

PROPOSAL NO. 1 – ADOPTION OF AMENDMENT TO AMENDED ARTICLES OF INCORPORATION TO (1) DESIGNATE 1,000,000 SHARES OF THE COMPANY'S CAPITAL STOCK AS ONE OR MORE SERIES OF PREFERRED SHARES AND 249,000,000 SHARES OF THE COMPANY'S CAPITAL STOCK AS COMMON SHARES, AND (2) AUTHORIZE THE BOARD OF DIRECTORS TO INCREASE OR DECREASE THE NUMBER OF SHARES OF COMMON STOCK OF THE COMPANY AND TO RECLASSIFY UNISSUED SHARES OF COMMON STOCK AS OTHER FORMS OF CAPITAL STOCK, WITHOUT STOCKHOLDER APPROVAL

Background. On March 25, 2012 at our 2012 Annual Meeting, our stockholders adopted an amendment to our then Amended Articles of Incorporation to increase the authorized shares of capital stock to 250,000,000. On August 20, 2012, the Board approved a reduction in the authorized shares of common stock of the Company to 35,667,839 in connection with the second phase of a reverse split of the Company's shares of common stock, the first phase of which was authorized by the stockholders at the 2012 Annual Meeting. The Board proposes that the Amended Articles of Incorporation be further amended to (1) designate 1,000,000 shares of the Company's capital stock as one or more series of preferred shares and 249,000,000 shares of the Company's capital stock as common shares, and (2) authorize the Board of Directors to increase or decrease the number of shares of common stock of the Company and to reclassify unissued shares of common stock as other forms of capital stock, without stockholder approval.

On September 4, 2012, the Company effectuated a 1-for-70 reverse split of its common stock as of the close of the markets on that day in an effort to maintain a \$1 bid price and to continue its listing on NASDAQ. The reverse split was based on the approved reverse split at the Company's Annual Meeting on March 25, 2012 and the reduction in the number of authorized shares of common stock by the Board on August 20, 2012 as described above. Immediately after, the reverse split was 2,907,100. All of the share numbers and related share, conversion, or exercise prices referenced in this Proxy Statement have been adjusted to reflect the reverse split. As a result of not maintaining a \$1 bid price, the Company de-listed from The NASDAQ Capital Market and is currently quoted on the OTC Market Group Inc.'s OTCQB under the same symbol "SAPX."

Purpose of Amendment

The Board believes that it is advisable and in our best interests and those of our stockholders to have available additional authorized but unissued shares of common stock in order to maintain our flexibility to use such shares for business and/or financing purposes in the future. The newly designated shares of common stock, if and when issued, will have the same rights and privileges as the shares of common stock currently authorized, issued and outstanding. The purposes of the designation of the number of shares of common and preferred stock and the authorization of the Board to reclassify common shares as other classes of capital stock or reduce or increase shares of common stock are:

- Raising capital,
- Expanding our business through acquisitions and other strategic transactions,
- Paying stock dividends or effecting stock splits,
- Providing equity incentives to employees, officers and directors, and
- Other general corporate purposes.

Our current plans, agreements, arrangements, or understandings for the issuance of additional shares relate solely to (i) the shares of our common stock underlying the convertible securities disclosed in the Company's prior filings on Form 10-Q and 10-K with the Securities and Exchange Commission and (ii) the shares of common stock, if any, that may be issued pursuant to a Registration Statement as Form S-7 that we intend to file on or before November 30, 2012 replacing our withdrawn Registration Statement on Form S-3 .

Like the currently authorized but unissued shares of our common stock, any additional shares of common stock authorized by this proposal would be available for issuance without further action by our stockholders, unless further action is required by law. The authorization of additional shares of common stock will enable us, as the need may arise, to take advantage of market conditions and favorable opportunities without the delay and expense associated with the holding of a special meeting of our stockholders.

Possible Effects Of Increasing Our Authorized Capital Stock and Designating 249,000,000 Shares Thereof As Common Stock

The additional shares of common stock, by reason of their designation, would have the same rights and privileges as the shares of common stock currently authorized, issued, and outstanding. Any issuance of additional shares of common stock would increase the number of outstanding shares of common stock and (unless such issuance was pro-rata among existing stockholders) the percentage ownership of existing stockholders would be diluted accordingly.

Although an increase in the authorized shares of common stock could, under certain circumstances, also be construed as having an anti-takeover effect (for example, by permitting easier dilution of the stock ownership of a person seeking to effect a change in the composition of our Board or contemplating a tender offer or other transaction resulting in our acquisition by another company), the proposed increase in shares authorized is not in response to any effort by any person or group to accumulate our common stock or to obtain control of us by any means. In addition, the proposal is not part of any plan by our Board to recommend or implement a series of anti-takeover measures.

Resolution Adopting the Proposed Amendment

The following resolution, which will be presented at the Special Meeting, will adopt the proposed amendment to our Amended Articles of Incorporation to increase our authorized shares of capital stock.

RESOLVED, that Article III of the Articles of Incorporation, as amended, is hereby amended to read in its entirety as follows:

Article III

The aggregate number of shares which the corporation shall have the authority to issue is 250,000,000 shares of stock at \$0.01 per value. The number of shares of common stock is designated as 249,000,000 and the number of shares of one or more classes of preferred stock is 1,000,000. The Board of Directors shall have the authority to increase or decrease the number of shares of common stock and to reclassify any share of common stock as one or more classes of capital stock other than common stock.

The proposed increase of the authorized shares of capital stock would become effective immediately upon the filing of the Share Increase Amendment with the office of the Secretary of State of the State of Nevada. We expect to file the Share Increase Amendment with the Secretary of State of the State of Nevada promptly upon approval by our stockholders. However, the Board reserves its right to elect to abandon the Share Increase Amendment if it determines, in its sole discretion, that this proposal is no longer in our best interests or those of our stockholders.

Our Board recommends a vote FOR approval of the amendment of our Amended Articles of Incorporation to (1) designate 1,000,000 shares of the Company's capital stock as one or more classes of preferred shares and 249,000,000 shares of the Company's capital stock as common shares, and (2) authorize the Board of Directors to increase or decrease the number of shares of common stock of the Company and to reclassify unissued shares of common stock as other forms of capital stock, without stockholder approval.

PROPOSAL NO. 2 – APPROVAL OF REVISED 2012 STOCK INCENTIVE PLAN

The Plan

Our Board of Directors unanimously approved the 2012 Stock Incentive Plan (the “2012 Plan”) on January 11, 2012, subject to stockholder approval at the 2012 Annual Meeting, which occurred on March 25, 2012. Our Board of Directors is requesting that our stockholders approve a revision to the 2012 plan because of its belief that an increase in the number of shares of common stock of the Company available under the Revised 2012 Stock Incentive Plan is in the Company’s interest and that of our stockholders (“Revised 2012 Plan”). The following summary of certain features of the Revised 2012 Plan is qualified in its entirety by reference to the actual text of the Revised 2012 Plan, which is attached as Annex A to this Proxy Statement. If approved by the stockholders, the Compensation Committee or our Board of Directors may suspend or terminate the Revised 2012 Plan at any time.

The Revised 2012 Plan provides for the grant to employees, including executive officers, of restricted stock, as well as cash or other stock-based awards and other benefits. The purpose of the Revised 2012 Plan is to enable us to attract and retain qualified persons as employees, officers and directors and others, whose services are required by us, and to motivate such persons by providing them with equity participation in us.

A maximum of 15,000,000 shares of common stock may be issued and awarded under the Revised 2012 Plan. The maximum number of shares of common stock that may be subject to stock awards granted to any one participant during any single year period is 1,000,000.

The Revised 2012 Plan is administered by the Compensation Committee, which has, subject to specified limitations, the full authority to grant equity awards and establish the terms and conditions for vesting and exercise thereof. Awards of restricted stock under the Revised 2012 Plan may qualify for the “performance-based compensation” exception under Internal Revenue Code Section (the “IRC”) Section 162(m) pursuant to their expected terms. Cash-based awards and awards of restricted stock, performance units and stock may qualify under Section 162(m) of the IRC if the terms of the award of the state, in terms of an objective formula or standard, the method of computing the amount of compensation payable under the award and preclude discretion to increase the amount of compensation payable under the terms of the award.

Unless the Compensation Committee determines otherwise, if a recipient of restricted stock ceases to have a relationship with our Company, non-vested shares of restricted stock shall be forfeited. The Compensation Committee may grant cash awards at such times and in such amounts as it deems appropriate. The Compensation Committee may grant has the right to grant other stock-based awards, which may include the grant of Common Stock based on certain conditions, the payment of cash based on the market performance of our Common Stock and the grant of certain securities convertible into Common Stock.

With respect to awards of restricted stock, if no election is made under Section 83(b) of the IRC and repurchase rights of the shares are retained by us, a taxable event will occur on each date the participant’s ownership rights vest as to the number of shares that vest on that date, and the holding period for capital gains purposes will not commence until the date the shares vest. Any dividends received with respect to shares subject to the restrictions will be treated as additional compensation income and not as dividend income. The participant will recognize ordinary income on each date shares vest in an amount equal to the excess of the fair market value of such shares on that date over the amount paid for such shares. Any income recognized by a participant, who is an employee, will be subject to employment taxes and income tax withholding by us out of the participant’s current compensation. If such compensation is insufficient to cover the amount to be withheld, the participant will be required to make a direct payment to us for the balance of the tax withholding obligation. We are entitled to a tax deduction in an amount equal to the ordinary income recognized by the participant. The participant’s basis in the shares will be equal to the purchase price, if any, increased by the amount of ordinary income recognized. If instead a Section 83(b) election is made not later than 30

days after the date of transfer, then the participant will recognize ordinary income on the date of purchase in an amount equal to the excess of the fair market value of such shares on the date of purchase over the purchase price paid for such shares. Any change in the value of the shares after the date of grant will be taxed as a capital gain or capital loss only if and when the shares are disposed of by the participant. If the Section 83(b) election is made, the participant's holding period for capital gains begins on the date of grant. The Section 83(b) election is irrevocable. If a section 83(b) election is made and the participant then forfeits the restricted stock, the participant may not deduct as a loss the amount previously included in gross income. We will be entitled to a deduction at the same time, and in an amount equal to, the ordinary income recognized by the participant with respect to shares of restricted stock.

The foregoing is only a summary of certain federal income tax consequences of the Revised 2012 Plan and is based on our understanding of present federal tax laws and regulations.

In the event of a stock dividend, recapitalization, stock split, reverse stock split, reorganization, merger, consolidation, spin-off, combination, repurchase, or other distribution of our stock or property, or other change in our corporate structure, the Compensation Committee may, in its sole discretion, in order to prevent diminution or enlargement of a participant's benefits under the Revised 2012 Plan, substitute or adjust the number and class of shares that may be delivered under the Revised 2012 Plan and/or the number, class and price of shares covered by an outstanding award.

If a change in control of the Company occurs, then, to the extent permitted by applicable law, the surviving corporation may assume all awards then-outstanding under the Revised 2012 Plan or substitute similar awards in lieu of awards granted under the Revised 2012 Plan. If a change in control occurs, the compensation committee may, among other things, provide for acceleration of benefits, lapsing of restrictions and vesting of benefits for any award that has been outstanding for at least six months, or provide for cash payments to be made to holders of certain awards and the cancellation of awards where the exercise price exceeds the fair market value of the shares.

Subject to the foregoing, the Compensation Committee has broad discretion to describe the terms and conditions applicable to awards granted under the Revised 2012 Plan. The Compensation Committee may at any time discontinue granting awards under the Revised 2012 Plan or otherwise suspend, amend or terminate the Revised 2012 Plan and may, with the consent of an award recipient, make such modifications of the terms and conditions of such recipient's award as the Compensation Committee shall deem advisable. The Compensation Committee may amend the Revised 2012 Plan; provided, however, that no amendment shall be effective unless approved by stockholders if such approval is required under 162(m) of the IRC, Rule 16b-3 of the Exchange Act, the rules of the NYSE Amex or other applicable exchange, or applicable law.

Vote Required; Board of Director's Recommendation

The approval of the Revised 2012 Plan will require the affirmative vote of a majority of the outstanding shares of our
Common Stock.

Our Board of Directors recommends that stockholders vote FOR approval and adoption of the Revised 2012 Stock
Incentive Plan.

Ms. Hoffman's contract contains a "non-compete" clause pursuant to which she will be excluded from competing against us for 6 months following the date of her termination.

We have an oral employment agreement with Elaine New pursuant to which she will act as an executive director ad infinitum at a salary of \$225,000 (£150,000) per year plus bonuses and expenses. Ms. New's contract contains a "non-compete" clause pursuant to which she will be excluded from competing against us for 6 months following the date of her termination.

Mr. Hoffman's employment agreement grants us a right to injunctive relief if Mr. Hoffman breaches the agreement. With the exception of Ms. Hoffman's and Ms. New's agreements, the employment agreements do not contain "non-compete" clauses.

The Committee shall consider such factors as it deems relevant to making such decisions, determinations, and interpretations. - (b) Composition of the Committee. The Committee shall consist of directors of the Company appointed in accordance with the Articles and By-Laws of the Company.
- (c) Manner of Exercise of Committee Authority. The Committee shall have the full power and authority to interpret and administer the Plan in its sole discretion, including exercising all the powers and authorities either specifically granted to it under the Plan or necessary or advisable in the administration of the Plan. The Committee's powers and authorities include, without limitation, the following: (i) the sole ability to determine: eligibility criteria for Awards; (ii) to select the Eligible Persons to whom Awards may from time to time be granted; (iii) to determine the time or times at which Awards shall be granted; (iv) to determine the number of shares of Stock to be covered by each Award; (v) to determine and modify from time to time the specific terms and conditions, including restrictions, not inconsistent with the terms of the Plan, of any Award, which terms and conditions may differ among individual Awards and grantees, and to approve the form of written instruments evidencing the Awards; (vi) to determine the vesting and exercisability of any Award and to accelerate at any time the vesting or exercisability of all or any portion of any Award; (vii) subject to the provisions of this Plan, to extend at any time the period in which Stock Options may be exercised; (viii) to determine the exercise or purchase price of such shares of Stock; (ix) to determine if and when Awards are forfeited or expire under their terms; (x) to interpret and construe the Plan provisions; any amendments, and any rules and regulations relating to the Plan; (xi) to make exceptions to any Plan provisions in good faith and for the benefit of the Company; and (xii) to make all other determinations deemed necessary or advisable for the administration of the Plan.
- (d) Delegation of Authority. - (e) Committee Vacancies. The Board shall fill all vacancies in the Committee. The Board may from time to time appoint additional members to the Committee and may at any time remove one or more Committee members and substitute others. One member of the Committee shall be selected by the Board as chairman. The Committee shall hold its meetings at such times and places as it shall deem advisable. All determinations of the Committee shall be made by not less than a majority of its members either present in-person or participating by a telephone conference at a meeting or by written consent. Section Stock Subject to Plan.

4.

- (a) Overall Number of Shares Available. Subject to adjustment as provided under Section 10(c), the total number of shares of Stock reserved and available for delivery in connection with Awards under the Plan shall be 20,000,000 shares. Any shares of Stock issued under the Plan may consist, in whole or in part, of authorized and unissued shares or treasury shares. The authorized number of reserved and available shares may be increased from time to time by approval of the Board and, if such approval is required, by the stockholders of the Company.
- (b) Accounting Procedures. The Committee may adopt reasonable accounting procedures to ensure an appropriate accounting of Stock subject to the Plan, avoid double counting (as, for example, in the case of tandem or substitute Awards) and make adjustments in accordance with this Section 4(b). Shares shall be counted against those reserved to the extent such shares have been delivered and are no longer subject to a risk of forfeiture. Accordingly, (i) to the extent that an Award under the Plan is canceled, expired, forfeited, settled in cash, settled by delivery of fewer shares than the number underlying the Award, or otherwise terminated without delivery of Stock to the Participant, the Stock retained by or returned to the Company will not be deemed to have been delivered under the Plan; and (ii) Stock that is withheld from such Award or separately surrendered by the Participant in payment of the exercise price or taxes relating to such Award shall be deemed to constitute Stock not delivered and will be available under the Plan. The Committee may determine that Awards may be outstanding that relate to more Stock than the aggregate shares of Stock remaining available under the Plan so long as Awards will not in fact result in delivery and vesting of shares of Stock in excess of the number then available under the Plan. In addition, in the case of any Award granted in assumption of or in substitution for an award of a company or business acquired by the Company or a Subsidiary or affiliate or with which the Company or a Subsidiary or affiliate combines, shares delivered or deliverable in connection with such assumed or substitute Award shall not be counted against the number of shares of Stock reserved under the Plan. The authorized number of reserved and available shares may be increased from time to time by approval of the Board and, if such approval is required, by the stockholders of the Company.
- (c) Individual Annual Award Limits. No Participant may be granted Options or other Awards under the Plan with respect to an aggregate of more than 500,000 shares of Stock (subject to adjustment as otherwise may be provided for throughout this Plan) during any calendar year.

A-5

Section Eligibility.

5.

- (a) Eligibility. Grants of Awards may be made from time to time to those officers, employees and Service Providers of the Company or any Subsidiary who are designated by the Committee in its sole and exclusive discretion as eligible to receive such Awards (“Eligible Persons”). However, Options intended to qualify as ISOs shall be granted only to Eligible Persons while actually employed by the Company or a Subsidiary. The Committee may grant more than one Award to the same Eligible Person. Awards may be made to members of the Committee and must be approved and granted by a majority of the disinterested members of the Board.
- (b) Substitutions/Acquisitions. Holders of awards granted by a company or business acquired by the Company or a Subsidiary, or with which the Company or a Subsidiary combines, may be eligible for substitute Awards under this Plan that will be granted in assumption of or in substitution for such outstanding awards in connection with such acquisition or combination transaction; provided that such awards satisfy the requirements of Treasury Regulations Section 1.409A-1(b)(5)(v)(D). In such cases, holders of the assumed or substituted awards will become Participants in the Plan; provided, however, that such assumption or substitution in no way causes an Award under this Plan to become subject to the terms and conditions of Code Section 409A.
- (c) Participation. An Eligible Person shall become a Participant in the Plan and shall perfect his or her Award only after he or she has completed the applicable Award Agreement in a manner that is satisfactory to the Committee and has delivered said Award Agreement to the Committee. A Participant shall continue his or her participation in the Plan, even if no longer an Eligible Person, until any and all of his or her interests that are held under the Plan expire or are paid. Participants who are on military leaves of absence, sick leaves, and any other bona fide leaves of absence are not considered to be separated from service and shall be deemed employed so long as the leave does not extend beyond three (3) months or, if longer, the individual retains reemployment rights under an applicable statute or by contract.

Section Specific Terms of Awards Granted Under the Plan.

6.

- (a) General Terms of All Awards. All Awards granted under the Plan. Award Agreements may provide for grants of Awards on the specific terms and conditions set forth in this Section 6. Alternatively, the Committee may impose on any individual Award, as specified in the individual Award Agreement, such additional terms and conditions, not inconsistent with the provisions of the Plan, or applicable law, as the Committee shall determine, including terms relating to the forfeiture of Awards in the event of termination of employment or service by the Participant and terms permitting a Participant to make elections relating to his or her Award. The Committee shall retain full power and discretion with respect to any term or condition of an Award that is not mandatory under the Plan and the terms of the Award Agreement; provided that the exercise of such discretion shall in no event cause an Award to become subject to the terms and conditions of Code Section 409A, unless otherwise agreed upon between the Company (or Subsidiary) and the Eligible Person. The Committee shall require the payment of lawful consideration for an Award to the extent necessary to satisfy the requirements of the Nevada Revised Statutes, and may otherwise require payment of consideration for an Award except as limited by the Plan and as otherwise required by applicable law.

If it is determined by the Committee prior to the grant of any Award that such Award would be subject to Code Section 409A, the Award Agreement shall incorporate the terms and conditions required by Code Section 409A. To the extent applicable, this Plan and the Award Agreements shall be interpreted in accordance with Code Section 409A and its implementing regulations.

In the event the Committee determines after the Date of Grant that any Award granted hereunder may be subject to Code Section 409A, the Committee may adopt such amendments to the Plan and/or applicable Award Agreement or adopt other policies and procedures (including those with retroactive effect) or take any other actions that the Committee determines are necessary and appropriate to (i) exempt the Award from Code Section 409A and/or preserve the intended tax treatment of the benefits provided with respect to the Award, or (ii) comply with the requirements of Code Section 409A.

- (b) Option Awards. Options granted under the Plan shall be evidenced by an agreement (“Option Agreement”). Options that are awarded may be of one of two types which shall be indicated on the face of the Option Agreement: (i) ISOs or (ii) Nonstatutory Stock Options. The Committee is authorized to grant Options to Participants on the following terms and conditions:
- (i) Option Term; Time and Method of Exercise. The Committee shall determine the term of each Option; provided that in no event shall the term of any Option exceed a period of 10 years from the Date of Grant (or with respect to an ISO, 5 years from the Date of Grant in the case of a Participant who at the Date of Grant is a Ten Percent or More Stockholder). The Committee shall determine the time or times at which or the circumstances under which an Option may be exercised in whole or in part (including based on achievement of performance goals and/or future service requirements), the methods by which such exercise price may be paid or deemed to be paid and the form of such payment, including, without limitation, cash, Stock (including by withholding Stock deliverable upon exercise), other Awards or awards granted under other plans of the Company or any Subsidiary, or other property, and the methods by or forms in which Stock will be delivered or deemed to be delivered in satisfaction of Options to Participants. The Committee shall have the right, at any time after the Date of Grant, to reduce or eliminate any restrictions on the Participant’s right to exercise all or part of the Stock Option, except that no Stock Option shall first become exercisable within one year from the Date of Grant.
- (ii) Exercise Price. The option price per share of Stock purchasable under a Nonstatutory Stock Option or an Incentive Stock Option shall be determined by the Committee at or immediately prior to the Date of Grant, shall be set forth on the applicable Option Agreement, and shall be not less than 100% of the Fair Market Value of the Stock at the Date of Grant (or, with respect to an Incentive Stock Option, and a Participant who at the Date of Grant is a Ten Percent or More Stockholder, 110% of the Fair Market Value of the Stock at the Date of Grant). Prior to the Date of Grant, the Committee shall specify the method by and date on which the Fair Market Value of the Option will be determined; said date shall be specified on the Option Agreement.
- (iii) Non-Transferability of Options. No Option shall be transferable by any Participant other than by will or by the laws of descent and distribution, except that, if so provided in the Option Agreement, the Participant may transfer the Option, other than an ISO, (i) pursuant to a qualified domestic relations order (as defined in the Code or the Employment Retirement Income Security Act of 1974, as amended); or (ii) during the Participant’s lifetime to one or more members of the Participant’s family, to one or more trusts for the benefit of one or more of the Participant’s family, or to a partnership or partnerships of members of the Participant’s family, or to a charitable organization as defined in Code Section 501(c)(3), provided that the transfer would not result in the loss of any exemption under Rule 16b-3 of the Exchange Act with respect to any Option. The transferee of an Option will be subject to all restrictions, terms and conditions applicable to the Option prior to its transfer, except that the Option will not be further transferable by the transferee other than by will or by the laws of descent and distribution.

A-7

(iv) Disposition upon Termination of Employment.

- (A) Termination by Death. Subject to Sections 6(b)(i) and 6(b)(v), if any Participant's employment (or service) with the Company or any Subsidiary terminates by reason of death, any Option held by that Participant shall become immediately and automatically vested and exercisable. If termination of a Participant's employment (or service) is due to death, then any Option held by that Participant may thereafter be exercised for a period of two years (or with respect to an ISO, for a period of 18 months or such other lesser period as the Committee may specify at or after grant) from the date of death. Notwithstanding the foregoing, in no event will any Option be exercisable after the expiration of the option period of such Option. The balance of the Option shall be forfeited if not exercised within two years (or 18 months with respect to ISOs or such lesser period as the Committee may specify).
- (B) Termination by Reason of Disability. Subject to Sections 6(b)(i) and 6(b)(v), if a Participant's employment (or service) with the Company or any Subsidiary terminates by reason of Disability, any Option held by that Participant shall become immediately and automatically vested and exercisable. If termination of a Participant's employment (or service) is due to Disability, then any Option held by that Participant may thereafter be exercised by the Participant or by the Participant's duly authorized legal representative if the Participant is unable to exercise the Option as a result of the Participant's Disability, for a period of two years (or with respect to an ISO, for a period of one year or such other lesser period as the Committee may specify at or after grant) from the date of such termination of employment. If the Participant dies within that two-year period (or with respect to an ISO, for a period of one year or such other lesser period as the Committee may specify at or after grant), any unexercised Option held by that Participant shall thereafter be exercisable by the estate of the Participant (acting through its fiduciary) for the duration of the two-year period (or the one year period in the case of an ISO or such lesser period as the Committee may specify) from the date of termination of employment. Notwithstanding the foregoing, in no event will any Option be exercisable after the expiration of the option period of such Option. The balance of the Option shall be forfeited if not exercised within two years (or one year with respect to ISOs or such lesser period as the Committee may specify).
- (C) Termination for Cause. Unless otherwise determined by the Committee at or after the time of granting any Option, if a Participant's employment (or service) with the Company or any Subsidiary terminates for Cause, any unvested Options will be forfeited and terminated immediately upon termination and any vested Options held by that Participant shall terminate 30 days after the date employment (or service) terminates. Notwithstanding the foregoing, in no event will any Option be exercisable after the expiration of the option period of such Option. The balance of the Option shall be forfeited.

- (D) Other Termination/Retirement. Unless otherwise determined by the Committee at or after the time of granting any Option, if a Participant retires from employment with the Company (or a Subsidiary) or a Participant's employment (or service) with the Company (or a Subsidiary) terminates for any reason other than death, Disability, or for Cause, all vested ISOs held by that Participant shall terminate three months after the date employment (or service) terminates, and all vested Nonstatutory Stock Options held by that Participant shall terminate one year after the date employment (or service) terminates. Notwithstanding the foregoing, in no event will any Option be exercisable after the expiration of the option period (which shall be established in the Option Agreement) of such Option. The balance of the Option shall be forfeited.
- (E) Leave of Absence. In the event a Participant is granted a military leave of absence, a sick leave, or any other bona fide leave of absence by the Company or any Subsidiary, the Participant's employment with the Company or such Subsidiary will not be considered terminated, and the Participant shall be deemed an employee of the Company or such Subsidiary during such leave of absence or any extension thereof granted by the Company or such Subsidiary. Notwithstanding the foregoing, in the case of an ISO, a leave of absence of more than three months will be viewed as a termination of employment unless continued employment is guaranteed by contract or statute. If the period of such leave exceeds three months and the Participant's right to reemployment is not provided either by statute or by contract, the employment relationship is deemed to terminate on the first day immediately following such three-month period.
- (v) Incentive Stock Options. Notwithstanding Sections 6(b)(iii) and 6(b)(iv), an ISO shall be exercisable by (A) a Participant's authorized legal representative (if the Participant is unable to exercise the ISO as a result of the Participant's Disability) only if, and to the extent, permitted by Section 422 of the Code and (B) by the Participant's estate, in the case of death, or authorized legal representative, in the case of Disability, no later than ten years from the date the ISO was granted (in addition to any other restrictions or limitations that may apply). Notwithstanding anything to the contrary herein, to the extent required for ISO treatment under Code Section 422, the aggregate Fair Market Value as of the Date of Grant under this Plan and any other plan of the Company (or its parent or subsidiary corporations) for the first time by an Eligible Person during any calendar year shall not exceed \$ 100,000. If and to the extent that any Stocks are issued under a portion of the Stock Option that exceeds the \$100,000 limitation under Code Section 422, such Stocks shall not be treated as issued under an ISO notwithstanding any designation otherwise. If an Award Agreement specifies that that a Stock Option is intended to be treated as an ISO, the Stock Option shall to the greatest extent possible comply with the requirements of Code Section 422 and shall be so construed; provided, however, that any such designation shall not be interpreted as a representation, guarantee or other undertaking on the part of the Company that the Stock Option is or will be determined to qualify as an ISO. Certain decisions, amendments, interpretations by the Committee may cause a Stock Option to cease to qualify as an ISO and, to the extent known beforehand and possible, the Committee shall seek the consent of the affected Participant.
- (c) Restricted Stock. Restricted Stock granted under the Plan shall be evidenced by an agreement ("Restricted Stock Agreement"). The Committee is authorized to grant Restricted Stock to Participants on the following terms and conditions:
- (i) Grant and Restrictions. Restricted Stock shall be subject to such restrictions on transferability, risk of forfeiture and other restrictions, if any, as the Committee may impose, which restrictions may lapse separately or in combination at such times, under such circumstances (including based on achievement of performance goals and/or future service requirements), in such installments or otherwise and under such other circumstances as the Committee may determine at the Date of Grant, and which shall be set forth in the applicable Restricted Stock Agreement, or thereafter. Except to the extent restricted under the terms of the Plan and any Restricted Stock Agreement, a Participant granted Restricted Stock shall have all of the rights of a stockholder, including the right to vote the Restricted Stock and the right to receive dividends thereon; provided, however, that the Committee

may require mandatory reinvestment of dividends in additional Restricted Stock, may provide that no dividends will be paid on Restricted Stock or retained by the Participant, or may impose other restrictions on the rights attached to Restricted Stock.

A-9

- (ii) Forfeiture. Except as otherwise determined by the Committee, upon termination of employment or service during the applicable restriction period, Restricted Stock that is at that time subject to restrictions shall be forfeited and reacquired by the Company; provided that the Committee may provide, by rule or regulation or in any Restricted Stock Agreement, or may determine in any individual case, that restrictions or forfeiture conditions relating to Restricted Stock will lapse in whole or in part, including in the event of terminations resulting from specified causes.
- (iii) Certificates for Stock. Restricted Stock granted under the Plan shall be evidenced in such manner as the Committee shall determine. Certificates representing Restricted Stock shall be registered in the name of the Participant and shall bear an appropriate legend referring to the terms, conditions and restrictions applicable to the Award of such Restricted Stock. The Company shall retain physical possession of the stock certificates until the time that the restrictions thereon have lapsed, and the Participant shall have delivered a stock power to the Company, endorsed in blank, relating to the Stock covered by such Restricted Stock. The distribution of Stock upon the lapse of restrictions shall be made to the Participant on or before the period ending on the later of: (i) the 15th day of the third month following the end of the Participant's first taxable year in which the right to payment is no longer subject to restrictions; or (ii) the 15th day of the third month following the end of the Company's first taxable year in which the right to payment is no longer subject to restrictions.
- (iv) Dividends and Splits. As a condition to the grant of an Award of Restricted Stock, the Committee may require that any dividends paid on a share of Restricted Stock shall be either (A) paid with respect to such Restricted Stock at the dividend payment date in cash, in kind, or in a number of shares of unrestricted Stock having a Fair Market Value equal to the amount of such dividends, or (B) automatically reinvested in additional Restricted Stock or held in kind, which shall be subject to the same terms as applied to the original Restricted Stock to which it relates. Unless otherwise determined by the Committee, Stock distributed in connection with a Stock split or Stock dividend, and other property distributed as a dividend, shall be subject to restrictions and a risk of forfeiture to the same extent as the Restricted Stock with respect to which such Stock or other property has been distributed.
- (d) Bonus Stock and Awards in Lieu of Obligations. The Committee is authorized to grant to Participants Stock as a bonus, or to grant Stock or other Awards in lieu of obligations of the Company or a Subsidiary or affiliate to pay cash or deliver other property under the Plan or under other plans or compensatory arrangements, subject to such terms as shall be determined by the Committee; provided, that such grants shall not be in lieu of prior promises to pay deferrals of compensation so that any Award under this Plan that would not otherwise be subject to Code Section 409A does not become subject to Code Section 409A due to a grant in lieu of other obligation of the Company or a Subsidiary; provided further, that any distributions of such Stock as a bonus shall be made to the Participant on or before the later of: (i) the 15th day of the third month following the end of the Participant's first taxable year in which the Participant earned the Bonus; or (ii) the 15th day of the third month following the end of the Company's first taxable year in which the Participant earned the bonus.
- (e) Other Stock-Based Awards. The Committee is authorized, subject to limitations under applicable law, to grant to Participants such other Awards that may be denominated or payable in, valued in whole or in part by reference to, or otherwise based on, or related to, Stock or factors that may influence the value of Stock, including, without limitation, convertible or exchangeable debt securities, other rights convertible or exchangeable into Stock, purchase rights for Stock, Awards with value and payment contingent upon performance of the Company or business units thereof or any other factors designated by the Committee, and Awards valued by reference to the book value of Stock or the value of securities of or the performance of specified subsidiaries or affiliates or other business units. The Committee shall determine the terms and conditions of such Awards. Stock delivered pursuant to an Award in the nature of a purchase right granted under this Section shall be purchased for such consideration, paid for at such times, by such methods, and in such forms, including, without limitation, cash,

Stock, other Awards, or other property, as the Committee shall determine. Cash awards, as an element of or supplement to any other Award under the Plan, may also be granted pursuant to this Section.

A-10

Section Additional Provisions Applicable to Awards.

7.

- (a) **Stand-Alone, Additional, Tandem, and Substitute Awards.** Awards granted under the Plan may, in the discretion of the Committee, be granted either alone or in addition to, in tandem with, or in substitution or exchange for, any other Award or any award granted under another plan of the Company, any Subsidiary or affiliate, or any business entity to be acquired by the Company or a Subsidiary or affiliate, or any other right of a Participant to receive payment from the Company or any Subsidiary or affiliate. Awards granted in addition to or in tandem with other Awards may be granted either as of the same time as or a different time from the grant of such other Awards. Subject to the Plan's terms, the Committee may determine that, in granting a new Award, the in-the-money value or fair value of any surrendered Award or award or the value of any other right to payment surrendered by the Participant may be applied to the purchase of any other Award; provided, that such surrender does not result in a "modification," "extension," "substitution" or "assumption" of a Stock right, as determined under Treasury Regulation Section 1.409A-1(b)(5)(v) that would cause such Stock rights to be considered the grant of a new Stock right which is subject to the terms and conditions of Code Section 409A. Any transaction otherwise authorized under this Section 7(a) remains subject to all applicable restrictions under the Plan and may not result in an Award that is subject to the terms and conditions of Code Section 409A by virtue of such transaction; in such event, any transaction that would otherwise be permissible under this Section 7(a) shall be prohibited unless the Participant and the Company mutually agree in writing to cause an Award to become subject to the terms and conditions of Code Section 409A under this Section 7(a).
- (b) **Form and Timing of Payment Under Awards; Deferrals.** Subject to the terms of the Plan and any applicable Award Agreement, payments to be made by the Company or a Subsidiary or affiliate upon the exercise of an Option or other Award or settlement of an Award may be made in such forms as the Committee shall determine, including, without limitation, cash, Stock, other Awards or other property, and may be made in a single payment or transfer, or in installments.
- (c) **Certain Limitations on Awards to Ensure Compliance with Code Section 409A.** Other provisions of the Plan notwithstanding, the Award Agreement evidencing any "409A Award" (which for this purpose means only such an Award held by a Participant which is subject to the terms and conditions of Code Section 409A) shall incorporate the terms and conditions necessary to avoid the consequences specified in Code Section 409A(a)(1). Any terms or conditions inconsistent with the requirements of Code Section 409A and its implementing regulations shall be automatically modified and limited (even retroactively) to the extent necessary to conform said Award with Code Section 409A. Notwithstanding anything to the contrary herein, the Company shall not be liable for any unintended adverse tax consequences which may be imposed on the Participant due to receipt, exercise or settlement of any Stock Option or other Award granted hereunder, including the taxes and penalties of Code Section 409A.

Section Corporate Transactions.

8.

- (a) Corporate Transaction in which Awards are not Assumed. Upon the occurrence of a Corporate Transaction in which outstanding Options, Restricted Stock Awards, and Other Stock-Based Awards are not being assumed or continued:
- (i) All outstanding shares of Restricted Stock shall be deemed to have vested,
 - (ii) Either of the following two actions shall be taken:
 - (A) fifteen days prior to the scheduled consummation of a Corporate Transaction, all Options outstanding hereunder shall become immediately exercisable and shall remain exercisable for a period of fifteen days, or
 - (B) the Committee may elect, in its sole discretion, to cancel any outstanding Awards of Options or Restricted Stock and pay or deliver, or cause to be paid or delivered, to the holder thereof an amount in cash or securities having a value (as determined by the Committee acting in good faith), in the case of Restricted Stock, equal to the formula or fixed price per share paid to holders of shares of Stock and, in the case of Options, equal to the product of the number of shares of Stock subject to the Option (the "Award Shares") multiplied by the amount, if any, by which (I) the formula or fixed price per share paid to holders of shares of Stock pursuant to such transaction exceeds (II) the Option Price Exercise Price applicable to such Award Shares.
 - (iii) With respect to the Company's establishment of an exercise window, (i) any exercise of an Option during such fifteen-day period shall be conditioned upon the consummation of the event and shall be effective only immediately before the consummation of the event, and (ii) upon consummation of any Corporate Transaction, the Plan and all outstanding but unexercised Options shall terminate. The Committee shall send notice of an event that will result in such a termination to all individuals who hold Options not later than the time at which the Company gives notice thereof to its stockholders.
- (b) Corporate Transaction in which Awards are Assumed. The Plan, Options, Restricted Stock Awards, and Other Stock-Based Awards theretofore granted shall continue in the manner and under the terms so provided in the event of any Corporate Transaction to the extent that provision is made in writing in connection with such Corporate Transaction for the assumption or continuation of the Options, Restricted Stock Awards, and Other Stock-Based Awards theretofore granted, or for the substitution for such Options, Restricted Stock Awards, and Other Stock-Based Awards for new common stock options and restricted stock relating to the stock of a successor entity, or a parent or subsidiary thereof, with appropriate adjustments as to the number of shares (disregarding any consideration that is not common stock) and option exercise prices in accordance with the provisions of Sections 5(b) and 10(c) and Treasury Regulation Section.1.409A-1(b)(5)(v)(D).

Section Additional Award Forfeiture Provisions.

9.

The Committee may condition a Participant's right to receive a grant of an Award, to exercise the Award, to receive a settlement or distribution with respect to the Award or to retain cash, Stock, other Awards, or other property acquired in connection with an Award, upon compliance by the Participant with specified conditions that protect the business interests of the Company and its Subsidiaries and affiliates from harmful actions of the Participant, including conditions relating to non-competition, confidentiality of information relating to or possessed by the Company, non-solicitation of customers, suppliers, and employees of the Company, cooperation in litigation, non-disparagement of the Company and its Subsidiaries and affiliates and the officers and directors of the Company and its Subsidiaries and affiliates, and other restrictions upon or covenants of the Participant, including during specified periods following termination of employment or service to the Company. Accordingly, an Award Agreement may include terms providing for a "clawback" or forfeiture from the Participant of the profit or gain realized by a Participant in connection with an Award, including cash or other proceeds received upon sale of Stock acquired in connection with an Award.

Section General Provisions.

10.

(a) Compliance with Legal and Other Requirements.

- (i) The Company may, to the extent deemed necessary or advisable by the Committee, postpone the issuance or delivery of Stock or payment of other benefits under any Award until completion of such registration or qualification of such Stock or other required action under any federal or state law, rule or regulation, listing or other required action with respect to any stock exchange or automated quotation system upon which the Stock or other securities of the Company are listed or quoted, or compliance with any other obligation of the Company, as the Committee may consider appropriate, and may require any Participant to make such representations, furnish such information and comply with or be subject to such other conditions as it may consider appropriate in connection with the issuance or delivery of Stock or payment of other benefits in compliance with applicable laws, rules, and regulations, listing requirements, or other obligations. The foregoing notwithstanding, in connection with the occurrence of a Corporate Transaction, the Company shall take or cause to be taken no action, and shall undertake or permit to arise no legal or contractual obligation, that results or would result in any postponement of the issuance or delivery of Stock or payment of benefits under any Award or the imposition of any other conditions on such issuance, delivery or payment, to the extent that such postponement or other condition would represent a greater burden on a Participant than existed on the 90th day preceding the Corporate Transaction.
- (ii) If the Participant is subject to the reporting requirements of Section 16(a) of the Securities Exchange Act of 1934, as amended, the grant of this Option shall not be effective until such person complies with the reporting requirement of Section 16(a).

A-13

(b) Limits on Transferability; Beneficiaries.

- (i) Awards granted under the Plan shall not be transferable other than by will or by the laws of descent, and Options may be exercised as provided for under Section 6(b). A Beneficiary, transferee, or other person claiming any rights under the Plan from or through any Participant (except in the case of an Option which is governed by Section 6(b)) shall be subject to all terms and conditions of the Plan and any Award Agreement applicable to such Participant, except as otherwise determined by the Committee, and to any additional terms and conditions deemed necessary or appropriate by the Committee. Any attempted sale, pledge, assignment, hypothecation or other transfer of an Award contrary to the provisions hereof and the levy of any execution, attachment or similar process upon an Award shall be null and void and without force or effect and shall result in automatic termination of the Award.
- (ii) (A) As a condition to the transfer of any shares of Stock issued upon exercise of an Award granted under this Plan, the Company may require an opinion of counsel, satisfactory to the Company, to the effect that such transfer will not be in violation of the Securities Act of 1933 or any other applicable securities laws or that such transfer has been registered under federal and all applicable state securities laws; (B) further, the Company shall be authorized to refrain from delivering or transferring shares of Stock issued under this Plan until the Board determines that such delivery or transfer will not violate applicable securities laws and the Participant has tendered to the Company any federal, state or local tax owed by the Participant as a result of exercising the Award, or disposing of any Stock, when the Company has a legal liability to satisfy such tax; (C) the Company shall not be liable for damages due to delay in the delivery or issuance of any stock certificate for any reason whatsoever, including, but not limited to, a delay caused by listing requirements of any securities exchange or any registration requirements under the Securities Act of 1933, the Securities Exchange Act of 1934, or under any other state or federal law, rule or regulations; (D) the Company is under no obligation to take any action or incur any expense in order to register or qualify the delivery or transfer of shares of Stock under applicable securities laws or to perfect any exemption from such registration or qualification; and (E) furthermore, the Company will have no liability to any Participant for refusing to deliver or transfer shares of Stock if such refusal is based upon the foregoing provisions of this Section.
- (c) Effect of Certain Changes. In the event of any merger, reorganization, consolidation, recapitalization, share dividend, share split, combination of shares or other change in corporate structure of the Company affecting the Stock, the Committee shall make appropriate or proportionate substitution or adjustment in: (i) the aggregate number of Stock reserved for issuance under the Plan, (ii) the number and kind of shares of Stock or other securities subject to any then outstanding Awards issued under the Plan; (iii) the price of the shares of Stock subject to outstanding Stock Options granted under the Plan, without changing the aggregate exercise price (i.e., the exercise price multiplied by the number of Stock Options) as to which such Stock Options remain exercisable; and (iv) the repurchase price per share subject to each outstanding Restricted Stock Award and any other outstanding Awards granted under the Plan. Notwithstanding the foregoing, any substitution or adjustment by the Committee shall comply with Treasury Regulations Sections 1.409A-1(b)(5)(v)(D) and 1.424-1(a) (except 1.424-1(a)(2)) which will be deemed to be satisfied if the ratio of the exercise price to the Fair Market Value of the shares subject to the Awards immediately after the substitution or adjustment is not greater than the ratio of the exercise price to the Fair Market Value of the shares subject to the Stock right immediately before the substitution or adjustment. The Committee's substitution or adjustment shall be final, binding and conclusive. No fractional shares of Stock shall be issued under the Plan as a result of any such substitution or adjustment; but the Committee may, in its sole discretion, authorize a cash payment to be made to the Participant in lieu of fractional shares.

(d) Tax Provisions.

(i) Withholding. The Committee shall so require, as a condition of exercise, each Participant to agree that: (A) no later than the date of exercise of any Option granted hereunder, the optionee will pay to the Company or make arrangements satisfactory to the Committee regarding payment of any federal, state or local taxes of any kind required by law to be withheld upon the exercise of such Option; and (B) the Company shall, to the extent permitted or required by law, have the right to deduct federal, state and local taxes of any kind required by law to be withheld upon the exercise of such Option from any payment of any kind otherwise due to the Participant. For withholding tax purposes, the shares of Stock shall be valued on the date the withholding obligations are incurred. The Company shall not be obligated to advise any optionee of the existence of any such tax or the amount that the Company will be so required to withhold.

(ii) Required Consent to and Notification of Code Section 83(b) Election. No election under Code Section 83(b) or under a similar provision of the laws of a jurisdiction outside the United States may be made unless expressly permitted by the terms of the Award Agreement or by action of the Committee in writing prior to the making of such election. In any case in which a Participant is permitted to make such an election in connection with an Award, the Participant shall notify the Company of such election within ten days of filing notice of the election with the Internal Revenue Service or other governmental authority, in addition to any filing and notification required pursuant to regulations issued under Code Section 83(b) or other applicable provision.

(iii) Requirement of Notification upon Disqualifying Disposition under Code Section 421(b). If any Participant shall make any disposition of shares of Stock delivered pursuant to the exercise of an ISO under the circumstances described in Code Section 421(b) (i.e., a disqualifying disposition), such Participant shall notify the Company of such disposition within ten days thereof.

(iv) Contest of Tax Rulings. The Company shall have the right, but not the obligation, to contest, at its expense, any tax ruling or decision, administrative or judicial, on any issue which is related to the Plan and which the Board believes to be important to holders of Options issued under the Plan and to conduct any such contest or any litigation arising therefrom to a final decision.

(e) Changes to the Plan. The Board at any time and from time to time may suspend, terminate, modify or amend the Plan; provided, however, that the Company shall submit for the approval of a majority of the stockholders of the Company presented or represented and entitled to vote at a duly constituted and held meeting of the stockholders, any amendment that would: (i) materially increase the benefits accruing to Participants under the Plan, (ii) increase the number of shares of Stock as to which Awards may be granted under the Plan, (iii) extend the term of the Plan, (iv) materially modify the requirements as to eligibility for participation in the Plan, (v) expand the types of Awards provided under the Plan, or (vi) be otherwise required by applicable laws, regulations or rules. Any such increase or modification that may result from adjustments authorized by Section 10(c) hereof shall not require such approval. In addition, no such amendment or alteration shall be made which would impair the rights of any Participant, without such Participant's written consent, under any Award theretofore granted, provided that no such consent shall be required with respect to any amendment or alteration either (i) is required or advisable in order for the Company, the Plan or the Award to satisfy or conform to any law or regulation or to meet the requirements of any accounting standard, or (ii) is not reasonably likely to significantly diminish the benefits provided under such Award, or that any such diminishment is adequately compensated.

- (f) **Unfunded Status of Awards, Creation of Rabbi Trusts.** The Plan is intended to constitute an “unfunded” plan for equity incentive compensation. With respect to any payments not yet made to a Participant or obligations to deliver Stock pursuant to an Award, nothing contained in the Plan or any Award shall give any such Participant any rights that are greater than those of a general creditor of the Company; provided that the Committee may authorize the creation of rabbi trusts and deposit therein cash, Stock, other Awards or other property, or make other arrangements to meet the Company’s obligations under the Plan. Such trusts or other arrangements shall be consistent with the “unfunded” status of the Plan unless the Committee otherwise determines.
- (g) **Nonexclusivity of the Plan.** Neither the adoption of the Plan by the Board nor its submission to the stockholders of the Company for approval shall be construed as creating any limitations on the power of the Board or a committee thereof to adopt such other incentive or compensation arrangements, apart from the Plan, as it may deem desirable, including incentive or compensation arrangements and awards that do not qualify under Code Section 162(m) or to which Code Section 409A does apply, and such other arrangements may be either applicable generally or only in specific cases.
- (h) **Payments in the Event of Forfeitures; Fractional Shares.** Unless otherwise determined by the Committee, in the event of a forfeiture of an Award with respect to which a Participant paid cash consideration, the Participant shall be repaid the amount of such cash consideration. No fractional shares of Stock shall be issued or delivered pursuant to the Plan or any Award. The Committee shall determine whether cash, other Awards or other property shall be issued or paid in lieu of such fractional shares or whether such fractional shares or any rights thereto shall be forfeited or otherwise eliminated.
- (i) **Governing Law.** The validity, construction, and effect of the Plan, any rules and regulations relating to the Plan and any Award Agreement shall be determined in accordance with the laws of the State of Nevada, without giving effect to principles of conflicts of laws, and applicable provisions of federal law.
- (j) **Limitation on Rights Conferred Under The Plan.** Neither the Plan nor any action taken hereunder shall be construed as (i) giving any Eligible Person or Participant the right to continue as an Eligible Person or Participant or in the employ or service of the Company or a Subsidiary or affiliate, (ii) interfering in any way with the right of the Company or a Subsidiary or affiliate to terminate any Eligible Person’s or Participant’s employment or service at any time (subject to the terms and provisions of any separate written agreements), (iii) giving an Eligible Person or Participant any claim to be granted any Award under the Plan or to be treated uniformly with other Participants and employees, or (iv) conferring on a Participant any of the rights of a stockholder of the Company unless and until the Participant is duly issued or transferred shares of Stock in accordance with the terms of an Award. Any Award shall not be deemed compensation for purposes of computing benefits under any retirement plan of the Company or any Subsidiary or affiliate and shall not affect any benefits under any other benefit plan under which the availability or amount of benefits is related to the level of compensation (unless required by any such other plan or arrangement with specific reference to Awards under this Plan).
- (k) **Termination of Right of Action.** Every right of action arising out of or in connection with the Plan by or on behalf of the Company or of any Subsidiary, or by any stockholder of the Company or of any Subsidiary against any past, present or future member of the Board, or against any employer, or by an employee (past, present or future) against the Company or any Subsidiary will, irrespective of the place where an action may be brought and irrespective of the place of residence of any such stockholder, director or employee, cease and be barred as of the expiration of three years from the date of the act or omission in respect of which such right of action is alleged to have arisen.

- (l) Assumption. The terms and conditions of any outstanding Awards granted pursuant to this Plan shall be assumed by, be binding upon and inure to the benefit of any successor company to the Company and shall continue to be governed by, to the extent applicable, the terms and conditions of this Plan. Such successor Company shall not be otherwise obligated to assume this Plan.
- (m) Severability; Entire Agreement. If any of the provisions of this Plan or any Award Agreement is finally held to be invalid, illegal or unenforceable (whether in whole or in part), such provision shall be deemed modified to the extent, but only to the extent, of such invalidity, illegality or unenforceability, and the remaining provisions shall not be affected thereby; provided, that, if any of such provisions is finally held to be invalid, illegal, or unenforceable because it exceeds the maximum scope determined to be acceptable to permit such provision to be enforceable, such provision shall be deemed to be modified to the minimum extent necessary to modify such scope in order to make such provision enforceable hereunder. The Plan and any Award Agreements contain the entire agreement of the parties with respect to the subject matter thereof and supersede all prior agreements, promises, covenants, arrangements, communications, representations and warranties between them, whether written or oral with respect to the subject matter thereof. No rule of strict construction shall be applied against the Company, the Committee, or any other person in the interpretation of any terms of the Plan, Award, or agreement or other document relating thereto.
- (n) Adoption.

This Plan was approved by the Board of Directors of the Company at a meeting on July 2, 2012.

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Board of Directors and Management of
Seven Arts Entertainment, Inc. (formerly Seven Arts Pictures, Plc.)

We have audited the accompanying consolidated balance sheets of Seven Arts Entertainment, Inc. (formerly Seven Arts Pictures, Plc.) as of June 30, 2012 and 2011, and the related consolidated statements of operations and comprehensive income, cash flows and stockholders' equity for the years then ended. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits of these financial statements in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

We were not engaged to examine management's assertion about the effectiveness of Seven Arts Entertainment, Inc.'s internal control over financial reporting as of June 30, 2012 and 2011 and, accordingly, we do not express an opinion thereon.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of Seven Arts Entertainment, Inc. Seven Arts Entertainment, Inc.
(Formerly Seven Arts Pictures, Plc.)
Notes to Consolidated Financial Statements
June 30, 2012 and 2011

NOTE 1 – NATURE OF ACTIVITIES AND SIGNIFICANT ACCOUNTING POLICIES

Nature of Activities, History and Organization:

Seven Arts Entertainment, Inc. (herein referred to as “the Company”, “Seven Arts” or “SAE,”), a Nevada Corporation, is the continuation of the business of Seven Arts Pictures Plc. (“PLC”), which was founded in 2002 as an independent motion picture production and distribution company engaged in the development, acquisition, financing, production, and licensing of theatrical motion pictures for exhibition in domestic (i.e., the United States and Canada) and foreign theatrical markets, and for subsequent worldwide release in other forms of media, including home video and pay and free television. The Company currently owns interests in 33 completed motion pictures, subject in certain instances to the prior financial interests of other parties. As discussed herein, in late February 2012, the Company formed Seven Arts Music, Inc. (“SAM”) and acquired 52 completed sound recordings of the recording artist DMX from David Michery (“Michery”) with the rights to additional albums and acquired 100% of the stock of Big Jake Music (“BJM”). As a result, the Company is also in the business of producing and distributing recorded music. On June 30, 2012 Seven Arts Filmed Entertainment LLC (“SAFELA”) was transferred to the Company. SAFELA, which is now 60% owned by the Company, has a 30 year lease to operate a film production and post-production facility at 807 Esplanade in New Orleans, Louisiana. The post production facility commenced operations on August 12, 2012.

On June 11, 2010, SAE, was formed and became a wholly owned subsidiary of PLC. As of June 11, 2010, the Company entered into an Asset Transfer Agreement, as amended on January 27, 2011 and again on August 31, 2011, to transfer certain assets with a cost basis from PLC to SAE, in exchange for assumption by SAE of certain indebtedness and for one share of common stock of SAE for each ordinary share of PLC which have been distributed to shareholders. Additionally, 28,571 shares (adjusted for the 1:70 reverse stock split discussed herein) of SAE were issued to PLC in order to satisfy any remaining obligations. This transfer was approved by the PLC shareholders at an Extraordinary General Meeting on June 11, 2010. The purpose of this transfer was to eliminate our status as a foreign private issuer and to assume compliance with all obligations of a domestic issuer under all applicable state and Federal securities laws. Our intention in executing this transaction was to redomicile our business with no change in the economic interests of our shareholders.

On August 31, 2011, NASDAQ approved the substitution of one share of SAE, Inc. stock for the Company's NASDAQ listing, effective at the opening of trading on September 1, 2011. On that date, each of the Company's ordinary shares were exchanged for one share of common stock of SAE, and commenced trading on NASDAQ as the successor to the Company's NASDAQ listing. This transaction was approved by the Company's shareholders at the Company's Extraordinary General Meeting on June 11, 2010. On August 31, 2012, the Company announced a 1:70 reverse stock split, which was effective immediately. All share references herein have been adjusted to reflect this split.

On November 8, 2011, the Company's listing predecessor, PLC, was placed into involuntary creditors liquidation under English law (See Note 12 – Commitments and Contingencies). Certain indebtedness of PLC remained with PLC and will be subject to administration or payment in those administration proceedings. In accordance with the asset transfer agreement, PLC has been issued 28,571 shares of common stock of SAE in order to satisfy these obligations.

In connection with the acquisition of the music assets of Michery, the Company issued 50,000 shares of our Series B convertible preferred stock, par value \$100 convertible at approximately \$1.10 per share) to Michery and his assigns

and agreed to issue an additional 50,000 shares of the Company's Series B convertible preferred stock to Michery and his assigns if two DMX albums and two Bone Thugs-N-Harmony albums generate an aggregate of net earnings before interest and taxes of \$5,000,000 during the next five fiscal years. The second 50,000 shares are currently held in escrow. Michery is the Chief Executive Officer of SAM.

In connection with the acquisition of the stock of BJM, the Company issued 10,000 shares of the Company's Series B convertible preferred stock, par value \$100 convertible at approximately \$1.10 per share) to Jake Shapiro and his assigns and agreed to issue an additional 70,000 shares of our Series B convertible preferred stock to Shapiro and his assigns if certain specific terms are met 40,000 shares are subject to proving valuation and usage of certain advertising credits and 30,000 shares are subject to an earnout over a two year period. The 70,000 shares are currently held in escrow.

Seven Arts Pictures Louisiana LLC, (“SAPLA”), a related party of the Company, entered into a Credit Agreement with Advantage Capital Community Development Fund LLC dated October 11, 2007, for the acquisition and improvement of the production and post-production facility located at 807 Esplanade Avenue in New Orleans, Louisiana (“807 Esplanade”) for aggregate principal advances of up to \$3,700,000. This agreement was guaranteed by the Company’s predecessor. Approximately \$3,700,000 plus interest has been drawn under the terms of this Credit Agreement, as of June 30, 2012. The Company has now assumed the liability for \$1,000,000 of this amount plus a contingent sum of \$750,000 (contingent on receipt of the tax credit revenues) due to an agreement with the now mortgagor Palm Finance. A construction loan of \$1,850,000 previously guaranteed by the Company has now also been assumed by the Company, through SAFELA, for the grant of a 30 year lease on the property 807 Esplanade to operate a film production and post-production facility

On August 31, 2012, the Company announced a 1-for-70 reverse split of its common stock effective as of 4:01p.m. EDT. The new CUSIP number is 81783N 201. By virtue of the reverse split, every 70 shares of the outstanding common stock were combined and converted into one share of new common stock with resulting fractional shares rounded up to the next whole share. The Company also announced that it will proportionately reduce the number of its authorized shares of common stock.

Seven Arts also announced that, subject to appropriate and required regulatory filings and approvals, it has declared a warrant dividend to those persons beneficially owning its common stock as of the close of the markets on August 31, 2012. For every ten pre-reverse split shares of common stock held as of such date and time, the holders thereof will be entitled to receive one warrant as a dividend. Until its expiration date, each warrant, once distributed following such approvals, will be exercisable for the purchase of one share of the Company's post-reverse split common stock at a price equivalent to today's post-reverse split closing bid price. The warrants will expire on the earlier of (i) the date that the holder disposes of the common stock in respect of which the warrant dividend was declared, if such disposition occurs on or before the close of the markets on October 31, 2012, or (ii) 5:00 p.m., PST, on January 31, 2013. Seven Arts does not expect that a secondary market will develop for such warrants.

On September 14, 2012 the Company’s common stock began trading on the OTC Market’s OTCQB marketplace. The Company’s common shares trade under the Company’s symbol “SAPX.” The Company is applying to trade on the highest OTC marketplace, OTCQX, but is trading on the OTCQB tier until the Company is eligible to trade on the OTCQX.

Trading of the Company’s common stock on The NASDAQ Capital Market was suspended at the opening of business on September 14, 2012, due to the fact that the Company did not meet the \$1 minimum bid price stock listing requirement of NASDAQ for ten trading days prior to September 20, 2012, the expiration date on the Company’s six-month extension to meet this listing requirement.

Audited Financial Statements:

The accompanying audited consolidated financial statements of the Company have been prepared in accordance with accounting principles generally accepted in the United States of America and the rules of the Securities and Exchange Commission. These financial statements are audited and, in the opinion of management, include all adjustments necessary to present fairly the balance sheet, statement of operations, statement of stockholders' equity and statement of cash flows for the periods presented in accordance with accounting principles generally accepted in the United States. The Company's predecessor, PLC, was considered a foreign filer as of its June 30, 2011 year-end, and therefore filed a Form 20-F in December 2011. The 2011 comparative information for the year ended June 30, 2011 have been derived from the June 30, 2011 20-F filing.

Significant Accounting Policies:

The Company's management selects accounting principles generally accepted in the United States of America and adopts methods for their application. The application of accounting principles requires the estimating, matching and timing of revenue and expense. It is also necessary for management to determine, measure and allocate resources and obligations within the financial process according to those principles. The accounting policies used conform to generally accepted accounting principles which have been consistently applied in the preparation of these financial statements.

The financial statements and notes are representations of the Company's management which is responsible for their integrity and objectivity. Management further acknowledges that it is solely responsible for adopting sound accounting practices, establishing and maintaining a system of internal accounting control and preventing and detecting fraud. The Company's system of internal accounting control is designed to assure, among other items, that 1) recorded transactions are valid; 2) valid transactions are recorded; and 3) transactions are recorded in the proper period in a timely manner to produce financial statements which present fairly the financial condition, results of operations and cash flows of the Company for the respective periods being presented.

Basis of Presentation:

The accompanying consolidated financial statements include the accounts of Seven Arts Entertainment, Inc. ("SAE"), and its subsidiaries:

Seven Arts Filmed Entertainment, Limited ("SAFE, Ltd.") (100% owned)

Seven Arts Music, Inc. ("SAM") (100% owned) and

Big Jake Music, Inc. ("BJM") (100% owned)

Seven Arts Filmed Entertainment Louisiana LLC ("SAFELA") (As of June 30, 2012) (60% owned by SAE, 40% owned by Palm Finance)

The Company consolidates its subsidiaries in accordance with Accounting Standards Codification ("ASC") 810, "Business Combinations", and specifically ASC 810-10-15-8 which states, "The usual condition for a controlling financial interest is ownership of a majority voting interest, and, therefore, as a general rule, ownership by one reporting entity, directly or indirectly, or over 50% of the outstanding voting shares of another entity is a condition pointing toward consolidation." The Company does not have any variable interest or special purpose entities. Going forward, the Company will present Palm Finance's 40% share of SAFELA's profit or loss as a noncontrolling interest.

The Company prepares its financial statements on the accrual basis of accounting and in accordance with Generally Accepted Accounting Principles of the United States of America ("US GAAP"). All material intercompany balances and transactions are eliminated. Management believes that all adjustments necessary for a fair presentation of the results

of the year ended June 30, 2012 and 2011 have been made.

F-10

Use of Estimates:

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. The most significant estimates made by management in the preparation of the financial statements relate to ultimate revenue and costs of its films which are used in the amortization and impairment of film costs, estimates for allowances and income taxes. Accordingly, actual results could differ from those estimates.

Recently Issued Accounting Pronouncements:

The Company does not expect the adoption of recently issued accounting pronouncements to have a significant impact on the Company's results of operations, financial position or cash flow.

Revenue Recognition:

FILMS

The Company recognizes revenue from the sale (minimum guarantee or non-refundable advances) or licensing arrangement (royalty agreements) of a film in accordance with ASC 605-15 "Revenue Recognition". Revenue will be recognized only when all of the following criteria have been met:

- a) Persuasive evidence of a sale or licensing arrangement with a customer exists.
- b) The film is complete and, in accordance with the terms of the arrangement, has been delivered or is available for immediate and unconditional delivery. (i.e. the "notice of delivery" ("NOD") has been sent and there is a master negative available for the customer).
- c) The license period of the arrangement has begun and the customer can begin its exploitation, exhibition, or sale.
- d) The arrangement fee is fixed or determinable.
- e) Collection of the arrangement fee is reasonably assured.

A written agreement with clients (purchase order, letter, contract, etc.), indicating the film name, territory and period is required for the recognition of revenue. Revenue is recognized when the performance criteria in the contracts have been met. The customer generally confirms agreement by their signature on the contract.

Minimum guarantee revenue (i.e., non-refundable advances) is recognized as and when the film is available for delivery to the respective territories. Cash deposits received on the signing of the contracts are recorded as deferred revenue until the film is available for delivery (as described above) at which point the deferred revenue is recognized as revenue. The Company does not recognize any revenues relating to minimum guarantee on any motion picture or related amortization expense on that picture until United States theatrical release if it has agreed with the licensees that delivery or payment of minimum guarantee will be delayed for any material period of time to permit such a theatrical release.

Royalty revenue, which equates to an agreed share of gross receipts of films, is recognized as income as and when the Company is notified of the amounts by the customers through their royalty reports. Revenue is recorded net of any sales or value added taxes charged to customers.

MUSIC

Revenue, which equates to an agreed share of gross receipts, is recognized as income when the Company is notified of the amounts by the distribution agent through their distribution reports.

Revenue is recorded:

- a) net of any sales or value added taxes charged to customers
- b) net of discounts agreed with customers
- c) net of returns provision agreed with the distributor and
- d) grossed up for the distribution fee charged by the distribution agent.

Revenue from digital distribution will be reported by the various digital platforms such as iTunes in their periodic reports and posted as received.

FEE RELATED REVENUES

Many countries make tax credits available to encourage film production in the territory. Seven Arts benefits from tax credits in:

- a) The UK and several other European territories for their European productions
- b) Canada for their Canadian productions
- c) Louisiana for their US productions
- d) Tax preferred financing deals

These tax credits may be treated as a reduction in the capitalized costs of the film assets they are financing or as producer fees to us if the tax credits are earned and owned by a company in the Group and paid to us as overhead or producer fees.

SAPLA REVENUE SHARING FEES

Revenue in the form of fee income is due to the Company from related party, SAPLA (owned by the wife of Peter Hoffman, the Company's CEO) in the amount of the net proceeds from the disposition of the tax credits by SAPLA. In accordance with an intercompany agreement between SAE and SAPLA, all revenues earned by SAPLA are due to SAE.

Foreign Currency Transactions and Comprehensive Income:

The Company's functional currency, as well as that of all the Company's subsidiaries, is the US Dollar. The functional currency of the Company's predecessor, was the Pound Sterling ("GPB"), and some transactions which are generated in the United Kingdom are denominated in GBP.

Assets and liabilities generated in a currency other than the functional currency are translated at exchange rates as of the balance sheet date. Revenues and expenses are translated at average rates in effect for the periods presented. The cumulative translation adjustment is included in the accumulated other comprehensive gain (loss) within shareholders' equity. Foreign currency transaction gains and losses arising from exchange rate fluctuations on transactions denominated in a currency other than the functional currency are included in the consolidated results of operations.

Where possible, the Company seeks to match GBP income with GBP expenditures. To date, the Company has not hedged any transactional currency exposure but will keep such exposures under review and where appropriate may enter into such transactions in future.

Income Taxes:

The Company has adopted ASC 740-10 "Income Taxes", which requires the use of the liability method in the computation of income tax expense and the current and deferred income taxes payable.

Cash and Cash Equivalents:

Cash and cash equivalents includes cash in banks with original maturities of three months or less and are stated at cost which approximates market value, which in the opinion of management, are subject to an insignificant risk of loss in value. The cash and cash equivalents of the Company consisted of cash balances held on deposit with banks, including various accounts denominated in US Dollars, Pounds Sterling and Euros.

Accounts Receivable:

Accounts Receivable are carried at their face amount, less an allowance for doubtful accounts. On a periodic basis, the Company evaluates accounts receivable and establishes an allowance for doubtful accounts based on a combination of specific customer circumstances and credit conditions, and on a history of write offs and collections. The Company's policy is generally not to charge interest on trade receivables after the invoice becomes past due. A receivable is considered past due if payments have not been received within agreed upon invoice terms. Write offs are recorded at a time when a customer receivable is deemed uncollectible. The Company's allowance for doubtful accounts was \$171,062 and \$195,623 at June 30, 2012 and June 30, 2011, respectively. Substantially all of the trade receivables in the consolidated financial statements are pledged as security for borrowings by the Company.

Due To/Due From Related Parties

In September 2004, the Company's predecessor entered into an agreement with SAP under which SAP provided the services of Mr. Peter Hoffman for the amount of his contracted salary and the Los Angeles office and staff of SAP Inc. to the Company's predecessor at cost. Pursuant to two inter Company agreements, SAP also from time-to-time owned limited liability companies in the United States which distributed the Company's motion pictures for a fee, with all profits ensuing to the benefit of the Company. These companies also provided other services to the Company at no fee other than Mr. Hoffman's salary and the direct third-party costs of SAP's Los Angeles office, all of which were reflected in the Company's financial statements. Portions of Mr. Hoffman's salary have not been paid to him and have been reflected as Due To Related Party. As of June 30, 2012, \$1,028,388 was owed to Mr. Hoffman for unpaid salary and unreimbursed expenses, as well as repayment of cash he advanced the Company or its predecessors.

These other services may include accounting services, audits of distribution statements, collection of accounts receivable, supervision of production of motion pictures and similar day-to-day aspects of the Company's business. SAP assigned to the Company any proceeds arising from services performed by SAP on its behalf. SAP was granted the power and authority to enter into agreements on the Company's behalf. These agreements have

terminated as of December 31, 2011.

SAP directly or through related various Louisiana limited liability companies have, from time-to-time, made non-interest bearing advances to the Company or its subsidiaries or have received advances back from the Company, and have paid expenses on each other's behalf.

F-13

Fee Income Receivable from Related Party -- Current and Long Term Receivable

Income due from SAPLA under the terms of an intercompany agreement with SAE whereby any revenue earned by SAPLA is due to SAE Inc. Any fees due later than twelve months are classified as Long Term Receivable.

Other Receivables and Prepayments:

The Company has entered into contracts for investor relations and consulting services to assist in future fundraising activities. A portion of these services were prepaid with shares of common stock that vested immediately and will be amortized over the period the services are to be provided. Additionally, the Company has approximately \$200,000 in revenue to be received from digital platforms on the film, *The Pool Boys*, which has been earned but not received as of June 30, 2012.

Film Costs:

Film costs include the unamortized costs of completed films which have been produced by the Company or for which the Company has acquired distribution rights, libraries acquired as part of acquisitions of companies and films in progress and in development. For films produced by the Company, capitalized costs include all direct production and financing costs, capitalized interest and production overhead.

Costs of acquiring and producing films are amortized using the individual-film-forecast method, whereby these costs are amortized and participations and residuals costs are accrued in the proportion that current year's revenue bears to management's estimate of ultimate revenue at the beginning of the current year expected to be recognized from the exploitation, exhibition or sale of the films. The majority of a film's costs (approximately 80% or more) are generally amortized within three years of the picture's initial release.

Ultimate revenue includes estimates over a period not to exceed ten years following the date of initial release. Film costs are stated at the lower of amortized cost or estimated fair value. Individual film costs are reviewed on a title-by-title basis, when an event or change in circumstances indicates that the fair value of a film is less than its unamortized cost. The fair value of the film is determined using management's future revenue and cost estimates and a discounted cash flow approach. Impairment is recorded in the amount by which the unamortized costs exceed the estimated fair value of the film. Estimates of future revenue involve measurement uncertainty, and therefore it is possible that reductions in the carrying value of investment in films may be required as a consequence of changes in management's future revenue estimates.

Films are included in the general "library" category when initial release dates are at least three years prior to the acquisition date.

Films in progress include the accumulated costs of productions which have not yet been completed. Films in development include costs of acquiring film rights to books, stage plays or original screenplays and costs to adapt such projects. Such costs are capitalized and, upon commencement of production, are transferred to production costs. Projects in development are written off at the earlier of the date they are determined not to be recoverable or when abandoned.

Music Assets:

The initial material assets that were acquired comprise 52 completed sound recordings including two completed albums with "DMX", up to two additional albums from "DMX" and up to five albums from "Bone Thugs-N-Harmony".

Music assets include the unamortized costs of completed albums, singles and videos which have been produced by the Company or for which the Company has acquired distribution rights, libraries acquired as part of acquisitions and albums in progress and in development. For albums produced by the Company, capitalized costs include all direct production and financing costs, capitalized interest and production overhead.

Costs of acquiring and producing music assets will be amortized using the individual-album-forecast method, whereby these costs are amortized in the proportion that current year's revenue bears to management's estimate of ultimate revenue at the beginning of the current year expected to be recognized from the exploitation or sale of the music.

F-14

Leasehold Improvements:

On June 30, 2012, the Company acquired SAFELA, which was previously a related party company. SAFELA owns, in its capacity, a 30 year lease on 807 Esplanade, New Orleans, Louisiana, which was constructed as a production and post-production facility for the Company's use. Additionally, SAFELA owns the capitalized leasehold improvements in 807 Esplanade and the related debt which financed the construction. Through this acquisition, the Company has capitalized the leasehold improvements and assumed the debt related. As the leasehold improvements and the debt are booked at the same amounts, no net assets were transferred into the Company and no additional consideration has been paid.

The post production facility commenced operations on July 1, 2012. The leasehold improvements will be amortized over the useful life of the lease.

Property & Equipment:

Equipment is carried at the cost of acquisition or construction and depreciated over the estimated useful lives of the assets. Costs associated with repair and maintenance are expensed as incurred. Costs associated with improvements which extend the life, increase the capacity or improve the efficiency of our property and equipment are capitalized and depreciated over the remaining life of the related asset. Gains and losses on dispositions of equipment are reflected in operations. Depreciation and amortization are provided using the straight-line method over the estimated useful lives of the assets, which are 3 to 5 years.

Impairment of Long Lived Assets:

The Company evaluates, on a periodic basis, long-lived assets to be held and used for impairment in accordance with the reporting requirements of ASC 360-10, "Accounting for the Impairment or Disposal of Long-Lived Assets". The evaluation is based on certain impairment indicators, such as the nature of the assets, the future economic benefit of the assets, any historical or future profitability measurements, as well as other external market conditions or factors that may be present. If these impairment indicators are present or other factors exist that indicate that the carrying amount of the asset may not be recoverable, then an estimate of the discounted value of expected future operating cash flows is used to determine whether the asset is recoverable and the amount of any impairment is measured as the difference between the carrying amount of the asset and its estimated fair value. The fair value is estimated using valuation techniques such as market prices for similar assets or discounted future operating cash flows.

Deferred Income:

Any income received from customers before a film is delivered for release, (such as deposits on distribution contracts) is recorded as a liability called deferred income in case the film does not reach completion and the income has to be returned to customers.

Provision for earn-out for David Michery/Big Jake Music:

The Company's Asset Purchase Agreement with David Michery provided for 50,000 of the Company's \$100 par, Convertible Redeemable Series B Preferred Shares, be held in Escrow until the Net EBIT (as defined in the agreement) from distribution of the DMX Albums and two albums embodying the performance of Bone Thugs-n-Harmony exceeds \$5,000,000, as confirmed by the Company's independent auditor. At the end of five years, should the Net EBIT be less than \$5,000,000, the shares will be released on a fractional basis, as defined in the agreement. The Company has determined the current estimate of fair value of the earnout to be \$0 .

In connection with the acquisition of the stock of BJM, the Company issued 10,000 shares of the Company's Series B convertible preferred stock, par value \$100 convertible at approximately \$1.10 per share) to Jake Shapiro and his assigns and agreed to issue an additional 70,000 shares of our Series B convertible preferred stock to Shapiro and his assigns if certain specific terms are met 40,000 shares are subject to proving valuation and usage of certain advertising credits and 30,000 shares are subject to an earnout over a two year period. The 70,000 shares are currently held in escrow.

The Company has determined the fair value of the earnout with regard until the proving of the media credits is \$50,000, which the Board believes is the value of an equivalent public relations campaign for the two projects for which the credits have been used. Mr. Shapiro does have the right to seek an independent valuation.

Asset Transfer Agreement:

On June 11, 2010, Seven Arts Entertainment, Inc. (“SAE”), a Nevada Corporation, was formed and became a wholly owned subsidiary of Seven Arts Pictures Plc. As of June 11, 2010, the Company entered into an Asset Transfer Agreement, as amended on January 27, 2011 and again on August 31, 2011, to transfer all of the assets with a cost basis from PLC to SAE, in exchange for assumption by SAE of certain indebtedness and for one share of common stock of SAE for each ordinary share of PLC which have been distributed to shareholders. Additionally, 28,571 shares of SAE were issued to PLC in order to satisfy any remaining obligations. This transfer was approved by the PLC shareholders at an Extraordinary General Meeting on June 11, 2010. The purpose of this transfer was to eliminate our status as a foreign private issuer and to assume compliance with all obligations of a domestic issuer under all applicable state and Federal securities laws. Our intention in executing this transaction was to redomicile our business with no change in the economic interests of our shareholders.

The assets and certain of the liabilities of SAP Plc. were brought across at net book value. All related party balances of PLC were left in the original company as were the shares in SAFE(UK) Ltd and Cinematic Finance Ltd. All disputed debts were left with the PLC. The “price” paid for the asset transfer was a one for one share issue in SAE Inc. and an issuance of a further 2,000,000 (pre-split) (28,571 post-split) shares in SAE Inc. The issuance of the 2,000,000 shares was booked at the closing market price on August 31 2011, which was \$0.66/share.

Earnings Per Share:

Basic earnings (loss) per share are computed by dividing net income (loss) by the weighted average number of common shares outstanding for the period. Diluted earnings (loss) per share include the effects of any outstanding options, warrants and other potentially dilutive securities. For the periods presented, there were no potentially dilutive securities outstanding, therefore basic earnings per share equals diluted earnings per share. Basic and diluted earnings per share (“EPS”) are based on weighted-average common shares and exclude shares that would have an anti-dilutive effect. In accordance with ASC 260-10-45-19, the Company did not consider any potential common shares in the computation of diluted EPS as of June 30, 2012 and 2011, due to the loss from continuing operations, as they would have an anti-dilutive effect on EPS.

Share Based Payments:

The Company accounts for share based payments using a fair value based method whereby compensation cost is measured at the grant date based on the value of the services received and is recognized over the service period. The Company uses the Black-Scholes pricing model to calculate the fair value of options and warrants issued. In calculating this fair value, there are certain assumptions used such as the expected life of the option, risk-free interest rate, dividend yield, volatility and forfeiture rate. The use of a different estimate for any one of these components could have a material impact on the amount of calculated compensation expense.

Segment Reporting:

The Company now operates in two business segments as a motion picture producer and distributor and as a music label managing the assets of David Michery and Big Jake Music. The Company believes that its businesses should be reported as two business segments. (See Note 2 - Segment Information). From July 1, 2012 a third segment will be reported; that of post-production income generated by SAFELA at the new facility at 807 Esplanade, New Orleans.

Fair Value Measurements:

ASC Topic 820, "Fair Value Measurements and Disclosures", defines fair value, establishes a framework for measuring fair value in generally accepted accounting principles, and requires certain disclosures about fair value measurements. In general, fair value of financial instruments are based upon quoted market prices, where available. If such quoted market prices are not available, fair value is based upon internally developed models that primarily use, as inputs, observable market based parameters. Valuation adjustments may be made to ensure that financial instruments are recorded at fair value. These adjustments may include amounts to reflect counterparty credit quality and the Corporation's credit worthiness, among other things, as well as unobservable parameters. Any such valuation adjustments are applied consistently over time.

Derivative Instruments:

The Company's policy is to not use derivative or hedging financial instruments for trading or speculative purposes, except certain embedded derivatives derived from certain conversion features or reset provisions attached to the convertible debentures, as described in Note 9.

Reclassification:

Certain prior year balances were reclassified to conform with current year presentation.

NOTE 2 - SEGMENT INFORMATION

In accordance with ASC 280 “Segment Reporting”, operating segments are identified as components of an enterprise about which separate discrete financial information is available for evaluation by the chief operating decision maker, or decision-making group, in making decisions how to allocate resources and assess performance. Our chief decision maker, as defined under the FASB’s guidance, is a combination of the Chief Executive Officer and the Chief Financial Officer.

In the quarter ended March 31, 2012, the Company formed a new subsidiary, Seven Arts Music, and acquired music assets from David Michery and purchased the stock of Big Jake Music. This is a new line of business for the Company, and therefore, now has two reportable operating segments.

The table below presents the financial information for the two reportable segments for the year ended June 30, 2012. Comparable financial information for 2011 is not presented as the Company only had one segment during that time.

	Year ended

	Film	Music	Total
Revenue	\$8,357,927	\$5,977	\$8,363,904

Income from operations	\$(5,425,046)	\$(124,559)	\$(5,549,604)

As of June 30, 2012, the Company had film assets of \$14,612,609 and music assets of \$2,923,474. As of June 30, 2011, all of the Company’s assets were related to film.

From July 1, 2012 there will be three segments reported with the commencement of the post production facility operations at 807 Esplanade.

NOTE 3 – RELATED PARTY DUE TO/DUE FROM

SAP, Inc. directly or through related various Louisiana limited liability companies have from time-to-time made non-interest bearing advances to the Company or its subsidiaries or have received advances back from the Company. The balances of these combined accounts due to the Company as of June 30, 2012 and June 30, 2011 were \$1,055,632 and \$2,725,974, respectively.

As at June 30, 2012	SAE INC	SAFE	CONSOLIDATED BALANCE
SAP Inc	\$ 1,801,098	\$ (20,850)	\$ 1,780,248
SAP LOU	336,290	-	336,290
Peter Hoffman	(1,028,389)	(18,961)	(1,047,350)
SAFE (UK)	-	(13,556)	(13,556)
	\$ 1,108,999	\$ (53,367)	\$ 1,055,632

SAP, Inc. has pledged an interest in its shares of the Company's stock to secure certain indebtedness for which SAP, Inc. and the Company are jointly liable such as the Apollo and Armadillo debts. The stock of SAP, Inc. (previously owned by Peter Hoffman) was transferred to the listing predecessor of SAE on September 1, 2011.

SAP Inc. and Louisiana Companies:

The Company's Chief Executive Officer, Peter Hoffman, controls several companies, including (prior to September 10, 2011) Seven Arts Pictures, Inc. ("SAP, Inc.") that are not part of the Company but from which it obtains or transfers distribution rights or other assets related to the business and which control production of the motion pictures. The agreements with Mr. Hoffman, and the companies controlled by him, provide that all revenues related to the Company's business payable to Mr. Hoffman or any of these related party companies is due to the Company, except Mr. Hoffman's salary, bonus and stock ownership. None of these affiliates are variable interest or special purpose entities.

Pursuant to a related party agreement, SAP, Inc. holds ownership of limited liability corporations in the United States, with all distribution rights and profits thereof being due to SAFE, Ltd. In addition, they have also provided other services for Seven Arts Pictures Plc. and SAFE, Ltd. and SAE, Inc. at no fee other than Mr. Hoffman's salary and the direct third party costs of the Los Angeles office, all of which are reflected in the financial statements of SAFE, Ltd. These other services include any reasonable requests of the management of the Company including accounting services, audits of distribution statements, collection of accounts receivable, supervision of production of motion pictures and similar day-to-day aspects of the Company's business. Effective January 1, 2012 no further such transactions are intended.

The Company has made and received advances, and paid expenses on each other's behalf, from and to SAP Inc. and various Louisiana limited liability companies referred to above, where the advances from and to these related parties do not bear interest. The balances of these combined accounts were \$1,055,633 and \$2,725,974 as of June 30, 2012 and 2011, respectively.

807 Esplanade Guarantee:

Seven Arts Pictures Louisiana LLC, ("SAPLA") a related party of the Company, entered into a Credit Agreement with Advantage Capital Community Development Fund LLC dated October 11, 2007, for the acquisition and improvement of the production and post-production facility located at 807 Esplanade Avenue in New Orleans, Louisiana for aggregate principal advances of up to \$3,700,000. This agreement was guaranteed by the Company's predecessor. Approximately \$3,700,000 plus interest has been drawn under the terms of this Credit Agreement, as of June 30, 2012. The Company has now assumed the liability for \$1,000,000 of this amount plus a contingent sum of \$750,000 due to Advantage Capital (contingent on receipt of tax credit revenues) due to an agreement with the now mortgagor Palm Finance.

A construction loan of \$1,850,000 previously guaranteed by the Company has now been assumed by the Company for 807 Esplanade.

807 Esplanade Advances:

On February 28, 2012, the Company took out a convertible loan of \$200,000 from Rowett Capital Ltd. These have been loaned to 807 Esplanade to cover outstanding interest payments due on the construction loan on 807 Esplanade previously guaranteed by the Company (see below). Three additional convertible loans were taken out totalling \$600,000 and then loaned onto SAPLA to pay down the construction loan on the property 807 Esplanade, as to not further delay the construction and opening of the facility, for which the Company will have a 30 year lease.

Loan Arrangements:

In connection with the loan of \$500,000 with JMJ Financial entered into on June 27, 2012, and a new loan entered into subsequent to year-end with Tonaquint Inc. of \$435,000, the Company sold to Mr. Hoffman, at market price, who in turn will pledge 8,000,000 shares to JMJ and have pledged 7,000,000 shares to Tonaquint of our common stock, respectively, in exchange for a portion of the Company's existing indebtedness to Mr. Hoffman. Mr. Hoffman has agreed to return these shares to the Company if not utilized by the pledges.

NOTE 4 – FEE INCOME RECEIVABLE FROM RELATED PARTY

Under the terms of the related party agreement between SAPLA and SAE Inc. all income generated by SAPLA is due to SAE Inc. as fee income. SAPLA is due to receive approximately \$9,447,544 from disposition of Louisiana and Federal historic rehabilitation and film infrastructure tax credits for the restoration and the establishment of a post-production facility at 807 Esplanade.

SAPLA will pay the proceeds from disposition of such tax credits to SAE Inc. as fee income. The Company has provided a reserve of \$1,906,646 against this receipt to allow for cost of disposing the credits and a further reserve against potential disallowance of any expenditures by Louisiana or Federal taxing authorities, which is not anticipated by Management.

SAPLA has filed for historical rehabilitation tax credits available from the United States (26%) and Louisiana (25%) on approximately \$9,500,000 of historical rehabilitation expenses paid in connection with the renovation of the

building and property at 807 Esplanade Avenue in New Orleans, Louisiana (the “Property”) and reflected in a compilation of expenses by an independent accounting firm. SAPLA has filed the Part I application for historic rehabilitation credits and has received the Part II and Part III approvals from the United States Department of Parks with respect to the Property. SAPLA will allocate the Federal historic rehabilitation credits to investors in its lessee, 807 Esplanade Ave. MT LLC (“MT”), and receive cash or reduction in indebtedness as a result of such allocation. SAPLA will assign the Louisiana historic rehabilitation for cash.

F-19

SAPLA has also filed for Louisiana film infrastructure tax credits (40%) on all of its investment of approximately \$11,500,000 in connection with the Property to date, as reflected in an audit report of an independent accounting firm (which also includes audits of all rehabilitation expenses). SAPLA has approval from Louisiana that the Property is a certified state film infrastructure project and SAFELA, as lessee of MT, is now operating a production and post production facility at the Property.

Louisiana has certified approximately \$6,500,000 of film infrastructure expenditure, the tax credits accruing on which SAPLA will assign for cash, with the remaining expenses remaining under consideration by the Louisiana Department of Economic Development (“LED”). SAPLA has received no objections to any of its film rehabilitation expenses from LED as reflected in the audit report submitted to LEDF on July 2, 2012. Under a published Opinion of the Attorney General of Louisiana, the Louisiana tax credits vest upon certification as a film infrastructure project which occurred in 2008. Revenue is not recognized until the required audit or compilation is complete and available to be submitted to the appropriate agency. The reserve established by the Company against the revenue to be received from SAPLA from disposition of the tax credits reflects potential discounts on the assignment of credits for cash and any potential reduction in the amount of expenses that may be subject to credits by objection of any Federal or Louisiana agency, even though the Company has at present no reason to believe there will be any such reductions.

NOTE 5 – FILM COSTS

Film costs as of June 30, 2012 and June 30, 2011 are as follows:

	June 30, 2012	June 30, 2011
Film Costs, beginning of period	\$23,133,559	\$ 23,808,869
Additions to film costs during the period	1,934,873	2,168,424
Total film costs	25,068,432	25,977,293
Less: Amortization and impairment for the period	(3,996,576)	(2,843,734)
Less: One time revaluation due to asset transfer	(6,459,247)	-
Total film costs, net of accumulated amortization	\$ 14,612,609	\$ 23,133,559

Amortization of film costs was \$3,996,576 and \$2,843,734 for the year ended June 30, 2012 and 2011. The Company reviews capitalized film costs for impairment whenever events or changes in circumstances indicate that the carrying amounts of such assets may not be recoverable or at least once per year. Determination of recoverability is based on an estimate of future cash flows resulting from the use of the asset, and its eventual disposition. Measurement of an impairment loss for the assets is based on the fair value of the asset as estimated using a discounted cash flow model. The Company had a one time revaluation due to asset transfer of \$6,459,247 related to the one time revaluation.

NOTE 6 – MUSIC ASSETS

Music assets as of June 30, 2012 and June 30, 2011 are as follows:

	June 30, 2012	June 30, 2011
Music assets, beginning of period	\$-	\$-
Additions to music assets during the period	2,923,474	-
Total music assets	2,923,474	-
Less: Accumulated amortization	-	-
Total music assets, net of accumulated amortization	\$2,923,474	\$-

The initial material assets that were acquired comprise 52 completed sound recordings including two completed albums with “DMX”, up to two additional albums from “DMX” and up to five albums from “Bone Thugs-N-Harmony”.

The music assets were recorded at the value of the preferred stock issued, and capitalized costs incurred in the production of the current DMX album and related videos.

Due to the decline in the common stock price, the Company reviewed the redemption value of the Series B Preferred Stock to common and, as agreed by the Board of Directors, revalued the Series B Preferred Stock at the 10 day volume weighted closing bid price of the Company’s common stock on September 30, 2012 (\$0.29/share), as if all shares of Series B Preferred Stock issued and not in escrow were converted in common stock at the conversion price of \$1.10 per share. No earnout provision has been made for any shares of Preferred Stock not now issued, as management does not believe the conditions for release of such shares will be met.

The Company reviews capitalized music assets for impairment whenever events or changes in circumstances indicate that the carrying amounts of such assets may not be recoverable or at least once per year. Determination of recoverability is based on an estimate of future cash flows resulting from the use of the asset, and its eventual disposition. Measurement of an impairment loss for the assets is based on the fair value of the asset as estimated using a discounted cash flow model. As of June 30, 2012, no impairment has been booked.

NOTE 7 – LEASEHOLD IMPROVEMENTS

On June 30, 2012, the Company acquired SAFELA, which was previously a related party company. SAFELA owns, in its capacity, a 30 year lease on 807 Esplanade, New Orleans, Louisiana, which was constructed as a production and post-production facility for the Company’s use. Additionally, SAFELA owns the capitalized leasehold improvements in 807 Esplanade and the related debt which financed the construction. Through this acquisition, the Company has capitalized the leasehold improvements and assumed the debt related. As the leasehold improvements and the debt are booked at the same amounts, no net assets were transferred into the Company and no additional consideration has been paid.

The post production facility commenced operations on July 1, 2012. The leasehold improvements will be amortized over the useful life of the lease.

*The Company does not agree with \$957,696 of interest charged by Palm on these two film loans and believes the dispute will be resolved once the loans are repaid.

** In connection with this loan of \$500,000 with JMJ Financial, and a new loan entered into with Tonaquint Inc. of \$435,000, the Company issued to Mr. Hoffman, the Company's CEO, who in turn will pledge 8,000,000 shares to JMJ and has pledged 7,000,000 shares of common stock to Tonaquint, in exchange for a portion of our existing indebtedness to Mr. Hoffman. Mr. Hoffman has agreed to return these shares to the Company if not levied on by the pledges.

The Company converted \$2,963,028 of the film and production loans into 85,562 shares of common stock during the three months ended September 30, 2011, \$906,000 of film and production loans for 49,863 shares of common stock in the 2nd quarter ended December 31, 2011 and \$943,580 of film and production loans for 96,424 shares of common stock in the 3 months to March 31, 2012 and \$2,629,152 of film and other loans for 602,097 shares of common stock in the 3 months to June 30, 2012.

Palm Agreement

The Company entered into two senior financing loan and security agreements with Palm to finance the production costs of The Pool Boys, Autopsy and Nine Miles Down dated May 7, 2007 and December 17, 2007. These loans are secured by the revenues to be collected from these motion pictures. The revenues so far collected have been insufficient to repay the majority of these loans, primarily as result of management's decision to delay the release of these films.

In July, 2011 we entered into an amended financing agreement with Palm in to refinance the existing indebtedness secured by our production and post-production facility in New Orleans, Louisiana under which Palm has acquired the existing credit facility of \$3,700,000 plus accrued interest of our affiliate SAPLA for \$1,000,000 of this amount plus a contingent sum of \$750,000 (contingent on receipt of the tax credit revenues) and advanced an additional \$1,800,000 to complete renovation and construction of this facility. Palm's advance and interest at the rate of 15% per annum are due and payable within five years and are secured by the property at 807 Esplanade Avenue in New Orleans and Louisiana film infrastructure and historical rehabilitation credits, as well as Federal historical rehabilitation credits associated with the Property. Under this arrangement the group guaranteed the debt on the post production facility and Palm forgave a total of \$4,458,624 of principal and interest on the two production loans as well as reduced the liability on the New Orleans production facility by \$1,950,000 in exchange for the group guaranteeing the production facility debt. Palm's advance and interest at the rate of 15% per annum are due and payable within five years and are secured by the property at 807 Esplanade Avenue in New Orleans and Louisiana film infrastructure and historical rehabilitation credits, as well as Federal historical rehabilitation credits associated with the Property and cross guaranteed the Company, its affiliates and CEO, Peter Hoffman.

In June, 2012 as detail in Note 7 the Esplanade debt was assumed by SAFELA in exchange for a 30 year lease on the facility. SAFELA was in turn acquired by the Company. At June 30, 2012 debt and accrued interest under the amended agreement total \$8,946,000.

Trafalgar

SAP Plc. Borrowed £1,000,000 (\$1,651,000) convertible debenture from Trafalgar Capital Special Investment Fund ("Trafalgar") that came due on June 30, 2009. We were unable to repay the debenture and as a result, we defaulted on a payment of £1,000,000 plus interest to Trafalgar Capital Special Investment Fund in June 2009.

On September 2, 2009 the Group repaid Trafalgar \$1,000,000 as a partial payment against this loan, with the remaining balance subject to repayment in cash or convertible to the shares of common stock of the Group at the conversion terms as agreed between Trafalgar and the Group. On June 22, 2010 an amended agreement was entered into with Trafalgar for an extension of the due date of the convertible debentures to December 31, 2010, and the Group agreed to issue 971 shares of common stock to settle a portion of the debt. Trafalgar agreed to reduce the loan amount from the proceeds it received from selling the shares of common stock. The transaction was consummated subsequent to the date of the financial statements and all 971 had been sold by December 31, 2010. Subsequent to June 30, 2010, a further amended agreement was entered into with Trafalgar for an extension of the due date of the convertible debentures to March 31, 2011, and the Group agreed to issue 1214 shares of common stock to settle a portion of the debt. Trafalgar agreed to reduce the loan amount from the proceeds it received from selling the 1,214 shares of common stock. The current balance outstanding on the loan after sale of these shares is approximately \$530,000.

NOTE 13 – COMMITMENTS AND CONTINGENCIES

Creditors Liquidation of SAP Plc.

The Company’s listing predecessor Seven Arts Pictures Plc. (“PLC”) was placed by the English Companies Court into compulsory liquidation on November 8, 2011. The Company’s CEO, Mr. Peter Hoffman, as a director of PLC had sought an administration order but this request was denied by the Courts as a result of inter alia the opposition of Parallel Pictures LLC (“Parallel”). PLC’s principal creditors have appointed a liquidator for the orderly winding up of its remaining assets not transferred to the Company pursuant to the Asset Transfer Agreement, effective January 27, 2011.

Based on discussions with the liquidator, our management believes this liquidation proceeding will have no material effect on the cost, business or market value of common stock.

On June 11, 2010, Seven Arts Entertainment, Inc. (“SAE”), a Nevada Corporation, was formed and became a 100% owned subsidiary of Seven Arts Pictures Plc. As of June 11, 2010, the Company entered into an Asset Transfer Agreement, as amended on January 27, 2011 and again on August 31, 2011, to transfer all of the assets with a cost basis from PLC to SAE, in exchange for assumption by SAE of certain indebtedness and for one share of common stock of SAE for each ordinary share of PLC which have been distributed to shareholders. Additionally, 2,000,000 shares of SAE were issued to PLC in order to satisfy any remaining obligations. SAE Inc. may issue more shares of its common stock to resolve any claim made on the liquidation of PLC. The 2,000,000 pre-split shares were originally booked on January 27, 2012 at the market price on the day the SEC approved the transaction ie \$3.94/share. Management now believe the shares should be booked at the August 31, 2012 market price of \$0.66/share which is the date from which the shares in SAE were tradeable.

807 Esplanade Guarantee

Seven Arts Pictures Louisiana LLC, a related party and/or an affiliate of the Company, entered into a Credit Agreement with Advantage Capital Community Development Fund LLC dated October 11, 2007, for the acquisition and improvement of the production and post-production facility located at 807 Esplanade Avenue in New Orleans, Louisiana (“807 Esplanade”) for aggregate principal advances of up to \$3,700,000. This agreement was guaranteed by the Company’s predecessor. Approximately \$3,700,000 plus interest has been drawn under the terms of this Credit Agreement, as of June 30, 2012. The Company has now assumed the liability for \$1,000,000 of this amount plus a contingent sum of \$750,000 due to Advantage Capital (contingent on receipt of the tax credit revenues) due to an agreement with the now mortgagor Palm Finance. A construction loan of \$1,850,000 previously guaranteed by the Company has now been assumed by the Company. The Company has a 30 year lease on the property to operate a production and post-production facility.

Armadillo

The Company has guaranteed a \$1,000,000 note plus interest due to Armadillo by the Employee Benefit Trust of the Company's listing predecessor resulting from the purchase of Seven Arts preferred stock from Armadillo.

Fireworks Litigation

SAFE prevailed in a motion for summary adjudication in the Supreme Court of Ontario, Canada on February 10, 2011 in an action against CanWest Entertainment and two of its affiliates ("CanWest") confirming our ownership of five motion pictures, "Rules of Engagement", "An American Rhapsody", "Who Is Cletus Tout", "Omega", and "The Believer" (collectively, the "Copyrights"). SAFE filed an action in England on September 7, 2011 in the High Court of England and Wales against Content Media Corporation ("Content") and Paramount Picture Corp. ("Paramount") to recover the Copyrights and substantial damages for the use of the copyrighted works after their purported acquisition from CanWest. We may incur up to \$200,000 or more in legal expenses to pursue this claim but expect to recover those fees from Content. We also filed an action on May 27, 2011 in the United States District Court for the Central District of California for copyright infringement against Paramount. This action was dismissed based on the applicable statute of limitations and is currently on appeal to the Ninth Circuit Court of Appeals.

Jonesfilm

The Company's subsidiary, SAFE, PLC, CineVisions, and CEO Peter Hoffman were the subject of two arbitration awards of attorney fees totaling approximately \$900,000, with interest and charges, both of which were reduced to judgment in favor of Jonesfilm ("JF") in Superior Court of the State of California for the County of Los Angeles and in United States District Court for the Central District of California. The Company paid approximately \$525,000, the amount of the first arbitration award plus interest and charges, in November 2011. Management believes the Company has no further liability in this matter. JF asserted on or about October 6, 2010 in an enforcement of judgment action in the United States District Court for the Eastern District of Louisiana against PLC, SAFE, SAP and Mr. Hoffman that the Company is liable as the "successor in interest" to the remaining arbitration award which was sentenced in the United States District Court for the Central District of California on June 19, 2007, which the Company denies.

Arrowhead Target Fund

Seven Arts Future Flows ("SFF") a limited liability company owned by SAP, now owned by PLC (in liquidation), obtained financing from Arrowhead) of approximately \$8,300,000 (the "Arrowhead Loan"). SFF secured the Arrowhead Loan with liens on 12 motion pictures that generated final revenues to the Group of \$820,026 in the Fiscal Year Ended June 30, 2009; \$2,739,800 in the Fiscal Year Ended March 31, 2008 and \$544,478 in the three month period ended June 30, 2008. The only liability is to repay the Arrowhead Loan from the proceeds of the film assets pledged against the Arrowhead Loan. The Company is not required to repay the Arrowhead Loan from any of its other assets or revenues. SAFE was the collateral agent of the film assets.

The Arrowhead Loan became due in February 2009 and SFF has not paid the outstanding principle and accrued interest. Arrowhead has the right to foreclose on the pledged film assets, but has not done so. SFF has received a default notice and as a result Arrowhead is now collecting directly all sums otherwise receivable by us with respect to these motion pictures, and has appointed a new servicing agent for these motion pictures. As a result, the Company can no longer control the licensing of these motion pictures. Failure to repay or refinance the Arrowhead Loan could result in a material disposition of assets through the loss of the Company's rights to the 12 motion pictures and related loss of revenues in amounts that are difficult to predict.

As a result of the foregoing, we removed all assets accounts relating to the 12 motion pictures pledged to Arrowhead and the corresponding limited recourse indebtedness from our consolidated balance sheet at fiscal year ended June 30, 2009, due to the fact that the loan was a limited recourse loan and we have no further obligations to Arrowhead beyond the pledged film assets.

Arrowhead filed an action on September 22, 2010 in The Supreme Court of the State of New York which seeks recovery from PLC, Mr. Hoffman and his wife, SAFE, CineVisions, SFF and SAP of the monies that we retained under our interpretation of the relevant agreements with Arrowhead. In addition, Arrowhead has made substantial additional claims against us, Mr. Hoffman and SAP regarding claimed breaches of the terms of the operative agreements, including failure to account properly, failure to turn over materials, failure to remit monies collected, and similar matters. Arrowhead's claims against us for these alleged breaches are \$8,300,000 although it has not stated any basis for this amount.

The Company moved to dismiss the Arrowhead action against all defendants other than SFF. On August 9, 2011, the New York Supreme Court granted the motion and dismissed all defendants except SFF and SAFE in its capacity as a collateral agent, which is not a material element of Arrowhead claim. We continue to believe that Arrowhead's claims against us are without substantial merit. Arrowhead has refiled its claim against the dismissed defendants in the Supreme Court of New York. On April 17, 2012 against the same defendants under an "alter ego" theory. SAFE and SFF have moved to dismiss these claims.

Arrowhead Capital Partners Ltd. – AGC Loan

PLC and several of our affiliates were named as defendants in an action by Arrowhead Capital Partners Ltd. filed in the Supreme Court of New York, County of New York, purportedly served on May 24, 2010, seeking to collect \$1,000,000 plus interest (the "ACG Loan") due to Arrowhead Consulting Group LLC ("ACG"), as well as to foreclose on the collateral granted as part of the Cheyne Loan described in note 13 to our financial statements under "Production Loans". The ACG Loan is fully subordinated to repayment of the Cheyne Loan, which has not been repaid. One of SAE's subsidiaries has acquired all Cheyne's rights under the subordination provision of the Cheyne Loan. As a result, our management does not believe that ACG has the right to maintain this action to collect any monies or to foreclose on any collateral pursuant to the Cheyne Loan. ACG obtained summary judgment against PLC and certain of our former affiliates which is now on appeal. We expect this action will be stayed by reason of the liquidation proceedings of PLC discussed under "Liquidation of Seven Arts Pictures Plc."

Investigation into Claim for Tax Credits (SAPLA)

The US Attorney in New Orleans is investigating claims for Louisiana film infrastructure tax credits, including such tax credits to be claimed by Seven Arts Pictures Louisiana LLC, ("SAPLA") an affiliate of the Company. This investigation appears to include investigation as to whether certain expenses claimed by this affiliate were improper or fraudulent. All such claimed expenses were audited by independent auditors in Louisiana and reviewed by counsel. Management believes that this investigation will not have any material adverse effect on or operations or the total tax credits to be received by our affiliates, but could result in charges against current or former employees of this affiliate, including Mr. Hoffman, based on prior audits. The tax credits receivable by SAPLA (of which the State and Federal rehabilitation credits have been approved) are based on new tax credit audits carried out in Louisiana, not the audits mentioned here.

Parallel Actions

On June 28, 2011, PLC (predecessor) filed an action in the High Court of England and Wales against Parallel to collect sums due to PLC with respect to acquisition of distribution rights in Russia to four motion pictures and to

confirm Parallel's obligations under both a signed and unsigned investment agreement with respect to the motion picture project Winter Queen. On the same day, Parallel filed a petition to wind up and liquidate PLC in the Companies Courts of England based on its claim of repayment of \$1,000,000 of investment made by Parallel in Winter Queen. PLC is not a part of the Company. On September 19, 2011, Parallel filed a new action against PLC and us in the Los Angeles County Superior Court of California, asserting the same claims as in the winding up petition and seeking to enjoin the proposed administration proceedings in England. Its request for a preliminary injunction was denied by the Superior Court. Parallel in California has been stayed by reason of the "Recognition Order" described in "Liquidation of Seven Arts Pictures plc." But Parallel may be permitted to pursue its remedies in the Los Angeles Superior Court proceedings depending on actions of the liquidator.

HMRC Investigation

On July 19, 2011 Officers of Her Majesty's Revenue & Customs ("HMRC") attended the offices of PLC in London. Documents were retained appertaining to arrangements involving the subscription for shares in a number of companies which had lost value, resulting in subscribers making claims to tax relief.

PLC's participation in these transactions was limited to its transfer of rights to certain motion pictures to the investors in return for their investments in the production and release costs of those pictures and making available the provision of loans to fund a portion of those investments. PLC received no tax benefits from the transactions, which were made on arms-length terms. PLC believes that it is not a subject of the HMRC investigation.

In connection with the transactions, PLC did not make any representations or warranties to any party, including the investors, regarding any potential tax benefits related to the transactions. Prior to the closing of the transactions, the investors obtained and made available to PLC, an opinion of prominent Queen's counsel, specializing in United Kingdom tax laws, that the transactions were permitted and acceptable under the terms of the applicable United Kingdom revenue laws. PLC remains confident that the transactions were permitted and acceptable under the terms of the applicable United Kingdom revenue laws.

HMRC has requested interviews with three officers of PLC to discuss whether those officers were involved in the arrangements for subscription of shares in the relevant companies, the first of which with Ms. Elaine New, CFO, occurred in April 2012 and a second in May 2012. PLC is fully cooperating with the investigation. PLC believes there is no basis for any claim of responsibility of any of its officers or employees. Based on facts currently known by PLC, there is no need for it to record a contingent liability in its financial statements in connection with the investigation or the related transactions.

NOTE 14 – FAIR VALUE MEASUREMENTS

Cash, accounts receivable, accounts payable and other accrued expenses and other current assets and liabilities are carried at amounts which reasonably approximate their fair values because of the relatively short maturity of those instruments.

ASC 820, "Fair Value Measurements and Disclosures", establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Company has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

F-31

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Company believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. As of June 30, 2012 and June 30, 2011, all of the Company's financial assets and liabilities were considered current and due to the short maturity the carrying amounts are considered to approximate fair value.

NOTE 15 – RECENT ACCOUNTING PRONOUNCEMENTS

In May 2011, the FASB issued guidance intended to achieve common fair value measurements and related disclosures between U.S. GAAP and international accounting standards. The amendments primarily clarify existing fair value guidance and are not intended to change the application of existing fair value measurement guidance. However, the amendments include certain instances where a particular principle or requirement for measuring fair value or disclosing information about fair value measurements has changed. This guidance was effective for the periods beginning after December 15, 2011, and early application is prohibited. The Company adopted these amendments on January 1, 2012; and the requirements did not have a material effect.

In June 2011, the FASB issued Accounting Standards Update (“ASU”) No. 2011-05, “Comprehensive Income — Presentation of Comprehensive Income.” ASU No. 2011-05 eliminates the option to present the components of other comprehensive income as part of the statement of stockholders' equity. It requires an entity to present the total of comprehensive income, the components of net income, and the components of other comprehensive income either in a single continuous statement of comprehensive income or in two separate but consecutive statements. In December 2011, the FASB issued ASU 2011-12, “Comprehensive Income — Deferral of the Effective Date for Amendments to the Presentation of Reclassifications of Items Out of Accumulated Other Comprehensive Income in ASU 2011-05,” to defer the effective date of the specific requirement to present items that are reclassified out of accumulated other comprehensive income to net income alongside their respective components of net income and other comprehensive income. All other provisions of this update, which are to be applied retrospectively, were effective for fiscal years, and interim periods within those years, beginning after December 15, 2011. The Company adopted these amendments on January 1, 2012; and the requirements did not have a material effect.

In December 2011, the FASB issued ASU No. 2011-11, “Balance Sheet — Disclosures about Offsetting Assets and Liabilities.” ASU 2011-11 requires entities to disclose information about offsetting and related arrangements of financial instruments and derivative instruments and will be applied retrospectively for all comparative periods presented. ASU 2011-11 is effective for annual reporting periods beginning on or after January 1, 2013, and interim periods within those annual periods. The Company currently believes that this ASU will have no significant impact on its consolidated financial statements.
