Legal proceedings

The Group is involved in a number of judicial, regulatory and arbitration proceedings concerning matters arising in connection with the conduct of its businesses. Some of these actions have been brought on behalf of various classes of claimants and seek damages of material and/or indeterminate amounts. The Group believes, based on currently available information and advice of counsel, that the results of such proceedings, in the aggregate, will not have a

material adverse effect on its financial condition but might be material to operating results for any particular period, depending, in part, upon the operating results for such period.

Information on the Group's legal proceedings is set forth in "Note 23 – Litigation" in the Notes to the condensed consolidated financial statements in the Credit Suisse Financial Statements 3Q07.

South Africa litigation

With respect to the appeal taken against the decision of the US District Court for the Southern District of New York (SDNY) dismissing the actions in the South Africa litigation matters disclosed in Item 8 of our Annual Report on Form 20-F for the year ended December 31, 2006, in October 2007, the US Court of Appeals for the Second Circuit reversed the decision of the SDNY as to certain claims and remanded the case to the SDNY for further proceedings.
