TFS Financial Corporation Announces Resumption of Fourth Stock Repurchase Program

(Cleveland, OH - September 26, 2013) - TFS Financial Corporation (NASDAQ: TFSL) (the "Company"), the holding company for Third Federal Savings and Loan Association of Cleveland (the "Association"), today announced that it has received a written non-objection from the Federal Reserve System ("Federal Reserve") to resume its fourth stock repurchase program. The fourth stock repurchase program has 2,156,250 shares of outstanding common stock remaining to be purchased under its terms. Repurchases will begin no sooner than October 1, 2013.

The fourth stock repurchase program was originally approved by the Board of Directors of the Company in March, 2009, but was suspended in August, 2010 when a Memorandum of Understanding ("MOU") was entered into with its previous regulator, the Office of Thrift Supervision. A MOU, now under the enforcement of the Federal Reserve, remains in effect and requires the Company to submit a written request for non-objection to the Federal Reserve at least 45 days prior to the anticipated date of any proposed debt, dividend or stock repurchase transactions. The Federal Reserve has only provided non-objection to the completion of the fourth stock repurchase program. Any future proposed debt, dividend or stock repurchase transactions remain subject to the terms of the MOU.

The stock repurchase program may be carried out at the direction of management, subject to the limitations set forth in Rule 10b-18 of the Securities and Exchange Commission and other legal requirements, and any further limitations that may be established by the Board of Directors. Repurchases may be made through open market purchases, block trades, and in negotiated private transactions. The stock may be repurchased on an ongoing basis and will be subject to the availability of stock, general market conditions, the trading price of the stock, alternative uses for capital and the Company's financial performance. The program may be suspended, terminated or modified at any time for any reason without prior notice. Any repurchased shares will be held as treasury stock and will be available for general corporate purposes.
