Item 1.01. Entry into a Material Definitive Agreement.

On May 31, 2012, Globe Specialty Metals, Inc. (the “Company”) entered into a Credit Agreement (the “Credit Agreement”) with the lenders party thereto, Fifth Third Bank as administrative agent (in such capacity, the “Administrative Agent”) and L/C issuer and the other parties party thereto. The Credit Agreement provides for a \$300 million five-year revolving multi-currency credit facility (the “Facility”), which includes provisions for the issuance of standby letters of credit, a \$10 million sublimit for swingline loans and a \$25 million sublimit letter of credit facility. At the Company’s election, the Facility may be increased from time to time by an amount up to \$125 million in the aggregate; such increase may be in the form of term loans or increases in the revolving credit line. The Credit Agreement contains provisions for adding domestic and foreign subsidiaries of the Company as additional borrowers under the Facility. The Facility terminates May 31, 2017, and requires no scheduled prepayments before that date.

Interest on borrowings under the Credit Agreement is payable, at the Company’s election, at either (a) a base rate (the higher of (i) the U.S. federal funds rate plus 0.50% per annum, (ii) the Administrative Agent’s “prime rate” or (iii) an adjusted (as set forth in the Credit Agreement) London Interbank Offered Rate for loans with a one month interest period plus 1.00% per annum) plus a margin ranging from 0.75% to 1.50% per annum (such margin determined by reference to the leverage ratio set forth in the Credit Agreement), or (b) the adjusted London Interbank Offered Rate plus a margin ranging from 1.75% to 2.50% per annum (such margin determined by reference to the leverage ratio set forth in the Credit Agreement). Certain commitment fees are also payable under the Credit Agreement.

The Credit Agreement contains various covenants. They include, among others, a maximum total debt to earnings before income tax, depreciation and amortization ratio, a minimum interest coverage ratio and a maximum capital expenditures covenant.

The Facility is guaranteed by certain of the Company’s domestic subsidiaries (the “Guarantors”). Borrowings under the Credit Agreement are collateralized by substantially all of the assets of the Company and the Guarantors, including certain real property, equipment, accounts receivable and inventory and the stock of certain of the Company’s and the Guarantors’ subsidiaries.

A joint venture company that is 51% owned by the Company has an amended and restated revolving credit facility with Fifth Third Bank, in an amount of \$20 million. The Company has several equipment leases with Fifth Third Bank totaling more than \$10 million.

The Credit Agreement is attached as Exhibit 10.1 to this current Report on Form 8-K and is incorporated herein by reference. The foregoing description of the Credit Agreement is qualified in its entirety by reference to such Exhibit.
