**IMPORTANT NOTICE REGARDING THE AVAILABILITY OF PROXY MATERIALS
FOR THE SHAREHOLDERS' MEETING TO BE HELD APRIL 9, 2013**

This Proxy Statement (providing important information for the Annual Meeting) and the Company's Annual Report (which includes its Annual Report on Form 10-K as filed with the Securities and Exchange Commission) accompany this Notice. The Proxy Statement and 2012 Annual Report to Shareholders are available at <http://www.banksc.com> and at <http://www.proxyvote.com>.

Who is Entitled to Vote?

The Board of Directors of the Company has fixed the close of business on March 1, 2013, as the record date for Shareholders entitled to notice of and to vote at the Annual Meeting of Shareholders. Only holders of record of Bank of South Carolina Corporation's Common Stock on that date are entitled to notice of and to vote at the Annual Meeting. Each Shareholder is entitled to one vote for each share of Bank of South Carolina Corporation Common Stock that the Shareholder owns; provided, however, that the Shareholders have cumulative voting rights for the election of Directors. The right to cumulate votes means that the Shareholders are entitled to multiply the number of votes they are entitled to cast by the number of Directors for whom they are entitled to vote and cast the product for a single candidate or distribute the product among two or more candidates. On March 1, 2013, there were 4,446,239 shares of Bank of South Carolina Corporation's Common Stock outstanding and entitled to vote at the Annual Meeting.

How Do I Vote at the Annual Meeting?

Proxies are solicited to provide all Shareholders of record on the voting record date an opportunity to vote on matters scheduled for the Annual Meeting and described in these materials. You are a Shareholder of record if your shares of Bank of South Carolina Corporation Common Stock are held in your name. If you are a beneficial owner of Bank of South Carolina Corporation Common Stock held by a broker, bank or other nominee (i.e., in "street name"), please see the instructions in the following question.

Shares of Bank of South Carolina Corporation Common Stock can only be voted if the Shareholder is present in person or by Proxy at the Annual Meeting. To ensure your representation at the Annual Meeting, the Board recommends that you vote by Proxy even if you plan to attend the Annual Meeting. You can always change your vote at the meeting if you are a Shareholder of record.

Voting instructions are included in this material. Shares of Bank of South Carolina Corporation Common Stock represented by properly executed Proxies will be voted by the individuals named on the Proxy (selected by The Board of Directors) in accordance with the Shareholder's instructions. Where properly executed Proxies are returned with no specific instructions as how to vote at the Annual Meeting, the persons named in the Proxy will vote the shares "For" the proposals as recommended by the Board of Directors. If any other matters are properly presented at the Annual Meeting for action, the persons named in the enclosed Proxy and acting thereunder will have the discretion to vote on these matters in accordance with their best judgment.

As a Shareholder of Bank of South Carolina Corporation Common Stock, you may receive more than one Proxy card depending on how your shares are held. For example, you may hold some of your shares individually, some jointly with your spouse and some in trust for your children. In this case, you will receive three separate Proxy cards to vote.

What if My Shares Are Held in Street Name?

If you hold your shares in street name, it is critical that you cast your vote if you want it to count in the election of Director Nominees, for the approval of the Say on Pay proposal, and the Say on frequency proposal. In the past, if you held your shares in street name and you did not indicate how you wanted your shares voted in the election of Directors or on executive compensation matters, your bank or broker was allowed to vote those shares on your behalf in the election of Directors and on executive compensation matters as they deemed appropriate. Changes in regulations were made to take away the ability of your bank or broker to vote your uninstructed shares in the election of Directors and on executive compensation matters on a discretionary basis. Thus, if you hold your shares in street name and you do not instruct your bank or broker how to vote in the election of Directors, on Say on Pay proposal, or in the Say on Frequency proposal, no votes will be cast on your behalf.

If your shares are held in street name, you will need proof of ownership to be admitted to the Annual Meeting. A recent brokerage statement or a letter from the record holder of your shares, are examples of proof of ownership. If you want to vote your shares of Common Stock held in street name in person at the Annual Meeting, you will have to get a written Proxy in your name from the broker, bank or other nominee who holds your shares.

The solicitation of Proxies on behalf of the Board of Directors is conducted by Directors, officers and regular employees of the Company and its wholly owned subsidiary, The Bank of South Carolina (the "Bank"), at no additional compensation over regular salaries. The cost of printing and mailing of all Proxy materials has been paid by the Company. Brokers and others involved in handling and forwarding the Proxy materials to their customers having beneficial interests in the stock of the Company registered in the names of Nominees will be reimbursed for their reasonable expenses in doing so.

How Many Shares Must Be Present to Hold the Meeting?

A quorum must be present at the meeting for any business to be conducted. The presence at the meeting, in person or by Proxy, of at least a majority of the shares of Bank of South Carolina Common Stock entitled to vote at the Annual Meeting as of the record date shall constitute a quorum. Proxies received but marked as abstentions or broker non-votes will be included in the calculation of the number of shares considered to be present at the meeting.

What if a Quorum is Not Present at the Meeting?

If a quorum is not present at the scheduled time of the meeting, a majority of the Shareholders present or represented by Proxy may adjourn the meeting until a quorum is present. The time and place of the adjourned meeting will be announced at the time the adjournment is taken, and no other notice will be given unless the meeting is adjourned for 30 days or more. An adjournment will have no effect on the business that may be conducted at the meeting.

Will Cumulative Voting Apply for the Election of Directors?

The solicitation of Proxies on behalf of the Board of Directors includes a solicitation for discretionary authority to cumulate votes.

May I Revoke My Proxy?

Any Shareholder executing a Proxy for the meeting on the Proxy Form provided may revoke the Proxy in writing delivered to the President of the Company prior to the meeting or by attending the meeting and voting in person.

PROPOSAL 1: TO ELECT NINETEEN DIRECTORS OF BANK OF SOUTH CAROLINA CORPORATION TO SERVE UNTIL THE COMPANY'S 2014 ANNUAL MEETING OF SHAREHOLDERS.

The Board of Directors proposes that the 19 nominees described below be elected for a new term expiring at the 2014 Annual Meeting of Shareholders and until their successors are duly elected and qualified. All nominees except, Douglas H. Sass and Elizabeth M. Hagood, are currently members of the Board.

Each of the nominees has consented to be named as a nominee. If any of them should become unavailable to serve as a Director (which is not now expected), the Board may designate a substitute nominee.

The Board of Directors believes that it is necessary for each of the Company's Directors to possess many qualities and skills. When searching for new candidates, the Nominating Committee (Corporate Governance Committee) considers the evolving needs of the Board of Directors and searches for candidates that fill any current or anticipated future gap. The Board of Directors also believes that all Directors must possess a considerable amount of business management (such as experience as a Chief Executive Officer or Chief Financial Officer) and educational experience. The Nominating Committee first considers management experience and then considers issues of judgment, background, stature, conflicts of interest, integrity, ethics and commitment to the goal of maximizing Shareholder value when considering Director candidates. The Nominating Committee focuses on issues of diversity, such as diversity in gender, race and national origin, education, professional experience and differences in viewpoints and skills. The Nominating Committee does not have a formal policy with respect to diversity; however the Board of Directors and the Nominating Committee believe that it is essential that the Board members represent diverse viewpoints. In considering candidates for the Board of Directors, the Nominating Committee considers the entirety of each candidate's credentials in the context of these standards. With respect to the nomination of continuing Directors for re-election, the individual's contributions to the Board of Directors are also considered.

All Board members bring to the Board of Directors a wealth of leadership experience derived from their extensive business and Board experiences. The process undertaken by the Nominating Committee in recommending qualified Director candidates is described below under "Corporate Governance-Director Nomination Process" (see pages 17 -20 of this Proxy Statement). Certain individual qualifications and skills of our Directors that contribute to the Board of Directors effectiveness as a whole are described in the following paragraphs.

The name of each Nominee designated by the Board of Directors of the Company for election as a Director of the Company and certain information provided by such Nominee to the Company are set forth in the table below. Five of the current Nominees served as initial Directors of the Bank from October 22, 1986, when the Bank's charter was issued until the first Annual Meeting of Shareholders on April 14, 1987, and were elected to serve a one year term at such Annual Meeting. All of the above five Directors of the Bank were elected to serve one-year terms at subsequent Annual Meetings. All of the above five Directors of the Bank were elected Directors of the Company upon its organization in 1995. Alan I. Nussbaum, MD and Edmund Rhett, Jr., MD, were first elected as Directors of the Company during 1999. Dr. Linda J. Bradley McKee, CPA was first elected as a Director of the Company during 2002. They were all re-elected as Directors of the Company to serve one year terms at subsequent Annual Meetings. Graham M. Eubank, Jr., Richard W. Hutson, Jr. and Malcolm M. Rhodes, MD were elected pursuant to the By-Laws of the Company on December 16, 2004, and were elected to serve one year terms at subsequent Annual Meetings. Fleetwood S. Hassell was first elected by the Shareholders on April 11, 2006 at the Annual Meeting, and was elected to serve one year terms at subsequent Annual Meetings. Glen B. Swanson served on the Board from 2002 to 2007. He resigned from the Board of Directors in 2007, due to restrictions placed on him by a covenant as the result of the sale of his business. These restrictions being no longer applicable, Mr. Swanson was re-elected by the Shareholders on April 12, 2011.

Douglas H. Sass, an Executive Officer, and Elizabeth M. Hagood were recommended for nomination by the Nominating Committee of the Board of Directors. This recommendation was approved by the Board of Directors on December 20, 2012 and will be voted on at the 2013 Annual Meeting.

MEETINGS AND COMMITTEES OF THE BOARD OF DIRECTORS AND CORPORATE GOVERNANCE MATTERS

Board of Directors

Bank of South Carolina Corporation's Board of Directors conducts its business through Board meetings and through its committees. Hugh C. Lane, Jr. presently serves as Chairman of the Board of Directors. The Board of Directors of the Company held 8 meetings (including all regularly scheduled and special meetings) during the year ended December 31, 2012. No Directors attended fewer than 75% of the aggregate of (i) the total number of meetings of the Board of Directors and (ii) the total number of meetings held by all committees of the Board of Directors on which they served.

Board Leadership Structure

The Board believes that Hugh C. Lane, Jr., is best situated to serve as Chairman because he is the Director most familiar with the Company's business and industry, and most capable of effectively identifying strategic priorities and leading the discussion and execution of strategy.

Independent Directors and management have different perspectives and roles in strategy development. The Company's independent Directors bring experience, oversight and expertise from outside the Company and industry, while Hugh C. Lane, Jr., brings Company-specific experience and expertise. The Board believes that the combined experience as Chairman of the Board and past President/Chief Executive Officer promotes strategy development and executions, and facilitates information flow between management and the Board, which are essential to effective governance.

One of the key responsibilities of the Board is to develop strategic direction and hold management accountable for the execution of strategy once it is developed. The Board believes the combined role of the Chairman of the Board and an Independent Lead Director, having the duties described below, is in the best interest of stockholders as it provides the appropriate balance between strategy development and independent oversight of management.

Lead Director

Alan I. Nussbaum, MD, an Independent Director was selected by the Board of Directors to serve as the Lead Director of all meetings of the non-management Directors held in Executive Session. Dr. Nussbaum has held this position since April 12, 2011. Non-management Directors of the Board are required to meet on a regular scheduled basis without the presence of management (IM-5605-2 NASDAQ Corporate Governance Rules). The Lead Director chairs these sessions.

Risk Management

The Board has an active role, as a whole and also at the committee level, in overseeing the management of the Company's risks. The Board regularly reviews information regarding the Company's credit, liquidity and operations, as well as the risks associated with each. The Audit Committee oversees the management of financial risks. The Nominating Committee manages risks associated with the independence of the Board of Directors and potential conflicts of interest. While each committee is responsible for evaluating certain risks and overseeing the management of such risks, the entire Board of Directors is regularly informed through committee reports about such risks. In addition, the Company hired Eugene H. Walpole, IV, CPA, CFSA, and CRMA, as Risk Manager to oversee internal controls of the Company.

Committees and Committee Charters

The Board has four committees: the Executive/Long-Range Planning Committee, the Compensation Committee, the Nominating Committee, and the Audit and Compliance Committee. Each Committee serves in a dual capacity as a Committee of the Company and the Bank.

The following table lists the membership of the standing committees of the Board of Directors.

The Audit and Compliance Committee (the “Audit Committee”) members are appointed and approved by the Board of Directors, annually. The Audit Committee is to be comprised of not less than 4 members of the Board of Directors or such larger number as approved by the Board of Directors. During 2012, the Audit Committee held 5 meetings. Members are considered to be independent of the Company under applicable rules and regulations, including Rule 4200(a) (15) of the National Association of Securities Dealers. The Board of Directors has determined that Linda J. Bradley McKee, PhD CPA, Chairman of the Audit Committee, qualifies as a financial expert under the applicable guidelines of the Securities and Exchange Act.

The Audit Committee operates under a written Charter adopted by the Board of Directors (attached as Exhibit A to the 2004 Proxy Statement). The Charter outlines the Committee’s responsibilities for overseeing the entire audit function and appraising the effectiveness of internal and external audit efforts including; reviewing the Company’s financial statements, evaluating internal accounting controls, reviewing reports of regulatory authorities, and determining that all examinations required by law are performed. The Charter may be amended by the Board of Directors at any time.

The Audit Committee recommends to the Board of Directors the appointment of the independent auditors for the next fiscal year, reviews and approves the auditors’ audit plan, and reviews with the independent auditors the results of the audit and management’s response.

The Executive/Long-Range Planning Committee consists of the President of the Company, Chairman of the Board, two Executive Officers and five designated Directors. Alan I. Nussbaum, MD an Independent Director serves as Chairman of the Committee. During 2012, the Executive/long-Range Planning Committee held 3 meetings. In addition to long-range and strategic planning, the principal function of the Committee is to exercise all authority of the Board of Directors in the management and affairs of the Company and the Bank. In addition, the Committee acts on behalf of the entire Board of the Company between the regular Board Meetings.

The Compensation Committee consists of independent Directors of the Company. The function of the Compensation Committee is to recommend the compensation of Executive Officers to the Directors of the Company. The Compensation Committee does not use the services of a compensation consultant. The Committee reviews the salaries of individuals with similar positions at similar sized banks within South Carolina. The Compensation Committee met 2 times in 2012.

The Nominating Committee consists of independent Directors of the Company. The function of the Nominating Committee is to recommend a slate of proposed Directors to the Board of Directors of the Company. The Nominating Committee has adopted a written Charter. A copy of this Charter may be obtained at the Company's internet website <http://www.banksc.com>. The Nominating Committee met 1 time during 2012.

Nominations, other than those made by the Nominating Committee of the Company, shall be made in writing and shall be delivered or mailed to the President of the Company not less than 14 days or no more than 50 days prior to any meeting of Shareholders calling for election of Directors; provided however, that if less than 21 days notice of the meeting is given to Shareholders, such nomination shall be mailed or delivered to the President of the Company not later than the close of business on the 7th day following the day on which the Notice of Meeting was mailed. Nominations not made according to these procedures will be disregarded.

The Nominating Committee has a policy with regard to consideration of any Director candidates recommended by security holders and that policy is to consider any and all such recommendations. The Nominating Committee has adopted specific minimum qualifications which the Nominating Committee believes must be met by a Nominee for a position on the Company's Board of Directors. The qualifications include:

- Nominee must be recognized as successful in such Nominee's business or community efforts
- have a recognized reputation for honesty and integrity
- have demonstrated a commitment to the community in which the Company and its subsidiary Bank operates
- have demonstrated in meetings with the Nominating Committee a commitment to the best interest of the Company, its subsidiary Bank, and their officers, Directors, employees and Shareholders

The Nominating Committee's process for identifying and evaluating Nominees for Director of the Company and its subsidiary Bank, including Nominees recommended by security holders, is to investigate whether or not such Nominee meets the specific minimum qualifications adopted as a policy by the Nominating Committee through contacts the members of the Nominating Committee have in their community. There are no differences in the manner in which the Nominating Committee evaluates Nominees for Director whether the Nominee is recommended by a committee member or a security holder.

The Company does not utilize or pay a fee to any third party (compensation consultant) to evaluate Nominees for Director.

Director Independence: The Board is comprised of a majority (75%) of Independent Directors in compliance with SEC and NASDAQ rules. All members of the Audit Committee, the Compensation Committee, and the Nominating Committee are independent pursuant to SEC and NASDAQ rules. The members of these committees do not have any relationship to The Bank of South Carolina or Bank of South Carolina Corporation that may interfere with the exercise of their independence from management. These transactions did not and will not involve more than the normal risk of collectability or present any other unfavorable features.

PROPOSAL 2: To provide advisory approval of the compensation of the named Executive Officers (Say on Pay).

The Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 (the "Dodd-Frank Act") enables the Shareholders of the Company to vote to approve, on a non-binding basis, the compensation of the Company's named Executive Officers as disclosed pursuant to Item 402 of Regulation S-K of the Securities and Exchange Commission. Accordingly, the Board of Directors recommends that you approve the compensation of the Company's named Executive Officers as described under Executive Compensation-Compensation Discussion and Analysis, the Compensation Table and narrative discussion in this Proxy Statement.

The Company seeks to align the interests of its named Executive Officers with the interests of its Shareholders. Therefore, the Company's compensation programs are designed to reward the named Executive Officers for the achievement of strategic and operational goals and the achievement of increased Shareholder value, while at the same time avoid encouraging of unnecessary or excessive risk-taking. The Compensation Committee of the Board does not engage external compensation consultants to provide an independent and objective review of the Company's compensation program for executive management or to offer recommendations on this compensation program. The

Company believes that its compensation policies and procedures are competitive and focused on performance and are strongly aligned with the long-term interest of its Shareholders.

The proposal described below, commonly known as a “Say on Pay” proposal, gives you the opportunity to express your views regarding the compensation of the named Executive Officers by voting to approve or not approve such compensation as described in this Proxy Statement. This vote is advisory and will not be binding upon the Company, the Board or the Compensation Committee. However, the Company, the Board and the Compensation Committee will take into account the outcome of the vote when considering future executive compensation arrangements. The vote on this resolution is not intended to address any specific element of compensation, but rather relates to the overall compensation of the named Executive Officers, as described in this Proxy Statement in accordance with the compensation disclosure rules of the Securities and Exchange Commission.

The Board recommends that the Shareholders vote in favor of the following resolution at the Annual Meeting:

“RESOLVED, that the compensation paid to the Company’s named Executive Officers, as disclosed in the Company’s Proxy Statement for the 2013 Annual Meeting of Shareholders pursuant to the compensation disclosure rules of the Securities and Exchange Commission, including the Executive Compensation - Compensation Discussion and Analysis, the compensation tables and any related material disclosed in the Proxy Statement, is hereby APPROVED.”

**THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE “FOR” THE APPROVAL OF THE
COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS.**

PROPOSAL To provide advisory approval for the frequency of the vote on compensation of the named Executive
3: Officers (Say on Frequency)

The Dodd-Frank Act requires that the Company provide Shareholders with the opportunity to vote, on a non-binding advisory basis, for their preference as to how frequently the Company should consult the Shareholders through an advisory Say on Pay vote. Shareholders may indicate whether they would prefer that the Company conduct future Say on Pay votes every year, every two years or every three years. Shareholders also may abstain from casting a vote on this proposal.

The Board of Directors has determined that a Say on Pay vote that occurs once every three years is the most appropriate alternative for the Company and therefore the Board recommends that you vote in favor of conducting a Say on Pay vote every three years. The Board believes that a Say on Pay vote occurring every three years will provide our Shareholders with sufficient time to evaluate the effectiveness of the Company’s overall compensation philosophy, policies and practices in the context of the long-term business results of the Company for the corresponding period, while avoiding an over-emphasis on short-term variations in compensation and business results. A Say on Pay vote occurring every three years will also permit Shareholders to observe and evaluate the effect of any changes to the executive compensation policies and practices of the Company that have occurred since the last advisory vote on executive compensation.

This vote is advisory, which means that is not binding on the Company, the Board of Directors and the Compensation Committee. The Company recognizes that the Shareholders may have different views as to the best approach and looks forward to hearing from the Shareholders as to their preferences on the frequency of the Say on Pay vote. The Board of Directors and Compensation Committee will carefully review the outcome of the frequency vote; however, when considering the frequency of future Say on Pay votes, the Board of Directors may decide that it is in the Company’s and the Shareholders’ long-term best interest to hold a Say on Pay vote more or less frequently than the frequency receiving the most votes cast by the Shareholders.

The proxy card provides Shareholders with the opportunity to choose among four options (holding the Say on Pay vote every year, every two years, every three years or abstain from voting). Shareholders are not being asked to approve or disapprove the recommendation of the Board of Directors.

THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE "FOR" THE OPTION OF ONCE EVERY THREE YEARS AS THE PREFERRED FREQUENCY FOR SAY ON PAY VOTES.

Executive Compensation-Compensation Discussion and Analysis

This section discusses the Company's compensation program, including how it relates to the Executive Officers named in the compensation tables which follow in this section. The Executive Officers of the Company and the Bank consist of:

- Fleetwood S. Hassell, President/Chief Executive Officer, Director
- Sheryl G. Sharry, Chief Financial Officer/Executive Vice President, Director
- Hugh C. Lane, Jr., Chairman of the Board
- Douglas H. Sass, Executive Vice President

Set forth below is an analysis of the objectives of the Company compensation program, the material compensation policy made under this program and the material factors that the Compensation Committee considers in making those decisions.

Overview of Compensation Program

The Compensation Committee of the Board of Directors, which consists solely of independent Directors, has the responsibility for developing, implementing and monitoring adherence to the Company's compensation philosophies and program. David R. Schools, Fleetwood S. Hassell, Sheryl G. Sharry and Hugh C. Lane, Jr., currently serve as Plan Administrators and as Trustees for the Employee Stock Ownership Plan (ESOP). Any employee of the Bank is eligible to become a participant in the ESOP upon reaching 21 years of age and credited with one year of service (1,000 hours of service). The employee may enter the Plan on the January 1st that occurs nearest the date on which the employee first satisfies the age and service requirements described above. No contributions by employees are permitted. The amount and time of contributions to the Plan are at the sole discretion of the Board of Directors of the Bank. The contribution for all participants is based solely on each participant's respective regular or base salary and wages paid by the Bank including commissions, bonuses and overtime, if any.

On April 14, 1998, the Shareholders approved the 1998 Omnibus Stock Incentive Plan. The plan was established to assist the Company in recruiting and retaining employees with ability and initiative by enabling employees to participate in its future success and to associate their interests with those of the Company and the Shareholders. This plan expired on April 14, 2008. The remaining outstanding options granted under this plan can still be exercised in accordance with the plan.

The Shareholders approved the 2010 Omnibus Stock Incentive Plan on April 13, 2010. Like the 1998 Plan, under the 2010 Plan any employee of the Company or the Bank is eligible to participate in the Plan if the Executive Committee, in its sole discretion, determines that such a person has contributed or can be expected to contribute to the profits or growth of the Company or the Bank. No member of the Committee may participate in this Plan during the time that his participation would prevent the Committee from being "disinterested" for purposes of the Securities and Exchange Commission Rule 16b-3.

The Company's compensation program is based upon the following philosophies:

- Preserve the financial strength, safety and soundness of the Company and the Bank;
- Reward and retain key personnel by compensating them in the midpoint salary ranges at comparable financial institutions and making them eligible for the Employee Stock Ownership Plan and the Omnibus Stock Incentive Plans; and
- Focus management on maximizing earnings while managing risk by maintaining high asset quality, managing interest rate risk within Board guidelines, emphasizing cost control, and maintaining appropriate levels of capital.

The Company's primary forms of compensation for Executive Officers include base salary, the Employee Stock Ownership Plan, and the 1998 and 2010 Omnibus Stock Incentive Plan. The Company does not have an employment agreement with any officer or employee. The Company currently believes that the named Executive Officers receive sufficient compensation that employment agreements are not necessary to induce them to remain with the Company.

During the fiscal year ended December 31, 2012 the Company had no plans or arrangements pursuant to which any Executive Officer, Director or principal Shareholder received contingent remuneration or personal benefits other than the contingent remuneration and life, disability, dental and health insurance benefits. Life, disability, dental and health insurance benefits are available for all employees of the Bank who work at least 30 hours a week.

The Company does not have any agreement with its Executive Officers that provide for cash severance payments upon termination of employment or in connection with a change in control.

Base Salary

The Compensation Committee sets the base salary for the four Executive Officers. The Committee seeks to set a fair and reasonable compensation level by taking into account the influence of the market conditions, the Company's performance, the individuals' performance, and comparative salaries at similarly sized banks within South Carolina. The salary is reviewed annually. The Executive Officers annually review the performance of all other officers and employees. The Executive Officers take into account a combination of factors, including: competitive market salary, experience and tenure, breadth of responsibility, the individuals' overall performance and the performance of the Company and the Bank.

Based on the outstanding performance of the Company for the year ended December 31, 2012, the Compensation Committee and the Board of Directors approved a \$10,000 bonus for each of the Executive Officers. The bonus was approved and paid in December 2012.

The Compensation Committee recommended no increase in the Executive Officers Salaries for the year ending 2013.

The following table sets forth all remuneration paid during the years ended December 31, 2012, 2011, and 2010 by the Bank to the Chairman of the Board and the three Executive Officers of the Company and the Bank whose cash remuneration from the Bank exceeded \$100,000.00 dollars for their services in all capacities. Such Executive Officers receive no compensation from the Company as Executive Officers or as Directors or in any other capacity. On April 10, 2012 Hugh C. Lane, Jr., announced his retirement as President/Chief Executive Officer of the Bank and the Company. At the request of the Board of Directors he will continue his role as Chairman of the Board. Also on that date, Fleetwood S. Hassell was named President/Chief Executive Officer and Douglas H. Sass was named Executive Vice President. The Compensation Committee recommended and the Board approved a \$10,000 bonus for each of the Executive Officers for the year ended December 31, 2012. This increase as well as the increase for the promotions of Fleetwood S. Hassell and Douglas H. Sass, are reflected in the table below.

The employee may enter the Plan on the January 1st that occurs nearest the date on which the employee first satisfies the age and service requirements described above. The contribution for all participants is based solely on each participant's respective regular or base salary and wages paid by the Bank including commissions, bonuses and overtime, if any.

A participant becomes vested in the ESOP based upon the employee's credited years of service. The vesting schedule is as follows;

- 1 Year of Service 0% Vested

This amendment was made to comply with the Pension Protection Act of 2006. Periodically the Internal Revenue Service "IRS" requires a restatement of a qualified retirement plan to ensure that the plan document includes provisions required by legislative and regulatory changes made since the last restatement. There have been no substantive changes to the plan. The Board of Directors approved a restated plan, on January 26, 2012 (incorporated as Exhibit 10.5 in the 2011 10-K).
