PROXY STATEMENT

FOR THE ANNUAL MEETING OF STOCKHOLDERS

TO BE HELD ON MAY 16, 2014

This proxy statement is being furnished in connection with the solicitation of proxies by the Board of Directors (which we sometimes refer to as the "Board" in this proxy statement) of The Chefs' Warehouse, Inc. (the "Company") for use at the Annual Meeting of Stockholders (the "Annual Meeting") to be held on Friday, May 16, 2014 at 10:00 a.m. eastern daylight time at The Ridgefield Playhouse, 80 East Ridge Street, Ridgefield, Connecticut 06877 and simultaneously on the Internet through a virtual web conference at www.virtualshareholdermeeting.com/chef14, and any adjournments or postponements of the Annual Meeting. The Board is soliciting proxies for the purposes set forth in the accompanying Notice of Annual Meeting of Stockholders. We will bear the cost of soliciting the proxies.

Important Notice Regarding the Availability of Proxy Materials for the Annual Meeting of Stockholders to be Held on May 16, 2014:

As outlined in the notice we mailed to you on or about April 4, 2014 (the "Notice of Proxy Availability"), the proxy statement, proxy card and Annual Report to Stockholders for the fiscal year ended December 27, 2013 are available on the Internet at www.proxyvote.com.

INFORMATION ABOUT THE MEETING

Record Date and Share Ownership

Only stockholders of record on our books at the close of business on Monday, March 17, 2014 (the "Record Date") will be entitled to vote at the Annual Meeting and any adjournments or postponements of the Annual Meeting. As of the close of business on the Record Date, we had 25,048,686 shares of common stock outstanding and eligible to vote on each matter brought before the Annual Meeting. Each share of common stock entitles the record holder to one vote on each matter to be voted upon at the Annual Meeting. Copies of the Notice of Annual Meeting of Stockholders, this proxy statement, the proxy card and our Annual Report to Stockholders for the fiscal year ended December 27, 2013 are being made available to stockholders of record on or about April 4, 2014. We are making these materials available to you on the Internet or, upon your request, by delivering printed versions of these materials to you without charge by mail. On or about April 4, 2014, we mailed to all stockholders of record as of the Record Date the Notice of Proxy Availability, which contains instructions on how to access these materials and vote their shares of our common stock.

We will, upon written request of any stockholder, furnish without charge a copy of our Annual Report on Form 10-K for the fiscal year ended December 27, 2013, as filed with the Securities and Exchange Commission (the "SEC"), without exhibits. Please address all such requests to the attention of Alexandros Aldous, General Counsel and Corporate Secretary, The Chefs' Warehouse, Inc., 100 East Ridge Road, Ridgefield, Connecticut 06877. Exhibits will be provided upon written request to Mr. Aldous and payment of an appropriate processing fee.

Submitting and Revoking Your Proxy

If you complete and submit a proxy, the persons named as proxies will vote the shares represented by your proxy in accordance with your instructions. If you submit a proxy but do not complete the voting instructions, the persons named as proxies will vote the shares represented by your proxy as follows:

FOR the election of Dominick Cerbone, John A. Couri, Joseph Cugine, Alan Guarino, Stephen Hanson, Christopher Pappas and John Pappas as directors to hold office until the next annual meeting of stockholders and until their respective successors are elected and qualified (Proposal 1);

FOR the ratification of the selection of BDO USA, LLP as our independent registered public accounting firm for fiscal 2014 (Proposal 2); and

FOR the non-binding, advisory vote on the compensation of the Company's named executive officers as disclosed in this proxy statement (Proposal 3).

If other matters come before the Annual Meeting, the persons named as proxies will vote on such matters in accordance with their best judgment. We have not received notice of other matters that may properly be presented at the Annual Meeting.

You may revoke or revise your proxy at any time before it is exercised by (1) delivering to us a signed proxy card with a date later than your previously delivered proxy, (2) voting in person or via the Internet while attending the virtual Annual Meeting, (3) granting a subsequent proxy through the Internet or telephone, or (4) sending a written revocation to our corporate secretary at 100 East Ridge Road, Ridgefield, Connecticut 06877. Attendance at the Annual Meeting, whether in person or through the Internet, will not itself be deemed to revoke your proxy unless you vote in person or via the Internet while attending the Annual Meeting. If you attend the Annual Meeting in person and want to vote in person, you can request that your previously submitted proxy not be used. If your shares are held through a broker, bank or other institution in "street name," you will need to obtain a proxy form from the institution that holds your shares. Your most current proxy card or telephone or Internet proxy is the one that is counted.

If you hold shares of common stock in a stock brokerage account or through a bank or other nominee, you are considered to be the beneficial owner of shares held in "street name" and these proxy materials are being made available to you by your broker, bank or nominee. You may not vote directly any shares held in street name; however, as the beneficial owner of the shares, you have the right to direct your broker, bank or nominee on how to vote your shares. If you do not provide your broker, bank or nominee instructions on how to vote your shares on non-discretionary items, a "broker non-vote" will occur. Proposal 1 (election of seven nominees as directors) and Proposal 3 (non-binding, advisory vote on executive compensation) are non-discretionary items for which your broker, bank or nominee will not be able to vote your shares without your instructions. Proposal 2 (ratification of the selection of BDO USA, LLP) is a discretionary item, and your broker, bank or nominee may vote your shares in their discretion in the event that they do not receive voting instructions from you. Accordingly, it is possible for there to be broker non-votes for Proposals 1 and 3, but not for Proposal 2. In the case of a broker non-vote, your shares would be included in the number of shares considered present at the meeting for the purpose of determining whether there is a quorum. A broker non-vote, being shares not entitled to vote, would not have any effect on the outcome of the vote on Proposals 1 or 3.

In addition to solicitations by mail and the Internet, our directors, officers and employees may, without additional remuneration, solicit proxies by telephone, facsimile and personal interviews. We will request brokerage houses, banks and nominees to forward copies of the proxy materials to those persons for whom they hold shares and request instructions for voting the proxies. We will reimburse such brokerage houses, banks and other nominees for their reasonable expenses in connection with this distribution.

How to Vote

For Proposal 1 (election of seven nominees as directors), you may vote in favor of all nominees to the Board (“FOR ALL”), withhold votes as to all nominees (“WITHHOLD ALL”), or vote in favor of and withhold votes as to specific nominees (“FOR ALL EXCEPT”). A properly executed proxy marked “WITHHOLD ALL” or marked “FOR ALL EXCEPT” with respect to the election of one or more directors will not be voted with respect to the director or directors indicated, although it will be counted for purposes of determining whether there is a quorum. For Proposal 2 (ratification of the selection of BDO USA, LLP) and Proposal 3 (non-binding, advisory vote on executive compensation), you may vote “FOR” or “AGAINST” each proposal or “abstain” from voting on the proposal.

Stockholders of Record: If you are a stockholder of record on the Record Date, there are four ways to vote:

- by voting in person at the Annual Meeting;

by completing, signing, dating and returning your proxy card by mail, if you request a paper copy of the proxy materials;

- by making a toll-free telephone call within the United States or Canada using a touch-tone telephone to the toll-free number provided on your proxy card; or

by voting on the Internet. To vote on the Internet, go to the website address indicated on your Notice of Proxy Availability to complete an electronic proxy card. You will be asked to provide the control number from the Notice of Proxy Availability. You may also vote on the Internet while attending the Annual Meeting virtually through the Internet at www.virtualshareholdermeeting.com/chef14.

If you plan to vote by telephone or Internet in advance of the Annual Meeting, your vote must be received by 11:59 p.m., eastern daylight time, on May 15, 2014 to be counted. Internet voting during the Annual Meeting is also permissible through the virtual web meeting hosted at www.virtualshareholdermeeting.com/chef14.

Street Name Holders: If you hold your shares in street name, the Notice of Proxy Availability was forwarded to you by your brokerage firm, bank or other nominee and you should follow the voting instructions provided by your broker, bank or nominee. You may complete and return a voting instruction card to your broker, bank or nominee. Please check your Notice of Proxy Availability for more information. If you hold your shares in street name and wish to vote at the Annual Meeting, you must have your 12-digit control number from your Notice of Proxy Availability.

We provide Internet proxy voting to allow you to vote your shares online both before and during the Annual Meeting, with procedures designed to ensure the authenticity and correctness of your proxy vote instructions. However, please be aware that you must bear any costs associated with your Internet access, such as usage charges from Internet access providers and telephone companies.

Quorum

Presence by attendance at the Annual Meeting or by proxy of a majority of the shares of common stock outstanding at the close of business on the Record Date and entitled to vote at the Annual Meeting will be required for a quorum.

Shares of common stock present by attendance at the Annual Meeting or represented by proxy (including shares that abstain or do not vote with respect to one or more of the matters presented for stockholder approval and broker non-votes) will be counted for purposes of determining whether a quorum exists at the Annual Meeting.

Votes Required

Proposal 1 (election of seven nominees as directors) is an uncontested director election. Our Bylaws require that each nominee be elected by a plurality of votes cast at any meeting for the election of directors at which a quorum is present. Broker non-votes will have no effect on Proposal 1 because they are not considered votes cast.

With respect to Proposal 2 (ratification of the selection of BDO USA, LLP) and Proposal 3 (non-binding, advisory vote on executive compensation), the affirmative vote of a majority of the shares represented at the meeting and entitled to vote on the proposal is necessary for approval. Abstentions will be equivalent to a vote against Proposals 2 and 3. Broker non-votes will have no effect on the results of Proposal 3 because they are not considered votes cast. However, regarding Proposal 2, the ratification of the appointment of our independent registered public accounting firm is considered a "routine" item and brokerage firms may vote in their discretion on this matter on behalf of beneficial owners who have not furnished voting instructions before the date of the Annual Meeting.

Householding

The SEC has adopted a rule concerning the delivery of annual reports and proxy statements. It permits us, with your permission, to send a single Notice of Proxy Availability and, to the extent requested, a single set of these proxy materials to any household at which two or more stockholders reside if we believe they are members of the same family. This rule is called “householding” and its purpose is to help reduce printing and mailing costs of proxy materials. To date, the Company has not instituted this procedure, but may do so in the future.

Edgar Filing: Chefs' Warehouse, Inc. - Form DEF 14A

A number of brokerage firms have instituted householding. If you and members of your household have multiple accounts holding shares of the Company's common stock, you may have received a householding notification from your broker. Please contact your broker directly if you have questions, require additional copies of this proxy statement, the 2013 Annual Report or other proxy materials or wish to revoke your decision to household. These options are available to you at any time.

CORPORATE GOVERNANCE

Summary

We are committed to maintaining strong corporate governance practices and principles. The Board actively monitors developments relating to the corporate governance of public corporations, and the Board has consulted with our legal counsel and independent registered public accounting firm to evaluate our current corporate governance and other practices in light of these developments. We believe our policies and practices reflect corporate governance best practices and compliance with the requirements of the Sarbanes-Oxley Act of 2002, SEC rules and regulations and the Listing Rules of the NASDAQ Stock Market (“NASDAQ”). For example:

The Board has adopted our Corporate Governance Guidelines, which were most recently revised in March 2014 and which outline the roles and responsibilities of the Board and its committees and establish policies regarding governance matters such as Board meetings and communications, performance evaluations of the Board and our chief executive officer, director stock ownership guidelines, and director orientation and continuing education;

A majority of the members of the Board are “independent directors” within the NASDAQ Listing Rules’ definition, and the Board makes an affirmative determination regarding the independence of each director annually;

All members of the Board’s standing committees—the Audit Committee, the Compensation Committee and the Nominating and Corporate Governance Committee—are “independent directors” within the NASDAQ Listing Rules’ definition;

- The independent members of the Board meet regularly without the presence of management;

We have designated an independent director to serve as our “Lead Director” to coordinate the activities of the other independent members of the Board;

We have a Code of Business Conduct and Ethics that applies to our principal executive officer and all members of our finance department, including our principal financial officer, principal accounting officer and controller;

We have an Insider Trading Policy that is applicable to all of our employees and directors and their affiliates which, among other things, prohibits hedging of Company securities by such persons;

- The charters of the Board’s committees clearly establish their respective roles and responsibilities; and

The Audit Committee has procedures in place for the anonymous submission of employee complaints on accounting, internal controls or auditing matters.

In addition, our Corporate Governance Guidelines limit the directors serving on our Audit Committee from serving on more than three public company audit committees without the Board's determination that such simultaneous service would not impair the ability of such member to effectively serve on the Company's Audit Committee. Directors must notify the chairman of the Nominating and Corporate Governance Committee in advance of accepting an invitation to serve on another corporate board. Directors are also required to notify the Board when their principal occupation or business association changes, at which point the Board will evaluate the propriety of continued Board service.

We maintain a corporate governance page on our website that includes key information about our corporate governance initiatives. The corporate governance page can be found at www.chefswarehouse.com, by clicking on “Investors,” then clicking on “Corporate Governance.” Copies of our Corporate Governance Guidelines, our Insider Trading Policy and the charters for each of the Audit Committee, Compensation Committee and Nominating and Corporate Governance Committee can be found on the corporate governance page of our website. We have also adopted a Code of Business Conduct and Ethics (“Code of Ethics”) that applies to all of our employees, including our principal executive officer, principal financial officer, principal accounting officer and controller. Our Code of Ethics is publicly available on the corporate governance page of our website (www.chefswarehouse.com) and can be found by clicking on “Investors,” then clicking on “Corporate Governance.” Our Code of Ethics is also available free of charge by writing to The Chefs’ Warehouse, Inc., 100 East Ridge Road, Ridgefield, Connecticut 06877, Attn: Investor Relations. If we make any substantive amendments to the Code of Ethics or grant any waiver, including any implicit waiver, from a provision of the Code of Ethics to our principal executive officer, principal financial officer, principal accounting officer or controller, or persons performing similar functions, we intend to make any legally required disclosures regarding such amendments or waivers on the Investor Relations section of our website (www.chefswarehouse.com). Information contained on our website is not incorporated by reference into this proxy statement or considered to be part of this document.

Director Independence

Our Corporate Governance Guidelines require a majority of the members of the Board to be “independent directors” as such term is defined in the NASDAQ Listing Rules. The Board, upon the recommendation of the Nominating and Corporate Governance Committee, has determined that five of its seven members are independent. Our five independent directors are Dominick Cerbone, John A. Couri, Joseph Cugine, Alan Guarino and Stephen Hanson. Christopher Pappas and John Pappas are our employees; therefore, Messrs. C. Pappas and J. Pappas are not independent directors. In making this independence determination, the Board considered our transactions with a New York City-based multi-concept restaurant operator holding company, of which Mr. Hanson was the president and a 50% owner until December 2013, as well as Mr. Hanson’s participation in our September 2013 public offering of common stock, and the Board determined that Mr. Hanson still qualifies as an “independent director” as such term is defined in the NASDAQ Listing Rules. For more information regarding our transactions with this restaurant operator holding company in fiscal 2013 and Mr. Hanson’s participation in our September 2013 public offering of common stock, see the information under the caption “CORPORATE GOVERNANCE—Certain Relationships and Related Transactions—Transactions with Related Persons—Transactions with Directors” on page 10 of this proxy statement.

Our Corporate Governance Guidelines and the charter for each of the Audit Committee, the Compensation Committee and the Nominating and Corporate Governance Committee requires all members of these committees to be “independent” within the meaning of the SEC’s rules and regulations and the NASDAQ Listing Rules. The charter of the Audit Committee also requires each of its members to meet the definition of independence under Section 10A of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), and the SEC’s rules thereunder. The charter of the Compensation Committee requires each of its members to be a non-employee director within the meaning of Rule 16b-3 under the Exchange Act and an outside director within the meaning of Section 162(m) of the Internal Revenue Code, as amended (the “Code”).

Lead Director

The Board has created the position of Lead Director. Mr. John A. Couri, chairman of the Nominating and Corporate Governance Committee, currently serves as the Lead Director. In accordance with our Corporate Governance Guidelines, the Lead Director must be “independent” within the meaning of the SEC’s rules and regulations and the NASDAQ Listing Rules. The Lead Director is responsible for coordinating the activities of the other independent directors and for performing such other duties and responsibilities as the Board may determine from time to time, including the following:

- Serving as a liaison between Christopher Pappas, our chief executive officer and chairman of the Board, and the independent directors of the Board;

- Advising the chairman of the Board as to an appropriate schedule of and agenda for the Board’s meetings and ensuring the Board’s input into the agenda for the Board’s meetings;

- Advising the chief executive officer as to the quality, quantity and timeliness of the information submitted by the Company’s management that is necessary or appropriate for the independent directors to effectively and responsibly perform their duties;

• Assisting the Board, the Nominating and Corporate Governance Committee and our officers in better ensuring compliance with and implementation of our corporate governance principles; and

• Serving as the chairman for executive sessions of the Board's independent directors and acting as chairman of the Board's regular and special meetings when the chairman of the Board is unable to preside.

Certain Relationships and Related Transactions

Review and Approval of Related Person Transactions

The Board recognizes that transactions or relationships with us and our subsidiaries and our directors, director nominees, executive officers and greater than 5% beneficial owners of our common stock, and the immediate family members of each of the foregoing, may involve potential conflicts of interest. As a result, the Board adopted a written Related Party Transaction Policy (the "Policy") requiring the prior approval of the Audit Committee before a related party may enter into a transaction or relationship in which we or a subsidiary of ours is a participant and the related party would have a direct or indirect interest, unless such transaction involves less than \$120,000. Under the Policy, any proposed related party transactions are reviewed at the regularly scheduled meetings of the Audit Committee. Additionally, ongoing relationships are periodically reviewed and assessed to determine whether, based on all relevant facts, information and circumstances (including our and our subsidiaries' contractual obligations), the related party transaction remains appropriate or should otherwise be modified or terminated. Any member of the Audit Committee who is a related party with respect to a transaction under review will not be able to vote on the approval or ratification of the transaction; however, the director shall provide all material information and may, if so requested by the chairman of the Audit Committee, participate in some or all of the Audit Committee's discussions concerning the related party transaction. We require that any related party transaction must be on terms no less favorable to us than could be obtained from unaffiliated third parties. As required under SEC regulations, those transactions or series of similar transactions to which we or a subsidiary of ours is or will be a participant in which the amount involved exceeded or will exceed \$120,000 and in which any related person had or will have a direct or indirect material interest is disclosed in this proxy statement if required to so be disclosed by SEC regulations.

Other than the transactions described below and the arrangements described under "*EXECUTIVE COMPENSATION— Compensation Discussion and Analysis*," since December 28, 2012, there has not been, and there is not currently proposed, any transaction or series of similar transactions required to be disclosed by SEC regulations to which we or any of our subsidiaries were or will be a participant in which the amount involved exceeded or will exceed \$120,000 and in which any related person had or will have a direct or indirect material interest.

Transactions with Related Persons

Warehouse and Office Leases

We lease two warehouse and office facilities from two entities that are wholly-owned by two of our directors and one of their “family members” (as such term is defined in the NASDAQ Listing Rules), who is also a former member of our Board, pursuant to long-term operating lease agreements. Our subsidiary, Dairyland USA Corporation, subleases a warehouse and office facility in the Bronx, New York from The Chefs’ Warehouse Leasing Co., LLC, a New York limited liability company that is wholly-owned equally by Christopher Pappas, John Pappas and Dean Facatselis, a “family member” of each of Christopher Pappas and John Pappas and a former member of our Board. The Chefs’ Warehouse Leasing Co., LLC leases the facility from the New York City Industrial Development Agency and subleases the facility to Dairyland USA Corporation pursuant to a sublease agreement dated December 29, 2004, which supplements a separate sublease agreement dated December 1, 2004 between Dairyland USA Corporation and The Chefs’ Warehouse Leasing Co., LLC. The December 1, 2004 sublease contains general terms regarding the sublease arrangement and expires on June 29, 2030. The December 29, 2004 sublease provides more specific terms regarding the economic terms of the sublease arrangement and expires on December 31, 2014. The annual base rent under the sublease arrangement equals the amount of rent payable by The Chefs’ Warehouse Leasing Co., LLC to the New York City Industrial Development Agency plus an amount necessary to allow The Chefs’ Warehouse Leasing Co., LLC to service the indebtedness it incurred to finance the completion of the facility. The annual base rent under the sublease arrangement was initially \$950,000, which has been subject to cumulative annual increases of 3.5%. Dairyland USA Corporation paid The Chefs’ Warehouse Leasing Co., LLC \$1,250,969 under the terms of the sublease arrangement in fiscal 2013. The aggregate amount of all periodic payments under the sublease agreement due on or after the beginning of fiscal year 2014 through December 31, 2014 is approximately \$1,294,753, plus annual taxes and operating expenses.

From January 1, 2015 through June 29, 2030, the aggregate amount of all periodic payments due under the sublease agreement is approximately \$9.3 million. In connection with this sublease arrangement, Dairyland USA Corporation and two of our other subsidiaries are required to act as conditional guarantors of The Chefs' Warehouse Leasing Co., LLC's mortgage obligation on the distribution center. The mortgage payoff date is December 2029 and the potential obligation under this conditional guarantee totaled \$9,950,336 at December 27, 2013. On July 1, 2005 the Company entered into a consent and release agreement with the mortgagee in which the entity guarantors were conditionally released from their respective obligations. The Company and the entity guarantors continue to be in compliance with the specified conditions. The Chefs' Warehouse Leasing Co., LLC has the ability to opt out of its lease agreement with the New York City Industrial Development Agency by giving 60 days' notice. This action would terminate the sublease agreement dated December 1, 2004 and cause the concurrent reduction in the term of the sublease arrangement with Dairyland USA Corporation to December 2014. Dairyland USA Corporation does not have an option to acquire the facility under any of the agreements governing this facility.

Dairyland USA Corporation also leases a warehouse and office facility in Hanover, Maryland from Candlewood Road Property, LLC, a Maryland limited liability company that is wholly-owned by Christopher Pappas, John Pappas and Dean Facatselis, pursuant to a lease agreement dated September 14, 2004. Candlewood Road Property, LLC is the owner of the property. The lease expires on September 30, 2014. The initial annual base rent under the lease agreement was \$360,000 and is subject to cumulative annual increases of 3.5%. In fiscal 2013, Dairyland USA Corporation paid Candlewood Road Property, LLC \$478,199 in rent under the terms of the lease. The aggregate amount of all periodic payments under the lease agreement due on or after the beginning of fiscal year 2014 through the end of the lease is approximately \$367,982, plus annual taxes and operating expenses.

Employment of Family Members

Christopher Pappas's brother, John Pappas, is one of our employees and a member of our Board. We paid John Pappas approximately \$451,521 in total compensation for fiscal 2013. John Pappas did not receive any compensation for his service on our Board.

John Pappas's brother-in-law, Constantine Papataros, is one of our employees. We paid him approximately \$170,221 in total compensation for fiscal 2013.

Transactions with Directors

One of our non-employee directors, Stephen Hanson, was the president and a 50% owner of a New York City-based multi-concept restaurant operator holding company until December 2013. Certain subsidiaries of this holding

company are customers of the Company and its subsidiaries that purchased an aggregate of approximately \$3.6 million of products from us during fiscal 2013. Terms provided to these customers were determined in the ordinary course of business, at arm's length and materially consistent with those of other customers with similar volumes and purchasing patterns.

Each of Christopher Pappas, John Pappas and Dean Facatselis owns 8.33% of a New York City-based restaurant customer of the Company and its subsidiaries that purchased an aggregate of approximately \$194,526 of products from us during fiscal 2013. Messrs. C. Pappas, J. Pappas and Facatselis have no other interest in the restaurant other than these equal interests and are not involved in the day-to-day operation or management of this restaurant. Terms provided to this customer were determined in the ordinary course of business, at arm's length and materially consistent with those of other customers with similar volumes and purchasing patterns.

In September 2013, we completed an underwritten public offering of 3,800,000 shares of our common stock, and one of our stockholders, John Pappas, sold an additional 700,000 shares of our common stock in the offering. Additionally, two of our stockholders, Christopher Pappas and John Pappas, sold an aggregate of 675,000 shares of our common stock in the full exercise of the over-allotment option granted to the underwriters. All of the shares were offered at a public offering price of \$21.00 per share. We recognized proceeds of approximately \$75 million, after deducting underwriting fees and commissions and estimated offering expenses, from our sale of 3,800,000 shares. We did not recognize any proceeds from the sale of our common stock by Messrs. C. Pappas and J. Pappas. Stephen Hanson, a member of our Board, purchased 30,000 shares of common stock in this offering at the public offering price of \$21.00 per share for a total of \$630,000. In accordance with the Policy, our Audit Committee pre-approved the participation of Mr. Hanson in the offering.

Board Leadership Structure

The Board currently combines the roles of chairman of the Board and chief executive officer. Our Corporate Governance Guidelines do not require the chairman of the Board to be independent and do not specify whether the positions of chairman of the Board and chief executive officer must be separated. Considering the Company's successful performance over extended periods under Christopher Pappas's leadership, the Board believes that the Company benefits from Mr. C. Pappas's services in both roles. Mr. C. Pappas has served as our chief executive officer since 1985. The Board believes Mr. C. Pappas to be the most qualified to serve as our chairman because he is the director most familiar with the Company's business and the foodservice distribution industry and as a result is best suited to effectively identify strategic priorities and lead the discussion and execution of strategy. The Board believes the combined position of chairman and chief executive officer promotes a unified direction and leadership for the Board and gives a single, clear focus for the chain of command for our organization, strategy and business plans.

As discussed above, the Board also maintains an independent lead director. John A. Couri currently serves as our lead director. We believe it is important to have an independent lead director to establish a system of checks and balances between the independent directors of the Board and Mr. C. Pappas. The lead director provides leadership to the Board to ensure it operates in an independent, cohesive manner. The Board believes that having a lead director vested with key duties and responsibilities (as discussed above) and the Board's standing committees comprised of and chaired by independent directors (as discussed below) provides a formal structure for strong independent oversight of our management team.

Risk Oversight

The Board has overall responsibility for risk oversight. The Board oversees risk management with a focus on our primary areas of risk: risk related to our business strategy, financial risk, legal/compliance risk and operational risk. Our president and chief executive officer and each of our other executive officers are responsible for managing risk in their respective areas of authority and expertise, identifying key risks to the Board and explaining to the Board how

those risks are being addressed.

Certain standing committees of the Board also have responsibility for risk oversight. The Audit Committee focuses on financial risk, including fraud risk and risks relating to our internal controls over financial reporting. The Compensation Committee addresses risks relating to our executive compensation strategies and is tasked with monitoring our executive compensation program to ensure that it does not encourage our executive officers to take unnecessary and excessive risks. The Board receives regular reports from the chairs of the Audit Committee and Compensation Committee regarding these committees' risk management efforts and receives reports and other meeting materials provided to each of the committees. In addition, we have established a Disclosure Committee which consists of our executive officers and assists the Board in fulfilling its oversight responsibility with respect to regulatory compliance and receives regular reports from our general counsel and other employees responsible for our regulatory compliance. All committees report to the full Board as appropriate, including when a matter rises to the level of a material or enterprise level risk. We believe the division of risk management responsibilities described above is an effective approach for addressing the risks we face.

Compensation Risk

Our Compensation Committee is comprised solely of independent directors and is principally responsible for establishing, overseeing and administering our compensation plans and policies for our executive officers, including our equity incentive plans. Our Compensation Committee is also responsible for overseeing risks related to our compensation programs and practices. Our Compensation Committee has assessed the risk associated with our compensation policies and practices for our employees and determined that the risks associated with such policies and practices are not reasonably likely to have a material adverse effect on us. Following our initial public offering (“IPO”) in fiscal 2011, we began to incorporate compensation practices that we believe discourage our employees from excessive risk-taking that could be reasonably likely to have a materially adverse effect on us, including the following:

- The base salary component of compensation does not encourage risk-taking because it is a fixed amount.
- We have a combination of both short-term and long-term elements of executive compensation.

All equity awards granted to our employees following our IPO were granted in the form of either time-based vesting restricted stock which vests pro-rata over a period of one to five years or performance-based vesting restricted stock which vests over three years if we achieve certain earnings per share targets. The time-based vesting structure disincentivizes short-term risk-taking at the expense of long-term stockholder value and a multi-year performance-based award discourages risk-taking that would generate higher short-term returns at the expense of performance in the remaining years in a performance period.

Our chief executive officer and vice chairman maintain a significant ownership interest in our company, which closely aligns their interests with our stockholders’ interests and disincentivizes them from engaging in, or encouraging our other executive officers to engage in, unreasonable or excessive risk-taking.

We have instituted a clawback, or recoupment, policy on awards granted under our annual incentive cash compensation program.

A majority of the awards to executives under the Company’s annual incentive cash compensation program are based on the achievement of at least two objective performance measures, thus diversifying the risk associated with any single indicator of performance.

Assuming achievement of a threshold level of performance, payouts under our annual incentive cash compensation program result in some compensation at levels below full target achievement, rather than an “all-or-nothing” approach, which could encourage excessive risk-taking.

Our Compensation Committee determines achievement levels under the Company's annual incentive cash compensation plan in its discretion after reviewing Company and executive performance.

Our Compensation Committee is being advised by an independent compensation consultant who also reviews the results of our annual analysis and assessment of our compensation programs.

Nomination of Directors

The Nominating and Corporate Governance Committee reviews the qualifications of every person recommended as a nominee to the Board to determine whether the recommended nominees are qualified to serve on the Board. The Nominating and Corporate Governance Committee has adopted qualitative standards by which it determines if nominees are qualified to serve on the Board. The Nominating and Corporate Governance Committee evaluates recommended nominees in accordance with the following criteria:

Personal characteristics. The Nominating and Corporate Governance Committee considers the personal characteristics of each nominee, including the nominee's integrity, accountability, ability to make informed judgments, financial literacy, professionalism and willingness to meaningfully contribute to the Board (including by possessing the ability to communicate persuasively and address difficult issues). In addition, the Nominating and Corporate Governance Committee evaluates whether the nominee's previous experience reflects a willingness to establish and meet high standards of performance, both for him or herself and for others.

Core Competencies. The Nominating and Corporate Governance Committee considers whether the nominee's knowledge and experience would contribute to the Board's achievement of certain core competencies. The Nominating and Corporate Governance Committee believes that the Board, as a whole, should possess competencies in accounting and finance, business judgment, management best practices, crisis response, industry knowledge, leadership, strategy and vision.

Board Independence. The Nominating and Corporate Governance Committee considers whether the nominee would qualify as an "independent director" under the NASDAQ Listing Rules.

Director Commitment. The Nominating and Corporate Governance Committee expects that each of our directors will prepare for and actively participate in meetings of the Board and its committees, provide advice and counsel to our management, develop a broad knowledge of our business and industry and, with respect to an incumbent director, maintain the expertise that led the Nominating and Corporate Governance Committee to initially select the director as a nominee. The Nominating and Corporate Governance Committee evaluates each nominee on his or her ability to provide this level of commitment if elected to the Board.

Additional Considerations. Each nominee also is evaluated based on the overall needs of the Board and the diversity of experience he or she can bring to the Board, whether in terms of specialized knowledge, skills or expertise. Although we do not have a formal policy with regard to the consideration of diversity in identifying director nominees, the Nominating and Corporate Governance Committee strives to nominate directors with a variety of complementary skills so that, as a group, the Board will possess the appropriate talent, skills and expertise to oversee the Company's businesses.

Following this evaluation, the Nominating and Corporate Governance Committee will make recommendations for membership on the Board and review such recommendations with the Board, which will decide whether to invite the candidate to be a nominee for election to the Board.

Director Nominees Recommended by Stockholders

The Nominating and Corporate Governance Committee evaluates nominees recommended by stockholders on the same basis as nominees recommended by any other sources, including making a determination whether the candidate is qualified to serve on the Board based on the qualitative standards described above. To be considered by the Nominating and Corporate Governance Committee, a stockholder who wishes to recommend a director nominee must deliver or send by first class U.S. mail a written notice addressed to Alexandros Aldous, General Counsel and Corporate Secretary, The Chefs' Warehouse, Inc., 100 East Ridge Road, Ridgefield, Connecticut 06877. The written notice must be received by our corporate secretary not less than 90 days nor more than 120 days prior to the date of the annual meeting; provided, however, that in the event the annual meeting is scheduled to be held on a date more than 30 days prior to or delayed by more than 60 days after the anniversary date of the last annual meeting of stockholders, notice by the stockholder in order to be timely must be so received not later than the close of business on the 10th day following the earlier of the day on which notice of the date of the meeting was mailed or public disclosure of the meeting was first made. The notice to our corporate secretary must include the information specified in our bylaws, including the following: (a) as to each proposed nominee (i) the name, age, business address and, if known, residence address of each such nominee, (ii) the principal occupation or employment of each such nominee, (iii) the class or series and number of our shares which are owned beneficially or of record by each such nominee, (iv) any other information concerning the nominee that must be disclosed as to nominees in proxy solicitations pursuant to Regulation 14A under the Exchange Act (including such person's written consent to be named as a nominee and to serve as a director if elected), and (v) a description of all direct and indirect compensation and other material monetary agreements, arrangements and understandings during the past three years, and any other material relationships, between or among such stockholder and beneficial owner, if any, and their respective affiliates and associates, or others acting in concert therewith, on the one hand, and each proposed nominee, and his or her respective affiliates and associates, or others acting in concert therewith, on the other hand, including without limitation all information that would be required to be disclosed pursuant to Rule 404 promulgated under the SEC's Regulation S-K if the stockholder making the nomination and any beneficial owner on whose behalf the nomination is made, if any, or any affiliate or associate thereof or person acting in concert therewith, were the "registrant" for purposes of such rule and the nominee were a director or executive officer of such registrant; and (b) as to the stockholder giving the notice and the beneficial owner, if any, on whose behalf the proposal is made (i) the name and record address of such stockholder, as it appears on the Company's books, and of such beneficial owner, if applicable, and of their respective affiliates or associates or others acting in concert therewith, (ii)(A) the class or series and number of shares of capital stock of the Company which are owned beneficially or of record by such stockholder and such beneficial owner, as applicable, and their respective affiliates or associates or others acting in concert therewith, (B) any option, warrant, convertible security, stock appreciation right, or similar right with an exercise or conversion privilege or a settlement payment or mechanism at a price related to any class or series of shares of the Company or with a value derived in whole or in part from the value of any class or series of shares of the Company, any derivative or synthetic arrangement having the characteristics of a long position in any class or series of shares of the Company, or any contract, derivative, swap or other transaction or series of transactions designed to produce economic benefits and risks that correspond substantially to the ownership of any class or series of shares of the Company, including due to the fact that the value of such contract, derivative, swap or other transaction or series of transactions is determined by reference to the price, value or volatility of any class or series of shares of the Company, whether or not such instrument, contract or right shall be subject to settlement in the underlying class or series of shares of the Company, through the delivery of cash or other property, or otherwise, and without regard of whether the stockholder of record, the beneficial owner, if any, or any affiliates or associates or others acting in concert therewith, may have entered into transactions that hedge or mitigate the economic effect of such instrument, contract or right, or any other direct or indirect opportunity to profit or share in any profit derived from any increase or decrease in the value of shares of the Company (any of the

foregoing, a “Derivative Instrument”) directly or indirectly owned beneficially by such stockholder, the beneficial owner, if any, or any affiliates or associates or others acting in concert therewith, (C) any proxy, contract, arrangement, understanding, or relationship pursuant to which such stockholder has a right to vote any class or series of shares of the Company, (D) any agreement, arrangement, understanding, relationship or otherwise, including any repurchase or similar so-called “stock borrowing” agreement or arrangement, involving such stockholder, directly or indirectly, the purpose or effect of which is to mitigate loss to, reduce the economic risk (of ownership or otherwise) of any class or series of the shares of the Company by, manage the risk of share price changes for, or increase or decrease the voting power of, such stockholder with respect to any class or series of the shares of the Company, or which provides, directly or indirectly, the opportunity to profit or share in any profit derived from any decrease in the price or value of any class or series of the shares of the Company (any of the foregoing, a “Short Interest”), (E) any rights to dividends on the shares of the Company owned beneficially by such stockholder that are separated or separable from the underlying shares of the Company, (F) any proportionate interest in shares of the Company or Derivative Instruments held, directly or indirectly, by a general or limited partnership in which such stockholder is a general partner or, directly or indirectly, beneficially owns an interest in a general partner of such general or limited partnership, (G) any performance-related fees (other than an asset-based fee) that such stockholder is entitled to based on any increase or decrease in the value of shares of the Company or Derivative Instruments, if any, including without limitation any such interests held by members of such stockholder’s immediate family sharing the same household, (H) any significant equity interests or any Derivative Instruments or Short Interests in any principal competitor of the Company held by such stockholder, and (I) any direct or indirect interest of such stockholder in any contract with the Company, any affiliate of the Company or any principal competitor of the Company (including, in any such case, any employment agreement, collective bargaining agreement or consulting agreement), (iii) a description of all arrangements or understandings between such stockholder and/or beneficial owner, if applicable, and each proposed nominee and any other person or persons (including their names) pursuant to which the nomination(s) are to be made by such stockholder, (iv) a representation that such stockholder intends to appear in person or by proxy at the meeting to nominate the persons named in its notice and (v) any other information relating to such stockholder and beneficial owner, if any, that would be required to be disclosed in a proxy statement or other filings required to be made in connection with solicitations of proxies for election of directors pursuant to the SEC’s Regulation 14A under the Exchange Act. We may require any proposed nominee to furnish such other information as may be reasonably required by the Nominating and Corporate Governance Committee to determine the eligibility of such proposed nominee to serve as a member of the Board.

Board Meetings

During the fiscal year ended December 27, 2013, the Board met seven (7) times, four (4) times in person and three (3) times telephonically. Following each in-person meeting of the Board, the independent directors met in executive session without the presence of management. All directors attended at least 75% of the meetings of the Board and of the committees on which they served in fiscal year 2013. We encourage each member of the Board to attend our annual meetings of stockholders. All of the members of our Board at the time of our 2013 annual meeting of stockholders attended the 2013 annual meeting, either in person or telephonically.

Committees of the Board of Directors

The Board currently has a Compensation Committee, an Audit Committee and a Nominating and Corporate Governance Committee. Upon recommendation of the Nominating and Corporate Governance Committee, the full Board appoints members of each of those committees and designates the chairperson of each of those committees.

Compensation Committee. The Compensation Committee evaluates and establishes the compensation of our executive officers. The Compensation Committee also establishes or approves all policies and procedures related to our incentive compensation programs and administers our incentive plans, including our 2011 Omnibus Equity Incentive Plan and annual cash incentive compensation plans. For a description of the role of the Compensation Committee, its consultants and management in setting compensation, please see “*EXECUTIVE COMPENSATION—Compensation Discussion and Analysis.*” The Compensation Committee also approves our compensation discussion and analysis included in our annual proxy statements.

The agenda for meetings of the Compensation Committee is determined by its chairman with the assistance of our chief executive officer, chief human resources officer and general counsel. Compensation Committee meetings are regularly attended by the chief executive officer and chairman of the Board (except during deliberations and voting regarding his compensation), chief human resources officer and general counsel. At certain meetings during fiscal 2013, the Compensation Committee met in executive session without any member of management present. The chairman of the Compensation Committee reports the Compensation Committee’s recommendations on executive compensation to the Board. Independent advisors and the Company’s finance, human resources and legal departments support the Compensation Committee in its duties and may be delegated authority to fulfill certain administrative duties regarding the compensation programs. The Compensation Committee has authority under its charter to retain, approve fees for and terminate advisors, consultants and agents as it deems necessary to assist in the fulfillment of its responsibilities.

The Compensation Committee's charter is available on our website, www.chefswarehouse.com, by clicking on "Investors," then clicking on "Corporate Governance," and then clicking on "Compensation Committee Charter." The Compensation Committee held seven (7) meetings during fiscal 2013. The current members of the Compensation Committee are Alan Guarino (chairman), John A. Couri and Joseph Cugine, each of whom is an independent director.

Audit Committee. The Audit Committee is a separately-designated standing audit committee established in accordance with Section 3(a)(58)(A) of the Exchange Act. The Audit Committee is responsible for overseeing management's maintenance of the reliability and integrity of our accounting policies and financial reporting and our disclosure practices; overseeing management's establishment and maintenance of processes to assure that an adequate system of internal control is functioning and to assure our compliance with all applicable laws, regulations and corporate policies; reviewing the performance of our independent registered public accounting firm; and making decisions regarding the appointment or termination of our independent registered public accounting firm and considering and approving any non-audit services proposed to be performed by the independent registered public accounting firm. Among the Audit Committee's duties are review of the results and scope of the audit and other services provided by our independent registered public accounting firm.

The Audit Committee's charter is available on our website, www.chefswarehouse.com, by clicking on "Investors," then clicking on "Corporate Governance," and then clicking on "Audit Committee Charter." The Audit Committee held thirteen (13) meetings during fiscal 2013. The current members of the Audit Committee are Dominick Cerbone (chairman), Joseph Cugine and Stephen Hanson, each of whom is an independent director. The Board has determined that Mr. Cerbone, who is an "independent director" as such term is defined in the NASDAQ Listing Rules, is also an "audit committee financial expert" as defined by the rules and regulations of the SEC. For more information regarding the qualifications and experience of Mr. Cerbone, see "Proposal 1 – Election of Directors – Directors and Nominees for Director – Dominick Cerbone" on page 17 of this proxy statement.

Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee of the Board is responsible for developing, reviewing and recommending to the Board for adoption our Corporate Governance Guidelines; identifying and nominating candidates for election to the Board; assessing and making recommendations to the Board regarding the size and composition of the Board and the size, composition, scope of authority, responsibilities and reporting obligations of each of the Board's committees; assisting the Board in conducting performance reviews of the Board and its committees; and formulating and assessing our senior management succession plans with our chief executive officer and chairman of the Board. Couri (chairman), Alan Guarino and Stephen Hanson, each of whom is an independent director.

Compensation Committee Interlocks and Insider Participation

The current members of our Compensation Committee are Messrs. Guarino, Couri and Cugine. During fiscal 2013, no member of the Compensation Committee had any relationship requiring disclosure under the section "*CORPORATE GOVERNANCE—Certain Relationships and Related Transactions.*" None of our executive officers served during fiscal 2013 as a member of the compensation committee (or other committee serving an equivalent function) of any other entity, one of whose executive officers served as a director on the Board or as a member of the Compensation Committee. None of our executive officers served during fiscal 2013 as a director of any other entity, one of whose executive officers served as a director on the Board or as a member of the Compensation Committee.

Communication with the Board of Directors

Our stockholders may communicate directly with the Board. All communications should be in written form and directed to Alexandros Aldous, General Counsel and Corporate Secretary, The Chefs' Warehouse, Inc., 100 East Ridge Road, Ridgefield, Connecticut 06877. Communications should be enclosed in a sealed envelope that prominently indicates that it is intended for the Board. Each communication intended for the Board and received by the corporate secretary that is related to our operations and is relevant to a specific director's service on the Board will, following its clearance through normal review and appropriate security procedures, be forwarded to our lead director for review and approval and then, upon approval, to the specified party.

PROPOSAL 1—ELECTION OF DIRECTORS

Directors and Nominees for Director

Currently, the Board is comprised of seven directors, all of whom are elected annually. The term of each current director will expire at the Annual Meeting. Each nominee has indicated his willingness to serve, if elected. If any nominee should be unable to serve, the person acting under the proxy may vote the proxy for a substitute nominee. We have no reason to believe any of the nominees will be unable to serve if elected.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

Overview

This compensation discussion and analysis discusses the objectives and elements of our compensation programs and the compensation awarded to our named executive officers in the 2013 fiscal year. This information should be read in conjunction with the Summary Compensation Table and the related tables and narratives that follow this compensation discussion and analysis. For fiscal 2013, the following individuals were our named executive officers:

- Christopher Pappas, our chairman, president and chief executive officer;
- John Austin, our chief financial officer;
- Frank O’Dowd, our chief information officer;
- Patricia Lecouras, our chief human resources officer; and
- Alexandros Aldous, our general counsel and corporate secretary.

Overview of Compensation Process

We have established a compensation committee of our board of directors, which consists solely of directors that are “independent” under the rules and regulations of the SEC and NASDAQ. The Compensation Committee has overall responsibility for the compensation program for our executive officers, including our named executive officers. For fiscal 2013, the Compensation Committee engaged a compensation consultant, Hay Group, to help it in establishing executive officer and director compensation for fiscal 2013. A representative of Hay Group attends Compensation Committee meetings when requested, reviews compensation data with the Compensation Committee, and participates in general discussions regarding executive compensation issues. The Compensation Committee has authorized Hay Group to interact with management on behalf of the Compensation Committee as needed in connection with advising the Compensation Committee. While the Compensation Committee considers input from Hay Group, the Compensation Committee’s decisions ultimately reflect many factors and considerations. The Compensation

Committee evaluated the independence of Hay Group pursuant to SEC rules and the NASDAQ Listing Rules and concluded that Hay Group is independent and that its work for the Compensation Committee does not raise any conflict of interest.

The Compensation Committee meets during the first quarter of a fiscal year to set compensation for that fiscal year. Hay Group and management play integral roles in the compensation-setting process. The Compensation Committee actively works with Hay Group to formulate compensation decisions for our chief executive officer. Management, with input from Hay Group, makes recommendations to the Compensation Committee for the rest of the executive officers. Management's and Hay Group's recommendations are accompanied by competitive market data from the peer groups established by the Compensation Committee based on recommendations from Hay Group. This peer group analysis is discussed in further detail beginning on page 20 of this proxy statement.

In setting fiscal 2013 compensation for our named executive officers, the Compensation Committee, following discussions with management and Hay Group, considered the compensation practices of the companies within our peer groups, our operating performance in fiscal 2012 and each individual named executive officer's performance of his or her duties. Members of management, including our chief executive officer, were not present when the Compensation Committee deliberated or voted on such member's fiscal 2013 compensation package.

2013 Non-Binding, Advisory Say-on-Pay Proposal

In May 2013, our stockholders approved a non-binding, advisory say-on-pay proposal at our 2013 annual meeting with over 99% of the shares represented at the meeting and entitled to vote on the proposal voting **FOR** the proposal. The Compensation Committee reviewed the results of the stockholder vote and took the high percentage of votes cast in favor of the proposal as an indication that our stockholders supported the pay-for-performance approach that we had adopted. The Compensation Committee will continue to monitor our current compensation structure and consider the results of future non-binding, advisory say-on-pay votes of our stockholders when establishing our pay programs in the future.

Compensation Philosophy and Objectives

The principal objectives of our executive compensation program are to attract, motivate and retain highly-qualified executives by providing total compensation for each position that the Compensation Committee believes is competitive within our business sector and compared to the companies within our peer groups. We also seek to provide appropriate incentives for our named executive officers to achieve performance metrics related to our company-wide performance and, in most instances, the individual's particular performance goals. Finally, through the issuance of equity-based incentives, we seek to retain our key employees and reward performance that enhances our long-term value.

Our Compensation Committee has strived to implement a compensation program that enables us to attract and retain high-quality leadership and to ensure that our named executive officers are compensated in a manner consistent with stockholder interests, the policies adopted by the Compensation Committee, internal equity considerations, competitive practice and the requirements of appropriate regulatory bodies. In determining the relevant amounts of each of these components, our Compensation Committee has adopted a compensation program that it believes consists of a mix of compensation that:

- aligns interests of all eligible employees with our business plans;
- incentivizes achievement of annual financial, functional, and individual objectives;
- provides a systematic plan for establishing definitive performance goals; and
- creates a fair and measureable compensation model for rewarding performance.

Competitive Marketplace Assessment

Although the Compensation Committee does not engage in benchmarking, the Compensation Committee, with the assistance of management and Hay Group, does compare our performance and compensation against a group of companies identified by Hay Group. Market data from our primary peer group was taken into consideration in setting the fiscal 2013 compensation of each of our named executive officers except Alexandros Aldous. The primary peer group was also referenced in our review of program designs, including an assessment of pay vehicles and performance metrics. In determining a primary peer group for fiscal 2013, Hay Group considered the following factors:

Company Type – The companies in the primary peer group are all publicly traded on a U.S. exchange.

Size – Annual revenues of the companies in the primary peer group range from approximately \$350 million to approximately \$2 billion. This size range reflected our near-term aggressive growth plans and our need to recruit executive talent with larger company experience to aid us as we seek to achieve such growth.

Business – The companies in the primary peer group represent multiple industry segments, including packaged foods, non-food related specialty and online retailers, other non-food related wholesalers and distributors and trucking and warehousing. The foodservice distribution industry is a highly fragmented industry with several very large national players and numerous small, privately-held local players; accordingly, it was necessary to select our primary peer group from various industry segments.

ISS Selection – For our primary peer group, we also considered companies listed in our ISS-selected peer group.

Our primary peer group for fiscal 2013 was changed from our primary peer group for fiscal 2012 to remove four companies from the fiscal 2012 group – Diamond Foods, Inc., Dunkin' Brands Group, Inc., H&E Equipment Services, Inc., and Bravo Brio Restaurant Group, Inc. – and add eight new companies to the fiscal 2013 group – AMCON Distributing Company, Calavo Growers, Inc., Celadon Group, Inc., Frozen Food Express Industries, Inc., Pool Corporation, Quality Distribution, Inc., Tootsie Roll Industries, Inc., and VOXX International Corporation. We believe these changes better reflect the changing size of our business and the distribution side of our business.

Reflecting the factors outlined above, our primary peer group for fiscal 2013 consisted of the following companies:

Cal-Maine Foods, Inc.	The Hain Celestial Group, Inc.	SunOpta Inc.
Myers Industries, Inc.	J&J Snack Foods Corp.	AMCON Distributing Company
John B. Sanfilippo & Son, Inc.	1-800-FLOWERS.COM, Inc.	DXP Enterprises, Inc.
Calavo Growers, Inc.	Celadon Group, Inc.	B&G Foods, Inc.
Nutrisystem, Inc.	Farmer Bros. Co.	Frozen Food Express Industries, Inc.
Pool Corporation	Quality Distribution, Inc.	Tootsie Roll Industries, Inc.
Voxx International Corporation		

In setting the fiscal 2013 compensation for all of our named executive officers, Hay Group also established a secondary peer group, which consisted of large foodservice distribution companies, to test compensation design and performance metrics; however, due to the size of these companies, they were not appropriate to reference in determining fiscal 2013 pay levels of our named executive officers. Our secondary peer group for fiscal 2013 was changed from our secondary peer group for fiscal 2012 to add Spartan Stores, Inc. to the fiscal 2013 group because Spartan Stores, Inc. is a large distribution organization with a leading compensation practice. Our secondary peer group consisted of the following companies:

Sysco Corporation	Core-Mark Holding Company, Inc.	Nash-Finch Company	United Natural Foods, Inc.	Spartan Stores, Inc.
-------------------	---------------------------------	--------------------	----------------------------	----------------------

Finally, in setting the fiscal 2013 compensation for Alexandros Aldous, Hay Group referenced Hay Group's 2013 General Market U.S. National Executive Compensation Report to determine market levels of compensation. Mr. Aldous' position was evaluated using job points obtained from Hay Group's job evaluation methodology, which focuses not on job title or personal attributes, but rather on know-how, problem solving and accountability.

We do not benchmark compensation in the traditional manner, as we do not directly tie individual components of compensation to particular benchmarks. In general, the Compensation Committee references the 25th and 75th percentiles and the median of the competitive compensation marketplace as well as data regarding compensation design and performance metrics, but market data is only one factor among many considered by the Compensation Committee when making determinations regarding executive compensation. Other factors considered include individual performance, scope of responsibilities, tenure, criticality of the position, retention concerns and the need to

recruit new officers.

Components of Fiscal 2013 Compensation for Our Named Executive Officers

Taking into account the above-described objectives and our peer group analyses, when setting fiscal 2013 compensation the Compensation Committee focused on designing a compensation package for our named executive officers that consisted of (i) base salaries, (ii) performance-based, annual cash incentive awards and (iii) for our named executive officers other than Christopher Pappas, equity-based awards consisting of a mix of time-based vesting and performance-based vesting restricted stock awards. Base salary provides a competitive rate of fixed pay and reflects different levels of responsibility within the Company, the skills and experience required for the job, individual performance and labor market conditions. Performance-based, annual cash incentive awards are designed to reward the annual achievement of financial, strategic and, in some cases, individual objectives. Long-term, equity-based awards are tied to pre-determined performance measures and are intended to reward performance over a multi-year period, align the interests of executives with those of stockholders, instill an ownership culture, enhance the personal stake of executive officers in the growth and success of the Company and provide an incentive for continued service at the Company. Each of the three compensation components are discussed in greater detail below:

Base Salary.

We provide our named executive officers with a base salary to compensate them for performing their daily responsibilities during the year. We believe that base salaries must be competitive based upon the named executive officer's scope of responsibilities and what we believe to be market rates of compensation for executives performing similar functions for comparable companies within our peer groups. For fiscal 2013, our chief executive officer's base salary was set by the Compensation Committee, following discussions with the Compensation Committee, our chief financial officer and Hay Group. Notwithstanding our chief executive officer's strong performance, his base salary was unchanged in fiscal 2013 from fiscal 2012, and the Compensation Committee decided to focus instead on variable awards related to performance. The fiscal 2013 base salaries for our named executive officers other than our chief executive officer were established by the Compensation Committee, following discussions with our chief executive officer, our chief financial officer, our chief human resources officer and Hay Group. The fiscal 2013 base salaries for our named executive officers other than our chief executive officer were principally based on the Compensation Committee's and management's assessment of our operating performance in fiscal 2012 and the individual named executive officer's performance of his or her duties, as well as our understanding of compensation of executive officers in comparable positions within our peer groups. Our named executive officers, other than Mr. C. Pappas, have had their performance reviewed periodically and have been eligible for merit-based base salary increases as a result of these reviews. Taking all of these factors into account, the Compensation Committee approved the following base salaries for our named executive officers for the 2013 fiscal year:

Name	2013 Base Salary
Christopher Pappas	\$750,000
John Austin	\$299,423 (1)
Frank O'Dowd	\$235,000
Patricia Lecouras	\$235,000
Alexandros Aldous	\$232,981 (2)

(1) Mr. Austin's annual base salary was \$290,000 for the first three weeks of fiscal 2013, and then it was increased to \$300,000.

(2) Mr. Aldous's annual base salary was \$200,000 for the first three weeks of fiscal 2013, and then it was increased to \$235,000.

As described above, Mr. C. Pappas's base salary for fiscal 2013 was unchanged from his base salary for fiscal 2012. Mr. Austin's fiscal 2013 base salary increased approximately 3.2% from his fiscal 2012 base salary. The fiscal 2013 base salaries for Mr. O'Dowd and Ms. Lecouras were unchanged. Mr. Aldous's fiscal 2013 base salary was approximately 19.0% higher than his fiscal 2012 base salary. All of the base salary increases were a result of general market increases, peer group analyses and fiscal 2012 individual performances.

Performance-Based, Annual Cash Incentive Compensation.

Overview

To closely align our named executive officers' compensation to our goals, we believe that a significant portion of a named executive officer's compensation should be incentive-based. Accordingly, we have utilized, and continue to utilize, an annual cash incentive compensation program that provides our named executive officers with the opportunity to earn substantial cash incentive compensation for the achievement of annual goals related to our performance and, in some cases, the named executive officer's individual performance.

Each of our named executive officers was eligible to receive performance-based cash incentive payments in the first quarter of 2014 under our 2013 Cash Incentive Plan (the "2013 Plan") upon (i) the Company's achievement of performance targets related to our fiscal 2013 revenue and fully-diluted earnings per share, or EPS (adjusted for the impact of duplicate rent on our Bronx, NY distribution facility), each of which were to be weighted equally, and (ii) for each named executive officer other than Mr. C. Pappas, the individual's achievement of certain individual performance goals, provided that no individual was to receive payment for individual performance goals unless we achieved either the threshold revenue goal or threshold EPS goal. In choosing performance metrics for the 2013 Plan, the Compensation Committee considered the annual incentive plan designs of members of our peer groups, as well as our specific corporate goals and budgetary considerations. The target awards under the 2013 Plan, expressed as a percentage of annual base salary, for each of Mr. C. Pappas, Mr. Austin, Mr. O'Dowd, Ms. Lecouras and Mr. Aldous were as set forth below:

Name	Total Target Award as a Percentage of Annual Base Salary	% of Award Based on Corporate Goals (Revenue and EPS)(1)	% of Award Based on Individual Performance Goals
Christopher Pappas	100	% 100	% 0
John Austin	75	% 75	% 25
Frank O'Dowd	50	% 50	% 50
Patricia Lecouras	50	% 50	% 50
Alexandros Aldous	50	% 50	% 50

The portion of each individual's award related to corporate goals is based 50% on our fiscal 2013 revenue and 50% (1) on our fiscal 2013 fully-diluted EPS (adjusted for the impact of duplicate rent on our Bronx, NY distribution facility).

The maximum possible payout under the 2013 Plan with respect to the foregoing named executive officers was 200% of the target. Except for payouts to Mr. C. Pappas, any payout exceeding 100% of a named executive officer's target would be paid in restricted stock which would vest on the first anniversary of the date of grant.

In setting the corporate performance targets under the 2013 Plan, the Compensation Committee considered historic levels of our performance for revenue and EPS, taking into consideration our acquisitions in fiscal 2012, and based the corporate performance targets on results that were improvements over the prior year's results. Furthermore, the Compensation Committee set the corporate performance targets at levels that required successful implementation of corporate operating objectives for meaningful payouts to occur. The Compensation Committee believed that the targets related to threshold performance were highly achievable in light of budgeted expectations, but the payouts for maximum performance required significant improvement over the prior year's comparable performance. The EPS targets for Mr. C. Pappas were set higher than the EPS targets for the other named executive officers to appropriately incent Mr. C. Pappas for earnings performance that exceeded our corporate goals and reward him for exceptional performance. Additionally, because Mr. C. Pappas's target award under the 2013 Plan was significantly higher than the

target award for the other named executive officers, the Compensation Committee determined that it was appropriate to set Mr. C. Pappas's EPS targets higher. The performance targets selected by the Committee for each of the named executive officers during fiscal 2013 are set forth in the tables below.

Christopher Pappas

Mr. C. Pappas's total target award under the 2013 Plan was 100% of his annual base salary. All of Mr. C. Pappas's possible award under the 2013 Plan was based on our achievement of certain levels of EPS and revenue. The targets and possible payouts associated with Mr. C. Pappas's award are set forth in the tables below:

EPS Target (\$)	Payout Related to EPS Target as a % of Annual Base Salary	Payout Related to EPS Target (\$)
\$1.12 or more	100%	\$750,000
\$0.97	50%	\$375,000
\$0.95	16.67%	\$125,025
Below \$0.95	0%	\$0

* If EPS was greater than \$0.95 but less than \$0.97, Mr. C. Pappas was eligible to receive a payout on a sliding scale basis between 16.67% and 50% of his base salary that was proportional to the EPS actually achieved. If EPS was greater than \$0.97 but less than \$1.12, Mr. C. Pappas was eligible to receive a payout on a sliding scale basis between 50% and 100% of his base salary that was proportional to the EPS actually achieved.

Revenue Target (\$)	Payout Related to Revenue Target as a % of Annual Base Salary	Payout Related to Revenue Target (\$)
\$800 million or greater	100%	\$750,000
\$627 million	50%	\$375,000
\$600 million or below	0%	\$0

* If revenue was greater than \$600 million but less than \$627 million, Mr. C. Pappas was eligible to receive a payout on a sliding scale basis between 0% and 50% of his base salary that was proportional to the revenue actually achieved. If revenue was greater than \$627 million but less than \$800 million, Mr. C. Pappas was eligible to receive a payout on a sliding scale basis between 50% and 100% of his base salary that was proportional to the revenue actually achieved.

John Austin

Mr. Austin's total target award under the 2013 Plan was 75% of his annual base salary of \$300,000. Of Mr. Austin's possible award under the 2013 Plan, 75% of the award was based on our achievement of certain levels of EPS and revenue. The targets and possible payouts associated with the portion of Mr. Austin's award based on the corporate goals are set forth in the tables below:

EPS Target (\$)	Payout Related to EPS Target as a % of Annual Base Salary	Payout Related to EPS Target (\$)
\$1.12 or more	56.25%	\$168,750
\$0.92	28.125%	\$84,375
\$0.82 or below	0%	\$0

* If EPS was greater than \$0.82 but less than \$0.92, Mr. Austin was eligible to receive a payout on a sliding scale basis between 0% and 28.125% of his base salary that was proportional to the EPS actually achieved. If EPS was greater than \$0.92 but less than \$1.12, Mr. Austin was eligible to receive a payout on a sliding scale basis between 28.125% and 56.25% of his base salary that was proportional to the EPS actually achieved.

Revenue Target (\$)	Payout Related to Revenue Target as a % of Annual Base Salary	Payout Related to Revenue Target (\$)
\$800 million or greater	56.25%	\$ 168,750
\$627 million	28.125%	\$84,375
\$600 million or below	0%	\$0

* If revenue was greater than \$600 million but less than \$627 million, Mr. Austin was eligible to receive a payout on a sliding scale basis between 0% and 28.125% of his base salary that was proportional to the revenue actually achieved. If revenue was greater than \$627 million but less than \$800 million, Mr. Austin was eligible to receive a payout on a sliding scale basis between 28.125% and 56.25% of his base salary that was proportional to the revenue actually achieved.

Of Mr. Austin's possible award under the 2013 Plan, 25% of the award, which is equivalent to 18.75% of his annual base salary of \$300,000, or \$56,250, was based on his achievement as determined by the Compensation Committee following discussions with management, of certain individual goals, including goals related to ensuring adequate financing and capital structure to accomplish the Company's corporate objectives and implementing a management reporting process to promote improved P&L accountability. In order for Mr. Austin to earn any annual incentive payout tied to individual performance goals, we had to achieve at least the threshold level of revenue or EPS.

Frank O'Dowd

Mr. O'Dowd's total target award under the 2013 Plan was 50% of his annual base salary. Of Mr. O'Dowd's possible award under the 2013 Plan, 50% of the award was based on our achievement of certain levels of EPS and revenue. The targets and possible payouts associated with the portion of Mr. O'Dowd's award based on the corporate goals are set forth in the tables below:

EPS Target (\$)	Payout Related to EPS Target as a % of Annual Base Salary	Payout Related to EPS Target (\$)
\$1.12 or more	25%	\$58,750
\$0.92	12.5%	\$29,375
\$0.82 or below	0%	\$0

* If EPS was greater than \$0.82 but less than \$0.92, Mr. O'Dowd was eligible to receive a payout on a sliding scale basis between 0% and 12.5% of his base salary that was proportional to the EPS actually achieved. Revenue Target (\$)	Payout Related to Revenue Target as a % of Annual Base Salary	Payout Related to Revenue Target (\$)
\$800 million or greater	25%	\$58,750
\$627 million	12.5%	\$29,375
\$600 million or below	0%	\$0

* If revenue was greater than \$600 million but less than \$627 million, Mr. O'Dowd was eligible to receive a payout on a sliding scale basis between 0% and 12.5% of his base salary that was proportional to the revenue actually achieved. If revenue was greater than \$627 million but less than \$800 million, Mr. O'Dowd was eligible to receive a payout on a sliding scale basis between 12.5% and 25% of his base salary that was proportional to the revenue actually achieved.

Of Mr. O'Dowd's possible award under the 2013 Plan, 50% of the award, which is equivalent to 25% of his annual base salary, or \$58,750, was based on his achievement, as determined by the Compensation Committee following discussions with management, of certain individual goals, including goals related to overhauling the inventory management application in warehouses, developing a strategy and initiating solutions for an integrated systems plan for the Company, supporting integration processes and completed projects within projected savings, completing critical sales system enhancements and identifying savings from technology initiatives. In order for Mr. O'Dowd to

earn any annual incentive payout tied to individual performance goals, we had to achieve at least the threshold level of revenue or EPS.

Patricia Lecouras

Ms. Lecouras's total target award under the 2013 Plan was 50% of her annual base salary. Of Ms. Lecouras's possible award under the 2013 Plan, 50% of the award was based on our achievement of certain levels of EPS and revenue. The targets and possible payouts associated with the portion of Ms. Lecouras's award based on the corporate goals are set forth in the table below:

Of Ms. Lecouras's possible award under the 2013 Plan, 50% of the award, which is equivalent to 25% of her annual base salary, or \$58,750, was based on her achievement, as determined by the Compensation Committee following discussions with management, of certain individual goals, including goals related to labor matters, employee legal matters, maintaining or improving employee satisfaction survey scores and implementing a new web-based new hire onboarding system. In order for Ms. Lecouras to earn any annual incentive payout tied to individual performance goals, we had to achieve at least the threshold level of revenue or EPS.

Alexandros Aldous

Mr. Aldous's total target award under the 2013 Plan was 50% of his annual base salary of \$235,000. Of Mr. Aldous's possible award under the 2013 Plan, 50% of the award was based on our achievement of certain levels of EPS and revenue. The targets and possible payouts associated with the portion of Mr. Aldous's award based on the corporate goals are set forth in the table below:

In order for Mr. Aldous to earn any annual incentive payout tied to individual performance goals, we had to achieve at least the threshold level of revenue or EPS.

Fiscal 2013 Results and Payouts

No award distributions were to be made under the 2013 Plan unless we achieved either EPS of above \$0.82 or revenue of above \$600 million for fiscal 2013. Our fiscal 2013 EPS was \$0.77 on a GAAP basis and \$0.85 after the Compensation Committee determined to adjust our actual results for the impact of our September 2013 public offering of common stock, duplicate rent on our Bronx, NY facility, the cumulative prior year impact related to inventory misstatements at Michael's Finer Meats, investigation costs related to the previously-disclosed Michael's Finer Meats accounting issue and third party transaction costs related to acquisitions, offset by the reduction of a contingent liability and the tax effect of the previous adjustments. Our GAAP EPS for fiscal 2013 was less than the threshold level of EPS required to pay out any portion of the 2013 Plan payments tied to EPS for each of our named executive officers. Our fiscal 2013 EPS after adjustment fell below the EPS threshold required for payout under the 2013 Plan to Mr. C. Pappas, but was higher than the EPS threshold required for payouts to Mr. Austin, Mr. O'Dowd, Ms. Lecouras and Mr. Aldous. The Compensation Committee determined to use adjusted EPS in determining payouts under the 2013 Plan to evaluate the performance of our business in a manner that excludes unusual or one-time items. We also achieved revenue of \$673.5 million. Messrs. C. Pappas, Austin, O'Dowd and Aldous and Ms. Lecouras each received award distributions under the 2013 Plan based upon our achievement of the threshold revenue level and, in the case of each named executive officer except Mr. C. Pappas, the threshold EPS level and, for all named executive officers other than Mr. C. Pappas, their achievement of certain individual performance goals in fiscal 2013, as determined by the Compensation Committee. The amounts paid to our named executive officers under the 2013 Plan, and the related target amounts, for fiscal 2013 performance are set forth in the following table:

NAME	TARGET AWARD(1)	ACTUAL AWARD
Christopher Pappas	\$ 750,000	\$475,875 (2)
John Austin	\$ 225,000	174,573 (3)
Frank O'Dowd	\$ 117,500	104,840 (4)

Alexandros Aldous	\$ 117,500	104,840 (6)

Long-Term Equity Compensation.Fiscal 2013 Grants

In addition to performance-based cash incentive awards, the Company's Compensation Committee, in consultation with Hay Group and the Company's management, determined the mix of equity awards for the Company's named executive officers in fiscal 2013. The goal was to balance the need for retention and motivation of the executives, with a need to provide a stockholder-aligned and performance-based long-term incentive program where the named executive officers would be rewarded for improved results for stockholders. As a result, long-term incentive plan targets expressed as a percentage of the named executive officers' base salaries were established for each of the named executive officers other than Mr. C. Pappas. These awards were market-driven based on peer group data, survey information, and input from the Company's Compensation Committee. Once the level of compensation was determined, it was decided that the most senior-level named executive officers (other than Mr. C. Pappas, who was not granted any equity awards in light of his existing significant holdings of the Company's common stock) should have a higher percentage of their awards be performance based, as those individuals typically have a greater opportunity to more directly impact the results of the Company's business. Accordingly, the Compensation Committee determined to make 80% of each individual's equity grant in fiscal 2013 subject to performance-based vesting rather than time-based vesting to motivate the executives to achieve our corporate objectives and enhance stockholder value. Additionally, at the time of the fiscal 2013 grants, it was the Compensation Committee's intention that, beginning in fiscal 2013 and going forward, the Compensation Committee would make equity grants to the named executive officers once every three years.

The fiscal 2013 equity grants, expressed as a percentage of annual base salary as set by the Compensation Committee in January 2013, and the breakdown between the time-based vesting restricted stock and performance-based vesting restricted stock portions of the fiscal 2013 equity grants for each of Mr. Austin, Mr. O'Dowd, Ms. Lecouras and Mr. Aldous were as set forth below:

Name	Fiscal 2013 Equity Grant as a Percentage of Annual Base Salary	% of Fiscal 2013 Equity Grant that is Time-Based Vesting Restricted Stock	Fiscal 2013 Time-Based Vesting Restricted Stock				Fiscal 2013 Performance-Based Vesting Restricted Stock

Patricia Lecouras	150	%	20	%	30	%	80	%	120	%
Alexandros Aldous	150	%	20	%	30	%	80	%	120	%

Mr. Austin, Mr. O'Dowd, Ms. Lecouras and Mr. Aldous each received their fiscal 2013 equity-based awards in the first quarter of fiscal 2013, which awards were issued under The Chefs' Warehouse, Inc. 2011 Omnibus Equity Incentive Plan (the "2011 Incentive Plan"). The amount of shares granted to each individual was calculated based on a percentage of such individual's 2013 annual base salary, as determined by the Compensation Committee in January 2013. Mr. Austin received a number of shares of time-based vesting restricted stock equal to 45% of his 2013 annual base salary. Each of Mr. O'Dowd, Ms. Lecouras and Mr. Aldous received a number of shares of time-based vesting restricted stock equal to 30% of his or her 2013 annual base salary. The time-based vesting restricted stock vests in equal one-third increments as of the first through third anniversary dates of the grant date.

Mr. Austin also received a number of shares of performance-based vesting restricted stock equal to 180% of his 2013 annual base salary. Each of Mr. O'Dowd, Ms. Lecouras and Mr. Aldous received a number of shares of performance-based vesting restricted stock equal to 120% of his or her 2013 annual base salary. The performance-based vesting restricted stock vests in one-third increments each year based upon the Company's achievement of certain EPS performance targets for the 2013, 2014 and 2015 fiscal years. Additionally, to encourage the long-term growth of the Company, vesting of the performance-based restricted stock is cumulative, such that should the restrictions with respect to shares of performance-based restricted stock not lapse for a particular performance period because the Company's EPS for the fiscal year applicable to that performance period was not met, the restrictions with respect to those shares of performance-based restricted stock shall lapse if the Company's EPS for any subsequent fiscal year within the applicable three-year performance period equals or exceeds the EPS amount required for the forfeiture restrictions with respect to the shares of performance-based restricted stock associated with that fiscal year to lapse. For fiscal 2013, the EPS target was \$0.95. Because our EPS for fiscal 2013 was below this targeted amount, the forfeiture restrictions with respect to the portion of the fiscal 2013 performance-based vesting restricted stock grants to Messrs. Austin, O'Dowd and Aldous and Ms. Lecouras related to fiscal 2013 performance did not lapse; however, as noted above, the forfeiture restrictions with respect to the portion of these awards related to fiscal 2013 performance may lapse if the EPS targets for either fiscal 2014 or fiscal 2015 are achieved.

Fiscal 2012 Performance-Based Vesting Restricted Stock Awards

In fiscal 2012, the Compensation Committee granted the named executive officers (other than Mr. C. Pappas, who was not granted any equity awards in light of his existing significant holdings of the Company's common stock) performance-based vesting restricted stock awards, which vest in one-third increments each year based upon the Company's achievement of certain EPS performance targets for the 2012, 2013 and 2014 fiscal years. As with the 2013 grants of performance-based vesting restricted stock awards discussed above, to encourage the long-term growth of the Company, vesting of the fiscal 2012 performance-based vesting restricted stock awards is cumulative, such that should the restrictions with respect to shares of performance-based restricted stock not lapse for a particular performance period because the Company's EPS for the fiscal year applicable to that performance period was not met, the restrictions with respect to those shares of performance-based restricted stock shall lapse if the Company's EPS for any subsequent fiscal year within the applicable three-year performance period equals or exceeds the EPS amount required for the forfeiture restrictions with respect to the shares of performance-based restricted stock associated with that fiscal year to lapse.

In fiscal 2012, each of Mr. O'Dowd and Ms. Lecouras received a number of shares of performance-based vesting restricted stock equal to 45% of his or her 2012 annual base salary. Mr. Aldous received a number of shares of performance-based vesting restricted stock equal to 25% of his 2012 annual base salary. Mr. Austin's employment as our chief financial officer was effective July 1, 2012. In connection with his employment, he received a number of shares of performance-based vesting restricted stock equal to 45% of his pro-rated 2012 annual base salary.

As noted in the Company's proxy statement for its 2013 Annual Meeting of Stockholders, the Company did not achieve the fiscal 2012 EPS target of \$0.93 under the fiscal 2012 performance-based vesting restricted stock awards. For fiscal 2013, the EPS target was \$1.08. Because our EPS for fiscal 2013 was below this targeted amount, the forfeiture restrictions with respect to the portions of the fiscal 2012 performance-based vesting restricted stock grants to Messrs. Austin, O'Dowd and Aldous and Ms. Lecouras related to fiscal 2012 and fiscal 2013 performance did not lapse; however, as noted above, the forfeiture restrictions with respect to the portions of these awards related to fiscal 2012 performance and fiscal 2013 performance may lapse if the EPS target for fiscal 2014 is achieved.

Employment Agreements, Offer Letters and Severance Benefits

Christopher Pappas's Employment Agreement.

We entered into an employment agreement with Christopher Pappas immediately prior to the consummation of our IPO. Mr. C. Pappas's employment agreement has a three-year term and will allow for the automatic extension of the term for successive one-year terms unless either party to the agreement elects not to renew the agreement at least 60 days prior to the end of the term. The agreement provides for an annual base salary of \$750,000, an annual cash bonus opportunity to be determined by the Board (or a committee thereof) and the right to participate in our equity-based incentive plans. Additionally, the agreement provides for four weeks of paid vacation annually, a monthly car allowance of \$2,000 and participation in our employee benefit plans and programs for salaried employees to the extent permissible under such plans or programs.

The agreement also provides for severance benefits if Mr. C. Pappas is terminated by us without cause. Upon such a termination, the agreement provides for the continued payment of base salary for one year from the date of termination and the right to receive any bonus that has been earned but remains unpaid on the date of termination. The agreement also includes a non-competition and non-solicitation provision, pursuant to which Mr. C. Pappas agrees, among other things, that for one year following the termination of his employment with us, he will not (i) compete with us or our subsidiaries; (ii) induce a customer or supplier of ours to cease doing business with us; or (iii) induce an employee of ours to leave our employ. For purposes of Mr. C. Pappas's employment agreement, "cause" is defined as (i) engaging in willful misconduct that is injurious to our company or our affiliates or (ii) the embezzlement or misappropriation of our, or our affiliates', funds or property; provided, however, that no act, or failure to act, is to be considered "willful" unless done, or omitted to be done, not in good faith and without reasonable belief that the action or omission was in the best interest of our company.

If the Company terminates Mr. Austin's employment without "cause," Mr. Austin will be entitled to receive his then current base salary for a period of twelve months following such termination. "Cause" is defined in Mr. Austin's offer letter to mean termination of Mr. Austin's employment by us due to (i) his conviction of, or plea of, nolo contendere, with respect to any felony, or any act of fraud, embezzlement or dishonesty by Mr. Austin against us or any of our subsidiaries, or any act of moral turpitude or any conduct in which he engages during his employment that tends to bring us or any of our subsidiaries into substantial public disgrace or disrepute, (ii) the commission of any act or omission by Mr. Austin involving fraud with respect to us or any of our subsidiaries or in connection with any relationship between us or any of our subsidiaries and any customer or supplier, (iii) Mr. Austin's use of illegal drugs or repetitive abuse of other drugs or repetitive excess consumption of alcohol interfering with the performance of his duties, (iv) the gross negligence or willful misconduct in the performance of Mr. Austin's duties with respect to us or any of our subsidiaries, or (v) Mr. Austin's failure to follow the lawful directives of our president and chief executive officer where Mr. Austin has been given written notice of the acts or omissions constituting such failure and Mr. Austin failed to cure such conduct, where susceptible to cure, within 30 days following such notice.

Ms. Lecouras's offer letter also provides that she is entitled to receive her base salary for a period of twelve months following her termination by us without "cause," which is defined as termination of employment by us due to (i) conviction of, or plea of, nolo contendere, with respect to any felony, or any act of fraud, embezzlement or dishonesty against us or any of our subsidiaries, or any act of moral turpitude or any conduct in which she engages during her employment that tends to bring us or any of our subsidiaries into substantial public disgrace or disrepute, (ii) the commission of any act or omission involving fraud with respect to us or any of our subsidiaries or in connection with any relationship between us or any of our subsidiaries and any customer or supplier, (iii) use of illegal drugs or repetitive abuse of other drugs or repetitive excess consumption of alcohol interfering with the performance of her duties, (iv) the gross negligence or willful misconduct in the performance of her duties with respect to us or any of our subsidiaries or (v) failure to follow the lawful directives of our president.

Alexandros Aldous

Under his offer letter, Mr. Aldous was initially eligible to participate in our annual, performance-based cash incentive program at a target of 25% of his annual base salary. The Compensation Committee subsequently increased his target under the annual, performance-based cash incentive program to 35% of his annual base salary for fiscal 2012, and then further increased the target to 50% of his annual base salary for fiscal 2013.

2014 Compensation of Named Executive Officers

For fiscal 2014, the annual base salary for Mr. C. Pappas will remain \$750,000. The annual base salaries for Mr. Austin, Mr. O'Dowd, Ms. Lecouras and Mr. Aldous, respectively, will increase to \$309,000, \$242,050, \$242,050 and \$242,050. The increases to the base salaries of Mr. Austin, Mr. O'Dowd, Ms. Lecouras and Mr. Aldous are based on market increases, peer group comparisons and individual performance in fiscal 2013.

Each of our named executive officers will also be eligible to receive performance-based cash incentive payments in the first quarter of 2015 under our 2014 Cash Incentive Plan upon the Company's achievement of performance targets related to our fiscal 2014 revenues and adjusted earnings before interest, taxes, depreciation and amortization, or adjusted EBITDA, each of which will be weighted equally, and, in the case of Mr. Austin, Mr. O'Dowd, Ms. Lecouras and Mr. Aldous, upon the individual's achievement of certain individual performance goals. The revenue target will exclude revenue from new acquisitions in 2014 and give effect to the other exclusions and adjustments specifically identified in the 2014 Cash Incentive Plan. The adjusted EBITDA target will include adjusted EBITDA from new acquisitions in 2014, exclude startup costs associated with the possible opening of a new Chicago distribution facility and give effect to the other exclusions and adjustments specifically identified in the 2014 Cash Incentive Plan. The target awards under our 2014 Cash Incentive Plan, expressed as a percentage of annual base salary, for each of Mr. C. Pappas, Mr. Austin, Mr. O'Dowd, Ms. Lecouras and Mr. Aldous are 100%, 75%, 50%, 50% and 50%. The maximum payout under the 2014 Cash Incentive Plan with respect to the foregoing named executive officers is 200% of the target. Any payout exceeding 100% of an individual's target will be paid in restricted stock which will vest on the first anniversary of the date of grant.

The named executive officers receiving equity grants in fiscal 2013 have not received equity grants in fiscal 2014, reflecting the Compensation Committee's intention at the time of the 2013 grants that, beginning in fiscal 2013 and going forward, the Compensation Committee would make equity grants to the named executive officers once every three years.

Tax and Accounting Implications

Deductibility of Executive Compensation.

Our Compensation Committee considers the effect of accounting and tax treatment regarding executive compensation when making decisions regarding the amount and form of compensation that we pay our named executive officers. For instance, our Compensation Committee reviews and considers the deductibility of executive compensation under Section 162(m) of the Code, which generally disallows tax deductions to public companies for certain compensation in excess of \$1,000,000 that is paid in any one tax year to certain of our most highly compensated employees. There is an exception to the limit on deductibility for performance-based compensation that meets certain requirements. We believe that the compensation paid under the 2011 Incentive Plan, including any performance-based cash incentive compensation paid under our 2013 Plan, should be fully deductible for federal income tax purposes. In certain situations, however, we may approve compensation that will not meet these requirements in order to ensure competitive levels of total compensation for our named executive officers.

Accounting for Equity-Based Compensation.

Accounting rules require that we expense equity-based compensation awards, including awards under the 2011 Incentive Plan.

Compensation Committee Report

We have reviewed and discussed the foregoing Compensation Discussion and Analysis with management, as required by Item 402(b) of Regulation S-K. (1) Reflects the grant date fair value of our awards to certain of our named executive officers of restricted shares of our common stock consistent with FASB Accounting Standards Codification Topic 718 “Compensation-Stock Compensation” (“ASC Topic 718”). The grant date fair value for these awards of restricted stock was determined by taking the closing market price of the Company’s common stock on the date of grant (or the last day on which there was a closing market price of our common stock when grants were made on days when there was no trading in our common stock) and multiplying it by the number of shares awarded. The grant date fair value for awards of performance-based restricted stock reflects payouts at “target” levels of performance, which is the same as the “maximum” level of performance.

(2) Amounts reflect those amounts earned by the named executive officer under our performance-based, annual cash incentive compensation program. For a description of this program, please see the information under the caption “Performance-Based, Annual Cash Incentive Compensation” within the section captioned “EXECUTIVE COMPENSATION—Compensation Discussion and Analysis” above.

(3) The following table breaks out the components of the “All Other Compensation” paid to our named executive officers in fiscal 2013:

NAME	MEDICAL, DENTAL AND VISION INSURANCE PREMIUMS (a)	LIFE INSURANCE PREMIUMS (b)	SHORT-TERM DISABILITY INSURANCE PREMIUMS (c)	401(k) PLAN MATCH (d)	AUTOMOBILE & OTHER TRAVEL EXPENSES (e)	RELOCATION & OTHER TRAVEL EXPENSES	TOTAL

(11) The amount in the chart reflects the grant date fair value of this equity award to Mr. Austin consistent with ASC Topic 718. The grant date fair value for this award of restricted stock was determined by taking the closing market price of the Company's common stock on the date of grant (or the last day on which there was a closing market price of our common stock when grants were made on days when there was no trading in our common stock) and multiplying it by the number of shares awarded.

Includes a grant of 1,802 shares of time-based vesting restricted common stock Mr. Austin received on May 17, 2012 for service as a member of our Board. The closing price of our common stock on May 17, 2012 was \$20.53. Mr. Austin forfeited all 1,802 shares in connection with his resignation from our Board on May 24, 2012.

Represents the possible performance-based, cash incentive award payments pursuant to our 2013 Plan. For a description of the 2013 Plan and awards made pursuant thereto, see “*EXECUTIVE COMPENSATION – Compensation Discussion and Analysis – Components of Fiscal 2013 Compensation for Our Named Executive Officers – Performance-Based, Annual Cash Incentive Compensation*” beginning on page 22 of this proxy statement, and for a description of the payments actually made pursuant to the 2013 Plan, see “*EXECUTIVE COMPENSATION – Summary Compensation Table – Fiscal Years 2011-2013*” beginning on page 34 of this proxy statement.

The amounts reflected in these columns represent performance-based vesting restricted stock awards made under the 2011 Incentive Plan, which awards will vest in one-third increments each year based upon the Company's achievement of certain EPS performance targets for the 2013, 2014 and 2015 fiscal years. Additionally, to encourage the long-term growth of the Company, vesting of the performance-based restricted stock is cumulative, such that should the restrictions with respect to shares of performance-based restricted stock not lapse for a (2) particular performance period because the Company's EPS for the fiscal year applicable to that performance period was not met, the restrictions with respect to those shares of performance-based restricted stock shall lapse if the Company's EPS for any subsequent fiscal year within the applicable three-year performance period equals or exceeds the EPS amount required for the forfeiture restrictions with respect to the shares of performance-based restricted stock associated with that fiscal year to lapse. The target number of shares is also the threshold and maximum number of shares achievable under these awards.

There were not threshold payouts under the 2013 Plan, as the possible performance-based, cash incentive award payments under the 2013 Plan were to be paid on a sliding scale basis from \$0 up to a certain percentage of a named executive officer's 2013 annual base salary based on our achievement of certain revenue or EPS targets. (3) These sliding scale payments and the related revenue and EPS targets are described more fully under "*Executive Compensation – Compensation Discussion and Analysis – Components of Fiscal 2013 Compensation for Our Named Executive Officers – Performance-Based, Annual Cash Incentive Compensation*" beginning on page 22 of this proxy statement.

(4) Represents an award of time-based vesting restricted stock which will vest pro rata on each of the first three anniversaries of the grant date.

Director Compensation

Pursuant to our Corporate Governance Guidelines, the Board is responsible for setting the compensation of its independent directors. For the portion of fiscal 2013 up to our annual meeting of stockholders held on May 17, 2013, we paid each of our independent, non-management directors \$12,500 as a portion of their cash retainer for board membership from the annual meeting of stockholders in fiscal 2012 to the annual meeting of stockholders in fiscal 2013. For the portion of fiscal 2013 commencing on the day after the Annual Meeting until the date of our annual meeting of stockholders in fiscal 2014, our directors will be paid a retainer of \$62,000, which will consist of a mix of \$25,000 in cash and \$37,000 in time-based vesting restricted stock, which will vest at our 2014 annual meeting of stockholders. In fiscal 2013, we did not pay directors for attending meetings of the Board or its committees, but we did pay directors for committee membership and chairmanship and reimbursed our independent directors for their expenses incurred in attending Board and committee meetings. Our directors receive retainers for their participation as members of committees of the Board equal to \$8,000 for Audit Committee membership, \$5,000 for Compensation Committee membership and \$4,000 for Nominating and Corporate Governance Committee membership. Directors who serve as a chairman of a committee of the Board receive retainers equal to \$15,000 for the Audit Committee chairmanship, \$10,000 for the Compensation Committee chairmanship, and \$7,500 for the Nominating and Corporate Governance Committee chairmanship.

(1) These individuals did not receive any compensation for their service as a director, and they have no outstanding options or stock awards as of the end of fiscal 2013.

(2) Each of these restricted stock awards was unvested as of the end of fiscal 2013, and they will each vest at the 2014 Annual Meeting. Consistent with ASC Topic 718, the amounts in the table reflect the grant date fair value of our awards to each of our directors, other than Messrs. C. Pappas and J. Pappas, of 1,769 restricted shares of our common stock on May 17, 2013. The grant date fair value for these awards of restricted stock was determined by taking the closing market price of the Company's common stock on the date of grant, which was \$20.91, and multiplying it by the number of shares awarded.

Director Stock Ownership Requirement

To further align the interests of the Board with the interests of the Company's stockholders, the Company believes that its independent directors should be stockholders and have a significant personal financial stake in the Company. Accordingly, each independent director is required to own shares of the Company's common stock valued at three times the director's equity component of the then-current annual retainer. Each director will have three years from the later of the consummation of the Company's IPO and the date of the director's election to the Board to attain such level of stock ownership. After achieving the minimum level of stock ownership, ownership of the minimum amount must be maintained as long as the director remains on the Board. The Nominating and Corporate Governance Committee in its discretion may extend the period of time for attainment of such ownership levels in appropriate circumstances. Until the stock ownership requirements are met, directors are required to retain the net number of shares of the Company's common stock received by the directors pursuant to awards granted to the directors or exercised by the directors pursuant to the 2011 Incentive Plan.

PROPOSAL 2—RATIFICATION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee has selected BDO USA, LLP as our independent registered public accounting firm for the fiscal year ending December 26, 2014 and has recommended to the Board that this selection be submitted to our stockholders for ratification at the Annual Meeting. Stockholder ratification of the selection of BDO USA, LLP as our independent registered public accounting firm is not required by law or otherwise. However, the Board, upon the recommendation of the Audit Committee, is submitting the selection of BDO USA, LLP to stockholders for ratification as a matter of good corporate governance. If stockholders do not ratify the selection of BDO USA, LLP, the Audit Committee will reconsider the matter.

Representatives of BDO USA, LLP, which served as our independent registered public accounting firm for the fiscal year ended December 27, 2013, will be present at the Annual Meeting to respond to appropriate questions and to make such statements as they may desire.

The Board unanimously recommends that stockholders vote “FOR” ratification of the selection of BDO USA, LLP as our independent registered public accounting firm for fiscal 2014. Proxies received by the Board will be voted “FOR” ratification of BDO USA, LLP unless a contrary choice is specified in the proxy.

Vote Required

An affirmative vote of a majority of the shares represented at the Annual Meeting in person (including by webcast) or by properly executed proxy and entitled to vote on Proposal 2 is necessary to ratify the appointment of BDO USA, LLP as our independent registered public accounting firm for the fiscal year ending December 26, 2014. Abstentions will be equivalent to a vote against this proposal. If no voting specification is made on a properly returned or voted proxy card, the proxy card will vote FOR Proposal 2.

Policy on Audit Committee Pre-Approval of Audit and Permissible Non-Audit Services

The Audit Committee has adopted a policy requiring pre-approval of all audit and non-audit related services to be provided by the Company's independent auditor regardless of amount. These services may include audit services, audit-related services, tax services and other related services. BDO USA, LLP and management are required to periodically report to the Audit Committee regarding the extent of services provided by BDO USA, LLP in accordance with this pre-approval and the fees for the services performed to date. The Audit Committee may also pre-approve particular services on a case-by-case basis. The foregoing Report of the Audit Committee shall not be considered soliciting material, nor shall it be deemed “filed” for any purpose, including for the purposes of Section 18 of the Exchange Act or otherwise subject to the liabilities of that Section. The Report of the Audit Committee shall not be deemed incorporated by reference into any filing under the Securities Act or under the Exchange Act, regardless of any general incorporation language in such filing.

PROPOSAL 3—ADVISORY VOTE ON EXECUTIVE COMPENSATION

As described in this proxy statement under the caption “*EXECUTIVE COMPENSATION—Compensation Discussion and Analysis*,” the Compensation Committee’s goal in setting executive compensation is to attract and retain highly-qualified executives by providing total compensation for each position that our board of directors and chief executive officer believe is competitive within our business sector. We also seek to provide appropriate incentives for our named executive officers to achieve performance metrics related to company-wide performance and the individual’s relevant performance goals. In applying these principles, we seek to integrate compensation with our short- and long-term strategic plans and to align the interests of our named executive officers with the long-term interests of our stockholders.

Stockholders are urged to read the Compensation Discussion and Analysis contained in this proxy statement, which discusses how our compensation policies and procedures implement our compensation objectives and philosophies, as well as the summary compensation table set forth in “*EXECUTIVE COMPENSATION—Summary Compensation Table—Fiscal Years 2011-2013*” and other related compensation tables and narrative disclosure which describe the compensation of our named executive officers in fiscal 2013.

The Compensation Committee and the Board believe that the policies and procedures articulated in the Compensation Discussion and Analysis are effective in aligning the interests of our executives with those of our stockholders and in incentivizing performance that supports our short- and long-term strategic objectives and that the compensation of our named executive officers in fiscal 2013 reflects and supports these compensation policies and procedures.

As required by Section 14A of the Exchange Act and as a matter of good corporate governance, stockholders will be asked at the Annual Meeting to approve the following advisory resolution:

RESOLVED, that the compensation paid to the Company’s named executive officers, as disclosed pursuant to Item 402 of Regulation S-K, including the Compensation Discussion and Analysis, compensation tables and narrative discussion, is hereby APPROVED.

This advisory vote, commonly referred to as a “say-on-pay” advisory vote, is non-binding on the Board. At our 2012 annual meeting, a majority of our stockholders voted, on a non-binding, advisory basis, to hold the “say-on-pay” advisory vote every year, and our Board subsequently determined that the Company will do so until the next required vote on the frequency of such “say-on-pay” advisory votes occurs. Accordingly, we will hold the next “say-on-pay” advisory vote at our 2015 annual meeting of stockholders. Although non-binding, the Board and the Compensation Committee will review the voting results of the “say-on-pay” advisory vote and take them into consideration when making future decisions regarding our executive compensation programs.

The Board unanimously recommends that stockholders vote “FOR” the non-binding, advisory vote on executive compensation. Proxies received by the Board will be voted “FOR” the non-binding, advisory vote on executive compensation unless a contrary choice is specified in the proxy.

Vote Required

An affirmative vote of a majority of the shares represented at the Annual Meeting in person (including by webcast) or by properly executed proxy and entitled to vote on Proposal 3 is necessary for approval. Broker non-votes will have no effect on the outcome of this proposal, and abstentions will be equivalent to a vote against this proposal. If no voting specification is made on a properly returned or voted proxy card, the proxy card will vote FOR Proposal 3.

OTHER MATTERS

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires our directors, executive officers and holders of more than 10% of our common stock ("Reporting Persons") to file with the SEC initial reports of ownership and reports of changes in ownership of common stock and other equity securities. To the Company's knowledge, based solely upon a review of Forms 3, 4 and 5 and amendments thereto furnished to the Company for the fiscal year ended December 27, 2013 pursuant to Rule 16a-3(e) of the Exchange Act and written representations from Reporting Persons that all required reports had been filed, the Company believes that all Reporting Persons filed the required reports on a timely basis.

Stockholder Proposals for the 2015 Annual Meeting of Stockholders

The 2015 annual meeting of stockholders is expected to be held on May 15, 2015, although this date may change. Eligible stockholders interested in submitting a proposal for inclusion in the proxy materials for the annual meeting of stockholders in 2015 may do so by following the procedures prescribed in Rule 14a-8 under the Exchange Act. In order to be considered timely for inclusion in the Company's proxy materials for the 2015 annual meeting of stockholders, stockholder proposals must be received by the Company at 100 East Ridge Road, Ridgefield, Connecticut 06877, addressed to the corporate secretary of the Company, not later than December 5, 2014. Eligible stockholders interested in submitting a matter to be brought before the Company's 2015 annual meeting although not included in the Company's proxy materials may do so by following the procedures prescribed in the Company's Bylaws. In order for the proposal to be considered timely for the Company's 2015 annual meeting, such stockholder proposal must be received by the Company at the address stated above not less than 90 days nor more than 120 days prior to the first anniversary of the preceding year's annual meeting of stockholders (i.e., not earlier than January 16, 2015 and not later than February 15, 2015); provided, however, that if the date of the annual meeting is advanced more than 30 days prior to such anniversary date or delayed more than 60 days after such anniversary date, then to be timely such notice must be so received not later than the tenth (10th) day following the day on which notice of the date of the annual meeting was mailed or public disclosure of the date of the annual meeting was first made, whichever occurs first.

The stockholder's submission must include certain specified information concerning the proposal and the stockholder, including such stockholder's ownership of our common stock. As we will not entertain any proposals at an annual meeting that do not meet these requirements, we strongly encourage stockholders to seek advice from legal counsel before submitting a proposal. Submitting a stockholder proposal does not guarantee that we will include it in our proxy statement.

THE BOARD HOPES THAT STOCKHOLDERS WILL ATTEND THE ANNUAL MEETING IN PERSON OR ON THE INTERNET THROUGH A VIRTUAL WEB CONFERENCE. REGARDLESS OF WHETHER YOU PLAN TO ATTEND THE ANNUAL MEETING, YOU ARE URGED TO VOTE EITHER IN PERSON OR VIA THE INTERNET, BY TELEPHONE, OR BY COMPLETING, SIGNING, DATING AND RETURNING THE ENCLOSED PROXY CARD (IF RECEIVED BY MAIL) AS SOON AS POSSIBLE TO ENSURE THAT YOUR SHARES ARE REPRESENTED AT THE MEETING. STOCKHOLDERS OF RECORD OR BENEFICIAL STOCKHOLDERS NAMED AS PROXIES BY THEIR STOCKHOLDERS OF RECORD WHO ATTEND THE MEETING MAY REVOKE THEIR PROXIES AND CAST THEIR VOTES ELECTRONICALLY OVER THE INTERNET DURING THE MEETING.

Christopher Pappas,
Chairman of the Board
