ITEM 30. INDEMNIFICATION

It is the Registrant's policy to indemnify its directors and officers to the maximum extent permitted by Section 2-418 of the General Corporation Law of the State of Maryland as set forth in Article VII of the Registrant's By-Laws filed as exhibit 2(b) of Item 25 hereto, subject to the limitations of the Investment Company Act of 1940, as amended. The Registrant's indemnification obligations with respect to each officer and director as set forth in Article VII of the Registrant's By-Laws further provide for the payment of, and advancement of, any reasonable expenses incurred in connection with the successful defense of any proceeding to which each such officer or director is a party by reason of service in such capacity. The Registrant's indemnification obligations with respect to the Adviser are set forth in Section 5 of the Investment Advisory Agreement filed as exhibit 2(g) of Item 25 hereto. The Registrant has purchased insurance insuring its directors and officers against certain liabilities incurred in their capacities as such, and insuring the Registrant against any payments which it is obligated to make to such persons under the foregoing indemnification provisions.

Insofar as indemnification for liabilities arising under the Securities Act, may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

Pursuant to the Equity Distribution Agreement filed as exhibit 2(h) of Item 25 hereto, the Registrant has agreed to indemnify Ladenburg Thalmann & Co. Inc. against specified liabilities for actions taken in its capacity as sales agent under such agreement, including liabilities under the Securities Act.

ITEM 34. UNDERTAKINGS

The Registrant hereby undertakes:

(1) to suspend the offering of shares until the prospectus is amended if: (i) subsequent to the effective date of this Registration Statement, the net asset value per share declines more than 10% from its net asset value per share as of the effective date of this Registration Statement; or (ii) the net asset value increases to an amount greater than its net proceeds as stated in the prospectus.

(2) Not applicable.

(3) if the securities being registered are to be offered to existing stockholders pursuant to warrants or rights, and any securities not taken by stockholders are to be reoffered to the public, to supplement the prospectus, after the expiration of the subscription period, to set forth the results of the subscription offer, the transactions by underwriters during the subscription period, the amount of unsubscribed securities to be purchased by underwriters, and the terms of any subsequent reoffering thereof, and further, if any public offering by the underwriters of the securities being registered is to be made on terms differing from those set forth on the cover page of the prospectus, to file a post-effective amendment to set forth the terms of such offering.

(4) (a) to file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(1) to include any prospectus required by Section 10(a)(3) of the Securities Act of 1933, as amended, or the Securities Act;

(2) to reflect in the prospectus any facts or events after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement; and

(3) to include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement;

(b) that, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of those securities at that time shall be deemed to be the initial bona fide offering thereof;

(c) to remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering;

(d) that, for the purpose of determining liability under the Securities Act to any purchaser, if the Registrant is subject to Rule 430C [17 CFR 230.430C]: Each prospectus filed pursuant to Rule 497(b), (c), (d) or (e) under the Securities Act [17 CFR 230.497(b), (c), (d) or (e)] as part of a registration statement relating to an offering, other than prospectuses filed in reliance on Rule 430A under the Securities Act [17 CFR 230.430A], shall be deemed to be part of and included in the registration statement as of the date it is first used after effectiveness. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such first use, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such date of first use; and

(e) that for the purpose of determining liability of the Registrant under the Securities Act to any purchaser in the initial distribution of securities, the undersigned Registrant undertakes that in a primary offering of securities of the undersigned Registrant pursuant to this Registration Statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned Registrant will be a seller to the purchaser and will be considered to offer or sell such securities to the purchaser:

(1) any preliminary prospectus or prospectus of the undersigned Registrant relating to the offering required to be filed pursuant to Rule 497 under the Securities Act [17 CFR 230.497];

(2) the portion of any advertisement pursuant to Rule 482 under the Securities Act [17 CFR 230.482] relating to the offering containing material information about the undersigned Registrant or its securities provided by or on behalf of the undersigned Registrant; and

(3) any other communication that is an offer in the offering made by the undersigned Registrant to the purchaser.

that: (a) for purpose of determining any liability under the Securities Act, the information omitted from the form of prospectus filed as part of this Registration Statement in reliance upon Rule 430A and contained in a form of prospectus filed by the Registrant pursuant to Rule 497(h) under the Securities Act shall be deemed to be part of (5) this Registration Statement as of the time it was declared effective; and (b) for the purpose of determining any liability under the Securities Act, each post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(6) Not applicable.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant, pursuant to the foregoing provisions or otherwise, the Registrant has been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the (7) Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
